MANAGEMENT PROXY AND INFORMATION CIRCULAR

For the Annual Meeting of Shareholders to be held June 21, 2018

Dated May 4, 2018

Solicitation of Proxies

This Management Proxy and Information Circular (the “**Circular**”) is furnished in connection with the solicitation by the management of Condor Petroleum Inc. (“**Condor**”, the “**Corporation**” or the “**Company**”) of proxies to be used at the annual meeting (the “**Meeting**”) of holders of common shares of the Corporation (the “**Common Shares**”) to be held at 10:00 a.m. (Calgary time) on June 21, 2018 in the Roxy Room at the Sun Life Plaza Conference Centre, 140 – 4th Ave SW (+15 level), Calgary, Alberta, as set forth in the enclosed notice of Meeting (the “**Notice of Meeting**”).

The cost of solicitation by management respecting the Meeting will be borne directly by Condor. The information contained herein, unless otherwise indicated, is given as at May 4, 2018. All dollar amounts in this Circular, unless otherwise indicated, are stated in Canadian currency.

Non-Registered Holders

Only registered holders of Common Shares of the Corporation (the “**Shareholders**”) as at May 4, 2018 (the “**Record Date**”), or holders who have acquired, by way of transfer from a registered holder, Common Shares after the Record Date and who have established ownership of such Common Shares and who have demanded, not later than ten (10) days before the Meeting, that such Shareholder’s name be included in the list of Shareholders eligible to vote at the Meeting, or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in some cases, Common Shares beneficially owned by a person (a “**Non-Registered Holder**”) are registered either: (i) in the name of a nominee such as an intermediary (an “**Intermediary**”) with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should contact the Intermediary that the Non-Registered Holder deals with in respect of the Common Shares to obtain an instrument of proxy. **NON-REGISTERED HOLDERS SHOULD CAREFULLY FOLLOW THE INSTRUCTIONS OF THEIR INTERMEDIARIES AND THE INSTRUMENT OF PROXY.**

Appointment and Revocation of Proxies

The instrument appointing a proxy must be in writing and must be executed by the Shareholder or the Shareholder’s attorney authorized in writing or, if the Shareholder is a corporation, under the Shareholder’s corporate seal or by a duly authorized officer or attorney of the corporation. **THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY ARE DIRECTORS AND/OR OFFICERS OF CONDOR. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT THE SHAREHOLDER AT THE MEETING MAY DO SO BY INSERTING THE NAME OF THE DESIRED REPRESENTATIVE IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND BY STRIKING OUT THE OTHER NAMES OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.**

TO BE EFFECTIVE, PROXIES MUST BE DEPOSITED WITH THE CORPORATION'S REGISTRAR AND TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, BY MAIL OR HAND DELIVERY TO 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ONTARIO, CANADA, M5J 2Y1. ALTERNATIVELY, SHAREHOLDERS MAY VOTE USING THE INTERNET AT WWW.INVESTORVOTE.COM OR BY TELEPHONE BY FOLLOWING THE INSTRUCTIONS SET OUT IN THE VOTING INSTRUCTION FORM.

IN ORDER TO BE VALID AND ACTED UPON AT THE MEETING, PROXIES AS WELL AS VOTES BY INTERNET MUST BE RECEIVED IN EACH CASE NOT LESS THAN 48 HOURS (EXCLUDING WEEKENDS AND HOLIDAYS) BEFORE THE TIME SET FOR THE MEETING, OR ANY ADJOURNMENT THEREOF. SHAREHOLDERS ARE CAUTIONED THAT TRANSMITTING PROXIES BY MAIL IS AT EACH SHAREHOLDER'S RISK.

A Shareholder who has given a proxy has the power to revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by such proxy and may do so either:

1. by delivering another properly executed form of proxy bearing a later date and depositing it as described above;
2. by depositing an instrument in writing revoking the proxy executed by such Shareholder or by the Shareholder's attorney authorized in writing:
 - (a) at the registered office of Condor at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or
 - (b) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
3. in any other manner permitted by law.

Only a registered Shareholder has the right to revoke a proxy. A Non-Registered Holder who wishes to change his, her or its vote must arrange for the Intermediary to revoke the proxy on his, her or its behalf in accordance with the revocation procedures set forth above.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Exercise of Discretion by Proxies

The Common Shares represented by proxies in favour of management's nominees will be voted or withheld from voting or voted for or against in accordance with the instructions of the Shareholder on any ballot that may be called for and, if a Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by the proxy shall be voted accordingly. **WHERE NO CHOICE IS SPECIFIED, THE PROXY WILL CONFER DISCRETIONARY AUTHORITY AND WILL BE VOTED FOR EACH MATTER OF BUSINESS TO BE TRANSACTED AT THE MEETING. THE ENCLOSED FORM OF PROXY ALSO CONFERS DISCRETIONARY AUTHORITY UPON THE PERSONS NAMED THEREIN TO VOTE WITH RESPECT TO ANY AMENDMENTS OR VARIATIONS TO THE MATTERS IDENTIFIED IN THE NOTICE OF MEETING AND WITH RESPECT TO OTHER MATTERS WHICH MAY PROPERLY COME BEFORE THE MEETING IN SUCH MANNER AS SUCH NOMINEE IN HIS OR HER JUDGMENT MAY DETERMINE.** As at the date of this Circular the management of Condor knows of no such amendments, variations or other matters to come before the Meeting.

Voting Securities and Principal Holders Thereof

The authorized capital of Condor consists of an unlimited number of Common Shares, an unlimited number of First Preferred Shares, issuable in series, and an unlimited number of Second Preferred Shares, issuable in series. As at the date of this Circular, Condor has 43,265,100 Common Shares issued and outstanding and no First Preferred Shares and no Second Preferred Shares outstanding.

