MANAGEMENT INFORMATION CIRCULAR

(as at July 15, 2020 and in Canadian dollars, except where indicated)

This Information Circular is furnished in connection with the solicitation of proxies by the management of Great Atlantic Resources Corp. (the “Company” or “Great Atlantic”) for use at the Annual General and Special Meeting (the “Meeting”) of its shareholders to be held on Wednesday August 19,, 2020 at the time and place and for the purposes set forth in the accompanying notice of the Meeting

In this Information Circular, references to “the Company”, “we” and “our” refer to Great Atlantic “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified on the Proxy and, if applicable, for the nominees of management for directors and auditors as identified in the Proxy.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. A registered shareholder may submit a proxy using one of the following methods:

- a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Computershare Trust Company of Canada (“Computershare”), by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or

- b) use a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- c) log on to Computershare's website at, www.investorvote.com. Registered shareholders must follow the instructions provided and refer to the enclosed proxy form for the holder's account number and the proxy access number.

Whatever method a registered shareholder uses to submit their proxy, they must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("OBOs") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("NOBOs") who do not object to the issuers of the securities they own knowing who they are.

The Company is taking advantage of the provisions of National Instrument 54-101 - Communication with Beneficial Owners of Securities of a Reporting Issuer ("NI 54-101") that permit the Company to deliver proxy-related materials directly to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from our transfer agent, Computershare Investor Services, Inc. ("Computershare"). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Company. If you are a beneficial owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in Canada and in the United States. Broadridge mails a VIF in lieu of the proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a

Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your**

Common Shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

Revocation of Proxies

- b) attend the Meeting in person and vote the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

The board of directors (the "Board") of the Company has fixed **July 15, 2020** as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management by holding regular meetings at which members of management or non-independent directors are not in attendance and by retaining independent consultants where it deems necessary.

The independent members of the Board are Allan Beaton. The non-independent directors are Christopher Anderson and Scott Kent.

Directorships

The directors are currently serving on boards of the following other reporting companies (or equivalent) as set out below

Name Directors	Name of Other Reporting Issuer

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Board, acting through the Corporate Governance Committee and the Compensation Committee, evaluates the performance of the CEO in conjunction with the Company's goals and objectives and, acting through the Corporate Governance and Compensation Committees, approves the compensation level of the CEO. The Compensation Committee determines the compensation for the Directors.

Other Board Committees

The Board has no committees other than the Audit Committee, Compensation Committee and the Corporate Governance Committees.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

STATEMENT OF EXECUTIVE COMPENSATION

Unless otherwise noted the following information is for the Corporation's last completed financial year (which ended February 29, 2020).

Named Executive Officers

For the purposes of this Circular, a Named Executive Officer (“NEO”) of the Company means each of the following individuals:

- a) the chief executive officer (“CEO”) of the Company;
- b) the chief financial officer (“CFO”) of the Company;
- c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6, for that financial year; and
- d) each individual who would be an NEO under (c) above but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

The Company’s board of directors (the “Board”), acting through the Corporate Governance Committee and the Compensation Committee, evaluates the performance of the CEO in conjunction with the Company's goals and objectives and, acting through the Corporate Governance and Compensation Committees, approves the compensation level of the CEO and of the Company’s executive officers. The Board seeks to ensure that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company’s compensation philosophy.

The Board, acting through the Compensation Committee, is also responsible for recommending compensation for the directors and granting stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Corporation’s Stock Option Plan. Each of the independent directors has appropriate experience and skills based on their involvement with various companies in the public company sector as disclosed in the section below on Relevant Skills and Experience.

Philosophy

The Company follows the practice of compensating its NEOs such that compensation is competitive with peer group companies, which allows the Company to attract and retain its key employees, and allows the Company to compensate based on performance. This philosophy is linked to the Company’s business strategy which includes increasing stakeholder value. In addition, the compensation programs aim for simplicity and responsiveness to market changes.

The Board oversight is total in that the Board annually determines the base salary, cash and stock incentives and grant of stock options. All incentives are subject to risk but the Board believes that these risks are mitigated because it has the right to determine all incentives in light of any inappropriate risks taken by a NEO. In addition, all NEO compensation policies and practices are similar, the Board can exercise the right to award or reduce any compensation, no policies are weighted towards short term goals, and policies are awarded upon an accomplishment of a short term task which affects the company over a longer term.

