MANAGEMENT INFORMATION CIRCULAR
(Containing information as at **October 24, 2018**, except as indicated otherwise)

SOLICITATION OF PROXIES

Candente Gold Corp. (“**Candente Gold**” or “**Company**”) is providing this information circular (the “**Information Circular**”) in connection with management’s solicitation of proxies for use at the annual general meeting of the Company (the “**Meeting**”) (and any adjournment thereof) to be held on **Monday, December 17, 2018**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting (“**Notice of Meeting**”). Unless the context otherwise requires, when we refer in this Information Circular to the Company, its subsidiaries are also included.

The solicitation of proxies (in the accompanying form of proxy (the “**Proxy**”) will be primarily by mail, but Proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* (“**NI 54-101**”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares in the capital of the Company (“**Common Shares**”) held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in so doing. All costs of this solicitation will be borne by the Company.

The Company has given notice of the Meeting in accordance with NI 54-101, pursuant to which it has sent the Notice of Meeting, Proxy and a financial statement request form directly to its registered shareholders (“**Registered Shareholders**”) and its beneficial shareholders (“**Beneficial Shareholders**”).

APPOINTMENT OF PROXYHOLDERS

The individuals named (“**Management Nominees**”) in the Proxy are directors and/or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by striking out the names of those persons named in the Proxy and inserting the desired person's name in the blank space provided in the Proxy or by completing another Proxy. A Proxy will not be valid unless the completed form of proxy is received by Computershare Investor Services Inc. (“Computershare” or the “Transfer Agent”), Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, or any adjournment thereof. Proxies delivered after that time will not be accepted.**

REVOCABILITY OF PROXIES

A Registered Shareholder of Common Shares who has given a Proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing, or, where the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, at Suite 2300, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5 (Attention: Brett Kagetsu), at any time up to and including the last business day preceding the day of the Meeting on the day of the Meeting or if adjourned, any reconvening thereof, or in any other manner provided by law. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

EXERCISE OF DISCRETION

The Common Shares represented by a properly executed Proxy in favour of Management’s Nominees in the Proxy will be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken and where a choice with respect to any matter to be acted upon has been specified in

the Proxy, be voted in accordance with the specification made in such Proxy. **ON A POLL SUCH COMMON SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR FOR WHICH BOTH CHOICES HAVE BEEN SPECIFIED, BY THE REGISTERED SHAREHOLDER.**

The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified other than the appointment of an auditor and the election of directors, any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting but, if any amendment, variation or other matter properly comes before the Meeting, each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by mail or by hand to the Proxy Dept., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to the toll-free number indicated in the Proxy. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy form for the holder's account number and the Proxy control number;
- (c) using the Internet via the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number; or
- (d) using a Smartphone, scan the QR codes on the Proxy,

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of Shareholders do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular, collectively, as "Beneficial Shareholders") should note that only Proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS Inc. (the registration name for CDS Clearing and Depository Services Inc.; and which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person in accordance with the procedures outlined in this section.

Applicable regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by

Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to a Registered Shareholders by the Company. However, its purpose is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares its own machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders to return those forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or by telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. That voting instruction form must be returned to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or by telephone), well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of Proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.**

This Information Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**NOBOs**”). Subject to the provision of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may obtain and use the NOBO list for distribution of Proxy-related materials directly (not via Broadridge) to such NOBOs.

Meeting materials sent to Beneficial Shareholders who have not waived their right to receive Meeting materials are accompanied by a request for a voting instruction form. This form is provided instead of a Proxy. By returning the voting instruction form in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Registered Shareholder how to vote on behalf of the Beneficial Shareholder. Voting instruction forms, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the voting instruction form.

Management of the Company does not intend to pay for intermediaries to forward to OBOs (who have not otherwise waived their right to receive proxy-related materials) under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. Accordingly, an OBO will not receive the materials unless the OBO's intermediary assumes the costs of delivery.

The Company is sending proxy-related meeting materials to registered shareholders and Beneficial Shareholders using the Notice-and-Access procedure described in NI 54-101 and National Instrument 51-102 Continuous Disclosure Obligations (“**NI 51-102**”).

IF YOU ARE A BENEFICIAL SHAREHOLDER AND WISH TO VOTE IN PERSON AT THE MEETING, PLEASE REFER TO THE INSTRUCTIONS SET OUT ON THE “REQUEST FOR VOTING INSTRUCTIONS” THAT RELATES TO THIS INFORMATION CIRCULAR.

RECORD DATE AND VOTING SECURITIES

The Company has set the close of business on **Wednesday, October 24, 2018**, as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only the Registered Shareholders are entitled to receive notice of and to vote at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders will have one vote, and on a poll every Shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Common Share registered in that Shareholder's name on the list of Shareholders as at the Record Date. The Compensation and Governance Committee members currently are: Messrs. Kenneth G. Thomas, Larry D. Kornze, and Ian Ward, all of whom are independent directors. The majority of the members of the Compensation and Governance Committee have direct experience which is relevant to their responsibilities in executive compensation. The Compensation and Governance Committee has previous experience in, among other things, evaluating overall compensation policies, plans and practices as well as setting compensation for executive officers, overseeing and administering equity compensation plans and establishing employment, retention and severance arrangements for executive officers.

Skills and experience that enable the Compensation and Governance Committee to make decisions on the suitability of the Company's compensation policies and practice include:

Kenneth G. Thomas: Dr. Thomas is a Professional Engineer. He is a Director of Continental Gold Corporation (Continental), Cardinal Resources Limited (Cardinal) and Avalon Rare Metals and has many years of experience as a director of mining companies in Canada and Internationally. He is Chairman of the Technical Committees of both Continental and Cardinal and also member of the Health, Safety and Environmental Committee of Continental.

Option-based Awards

At the end of each reporting period the Company's management reviews the performance of its NEOs during the year, against corporate and personnel goals that management has control over, to determine whether the Company should grant (share-based) option-based awards. Management then, proposes awards to the compensation committee. The Compensation Committee then reviews management's recommendations and passes a resolution recommending to the Board that options be granted to the Company's management. The Compensation Committee also plays an active role in reviewing existing equity incentive plans, under which option-based awards are granted.

COMPENSATION DISCUSSION AND ANALYSIS

Compensation Discussion and Analysis

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. Compensation for the fiscal year ended March 31, 2018, and prior fiscal years has historically been based upon a negotiated salary or consulting fee, with stock options and bonus potentially being issued and paid as an incentive for performance. In each year the Compensation and Governance Committee reviews the salary, bonus, stock options and other direct or indirect benefits for Management, considering all relevant matters including the goals of the Company and the effectiveness of management in achieving those goals, the skill, qualifications and level of responsibility of Management and compensation provided by comparative companies. Based on these factors, the Compensation and Governance Committee then makes recommendations to the Board.

In each year the Compensation and Governance Committee reviews management performance against corporate and individual goals set for the year. In taking into account corporate performance, it is recognized that many factors are beyond the control of management, such as foreign exchange, interest rates and metal prices. As a result, goals are based more on factors over which management can exercise control, such as advancement of the Company's projects, actual operating and capital expenditure costs as compared to budget and improvement of relationships with suppliers, Shareholders and partners. The Compensation and Governance Committee has not formally considered the implications of the risks associated with the Company's compensation policies and practices.

As the Compensation and Governance Committee assessed management's performance for the fiscal year ended March 31, 2018, it took into consideration the objectives of executive compensation related to the annual incentive bonus and the Company's stock option plan (the "**Stock Option Plan**").

The Company's Stock Option Plan was established to provide incentives to qualified persons to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Stock Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers each year, the Board takes into account the number of options, if any, previously granted to each executive officer, and the performance of that officer to the date options are granted each year. The Stock Option Plan is the sole long term component of management compensation, and we believe helps ensure that compensation is closely aligned with Shareholder interests.

The Company does not have a formal compensation program. However, the administration of the Company's compensation mechanisms is handled by the Compensation and Governance Committee (the "**Compensation and Governance Committee**") of the Board of the Company. The general mandate of the Compensation and Governance Committee is to examine matters relating to the compensation of the directors and executive officers of the Company with respect to (i) general compensation goals and guidelines and the criteria by which bonuses and stock compensation awards are determined; (ii) amendments to any equity compensation plans adopted by the Board and changes in the number of shares reserved for issuance thereunder; and (iii) other plans that are proposed for adoption or adopted by the Company for the provision of compensation. In accordance with the mandate, the Compensation and Governance Committee meets to discuss and determine the recommendations that it will make to the Board regarding management compensation, without reference to formal objectives, criteria or analysis. The

general objectives of the Company's compensation strategy are to (a) compensate Management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align Management's interests with the long-term interests of shareholders; (c) provide a compensation package that is commensurate with other junior mineral exploration companies to enable the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior mineral exploration company without a history of earnings.

The Compensation and Governance Committee considers and evaluates executive compensation levels on an annual basis against available information for "peer group" companies, which are principally comprised of "junior mineral exploration" companies, to ensure that the Company's executive compensation levels are within the range of comparable norms. In selecting peer group companies, the Compensation and Governance Committee primarily looks for public companies that are comparable in terms of business and size.

Currently, the principal components of the Company's executive compensation packages are base remuneration, long-term incentive in the form of stock options, and a discretionary annual incentive cash bonus. The Company targets base remuneration, bonuses, and option based awards towards the upper range relative to peer companies for similarly experienced executives performing similar duties. Generally, awards are made within this range, although compensation is awarded above or below in cases of exceptional or poor corporate and/or individual performance or other individual factors relating to a NEO. The Company benchmarks against upper compensation because benchmarking allows the Company to attract and retain executives, provides an incentive for executives to strive for better than average performance to earn better than average compensation and helps the Company to manage the overall cost of management compensation.

While the Compensation and Governance Committee believes that it is important to use benchmarking data to assist it in determining appropriate ranges for executive compensation, it also considers other factors when awarding executive compensation such as the overall financial strength of the Company, its exploration successes, and equity financing success.

Base salary is used to provide the NEOs a set amount of money during the year with the expectation that each NEO will perform his responsibilities to the best of his ability and in the best interests of the Company.

The granting of incentive stock options provides a link between management compensation and the Company's share price. It also rewards management for achieving results that improve Company performance and thereby increase shareholder value. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. In making a determination as to whether a grant of long-term incentive stock options is appropriate, and if so, the number of options that should be granted, consideration is given to: the number and terms of outstanding incentive stock options held by the NEO; current and expected future performance of the NEO; the potential dilution to shareholders and the cost to the Company; general industry standards; and the limits imposed by the terms of the Company's Stock Option Plan and the TSX Venture Exchange. The Company considers the granting of incentive stock options to be a particularly important element of compensation as it allows the Company to reward each NEO's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Stock Option Plan, which are described under "Incentive Plan Awards".

