ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON OCTOBER 6, 2020
MANAGEMENT INFORMATION CIRCULAR

INFORMATION REGARDING ORGANIZATION AND CONDUCT OF MEETING

THIS MANAGEMENT INFORMATION CIRCULAR (“CIRCULAR”) IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF NOBELIUM TECH CORP. (the “**Corporation**”) for use at the Annual Meeting of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation to be held at the Purdy’s Wharf Tower 2, Suite 2108, 1969 Upper Water Street, Halifax, Nova Scotia, on Tuesday, October 6, 2020 at 11:00 am (Atlantic) (the “**Meeting**”), or at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of meeting (“**Notice of Meeting**”).

The information contained herein is given as of September 4, 2020, except where otherwise indicated. Enclosed herewith is a form of proxy for use at the Meeting. Each Shareholder who is entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and Shareholders are urged to vote on matters to be considered in person or by proxy.

PROXY RELATED INFORMATION

Solicitation of Proxies

Solicitation of proxies will be primarily by mail, but may also be by telephone or other means of communication by the directors, officers, employees or agents of the Corporation. All costs of solicitation will be paid by the Corporation. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy-related materials to certain beneficial owners of the shares.

Appointment and Revocation of Proxies

Shareholders of the Corporation may be “Registered Shareholders” or “Non-Registered Shareholders”. If Common Shares are registered in the Shareholder’s name, they are said to be owned by a “**Registered Shareholder**”. If Common Shares are registered in the name of an intermediary and not registered in the Shareholder’s name, they are said to be owned by a “**Non-Registered Shareholder**”. An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. The instructions provided below set forth the different procedures for voting Common Shares at the Meeting to be followed by Registered Shareholders and Non-Registered Shareholders.

If any Shareholder receives more than one (1) proxy or voting instruction form, it is because that Shareholder’s shares are registered in more than one form. In such cases, Shareholders should sign and submit all proxies or voting instruction forms received by them in accordance with the instructions provided.

Registered Shareholders

Registered Shareholders have two methods by which they can vote their Common Shares at the Meeting, namely in person or by proxy. To assure representation at the Meeting, Registered Shareholders are encouraged to return the proxy included with this Information Circular (the “**Circular**”). Sending in a proxy will not prevent a Registered Shareholder from voting in person at the Meeting. The vote will be taken and counted at the Meeting. Registered Shareholders who do not plan to attend the Meeting or who do not wish to vote in person can vote by proxy.

Those Shareholders desiring to be represented at the Meeting by proxy must deposit their form of proxy to the Corporation’s transfer agent (the “**Transfer Agent**”), Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, North Tower, Toronto, Ontario M5J 2Y1, Attention: Proxy Department in the enclosed self-addressed envelope not later than 11:00 a.m. (Atlantic) on October 2, 2020 or not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to any adjournment of the Meeting. A proxy must be executed by the Shareholder or by his duly appointed attorney authorized in writing, or if the Shareholder is a Corporation, under its seal or by an officer or attorney thereof duly authorized. A proxy is only valid at the Meeting in respect of which it is given or any adjournment or postponement of the Meeting.

Registered shareholders may use the internet (www.voteproxyonline.com) to vote their Common Shares. Shareholders will be prompted to enter the control number which is located on the form of proxy when voting by the internet. Votes by internet must be received not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the Meeting or any adjournment or postponement thereof. The internet may also be used to appoint a proxyholder to attend and vote at the Meeting on the Shareholder’s behalf and to convey a Shareholder’s voting instructions.

The Corporation may refuse to recognize any instrument of proxy deposited in writing or by the internet received later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the Meeting or any adjournment or postponement thereof.

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation and each is a management designee (collectively, the “Management Designees”). Each Shareholder submitting a proxy has the right to appoint a person, who need not be a Shareholder, to represent him/her or it at the Meeting other than the Management Designees. A Shareholder may exercise this right by inserting the name of the desired representative in the blank space provided in the form of proxy or by completing another form of proxy and, in either case, depositing the completed proxy to the Transfer Agent, at the place and within the time specified above for the deposit of proxies.

A Shareholder who has given a proxy has the power to revoke it at any time prior to the exercise thereof. To exercise the right to revoke a proxy, in addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it by instrument in writing, executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited: (i) at the registered office of the Corporation, Suite 2108, 1969 Upper Water Street, Halifax, Nova Scotia, at any time up to and including the last business day preceding the Meeting at which the proxy is to be used, or at any adjournment thereof, or (ii) with the chairman of the Meeting on the date of the Meeting, or at any adjournment thereof, and upon either of such deposits the proxy is revoked.

