MANAGEMENT INFORMATION CIRCULAR

Containing information as at November 22, 2021 unless otherwise noted.

SOLICITATION OF PROXIES

Solicitation of Proxies by Management

This management information circular (the “**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Pasofino Gold Limited (the “**Company**”) for use at the annual general and special meeting of shareholders of the Company (the “**Shareholders**”) (and any adjournment thereof) to be held on December 23, 2021 (the “**Meeting**”) at 10:00 a.m. (Toronto time) at the Company’s Toronto office located at Hilton Toronto Hotel (The Richmond Room, Third Floor) 145 Richmond Street West Toronto, ON M5H 2L2 and for the purposes set forth in the accompanying notice of annual general and special meeting of shareholders (the “**Notice of Meeting**”) and any adjournment thereof.

Costs and Manner of Solicitation

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone, facsimile or electronically by the directors and regular employees of the Company or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares of the Company (the “**Common Shares**”). **All costs of solicitation will be borne by the Company.**

RECORD DATE

The board of directors of the Company (the “**Board**”) has fixed November 16, 2021 as the record date (the “**Record Date**”) for the purpose of determining the Shareholders entitled to receive the Notice of Meeting and to vote at the Meeting. Each Shareholder is entitled to one vote for each Common Share held and shown as registered in such holder’s name on the list of the Shareholders prepared as of the close of business on the Record Date. The list of the Shareholders will be available for inspection during usual business hours at the principal office of the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**” or the “**Transfer Agent**”) located in Toronto, Ontario and will also be available for inspection at the Meeting.

VOTING IN PERSON AT THE MEETING

Each registered shareholder of the Company (the “**Registered Shareholders**”), whose name has been provided to the Company’s Transfer Agent, will appear on a list of shareholders prepared by the registrar and Transfer Agent for purposes of the Meeting. To vote in person at the Meeting, each Registered Shareholder will be required to register for the Meeting by identifying themselves to the scrutineer. Non-registered beneficial shareholders (other than NOBOs (as defined below)) must appoint themselves as a proxyholder to vote in person at the Meeting. Also see “Non-Registered Holders” below.

APPOINTMENT OF PROXYHOLDERS

If a Registered Shareholder cannot attend the Meeting but wishes to vote on the resolutions, the Registered Shareholder should sign, date and deliver the enclosed form of proxy (the “**Proxy**”) to the Transfer Agent, Computershare, Attention: Proxy Department, at 135 West Beaver Creek, Po Box 300, Richmond Hill, Ontario, Canada L4B 4R5 so it is received no later than 48 hours (excluding Saturdays, Sundays and holidays) before the

time of the Meeting, or any adjournment thereof, or received by the chair of the Meeting before the commencement of the Meeting, or any adjournment thereof.

The individuals named in the accompanying Proxy are officers and/or directors of the Company (the “**Management Nominees**”). **IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY STRIKING OUT THE NAMES OF THE MANAGEMENT NOMINEES AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY.** A Shareholder giving a proxy has the right to attend the Meeting, or appoint someone else to attend as his or her proxy at the Meeting and the Proxy submitted earlier can be revoked in the manner described under “Revocation of Proxies” below.

If your Common Shares are held in physical form (i.e. paper form) and are registered in your name, then you are a Registered Shareholder. However, if, like most Shareholders, you keep your Common Shares in a brokerage account, then you are a beneficial shareholder of the Company (the “**Beneficial Shareholders**”). The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all Shareholders.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following options to submit their proxy:

- (a) completing, dating and signing the enclosed Proxy and returning it to the Transfer Agent, **COMPUTERSHARE INVESTOR SERVICES INC., ATTENTION: PROXY DEPARTMENT, 135 WEST BEAVER CREEK, PO BOX 300, RICHMOND HILL, ONTARIO, CANADA, L4B 4R5**, by mail. In all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the holder’s account number and the proxy access number; or
- (c) use the internet through the website of the Transfer Agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy for the holder’s account number and the proxy access number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting, or the adjournment thereof, at which the proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Company are “non-registered” Shareholders because the Common Shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (i.e. Beneficial Shareholders) should note that only Registered Shareholders may vote at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in such Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS Inc. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers’ clients.

Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the Proxy provided by the Company to the Registered Shareholders. However, its purpose is limited to instructing the Registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted.**

This Information Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder and the Company or its Transfer Agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**" for Non-Objecting Beneficial Owners).

These security holder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions. Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting, and the appointment of any shareholder's representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted at the Meeting and to vote your Common Shares at the Meeting.**

IF YOU ARE A NON-REGISTERED OWNER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE “REQUEST FOR VOTING INSTRUCTIONS” (i.e. THE VIF) THAT ACCOMPANIES THIS INFORMATION CIRCULAR.

The Company has not adopted the notice and access procedure described in National Instrument 54-101 and National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) to distribute its proxy-related materials to the Registered Shareholders and Beneficial Shareholders.

All references to Shareholders in this Information Circular and the accompanying Proxy and Notice of Meeting are to Registered Shareholders unless specifically stated otherwise.

VOTING OF PROXIES

The Common Shares represented by a properly executed Proxy in favour of persons proposed by management of the Company as proxyholders in the accompanying Proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the Proxy, be voted in accordance with the specification made in such Proxy.

ON A POLL SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed Proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed as proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed Proxy to vote in accordance with their best judgment on such matters or business.

At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented at the Meeting.

Revocation of Proxies

A Shareholder who has appointed a proxy may revoke it by an instrument in writing executed by the Shareholder or by his attorney authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of the company, and delivered to the registered office of the Company at 550 Burrard Street, Suite 2900, Vancouver, British Columbia, V6C 0A3 (Attention: Krisztian Toth) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of an appointed proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Company consists of an unlimited number of Common Shares without par value. As at the Record Date, there were 31,644,944 Common Shares issued and outstanding.

Any holder of Common Shares of record at the close of business on the Record Date who either personally attends the Meeting (though physical attendance is regrettably discouraged due to the ongoing global COVID-19 pandemic) or who has completed and delivered the Proxy in the manner and subject to the provisions described above shall be entitled to vote or to have his/her/its Common Shares voted at the Meeting.

The presence in person or by proxy of not less than one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, holds at least 1% of the issued shares entitled to be voted at the Meeting is necessary to constitute a quorum of Shareholders. On a show of hands, every holder of Common Shares, who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders will have one vote, and on a poll every Shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in that Shareholder's name on the list of Shareholders as at the Record Date, which is available for inspection during normal business hours at the offices of the Transfer Agent and will be available at the Meeting. **Shareholders represented by proxyholders are not entitled to vote on a show of hands.**

To the knowledge of the directors and senior officers of the Company, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position during financial year ended April 30, 2021, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and as may be set out herein.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member's independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of five (5) directors being Neil Herbert, John Sanders, Darryl Levitt, Robert Metcalfe and Krisztian Toth. Messrs. Levitt, Herbert and Metcalfe are independent within the meaning of NI 58-101. Mr. Sanders is not independent as he is an officer of the Company and thereby has a “material relationship” with the Company. Mr. Toth is a partner at Fasken Martineau DuMoulin LLP, legal counsel for the Company, and therefore has a “material relationship” with the Company.

Corporate Governance Guidelines

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day- to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Policy 58-201 – *Corporate Governance Guidelines* (“**NI 58-201**”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and

therefore these guidelines have not been adopted. The Company will continue to review and implement corporate governance guidelines as the business of the Company progresses and becomes more active in operations. NI 58-101 mandates disclosure of corporate governance practices in Form 58-101F2, which disclosure is set out below.

The mandate of the Board is to supervise the management of the Company and to act in the best interests of the Company. The Board acts in accordance with:

- 1) the *Business Corporations Act* (British Columbia);
- 2) the Company's articles of incorporation;
- 3) the Company's code of business conduct;
- 4) the charters of the Board and the Board committees; and
- 5) other applicable laws and Company policies.

