MANAGEMENT PROXY CIRCULAR

A. VOTING INFORMATION

PROXY SOLICITATION

This management proxy circular (the “**Circular**”) is provided in the context of a solicitation of proxies by the management of the Corporation for the Meeting to be conducted solely via a live webcast meeting on Friday, July 24, 2020, at the website and time and for purposes set forth in the foregoing notice of Meeting (the “**Notice**”) and at any adjournment thereof. In the Circular, unless otherwise indicated, the financial information set out is dated as at December 31, 2019, while all other information set out is dated as at June 18, 2020. All dollar amounts indicated herein are stated in Canadian dollars.

While proxies will be mainly solicited by mail, certain directors, officers and employees of the Corporation may solicit them directly in person, by telephone, or by other means of electronic communication, but without additional compensation. The Corporation may also mandate an external proxy solicitation agency to help therewith. The cost of solicitation will be assumed by the Corporation, and it is not expected to be significant. Arrangements will also be taken with brokerage firms and other receivers, trustees and agents for the forwarding of proxy solicitation documents to the beneficial owners of the Corporation’s Common Shares (in accordance with the provisions of *Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer* (the “**Regulation 54-101**”).

Shareholders of the Corporation whose Common Shares are registered in the Corporation’s register in their name may exercise their rights by virtually attending the Meeting or by completing a proxy form. If you are unable to be virtually present at the Meeting, kindly complete, date and sign the enclosed proxy form. Proxies must be received by the transfer agent and registrar of the Corporation not later than 5:00 p.m. (local time) on July 22, 2020, or 48 hours, excluding Saturdays and holidays, preceding the resumption of the Meeting after an adjournment (i) by mail at TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, ON M5H 4H1; (ii) by facsimile machine at 416-595-9593; (iii) by casting your vote online to the following website: www.voteproxyonline.com; (iv) by scanning and sending it by email to tsxtproxyvoting@tmx.com; or (v) by scanning the QR code indicated on the proxy form with their smartphones.

If you are not a registered shareholder of the Corporation as those Common Shares are registered in the name of a securities broker, or of another intermediary or a clearing agency, but you are a beneficial owner, please follow the instructions contained in the accompanying management proxy circular.

NOMINATION OF PROXYHOLDERS

The persons named as proxyholders in the enclosed proxy form are officers of the Corporation and have been chosen by the Board. **A shareholder entitled to vote at the Meeting has the right to appoint another person than the persons named in the enclosed proxy form to virtually attend the Meeting and act on his or her behalf. To exercise this right, the shareholder must insert the name of that person in the space provided for that purpose in the proxy form. A person named as proxyholder need not be a shareholder of the Corporation.**

To be used at the Meeting, proxies must be received by the transfer agent and registrar of the Corporation no later than 5:00 p.m. (local time) on July 22, 2020, or 48 hours, excluding Saturdays and holidays, preceding the resumption of the Meeting after an adjournment (i) by mail at TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, ON M5H 4H1; (ii) by facsimile machine at 416-595-9593; (iii) by casting your vote online to the following website: www.voteproxyonline.com; (iv) by scanning and sending it by email to tsxtproxyvoting@tmx.com; or (v) by scanning the QR code indicated on the proxy form with their smartphones.

If you are not a registered shareholder of the Corporation as those Common Shares are registered in the name of a securities broker, or of another intermediary or a clearing agency, but you are a beneficial owner, please follow the instructions contained in the Circular.

The shareholder who is an individual must sign his or her name as it appears in the share ledger. If the shareholder is a corporate body, the proxy form must be signed by a duly authorized officer or representative of this corporate body. Also, for the shareholder who is a corporate body, any individual accredited by a certified resolution of the directors or management of this corporate body may represent the latter at the Meeting and may apply all the shareholder's powers.

If the Common Shares are registered in the name of a liquidator, director or trustee, these persons must sign the exact name appearing in the ledger. If the Common Shares are registered in the name of a deceased shareholder, the name of the shareholder must be printed in block letters in the space provided for that purpose. The proxy form must be signed by the legal representative, who must print his or her name in block letters under his or her signature, and proof of his or her authority to sign on behalf of the shareholder must be appended to the proxy form.

A person acting for a shareholder as administrator of the property of others may participate in and vote at the Meeting.

If two or more persons hold Common Shares jointly, one of those shareholders present or represented by proxy at the Meeting may, in the absence of the others, exercise the voting right attached to those Common Shares. If two or more of such shareholders are present or represented by proxy at the Meeting, they must vote as one the number of Common Shares indicated on the proxy.

In many cases, the Common Shares belonging to a beneficial owner are registered in the name of a securities broker, another intermediary or a clearing agency. Beneficial owners should carefully read the section of the Circular entitled "Special Voting Instructions for the Benefit of Beneficial Owners" and carefully follow the directions given by their intermediaries.