All Common Shares represented at the Meeting by properly executed proxies will be voted or withheld from voting, by ballot or otherwise, in accordance with the indicated instructions. In the absence of any such direction, such shares will be voted IN FAVOUR of the matters set forth in the Notice of Meeting and in this Circular.

The enclosed form of proxy confers discretionary authority on the persons named therein with respect to any amendments or variations of those matters specified in the form of proxy and Notice of Meeting and with respect to any other matters which may be properly brought before the Meeting or any adjournment or postponement thereof. If any amendment or variation to matters identified in the Notice of Meeting or proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, it is the intention of the persons named in the enclosed form of proxy to vote such proxies in accordance with their best judgment. Unless otherwise stated, the Common Shares represented by the enclosed proxy will be voted in favour of the election of nominees set forth in this Circular. As of the date of this Circular, management of the Corporation is not aware of any amendments, variations or other matters to come before the Meeting.

Non-Registered Shareholders

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as “**NOBOs**”. Non-Registered Shareholders who have objected to their intermediary disclosing the ownership information about themselves to the Corporation are referred to as “**OBOs**”.

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice of Meeting, this Circular and either the voting instructions form (“**VIF**”) or the form of proxy, as applicable (collectively, the “**Meeting Materials**”), directly to the NOBOs and indirectly, through intermediaries, to the OBOs. The Corporation has not paid and does not intend to pay the fees and costs of intermediaries for their services in delivering Meeting Materials to OBOs, therefore OBOs will not receive the Meeting Materials unless the OBO’s intermediary assumes the cost of delivery.

Meeting Materials Received by OBOs from Intermediaries

The Corporation has distributed copies of the Meeting Materials to intermediaries for distribution to OBOs. Intermediaries are required to deliver these materials to all OBOs of the Corporation who have not waived their rights to receive these materials, and to seek instructions as to how to vote the Common Shares. Often, intermediaries will use a service company (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to OBOs.

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.
- (b) Occasionally, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to Computershare Investor Services Inc. in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should an OBO who receives either a form of proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of proxy as the proxy holder and insert the OBO’s (or such other person’s) name in the blank space provided or, in the case of a

VIF, follow the instructions provided by the intermediary. In either case, OBOs who received Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.

To exercise the right to revoke a proxy, an OBO who has completed a proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as “non-votes” because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Common Shares represented by such “non-votes” will, however, be counted in determining whether there is a quorum.

Meeting Materials Received by NOBOs from the Corporation

As permitted under NI 54-101, the Corporation has used a NOBO list to send the Meeting Materials directly to the NOBOs whose names appear on that list. If you are a NOBO and the Corporation’s transfer agent, Computershare, has sent these materials directly to you, your name and address and information about your holdings of Common Shares of the Corporation have been obtained from the intermediary holding such shares on your behalf in accordance with applicable securities regulatory requirements.

As a result, any NOBO of the Corporation can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided. Computershare will tabulate the results of the VIFs received from the Corporation’s NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF’s received by Computershare.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for: (i) delivering these materials to you, and (ii) executing your proper voting instructions. The intermediary holding Common Shares on your behalf has appointed you as the proxyholder of such Common Shares, and therefore you can provide your voting instructions by completing the proxy included with this Circular in the same way as a Registered Shareholder. Please refer to the information under the heading “*Registered Shareholders*” for a description of the procedure to return a proxy, your right to appoint another person or company as your proxy to attend the Meeting, and your right to revoke the proxy.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.

Notice and Access

The Corporation is not sending the Meeting Materials to Registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed in this Circular, none of the directors or executive officers of the Corporation, nor any nominee for election as a director, nor any associate or affiliate of any of the foregoing, has any material interest, direct or indirect, by way of beneficial ownership of securities of the Corporation or otherwise, in any matters to be acted upon at the Meeting other than the election of directors.

INFORMATION CONCERNING THE QUALIFYING TRANSACTION

The Corporation had entered into a letter of intent May 14, 2018 with Maximos Metals Corp. (“**Maximos**”), a private company incorporated under the Canada Business Corporations Act whereby Nobelium and Maximos would complete an arrangement, amalgamation, share exchange or similar transaction to ultimately form the resulting issuer who would continue on the business of Maximos (the “**Transaction**”). Nobelium intended that the Transaction would constitute its Qualifying Transaction under Policy 2.4 - Capital Pool Companies (the “**CPC Policy**”) of the TSX Venture Exchange (the “**TSX-V**”).

