MANAGEMENT INFORMATION CIRCULAR

as at **September 25, 2020** (except as indicated)

This information circular (“**Information Circular**”) is provided in connection with the solicitation of proxies by the management of **Advent-AWI Holdings Inc.** (the “**Company**”) for use at the Annual General Meeting of the shareholders of the Company (the “**Meeting**”) to be held on **Friday, October 30, 2020**, at Meeting Room Georgia A, Hyatt Regency Vancouver, 655 Burrard Street, Vancouver, British Columbia V6C 2R7 at **10:30 a.m.** (Vancouver Time) and at any adjournments thereof for the purposes set forth in the enclosed Notice of Annual General Meeting (“**Notice of Meeting**”).

The solicitation of proxies is made on behalf of the management of the Company. Such solicitation will be primarily by mail but may also be made by telephone or other electronic means of communication or in person by the directors and officers of the Company. The costs incurred in the preparation and mailing of the form of proxy, Notice of Meeting and this Information Circular will be borne by the Company. The cost of the solicitation will be borne by the Company.

DISTRIBUTION OF MEETING MATERIALS

This Information Circular and related Meeting materials are being sent to both registered and non-registered holders of common shares of the Company.

If you are a non-registered holder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of common shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding common shares on your behalf. “**Intermediary**” means a broker, a financial institution, an investment firm, a trustee or administrator of a self-administered retirement savings plan, retirement income fund, education savings plan or other similar self-administered savings or investment plan registered under the *Income Tax Act* (Canada), or a nominee of any of the foregoing that holds securities on behalf of a non-registered shareholder.

A shareholder may receive multiple packages of Meeting materials if the shareholder holds common shares through more than one Intermediary, or if the shareholder is both a registered shareholder and a non-registered shareholder for different shareholdings. Any such shareholder should repeat the steps to vote through a proxy, appoint a proxyholder or attend the Meeting, if desired, separately for each shareholding to ensure that all the common shares from the various shareholdings are represented and voted at the Meeting. Please return your voting instructions as specified in the appropriate voting information form.

PROXY INFORMATION

Appointment of Proxyholder

A duly completed form of proxy for the Company will constitute the persons named in the enclosed form of proxy as the shareholder’s proxyholder. The individuals whose names are printed in the enclosed form of proxy for the Meeting are directors, officers and/or legal counsel of the Company (the “**Management Proxyholders**”). The persons named in the enclosed form of proxy as Management Proxyholders have indicated their willingness to represent, as proxyholders, the shareholders who appoint them.

A shareholder has the right to appoint a person other than the Management Proxyholders to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder of the Company. Such a shareholder should notify the nominee

of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the shareholder's shares are to be voted.

Voting Of Proxies

Each shareholder may instruct its proxyholder how to vote its shares by completing the blanks in the enclosed proxy form. Shares represented by properly executed proxy forms will be voted or withheld from voting on any poll in accordance with instructions made on the proxy forms, and, if a shareholder specifies a choice as to any matters to be acted on, such shareholder's shares shall be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, it is intended that such person will vote in favour of the matters to be voted on at the Meeting.

The enclosed form of proxy confers discretionary authority upon the persons named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Each proxy must be dated and executed by the shareholder or its attorney authorized in writing or by an Intermediary acting on behalf of a shareholder (see "*Voting by Non-Registered Shareholders*" below). In the case of a corporation, the proxy must be dated and executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., by mail, registered mail or courier, at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, or as otherwise indicated in the instructions contained in the form of proxy (including, where applicable, through the transfer agent's internet and telephone proxy voting services). All proxies in respect of the Meeting must be completed and received not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the commencement of the Meeting, unless the chairman of the Meeting elects to exercise his or her discretion to accept proxies received subsequently.

Voting by Non-Registered Shareholders

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name.

Shareholders who hold common shares through Intermediaries (such shareholders being collectively called "**Beneficial Shareholders**") should note that only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting.

If common shares are shown on an account statement provided to a Beneficial Shareholder by a broker or other Intermediary, then in almost all cases the name of such Beneficial Shareholder **will not** appear on the central securities register of the Company. Such common shares will most likely be registered in the name of the broker or an agent of the broker or other Intermediary. In Canada, the vast majority of such common shares will be registered in the name of "CDS & Co.", the registration name of The Canadian Depository for Securities Limited, which acts as a nominee for many brokerage firms. Such common shares can only be voted by the Intermediary and can only be voted by them in accordance with instructions received from Beneficial Shareholders. **As a result, Beneficial Shareholders should carefully review the voting instructions provided by their broker or other Intermediary with this Information Circular and ensure that they direct the voting of their common shares in accordance with those instructions.**

Applicable regulatory policies require brokers and other Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. In accordance with the requirements of National Instrument 54-101, the Company will distribute the Meeting materials to Intermediaries and clearing agencies for onward distribution to non-registered holders. The Company does not intend to pay Intermediaries to forward the Meeting materials if the non-registered holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the non-registered holders. In this case, such non-registered holder will not receive the Meeting materials if the Intermediary does not assume the cost of delivery. Each Intermediary has its own mailing procedures and provides its own return instructions to clients.