EXERCISE OF VOTING RIGHTS BY PROXYHOLDERS

For any item listed in the Notice, the persons named as proxyholders in the enclosed proxy form will exercise the voting rights attached to the Common Shares for which they have been nominated in accordance with the instructions received from the shareholders and including by means of a vote by show of hands or a ballot. If no specific instruction has been given by the shareholder, the voting rights attached to his or her Common Shares will be exercised in favour of adopting the items listed in the Notice. The persons named as proxyholders will have discretionary authority with respect to amendments or variations to matters identified in the Notice and other matters which may properly come before the Meeting provided that (i) the management of the Corporation is not aware that any of those amendments, variations or other matters to be presented for action at the Meeting within a reasonable time before the beginning of the solicitation of proxies and (ii) a specific statement is made in the Circular or in the form of proxy that the proxy is conferring such discretionary authority. However, the persons named as proxyholders do not have such discretionary authority to vote at any meeting other than the Meeting, or any adjournment thereof, neither to vote for the election of any person as a director of the Corporation unless a bona fide proposed nominee for that election is named in the Circular. As of the date of the Circular, the directors of the Corporation have no knowledge of any amendment to the items listed in the Notice nor of any other item that may be brought before the Meeting in due form.

RIGHT TO REVOKE PROXIES

The shareholder who is an individual is at liberty to revoke such proxy by filing a written notice of revocation, including another proxy form indicating a later date, signed by the shareholder or his or her proxyholder duly authorized in writing. If the shareholder is a corporate body, this written notice of revocation and proxy form must be signed by a duly authorized officer or representative. The document appointing a proxyholder operates the revocation of any prior document appointing another proxyholder.

The written notice of revocation as well as the proxy form must be sent by no later than the last clear business day preceding the Meeting or of any adjournment thereof, (i) at the head office of the Corporation or (ii) TSX Trust Company, 301 – 100 Adelaide Street West, Toronto, ON M5H 4H1 or (iii) by submitting them to the chair of the Meeting on the same day that the Meeting is being held or on its adjournment. The act appointing a proxyholder results in the revocation of any previous act appointing another proxyholder.

If you are a non-registered shareholder, you may revoke voting instructions that you have given to your intermediary at any time by written notice to the intermediary. However, your intermediary may be unable to take any action on the revocation if you do not provide your revocation sufficiently in advance of the Meeting.

SPECIAL VOTING INSTRUCTIONS FOR THE BENEFIT OF BENEFICIAL OWNERS

The information provided in this section is of considerable importance for many shareholders, because a large number of them holds Common Shares through securities brokers or their nominees and not in their own names. These shareholders (hereinafter “**Beneficial Owners**”) must be aware of the fact that only proxies filed by shareholders whose names appear in the Corporation’s ledger as registered holders of Common Shares may be recognized and may benefit from the right to vote at the Meeting. If the Common Shares are registered in a statement that is remitted to the shareholder by the broker, in almost all cases, these Common Shares will not be registered in the shareholder’s name in the Corporation’s ledger. These Common Shares will likely be registered in the name of the broker or its nominee. In Canada, the majority of these Common Shares are registered in the name of CDS & Co. (the nominee of CDS Clearing and Depository Services Inc.) which acts as a depository for a good number of Canadian brokerage firms. **The voting rights attached to the Common Shares held by brokers or their nominees may be exercised only according to the Beneficial Owner’s specific instructions. Brokers and their nominees are prohibited from exercising the voting rights attached to the Common Shares of their clients without specific voting instructions. In order for their Common Shares to be voted at the Meeting, Beneficial Owners must make sure that their specific instructions concerning the exercise of the voting rights attached to their Common Shares are conveyed to the appropriate person well before the Meeting.**

Pursuant to Regulation 54-101, intermediaries and brokers must obtain voting instructions from Beneficial Owners before a meeting of shareholders. Each intermediary and broker has its own rules concerning the mailing and forwarding of voting instruction forms (“VIFs”), meeting notices, proxy circulars as well as all other documents sent to shareholders for a meeting. These rules must be carefully followed by Beneficial Owners to ensure that the rights attached to their Common Shares can be exercised at the Meeting. The VIF remitted to Beneficial Owners by the intermediary or the broker is often the same form as the one remitted to registered shareholders; however, its sole purpose is to obtain instructions for the intermediary or the broker on how to exercise the voting rights on behalf of the Beneficial Owner. The majority of intermediaries or brokers now delegate the responsibility of obtaining voting instructions from their clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge provides VIFs and mails them to the Beneficial Owners, and asks them to return the VIFs to Broadridge, or to call its toll-free number to exercise the voting rights attached to their Common Shares, or to go to its website at www.proxyvote.com to provide voting instructions. Broadridge then computes the results of all the voting instructions received and gives the appropriate instructions regarding the exercise of the voting rights attached to the Common Shares that will be represented at the Meeting. **The Beneficial Owner who receives a VIF from Broadridge may not use such VIF to exercise the voting rights attached to his or her Common Shares directly at the Meeting. The VIF must be returned to Broadridge 48 hours before the Meeting so that the voting rights attached to the Common Shares can be exercised at the Meeting.**

