

TITANIUM CORPORATION INC.

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
NOTICE-AND-ACCESS NOTIFICATION TO SHAREHOLDERS

You are receiving this notification as Titanium Corporation Inc. ("**Titanium**") has decided to use the notice-and-access model for delivery of meeting materials to its beneficial holders ("**Beneficial Shareholders**") of common shares ("**Common Shares**") for the annual and special meeting (the "**Meeting**") of holders of Common Shares which will be held on Tuesday, December 21, 2021 at 11:00 a.m. (Toronto time) as a virtual only meeting via live audio webcast online at <https://virtual-meetings.tsxtrust.com/1239>.

NOTICE-AND-ACCESS

Beneficial Shareholders will receive a proxy or voting instruction form enabling them to vote at the Meeting. However, instead of a paper copy of the notice of annual and special meeting and management information circular of Titanium dated November 11, 2021 ("**Information Circular**") and Titanium's financial statements and related management's discussion and analysis for Titanium's most recently completed financial year end and for the three and nine months ended September 30, 2021 (together, the "**Financial Information**"), Beneficial Shareholders receive this notice with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and also will reduce the cost of printing and mailing materials to shareholders.

Titanium has also elected to use procedures known as "stratification" in relation to Titanium's use of the "notice-and-access" provisions (the "**Notice-and-Access Provisions**") under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of an information circular and, if applicable, a paper copy of Financial Information, to registered holders ("**Registered Shareholders**") of Common Shares together with a notice of a meeting of its Registered Shareholders. In relation to the Meeting, Registered Shareholders will receive a paper copy of the notice of the Meeting, the Information Circular and a form of proxy, whereas all Beneficial Shareholders will receive this notice containing information prescribed by the Notice-and-Access Provisions and the accompanying voting instruction form. Titanium intends to pay for intermediaries to deliver proxy-related materials to objecting Beneficial Shareholders. Furthermore, a paper copy of the Financial Information in respect of Titanium's most recently completed financial year has been mailed to those Registered Shareholders and Beneficial Shareholders who previously requested to receive such information.