Objective and Description of Business

Great Atlantic is a junior resource company engaged in the acquisition, exploration and development of mineral properties, with a focus on copper-gold projects in Mongolia. Our objective is to create value for shareholders through the advancement and discovery of porphyry copper-gold-molybdenum and epithermal precious metal deposits, particularly focused on the next generation of Tier 1 porphyries in the under explored Southern Gobi copper-gold belt.

The Company performs reviews of all NEOs annually, or as needed in light of company developments and market conditions, to ensure that compensation provided to top performing individuals is comparable to that of individuals with similar qualifications, skills and positions with peer companies within the mining industry. The compensation is also reviewed in light of the company’s cash position, budgets and share prices to ensure that the compensation is also equitable to the company and the future success of the company. In the last year, two compensation reviews have been undertaken seeking to align the NEOs interests to that of shareholders in light of the Company’s cash position and difficult market conditions.

The Company is a reporting issuer in British Columbia and Alberta, Canada. The Company’s common shares trade on the TSX Venture Exchange under the symbol GR.

Components of Compensation

The Company's key components of compensation are base salary, variable annual cash incentives and stock options. The Company does offer other perquisites but such are not material on an annual basis.

Base Salary

A target salary is determined by the Board of Directors based on consideration of various marked factors. The target salary is the optimal salary paid to an individual who is proficient, experienced, has sufficient skills and potential and is performing at a high level. The Company follows standard industry practices when assessing compensation.

Annual Cash and Stock Incentives

The Board of Directors considers incentives to the NEOs from time to time based on objectives tied to the general improvement of the Company in terms of successful financings, property acquisitions, property option agreements, establishing control procedures, and other factors as determined by the Board of Directors.

Stock options

The philosophy of the Board of Directors is to grant options based on an individual's involvement, proficiency, experience and performance levels. Options are granted periodically.

During the year ended February 2019, a total of 250,000 stock options were granted by the Company.

During the year ended February 29, 2020 a total of 225,000 stock options were granted by the Company.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Re-Approval of Stock Option Plan

The Company has in place a stock option plan (the "Plan") which was approved by Shareholders at the Company's Annual and General Meeting held on January 11, 2019. It is a requirement of the TSX Venture Exchange (the "Exchange") that each company listed on the Exchange have a stock option plan, and a company with a "rolling plan" must seek shareholder approval to such plan each year to ensure compliance with their policies. Accordingly, shareholders will be asked to re-approve the Plan consisting of shares of the Company's authorized but unissued common shares and will be limited to 10% of the issued shares of the Company at the time of any granting of options (on a non-diluted basis). The Plan has the following terms:

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) the Company may grant stock options to any one individual representing over 5% of the issued Shares in any 12 month period with the approval of disinterested shareholders;
- (b) the Company may alter the requirement for options granted to optionees to expire 90 days following the termination of the relationship between the optionee and the Company;
- (c) the Company may alter the requirement for options granted to persons performing Investor Relations Activities (as defined in the TSXV Policy) to expire 30 days following the termination of the relationship between the optionee performing Investor Relations Activities and the Company;
- (d) the Company may grant options having a term of up to 10 years; and
- (e) the options granted under the Plan will not automatically be subject to vesting however the Company may impose vesting requirements on a case by case basis.
- (f) A copy of the Plan is available for review at the offices of the Company.

Shareholder Approval

An ordinary resolution requires the favourable vote of a simple majority of the votes cast in person or by proxy at the Meeting. Management of the Company recommends that the Shareholders approve the following resolution:

"RESOLVED THAT, subject to regulatory approval:

1. the Company's Plan be and it is hereby ratified and confirmed;
2. the board of directors be authorized to grant options under and subject to the terms and conditions of the Plan, which may be exercised to purchase up to 10% of the issued Common Shares of the Company from time to time;
3. the board of directors be authorized to grant options representing in excess of 5% of the issued and outstanding Common Shares of the Company to any one individual within a 12 month period;
4. the outstanding stock options which have been granted prior to the implementation of the Plan shall, for the purpose of calculating the number of stock options that may be granted under the Plan, be treated as options granted under the Plan; and
5. any one director or officer of the Company be authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions."