While a Beneficial Owner cannot be recognized directly at the Meeting for the purpose of exercising the voting rights attached to the Common Shares registered in the name of his or her broker or his or her broker’s nominee, the Beneficial Owner may virtually attend the Meeting as proxyholder for the registered shareholder and may, in this capacity, exercise the voting rights attached to the Common Shares. The Beneficial Owner wishing to virtually attend the Meeting and indirectly exercise the voting rights attached to his or her Common Shares as proxyholders for the registered shareholder must enter his or her own name in the space provided in the VIF and return it to his or her broker (or his or her broker’s nominee) in accordance with the instructions provided by the broker (or broker’s nominee) before the Meeting. The Beneficial Owner can also write the name in the space provided in the VIF of someone else whom he or she wishes to virtually attend the Meeting and vote on his or her behalf. Unless prohibited by law, the person whose name is written in the space provided in the VIF will have full authority to present matters to the Meeting and vote on all matters that are presented at the Meeting, even if those matters are not set out in the VIF or the Circular. The Beneficial Owner may consult a legal advisor if he or she wishes to modify the authority granted to that person in any way.

According to Regulation 54-101, the Corporation distributed copies of the Notice, the Circular, and the VIF (collectively, the “**Meeting Materials**”) to clearing agencies and intermediaries for onward distribution to non-objecting Beneficial Owners. The Corporation will pay for the distribution of Meeting Materials to objecting Beneficial Owners.

As permitted under Regulation 54-101, the Corporation has used a non-objecting Beneficial Owners list to send the Meeting Materials to the owners whose names appear on that list.

The Meeting Materials were sent to both registered and non-registered owners of the Common Shares. If you are a non-registered owner, and the Corporation or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send the Meeting Materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for i) delivering these materials to you, and ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

QUORUM

Under the Corporation's general by-laws and subject to the provisions of the *Canada Business Corporations Act* ("CBCA") and any regulation or order adopted thereunder, a quorum is required for a shareholder meeting when one or more persons holding or representing 15% of the voting rights that may be exercised at a meeting of shareholders are in attendance or are represented by proxy.

The quorum must be present at the opening of the shareholder meeting so that the shareholders may deliberate.

If a quorum is not present at the opening of a meeting of shareholders, the shareholders present may adjourn the meeting to a specific time and place but may not transact any other business.

PERSONS CONCERNED WITH CERTAIN ITEMS ON THE AGENDA

No director or executive officer of the Corporation at any time since the beginning of the Corporation's last fiscal year, no proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any such persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any items on the Meeting agenda, except for the approval and confirmation of the Proposed Plan (as defined below). Given that the Corporation's directors and executive officers are qualified as eligible participants under the Proposed Plan (as defined below) and some of them currently hold stock options under the Plan (as defined below), they have an interest that the Meeting agenda be approved and confirmed by the shareholders.

VOTING SECURITIES AND PRINCIPAL HOLDERS

The Corporation's authorized capital is made up of an unlimited number of Common Shares, without par value, with voting rights of one vote per share.

As of June 18, 2020, there were 7,264,500 Common Shares issued and outstanding.

The Common Shares are listed on the TSX Venture Exchange (the "**Exchange**") since April 23, 2019.

The Common Shares represent 100 % of all voting rights attached to the outstanding voting securities of the Corporation.

The holders of Common Shares have the right to vote at any shareholder meeting. Only shareholders registered in the Corporation's ledger at the close of business on June 18, 2020, have the right to receive the Notice. They also have the right to vote at the Meeting and any adjournment thereof, if they are present or represented by proxyholder.

To the knowledge of the Corporation's directors or executive officers, as of the date of the Circular, the only people, directly or indirectly, that beneficially owned or controlled or directed voting securities carrying 10% or more of the voting rights attached to any class of outstanding securities of the Corporation were the following:

Shareholder Name	Number of Common Shares Held	Percentage of Issued and Outstanding Common Shares
John Paradias	834,500	11.49%
CDS & CO	3,464,500	47.69%

B. ITEMS ON MEETING AGENDA

PRESENTATION OF FINANCIAL STATEMENTS

The Corporation's annual consolidated financial statements for the fiscal year ended December 31, 2019, and the auditors' report thereon will be presented to the Meeting but will not be subject to a vote.

ELECTION OF DIRECTORS

The Corporation's articles of incorporation specify that the Board may be composed of a minimum of one and a maximum of ten directors. The Corporation's general by-laws specify that the directors are elected by the shareholders at the annual general meeting of the Corporation and remain in office, notwithstanding the expiry of their term of office, until their resignation, removal or replacement, or until they become disqualified. A director whose term of office ends may be re-elected.

The Corporation's management deems that all nominees will be capable of acting as directors. The Corporation's management has not been notified of any nominee who no longer wishes to serve in this capacity. **The proxy form or the VIF does not grant a discretionary power to elect a director of the Corporation unless a proposed nominee is designated in the Circular.**

The Board proposes the following six individuals as nominees for the directorship. Each of the nominees proposed by the Board is presently a director of the Corporation.