Finally, the Compensation and Governance Committee will consider whether it is appropriate and in the best interests of the Company to award a discretionary cash bonus to the NEOs and if so, in what amount. A cash bonus may be awarded to reward extraordinary performance that has led to increased value for shareholders through property acquisitions or divestitures, the formation of new strategic or joint venture relationships and/or capital raising efforts. Demonstrations of extraordinary personal commitment to the Company's interests, the community and the industry may also be rewarded through a cash bonus.

Subsequent to the year ended March 31, 2018 the Company adopted, subject to TSX Venture Exchange ("TSXV") acceptance and disinterested shareholder approval, a Restricted Share Unit Plan (the "**DSU Plan**") and Deferred Share Unit Plan (the "**DSU Plan**") as part of its security based compensation plans, which will allow the Company to grant from time to time restricted share units (each an "**RSU**") and/or deferred share units (each a "**DSU**") to non-

employee directors, employees and/or consultants of the Company or its designated affiliates (collectively, “**Participants**”) on such terms and conditions as prescribed by the RSU Plan and DSU Plan. As of the date of this Circular, there are no entitlements outstanding under the RSU Plan and DSU Plan. See Particulars of Matters to be Acted Upon – Approval of Restricted Share Unit Plan and Approval of Deferred Share Unit Plan”.

The Company has not placed a restriction on the purchase by its NEOs or other employees of financial instruments (including prepaid variable forward contracts, equity swaps, collars or units of exchange funds) that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly by the NEO or employee. To the Company’s knowledge, none of the NEOs have purchased any such financial instruments.

Pension Plan Benefits

The Company does not have a pension plan that provides for payments or benefits to the NEOs at, following, or in connection with retirement.

Termination And Change Of Control Benefits

The Company and its subsidiaries have no employment contracts with any NEOs, any contract, agreement, plan or arrangement that provides for payments to the NEOs at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation or a change in the NEOs' responsibilities, except as follows:

Pursuant to the RRI Agreement made as of April 1, 2018, between the Company and Ridley Rocks Inc. ("**RRI**", a company in respect of which Ms. Joanne Freeze, the Company's President and CEO, is the principal), the Company has agreed to pay RRI a monthly retainer of \$4,000 for 20% of her time and a daily fee for services rendered by RRI to the Company for time that exceeds the amount of time covered by the retainer. The RRI Agreement also contains a provision for the potential payment of an annual bonus (the "**Target Bonus**") to be determined by the Company's Compensation Committee. The Target Bonus has initially been set at the amount of \$75,000. Both the Target Bonus and the daily fee are subject to adjustment on an annual basis. On a "change of control" of the

Company, at any time to the date that is sixty (60) days following the date of the change of control, either the Company or RRI may terminate the RRI Agreement, in which case the Company or the Surviving Corporation will pay to Consultant a fee equal to \$500,000, together with all applicable taxes including GST on such amounts (collectively, the "Control Fee").

The Company may terminate the RRI Agreement in any other circumstance on 12 months' notice to RRI.

For each of the above agreements, a "change of control" is defined as the election or appointment of a majority of new directors of the Company or the acquisition by any person or by any person and such person's affiliates or associates, as such terms are defined in the *Securities Act* (British Columbia), and whether directly or indirectly, of Common Shares which, when added to all other Common Shares at the time held by such person and such person's affiliates and associates, totals for the first time, fifty (50%) percent or more of the outstanding Common Shares.

As of the date of this Information Circular, October 24, 2018, there are outstanding options to purchase a total of 9,655,000 Common Shares representing approximately 9.1% of the total (107,206,923) issued and outstanding Common Shares. There remain 1,065,692 Common Shares available for future issuance under the Company's Stock Option Plan representing approximately 0.99% of the total (107,206,923) issued and outstanding Common Shares.

STOCK OPTION PLAN

On July 27, 2015, the Company transferred the listing of the Common Shares from the Toronto Stock Exchange to the TSX Venture Exchange, and in connection with such transfer, the TSXV required the Company to make significant changes to its then existing stock option plan (the “**Old Option Plan**”) to comply with requirements set forth in TSXV policies. On August 17, 2015, the Board approved a new 10% rolling Stock Option Plan that incorporated TSXV requirements and replaced the Old Option Plan. The Stock Option Plan was last approved by Shareholders on December 14, 2017. Under Policy 4.4 of the TSXV, "rolling" stock option plans must receive approval of the shareholders on a yearly basis. Accordingly, Shareholders will be asked at the Meeting to pass an ordinary resolution approving the Stock Option Plan.

The following is a brief description of the material provisions of the Stock Option Plan, and is qualified in its entirety by the full text of the Stock Option Plan, a copy of which will be available for inspection at the Meeting. A Shareholder may also obtain a copy of the Plan by contacting the Company.

Administration: The Stock Option Plan is administered by the Board or by a committee of two or more directors who may be designated from time to time to serve as the committee for the Stock Option Plan. Subject to the limitations of the Stock Option Plan, the Board has full power to grant options, to determine the terms, limitations,

restrictions and conditions respecting such options and to settle, execute and deliver option agreements and bind the Company accordingly, to interpret the Stock Option Plan and to adopt such rules, regulations and guidelines for carrying out the Stock Option Plan as it may deem necessary or proper, all of which powers shall be exercised in the best interests of the Company and in keeping with the objectives of the Stock Option Plan.

Total number of securities issuable and securities issued under the Stock Option Plan: The maximum aggregate number of Common Shares reserved for issuance pursuant to the exercise of options granted under the Stock Option Plan is 10% of the outstanding Common Shares as at the date of a stock option grant. If any option subject to the Stock Option Plan is forfeited, expires, is terminated or is cancelled for any reason other than by reason of exercise, then the maximum number of Common Shares for which options may be granted must be increased by the number of Common Shares which were the subject of such forfeited, expired, terminated or cancelled option. The maximum number of Common Shares must be appropriately adjusted in the event of a subdivision or consolidation of the Common Shares.

Option Exercise Price: The exercise price per Common Share under an option must be determined by the administrator, in its discretion, at the time such option is granted, but such price shall not be less than the closing price of the Common Shares on the TSXV on the trading day immediately preceding the day on which the option is granted, less any allowable discount (provided that if there are no trades on such day then the last closing price within the preceding ten trading days will be used, and if there are no trades within such ten-day period, then the simple average of the bid and ask prices on the trading day immediately preceding the day of grant will be used) and, in any event, the exercise price per Common Share will not be less than \$0.10, being the minimum exercise price allowable under the policies of the TSXV. Subject to TSXV approval, the exercise price per optioned share under an option may be reduced at the discretion of the administrator if (i) prior TSXV approval is obtained and at least six months has elapsed since the later of the date such option was granted and the date the exercise price for such option was last amended; and (ii) disinterested shareholder approval is obtained for any reduction in the exercise price under an option held by an insider of the Company at the time of the proposed reduction; provided that if the exercise price is reduced to the then discounted market price (as defined by policies of the TSXV), the TSXV four month hold period will apply from the date of the amendment and further provided that no such conditions will apply in the case of an adjustment made in the event of any subdivision or consolidation of the Common Shares.

Tax Withholding: The Stock Option Plan establishes that the Company shall have the right to withhold from any amount payable to an optionee such amount as may be necessary to enable the Company to comply with the applicable requirements of any federal, provincial, state or local law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to awards under the Stock Option Plan. The Company shall also have the right in its discretion to satisfy any liability for any withholding obligations by selling, or causing a broker to sell, on behalf of any participant such number of Common Shares issued to the participant pursuant to an exercise of options under the Stock Option Plan as is sufficient to fund the withholding obligations (after deducting commissions payable to the broker), or retaining any amount or consideration which would otherwise be paid, delivered or provided to the participant under the Stock Option Plan. The Company may require a participant, as a condition to exercise of an option, to make such arrangements as the Company may require so that the Company can satisfy applicable withholding obligations, including, without limitation: (i) requiring the participant to remit the amount of any such withholding obligations to the Company in advance; (ii) requiring the participant to reimburse the Company for any such withholding obligations; or (iii) causing a broker who sells such shares on behalf of the participant to withhold from the proceeds realized from such sale the amount required to satisfy any such withholding obligations, and remitting such amount directly to the Company.

Eligible participants under the Stock Option Plan: Options may be granted to:

- (a) a director of the Company;
- (b) a senior officer of the Company;
- (c) an employee of the Company, which is an individual who (i) is considered an employee of the Company or its subsidiary under the *Income Tax Act* (Canada) (and for whom income tax, employment insurance and Canada Pension Plan deductions must be made at source); (ii) works

full-time for the Company or its subsidiary providing services normally provided by an employee and who is subject to the same control and direction by the Company over the details and methods of work as an employee of the Company, but for whom income tax deductions are not made at source; or (iii) works for the Company or its subsidiary on a continuing and regular basis for a minimum amount of time per week providing services normally provided by an employee and who is subject to the same control and direction by the Company over the details and methods of work as an employee of the Company, but for whom income tax deductions are not made at source;

- (d) a management company employee, which is an individual employed by a person providing management services to the Company which are required for the ongoing successful operation of the business enterprise of the Company, but excluding a person engaged in investor relations activities (as defined by the policies of TSXV);
- (e) a consultant to the Company and its affiliates (as defined by the policies of TSXV), which is an individual (or a corporation or partnership of which the individual is an employee, shareholder or partner), other than an employee, senior officer, management company employee or director of the Company that (i) is engaged to provide on an ongoing bona fide basis, consulting, technical management or other services to the Company or its affiliate other than services provided in relation to a distribution of securities; (ii) provides the services under a written contract between the Company or its affiliate and the individual or the consultant company; (iii) in the reasonable opinion of the Company, spends or will spend a significant amount of time and attention on the affairs and business of the Company or its affiliate; and (iv) has a relationship with the Company or its affiliate that enables the individual to be knowledgeable about the business and affairs of the Company;
- (f) an issuer all the voting securities of which are owned by such persons,

who are in the opinion of the administrator in a position to contribute to the success of the Company or any of its subsidiaries or who, by virtue of their service to the Company or any of its subsidiaries, are in the opinion of the administrator, worthy of special recognition.