Condor's bylaws ("**Bylaws**") provide that a quorum for the transaction of business at any meeting of Shareholders shall be at least two Shareholders entitled to vote at such meeting present in person or by proxy.

Condor has made a list of all Shareholders as at the Record Date and the number of Common Shares registered in the name of each such person on that date. Each Shareholder is entitled to one vote for each Common Share registered in his, her or its name as it appears on the list except to the extent that such Shareholder has transferred any of his, her or its Common Shares after the Record Date and the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes that he, she or it owns the Common Shares and demands, not later than ten (10) days before the day of the Meeting, that his, her or its name be included in the list. In such case the transferee is entitled to vote his, her or its Common Shares at the Meeting.

To the knowledge of the directors and executive officers of Condor, as of the date hereof, no person or company beneficially owns, controls or directs, directly or indirectly, voting securities carrying 10% or more of the voting rights attached to the Common Shares entitled to be voted at the Meeting other than EurAsia Resource Value SE who directly owns 9,299,316 shares or 21.5% and Mr. Robert Disbrow who directly or indirectly owns 5,548,083 shares or 12.8%.

Notice and Access

The Canadian Securities Administrators have adopted amendments to NI 54-101, which allow for the use of the "notice and access" regime for the delivery of meeting materials.

Under the notice and access regime, reporting issuers are permitted to deliver the meeting materials by posting them on SEDAR as well as a website other than SEDAR and sending a notice package to each shareholder receiving the meeting materials under this regime. The notice package must include: (i) the relevant form of proxy or voting instruction form; (ii) basic information about the meeting and the matters to be voted on; (iii) instructions on how to obtain a paper copy of the meeting materials; and (iv) a plain language explanation of how the notice and access system operates and how the meeting materials can be accessed online. Where prior consent has been obtained, a reporting issuer can send this notice package to shareholders electronically. This notice package must be mailed to shareholders from whom consent to electronic delivery has not been received.

Condor has elected to send its meeting materials to registered shareholders using the notice and access regime. Accordingly, Condor will send the above mentioned notice package to shareholders entitled to receive said materials which includes instructions on how to access Condor's meeting materials online and how to request a paper copy of these materials. Distribution of the Condor's meeting materials pursuant to the notice and access regime has the potential to substantially reduce printing and mailing costs.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

Annual Business of Condor

Financial Statements

The audited consolidated financial statements of Condor for the fiscal year ended December 31, 2017 and the auditor's report thereon (the "**2017 Financial Statements**") will be placed before the Shareholders at the Meeting. Receipt of the 2017 Financial Statements at the Meeting will not constitute approval or disapproval of any matters referred to therein.

Election of Directors

Condor's articles provide that the Condor board of directors (the "**Condor Board**") shall consist of a minimum of three (3) and a maximum of nine (9) directors. There are currently seven (7) directors and the Condor Board has fixed the number of directors to be elected at the Meeting at seven (7). Each elected director will hold office until the next annual meeting of Shareholders or until his or her successor is duly elected unless his or her office is earlier vacated in accordance with Condor's Bylaws. There are no directors of Condor presently in office whose term of office will continue after the date on which the Meeting is held.

Holders of Common Shares are entitled to vote for each nominee on an individual basis. Condor will disclose detailed voting results following the Meeting. The following table provides the names of the nominees (the "**Condor Nominees**"), the province and country of residence, all positions and offices in Condor held by each of them, the principal occupation of each of the Condor Nominees during the past five years, the year in which each Condor Nominee was first elected a director of Condor and the approximate number of Common Shares that each Condor Nominee has advised are beneficially owned or subject to his control or direction, whether directly or indirectly. Management does not contemplate that any of the Condor Nominees will be unable to serve as a director of Condor.

- (2) Member of the Compensation Committee, of which Mr. Roosen is the Chair.
- (3) Member of the Reserves, Health, Safety and Environment Committee, of which Dr. Bogle is the Chair.
- (4) Member of the Nominating and Corporate Governance Committee, of which Mr. Roosen is the Chair.

Majority Voting Policy

The Condor Board has adopted a “majority voting” policy which stipulates that if a director nominee receives more “withhold” votes than “for” votes at an uncontested Shareholders’ meeting where director nominees have been nominated only by the Corporation, then such nominee will tender his or her resignation for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider the director nominee’s offer to resign and will make a recommendation to the Condor Board to accept the resignation unless exceptional circumstances exist that would warrant the applicable director continuing to serve on the Condor Board. Within 90 days of the date of the relevant shareholders’ meeting, upon considering the Nominating and Corporate Governance Committee’s recommendation, the Condor Board will accept the director’s offer to resign unless exceptional circumstances exist that warrant the director remaining on the Condor Board. No director that is required to tender his or her resignation pursuant to the “majority voting” policy shall participate in the deliberations or recommendations of the Nominating and Corporate Governance Committee or the Condor Board with respect to the director’s offer to resign. The Condor Board may fill any vacancy resulting from a resignation pursuant to the “majority voting” policy in accordance with the Corporation’s By-laws and articles and applicable corporate laws.

Board Tenure

The Company does not currently have a policy regarding director term limits. Board composition is assessed by the Nominating and Corporate Governance Committee to ensure the right mix of skills and experience for providing strong leadership and stewardship. Condor believes it is important to have directors who understand the oil and gas industry, the Company and its areas of operations. Long-term directors accumulate extensive Company and country knowledge and experience and can make growing contributions to the Condor Board over time. New directors can bring new experiences and perspectives to the Board. One of the Condor Board nominees has been a member since the Company's formation in 2006 and six nominees have been members since 2011. In the Nominating and Corporate Governance Committee's current view, term limits for directors will not necessarily increase the level of skill and experience at the Condor Board level.

