To assure your representation at the Meeting as a **Registered Shareholder**, please complete, sign, date and return the enclosed proxy, whether or not you plan to personally attend the Meeting. Sending your proxy will not prevent you from voting in person at the Meeting. All proxies completed by Registered Shareholders must be received by the Corporation's transfer agent, **Computershare Investor Services Inc.**, not later than **Monday, June 26, 2017 at 2:00 p.m. (Atlantic Time)**. If you receive more than one proxy or voting instruction form, as the case may be, for the Meeting, it is because your shares are registered in more than one name. To ensure that all of your shares are voted you should sign and return all proxies and voting instruction forms that you receive.

Dated at Halifax, Nova Scotia, as at the 29th day of May, 2017.

BY ORDER OF THE BOARD OF DIRECTORS

MANAGEMENT INFORMATION CIRCULAR
(as at May 29, 2017 except as indicated)

INFORMATION REGARDING ORGANIZATION AND CONDUCT OF MEETING

THIS MANAGEMENT INFORMATION CIRCULAR ("CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION OF PROXIES BY OR ON BEHALF OF THE MANAGEMENT OF ANTLER GOLD INC. ("Corporation") for use at the annual and special meeting of the shareholders of the Corporation ("**Shareholders**") to be held at Antler Gold Inc.'s offices, Suite 2001, 1969 Upper Water Street, Purdy's Tower II, Halifax, Nova Scotia, on **Wednesday, June 28, 2017 at 2:00 p.m. (Atlantic Time)** ("**Meeting**"), or at any adjournment thereof, for the purposes set forth in the accompanying notice of meeting ("**Notice of Meeting**").

Solicitation of Proxies

Solicitation of proxies will be primarily by mail, but may also be by telephone or other means of communication by the directors, officers, employees or agents of the Corporation at nominal cost. All costs of solicitation will be paid by the Corporation. The Corporation will also pay the fees and costs of intermediaries for their services in transmitting proxy-related material in accordance with National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**").

Appointment and Revocation of Proxies

Shareholders of the Corporation may be "Registered Shareholders" or "Non-Registered Shareholders". If common shares of the Corporation ("**Common Shares**") are registered in the Shareholder's name, they are said to be owned by a "**Registered Shareholder**". If Common Shares are registered in the name of an intermediary and not registered in the Shareholder's name, they are said to be owned by a "**Non-Registered Shareholder**". An intermediary is usually a bank, trust company, securities dealer or broker, or a clearing agency in which an intermediary participates. The instructions provided below set forth the different procedures for voting Common Shares at the Meeting to be followed by Registered Shareholders and Non-Registered Shareholders.

The persons named in the enclosed instrument appointing proxy are officers and directors of the Corporation. **Each Shareholder has the right to appoint a person or company (who need not be a Shareholder) to attend and act for him or her at the Meeting other than the persons designated in the enclosed form of proxy.** Shareholders who have given a proxy also have the right to revoke it insofar as it has not been exercised. The right to appoint an alternate proxyholder and the right to revoke a proxy may be exercised by following the procedures set out below under "*Registered Shareholders*" or "*Non-Registered Shareholders*", as applicable.

If any Shareholder receives more than one (1) proxy or voting instruction form, it is because that Shareholder's shares are registered in more than one form. In such cases, Shareholders should sign and submit all proxies or voting instruction forms received by them in accordance with the instructions provided.

Registered Shareholders

Registered Shareholders have two (2) methods by which they can vote their Common Shares at the Meeting, namely in person or by proxy. To assure representation at the Meeting, Registered Shareholders are encouraged to return the proxy included with the Circular. Sending in a proxy will not prevent a Registered Shareholder from voting in person at the Meeting. The vote will be taken and counted at the Meeting. Registered Shareholders who do not plan to attend the Meeting or who do not wish to vote in person can vote by proxy.

Proxies must be received by the Corporation's transfer agent, **Computershare Investor Services Inc.** ("**Computershare**"), not later than **Monday, June 26, 2017 at 2:00 p.m. (Atlantic Time)**. A Registered Shareholder must return the completed proxy to Computershare, as follows:

- (a) by **mail** in the enclosed envelope; or

- (b) by the **Internet** or **telephone** as described on the enclosed proxy; or
- (c) by **registered mail**, by **hand** or by **courier** to the attention of Computershare Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5H 2Y1.

To exercise the right to appoint a person or company to attend and act for a Registered Shareholder at the Meeting, such Shareholder must strike out the names of the persons designated on the enclosed instrument appointing a proxy and insert the name of the alternate appointee in the blank space provided for that purpose.