The maximum percentage of Common Shares that insiders are entitled to receive under the Stock Option Plan: Unless the Company obtains “disinterested shareholder” approval in accordance with the policies of the TSXV:

- (a) the maximum aggregate number of Common Shares that may be reserved for issuance to insiders of the Company under the Stock Option Plan; and
- (b) the maximum aggregate number of options granted to insiders of the Company under the Stock Option Plan within a 12-month period,

may not exceed 10% of outstanding Common Shares at the time of grant.

The maximum percentage of Common Shares that any one individual is entitled to receive under the Stock Option Plan: Unless the Company obtains “disinterested shareholder” approval in accordance with the policies of the TSXV, the maximum aggregate number of Common Shares that may be reserved under the Stock Option Plan for issuance to any one person (and any companies wholly-owned by that person), in any 12-month period must not exceed 5% of the outstanding Common Shares at the time of grant.

The maximum percentage of Common Shares that any one consultant is entitled to receive under the Stock Option Plan: The maximum aggregate number of Common Shares that may be reserved under the Stock Option Plan for issuance to any one consultant during any 12-month period must not exceed 2% of the outstanding Common Shares at the time of grant.

The maximum percentage of Common Shares that persons retained to provide investor relations activities are entitled to receive under the Stock Option Plan: The maximum aggregate number of Common Shares that may be reserved during any 12-month period under the Stock Option Plan for issuance to all persons retained to provide

investor relations activities, as that term is defined by the policies of the TSXV, must not exceed 2% of the outstanding Common Shares at the time of grant.

Vesting of Options: Subject to the policies of the TSXV, an option shall vest and may be exercised (in each case to the nearest full Common Share) during the option period in accordance with any vesting schedule as the Board may determine from time to time in its sole discretion. The vested portions of options will be exercisable, in whole or in part, at any time after vesting. If an option is exercised for fewer than all of the Common Shares for which the option has then vested, the option shall remain in force and exercisable for the remaining Common Shares for which the option has then vested, according to the terms of such option. Options issued to persons retained to provide investor relations activities will be subject to a vesting schedule of at least 12 months whereby no more than 25% of the options granted may be vested in any 3 month period.

Terms of Options: The option period for an option shall be determined by the administrator at the time the option is granted and may be up to 10 years from the date the option is granted. At the time an option is granted, the administrator may determine that, with respect to that option, upon the occurrence of an optionee ceasing to be a director, senior officer, employee, management company employee, or consultant of the Company for any reason excluding termination for cause or death or on account of disability, there shall come into force a time limit for exercise of such option which is different than the option period, and in the event of such a determination, the option agreement for such option shall contain provisions which specify the events and time limits related to that determination. Subject to the applicable maximum option period provided for under the Stock Option Plan and subject to applicable regulatory requirements and approvals, the administrator may extend the option period of an outstanding option beyond its original expiration date (whether or not such option is held by an insider), provided such option has been outstanding for at least one year prior to such extension. If such expiry of the option period falls within a blackout period, the expiry of the option shall automatically be extended to the date which is 10 business days after the expiry of the blackout period, provided that the optionee or the Company is not subject to a cease trading order, or similar order under securities laws, in respect of the Company's securities.

Causes of cessation of entitlement: In the event that the optionee shall cease to be a director, senior officer, employee, management company employee or consultant of the Company by reasons of such optionee's termination for cause, the option shall terminate and shall cease to be exercisable upon such termination for cause. In the event that the optionee shall cease to be a director, senior officer, employee, management company employee or consultant of the Company by reason of such optionee's disability, any options held by such optionee that could have been exercised immediately prior to such cessation shall be exercisable by such optionee, or by his or her guardian, for a period of 30 days following the date of such cessation (if such optionee dies within that 30 day period, any option held by such optionee that could have been exercised immediately prior to his or her death shall pass to the qualified successor of such optionee, and shall be exercisable by the qualified successor until the earlier of 30 days following the death of such optionee and the expiry of the option period). In the event that the optionee shall cease to be a director, senior officer, employee, management company employee or consultant of the Company by reason of such optionee's death, any options held by such optionee shall pass to the qualified successor of the optionee and shall be exercisable by such qualified successor until the earlier of one year following the date of such death and the original expiry date of such option.

Assignability of Options: Neither the options nor the benefits and rights of any optionee under any option or under the Stock Option Plan shall be assignable or otherwise transferable, except as specifically provided under the Stock Option Plan in the event of the death or disability of an optionee. During the lifetime of the optionee, all options may only be exercised by the optionee.

Amendment or termination of the Stock Option Plan: The Board reserves the right to amend or terminate the Stock Option Plan at any time if and when it is deemed advisable in the absolute discretion of the Board; provided, however, that no such amendment or termination shall adversely affect any outstanding options granted under the Stock Option Plan without the consent of the optionee. Any amendment to the Stock Option Plan shall also be subject to acceptance of such amendment or amended plan for filing by the TSXV and, where required by the TSXV, the approval of the Shareholders.

Adjustments: Following the date an option is granted, the exercise price for and the number of Common Shares which are subject to an option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out under the Stock Option Plan, with the intent that the rights of

optionees under their options are, to the extent possible, preserved and maintained notwithstanding the occurrence of such events. If the outstanding Common Shares are changed into or exchanged for a different number of Common Shares or into or for other securities of the Company or securities of another company or entity, whether through an arrangement, amalgamation or other similar procedure or otherwise, or a share recapitalization, subdivision or consolidation, then on each exercise of the option which occurs following such events, for each optioned share for which the option is exercised, the optionee shall instead receive the number and kind of shares or other securities of the Company or other company into which such Common Share would have been changed or for which such Common Share would have been exchanged if it had been outstanding on the date of such event and the exercise price will be similarly adjusted so that the aggregate price to exercise the option is preserved.

Annual Approval of Stock Option Plan

As noted under the headings “Stock Option Plans and other Incentive Plans and Securities Authorized for Issuance Under Equity Compensation Plans” the Company adopted the new Stock Option Plan on August 17, 2015 that incorporated TSXV requirements and replaced the old stock option plan. The Stock Option Plan was last approved by the shareholders of the Company on December 14, 2017. See “Stock Option Plans and other Incentive Plans” for the terms and conditions governing the Stock Option Plan.

A copy of the Stock Option Plan may be inspected at the office of the Company’s Canadian solicitors, Gowling WLG (Canada) LLP, at Suite 2300, 550 Burrard Street, Vancouver, British Columbia, V6C 2B5 Canada during normal business hours and at the Meeting. Any such requests should be mailed to the Company, at its head office, to the attention of the Secretary.

In the absence of instructions to the contrary, the shares represented by proxy will be voted FOR the approval and confirmation of the Stock Option Plan.

Approval of Deferred Share Unit Plan

On October 24, 2018, the Board adopted the DSU Plan, a copy of which is attached hereto as Schedule "C", subject to receipt of the requisite approvals of the TSXV and the Shareholders. The purpose of the DSU Plan is to advance the interests of the Company and its subsidiaries by: (i) increasing the proprietary interests of non-executive directors in the Company; (ii) aligning the interests of non-executive directors with the interests of the Shareholders generally; and (iii) furnishing non-executive directors with an additional incentive in their efforts on behalf of the Company.

The Company is seeking the approval of disinterested shareholders at the Meeting to pass an ordinary resolution approving, ratifying and confirming the DSU Plan, and approving the issuance of up to 5,000,000 Common Shares under the DSU Plan (collectively, the "**DSU Plan Resolutions**").

The following is a summary of the principal terms of the DSU Plan, which is qualified in its entirety by reference to the text of the DSU Plan, a copy of which is attached hereto as Schedule "C":

- The maximum number of Common Shares made available for issuance from treasury under the DSU Plan, subject to certain adjustments described in the DSU Plan, shall not exceed 5,000,000 Common Shares as of the date of this Information Circular, calculated on an undiluted basis), provided, however, that the number of Common Shares reserved for issuance from treasury under the DSU Plan and pursuant to all other security-based compensation arrangements of the Company and its subsidiaries shall, in the aggregate, not exceed 10% of the number of Common Shares then issued and outstanding.
- Non-executive members of the Board who are designated by the Board (or such other committee of the directors appointed to administer the DSU Plan) may participate in the DSU Plan ("**DSUP Participants**"). DSUP Participants may be granted deferred share units of the Company ("**DSUs**"), represented by a notional bookkeeping entry on the books of the Company with each DSU having a value equal, on any particular date, equal to the volume weighted average trading price of the Common Shares for the five (5) consecutive trading days prior to such date ("**Market Value**").
- In addition, DSUP Participants may elect to receive DSUs in lieu of cash remuneration in respect of his or her annual retainer, committee retainer and meeting fees (or any portion thereof). The number of DSUs to be notionally credited to DSU Participants in lieu of cash remuneration shall be determined on a quarterly basis, as of the final day of any quarterly period, calculated as the quotient obtained when (i) the aggregate value of the cash remuneration that would have been paid to such DSU Participant, is divided by (ii) the Market Value as of the last day of such quarterly period.
- The grant of DSUs under the DSU Plan is subject to a number of restrictions:
 - the aggregate number of Common Shares issuable at any time to Insiders (as defined in the DSU Plan) under the DSU Plan and all other security-based compensation arrangements of the Company and its subsidiaries shall not, in the aggregate, exceed 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - within any one-year period, the Company shall not issue to Insiders under the DSU Plan and all other security-based compensation arrangements of the Company and its subsidiaries, in the aggregate, a number of Common Shares exceeding 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - the aggregate number of Common Shares made available for issuance from treasury to all non-employee directors of the Company under the DSU Plan (alone or when combined with

all of the other security- based compensation arrangements of the Company and its subsidiaries) shall not exceed 1% of the Company's total issued and outstanding Common Shares; and

