Item 5.1: Full Description of Material Change

On December 22, 2021, the Company announced that it had closed the Offering for gross proceeds of \$8,587,353, from the sale of the following:

- 17,043,642 units of the Company (each, a "Unit") at a price of C\$0.21 per Unit for gross proceeds of C\$3,579,164 from the sale of Units;
- 16,373,732 flow-through units of the Company (each, a "FT Unit") at a price of C\$0.23 per FT Unit for gross proceeds of C\$3,765,958 from the sale of FT Units; and

Each Unit issued pursuant to the Offering is comprised of one common share of the Company (each, a "**Unit Share**") and one common share purchase warrant (each whole warrant, a "**Warrant**"). Each FT Unit is comprised of one common share of the Company to be issued as a "flow-through share" within the meaning of the *Income Tax Act* (Canada) (each, a "**FT Share**") and one half of one Warrant. Each Charity FT Unit is comprised of one FT Share and one Warrant. Each whole Warrant entitles the holder to purchase one common share of the Company (each, a "**Warrant Share**") at a price of C\$0.26 at any time on or before December 22, 2023.

Red Cloud Securities Inc. (the “**Agent**”) acted as sole agent and bookrunner under the Offering. In connection with the Offering, the Company paid the Agent an aggregate cash commission of approximately C\$276,363, equal to five per cent (5.0%) of the gross proceeds raised under the

Offering (the “**Broker Commission**”) (except for certain of those purchasers listed on the president’s list (the “**President’s List**”), to which no commission was paid). The Company also issued to the Agent 1,152,903 broker warrants (the “**Broker Warrants**” and, together with the Broker Commission, the “**Commission**”), equal to five percent (5.0%) percent of the Offered Units sold pursuant to the Offering (except for certain of those Offered Units sold to purchasers on the President’s List). Each Broker Warrant entitles the holder thereof to purchase one common share in the capital of the Company at a price of C\$0.21 at any time on or before December 22, 2023.

In addition to the Commission, pursuant to the Offering and in accordance with the policies of the TSX Venture Exchange (the “**TSXV**”), the Company (i) paid Canaccord Genuity Corp., Haywood Securities Inc., and Ocean Wall Limited (the “**Finders**”) a cash fee totaling \$140,208.49, and (ii) issued the Finders an aggregate of 621,111 common share purchase warrants (the “**Finders’ Warrants**”). Each Finders’ Warrant is non-transferable and is exercisable into one common share at a price of \$0.21 per common share until December 22, 2023.

The Company intends to use the proceeds raised from the Offering for future exploration work on the Company's projects, corporate development and general corporate and working capital purposes. The gross proceeds from the issuance of the FT Shares will be used for "Canadian Exploration Expenses" (within the meaning of the *Income Tax Act* (Canada)) (the "**Qualifying Expenditures**"), which will be renounced with an effective date no later than December 31, 2021 to the purchasers of the FT Units and Charity FT Units in an aggregate amount not less than the gross proceeds raised from the issue of the FT Shares. If the Qualifying Expenditures are reduced by the Canada Revenue Agency, the Company will indemnify each subscriber of FT Units and Charity FT Units for any additional taxes payable by such subscriber as a result of the Company's failure to renounce the Qualifying Expenditures.

The Unit Shares, FT Shares, Warrants and Warrant Shares sold pursuant to the Offering are subject to a four-month hold period, which will expire on April 23, 2022.

The securities described herein have not been, and will not be, registered under the United States Securities Act, or any state securities laws, and accordingly, may not be offered or sold within the United States except in compliance with the registration requirements of the U.S. Securities Act and applicable state securities requirements or pursuant to exemptions therefrom.

An insider of the Company (the “**Interested Insider**”), participated in the Offering by purchasing an aggregate of 434,800 FT Units for aggregate gross proceeds to the Company of \$100,004. Accordingly, the Offering constitutes a “related-party transaction” under Multilateral Instrument 61-101 – Protection of Minority Security Holdings in Special Transactions, which is adopted in TSXV Policy 5.9 (“**MI 61-101**”). Immediately prior to the closing of the Offering the Interested Insider held 9,505,422 Common Shares representing approximately 3.80% of the issued and outstanding Common Shares. The Offering is exempt from the formal valuation and minority shareholder approval under MI 61-101 in reliance on the exemptions set forth in Sections 5.5(a) and 5.7(1)(a) of MI 61-101, as neither the fair market value of the securities to be distributed in the Offering nor the consideration to be received for those securities, exceeds 25% of the Company’s market capitalization.
