Dear Sirs/Mesdames:

**Re: UNISYNC Corp. (“Unisync”)
Management Information Circular and Notice of Meeting –
Project #02601645 (“SEDAR filing”)**

It has come to our attention that the version of the Management Information Circular and Notice of Meeting of Unisync for its annual and special meeting to be held on April 26, 2017 referenced an incorrect record date of March 23, 2017. The record date for the meeting is March 22, 2017.

The Management Information Circular and Notice of Meeting are being re-filed with the correct record date under the same SEDAR Filing. The printed version of the materials being mailed to securityholders will also reflect the correct record date

If you have any questions or concerns, please do not hesitate to contact the undersigned.

Yours truly,

FARRIS, VAUGHAN, WILLS & MURPHY LLP