Board Diversity

While the Company recognizes the benefits of diversity and inclusion at all levels within its organization, the Company does not currently have any formal policies or targets that specifically require the identification, consideration, nomination or appointment of female board nominees or candidates for executive positions. Board nominations and appointments are assessed solely based upon the merits of the individual candidates related to the skills, experience and independence required in order to be effective. When searching for candidates for senior management positions, the Company focuses on attracting and retaining experienced and highly skilled individuals, regardless of gender, that can add value to the business. Currently, Condor has no female Board members (zero percent) and no female executives (zero percent).

Cease Trade Orders

Except as disclosed below, to the knowledge of the Company, no director or executive officer of the Company (nor any personal holding company of any of such persons) is, as of the date of this Circular, or was within ten (10) years before the date of the Circular, a director, chief executive officer or chief financial officer of any company (including the Company), that: (a) was subject to a cease trade order (including a management cease trade order), an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, in each case that was in effect for a period of more than 30 consecutive days (collectively, an "**Order**"), that was issued while the director or executive officer was acting in the capacity as director, chief executive officer or chief financial officer; or (b) was subject to an Order that was issued after the director or executive officer ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Walter Dawson became a director of Action Energy Inc. (formerly High Plains Energy Inc.) ("**Action**") through a reverse take-over by High Plains Energy Inc. in November 2006. On May 2, 2007, Action's request for a management cease trade order was granted by the Alberta Securities Commission (the "**ASC**") in connection with a failure to file Action's annual financial statements within the time period prescribed by applicable securities laws. Finalization of the audit of the disclosure documents was delayed as a result of increased audit procedures required by the completion of Action's business combination with High Plains Energy Inc.. On May 15, 2007, Action filed its annual audited financial statements. The management cease trade order expired June 4, 2007. Mr. Dawson resigned as a director of Action on October 28, 2009.

Corporate Bankruptcies

Except as disclosed below, to the knowledge of the Company, no director or executive officer of the Company (nor any personal holding company of any of such persons), or shareholder holding a sufficient number of securities, of the Company to affect materially the control of the Company: (a) is, as of the date of this Circular, or has been within the ten (10) years before the date of this Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or (b) has, within the ten years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director, executive officer or shareholder.

Walter Dawson became a director of Action in November 2006. On October 28, 2009, Action's senior lender, National Bank of Canada, obtained an order from the Court of Queen's Bench of Alberta appointing Ernst & Young Inc. as receiver and manager over all of the undertakings, property and assets of Action. Mr. Dawson resigned as a director of Action on October 28, 2009.

Dr. Bogle was formerly a director of Skope Energy Inc. (a public oil and gas company) which commenced proceedings in the Court of Queen's Bench of Alberta under the Companies' Creditors Arrangement Act ("**CCAA**") to implement a restructuring in November of 2012 which was completed on February 19, 2013.

Walter Dawson was the President, CEO, and a Director of Tuscany International Drilling ("**Tuscany**") from November 2008 to June 2014. On February 2, 2014, Tuscany announced that it and one of its subsidiaries, Tuscany International Holdings (U.S.A.) Ltd. ("**Tuscany USA**") commenced proceedings under Chapter 11 of the United States Bankruptcy Code ("**US Code**") in the United States Bankruptcy Court for the District of Delaware (the "**Chapter 11 Proceedings**") to implement a restructuring of Tuscany's debt obligations and capital structure through a plan of reorganization under the US Code (the "**Plan**"). Tuscany and Tuscany USA also commenced ancillary proceedings under the Court of Queen's Bench of Alberta under the CCAA to seek recognition of the Chapter 11 Proceedings and certain related relief (the "**CCAA Proceedings**"). The Chapter 11 Proceedings and the CCAA Proceedings provided for a stay of proceedings against Tuscany and Tuscany USA. Pursuant to the Plan, Mr. Dawson resigned from his positions at Tuscany on June 9, 2014. Tuscany's common stock was delisted from the facilities of the Toronto Stock Exchange and trading halted on the facilities of the Colombian Stock Exchange. Additionally, all of Tuscany's issued and outstanding common shares, other than those held by the receiver, have been redeemed for nominal consideration.

Mr. Balderston was a director of Spyglass Resources Corp. (a TSX listed company) and resigned on November 26, 2015. Spyglass Resources Corp. was placed into receivership by a syndicate of its lenders on November 26, 2015. Spyglass Resources Corp. was an intermediate oil and gas exploration and production company.

Personal Bankruptcies

No Condor Nominee as set forth in the above table (or any personal holding company of such proposed director), has, within the ten (10) years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such proposed director.

Penalties or Sanctions

Except as disclosed below, to the knowledge of Condor, no Condor Nominee, as set forth in the above table (or any personal holding company of such proposed director), has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

Walter Dawson was a director of High Plains Energy Inc. from March 2005 to November 2006. On February 2, 2009, Mr. Dawson entered into a settlement agreement and undertaking with the ASC in connection with inadequate rectification of incorrect oil and gas production disclosed to the public in press releases issued by High Plains Energy Inc. between July 2005 and January 2006. Mr. Dawson admitted to acting contrary to the public interest by failing to disclose in a proper and timely manner the actual production for the period July 2005 to January 2006 with a comparative to the incorrect production that was set out in the previous press releases for that period. The ASC noted that Mr. Dawson was provided with false information by management of High Plains Energy Inc. and had no knowledge of the untrue statements at the time of their release. The ASC also noted that upon being made aware of a potential problem with High Plains Energy Inc.'s reported production, Mr. Dawson made substantial efforts and committed significant amounts of time in a good faith effort to resolve the problem and determine High Plains Energy Inc.'s actual production. Pursuant to the terms of the settlement agreement, Mr. Dawson agreed to pay to the ASC \$20,000 in settlement and to pay to the ASC the amount of \$5,000 toward investigative costs.