Effective May 29, 2020, the Corporation announced that it would not be proceeding with the Transaction.

The Corporation is actively seeking a Qualifying Transaction for this Capital Pool Company.

BUSINESS TO BE TRANSACTED AT THE MEETING

1. Financial Statements

The financial statements of the Corporation, the auditor’s report thereon and management’s discussion and analysis for the fiscal year ended January 31, 2020, which were mailed to Shareholders and filed on SEDAR at www.sedar.com, will be presented to the Shareholders at the Meeting.

2. Election of Directors

The Board currently consists of four members being Erroll Treslan, Mike Anaka, Glen Lavigne and Glenn Jessome (each, a “**Current Director**” and, collectively, the “**Current Directors**”), all of whom are proposed for re-election to the Board until the close of the next annual meeting of Shareholders or until such director’s successor is duly elected or appointed.

In the event a Current Director nominee is unable to serve or will not serve, an event that management of Corporation has no reason to believe will occur, the persons named in the accompanying proxy reserve the right to vote for another person at their discretion, unless a Shareholder has specified in the form of proxy that their Common Shares are to be withheld from voting for the election of directors.

The following table sets forth a brief description of each of the proposed Resulting Issuer Directors, and the Current Directors, including their name and province or state and country of residence, their principal occupation during the last five years and the number of Common Shares they each beneficially owned, or controlled or directed, directly or indirectly, as of the date of this Circular. The information contained herein is based upon information furnished by the respective individuals.

Unless the proxy specifically instructs the proxyholder to withhold such vote, common shares represented by the proxies hereby solicited shall be voted for the election of the nominees whose names are set forth below. In order to be effective, the ordinary resolution in respect of the election of directors of the Corporation must be passed by a majority of the votes cast by Shareholders who vote at the Meeting either in person or by proxy. Management does not contemplate that any of these proposed nominees will be unable to serve as a director of the Corporation, but if that should occur for any reason prior to the Meeting, the persons designated in the enclosed instrument appointing proxy will have the right to use their discretion in voting for a properly qualified substitute.

4. Annual Approval of Incentive Stock Option Plan

Introduction

The Board and shareholders of the Corporation approved a 10% “rolling” stock option plan on July 23, 2015 (the “Plan”). The Plan is a 10% rolling plan pursuant to Policy 4.4 (“**Policy 4.4**”) of the TSX-V subject to annual shareholder approval. The Corporation is seeking approval of the Plan by the Shareholders in accordance with the rules and policies of the TSX-V.

The purpose of the Plan is to attract and retain employees, officers and directors and to motivate them to advance the interests of the Corporation by affording them the opportunity to acquire an equity interest in the Corporation through options granted under the Plan to purchase Common Shares. The Plan is expected to benefit the Shareholders by enabling the Corporation to attract and retain personnel of the highest caliber by offering to them an opportunity to share in any increase in the value of the Common Shares to which they have contributed. The Plan has been drafted to comply with the policies of the TSX-V.

The following information is intended as a brief description of the Plan, and is qualified in its entirety by reference to the Plan itself. Upon request, the Corporation will promptly provide a copy of the Plan free of charge to any Shareholder. To request a copy of the Plan, Shareholders should contact the Corporation at Purdy’s Wharf Tower 2, Suite 2108, 1969 Upper Water Street, Halifax, Nova Scotia B3J 3R7.

The Plan

The Plan is administered by the Compensation Committee of the Board of Directors.

Eligible persons entitled to be issued stock options under the Plan are any director, officer, employee or consultant of the Corporation or any other person or entity engaged to provide ongoing services to the Corporation.

The aggregate number of Common Shares that may be reserved for issuance under the Plan shall not exceed ten percent (10%) of the issued and outstanding Common Shares of the Corporation from time to time. The number of Common Shares subject to an option to a participant shall be determined by the Board of Directors, but no participant shall be granted an option which exceeds the maximum number of shares permitted by the TSX-V or any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction.

The total number of Common Shares to be optioned under the Plan shall be subject to the following restrictions:

- (a) no more than five percent (5%) of the issued and outstanding Common Shares of the Corporation may be granted to any one individual in any twelve (12) month period (unless the Corporation is a Tier 1 Issuer, as defined in the policies of the TSX-V, and has obtained Disinterested Shareholder Approval);
- (b) no more than two percent (2%) of the issued and outstanding Common Shares of the Corporation may be granted to any one Consultant in any twelve (12) month period;
- (c) no more than an aggregate of ten percent (10%) of the issued and outstanding Common Shares of the Corporation may be granted to Insiders of the Corporation in any twelve (12) month period; and

- (d) no more than an aggregate of two percent (2%) of the issued and outstanding Common Shares of the Corporation may be granted to persons employed to conduct Investor Relations Activities in any twelve (12) month period, and such options, if issued to a Consultant must vest in stages over a period of no less than twelve (12) months with no more than twenty-five (25%) of the Options vesting in any three (3) month period.