Peter Rona
Nabil Ishak
John Paradias
Denis Bouchard
Octavio Soares
Jean-Robert Pronovost

For the biographical note of each nominee, see the section of the Circular entitled "Board of Directors" below.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the election of the nominees for the directorship listed above.

APPOINTMENT OF THE AUDITOR AND AUTHORIZATION GIVEN TO DIRECTORS TO SET ITS COMPENSATION

Raymond Chabot Grant Thornton LLP ("**RCGT**") has been the external auditor of the Corporation from September 17, 2018, to April 7, 2020, at which time it was succeeded by Mallette LLP ("**Mallette**").

The Audit Committee and the Board propose the appointment of Mallette as external auditor until the Corporation's next annual meeting of shareholders or until a successor is nominated. To be validly adopted, the resolution concerning the appointment of Mallette's mandate must be adopted by a simple majority of the votes cast by the shareholders present or represented by proxyholder at the Meeting. The notice of change of auditor sent to Mallette and RCGT is attached as Schedule "D" of the Circular. **The proxy form or the VIF does not grant a discretionary power to appoint the auditor of the Corporation.**

The shareholders' approval will also authorize the Board to set the auditors' compensation.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the appointment of Mallette as auditor of the Corporation until the

adjournment of the next annual meeting of shareholders and authorize the directors to set its compensation.

APPROVAL AND CONFIRMATION OF THE CORPORATION'S PROPOSED STOCK OPTION PLAN

On April 29, 2020, the Corporation announced the conclusion of an agreement in principle with Dymedso inc. ("Dymedso") for the realization of a qualifying transaction, as per *Policy 2.4 - Capital Pool Companies* of the Exchange (the "Proposed Qualifying Transaction"). For this purpose, the Board has previously approved the adoption of the "*Bold Capital Enterprises Ltd. 20120 Stock Option Plan*" (the "Proposed Plan"), conditional to the completion of the Proposed Qualifying Transaction. The Exchange requires all listed companies proposing to grant stock options to its directors, employees and consultants to adopt a stock option plan in accordance with the policies of the Exchange.

Upon completion of the Proposed Qualifying Transaction, if any, it is anticipated that the Proposed Plan will replace the Corporation's stock option plan called the "*Bold Capital Enterprises Ltd. 2018 Stock Option Plan*" currently in force (the "**Plan**"). For more information on the attributes of the Proposed Plan, see the section of the Circular entitled "Proposed Plan Description" below.

During the Meeting, the shareholders of the Corporation will be invited to consider and, if deemed advisable, to adopt, with or without amendment, a resolution, the text of which is set out in Schedule "A", in order to approve and confirm the Proposed Plan. The text of the Proposed Plan is set out in Schedule "C" of the Circular.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the adoption of the resolution, the text of which is set out in Schedule "A" of the Circular.

NAME CHANGE OF THE CORPORATION

Conditional to the completion of the Proposed Qualifying Transaction, the Corporation may change its name pursuant to the policies of the Exchange. As a result, the shareholders of the Corporation will be asked to consider and, if though advisable, approve the change of the name of the Corporation to "Dymedso Inc." or such other name as the Board determines appropriate and which all applicable regulatory authorities may accept (the "**Name Change**"), the whole conditional to the completion of the Proposed Qualifying Transaction.

The Name Change is also subject to acceptance by the Exchange and the Board may, in its sole discretion, decide not to implement it. In addition, the shareholders of the Corporation will be asked to consider and, if thought advisable, to approve a special resolution, which is set out in Schedule "E" of the enclosed management proxy circular, to amend the articles of the Corporation, with respect to the Name Change. The shareholders of the Corporation must approve the Name Change by special resolution in order for the Name Change to become effective. A special resolution requires the affirmative vote of not less than two thirds (2/3) of the votes cast by shareholders present at the Meeting in person or by proxy.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the adoption of the special resolution, the text of which is set out in Schedule "E" of the Circular.

SHARE CONSOLIDATION

Conditional to the completion of the Proposed Qualifying Transaction, the Board is of the opinion that, in the future, it may be in the best interest of the Corporation to consolidate its issued and outstanding Common Shares. As a result, the shareholders of the Corporation will be asked to consider a special resolution (the "**Consolidation Resolution**"), which is set out in Schedule "F" of the enclosed management proxy circular, authorizing the Board to amend the articles of the Corporation to effect a consolidation of all of the issued and outstanding Common Shares on the basis of a maximum consolidation ratio to be selected by the Board of four pre-consolidation Common Shares for one post-consolidation Common Share (the "**Share Consolidation**"), effective as at the discretion of the Board and conditional to the completion of the Proposed Qualifying Transaction.

Although shareholder approval for the Share Consolidation is being sought at the Meeting, the Share Consolidation would become effective at a date in the future to be determined by the Corporation if and when it is considered to be in the best interest of the Corporation to implement the Share Consolidation, the whole conditional to the completion of the Proposed Qualifying Transaction. The Board may determine not to implement the Share Consolidation at any time after the Meeting without further action on the part of or notice to the shareholders. The Share Consolidation is subject to shareholder approval and to Exchange acceptance.