- the value of Common Shares associated with grants to any individual non-employee director of the Company under the DSU Plan (alone or when combined with grants under all of the other security- based compensation arrangements of the Company and its subsidiaries) shall not exceed \$150,000 annually.
- The Board (or such other committee of the directors appointed to administer the DSU Plan) shall determine, at its sole discretion, the size of grants in respect of any DSUP Participant.
- Whenever cash or other dividends are paid on Common Shares, additional DSUs will be automatically granted to each DSUP Participant who holds DSUs on the record date for such dividends. The number of such DSUs to be credited to such DSUP Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such DSUP Participant if the DSUP Participant's DSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value of the Common Shares as of the date on which the dividend is paid on the Common Shares.
- DSUs shall be adjusted (at the Board's sole discretion) to reflect changes affecting the Company as a result of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin-off or other distribution (other than normal cash dividends) of the Company's assets to shareholders or any other change affecting the Common Shares.
- A DSUP Participant may select a date to receive settlement for his or her DSUs on any date following his or her termination, but no later than December 15 of the calendar year following such Termination (the "**Settlement Date**"), by completing and delivering a "Redemption Notice" to the Company.
- On the Settlement Date, the DSUP Participant (or his or her succession) shall be entitled to receive, in accordance with the prior election of such DSUP Participant, either: (i) one (1) Common Share for each DSU credited to the DSUP Participant's account on the Settlement Date, (ii) a lump sum cash payment equal to the Market Value on the Settlement Date of one (1) Common Share for each DSU credited to the DSUP Participant's account on the Settlement Date, or (iii) any combination of the foregoing (subject to the discretion Board (or such other committee of directors appointed to administer the DSU Plan) to settle by alternative form provided for under the DSU Plan).
- The Company will deduct or withhold from any payment or settlement in Common Shares, for the benefit of a DSUP Participant, any amount required in order to comply with the applicable provisions of any federal or provincial law relating to the withholding of tax or the making of any other source deductions, including on the amount, if any, included in income of a DSUP Participant. The obligation of the Company to deliver payment or Common Shares in settlement of DSUs, for the benefit of a DSUP Participant, is conditional upon the DSUP Participant paying such amount as may be requested for the purpose of satisfying any liability in respect of such withholding.
- Upon a Change of Control (as defined in the DSU Plan), all outstanding DSUs will remain outstanding, unless the DSUP Participant's Board mandate is terminated as a result of the Change of Control.
- DSUP Participants have no claim or right to any Common Shares pursuant to the DSU Plan. DSUs shall not be considered Common Shares nor shall they entitle any DSUP Participant to exercise voting rights or any other rights attaching to the ownership or control of Common Shares.
- The Board (or such other committee of the directors appointed to administer the DSU Plan) may from time to time amend, suspend or terminate (and re-instate) the DSU Plan in whole or in part or amend the terms of DSUs credited in accordance with the DSU Plan, without approval of the Shareholders, but subject to the receipt of all required regulatory approvals including, without limitation, the approval of the TSXV. If any such amendment, suspension or termination will materially or adversely affect the rights of a DSUP Participant with respect to DSUs credited to such DSUP Participant, then the written consent of such DSUP Participant to such amendment, suspension or termination shall be obtained. However, a DSUP Participant's written consent to an amendment, suspension or termination materially or adversely affecting his or her rights with respect to any credited DSUs will not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Company are listed.

- The Board has broad discretion to amend the DSU Plan without seeking the approval of Shareholders, including, without limitation, amendments to the DSU Plan to rectify typographical errors and/or to include clarifying provisions for greater certainty. However, the Company may not make the following amendments to the DSU Plan without the approval of Shareholders and the TSXV: (i) an amendment to remove or exceed the insider participation limit prescribed by the TSXV Corporate Finance Manual; (ii) an amendment to increase the maximum number of Common Shares made available for issuance from treasury under the DSU Plan; (iii) an amendment to modify the definition of "Eligible Director" in the DSU Plan; or (iv) an amendment to the amending provision within the DSU Plan.
- If the Board (or such other committee of the directors appointed to administer the DSU Plan) terminates the DSU Plan, DSUs previously credited to DSUP Participants will remain outstanding and in effect and be settled in due course in accordance with the terms of the DSU Plan.
- Except as otherwise may be expressly provided for under the DSU Plan or pursuant to a will or by the laws of descent and distribution, no right or interest of a DSUP Participant under the DSU Plan is assignable or transferable.

The above summary is qualified in its entirety by the full text of the DSU Plan, which is set out in Schedule "C" to this Circular. The Board encourages shareholders to read the full text of the DSU Plan before voting on the DSU Plan Resolutions.

In accordance with the policies of the TSXV, the DSU Plan Resolutions must be passed by a majority of the votes cast on the ordinary resolution by all shareholders at the Meeting, excluding the votes attached to Common Shares beneficially owned by insiders (as defined under the policies of the Exchange) of the Company to whom DSUs may be granted under the DSU Plan and their associates (as defined under the policies of the Exchange). Based on the present shareholdings of the insiders to whom DSUs may be granted under the DSU Plan and their associates, a total of up to 5,000,000 Common Shares will be excluded from voting on the DSU Plan Resolutions, representing 4.6 % of the issued and outstanding Common Shares as of the Record Date, October 24th, 2018. If the DSU Plan Resolution is not approved by disinterested shareholders at the Meeting, the DSU Plan will be terminated.

On October 24, 2018, the Board unanimously passed a resolution approving the DSU Plan and the issuance of up to 5,000,000 Common Shares under the DSU Plan. The Board recommends that Shareholders vote for the DSU Plan Resolutions. As of the date of this Circular, there are no entitlements outstanding under the DSU Plan.

The DSU Plan Resolutions are ordinary resolutions, which must be passed by more than 50% of the votes cast by those Shareholders entitled to vote, whether case in person or by proxy. **In the absence of contrary instructions, the persons named in the accompanying form of proxy intend to vote the Common Shares represented thereby FOR the DSU Plan Resolutions.**

The DSU Plan Resolutions, which must be approved by the holders of a majority of the Common Shares voting at the Meeting, is as follows:

"BE IT RESOLVED as ordinary resolutions of Candente Gold Corp. that:

1. the adoption of the DSU Plan as described in the management information circular of the Company dated October 24, 2018 is hereby approved, ratified and confirmed;
2. the issuance of up to the maximum of 5,000,000 Common Shares issuable upon the redemption of DSUs under the DSU Plan is hereby authorized and approved;
3. the Company is hereby authorized and directed to issue such Common Shares pursuant to the DSU Plan as fully paid and non-assessable Common Shares of the Company; and
4. any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as such director or officer may deem necessary or desirable in connection with the foregoing resolution."

The Board recommends that Shareholders vote in favour of the DSU Plan Resolutions. Unless a Shareholder directs that his or her Common Shares are to be voted against this resolution, the persons named in the enclosed form of proxy intend vote **FOR** the DSU Plan Resolutions.

Approval of Restricted Share Unit Plan

On October 24, 2018, the Board adopted the RSU Plan, a copy of which is attached hereto as Schedule "D", subject to receipt of the requisite approvals of the TSXV and the Shareholders. The purpose of the RSU Plan is to advance the interests of the Company and its subsidiaries by: (i) assisting the Company and its subsidiaries in attracting and retaining individuals with experience and ability, (ii) allowing certain executive officers and key employees of the Company and its subsidiaries to participate in the long term success of the Company, and (iii) promoting a greater alignment of interests between the executive officers and key employees designated under the RSU Plan and the Shareholders.

The Company is seeking the approval of disinterested shareholders at the Meeting to pass an ordinary resolution approving, ratifying and confirming the RSU Plan, and approving the issuance of up to 5,000,000 Common Shares under the RSU Plan (collectively, the **RSU Plan Resolutions**).

The following is a summary of the principal terms of the RSU Plan, which is qualified in its entirety by reference to the text of the RSU Plan, a copy of which is attached hereto as Schedule "D":

- The maximum number of Common Shares made available for issuance from treasury under the RSU Plan, subject to certain adjustments described in the RSU Plan, shall not exceed 5,000,000 Common Shares (representing approximately 4,6 % of the total issued and outstanding Common Shares as of the date of this Information Circular, calculated on an undiluted basis), provided, however, that the number of Common Shares reserved for issuance from treasury under the RSU Plan and pursuant to all other security-based compensation arrangements of the Company and its subsidiaries shall, in the aggregate, not exceed 10% of the number of Common Shares then issued and outstanding.
- The Board (or such other committee of the directors appointed to administer the RSU Plan), upon recommendation from the President and/or Chief Executive Officer, from time to time in their sole discretion designates the executives and key employees entitled to participate in the RSU Plan ("**RSUP Participants**"). Restricted share units ("**RSUs**") are granted to RSUP Participants at the discretion of the RSUP Committee.
- The grant of RSUs under the RSU Plan is subject to a number of restrictions:
 - the aggregate number of Common Shares issuable at any time to Insiders (as defined in the RSU Plan) under the RSU Plan and all other security-based compensation arrangements of the Company and its subsidiaries shall not, in the aggregate, exceed 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - within any one-year period, the Company shall not issue to Insiders under the RSU Plan and all other security-based compensation arrangements of the Company and its subsidiaries, in the aggregate, a number of Common Shares exceeding 10% of the issued and outstanding Common Shares, calculated on a non-diluted basis;
 - the aggregate number of Common Shares made available for issuance from treasury to all non-employee directors of the Company under the RSU Plan (alone or when combined with all of the other security-based compensation arrangements of the Company and its subsidiaries) shall not exceed 1% of the Company's total issued and outstanding Common Shares; and
 - the value of Common Shares associated with grants to any individual non-employee director of the Company under the RSU Plan (alone or when combined with grants under all of the other security-based compensation arrangements of the Company and its subsidiaries) shall not exceed \$150,000 annually.
- Whenever cash or other dividends are paid on Common Shares, additional RSUs will be automatically granted to each RSUP Participant who holds RSUs on the record date for such dividends. The number of such RSUs (rounded to the nearest whole RSU) to be credited to such RSUP Participant as of the date on

which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such RSUP Participant if his or her RSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value (as defined in the RSU Plan) of the Common Shares as of the date on which the dividend is paid on the Common Shares. RSUs granted to a RSUP Participant by reason of cash or other dividends paid on Common Shares are subject to the same vesting conditions (time and performance, as applicable) as the RSUs to which they relate.

