Dear Reader:

This letter is to inform you that the management had identified the following mistake in the financial reports filed for the year ended **April 30, 2017**:

- The auditor's report referenced therein does not refer to the correct periods. A note has been added to acknowledge that the auditors have also audited the April 30, 2016 statements.

Management has made the appropriate amendments and have re-filed as the materials as an addition to the original SEDAR filing under Project #2668658; 2668657.

Thank you for your attention to this matter.

Sincerely,

ENFORCER GOLD CORP.

/s/ "Steve Roebuck"