The exercise price of the Common Shares covered by each option shall be determined by the Board of Directors, provided that the exercise price shall not be less than the price permitted by the TSX-V or any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction.

The maximum term of an option is ten (10) years, provided that participant's options expire ninety (90) days after his ceasing to act for the Corporation, except upon the death of a participant, in which case his estate shall have twelve (12) months in which to exercise the outstanding options.

No options are transferable or assignable.

Subject to the approval of the TSX-V, the Board has the discretion to amend or terminate the Plan; provided however, no amendment shall alter the terms of any outstanding options without the consent of the optionees concerned.

Existing Stock Options

As at September 4, 2020, the Corporation had stock options outstanding under the Plan that were exercisable to acquire, in the aggregate 1,277,500 Common Shares. See "*Securities Authorized for Issuance Under Equity Compensation Plans*" for additional information with regard to the options outstanding as at January 31, 2020.

Approval of the Plan

In accordance with Policy 4.4, Shareholders will be asked to consider and, if thought advisable, approve an ordinary resolution to re-approve the Corporation's stock option plan (the "**Incentive Stock Option Plan Resolution**"). A copy of the proposed form of the Incentive Stock Option Plan Resolution is set forth as Schedule "A" to this Circular.

The Corporation does not currently have a compensation committee.

Use of Financial Instruments

The Corporation does not have in place policies which restrict the ability of directors or Named Executives to purchase financial instruments, such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a director or Named Executive. Any such purchases would be subject to applicable insider reporting requirements.

Risk Assessment

The Compensation Committee has reviewed the Corporation’s compensation policies and practices and has considered whether there are any potential risks associated with those policies and practices. As a result of such review, the Compensation Committee has determined that the Corporation’s compensation policies and practices do not give rise to any risks that are reasonably likely to have a material adverse effect on the Corporation. The Compensation Committee will continue to monitor the Corporation’s compensation policies and practices on a regular basis to ensure that potential risks associated therewith are identified and that the appropriate steps are taken to properly manage and mitigate such risks.

INDEBTEDNESS OF DIRECTORS AND OFFICERS

No current or former directors, executive officers or employees of the Corporation, or associates or affiliates of any of these persons, have been indebted to the Corporation or its subsidiaries at any time during the most recently completed financial year, other than “Routine Indebtedness” as that term is defined in applicable securities legislation.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as otherwise disclosed in this Circular, none of the directors, executive officers or principal shareholders of the Corporation, or associates or affiliates of any of these persons, had any material interest, direct or indirect, in any transaction during the most recently completed financial year, or in any proposed transaction which, in either case, has materially affected or would materially affect the Corporation or its subsidiaries.

MANAGEMENT CONTRACTS

No management functions of the Corporation are to any substantial degree performed by a person or company other than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation.

CORPORATE GOVERNANCE DISCLOSURE

The Corporation is required to include disclosure of its corporate governance practices in this Circular in accordance with National Instrument 58-101- *Disclosure of Corporate Governance Practices* (“**NI 58-101**”). NI 58-101 has been adopted by the securities commissions or similar regulatory authorities across Canada (“**Canadian Securities Administrators**”).

The Board endorses the efforts of the Canadian Securities Administrators in continuing the evolution of good corporate governance practices. The Board is committed to adhering to the highest standards in all aspects of its activities.

The corporate governance practices described below are subject to change as the Corporation evolves. Some of its practices are representative of its junior size; however, the Corporation has undertaken to periodically monitor and refine such practices as the size and scope of its operations increase. The Board shall remain sensitive to corporate governance issues and shall continuously seek to set up the necessary measures, control mechanisms and structures to ensure an effective discharge of its responsibilities without creating additional undue overhead costs and reducing the return on shareholders’ equity.

Board of Directors

The Board is currently comprised of four (4) directors, two (2) of whom are “independent” within the meaning of National Instrument 52-110 - *Audit Committees* (“**NI 52-110**”). The independent directors are Glen Lavigne and Glenn Jessome. Erroll Treslan and Mike Anaka are not considered independent within the meaning of NI 52-110 by virtue of being officers of the Corporation.