- Vesting and settlement provisions under the RSU Plan are as follows:
 - Subject to the discretion of the Board (or such other committee of the directors appointed to administer the RSU Plan), RSUs will vest in their entirety over three years (one-third on each of the first, second and third anniversary of the date a RSU is awarded).
 - The RSUs may vest according to time and/or performance vesting conditions. The RSUs that are subject to the time vesting condition shall be deemed to have been 100% satisfied if the RSUP Participant is employed by the Company and/or a subsidiary on the date specified in the RSU Award Agreement (as defined in the RSU Plan). The RSUs that are subject to the performance vesting condition(s) (as applicable) shall also vest on the date specified in the RSU Award Agreement, provided that such number of vested RSUs shall be multiplied by the performance percentage determined by the Board (or such other committee of the directors appointed to administer the RSU Plan), all in accordance with the RSU Award Agreement.
 - Within 10 days following the vesting date, the RSUP Participant (or his or her succession) shall be entitled to receive, in accordance with the prior election of such RSUP Participant, either: (i) one (1) Common Share for each RSU credited to the RSUP Participant's account on the settlement date, (ii) a lump sum cash payment equal to the Market Value on the settlement date of one (1) Common Share for each RSU credited to the RSUP Participant's account on the settlement date, or (iii) any combination of the foregoing (subject to the discretion Board (or such other committee of directors appointed to administer the RSU Plan) to settle by alternative form provided for under the RSU Plan.
 - Upon a Change of Control (as defined in the RSU Plan), all outstanding RSUs shall vest, irrespective of any performance vesting conditions.
- RSUs will be adjusted to reflect changes affecting the Common Shares as a result of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin off or other distribution (other than normal cash dividends) of the Company's assets to Shareholders or any other change affecting the Common Shares.
- If a RSUP Participant ceases to be an employee as a result of termination for cause, or as a result of a voluntary termination, all of the RSUP Participant's outstanding RSUs will be terminated.
- If a RSUP Participant ceases to be an employee of the Company or a subsidiary as a result of death, termination not for cause, retirement or long-term disability, the time vesting component of RSUs will be subject to the following considerations:
 - In the event the RSUP Participant is not entitled to a Benefits Extension Period (as defined in the RSU Plan), then the time vesting component of each RSU grant will be pro-rated based on the number of days actually worked from the date of grant of such RSUs until the date of death, termination not for cause, retirement or Long-Term Disability, over the number of days in the original vesting schedule in relation to such RSU grant.
 - In the event the RSUP Participant is entitled to a Benefits Extension Period, then the time vesting component of each RSU grant will be pro-rated based on the sum of (i) the number of days actually worked from the date of grant up until the date of death, termination not for cause, retirement or Long-Term Disability, and (ii) the number of days included in the Benefits Extension Period, over the number of days in the original vesting schedule in relation to such grant.
- If a RSUP Participant ceases to be an employee of the Company or a subsidiary as a result of death, termination not for cause, retirement or Long-Term Disability, the performance vesting component of RSUs will be subject to the following considerations:

- In the event the RSUP Participant is not entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the number of days actually worked from the date of grant until the date of death, termination not for cause, retirement or Long-Term Disability, over the number of days in the original vesting schedule in relation to such grant; the number of vested RSUs resulting from such pro-rated calculation will be multiplied by the performance percentage determined by the Board (or such other committee of directors appointed to administer the RSU Plan).
 - In the event the RSUP Participant is entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the sum of (i) the number of days actually worked from the date of grant up until the date of death, termination not for cause, retirement or long-term disability, and (ii) the number of days included in the Benefits Extension Period, over the number of days of the original vesting schedule set forth in relation to such grant.
- A voluntary resignation will be considered as retirement if the RSUP Participant has reached normal retirement age under the Company's benefit plans or policies, unless the Board (or such other committee of directors appointed to administer the RSU Plan) decides otherwise at its sole discretion.
 - The Board (or such other committee of the directors appointed to administer the RSU Plan) may from time to time amend, suspend or terminate (and re-instate) the RSU Plan in whole or in part or amend the terms of RSUs credited in accordance with the RSU Plan, without approval of the Shareholders, but subject to the receipt of all required regulatory approvals including, without limitation, the approval of the TSXV. If any such amendment, suspension or termination will materially or adversely affect the rights of a RSUP Participant with respect to RSUs credited to such RSUP Participant, then the written consent of such RSUP Participant to such amendment, suspension or termination shall be obtained. However, a RSUP Participant's written consent to an amendment, suspension or termination materially or adversely affecting his or her rights with respect to any credited RSUs will not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Company are listed.
 - The Board has broad discretion to amend the RSU Plan without seeking the approval of Shareholders, including, without limitation, to make the following amendments: (i) an amendment to the RSU Plan to rectify typographical errors and/or to include clarifying provisions for greater certainty; (ii) an amendment to the vesting provisions of an RSU or the RSU Plan; (iii) an amendment to the termination provisions of an RSU or the RSU Plan which does not entail an extension beyond the original expiry date thereof. However, the Company may not make the following amendments to the RSU Plan without the approval of Shareholders and the TSXV: (i) an amendment to remove or exceed the insider participation limit prescribed by the TSXV Corporate Finance Manual; (ii) an amendment to increase the maximum number of Common Shares made available for issuance from treasury under the RSU Plan; (iii) an amendment to extend the term of an RSU for the benefit of an Insider; or (iv) an amendment to the amending provision within the RSU Plan.
 - If the Board (or such other committee of directors appointed to administer the RSU Plan) terminates the RSU Plan, RSUs previously credited to RSUP Participants will remain outstanding and in effect and be settled in due course in accordance with the terms of the RSU Plan.
 - Except as otherwise may be expressly provided for under the RSU Plan or pursuant to a will or by the laws of descent and distribution, no right or interest of a RSUP Participant under the RSU Plan is assignable or transferable.

The above summary is qualified in its entirety by the full text of the RSU Plan, which is set out in Schedule "D" to this Circular. The Board encourages shareholders to read the full text of the RSU Plan before voting on the RSU Plan Resolutions.

In accordance with the policies of the TSXV, the RSU Plan Resolutions must be passed by a majority of the votes cast on the ordinary resolution by all shareholders at the Meeting, excluding the votes attached to Common Shares beneficially owned by insiders (as defined under the policies of the TSXV) of the Company to whom RSUs may be granted under the RSU Plan and their associates (as defined under the policies of the TSXV). Based on the present shareholdings of the insiders to whom RSUs may be granted under the RSU Plan and their associates, a total of up

to 5,000,000 Common Shares will be excluded from voting on the RSU Plan Resolutions, representing 4.6% of the issued and outstanding Common Shares as of the Record Date. If the RSU Plan Resolution is not approved by disinterested shareholders at the Meeting, the RSU Plan will be terminated.

On October 24, 2018, the Board unanimously passed a resolution approving the RSU Plan and the issuance of up to 5,000,000 Common Shares under the RSU Plan. The Board recommends that Shareholders vote for the RSU Plan Resolutions. As of the date of this Circular, there are no entitlements outstanding under the RSU Plan.

The RSU Plan Resolutions are ordinary resolutions, which must be passed by more than 50% of the votes cast by those Shareholders entitled to vote, whether in person or by proxy. **In the absence of contrary instructions, the persons named in the accompanying form of proxy intend to vote the Common Shares represented thereby FOR the RSU Plan Resolutions.**

The RSU Plan Resolutions, which must be approved by the holders of a majority of the Common Shares voting at the Meeting, is as follows:

"BE IT RESOLVED as ordinary resolutions of Candente Gold Corp. that:

1. the adoption of the RSU Plan as described in the management information circular of the Company dated October 24, 2018 is hereby approved, ratified and confirmed;
2. the issuance of up to the maximum number of 5,000,000 Common Shares issuable upon the redemption of RSUs under the RSU Plan is hereby authorized and approved;
3. the Company is hereby authorized and directed to issue such Common Shares pursuant to the RSU Plan as fully paid and non-assessable Common Shares of the Company; and
4. any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as such director or officer may deem necessary or desirable in connection with the foregoing resolution."

BY ORDER OF THE BOARD OF DIRECTORS

Signed "*Joanne Freeze*"

President, Chief Executive Officer and Director

SCHEDULE "A"

CORPORATE GOVERNANCE DISCLOSURE - CANDENTE GOLD CORP.

NI 58-101 requires the Company to disclose information about its corporate governance practices on an annual basis. This disclosure must be made against the corporate governance guidelines contained in National Policy 58-201 *Corporate Governance Guidelines* (the "**Guidelines**").

The Company's board of directors (the "**Board**") has adopted certain corporate governance policies to reflect the Company's commitment to good corporate governance, and to comply with NI 58-101, Form 58-101F2 *Corporate Governance Disclosure*. The Board periodically reviews these policies and proposes modifications to the Board for consideration as appropriate. The Company considers good corporate governance to be central to the effective and efficient management and operation of the Company, and the Board is directly responsible for developing the Company's approach to corporate governance issues.

Board of Directors

NI 52-110 sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company.

The Board is currently composed of five persons. Applying the definition set out in NI 52-110, as at the date of this Information Circular, a majority of the Board is independent as three of the five current members of the Board are independent. The members who are independent are Larry D. Kornze, Kenneth G. Thomas, and Ian Ward. Joanne C. Freeze is not independent by virtue of the fact that she is the Company's Chief Executive Officer and President and Paul H. Barry is the Chairman of the Board.

In addition to their positions on the Board, the following directors also serve as directors of the following reporting issuers or reporting issuer equivalent(s):

Other reporting issuers of which the Company's directors are also directors	
Name of Director	Names of Reporting Issuers
Joanne C. Freeze	Candente Copper Corp.
Larry D. Kornze	Duncan Park Holdings Corporation, Dynasty Gold Corp., Goldex Resources Corporation, Thunder Mountain Inc., and Mesa Exploration Corp.
Kenneth G. Thomas	Continental Gold Inc. and Avalon Rare Metals Inc.
Paul H. Barry	Candente Copper Corp.
Ian Ward	Canadian Zinc Corporation

The independent directors do not have regularly scheduled meetings in the absence of the non-independent directors. On occasions where it is considered advisable, the Company's independent directors will and do hold meetings at which non-independent directors and members of management are not in attendance. As all but one of the current directors are independent, the Board does not believe it is presently necessary to have any formal structure or procedures in place to ensure that the Board can function independently of management and is of the view that the current Board structure is sufficient to facilitate open and candid discussion among independent directors. The independent directors have met more than once in the absence of management during the period since the beginning of the Company's most recently completed financial year. It is the Company's policy to have in camera sessions with only independent directors present as part of the agenda for all Board meetings.

Mr. Paul H. Barry was appointed as Chairman of the Board on March 17, 2015.

Board Mandate

The mandate of the Board is contained in the Company's Corporate Governance Policy and is as follows:

“The mandate of the Board is to oversee the management of the business and affairs of the Company. The Board shall have responsibility for the stewardship of the Company and shall assume responsibility for the following matters:

- the adoption of a strategic planning process;
- the identification of the principal risks to the business of the Company and the implementation of systems to manage such risks;
- appointing, training and monitoring senior management and planning for succession of senior management;
- establishing a communications policy for the Company; and
- ensuring the integrity of the Company's internal control and management information systems.”

Position Description for Chairman

The Board does not have a written position description for the Chairman.

