UNITED HUNTER ANNOUNCES ENTERING INTO LETTER OF INTENT TO ACQUIRE BOCANA RESOURCES LTD.

FOR IMMEDIATE RELEASE

VANCOUVER, BRITISH COLUMBIA – August 10, 2020 – United Hunter Oil & Gas Corp. (TSXV: UHO; Frankfurt UHO: 18U1) ("**UHO**" or the "**Company**") is pleased to announce that it has signed a non-binding letter of intent dated August 7, 2020 (the "**LOI**") with Bocana Resources Ltd. ("**Bocana**"), a private company incorporated under the *Canada Business Corporations Act* (the "**CBCA**"), which sets forth the general terms and conditions of a proposed reverse takeover transaction (the "**Proposed Transaction**"). In addition and in connection with the Proposed Transaction, the parties have agreed to use their "commercially reasonable efforts" to cause UHO or Bocana to complete a private placement of common shares at a price of at least \$0.10 in accordance with subsection 4.2(h) of Policy 5.4 of the TSX Venture Exchange (the "**Exchange**") (the "**Proposed Private Placement**").

The Proposed Transaction will, pursuant to the policies of the Exchange, constitute a 'reverse takeover' of the Company. The corporation resulting from the Proposed Transaction (the "**Resulting Issuer**") will carry on the business of Bocana as currently constituted and be listed for trading on the Exchange as a Tier 2 mining issuer and the Frankfurt Stock Exchange under the name "Bocana Resources Gold and Silver Corp.", or such other name as the parties may agree.

Pursuant to the terms of the LOI, it is intended that UHO and Bocana will enter into a business combination by way of a share exchange, merger, amalgamation, arrangement, or other similar form of transaction. The final structure of the business combination is subject to receipt by the parties of tax, corporate, and securities law advice and will be agreed to and superseded by a definitive agreement (the "**Definitive Agreement**") between UHO and Bocana with such agreement to include representations, warranties, conditions and covenants typical for a transaction of this nature. In addition, upon execution of the LOI, UHO advanced to Bocana an unsecured loan in the principal amount of \$20,000 and in accordance with section 6.1 of Policy 5.2 of the Exchange.

The Proposed Transaction is subject to, among other details, final approval of the Exchange and standard closing conditions, including the conditions described below.

The UHO Shares are currently listed on the TSXV under the symbol "**UHO**". The UHO Shares are currently halted from trading and are expected to remain halted pending the completion of the Proposed Transaction.

Terms of the Proposed Transaction

The LOI serves as an agreement in principle concerning a business combination between UHO and Bocana that will result in a reverse takeover of UHO. The Proposed Transaction will take the form of a business combination between UHO and Bocana whereby the UHO Securities and Bocana Securities will be exchanged on a 1:1 basis for an equivalent security of the Resulting Issuer (other than Bocana Shares or UHO Shares held by shareholders who exercise their dissent rights, if applicable).

Under the terms of the LOI, it is anticipated that Bocana and UHO will enter into the Definitive Agreement pursuant to which the Proposed Transaction will be completed by way of a plan of arrangement, amalgamation, or alternate structure to be determined, the final structure of which will be subject to receipt by the parties of relevant tax, corporate and securities law advice.

The completion of the Proposed Transaction is also subject to several other conditions set out in the LOI, including approval by the directors of the Company and Bocana, satisfactory completion of due diligence, regulatory approval and shareholder approval. A more comprehensive news release will be issued by UHO disclosing details of the Proposed Transaction, including financial information respecting Bocana, the names and backgrounds of all persons who will constitute insiders of the Resulting Issuer, and information respecting sponsorship, once an agreement has been finalized and certain conditions have been met, including:

- I. satisfactory completion of due diligence; and
- II. execution of the Definitive Agreement.

Tim Turner, Chief Executive Officer and a director of UHO owns approximately 15.57% of the outstanding Bocana Shares. As a result of his position as a director and officer of UHO and ownership interest in Bocana, the Proposed Transaction will both constitute a "Non-Arm's Length Transaction" as defined by the policies of the Exchange and a "related party transaction" pursuant to Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions. The Company will be seeking majority of the minority approval of the Proposed Transaction at a meeting of UHO shareholders. Trading in the UHO Common Shares has been halted and is not expected to resume trading until the Proposed Transaction is completed or until the Exchange receives the requisite documentation to resume trading.

The Company has requested a halt in trading of its UHO Common Shares and, pursuant to the rules of the Exchange, the halt in trading is expected to continue until the completion of the Proposed Transaction. Sponsorship pursuant to rules of the TSXV may be required and UHO plans to apply for a waiver. The Company has not yet engaged a sponsor.

Summary of the Proposed Private Placement

Pursuant to the LOI, the parties have agreed to use their "commercially reasonable efforts" to cause Bocana or UHO to complete a the Proposed Private Placement of common shares (the "**Private Placement Common Shares**") at a price per common share of at least \$0.10 to meet the valuation requirements set out in subsection 4.2(h) of Policy 5.4 of the Exchange. The parties may engage an agent or syndicate of agents (the "**Agents**") for the Proposed Private Placement. A commission may be paid to the Agents or to individual registrants (including selling group members). The Agents may also be granted broker warrants of the number of Private Placement Common Shares sold by the Agents (including selling group members) in the Proposed Private Placement, with each broker warrant entitling the holder thereof to purchase one common share of the Resulting Issuer at a price equal to the price paid per Private Placement Common Share for a period of 12 months from closing of the Proposed Transaction. Further particulars of the Proposed Private Placement will be disseminated in a news release to be issued upon finalization of its terms.