The Board approves all significant decisions that affect the Company before they are implemented. The Board supervises their implementation and reviews the results.

The Board is actively involved in the Company's strategic planning process. The Board discusses and reviews all materials relating to the strategic plan with management. The Board is responsible for reviewing and approving the strategic plan. At least one Board meeting each year is devoted to discussing and considering the strategic plan, which takes into account the risks and opportunities of the business. Management must seek the Board's approval for any transaction that would have a significant impact on the strategic plan.

The Board periodically reviews the Company's business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Company's internal control and management information systems. The Board also monitors the Company's compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board periodically discusses the systems of internal control with the Company's external auditor.

The Board is responsible for choosing the President and appointing senior management and for monitoring their performance and developing descriptions of the positions for the Board, including the limits on management's responsibilities and the corporate objectives to be met by the management.

The Board approves all the Company's major communications, including annual and quarterly reports, financing documents and press releases. The Company communicates with its stakeholders through a number of channels including its web site. The Board approved the Company's communication policy that covers the accurate and timely communication of all important information. It is reviewed annually. This policy includes procedures for communicating with analysts by conference calls.

The Board, through its Audit Committee, examines the effectiveness of the Company's internal control processes and management information systems. The Board consults with the internal auditor and management of the Company to ensure the integrity of these systems. The internal auditor submits a report to the Audit Committee each year on the quality of the Company's internal control processes and management information systems. The Board is responsible for determining whether or not each director is an independent director. The President, Secretary and any other officer are not considered independent. None of the other directors work in the day-to-day operations of the Company, are party to any material contracts with the Company, or receive any fees from the Company except as disclosed in this Information Circular dated November 22, 2021.

Other Public Company Directorships

The following Board nominees currently serve on the board of directors of reporting issuers (or the equivalent in a jurisdiction outside of Canada) other than the Company as listed below:

Name of Directors	Name of Other Reporting Issuer
Krisztian Toth	Trillium Gold Mines Inc., TSX-V; Leviathan Gold Ltd., TSX-V; DeFi Technologies Inc., NEO; Voyager Digital Ltd., TSX
Darryl Levitt	Mansa Exploration Inc., CSE

Robert Metcalfe	BetterLife Pharma Inc., TSX-V; Medcolcanna Organics Inc., TSX-V; Blue Star Gold Corp., TSX-V; Gran Colombia Gold Corp., TSX
Neil Herbert	IronRidge Resources Limited, GBX; Premier African Minerals Limited, GBX, Firing Strategic Minerals PLC., AIM

The Board briefs all new directors with the policies of the Board, and other relevant corporate and business information.

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders of the Company by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company’s mission and strategic objectives and a willingness to serve.

The Board conducts reviews with regard to directors’ compensation once a year. To make its recommendation on directors’ compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies and aligns the interests of directors with the return to shareholders. The Board monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the Board and sub-committees.

Approval of Stock Option Plan

The Company wishes to renew the existing incentive stock option plan (the “**Stock Option Plan**”). A summary of the material provisions of the Stock Option Plan is set forth below. The definitive Stock Option Plan will be available for inspection at the Meeting. The Board believes that the Stock Option Plan is in the Company’s best interests and recommends that the Shareholders approve the Stock Option Plan.

The exercise price of the Common Shares subject to each option shall be determined by the Board but in no event shall such exercise price be lower than the exercise price permitted by policies of the TSX Venture Exchange (the “**Exchange**”). No single participant may be granted stock options to purchase a number of Common Shares (“**Options**”) equaling more than 5% of the issued Common Shares in any one 12-month period without disinterested Shareholder approval. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares in any 12-month period to any one consultant of the Company. Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued Common Shares in any 12-month period to employees of the Company conducting investor relations activities. The maximum term of any Options granted may not exceed 10 years. If the Common Shares are increased, decreased or changed through re-organization, merger, re-capitalization, reclassification, stock dividend, subdivision or consolidation, an appropriate adjustment shall be made by the Board in the number of Options issued and the exercise price per Option.