There can be no assurance whatsoever that any increase in the market price per Common Share will result from the proposed Share Consolidation.

No fractional Common Shares will be issued, and no cash consideration will be paid, if, as a result of the Share Consolidation, a registered shareholder would otherwise become entitled to a fractional Common Share. After the Share Consolidation, then current shareholders will have no further interest in the Corporation with respect to their fractional Common Shares.

Conditional to the completion of the Proposed Qualifying Transaction, if the proposed Share Consolidation is approved by the shareholders and all regulatory requirements are complied with, including the approval of the Exchange, and implemented by the Board, following the announcement by the Corporation of the effective date of the Share Consolidation, registered shareholders will be sent a letter of transmittal by the Corporation's transfer agent, TSX Trust Company, containing instructions on how to exchange their share certificates representing pre-consolidation Common Shares for new share certificates representing post-consolidation Common Shares. Non-registered shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have different procedures for processing the Share Consolidation than those that will be put in place by the Corporation for the registered shareholders.

The shareholders of the Corporation will be asked to consider and, if thought advisable, to approve the Consolidation Resolution with respect to the Share Consolidation. The shareholders of the Corporation must approve the Share Consolidation of the Corporation by special resolution in order for the Share Consolidation to become effective. A special resolution requires the affirmative vote of not less than two thirds (2/3) of the votes cast by shareholders present at the Meeting in person or by proxy. In addition to the approval of the shareholders, the Share Consolidation requires the approval of the Exchange. The full text of the Consolidation Resolution approving the proposed Share Consolidation is attached to this Circular as Schedule "F".

This description of the reasons and the procedure for a Share Consolidation shall not constitute an offer of securities or a definitive statement regarding the potential offering of securities.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the adoption of the special resolution, the text of which is set out in Schedule "F" of the Circular.

APPOINTMENT OF ADDITIONAL DIRECTORS

During the Meeting, the shareholders of the Corporation will be invited to consider and, if deemed advisable, adopt, with or without amendment, a special resolution, the text of which is set out in Schedule "G" of the Circular, authorizing the Board to file articles of amendment of the articles of the Corporation. Indeed, subsection (8) of Section 106 of the CBCA provides that the directors in office may, if the articles of the corporation so provide, appoint one or more additional directors, who shall hold office for a term expiring not later than the close of the next annual meeting of shareholders, but the total number of directors so appointed may not exceed one third of the number of directors elected at the previous annual meeting of shareholders.

A special resolution requires the affirmative vote of not less than two thirds (2/3) of the votes cast by shareholders present at the Meeting in person or by proxy. Furthermore, in accordance with the requirements of the Exchange, the proposed amendment of the articles of the Corporation must be approved by the latter.

The special resolution also provides that the directors of the Corporation will be authorized, if deemed advisable and in the interest of the Corporation, to revoke this resolution before it is acted on without further approval of the shareholders.

Unless the shareholders provide instruction to the contrary or in the absence of specific instruction in this respect, the persons named as proxyholders in the enclosed proxy form intend to vote FOR the adoption of the special resolution, the text of which is set out in Schedule "G" of the Circular.

STOCK OPTION PLANS AND OTHER INCENTIVE PLANS

Plan Description

The Corporation has adopted the Plan, which provides that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers and employees of the Corporation and its affiliates and to consultants and management company employees, non-transferable options to purchase Common Shares for a period of up to ten years from the date of the grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares after the completion of the Corporation's initial public offering, being 726,450 Common Shares.

The purpose of the Plan is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Plan provides an incentive for and encourages ownership of the Corporation's Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Corporation's Common Shares.

Pursuant to the Plan, the maximum number of Common Shares reserved for issuance in any 12-month period to any one optionee other than a consultant may not exceed 5% of the issued and outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12-month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant.

Incentive stock options may be exercised within the later of i) twelve months after the completion of the Qualifying Transaction (as such term is defined in the policies of the Exchange), and ii) 90 days after the optionee ceases to be a director, officer, technical consultant or employee of the resulting issuer.

Notwithstanding the terms of the Plan described above, the *Policy 2.4 - Capital Pool Companies* of the Exchange imposes certain restrictions on incentive stock options during the period that the Corporation remains a Capital Pool Company (as such term is defined in the policies of the Exchange). Such restrictions shall remain in place until the Exchange issues the Final Exchange Bulletin (such bulletin indicating that the resulting issuer will not be considered a Capital Pool Company.) Under the *Policy 2.4 - Capital Pool Companies* of the Exchange, the Corporation, while it remains a Capital Pool Company, is limited to granting incentive stock options to only directors, officers and technical consultants of the Corporation. In addition, the total number of Common Shares reserved under option for issuance pursuant to the Plan may not exceed 10% of the Common Shares to be outstanding at the closing of the Corporation's initial public offering. The maximum number of Common Shares reserved under option for issuance to any individual officer or director may not exceed 5% of the issued and outstanding Common Shares to be outstanding at the closing of the Corporation's initial public offering. The maximum number of Common Shares reserved under option for issuance to all technical consultants may not exceed 2% of the issued and outstanding Common Shares to be outstanding after the closing of the Corporation's initial public offering. In addition, while the Corporation is a Capital Pool Company, it is prohibited from granting incentive stock options to any person providing investor relations activities, promotional or market making services. The exercise price per Common Share under any incentive stock options granted by the Corporation while it is a Capital Pool Company may not be less than the greater of \$0.10 and the discounted market price, as defined in *Policy 1.1 - Interpretation* of the Exchange. Any Common Shares acquired pursuant to the exercise of incentive stock options prior to completion of the Qualifying Transaction, must be deposited in escrow and will be subject to escrow until the Final Exchange Bulletin is issued.

