

SOCIÉTÉ D'EXPLORATION MINIÈRE VIOR INC.

(the "Corporation")

INFORMATION CIRCULAR

(Containing information as at November 16, 2017 unless indicated otherwise)

SOLICITATION OF PROXIES

The management of the Corporation solicits proxies to be used at the annual meeting of shareholders of the Corporation (the "Meeting") to be held at the time and place and for the purposes set forth in the attached Notice of Meeting and at any adjournment thereof. The cost of this solicitation will be borne by the Corporation. Accordingly, the management of the Corporation has prepared this information circular (the "Information Circular") being sent to all shareholders entitled to receive a Notice of Meeting.

QUORUM FOR THE TRANSACTION OF BUSINESS

The Corporation's by-laws provide that the quorum at a meeting of the shareholders of the Corporation shall be constituted by the attendance of two or more shareholders, present in person or represented by proxy, holding at least 5% of the votes attached to outstanding voting shares.

APPOINTMENT OF PROXY

A shareholder that holds his shares directly in his name (a "Registered Shareholder") who is unable to attend the Meeting in person is requested to complete and sign the enclosed form of proxy and to deliver it to Computershare Investor Services Inc. (i) by mail or hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or (ii) by facsimile to 416-263-9524 or 1-866-249-7775. A Registered Shareholder may also vote using the internet at www.investorvote.com or telephone at 1-866-732-8683. In order to be valid and acted upon at the Meeting, the form of proxy must be received no later than 5:00 p.m. (Montreal time) on December 19, 2017 or be deposited with the Secretary of the Corporation before the commencement of the Meeting or any adjournment thereof.

The document appointing a proxy must be in writing and executed by the Registered Shareholder or his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

A Registered Shareholder submitting a form of proxy has the right to appoint a person (who need not be a shareholder) to represent him or her at the Meeting other than the persons designated in the form of proxy furnished by the Corporation. The persons named in the enclosed form of proxy are directors and officers of the Corporation. To exercise that right, the name of the Registered Shareholder's appointee should be legibly printed in the blank space provided. In addition, the Registered Shareholder should notify the appointee of his or her appointment, obtain his or her consent to act as appointee and instruct him or her on how the Registered Shareholder's shares are to be voted.

Shareholders who are not Registered Shareholders should refer to the section "Advice to Non-Registered Shareholders" below.

REVOCAION OF PROXY

A Registered Shareholder who has submitted a form of proxy as directed hereunder may revoke it at any time prior to the exercise thereof. If a Registered Shareholder who has given a proxy personally attends the Meeting at which that proxy is to be voted, that Registered Shareholder may revoke the proxy and vote in person. In addition to the revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Registered Shareholder or his attorney or authorized agent and deposited with (i) Computershare Investor Services Inc. at any time up to 5:00 p.m. (Montreal time) on December 19, 2017 by mail or by hand delivery to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, or by facsimile to 416-263-9524 or 1-866-249-7775, (ii) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or (iii) with the chairman of the Meeting on the day of the Meeting before the commencement of the Meeting, or any adjournment thereof, and upon any such deposit, the proxy will be revoked.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section should be reviewed carefully by the non-registered shareholders. Shareholders who do not hold their shares in their own name (“Beneficial Shareholders”) should note that only proxies deposited by Registered Shareholders whose names appear on the records maintained by the Corporation’s registrar and transfer agent as registered holders of shares will be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a shareholder by a broker, those shares will, in all likelihood, *not* be registered in the shareholder’s name. Such shares will most likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Regulation 54-101 respecting Communication with Beneficial Owners of Securities of a Reporting Issuer (“**Regulation 54-101**”) requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the Registered Shareholder (*i.e.*, the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

The vast majority of brokers now delegate responsibility of obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**BFSI**”) in Canada. BFSI typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to BFSI, or otherwise communicate voting instructions to BFSI (by way of the Internet or telephone, for example). BFSI then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be

represented at the Meeting. A Beneficial Shareholder who receives a BFSI voting instruction form cannot use that form to vote shares directly at the Meeting. The voting instruction forms must be returned to BFSI (or instructions respecting the voting of shares must otherwise be communicated to BFSI) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through a broker or other intermediary, please contact your broker or other intermediary of assistance.

This Information Circular and accompanying materials are being sent to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBO’s**”) and those who do not object to their identity being known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBO’s**”). Subject to the provision of Regulation 54-101 issuers may request and obtain a list of their NOBO’s from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for delivering these materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Corporation’s OBO’s can expect to be contacted by BFSI or their brokers or their broker’s agents as set out above.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting shares registered in the name of his or her broker (or his or her broker’s agent), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the shares as proxyholder for the Registered Shareholder by entering his or her own name in the blank space on the proxy form provided to him or her by his or her broker (or his or her broker’s agent) and return it to that broker (or that broker’s agent) in accordance with the broker’s instructions (or the agent’s instructions).

Unless otherwise indicated, all references to shareholders in this Information Circular, the enclosed form of proxy and the Notice of Meeting are to the Registered Shareholders unless specifically stated otherwise.

EXERCISE OF DISCRETION BY PROXIES

The management undertakes to respect the holder's instructions.

The common shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the shareholder thereon. In the absence of instructions by the mandator, the agent will exercise the right to vote IN FAVOUR of each question defined on the form of proxy, in the Notice of Meeting or in the Information Circular.