Position Description for CEO

The Board does not have a written position description for the CEO, but considers the CEO to be primarily responsible for the day to day operations of the Company and for preparing the Company's strategic plans and budgets for approval by the Board. The CEO is ultimately responsible for the execution of the Company's strategic plan and for meeting the Company's budget. The general duties and responsibilities of the CEO are set out in the employment agreement between the CEO and the Company, which were developed by the Company in consultation with CEO at the time of first engagement on January 1, 2010 and continued in contract dated April 1, 2018.

Orientation and Continuing Education

The Company does not currently have a formal orientation or continuing education process in place. New directors are furnished with appropriate documentation relating to the Company's business activities and internal organization, and are encouraged to spend time with management and incumbent directors in order to familiarize themselves with the Company's business and operations, as well as the role of the Board, its committees and its directors. Both new and incumbent directors are also encouraged to communicate with management, auditors, technical consultants and legal counsel to keep themselves current with industry trends and developments and changes in legislation. Management regularly provides corporate updates at scheduled meetings of the Board and passes along updates regarding legal and regulatory changes received from its legal and other professional advisors when such information is relevant to the Board. Going forward, the Company is arranging for an annual educational session to be provided to the Board by the Company's legal counsel. The Company may also pay the reasonable costs of attendance by directors at continuing education courses and seminars with respect to corporate governance, directors' duties and obligations and similar matters upon request. The Company's directors are experienced corporate directors and all of them serve as directors of other public companies where they receive various degrees of additional formal and informal continuing education and are also kept apprised of issues relevant to publicly traded mineral exploration companies. Most of the Company's directors are also members of professional associations through which they also receive relevant continuing education. If the growth of the Company's operations and/or increased turnover of the Board warrants it, the Board would consider implementing further formal orientation and/or continuing education process.

Ethical Business Conduct

The Company adopted a Code of Ethics which was approved on November 10, 2011. The Company's Code of Ethics affirms the Company's commitment to uphold high moral and ethical principles and specifies the basic norms of behavior for those conducting business on its behalf. Most of the Company's directors are also members of professional associations which have disciplinary and practice review boards and processes. While the Company's

business practices must be consistent with the business and social practices of the communities in which the Company operates, the Company believes that honesty and transparency is the essential standard of integrity in any locale of the Company's business. Thus, though local customs may vary, the Company's activities are to be based on honesty, integrity and respect. The Company's Code of Ethics is posted on the Company's profile on SEDAR and is posted on the Company's website www.candentegold.com.

The Company adopted a Whistleblower Policy on June 28, 2010 which allows its directors, officers and employees who feel that a violation of the Code of Ethics has occurred, and/or who have concerns regarding financial statements disclosure issues, accounting, internal accounting controls or auditing matters, to report such violation or concerns on a confidential and anonymous basis. Such reporting can be made by email or telephone through a Compliance Hot Line, to lawyers independent of the Company, fluent in English and Spanish, and is available in Peru, Mexico, and Canada to all directors, officers and employees. All complaints are to be forwarded to the Chair of the Audit Committee for investigation and corrective and disciplinary action, if appropriate. The Whistleblower Policy and the procedures it establishes assist the Board in monitoring compliance with the Code of Ethics.

The Company's Whistleblower Policy in both English and Spanish languages is available on the Company's website www.candentegold.com.

The Company has not filed any material change reports since the beginning of its most recently completed financial year that pertains to any departures from the Code of Ethics by any director or executive officer of the Company.

In addition to the provisions of the Code of Ethics, the directors and officers of the Company are bound by the provisions of the Company's Articles and the *Business Corporations Act* (British Columbia), which contain detailed provisions as to how any conflicts of interests are to be dealt with. In particular, any director who has a material interest in a particular transaction is required to disclose such interest to the Company and to abstain from voting with respect to the approval of such transaction.

In addition, the Board has also adopted a Corporate Governance Policy and Corporate Disclosure Policy on June 28, 2010. The Corporate Governance Policy establishes the mandate of the Board and sets out various matters with respect to the corporate governance of the Company, including requirements with respect to the independence of Board members, matters relating to Board composition and Board Committees, employee and insider trading guidelines and accounting services approval. The Corporate Disclosure Policy is applicable to all employees and is intended to ensure that communications to the public about the Company are timely, factual and accurate and are broadly disseminated in accordance with applicable legal and regulatory requirements. Copies of the Corporate Governance Policy and Corporate Disclosure Policy and are available on the Company's website at www.candentegold.com.

Board Committees

The Board has two committees: the Audit Committee and the Compensation and Governance Committee. The committees and their memberships are described below.

Audit Committee

The mandate of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities. The Audit Committee's primary duties and responsibilities are to:

- oversee the process of selecting and appointing an auditor;
- oversee the conduct of the audit;
- identify and monitor the management of the principal risks that could impact the financial reporting of the Company;
- monitor the integrity of the Company's financial reporting process and system of internal controls regarding financial reporting and accounting compliance;
- ensure the independence of the Company's auditor in accordance with applicable standards and monitor the auditor's performance; and

- provide an avenue of communication between and amongst the Company's auditors, management and the Board.

The Audit Committee has the authority to conduct any investigation appropriate to fulfilling its responsibilities and it has direct access to the Company's auditors and anyone in the Company that it deems necessary. The Audit Committee has the ability to retain, at the Company's expense, special legal, accounting or other consultants or experts it deems necessary in the performance of its duties. During the period since the beginning of the Company's most recently completed financial year the Audit Committee met once in the absence of management. It is the Company's policy for the Audit Committee to have in-camera sessions with the Company's auditors during the meetings in which that auditors are involved.

As at the date of this Information Circular, the Audit Committee is composed of Paul H. Barry (Chair), Larry D. Kornze, and Kenneth G. Thomas, all of whom are "financially literate" and two of whom are "independent" within the meaning of sections 1.4, 1.5 and 1.6 of NI 52-110 and applicable exchange rules and regulations as of this date.

The Company has set out the written position description for the Chair of the Audit Committee as follows:

- to lead the Audit Committee in the performance of its duties and carrying out its responsibilities within the terms of reference established by the Board;
- to report to the Board on the outcome of the deliberations of the Audit Committee and periodically report to the Board on the activities of the Audit Committee; and
- to meet regularly and as required with the Chief Financial Officer of the Company and other members of management to review material issues and to ensure that the Audit Committee and the Board are provided in a timely manner with all information necessary to permit the Board to fulfill its statutory and other obligations.

Compensation and Governance Committee

The mandate of the Compensation and Governance Committee is to discharge the Board's responsibilities relating to compensation of the Company's executive officers. Among other things, the Compensation and Governance Committee has overall responsibility for recommending levels of executive compensation that are competitive and motivating in order to attract, hold and inspire the chief executive officer, senior officers and other key employees and for recommending compensation for directors.

The Compensation and Governance Committee performs any other duties or responsibilities delegated to the Compensation and Governance Committee by the Board from time to time. For further information on the duties and responsibilities of the Compensation and Governance Committee, see "Executive Compensation – Compensation and Governance Committee" in this Information Circular.

As of the date of this Information Circular, the Compensation and Governance Committee members are Kenneth G. Thomas (Chair), Paul H. Barry, and Mr. Larry D. Kornze, two of whom are independent directors.

There is no written position description for the Chair of the Compensation and Governance Committee. To date, given the size of the Company and its stage of development, the Company does not believe that a formal written position description of the Chair of the Compensation and Governance Committee is required, and that good business practices and the common law provide guidance as to what is expected of the Chair of the Compensation and Governance Committee.

Nomination of Directors

The Board does not have a nominating committee composed of independent directors. The CEO submits to the Board candidates to fill vacancies on the Board and the full Board then considers the proposed candidates. As the Board is comprised of a majority of independent directors, the Board is of the view that this is sufficient to ensure objectivity in the nomination process.

Assessment

While there is no formal process for assessing Board or its committees on an ongoing basis, the directors are free to discuss specific situations from time to time among themselves and/or with the President and CEO and, if need be, steps are taken to remedy the situation, which steps may include a request for resignation. Given the current structure and size of the Board, the Board believes that it is not necessary to adopt a more formal assessment process at this time and that the present system is sufficient.

ADMINISTRATION OF THIS DSU PLAN**

3.1 Delegation to Committee

All of the powers exercisable hereunder by the Board may, to the extent permitted by applicable law and as determined by a resolution of the Board, be exercised by a committee of the Board comprised of not less than three (3) Directors, including any compensation committee of the Board.

3.2 Administration of this DSU Plan

- (a) This DSU Plan shall be administered by the Committee, provided, however, that the Committee shall be entitled to delegate administrative duties relating to this DSU Plan to a third-party administrator as may from time to time be appointed by the Committee.
- (b) The Committee shall have full authority to administer this DSU Plan, including the authority to interpret and construe any provision of this DSU Plan and to adopt, amend and rescind such rules and regulations for administering this DSU Plan as the Committee may deem necessary or appropriate in order to comply with the requirements of this DSU Plan. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and conclusive and shall be binding on the Eligible Director and the Corporation.
- (c) No member of the Committee shall be personally liable for any action taken or determination or interpretation made in good faith in connection with this DSU Plan and all members of the Committee shall, in addition to their rights as Directors, be fully protected, indemnified and held harmless by the Corporation with respect to any such action taken or determination or interpretation made.
- (d) The appropriate officers of the Corporation are hereby authorized and empowered to do all things, and to execute and deliver all instruments, undertakings, applications and writings as they, in their absolute discretion, consider necessary or appropriate for the implementation of this DSU Plan and of the rules and regulations established for administering this DSU Plan.
- (e) All costs incurred in connection with this DSU Plan shall be for the account of the Corporation.

3.3 Maximum Number of Shares

- (a) The maximum number of Common Shares made available for issuance from treasury under this DSU Plan, subject to adjustments pursuant to Article 10 and Section 13.6, shall not exceed 5,000,000 Common Shares, provided, however, that the number of Common Shares reserved for issuance from treasury under this DSU Plan and pursuant to all other security-based compensation arrangements of the Corporation and its Subsidiaries shall, in the aggregate, not exceed 10% of the number of Common Shares then issued and outstanding. Any Common Shares subject to a DSU which has been cancelled or terminated in accordance with the terms of this DSU Plan without settlement will again be available under this DSU Plan. The number of Common Shares reserved for issuance from treasury under this DSU Plan may be amended subject to the policies and approval of the TSXV and the approval of the holders of Common Shares by way of ordinary resolution at a meeting of the holders of Common Shares.
- (b) The grant of DSUs under this DSU Plan is subject to a number of restrictions including the following: (i) the aggregate number of Common Shares issuable to Insiders, at any time, under this DSU Plan and all other security-based compensation arrangements of the Corporation and its Subsidiaries shall not, in the aggregate, exceed ten percent (10%) of the issued and

outstanding Common Shares, calculated on a non-diluted basis; and (ii) within any one-year period, the Corporation shall not issue Insiders under this DSU Plan and all other security-based compensation arrangements of the Corporation and its Subsidiaries, in the aggregate, a number of Common Shares exceeding ten percent (10%) of the issued and outstanding Common Shares, calculated on a non-diluted basis.