Proposed Plan Description

In the event that the Proposed Qualifying Transaction is completed, it is anticipated that the Plan currently in force will be replaced by the Proposed Plan. Pursuant to the Proposed Plan, the Board may grant stock options to (a) an employee, officer, director or consultant of the Corporation or any subsidiary thereof and to (b) a person employed to perform investor relations activities (the "**Eligible**

Section 1 Definitions

For the purposes of this Plan, capitalised terms used herein that are not otherwise defined shall have the meanings ascribed thereto in Schedule “A” attached hereto.

Section 2 Shares Reserved for Issuance

- 1) A maximum of 10% of the issued Shares in the capital of the Corporation being outstanding at the closing date of its initial public offering is reserved for the grant of Stock Options pursuant to the Plan.
- 2) No Stock Option may be granted to an Eligible Participant if the Shares reserved for issuance with respect to such grant and the Stock Options already granted exceed 5% of all the issued and outstanding Shares in a 12 month period calculated at the Date of Grant of such Stock Options, unless the Corporation has obtained the requisite disinterested shareholders’ approval in accordance with the policies of the Exchange and subject to sections 7.2 of policy 2.4 of the TSX Venture Exchange Corporate Finance Manual while the Corporation remains a Capital Pool Company.

Section 3 Grant of Stock Options

- 1) The Board of Directors may, in its sole discretion, and subject to part 7 of the policy 2.4 of the TSX Venture Exchange Corporate Finance Manual while the Corporation remains a Capital Pool Company, determine to which Eligible Participants Stock Options will be granted and the number of Shares reserved for issuance pursuant to the Stock Options. The Board of Directors shall grant Stock Options in accordance with such determination. The grant of Stock Options to an Eligible Participant shall not entitle such Eligible Participant at any time to receive subsequent Stock Options.
- 2) This Plan does not provide any guarantee against any loss or with respect to any profit which may result from fluctuations in the price of the Shares.
- 3) Subject to its withholding obligations under the various taxation Laws, the Corporation does not assume responsibility for the income tax or other tax consequences for the Optionholders in connection with the Plan and Optionholders are advised to consult with their own tax advisers with respect to such matters.

2) Expiry and Vesting

- a) Subject to subsection 4(3), the Expiry Date of a Stock Option shall be the 10th anniversary of the Date of Grant unless a shorter period of time is otherwise set by the Board of Directors and set forth in the Notice of Grant at the time the particular Stock Option is granted.
- b) The Vesting Date of the Stock Options shall correspond to the vesting periods determined by the Board of Directors at the time of grant of such Stock Options, as set out in the Notice of Grant relating thereto, subject to the accelerated vesting provision as well as the provisions relating to amendments set forth in subsection 8(2) hereof.
- c) An Optionholder may only exercise its Stock Options that are fully vested.

3) Expiry Date

Any Stock Option or part thereof, vested or not, not exercised prior to the Expiry Date shall terminate and become null, void and of no effect. Notwithstanding the foregoing, subsection 4(2) hereof and section 7.6 of policy 2.4 of the TSX Venture Exchange Corporate Finance Manual while the Corporation remains a Capital Pool Company, the Expiry Date of a Stock Option shall be determined as follows:

- a) **Death** - The Expiry Date of a Stock Option held by an Optionholder that became vested prior to his or her death shall be the earlier of:

- (i) the Expiry Date shown on the relevant Notice of Grant; or
 - (ii) one year following the Optionholder's death.
- b) **Termination of Eligible Participant status** – Subject to subsection 4(5), should a person cease to be an Eligible Participant for any reason other than death (such as by reason of disability, resignation, dismissal or termination of contract), then the Expiry Date of its Stock Option vested at the latest on the date such person ceases to be an Eligible Participant (the "**Termination Date of Eligible Participant Status**"), shall be the earlier of:
 - (i) the Expiry Date shown on the relevant Notice of Grant; or
 - (ii) the date corresponding to one year pursuant to the Termination Date of Eligible Participant Status.
- c) **Termination Date** – For the purpose of the Plan, unless otherwise determined by the Board of Directors, an Eligible Participant's employment, mandate or services with the Corporation or any of its subsidiaries thereof shall be considered to have ceased on the last day of the Eligible Participant's actual and active employment, mandate or services with the Corporation or any of its subsidiaries, whether such day is selected by agreement with the Eligible Participant, unilaterally by the Corporation or any of its subsidiaries and whether with or without prior notice to the Eligible Participant. No period of notice nor payment in lieu of such notice that ought to have been given under applicable Laws in respect of termination of employment, another mandate or other services will be considered in determining entitlement under the Plan.
- d) **Discretion of the Board of Directors** - Notwithstanding subsections 4(3) (a), (b), (c) and (d) above, but subject to subsection 4(2) hereof, and subject to all Laws and the approval of the Exchange, the Board of Directors may, after notifying an Optionholder or its legal representative, in its sole discretion, extend the Expiry Date of any Stock Options in whole or in part.