As a result of the above settlement agreement, Mr. Dawson is required to obtain the written approval of the Toronto Stock Exchange (the "TSX") or the TSX Venture Exchange (the "TSXV"), as applicable, prior to becoming an officer or director of a listed issuer. Mr. Dawson received approval to be a director of Condor. In addition, the TSXV required Mr. Dawson to complete a course of study relating to timely disclosure requirements (which Mr. Dawson has completed), and it will require any TSXV-listed issuer on whose board Mr. Dawson sits to implement a written disclosure policy. Condor has adopted a written disclosure policy.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF THE ABOVE-NAMED CONDOR NOMINEES AS DIRECTORS OF CONDOR, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. MANAGEMENT HAS NO REASON TO BELIEVE THAT ANY OF THE CONDOR NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR BUT, IF A CONDOR NOMINEE IS FOR ANY REASON UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE REMAINING CONDOR NOMINEES AND MAY BE VOTED FOR A SUBSTITUTE CONDOR NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF DIRECTORS.

Appointment of Auditors

It is proposed that PricewaterhouseCoopers LLP, Chartered Professional Accountants, be appointed as auditors of Condor to hold office until the next annual meeting of Shareholders, at a remuneration to be fixed by the Condor Board. PricewaterhouseCoopers LLP, Chartered Professional Accountants, were first appointed as auditors of Condor on November 27, 2007.

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting. The Board recommends that Shareholders vote FOR the resolution.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP, CHARTERED PROFESSIONAL ACCOUNTANTS, AS AUDITORS OF CONDOR TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS, AT A REMUNERATION TO BE FIXED BY THE CONDOR BOARD, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

INFORMATION CONCERNING CONDOR

Interest of Certain Persons or Companies in Matters to be Acted Upon

Neither Condor nor the Condor Board currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of executive officer compensation. See "Compensation – Compensation Committee".

Compensation Program - Principles and Objectives

The primary goal of Condor's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to Condor's executive officers is determined with regard to Condor's business strategy and objectives and financial resources, and with the view of aligning the financial interests of Condor's executive officers with the financial interests of the Shareholders.

Compensation Program - Design and Analysis of Compensation Decisions

Standard compensation arrangements for Condor's executive officers are comprised of the following elements, each of which is linked to Condor's compensation and corporate objectives:

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and Cash Bonuses	Attract and retain	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Stock Options	Motivate and reward, align interests with Shareholders	Long-term incentives motivate and reward executive officers to increase Shareholder value by the achievement of long-term corporate strategies and objectives.

Performance and Compensation

To date, the use of traditional performance standards including the achievement of Condor's business objectives, have been considered by the Condor Board to be appropriate in the evaluation of NEO performance. The compensation of executive officers has also been based, in part, on trends in the oil and gas industry, and upon successful execution of the Company's strategic plan and exploration and development activities. The Condor Board can exercise discretion in awarding compensation absent attainment of performance goals. The Condor Board considers the compensation provided to NEO's of companies that are publically traded, engaged in the international oil and gas exploration and production industry, with similar business activities, scope and size of operations, and operating in similar geographic regions. The Condor Board currently has no formal industry benchmarking process or procedures to determine compensation.

Base Salaries

Condor provided executive officers with base salaries which represented their minimum compensation for services rendered during the 2017 Financial Year. NEO base compensation has traditionally been determined based on experience, responsibilities, leadership skills, performance, length of service, general industry trends and practices, competitiveness, and Condor's existing financial resources. Base salaries are reviewed annually.

The base compensation arrangements for the NEO's as at the date of this Circular are as follows: Mr. Streu \$375,000; Mr. Quilty \$325,000; and Mr. Hatcher US\$325,000.

Cash Bonuses

The Company pays discretionary cash bonuses to executive officers based on the executive officer's contribution to the Company's achievement of goals. There were no cash bonuses awarded related to 2015 and 2016. During 2017 Mr. Quilty and Mr. Hatcher each received a cash bonus of \$80,000.

Stock Options

The grant of Options pursuant to the Option Plan, dated August 16, 2010, is an integral component of the compensation arrangements of Condor's executive officers. The Condor Board believes that the grant of Options to executive officers and Common Share ownership by such officers serves to motivate such officers to strive towards achievement of Condor's long-term strategic objectives, which will benefit all Shareholders. The Compensation Committee has been delegated primary responsibility for determining and recommending Option grants to the Condor Board.

Decisions with respect to Option grants are based upon the individual's level of responsibility and their contribution towards Condor's goals and objectives, and may be awarded in recognition of the