- (c) In addition, the participation of non-employee Directors in this DSU Plan shall be subject to the following limitations: (i) the aggregate number of Common Shares made available for issuance from treasury to all non-employee Directors of the Corporation under this DSU Plan, or when combined with all of the other security-based compensation arrangements of the Corporation and its Subsidiaries, shall not exceed one percent (1%) of the Corporation's total issued and outstanding Common Shares, and (ii) the number of Common Shares associated with grants to any individual non-employee Director of the Corporation under this DSU Plan, or when combined with grants under all of the other security-based compensation arrangements of the Corporation and its Subsidiaries, shall not exceed 1% for any single grant and not 2% for all grants to that individual, of the issued and outstanding Common Shares, calculated on a non-diluted basis. If and when the Corporation's Common Shares are listed on the TSXV, then for the purposes of this DSU Plan, "security-based compensation arrangement" shall have the meaning set out in the TSXV Corporate Finance Manual. For greater certainty, the number of Common Shares outstanding shall mean the number of Common Shares outstanding on a non-diluted basis on the date immediately prior to the proposed Grant Date.
- (d) A DSU award granted to a Participant for services rendered will entitle the Participant, subject to the Participant's satisfaction of any conditions, vesting periods, restrictions or limitations imposed pursuant to this DSU Plan or as set out in the "DSU Award Agreement", to receive payment following the applicable Termination Date in accordance with Article 8 of this DSU Plan.

ARTICLE 4 ELIGIBILITY

- (a) The Committee designates, from time to time and at their sole discretion, the Eligible Directors who are entitled to participate in this DSU Plan.
- (b) The participation of an Eligible Director in this DSU Plan shall be evidenced by the delivery to the Corporation of a "Participation Agreement".
- (c) Each Participant's "Participant Agreement" shall specify, for purposes of Article 8, the elected form of payment to be received for each DSU, being either: (i) one (1) Common Share, (ii) a lump sum payment in cash equal to the Market Value of one (1) Common Share on the Settlement Date, or (iii) any combination of the foregoing. A Participant may only update their election by delivering a new "Participation Agreement" to the Corporation (which, for greater certainty, shall supersede any previously delivered "Participation Agreement") during a period that such Participant is not subject to a blackout period imposed by the Corporation applicable to a Participant, during which specified individuals, including "insiders" of the Corporation, may not trade in the securities of the Corporation (including, for greater certainty, any period during which specified individuals are restricted from trading because they possess material non-public information).

**ARTICLE 5
GRANTS OF DEFERRED SHARE UNITS**

- (a) The Committee will periodically, in its sole discretion, make determinations on DSU Grants in connection with security-based compensation arrangements of the Corporation, including the number of DSUs to be granted to a Participant.
- (b) Subject to the discretion of the Committee, the DSUs granted under Section Article 5(a) shall immediately vest in their entirety on the Grant Date, but shall not be payable to the Participant until such Participant's Termination Date and following the delivery of a "Redemption Notice" to the Corporation, in accordance with the terms of this DSU Plan.
- (c) The Corporation shall, within a reasonable period of time, notify each Participant in writing by way of a "DSU Award Agreement" of the number of DSUs granted to him/her under Article 5(a).

**ARTICLE 6
DEFERRED SHARE UNITS *IN LIEU OF CASH REMUNERATION***

- (a) An Eligible Director can elect, from time to time but never during a Blackout Period, to receive an award of DSUs *in lieu* of cash remuneration in respect of his/her annual board retainer, committee retainer and/or meeting fees (or any portion thereof) by delivering an "Allocation Notice" to the Corporation, in accordance with the terms of this DSU Plan. An "Allocation Notice" delivered to the Corporation will become effective at the beginning of the next quarterly period, and will only become applicable to the category of remuneration that would otherwise have been payable to such Eligible Director in cash on or after the beginning of such quarterly period. An Eligible Director can elect, from time to time but never during a Blackout Period, to modify an "Allocation Notice" previously delivered to the Corporation, for an ensuing quarterly period, by delivering an updated "Allocation Notice" to the Corporation, which shall be deemed to supersede any prior "Allocation Notice" delivered to the Corporation in respect of such Eligible Director. For greater certainty, if an Eligible Director wishes to modify an "Allocation Notice" for an ensuing quarterly period to cease to receive DSUs *in lieu* of cash remuneration, then such Eligible Director shall deliver an updated "Allocation Notice" to the Corporation indicating "0%" under the heading "Percent Remuneration in DSUs".
- (b) The number of DSUs to be credited to the Participant's "*DSU Account*" in lieu of such cash remuneration shall be determined on a quarterly basis, as of the final day of any quarterly period, calculated as the quotient obtained when (i) the aggregate value of the cash remuneration that would have been paid to such Eligible Director during such quarterly period if the Eligible Director had not delivered an "Allocation Notice" to the Corporation, is divided by (ii) the Market Value of the Common Shares as of the last day of such quarterly period.
- (c) Subject to the discretion of the Committee, the DSUs granted under Article 6(b) shall immediately vest in their entirety on the Grant Date, but shall not be payable to the Participant until such Participant's Termination Date and following the delivery of a "Redemption Notice" to the Corporation, in accordance with the terms of this DSU Plan.
- (d) The Corporation shall, within a reasonable period of time, notify each Participant in writing by way of a "DSU Award Agreement" of the number of DSUs granted to him/her under Article 6(b).

ARTICLE 7 CREDITS FOR DIVIDENDS

Whenever cash or other dividends are paid on Common Shares, additional DSUs will be automatically granted to each Participant who holds DSUs on the record date for such dividends. The number of such DSUs (rounded to the nearest whole DSU) to be credited to such Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such Participant if the Participant's DSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value of the Common Shares as of the date on which the dividend is paid on the Common Shares.

ARTICLE 8 SETTLEMENT OF DEFERRED SHARE UNITS

A Participant shall be entitled to select a date to receive settlement for his or her DSUs on any date following the Termination Date (the "**Settlement Date**"), but no later than December 15 of the calendar year following such Termination (the "**Outside Settlement Date**"). Such settlement election must be made by completing a "Redemption Notice" and delivering it to the Corporation upon a minimum notice of five (5) business days from the proposed Settlement Date. On the Settlement Date, the Corporation shall either:

- (a) deliver to the Participant, or his legal representative, Common Shares issued from treasury equal in number to one (1) Common Share for each DSU credited to the Participant's "*DSU Account*" on the Settlement Date;
- (b) pay to the Participant, or his legal representative, a lump sum cash payment equal to the Market Value of one (1) Common Share for each DSU credited to the Participant's "*DSU Account*" on the Settlement Date; or
- (c) any combination of the foregoing.

Notwithstanding the foregoing, if the Settlement Date in respect of any DSUs occurs during a Blackout Period, or within ten (10) business days after the expiry of a Blackout Period, then the Settlement Date shall be the date that is the tenth (10th) business day after the expiry of the Blackout Period, provided that such Settlement Date may not be later than the Outside Settlement Date. If the revised Settlement Date is not a date that is prior to the Outside Settlement Date, then the Settlement Date in respect of such DSUs shall, notwithstanding any other provision of this DSU Plan, be the Outside Settlement Date.

Notwithstanding the election of the Participant (or his or her succession) in Article 8(a)-(c), the Committee, in its sole discretion, shall be entitled to settle the Participant's "*DSU Account*" in any alternative form provided for in Article 8(a)-(c).

The "Redemption Notice" shall apply to all the DSUs outstanding in a Participant's account. No partial settlement of DSUs will be permitted. The Market Value of the Common Shares is not guaranteed. Shares issued by the Corporation under this DSU Plan shall be considered fully paid in consideration of past services that is no less in value than the fair equivalent of the money the Corporation would have received if the Common Shares had been issued for money.

A Participant's failure to deliver a "Redemption Notice" to the Corporation will result in the Settlement Date being December 15 of the calendar year following the date of Termination.

ARTICLE 9 CEASE TRADE

9.1 Cease Trade

In the event that the Participant's Settlement Date is after the date on which the Common Shares ceased to be traded on the TSXV, provided such cessation in trading is not reasonably expected to be temporary (the "**Cease Trade Date**"), the value of the DSUs redeemed by or in respect of the Director pursuant to Article 8 shall be determined in accordance with the following:

- (a) where the Participant's Termination Date is before or not more than 365 days after the last Trading Day of the Common Shares before the Cease Trade Date, the value of each DSU credited to the Director's DSU Account at his or her Settlement Date shall be equal to the Market Value on the last Trading Day before the Cease Trade Date; and
- (b) where the Participant's Termination Date is after the date that is 365 days after the last Trading Day before the Cease Trade Date, the value of each DSU credited to the Director's DSU Account at his or her Settlement Date shall be based on the fair market value of a Common Share of the Corporation or of a corporation related thereto at his or her Settlement Date as is determined on a reasonable and equitable basis by the Board after receiving the advice of one or more independent firms of investment bankers of national repute.

The value of a Director's DSUs determined in accordance with Paragraph (a) or (b) of this Section 9.1, as applicable, shall be paid to the Director (or, if the Director has died, to his or her estate) in the form of newly issued Common Shares by the Corporation, net of any applicable withholdings as soon as practicable after the Participant's Settlement Date, provided that in any event such payment date shall be no later than December 31 of the first calendar year commencing after the Participant's Termination Date.

ARTICLE 10 ADJUSTMENTS TO THE NUMBER OF DEFERRED SHARE UNITS

In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, recapitalization, amalgamation, plan of arrangement, reorganization, spin-off or other distribution (other than normal cash dividends) of the Corporation's assets to shareholders or any other change affecting the Common Shares, such adjustments as are required to reflect such change shall be made with respect to the number of DSUs in the accounts maintained for each Participant, provided that no fractional DSUs shall be issued to Participants and the number of DSUs to be issued in such event shall be rounded down to the next whole number of DSUs.