Intermediaries are required to forward the Meeting materials to non-registered holders unless a non-registered holder has waived the right to receive Meeting materials. Generally, non-registered holders who have not waived the right to receive Meeting materials will be sent a voting instruction form which must be completed, signed and returned by the non-registered holder in accordance with the Intermediary's directions on the voting instruction form. Intermediaries often use service companies to forward the Meeting materials to non-registered holders. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of common shares at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote common shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such common shares are voted.**

In some cases, Beneficial Shareholders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of common shares beneficially owned by the Beneficial Shareholder but which is otherwise not completed. This form of proxy does not need to be signed by the Beneficial Shareholder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Investor Services Inc. as described under "*Completion and Return of Proxy*" above.

The purpose of these procedures is to permit non-registered holders to direct the voting of the common shares that they beneficially own. Should a Beneficial Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should strike out the names of the persons named in the Proxy and insert the Beneficial Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Revocation of Proxies

A proxy may be revoked at any time prior to the exercise thereof. If a registered shareholder who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such shareholder may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it, any time before it is exercised, by instrument in writing executed by the registered shareholder or by his/her attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited to the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., by mail, registered mail or courier, at 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of such Meeting. **Only registered shareholders have the right to revoke a proxy. Non-registered shareholders (Beneficial Shareholders) who wish to change their vote must arrange for their respective Intermediaries to revoke the proxy on their behalf well in advance of the Meeting.**

RECORD DATE AND VOTING SECURITIES

The directors of the Company have set the close of business on **September 25, 2020**, as the record date (the “**Record Date**”) for the Meeting.

Only common shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date, unless any such shareholders transfer shares after the Record Date and the transferee of those shares, having produced properly endorsed certificates evidencing such shares or having otherwise established ownership of such shares, requests not later than 10 days before the Meeting, that the transferee’s name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee will be entitled to vote such shares at the Meeting.

Voting at the Meeting will be by show of hands, with each shareholder present having one vote, unless a poll is requested or required, whereupon each shareholder or proxyholder present is entitled to one vote for each common share held.

The Company is authorized to issue an unlimited number of common shares without par value of which 11,935,513 common shares are issued and outstanding as at the Record Date. The Company has no other class of voting securities.

Oversight and Description of Director and NEO Compensation

The Company has a Compensation Committee which is comprised of three independent directors: Bill Hui, Ken Vong and Sin-Kuen Yau.

The members of the Compensation Committee are experienced in the oversight of executive and operational management teams. The members of the Compensation Committee review compensation policies of similar companies when making determinations about director and executive compensation. Final decisions concerning employment, consulting or other compensation arrangements between the Company and the directors or executive officers of the Company (or between any subsidiary of the Company and any director or executive officer) are considered and approved by the Compensation Committee and then put forward to the independent directors of the Board for final approval.

The Compensation Committee considers implications of the risks associated with the Company's compensation practices and policies as part of its oversight and stewardship of its affairs.

The Compensation Committee has adopted a formal written charter to provide its members with minimum guidelines to assist the Compensation Committee with fulfilling its responsibilities. The main duties of the Compensation Committee include:

- ◆ reviewing the compensation and benefits of the Company's directors and executive officers;
- ◆ reviewing and recommending the compensation of the CEO, CFO, COO and other senior management;
- ◆ reviewing and recommending, subject to Board approval, stock option allocations to employees, consultants, management and directors;
- ◆ reviewing and authorizing public disclosure of executive compensation;
- ◆ approving any special compensation arrangements;
- ◆ reviewing compensation practices annually or as required; and
- ◆ reviewing the Compensation Committee charter on an annual basis.

Non-NEO Director Compensation

The Board has implemented a formal fee structure with respect to payment of fees to non-NEO directors for serving as directors of the Company. Non-NEO directors of the Company are paid \$4,000 per annum as directors' fees (pro-rated if services are for less than one year) and an additional \$500 per director for each directors' meeting personally attended by such director. Non-NEO directors are also reimbursed for actual expenses reasonably incurred in connection with the performance of their duties as directors.

Should the Company's financial circumstances change in fiscal 2020, the Compensation Committee will consider and determine if changes are required with respect to compensation payable to the non-NEO directors of the Company, taking into consideration general industry standards for companies similar to the Company and the time and efforts provided to the Company by each non-NEO director, and will make its recommendation to the Board for approval of its director compensation proposals.

NEO Compensation

In making the determination to pay NEOs a bonus as part of their compensation package, the Compensation Committee takes into consideration the fact that the Company’s NEOs are responsible for management of certain of the Company’s retail locations, and accordingly they contribute directly to the Company’s profits. The bonus compensation payable to the President of Am-Call is subject to independent approval by the Compensation Committee.