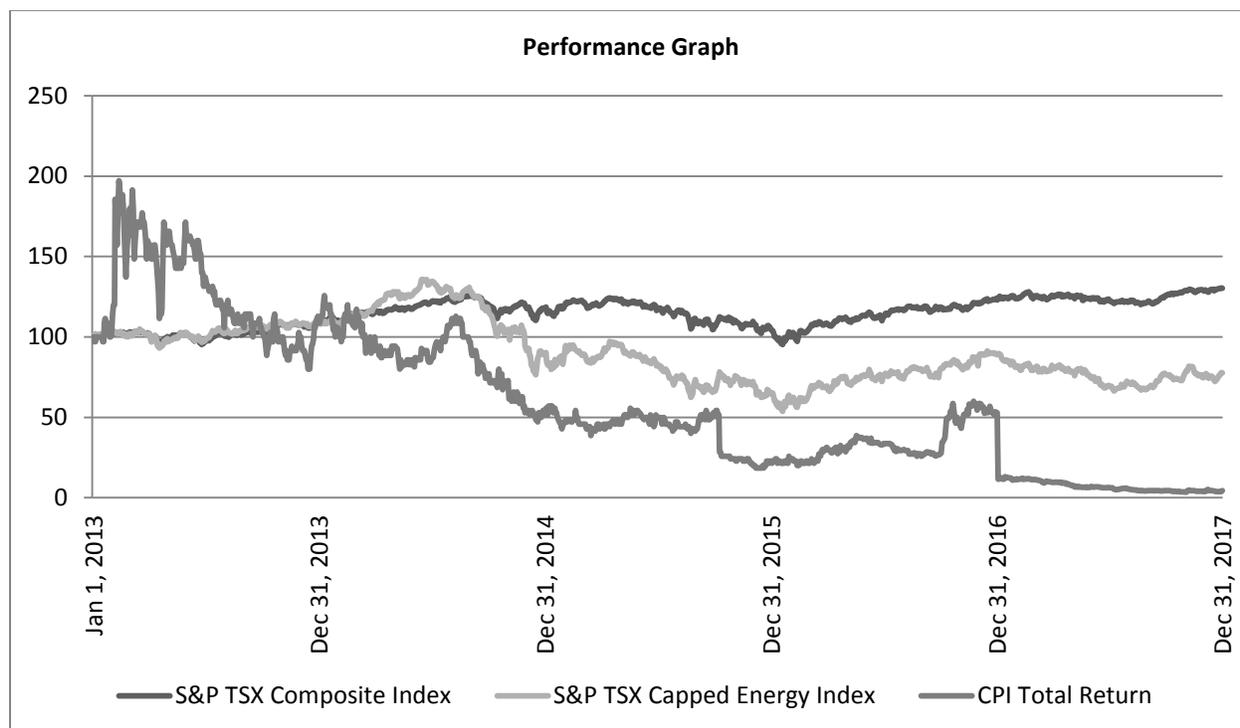

achievement of a particular goal or extraordinary service. To date, the Compensation Committee has considered the overall number of Options outstanding relative to the number of outstanding Common Shares and previous grants of Options in determining whether to make any new grants of Options and the size of such grants.

Risk

The Compensation Committee did not formally assess the implications of the risks associated with the Company's compensation policies and practices. However, the Corporation does not believe that its compensation programs encourage excessive or inappropriate risk taking as the Corporation's employees receive both fixed (salary) and variable compensation (bonus and Options) designed to balance the level of risk taking while focusing on generating long term value. The fixed portion provides a steady income regardless of the stock value which allows employees to focus on the Corporation's business and the employee Option Plan encourages a long-term perspective due to the vesting provisions of the Options. In addition, there are no compensation policies and practices that are structured significantly differently for any senior executives. Finally, in considering the performance of executives in determining variable compensation, long term corporate goals, risk management and regulatory compliance are factors that are considered by the Compensation Committee.

Performance Graph

The following graph illustrates the Company's cumulative shareholder return over the five year period from December 31, 2012 to December 31, 2017 as measured by the daily closing price of the Common Shares, assuming an initial investment of \$100, compared to the S&P/TSX Composite Index and the S&P/TSX Capped Energy Index, and assuming the reinvestment of dividends where applicable.

The compensation paid by the Company to its NEO's in 2017 was not based in whole or in part on the trading price of the Common Shares in 2017 and does not compare to the trends in such trading price or the above market indices.

Hedging

Although the Corporation does not have a policy which prohibits any NEO or director from purchasing financial instruments designed to hedge or offset a decrease in market value of equity securities granted as compensation or held by the NEO or director, no NEO or director has entered into any such agreement.

The amounts represent the estimated fair value of stock option awards on the grant date using the Black-Scholes option pricing model, a commonly accepted practice for stock option valuation in the industry. The methodology used to calculate the fair value of stock option awards is the same as the value reported for accounting purposes. The grant date fair values were estimated using an expected volatility of 75% (2016 – 76%, 2015 – 74%), 3.5 year expected life (2016 – 3.5 years, 2015 – 3.5 years), and a 1.0% risk free interest rate (2016 – 1.0%, 2015 – 0.5%). The actual value of the stock options will be determined based on the market price of the Common Shares at the time of exercise of such stock options which may be greater or less than grant date fair value reflected in the table above.

Notwithstanding the foregoing, unless the Compensation Committee determines otherwise, and subject to the other provisions of the Option Plan, Options issued pursuant to the Option Plan are subject to a vesting schedule as follows: (i) one third upon the first anniversary of grant; (ii) one third upon the second anniversary of grant; and (iii) one third upon the third anniversary of grant. No fractional Common Shares may be issued and the Compensation Committee may determine the manner in which fractional Common Share values will be treated. A minimum of 100 Common Shares must be purchased by an Eligible Person upon exercise of Options at any one time, except where the remainder of Common Shares available for purchase pursuant to Options granted to such Eligible Person totals less than 100. The date on which an Option will be deemed to have been granted under the Option Plan will be the date on which the Compensation Committee authorizes the grant of such Option or such other future date as may be specified by the Compensation Committee at the time of such authorization.

Early Termination

In the event of the Termination (as defined below) with cause of an Eligible Person, each Option held by the Eligible Person, will cease to be exercisable on the earlier of the expiry of its term and the date of Termination, or such longer or shorter period as determined by the Compensation Committee. In the event of the Termination or retirement of an Eligible Person, each Option held by the Eligible Person will cease to be exercisable within a period of 90 days after the date of Termination or date of retirement, as the case may be, or such longer or shorter period as determined by the Compensation Committee. For greater certainty, such determination of a longer or shorter period may be made at any time subsequent to the date of grant of the Options, provided that no Option shall remain outstanding for any period which exceeds the earlier of: (i) the expiry date of such Option; and (ii) 36 months following the date of Termination or date of retirement, as the case may be, of the Eligible Persons. For the purposes of the Option Plan, “**Termination**” means (i) in the case of an employee, the termination of the employment of the employee with or without cause by Condor or an Affiliated Entity or cessation of employment of the employee with Condor or an Affiliated Entity as a result of resignation or otherwise other than the retirement of the employee; (ii) in the case of an officer or director, the removal of or failure to re-elect or re-appoint the individual as an officer or director of Condor or an Affiliated Entity (other than through the retirement of an officer); and (iii) in the case of a Consultant, the termination of the services of a Consultant by Condor or an Affiliated Entity.