In fiscal year 2021, the Company granted nil Options under the Stock Option Plan. As at April 30, 2021, 19,643 Options were outstanding under the Stock Option Plan and as the date hereof, there are 476,959 Options available to be granted under the Stock Option Plan.

The Stock Option Plan is a “rolling” stock option plan as the aggregate number of Common Shares reserved for issuance upon the exercise of the Options pursuant to the Stock Option Plan is such number of Common Shares as is equal to 10% of the total number of Common Shares issued and outstanding from time to time. Accordingly, in accordance with the policies of the Exchange, the Shareholders of the Company will be asked to approve the following resolution (the “**Option Plan Resolution**”) at the Meeting:

“BE IT RESOLVED THAT:

1. the Company’s stock option plan (the “**Option Plan**”), as described in the Management Information Circular of the Company dated November 22, 2021 be and it is hereby approved and re-confirmed, including the reservation for issuance under the Option Plan at any time of a maximum of 10% of the then issued and outstanding shares of the Company, in accordance with the policies of the TSX Venture Exchange (the “**Exchange**”);
2. the Company be and is hereby authorized to make such amendments, if any, to the Option Plan, as may be requested by the Exchange in order that the Option Plan complies with applicable policies of the Exchange; and
3. the directors and officers of the Company be and are hereby authorized and directed to make all such filings, cause all such documents, instruments and other writings to be executed and delivered and to cause all such acts and things to be done, all for and on behalf of the Company, as the Board may consider necessary or desirable to give effect to the foregoing resolution.”

The Board recommends that Shareholders vote FOR the approval of the Option Plan Resolution. Unless the Shareholder directs that his or her Common Shares are to be voted against the approval of the Option Plan Resolution, the persons named in the enclosed Proxy intend to vote FOR the approval of the Option Plan Resolution. A majority of votes cast by the Shareholders at the Meeting is required for the approval of the Option Plan Resolution.

Executive Compensation Discussion and Analysis

The Company does not have a formal compensation program. The general objectives of the Company's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; (c) provide a compensation package that is proportionate with other junior companies in the energy efficiency industry sector to enable the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior company without a history of earnings.

The Board ensures that total compensation paid to all NEOs is fair and reasonable. The Board relies on the experience of its members as officers and directors of other junior mining companies in assessing compensation levels. The Company's process for determining executive compensation will be done on a case by case basis and will involve discussion by the Board of the factors the Board deems relevant to each case. There are not expected to be any formally defined objectives, benchmarks, criteria and analysis that will be used in all cases.

The Company has not placed a restriction on the purchase by its NEOs or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly by the NEO or employee. To the Company's knowledge, none of the NEOs have purchased any such financial instruments.

The Board has not considered the implications of the risks associated with the Company's compensation program. The Company intends to formalize its compensation policies and practices and will take into consideration the implications of the risks associated with the Company's compensation program and how it might mitigate those risks.

Compensation Governance

The Board has not appointed a Compensation Committee. The Board assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management, with a view to fulfilling its responsibilities concerning executive and director compensation, reviewing director compensation, overseeing the Company base compensation structure and equity-based compensation programs, recommending compensation of the Company's officers and employees and evaluating the performance of officers generally, all in light of the Company's annual goals and objectives.

Share Based and Option Based Awards

Options are granted by the Board. In monitoring or adjusting the option allotments, the Board takes into account the level of options granted by other junior issuers for similar levels of responsibility and its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objects set for the NEO and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. A maximum number of Common Shares equal to 10% of the issued and outstanding Common Shares, from time to time, may be reserved for issuance under the Stock Option Plan

provided that options may not be granted to any one individual to purchase in excess of 5% of the then outstanding Common Shares within a 12-month period (with additional restrictions in respect of options granted to consultants and persons retained to perform investor relations activities). Options issued pursuant to the Stock Option Plan shall have an exercise price determined by the Board, provided that the exercise price shall not be less than the price permitted by the Exchange.