4) Expiry of Non-Vested Stock Options

Subject to the discretionary power of the Board of Directors, outstanding Stock Options that are not vested as of the date the Optionholder ceases to be an Eligible Participant for any reason such as disability, resignation, dismissal or termination of contract, shall terminate on such date, cannot be vested and become null, void and of no effect.

5) Termination for Cause

If an Eligible Participant who is an employee or Consultant of the Corporation, or any of its subsidiaries, is terminated for cause (serious reason, as referenced in section 2094 of the Civil Code of Québec), all Stock Options held by such Eligible Participant shall immediately terminate and become null, void and of no effect on the date on which the Corporation, or any of its subsidiaries, gives a notice of termination for cause to such Eligible Participant.

6) Exercise Price

The Board of Directors, in its sole discretion, determines the Exercise Price of the Shares underlying the Stock Options. Subject to subparagraph 3.6(d) of policy 4.4 of the Exchange Corporate Finance Manual respecting options granted within 90 days of an offering by a prospectus, and subject to section 7.4 of policy 2.4 of the TSX Venture Exchange Corporate Finance Manual while the Corporation remains a Capital Pool Company, the Exercise Price is established based on: i) the discounted market price (as defined in policy 1.1 of the TSX Venture Exchange Corporate Finance Manual); or ii) the market

price of the Shares at the closing date of the Exchange on the exchange day immediately preceding the Date of Grant (the "Exercise Price"). The Corporation must issue a news release to fix the Exercise Price of the Shares underlying the Stock Options granted to the directors and the officers.

7) Assignment and Transfer of Stock Options

Stock Options (and any rights thereunder) shall be non-assignable and non-transferable unless by legacy or inheritance. Stock Options may be exercised only by the Optionholder's legal representatives within the first year following the Optionholder's death.

8) Adjustments

If prior to the complete exercise of any Stock Option, a stock dividend is paid on the Shares or if the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for by securities or assets of the Corporation or of any other corporation (collectively, the "Event"), a Stock Option, to the extent that it has not been completely exercised, shall entitle the Optionholder, upon the exercise of the Stock Option in accordance with the terms thereof, to such number and kind of Shares or other securities or property to which such Optionholder would have been entitled as a result of the Event had such Optionholder actually exercised the unexercised portion of the Stock Options immediately prior to the occurrence of the Event and the Exercise Price shall be adjusted accordingly. No fractional Shares or other security shall be issued upon the exercise of any Stock Option and accordingly, if as a result of the Event, an Optionholder would become entitled to a fractional Share or other security, such Optionholder shall have the right to purchase only the next lowest whole number of Shares or other security and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Upon the occurrence of the Event, the maximum number of Shares reserved for issuance under the Plan shall be appropriately adjusted.

Section 5 Change of Control

1) Accelerated Vesting or Expiration – Change of Control

Upon the announcement of any event considered as a Change of Control, the Corporation shall have the discretion, without the need to obtain the consent of the Optionholders, to accelerate the Vesting Dates and/or the Expiry Dates of all outstanding Stock Options. The Corporation may accelerate one or more Optionholder's Vesting Dates and/or Expiry Dates without accelerating Vesting Dates and/or Expiry Dates of all outstanding Stock Options and may accelerate the Vesting Dates and/or Expiry Dates of only a portion of an Optionholder's Stock Options. The Corporation shall promptly notify each Optionholder of any acceleration of the Vesting Dates and/or Expiry Dates.

2) Mergers and Consolidations

In the event the Corporation is a consenting party to a Change of Control, outstanding Stock Options shall be subject to the agreement affecting such Change of Control and Optionholders shall be bound by such agreement. Such agreement, which does not depend on the shareholders' approval, may provide for:

- (i) the continuation of such outstanding Stock Options by the Corporation (if the Corporation is the resulting or acquiring corporation);
- (ii) the assumption of the Plan and such outstanding Stock Options by the resulting or acquiring corporation or its parent; or

- (iii) the substitution or replacement by the acquiring or resulting corporation or its parent of options with substantially the same terms for such outstanding Stock Options.

Section 6 Exercise of Stock Options

1) Exercise of Stock Options

Stock Options may be exercised only by the Optionholder or by his legal representative. Vesting Stock Options may be exercised in whole or in part in respect of a whole number of Shares at any time or from time to time prior to the Expiry Date by delivering to the Corporation an Exercise Notice substantially in the form attached hereto as Schedule "C" and a certified cheque or a bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Stock Options (the "**Exercise Funds**"). The exercised options prior to the "Date of the Completion of the Qualifying Transaction" (as defined in policy 2.4 of the TSX Venture Exchange Corporate Finance Manual) must be exercised in compliance with section 7.5 of policy 2.4.