A full copy of the Plan will be available for inspection at the Meeting.

APPROVAL OF THE RSU PLAN

On March 2, 2020, the Board approved the form of restricted stock unit plan (the "RSU Plan") for adoption by the Company. The RSU Plan is designed to provide certain directors, officers, consultants and other key employees (an "Eligible Person") of the Company and its related entities with the opportunity to acquire restricted share units ("RSUs") of the Company, thereby allowing an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Person's interests with the Shareholders.

The RSU Plan allows the Company to grant RSUs, under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a fixed number maximum of 200,000 Shares.

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, to approve the adoption of the RSU Plan. A copy of the RSU Plan is attached to this Circular as Appendix "A".

In the event that the RSU Plan is not approved by the Shareholders at the Meeting, the Company will consider the provision of comparable compensation to its directors, officers, consultants and key employees in the form of cash or by other appropriate arrangements.

The following summary assumes that the RSU Plan will be approved by the Shareholders at the Meeting and is subject to the specific provisions of the RSU Plan. Capitalized terms used but not defined in this section of the Circular shall have the meanings ascribed thereto in the RSU Plan attached hereto as Appendix "A".

Benefits of the RSU Plan

The RSU Plan is designed to be a long term incentive for the directors, officers, consultants and other key employees of the Company. RSUs provide the Company with an additional compensation tool to help retain and attract highly qualified directors, officers, consultants and employees.

Nature and Administration of the RSU Plan

As defined in the RSU Plan, Eligible Persons are eligible to participate in the RSU Plan (as "Recipients"), and the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation as Recipients in the RSU Plan. Eligibility to participate as a Recipient in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board or its appointed committee, can, from time to time, award RSUs to Eligible Persons. RSUs will be credited to an account maintained for each Recipient on the books of the Company as of the award date. The number of RSUs to be credited to each Recipient's account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

Each award of RSUs vests on the date(s) (each a "Vesting Date") that is the later of the Trigger Date (as defined in the RSU Plan) and the date upon which the relevant performance condition or other vesting condition set out in the award has been satisfied, subject to the requirements of the RSU Plan.

RSUs and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Recipient dies the legal representatives of the Recipient will be entitled to receive the amount of any payment otherwise payable to the Recipient hereunder in accordance with the provisions hereof.

RSUs Granted Prior to Shareholder Approval of the RSU Plan

The Company must obtain disinterested shareholder approval to any and all RSUs granted by the Company prior to shareholder approval of the RSU Plan. As at July 15, 2020 there were no RSUs granted and outstanding under the RSU Plan.

Credit for Dividends

A Recipient's account will be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Shares. The number of additional RSUs to be credited to a Recipient's account is computed by multiplying the amount of the dividend per Share by the aggregate number of RSUs that were credited to the Recipient's account as of the record date for payment of the dividend, and dividing that number by the Fair Market Value (as defined in the RSU Plan). Note that the Company is not obligated to pay dividends on Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Recipient's employment or service is terminated for cause, if Recipient enters Retirement (as defined in the RSU Plan), or if the Recipient voluntarily resigns from employment with the Company, then any RSUs credited to him or her under the RSU Plan which have not vested on or before the separation date for the Recipient are forfeited, cancelled and terminated without payment.

In the event a Recipient is terminated without cause, dies, or suffers Total Disability (as defined in the RSU Plan), unvested RSUs will immediately vest on the date of termination.

Control of Change

In the event of a Change of Control (as defined in the RSU Plan), all RSUs credited to a Recipient vest on the date on which the Change of Control occurs. Within thirty (30) days after the date on which the Change of Control Occurs, but in no event later than the Expiry Date, the Recipient must receive a payment equal to the number of RSUs that vested on the date of the Change of Control, multiplied by the Fair Market Value on that date.

Adjustments

In the event of any dividend paid in shares, share subdivision, combination or exchange of shares, merger, consolidation, spin-off or other distribution of Company assets to shareholders, or any other change in the capital of the Company affecting Shares, the Board will make adjustments with respect to the number of RSUs outstanding and any proportional adjustments as it, in its discretion, considers appropriate to reflect the change.