If an Eligible Person dies, the legal representatives of the Eligible Person may exercise the Options held by the Eligible Person within a period after the date of the Eligible Person's death as determined by the Compensation Committee, and for greater certainty such determination may be made at any time subsequent to the date of grant of the Options, provided that no Option shall remain outstanding for any period which exceeds the earlier of: (i) the expiry date of such Option; and (ii) 12 months following the date of death of the Eligible Person, but only to the extent the Options were by their terms exercisable on the date of death.

Transfers

Options are personal to each Eligible Person. Options may be transferred by an Eligible Person to a Permitted Assign (as defined below) in accordance with section 2.27 of National Instrument 45-106 – Prospectus Exempting (“**NI 45-106**”). The Eligible Person shall inform Condor immediately upon such transfer. For the purposes of the Option Plan, “**Permitted Assign**” has the meaning ascribed thereto in NI 45-106.

Adjustment in Connection with an Alteration of the Common Shares

If there is any change in the outstanding Common Shares by reason of a stock dividend or split, recapitalization, consolidation, combination or exchange of Common Shares, or other fundamental or similar corporate change, the Compensation Committee will make, subject to any prior approval required of relevant stock exchanges or other applicable regulatory authorities, if any, an appropriate substitution or adjustment in (i) the exercise price of any unexercised Options under the Option Plan; (ii) the number or kind of Common Shares or other securities reserved for issuance pursuant to the Option Plan; and (iii) the number and kind of Common Shares subject to unexercised Options theretofore granted under the Option Plan; provided, however, that no substitution or adjustment will obligate Condor to issue or sell fractional Common Shares. In the event of the reorganization of Condor or the amalgamation or consolidation of Condor with another corporation, the Compensation Committee may make such provision for the protection of the rights of Eligible Persons, their registered retirement savings plans (“**RRSPs**”) and their Holding Companies (as defined below) as the Compensation Committee in its discretion deems appropriate. The determination of the Compensation Committee, as to any adjustment or as to there being no need for adjustment, will be final and binding on all parties. For the purposes of the Option Plan, “**Holding Company**” means a holding company wholly-owned and controlled by an Eligible Person.

Adjustment in Connection with Certain Corporate Events

In the event of a Merger and Acquisition Transaction (as defined below) or proposed Merger and Acquisition Transaction, (i) the Compensation Committee may, in a fair and equitable manner, determine the manner in which all unexercised Option rights granted under the Option Plan will be treated including, without limitation, requiring the acceleration of the time for the exercise of such rights by the Eligible Persons, the time for the fulfillment of any conditions or restrictions on such exercise, and the time for the expiry of such rights; (ii) the Compensation Committee or any company which is or would be the successor to Condor or which may issue securities in exchange for Common Shares upon the Merger and Acquisition Transaction becoming effective may offer any Eligible Person the opportunity to obtain a new or replacement Option over any securities into which the Common Shares are changed or are convertible or exchangeable, on a basis proportionate to the number of Common Shares under Option and the exercise price (and otherwise substantially upon the terms of the Option being replaced, or upon terms no less favourable to the Eligible Person) including, without limitation, the periods during which the Option may be exercised and expiry dates; and in such event, the Eligible Person shall, if he accepts such offer, be deemed to have released his Option over the Common Shares and such Option shall be deemed to have lapsed and be cancelled; or (iii) the Compensation Committee may exchange for or into any other security or any other property or cash, any Option that has not been exercised, upon giving to

the Eligible Person to whom such Option has been granted at least 30 days written notice of its intention to exchange such Option, and during such notice period, the Option, to the extent it has not been exercised, may be exercised by the Eligible Person without regard to any vesting conditions attached thereto, and on the expiry of such notice period, the unexercised portion of the Option shall lapse and be cancelled. All determinations by the Compensation Committee will be final, binding and conclusive for all purposes. For the purposes of the Option Plan, "**Merger and Acquisition Transaction**" means any merger, any acquisition, any amalgamation, any offer for Common Shares of Condor which if successful would entitle the offeror to acquire more than 50% of the voting securities of Condor, any arrangement or other scheme of reorganization, or any consolidation that results in a change of control.

Acceleration of Vesting on Change of Control

In the event of a change of control, all Options outstanding shall be immediately exercisable. Notwithstanding the vesting schedule for an Option that is specified in an agreement granting an Option or in the Option Plan, the Compensation Committee shall have the right with respect to any one or more Eligible Persons in the Option Plan to accelerate the time at which an Option may be exercised.

Grant of Options

Subject to the Option Plan, the Compensation Committee will have the authority to determine the limitations, restrictions and conditions, if any, in addition to those set out in the Option Plan, applicable to the exercise of an Option, including, without limitation, the nature and duration of the restrictions, if any, to be imposed upon the sale or other disposition of Common Shares acquired upon exercise of the Option, and the nature of the events, if any, and the duration of the period in which any Eligible Person's rights in respect of Common Shares acquired upon exercise of an Option may be forfeited. An Eligible Person, an Eligible Person's RRSP and an Eligible Person's Holding Company may receive Options on more than one occasion under the Option Plan and may receive separate Options on any one occasion.