ARTICLE 11 PARTICIPANT ACCOUNTS

A "*DSU Account*" shall be maintained by the Corporation for each Participant participating in this DSU Plan. The Corporation shall record in the "*DSU Account*" of each Participant, at all times, the number of DSUs notionally credited to such Participant. Upon payment in satisfaction of DSUs pursuant to Article 8 hereof, such DSUs shall be cancelled. A written notification of the balance in the account maintained for each Participant shall be mailed by the Corporation or by an administrator on behalf of the Corporation to each Participant at least annually. A Participant shall not be entitled to any certificate or other document evidencing the amount of DSUs in his or her account.

ARTICLE 12 WITHHOLDING TAXES

The Corporation will deduct or withhold from any payment or settlement in Common Shares, for the benefit of a Participant, any amount required in order to comply with the applicable provisions of any federal or provincial law relating to the withholding of tax or the making of any other source deductions, including on the amount, if any, included in income of a Participant and may adopt and apply such rules and regulations that, in its opinion, will enable the Corporation to so comply. The obligation of the Corporation to deliver payment or Common Shares in settlement of DSUs, for the benefit of a Participant, is conditional upon the Participant paying such amount as may be requested for the purpose of satisfying any liability in respect of such withholding.

Unless the Corporation decides otherwise, the Corporation may allow any Participant to deliver to the Corporation, or to a third party appointed or designated by the Corporation for that purpose under the Plan, an amount, in immediately available funds, that is equal to the required withholding. Such funds must be received in advance of any settlement of DSUs, or any other event in respect of which a withholding must be made. If such withholding is not fully satisfied by delivery of funds as aforesaid, the Corporation shall have the irrevocable right to, and each Participant consents to, the Corporation:

- (a) setting off any amount required to be withheld against amounts otherwise owing by the Corporation to the Participant (whether arising pursuant to the Participant's relationship as director of the Corporation or as a result of the Participant providing services on an ongoing basis to the Corporation or otherwise and whether or not such amount is then eligible); or
- (b) satisfying the withholding requirement by selling, on behalf of the Participant, such number of Common Shares as it determines are required to be sold, as trustee, through a trustee or broker or otherwise;

or any combination thereof, in each case in whole or in part, in its sole discretion. In respect of any sale of Common Shares effected pursuant to Article 12(b) above, each Participant hereby acknowledges and agrees (i) that selling costs (including any brokerage commission) shall be paid by the Participant, (ii) to consent to such sale and to grant to the Corporation an irrevocable power of attorney to effect such sale, (iii) that the Corporation does not accept nor assume any responsibility for the price obtained on any such sale, and (iv) that any such sale by the Corporation is subject to securities legislation and other restrictions and may be delayed, during which delay the price of Common Shares may fluctuate and the price obtained by the Corporation may be lower than the price at which DSUs are settled.

ARTICLE 13 GENERAL

13.1 Change of Control

Upon a Change of Control, all outstanding DSUs will remain outstanding, unless the Participant's Board mandate is terminated as a result of the Change of Control. In such case, the outstanding DSUs will be settled in accordance with Article 8. The Committee may also convert outstanding DSUs as of the Change of Control by equivalent value DSUs in the new entity, subject to applicable laws, and provided that such conversion does not give rise to any immediate income tax consequence to the Participant.

13.2 Non-Assignable

Except as otherwise may be expressly provided for under this DSU Plan or pursuant to a will or by the laws of descent and distribution, no right or interest of a Participant under this DSU Plan is assignable or transferable.

13.3 No Contract of Employment

Neither participation in this DSU Plan nor any action taken under this DSU Plan shall give or be deemed to give any Participant a right to continued employment with the Corporation and shall not interfere with any right of the Corporation to dismiss any Participant. The payment of any sum of money in cash in lieu of notice of the termination of employment shall not be considered as extending the period of employment for the purposes of this DSU Plan.

13.4 Clawback

All DSUs granted under this DSU Plan shall be and remain subject to any incentive compensation clawback or recoupment policy currently in effect or as may be adopted by the Board (or a committee of the Board) and, in each case, as may be amended from time to time.

13.5 No Shareholder Rights

No Participant shall have any claim or right to any Common Shares pursuant to this DSU Plan. Under no circumstances shall DSUs be considered Common Shares nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership or control of Common Shares, nor shall any Participant be considered the owner of any Common Shares pursuant to this DSU Plan.

13.6 Reorganization of the Corporation

The existence of any DSUs shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

In the case of an adjustment to the Common Shares following a dividend of shares, an amalgamation, a combination, merger or consolidation, a share-for-share exchange or any other similar change in the capital structure of the Corporation, an adjustment shall be made by the Corporation to the number of DSUs or to the kind of shares that are subject to the issued DSUs, as the case may be. The Committee shall make such adjustment, which shall be final and binding for purposes of this DSU Plan.

13.7 Suspension, Termination or Amendments of this DSU Plan

The Committee may from time to time amend, suspend or terminate (and re-instate) this DSU Plan in whole or in part or amend the terms of DSUs credited in accordance with this DSU Plan, without approval of the Shareholders, but subject to the receipt of all required regulatory approvals including, without limitation, the approval of the TSXV. Notwithstanding the foregoing, this DSU Plan shall not be amended to (i) remove or exceed the insider participation limit prescribed by the policies of the TSXV, (ii) increase the maximum number of Common Shares made available for issuance from treasury under this DSU Plan, (iii) modify the definition of "Eligible Director", or (iv) modify this amendment provision, without the approval of the shareholders of the Corporation.

If any such amendment, suspension or termination will materially or adversely affect the rights of a Participant with respect to DSUs credited to such Participant, then the written consent of such Participant to such amendment, suspension or termination shall be obtained. Notwithstanding the foregoing, the obtaining of the written consent of any Participant to an amendment, suspension or termination which materially or adversely affects the rights of such Participant with respect to any credited DSUs shall not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Corporation are listed.

If the Committee terminates this DSU Plan, then DSUs previously credited to Participants shall remain outstanding and in effect and be settled in due course in accordance with the terms of this DSU Plan (which shall continue to have effect, but only for such purposes) on the Settlement Date.

13.8 Representation or Warranty

The Corporation makes no representation or warranty as to the future market value of any Common Shares issued in accordance with the provisions of this DSU Plan

13.9 Governing Law

This DSU Plan and the DSUs granted under this DSU Plan shall be governed by, and interpreted in accordance with, the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

Adopted by the Board of Directors of Candente Gold Corp. on October 24, 2018.

ARTICLE 18 GRANT OF RESTRICTED SHARE UNITS

Whenever cash or other dividends are paid on Common Shares, additional RSUs will be automatically granted to each Participant who holds RSUs on the record date for such dividends. The number of such RSUs (rounded to the nearest whole RSU) to be credited to such Participant as of the date on which the dividend is paid on the Common Shares shall be an amount equal to the quotient obtained when (i) the aggregate value of the cash or other dividends that would have been paid to such Participant if the Participant's RSUs as of the record date for the dividend had been Common Shares, is divided by (ii) the Market Value of the Common Shares as of the date on which the dividend is paid on the Common Shares. RSUs granted to a Participant under this Article 19 shall be subject to the same vesting conditions (time and performance (as applicable)) as the RSUs to which they relate.

Unless otherwise determined by the Board, the following provisions shall apply in the event that a Participant ceases to be employed by the Corporation or a Subsidiary:

- (b) **Death, Termination not for Cause, Retirement or Long-Term Disability.** If a Participant ceases to be an employee of the Corporation or a Subsidiary as a result of death, termination not for cause, Retirement or Long-Term Disability, then the vesting of RSUs shall be subject to the following:
 - (i) For Each Outstanding RSUs Granted – Time Vesting Component:
 - 1. in the event the Participant is not entitled to a Benefits Extension Period, then the time vesting component of each RSU grant will be pro-rated based on the number of days actually worked from the Grant Date of such RSUs until the date of death, termination not for cause, Retirement or Long-Term Disability, over the number of days in the original vesting schedule in relation to such RSU grant; or
 - 2. in the event the Participant is entitled to a Benefits Extension Period, then the time vesting component of each RSU grant will be pro-rated based on the sum of (I) the number of days actually worked from the Grant Date up until the date of death, termination not for cause, Retirement or Long-Term Disability, and (II) the number of days included in the Benefits Extension Period, over the number of days in the original vesting schedule in relation to such grant; and

 - (ii) For Each Outstanding RSUs Granted – Performance Vesting Component:
 - 1. in the event the Participant is not entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the number of days actually worked from the Grant Date of such RSUs until the date of death, termination not for cause, Retirement or Long-Term Disability, over the number of days in the original vesting schedule in relation to such grant; the number of vested RSUs resulting from such pro-rated calculation will be multiplied by the performance percentage determined by the Committee.
 - 2. in the event the Participant is entitled to a Benefits Extension Period, then the performance vesting component of each RSU grant will be pro-rated based on the sum of (I) the number of days actually worked from the Grant Date up until the date of death, termination not for cause, Retirement or Long-Term Disability, and (II) the number of days included in the Benefits Extension Period, over the number of days of the original vesting schedule set forth in relation to such grant; and

For greater certainty, a voluntary resignation will be considered as Retirement if the Participant has reached 65 years of age, or as otherwise stipulated from time to time in the Corporation's retirement

policy (as such policy may be established or revised from time to time at the discretion of Corporation and subject to applicable laws), or as otherwise determined by the Committee.

ARTICLE 21

The RSUs that are subject to the performance vesting condition(s) (as applicable) shall also vest on the date specified in the "RSU Award Agreement", provided that such number of vested RSUs shall be multiplied by the performance percentage determined by the Committee, all in accordance with the "RSU Award Agreement".

- (f) Notwithstanding the election of the Participant (or his or her succession) in Section 21(e), the Committee, in its sole discretion, shall be entitled to settle the Participant's "RSU Account" in any alternative form provided for in Section 21(e)(i)-(iii).

Notwithstanding the foregoing, the obtaining of the written consent of any Participant to an amendment, suspension or termination which materially or adversely affects the rights of such Participant with respect to any credited RSUs shall not be required if such amendment, suspension or termination is required in order to comply with applicable laws, regulations, rules, orders of government or regulatory authorities or the requirements of any stock exchange on which shares of the Corporation are listed.

If the Committee terminates this RSU Plan, RSUs previously credited to Participants shall remain outstanding and in effect and be settled in due course in accordance with the terms of this RSU Plan (which shall continue to have effect, but only for such purposes) on the Settlement Date.