Directorships

The following current directors of the Corporation, and the Resulting Issuer Directors, are presently serving as directors of other reporting issuers:

Director	Name of Other Reporting Issuer	Exchange	Director Since	Position(s) with Reporting Issuer
Glen Lavigne	SolutionInc Technologies Inc.	TSX-V	2002	President, Chief Executive Officer
Mike Anaka	Silver Tiger Metals Inc.	TSX-V	2017	Director
	ViveRE Communities Inc.	TSX-V	2018	Director
Glenn Jessome	Silver Tiger Metals Inc.	TSX-V	2018	Director

Orientation and Continuing Education

Given the size of the Board of Directors, there is no formal program for the orientation and education of new members of the Board of Directors. Board meetings may also include presentations or briefings by the Corporation’s management and employees to give the directors additional insight into the Corporation’s business activities. In addition, the Board of Directors believes that the past and continuing experiences of each director resulting from their past experience and current positions as detailed in this Circular ensure they have the skills and knowledge necessary to serve the Corporation as a member of the Board of Directors on an ongoing basis.

Ethical Business Conduct

The Board supports ethical business practices. To date, the Board has found that the fiduciary duties placed on individual directors by the Corporation’s governing corporate legislation and the common law and, in particular, the restrictions placed by applicable corporate legislation on an individual Director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

In addition, the Board of Directors believes that the Corporation's size facilitates informal review of discussions with its officers and employees to promote ethical business conduct. Furthermore, the Board has established a Whistle Blower Policy, which is Addendum "A" to the Audit Committee Charter, and establishes the compliant procedure for concerns about any aspect of the Corporation's activities and operations.

Nomination of Directors

The Board has not appointed a nominating committee and does not have a formal process for identifying new candidates for Board nomination. When required, the Board will collaborate with management to identify potential candidates and to consider their appropriateness for membership on the Board.

Compensation

The Corporation does not currently have a Compensation Committee.

Other Board Committees

The Board does not currently have any standing committees other than the Audit Committee and the Corporate Governance Committee.

The Board may, from time to time, create new committees or establish ad hoc committees to address special business issues.

Assessments

The responsibility for assessing directors on an ongoing basis is assumed in full by the Board and every director is entitled to bring the matter to the Board of Directors. The Board does not perform regular assessments; however, the Board believes that the size of the Corporation facilitates informal discussion and evaluation of the Board, its committees and its members.

The education and experience of each Corporate Governance Committee member is described in this Circular under the section entitled "Audit Committee – Relevant Education and Experience".

Diversity for the Board and Executive Officers

Effective February 29, 2016, the Corporation adopted a diversity policy which sets out the Corporation's approach to achieving and maintaining diversity on the Board and in executive officer positions (the "Diversity Policy"). While the Corporation believes that nominations to the Board and appointments to executive officer positions should be based on merit, the objectives of the Diversity Policy are to recognize that diversity will support balanced debate which, in turn, will enhance decision making. The Corporation recognizes "diversity" as any dimension that can be used to differentiate groups and people from one another including gender, age, ethnic origin, religion, disability and geographical backgrounds.

In accordance with the Diversity Policy, the Corporate Governance and Nominating Committee will strive for inclusion of diverse groups, knowledge and viewpoints on the Board and in executive officer positions. In conjunction with its consideration of the qualifications and experience of potential directors and executive officers, as well as the skills, expertise, experience and independence which the Board requires to be effective, the Corporate Governance and Nominating Committee will consider the level of diversity (including the representation of women, Indigenous peoples, persons with disabilities or members of visible minorities (collectively, "members of designated groups")) on the Board when identifying and nominating candidates for election or re-election to the Board, and will consider the level of diversity (including the representation of members of designated groups) in executive officer positions when the Board makes executive officer appointments. The Corporate Governance and Nominating Committee will be responsible for recommending qualified persons for Board nominations and in doing so, it will consider the benefits of all aspects of diversity on the Board and develop recruitment protocols that seek to include diverse candidates, including proactively searching for diverse candidates in the recruitment process.

The Corporate Governance and Nominating Committee will periodically assess the effectiveness of the nomination and appointment process generally, as well as the effectiveness of the Diversity Policy. As there have not been any changes in the Board or executive team since the adoption of the Diversity Policy, the Corporation is unable to evaluate its progress in achieving its objectives to date.

The Board has not adopted targets regarding members of designated groups on the Board or in executive officer positions at this time. Due to the small size of the Board and the management team, the Board believes that the qualifications and experience of proposed new directors or executive officers should remain the primary consideration in the selection process.

As of the date of this Circular, none of the directors or executive officers of the Corporation are members of designated groups.