Amendment or Discontinuance of the Option Plan

The Compensation Committee may amend the Option Plan at any time, provided, however, that no such amendment may materially and adversely affect any Option previously granted to an optionee without the consent of the optionee, except to the extent required by law. Any such amendment shall be subject to all necessary regulatory approvals. The Compensation Committee shall have the power and authority to approve amendments relating to the Option Plan or to Options, without further approval of the Shareholders, except to the extent that such amendments relate to: (i) increasing the Option Plan Maximum; (ii) extending the term of Options granted to Insiders; (iii) reducing the price of Options granted to Insiders; and (iv) amending the restrictions on grants to Insiders and their Permitted Assigns. Notwithstanding any other provision of the Option Plan, Condor will be required to obtain the approval of the Shareholders for an amendment related to: (i) a reduction in the exercise price of an Option held by an Insider; or (ii) an extension of the term of an Option held by an Insider. Notwithstanding any other provision of the Option Plan, the Compensation Committee may, at any time, terminate the Option Plan by resolution.

Management Contracts

Management functions of Condor and its subsidiaries are not performed by any person other than the directors or executive officers of Condor and its respective subsidiaries.

CORPORATE GOVERNANCE

Condor believes that good corporate governance is an essential element in a well-managed company. The following is a description of Condor's corporate governance practices.

Board of Directors

Mandate

The Board of Directors have overall responsibility for managing and supervising the management of the business and affairs of the Corporation. The Board of Directors have adopted a written mandate that summarizes, among other things, the Board of Directors' duties and responsibilities, a copy of which is attached as Appendix A to this Circular.

Membership and Independence

On June 22, 2017, at an annual meeting of Shareholders, Messrs. Roosen, Streu, Dawson, Zoellner, Balderston, Bogle, and Kaltenbach were elected or re-elected to the Condor Board, as the case may be.

To facilitate the Condor Board functioning independently of management, the following structures and processes are in place:

- (a) Mr. Streu is the only Condor director who is also a member of management;
- (b) when appropriate, members of management are not present for the discussion and determination of certain matters at meetings of the Condor Board; and
- (c) under the Bylaws, the Chairman, the President or any two directors may call a meeting of the Condor Board.

There were 4 meetings of Condor's Board of directors since January 1, 2017. All board members attended all meetings since January 1, 2017 except for Sean Roosen who missed one and Stefan Kaltenbach who missed three.

At the Meeting, Shareholders will be asked to re-elect the following seven individuals to the Condor Board: Sean Roosen, Donald Streu, Walter Dawson, Werner Zoellner, Dennis Balderston, Edward Bogle and Stefan Kaltenbach.

Four of the seven (57%) members of the Condor Board are independent as such term is defined by National Instrument 58-101, Disclosure of Corporate Governance Practices ("**NI 58-101**"). The Condor Board considers Messrs. Dawson, Zoellner, Balderston and Bogle to be independent directors, as they are independent of management and free from any direct or indirect material relationship with Condor. The Condor Board considers Mr. Streu not to be an independent director, as he is an executive officer of Condor. Mr. Roosen is not considered to be an independent director as he is a Supervisory Board member of an affiliate of Eurasia Resource Value SE which has a material relationship with Condor (see page 3). Mr. Kaltenbach is not considered to be an independent director as he is a Supervisory Board member of an affiliate of Eurasia Resource Value SE which has a material relationship with Condor (see page 3). To ensure independence, the independent members of the Board meet independently should the non-independent members be considered to be in a conflict of interest on matters of discussion and the Board has appointed Dr. Bogle as an independent Lead Director. The independent directors conduct "in camera" sessions without the non-independent directors and without management at each regularly scheduled Condor Board meeting.

Mr. Roosen has been appointed as the Chairman of the Condor Board. As Chairman of the Condor Board, it is Mr. Roosen's responsibility to, among other things, encourage communication among the independent directors and to ensure that the policies and procedures adopted by the Condor Board allow the board to function independently of management.

Lead Director

The Corporation has taken steps to ensure that adequate structures and processes are in place to permit the Board to function independently of management. In this regard, Dr. Bogle has been appointed as Lead Director. The primary roles of the Lead Director are to assist the Board to ensure it meets its obligations and responsibilities to the Corporation including those matters set forth in the Charter of the Board of Directors and to ensure that it functions effectively and independently of management. The Lead Director is responsible to ensure that "in camera" sessions are held by the Board at each regularly scheduled Board meeting without any members of management present. The Lead Director is also responsible to ensure that, when appropriate, "in camera" sessions are held by the independent directors without any non-independent directors or members of management present as set forth in the Charter of the Board of Directors.

The following directors of Condor are also presently directors of other reporting issuers (or the equivalent) set opposite their respective names.

Continuing education and ongoing training includes presentations by management of Condor to familiarize directors with Condor's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its principal officers and its independent auditors.

Ethical Business Conduct

The Condor Board has adopted a code of business conduct and ethics (the "**Code**"). The Code applies to all directors, officers, and employees of Condor and its subsidiaries and affiliates, and outlines the values of Condor and its commitment to ethical business practices in every business transaction. The Condor Board monitors compliance with the Code through a "whistleblower" policy, described below, which provides a procedure for (among other things) the submission of information by any director, officer or employee relating to possible violations of the Code. A copy of the Code may be obtained from Condor's

website at www.condorpetroleum.com, or upon written request to Condor's Chief Financial Officer, Sandy Quilty, at 2400, 144 - 4th Avenue S.W., Calgary, Alberta, T2P 3N4.

In accordance with the *Business Corporations Act* (Alberta), directors who are a party to, or are a director or an officer of a person who is a party to, a material contract or material transaction or a proposed material contract or proposed material transaction, are required to disclose the nature and extent of their interest and not to vote on any resolution to approve the contract or transaction. In certain cases an independent committee may be formed to deliberate on such matters in the absence of the interested party.