All cash bonuses for the fiscal year are paid by June 30 of the following year and, in lieu of a cash bonus, the Company may contribute an equivalent amount to a pension plan on behalf of an eligible individual with the consent of the eligible individual involved.

Other than as described above, there are no other perquisites provided to the NEOs. The Company does not use specific benchmark groups in determining compensation or any element of compensation.

A copy of the Compensation Committee Charter may be obtained by contacting the corporate secretary of the Company (see “Additional Information” below).

Other than transactions carried out in the normal course of business of the Company or any of its affiliates, no informed person and none of the proposed directors of the Company or any associate or affiliate of any informed person or proposed director had any material interest, direct or indirect, in any transaction since the commencement of the Company’s most recently completed financial year or in any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries.

MANAGEMENT CONTRACTS

During year ended December 31, 2019, no management functions of the Company were to any substantial degree performed by a person other than the directors or executive officers of the Company.

CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires that each reporting company disclose its corporate governance practices on an annual basis. The Company’s general approach to corporate governance is summarized below.

Board of Directors

Independence

The Company's Board is comprised of seven (7) directors: Alice Chiu, Edgar Pang, Gen Wong, Kei Fat Anthony Chan, Bill Hui, Ken Vong and Sin-Kuen Yau.

Section 1.4 of National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”) sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, three of the seven members of the Board are independent. The members who are independent are Bill Hui, Ken Vong and Sin-Kuen Yau. Alice Chiu is not independent by virtue of the fact that she is an executive officer of the Company (President & CEO) and an executive officer of two subsidiaries of the Company (Vice-President of Am-Call and Chairman of Adwell). Edgar Pang is not independent by virtue of the fact that he is an executive officer of the Company (CFO & corporate secretary) and an executive of a subsidiary of the Company (President and corporate secretary of Am-Call). Gen Wong is not independent by virtue of the fact that he is an executive officer of the Company (COO) and an executive officer of two subsidiaries of the Company (Vice-President of Am-Call and President of Adwell). Kei Fat Anthony Chan is not independent by virtue of the fact that he is an employee of one subsidiary of the Company (received compensation in his capacity as a sales manager of Am-Call) and a consultant to another subsidiary of the Company (received compensation in his capacity as consultant to Adwell).

In order to facilitate its exercise of independent judgment in carrying out the responsibilities of the Board, the Board ensures that its independent directors are in attendance at all Board meetings.

Other Directorships

No directors of the Company serve as directors of any other reporting issuers or reporting issuer equivalents.

Orientation and Continuing Education

The Company has not adopted a formalized process of orientation for new Board members. Orientation of new directors has been and will be conducted on an ad hoc basis through discussions and meetings with other directors, officers and employees where a thorough description of the Company's business, assets, operations and strategic plans and objectives are discussed. Orientation activities have been and will be tailored to the particular needs and experiences of each director and the overall needs of the Board.

The Board does not take any formal measures to provide continuing education for the directors. Directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at the Board meetings. Directors are also provided the opportunity to meet with senior management, advisors and other directors who can answer any questions that may arise.

At this stage in the Company's development, and having regard to the background and experience of its directors, the Board does not feel it necessary to have such policies or programs in place.

Ethical Business Conduct

The Board has not adopted a formal written Code of Business Conduct and Ethics. In recruiting new Board members, the Board considers only persons with a demonstrated record of ethical business conduct.

The Board has concluded that fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, in addition to the applicable corporate legislation restrictions placed on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board does not have a nominations committee or a formal procedure with respect to the nomination of directors. Nominees have historically been recruited by the efforts of existing Board members, and the recruitment process has involved both formal and informal discussions among Board members. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives and have a willingness to serve.

The Board monitors, but does not formally assess, the performance of individual Board members and their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant.

Compensation

The Company's Compensation Committee is comprised of three directors: Bill Hui, Ken Vong and Sin-Kuen Yau. During fiscal 2019, none of these directors were officers or employees of the Company.

The primary purpose of the Compensation Committee is to act as administrator of the Company's stock option plan; review forms of compensation to be provided to officers and employees, including stock compensation; discharge the Board's responsibilities relating to compensation of executive officers in accordance with applicable rules and regulations; grant options to purchase common shares of the Company to employees and executive officers; and review and make recommendations to the Board regarding all forms of compensation to be provided to the directors of the Company, including stock compensation.

The Compensation Committee is governed by a Compensation Committee Charter.

Other Board Committees

The Company does not have any committees other than the Compensation Committee and an Audit Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees, however, the Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors. The Board will consider implementing one in the future should circumstances warrant.

Since the commencement of the Company's most recent financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110 – Audit Committee Composition & Reporting Obligations

Since the Company is a "venture issuer" (as such term is defined in NI 52-110), it is relying on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 5 *Reporting Obligations* of NI 52-110 (which requires certain prescribed disclosure about an audit committee in the Company's Annual Information Form, if any, and this Information Circular).