AUDIT COMMITTEE CHARTER

National Instrument 52-110 – *Audit Committees* (“NI 52-110”) requires the Company to disclose annually in its management information circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth below.

The Audit Committee’s Charter

The Audit Committee’s mandate and charter can be described as follows:

1. Each member of the Audit Committee shall be a member of the Board of Directors, in good standing, and the majority of the members of the audit committee shall not be officers, employees or Control Persons of the Company (as such term is defined in Policy 1.1 of TSX Venture Exchange) in order to serve on this committee.
2. At least one of the members of the Audit Committee shall be financially literate.
3. Review the Audit Committee’s charter annually, reassess the adequacy of this charter, and recommend any proposed changes to the Board of Directors. Consider changes that are necessary as a result of new laws or regulations.
4. The Audit Committee shall meet at least four times per year, and each time the Company proposes to issue a press release with its quarterly or annual earnings information. These meetings may be combined with regularly scheduled meetings, or more frequently as circumstances may require. The Audit Committee may ask members of management or others to attend the meetings and provide pertinent information as necessary.
5. Conduct executive sessions with the outside auditors, outside counsel, and anyone else as desired by the committee.
6. The Audit Committee shall be authorized to hire outside counsel or other consultants as necessary (this may take place any time during the year).
7. Appoint the independent auditors to be engaged by the Company, establish the audit fees of the independent auditors, pre-approve any non-audit services provided by the independent auditors, including tax services, before the services are rendered. Review and evaluate the performance of the independent auditors and review the full board of directors any proposed discharge of the independent auditors.
8. Review with management the policies and procedures with respect to officers’ expense accounts and perquisites, including their use of corporate assets, and consider the results of any review of these areas by the independent auditor.
9. Consider, with management, the rationale for employing audit firms rather than the principal independent auditors.
10. Review with management and the independent auditors, all significant risks or exposures facing the Company; assess the steps the Management has taken or proposes to take to minimize such risks to the Company; and periodically review compliance with such steps.
11. Review with the independent auditor, the audit scope and plan of the independent auditors. Address the coordination of the audit efforts to assure the completeness of coverage, reduction of redundant efforts, and the effective use of audit resources.

12. Inquire regarding the "quality of earnings" of the Company from a subjective as well as an objective standpoint.
13. Review with the independent accountants: (a) the adequacy of the Company's internal controls including computerized information systems controls and security; and (b) any related significant findings and recommendations of the independent auditors together with management's responses thereto.
14. Review with management and the independent auditor the effect of any regulatory and accounting initiatives, as well as off-balance-sheet structures, if any.
15. Review with management and the independent auditors, the interim annual financial report before it is filed with the regulatory authorities.
16. Review with each public accounting firm that performs an audit: (a) all critical accounting policies and practices used by the Company; and (b) all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management of the Company, the ramifications of each alternative and the treatment preferred by the Company.
17. Review all material written communications between the independent auditors and management, such as any management letter or schedule of unadjusted differences.
18. Review with management and the independent auditors: (a) the Company's annual financial statements and related footnotes; (b) the independent auditors' audit of the financial statements and their report thereon; (c) the independent auditor's judgments about the quality, not just the acceptability, of the Company's accounting principles as applied in its financial reporting; (d) any significant changes required in the independent auditors' audit plan; and (e) any serious difficulties or disputes with management encountered during the audit.
19. Periodically review the Company's code of conduct to ensure that it is adequate and up-to-date.
20. Review the procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters that may be submitted by any party internal or external to the organization. Review any complaints that might have been received, current status, and resolution if one has been reached.
21. Review procedures for the confidential, anonymous submission by employees of the organization of concerns regarding questionable accounting or auditing matters. Review any submissions that have been received, the current status, and resolution if one has been reached.
22. The Audit Committee will perform such other functions as assigned by law, the Company's charter or bylaws, or the board of directors.
23. The Audit Committee will evaluate the independent auditors.