Unless otherwise specified herein, all resolutions will be adopted by a simple majority of the votes represented at the Meeting.

Management does not know and cannot foresee at the present time any amendments or new points to be properly brought before the Meeting or any adjournment thereof. If such amendments or new points were to be properly brought before the Meeting, or any adjournment thereof, the persons named in the enclosed form of proxy will vote on such matters in the way they consider advisable.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital stock of the Corporation consists of an unlimited number of common shares without par value. As at November 16, 2017, there were 37,259,267 common shares of the Corporation issued and outstanding. Each common share of the Corporation confers upon its holder the right to one vote.

The board of directors of the Corporation (the “**Board**”) fixed the close of business on November 16, 2017, as the record date for determining which shareholders shall be entitled to receive notice of the Meeting, but failure to receive such notice does not automatically deprive a shareholder of his right to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, no person beneficially owned, directly or indirectly, or exercised control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation as at the date hereof.

SHAREHOLDER PROPOSALS

The *Business Corporations Act* (Québec) provides, in effect, that a registered holder or beneficial owner of shares that is entitled to vote at an annual meeting of the Corporation may submit to the Corporation notice of any matter that the person proposes to raise at the meeting (referred to as a “Proposal”) and discuss at the meeting any matter in respect of which the person would have been entitled to submit a Proposal. The *Business Corporations Act* (Québec) further provides, in effect, that the Corporation must set out the Proposal in its management proxy circular along with, if so requested by the person who makes the Proposal, a statement in support of the Proposal by such person. However, the Corporation will not be required to set out the Proposal in its management proxy circular or include a supporting statement if, among other things, the Proposal is not submitted to the Corporation at least 90 days before the anniversary date of the notice of meeting that was sent to the shareholders in connection with the previous annual meeting of shareholders of the Corporation. As the notice in connection with the Meeting is dated November 16, 2017, the deadline for submitting a proposal to the Corporation in connection with the next annual meeting of shareholders is August 17, 2018.

The foregoing is a summary only; shareholders should carefully review the provisions of the Business Corporations Act (Québec) relating to Proposals and consult with a legal advisor.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

The management of the Corporation is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any of the following persons in any matter to be acted upon other than the election of directors at the Meeting:

- (a) each person who has been a director or executive officer of the Corporation at any time since the beginning of the Corporation’s last financial year;

- (b) each proposed nominee for election as a director of the Corporation; and
- (c) each associate or affiliate of any of the foregoing.

**MATTERS FOR CONSIDERATION AT THE MEETING
PRESENTATION OF FINANCIAL STATEMENTS**

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

Compensation Discussion and Analysis

Interpretation

“Named executive officer” (“**NEO**”) means:

- (a) a Chief Executive Officer (“**CEO**”);
- (b) a Chief Financial Officer (“**CFO**”);
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be an NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of that financial year.

The NEOs who are the subject of this Compensation Discussion and Analysis are Mr. Claude St-Jacques, actual Chairman of the Board and President and CEO of the Corporation until October 30, 2017, and Mr. Gaétan Mercier, CFO.

Compensation Program Objectives

The objectives of the Corporation's executive compensation program are as follows:

- (a) to attract, retain and motivate talented executives who create and sustain the Corporation's continued success; and
- (b) to align the interests of the Corporation's executives with the interests of the Corporation's shareholders.

The Corporation is a mining company involved in exploration of metals and minerals and will not be generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Corporation to be appropriate in the evaluation of the performance of the Corporation's executives.

Purpose of the Compensation Program

The Corporation's executive compensation program has been designed to reward executives for reinforcing the Corporation's values.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary and stock option incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

Stock options are generally awarded to NEOs when they are hired and following their hiring, stock options are awarded occasionally. The granting of stock options upon hire aligns NEOs' rewards with an increase in shareholder value over the long term. The use of stock options encourages and rewards performance by aligning an increase in each NEO's compensation with increases in the Corporation's performance and in the value of the shareholders' investments.

Determination of the Amount of Each Element of the Executive Compensation Program

Intervention of the Board of Directors

The base salary of the NEOs of the Corporation, other than the President, are reviewed annually by the President and the base salary of the President is reviewed annually by the Board.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience and the particular skills of the NEO. Base salary is not evaluated against a formal “peer group”.

Stock Options

The Corporation has established a formal plan (the “**Stock Option Plan**”) under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Corporation in attaining its goal of improved shareholder value. The Board determines which NEOs (and other persons) are entitled to participate in the Corporation’s Stock Option Plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. For further information regarding the Stock Option Plan refer to “*Securities Authorized for Issuance Under Equity Compensation Plans*”.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange.

External Compensation Consultants

During the fiscal years ended June 30, 2017 and 2016, the Corporation did not retain the services of executive compensation consultants to assist the Board in determining compensation for any of the Corporation’s NEOs or directors.

Compensation Risk Management

The Board has not proceeded to an evaluation of the implications of the risks associated with the Corporation’s compensation policies and practices. The Corporation has not adopted a policy forbidding directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Corporation’s securities granted as compensation or held, directly or indirectly, by directors or officers. The Corporation is not, however, aware of any directors or officers having entered into this type of transaction.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO and the granting of stock options, have been designed to provide total compensation which the Board believes is competitive.