2) Issue of Shares

As soon as practicable following the receipt of the Exercise Notice, the Corporation shall deliver to the Optionholder a certificate representing the Shares so purchased.

3) Conditions on Issue

The issue of Shares by the Corporation pursuant to the exercise of any Stock Option is subject to compliance with all Laws applicable to the issuance, distribution and listing on the Exchange of such Shares. The Optionholder shall: (i) comply with all Laws, (ii) provide the Corporation with any information, report and/or undertaking required to comply with all Laws and (iii) fully co-operate with the Corporation in complying with all Laws.

Section 7 Administration

The Plan shall be administered by the Board of Directors. The Board of Directors may at its discretion from time to time make, amend and repeal such regulations not inconsistent with the Plan as it may deem necessary or advisable for the proper administration and operation of the Plan, and such regulations shall form part of the Plan. The Board of Directors may appoint any committee, director, officer or employee of the Corporation as administrator of the Plan and delegate to such person such administrative duties and powers as it may see fit.

Without limiting the foregoing paragraph, the Board of Directors will have the authority to:

- i) interpret the Plan, and any agreement or document executed pursuant thereto;

However, after meeting with its legal counsel, the Board of Directors may delegate to the president, the chief financial officer or the officer in charge of human resources the authority to approve amendments to the forms and agreements used in connection with the Plan, which amendments must be designed to facilitate the Plan administration and consistent with the Plan or with any resolutions of the Board of Directors relating thereto;
- iii) determine whether Stock Options will be granted singly, in combination, in tandem with, in replacement of, or as alternatives to, other Stock Options under the Plan or any other performance incentive or compensation plan of the Corporation or any of its subsidiaries;

- iv) subject to the prior approval of the Exchange, grant waivers of Plan or Stock Option conditions;
- v) determine the Stock Option's Vesting Date(s);
- vi) correct any defect, supply any omission, or reconcile any inconsistency in the Plan or in any Stock Option;
- vii) amend the Plan (subject to all Laws and the prior approval of the Exchange), except for amendments that increase the number of Shares available for issuance under the Plan or change the eligibility criteria for participation in the Plan or that reduce the Exercise Price when the Optionholder covered by this amendment is an insider of the Corporation when the amendment is proposed (in the latter case, disinterested Shareholders approval of the Corporation is to be obtained); and
- viii) make all other determinations necessary or advisable for the administration of the Plan.

Section 8 – Miscellaneous

1) Notice

Any amendment that reduces the Exercise Price requires disinterested shareholders' approval of the Corporation if the Optionholder covered by this amendment is an insider of the Corporation (as defined in policy 1.1 of the TSX Venture Exchange Corporate Finance Manual) when the amendment is proposed. A copy of any amendment to the Plan shall be sent to each Optionholder as soon as reasonably practicable.

3) Termination

The Corporation may terminate the Plan at any time provided that such termination shall not alter the terms or conditions of any Stock Option or impair any right of any Optionholder pursuant to any Stock Option granted prior to the date of such termination. Notwithstanding such termination by the Corporation, such Stock Options and such Optionholders shall continue to be governed by the provisions of the Plan.

4) Interpretation

The interpretation by the Board of Directors of any of the provisions of the Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by an Optionholder. No member of the Board or any person acting pursuant to authority thereby delegated hereunder shall be liable for any action or determination in connection with the Plan made or taken in good faith, and each member of the Board of Directors and each such person acting on the authority delegated hereunder, shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Corporation.

5) Hold Period

The Corporation notifies the Optionholders that, whereas the Exercise Price of the Shares underlying the Stock Options is fixed based on the discounted market price (as defined in policy 1.1 of the TSX Venture Exchange Corporate Finance Manual), all Stock Options and Shares issued pursuant to the terms of the exercised Stock Options prior to the end of the hold period imposed by the Exchange must, in addition with being subject to the resale restrictions provided in applicable securities Laws, mention (the text is drafted in policy 3.2 of the TSX Venture Exchange Corporate Finance Manual) that the hold period of four months plus one day imposed by the Exchange begins after the Date of Grant of the Stock Options. Some Optionholders may as well be subject to restrictions related to the bargaining of the Shares pointed out in the Corporation's internal policies.

6) No Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of any Shares issued following the exercise of any Stock Options in accordance with the provisions of the Plan.

7) Interpretation

The Plan will be governed by and construed in accordance with the Laws of the Province of Québec and the Laws of Canada applicable therein. Therefore, the Plan must be interpreted in accordance with these Laws.

8) Compliance with Applicable Law

If any provision of the Plan or any Stock Option conflicts with any Law, then such provision shall be deemed amended to the extent required to bring such provision in compliance therewith.

9) Agreement

The Corporation and every Optionholder shall be bound by the terms and conditions of the Plan by the simple delivery thereof to an Optionholder and the signature of the Notice of Grant.