Vesting

The Board has discretion to grant RSUs to Eligible Persons as it determines is appropriate, and can impose conditions on vesting as it sees fit in addition to the Performance Conditions (as defined in the RSU Plan) if any. Vesting occurs on the date set by the Board at the time of the grant or if no date is set then December 1 of the third calendar year following the date of the grant (the "Trigger Date"), and the date upon which the relevant Performance Condition or other vesting condition has been satisfied, subject to the limitations of the RSU Plan.

The Board may accelerate the Trigger Date of any RSU at its election.

Limitations under the RSU Plan

Unless disinterested Shareholder Approval is obtained (or unless permitted otherwise by the rules of the Stock Exchange):

- (a) the maximum number of Shares that may be issued to an Eligible Person pursuant to Restricted Stock Units under the Plan may not exceed 1% of the issued Shares calculated on the Grant Date (on a non-diluted basis) and in aggregate, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (b) the maximum number of Shares which may be reserved for issuance to Insiders (as a group) under the Plan and under other Share Compensation Arrangement may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (c) the maximum number of Shares that may be issued to Insiders (as a group) pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (d) subject to clause (e) below, the maximum number of Shares that may be issued to any one Eligible Person pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Grant Date (on a non-diluted basis); and
- (e) the maximum number of Shares that may be issued to an Eligible Person who is a Consultant or a Person retained to provide Investor Relations Activities pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis), without the prior consent of the Stock Exchange.

Amendment or Termination of RSU Plan

Subject to all necessary approvals of the Stock Exchange, the Board may amend or terminate the RSU Plan at any time, but the consent of the Recipient is required for any such amendment that adversely affects the rights of the Recipient, unless the amendment or termination is required by law. A termination of the RSU Plan will not accelerate the vesting of RSUs or the time which a Recipient would otherwise be entitled to receive payment in respect of the RSUs.

Approval Requirements

The approval of the RSU Plan must be confirmed by a simple majority of the votes cast by Shareholders voting in person or by proxy at the Meeting. The resolution must also be approved by a simple majority of votes of disinterested shareholders only. In order to achieve disinterested shareholder voting, the votes attaching to the Common Shares beneficially owned by Insiders: Chris Anderson, Scott Kent, and Allan Beaton, and any associates or affiliates of these Insiders, Consultants and Employees, will not be counted on the resolution and will be excluded from the vote tally.

The Board recommends that Shareholders vote FOR the resolution to approve the RSU Plan.

Approval of the RSU Plan

At the Meeting, the Company will ask the Shareholders to consider and, if deemed advisable, to approve the following ordinary resolution to approve the adoption of the RSU Plan (the "RSU Plan Shareholder Resolution"):

“BE IT RESOLVED AS AN ORDINARY RESOLUTION that:

1. the Restricted Stock Unit Plan (the “RSU Plan”), in the form attached as Appendix “A” to the Company’s Information Circular dated July 15, 2020, reviewed by the board of directors (the “Board”), be and is hereby ratified and approved for adoption;

4. subject to all required regulatory approvals all Restricted Stock Units granted by the Company to Eligible Persons under the RSU Plan prior to the date of this resolution, be and are hereby ratified, confirmed and approved;
5. the Board be and is hereby appointed to be the administrator under the RSU Plan, such appointment to be effective until revoked by resolution of the Board;
6. the Company be and is hereby authorized to grant Restricted Share Units (“RSUs”) under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a maximum of 200,000 Common Shares;

The resolution for shareholder approval of the RSU Plan will be an ordinary resolution, which is a resolution passed by a simple majority of the votes cast in person or by proxy by the shareholders of the Company at a general and Special meeting. The resolution must also be approved by a simple majority of votes of disinterested shareholders only. In order to achieve disinterested shareholder voting, the votes attaching to the shares beneficially owned by Insiders: Christopher Anderson, Scott Kent, and Allan Beaton, and any associates or affiliates of these Insiders, Consultants and Employees, will not be counted on the resolution and will be excluded from the vote tally.

The Board has concluded that adoption of the RSU Plan is in the best interests of the Company and its Shareholders. **Accordingly, the Board unanimously recommends that Shareholders ratify, confirm and approve the RSU Plan by voting FOR the RSU Plan Resolution at the Meeting.**