In order to encourage and promote a culture of ethical business conduct, the Condor Board has adopted a "Whistleblower Policy" wherein directors, officers and employees of Condor and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process.

Condor and its subsidiaries are committed to strict compliance with all applicable anti-corruption legislation and to maintaining the highest ethical standards in their business dealings and in their relationships with public officials. As such, Condor has adopted an Anti-Corruption Policy (the "**Policy**") similar to anti-corruption policies adopted by other Canadian issuers of Condor's size with foreign assets and operations. The Policy extends across all of Condor's business dealings and in all countries and territories in which Condor operates. The Policy is intended to provide basic knowledge and concepts relating to bribery and corruption and the tools to identify bribery and corruption issues.

Assessments

A questionnaire based review of the performance and effectiveness of the Board, the directors and its committees was carried out at the end of the year. The results of this survey of individual and Board/committee performance were tabulated and reported to the Board for discussion and to highlight areas where performance can be improved.

Responsibility for identifying new candidates to join the Condor Board belongs to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will also review on a periodic basis the size and

composition of the Condor Board (to, among other things, ensure that an appropriate number of independent directors sit on the Condor Board).

The Nominating and Corporate Governance Committee consists of Messrs. Roosen (Chair), Bogle and Kaltenbach, of whom Dr. Bogle is an independent director and the Lead Director. The Nominating and Corporate Governance Committee considers the objective director qualification criteria listed above and all nominations are carefully considered by the Condor Board which aids in maintaining an independent and objective nomination process.

Compensation Committee

The Condor Board has established a Compensation Committee. The Compensation Committee reviews and considers the granting of Options to directors and executive officers of Condor, compensation for executive officers of Condor and directors' fees, if any, from time to time. The form and amount of compensation is evaluated by the Compensation Committee, and is guided by the following goals:

- (a) compensation should be commensurate with the time spent by executive officers and directors in meeting their obligations and reflective of the compensation paid by companies similar in size and business to Condor; and
- (b) the structure of the compensation should be simple, transparent and easy for Shareholders to understand.

The Compensation Committee consists of Messrs. Roosen (Chair), Dawson and Balderston, of whom Mr. Dawson and Mr. Balderston are considered to be independent directors which the Board believes encourages an objective process for determining compensation. All members of the Compensation Committee have expertise and extensive experience in compensation and other human resource areas in the oil and gas industry through their tenure in roles in the resource sector.

Disclosure Committee

The Condor Board has established a Disclosure Committee. The Disclosure Committee is responsible for ensuring effective communication between Condor and its Shareholders, and for ensuring that Condor complies with the regulatory requirements pertaining to the timeliness and content of its public disclosure.

The Board of Directors expects that, in discharging their responsibilities to the stakeholders, the external counsel shall be accountable to the Board of Directors. The external counsel shall report all material issues or potentially material issues to the Board of Directors.

In discharging its duties under this mandate and charter, each member of the Board of Directors shall be obliged only to exercise the care, diligence and skill that a reasonable director would exercise in the same circumstances taking into account, but without limitation, the nature of the Corporation, the nature of the decision and the position of the director and the nature of the responsibilities undertaken by such director.

Nothing in this mandate and charter is intended, or may be construed, to impose on any member of the Board of Directors a standard of care or diligence that is in any way more onerous or extensive than the standard to which all Board of Directors members are subject.

The Board of Directors shall have full access to books, records, facilities, and personnel of the Corporation and shall have the authority to retain independent counsel and other advisors, as it deems necessary and at the expense of the Corporation, to carry out its duties.

V. MAJORITY VOTING

If a director nominee receives more “withhold” votes than “for” votes at an uncontested shareholders’ meeting where director nominees have been nominated only by the Corporation, then such nominee will tender his or her resignation for consideration by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will consider the director nominee’s offer to resign and will make a recommendation to the Condor Board to accept the resignation unless exceptional circumstances exist that would warrant the applicable director continuing to serve on the Condor Board. Within 90 days of the date of the relevant shareholders’ meeting, upon considering the Nominating and Corporate Governance Committee’s recommendation, the Condor Board will accept the director’s offer to resign unless exceptional circumstances exist that warrant the director remaining on the Condor Board. No director that is required to tender his or her resignation pursuant to the “majority voting” policy shall participate in the deliberations or recommendations of the Nominating and Corporate Governance Committee or the Condor Board with respect to the director’s offer to resign. The Condor Board may fill any vacancy resulting from a resignation pursuant to the “majority voting” policy in accordance with the Corporation’s by-laws and articles and applicable corporate laws.

VI. BOARD TENURE

The Company does not currently have a policy regarding director term limits. Board composition is assessed by the Nominating and Corporate Governance Committee to ensure the right mix of skills and experience for providing strong leadership and stewardship. Condor believes it is important to have directors who understand the oil and gas industry, the Company and its areas of operations. Long-term directors accumulate extensive Company and country knowledge and experience and can make growing contributions to the Condor Board over time. New directors can bring new experiences and perspectives to the Board. One of the seven current Condor Board members has been a member since the Company’s formation in 2006 and six have been members since 2011. In the Nominating and Corporate Governance Committee’s current view, term limits for directors will not necessarily increase the level of skill and experience at the Condor Board level.

VII. BOARD DIVERSITY

While the Company recognizes the benefits of diversity and inclusion at all levels within its organization, the Company does not currently have any formal policies that specifically require the identification, consideration, nomination or appointment of female board nominees or candidates for executive positions. Board nominations and appointments are assessed solely based upon the merits of the individual candidates related to the skills, experience and independence required in order to be effective. When searching for candidates for senior management positions, the Company focuses on attracting and retaining experienced and highly skilled individuals that can add value to the business.