To exercise the right to revoke a proxy, in addition to any other manner permitted by law, a Shareholder who has given a proxy may revoke it by instrument in writing, executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited: (i) at the registered office of the Corporation, Suite 1300-1969 Upper Water Street, Halifax, Nova Scotia, B3J 3R7, Attention: Dan Whittaker, at any time up to and including the last business day preceding the Meeting at which the proxy is to be used, or at any adjournment thereof, or (ii) with the chairman of the Meeting on the date of the Meeting, or at any adjournment thereof, and upon either of such deposits the proxy is revoked.

Non-Registered Shareholders

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as "**NOBOs**". Non-Registered Shareholders who have objected to their intermediary disclosing the ownership information about themselves to the Corporation are referred to as "**OBOs**".

In accordance with the requirements of NI 54-101, the Corporation is sending the Notice of Meeting, this Circular, and either the voting instructions form ("**VIF**") or the form of proxy, as applicable, (collectively, the "**Meeting Materials**") directly to the NOBOs and indirectly, through intermediaries, to the OBOs. The Corporation will also pay the fees and costs of intermediaries for their services in delivering Meeting Materials to OBOs in accordance with NI 54-101.

Meeting Materials Received by OBOs from Intermediaries:

The Corporation has distributed copies of the Meeting Materials to intermediaries for distribution to OBOs. Intermediaries are required to deliver these materials to all OBOs of the Corporation who have not waived their rights to receive these materials, and to seek instructions as to how to vote the Common Shares. Often, intermediaries will use a service company (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to OBOs.

OBOs who receive Meeting Materials will typically be given the ability to provide voting instructions in one of two ways:

- (a) Usually, an OBO will be given a VIF which must be completed and signed by the OBO in accordance with the instructions provided by the intermediary. In this case, the mechanisms described above for Registered Shareholders cannot be used and the instructions provided by the intermediary must be followed.
- (b) Occasionally, an OBO may be given a proxy that has already been signed by the intermediary. This form of proxy is restricted to the number of Common Shares owned by the OBO but is otherwise not completed. This form of proxy does not need to be signed by the OBO but must be completed by the OBO and returned to Computershare in the manner described above for Registered Shareholders.

The purpose of these procedures is to allow OBOs to direct the proxy voting of the Common Shares that they own but that are not registered in their name. Should an OBO who receives either a form of proxy or a VIF wish to attend and vote at the Meeting in person (or have another person attend and vote on his or her behalf), the OBO should strike out the persons named in the form of proxy as the proxy holder and insert the OBO's (or such other

person's) name in the blank space provided or, in the case of a VIF, follow the instructions provided by the intermediary. **In either case, OBOs who received Meeting Materials from their intermediary should carefully follow the instructions provided by the intermediary.**

To exercise the right to revoke a proxy, an OBO who has completed a proxy (or a VIF, as applicable) should carefully follow the instructions provided by the intermediary.

Proxies returned by intermediaries as "non-votes" because the intermediary has not received instructions from the OBO with respect to the voting of certain shares or, under applicable stock exchange or other rules, the intermediary does not have the discretion to vote those shares on one or more of the matters that come before the Meeting, will be treated as not entitled to vote on any such matter and will not be counted as having been voted in respect of any such matter. Common Shares represented by such "non-votes" will, however, be counted in determining whether there is a quorum.

Meeting Materials Received by NOBOs from the Corporation:

As permitted under NI 54-101, the Corporation has used a NOBO list to send the Meeting Materials directly to the NOBOs whose names appear on that list. If you are a NOBO and the Corporation's transfer agent, Computershare, has sent these materials directly to you, your name and address and information about your holdings of Common Shares of the Corporation have been obtained from the intermediary holding such shares on your behalf in accordance with applicable securities regulatory requirements.

As a result, any NOBO of the Corporation can expect to receive a scannable VIF from Computershare. Please complete and return the VIF to Computershare in the envelope provided. Computershare will tabulate the results of the VIFs received from the Corporation's NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF's received by Computershare.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. The intermediary holding Common Shares on your behalf has appointed you as the proxyholder of such Common Shares, and therefore you can provide your voting instructions by completing the proxy included with this Circular in the same way as a Registered Shareholder. Please refer to the information under the heading "*Registered Shareholders*" for a description of the procedure to return a proxy, your right to appoint another person or company as your proxy to attend the Meeting, and your right to revoke the proxy.

Although a Non-Registered Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Non-Registered Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote the Common Shares in that capacity. Non-Registered Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

Notice-and-Access

The Corporation is not sending the Meeting Materials to Registered Shareholders or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

Exercise of Proxies

Where a choice is specified, the Common Shares represented by proxy will be voted for, withheld from voting or voted against, as directed, on any poll or ballot that may be called. **Where no choice is specified, the proxy will confer discretionary authority and will be voted in favour of all matters referred to on the form of proxy. The proxy also confers discretionary authority to vote for, withhold from voting, or vote against amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting.**

Management has no present knowledge of any amendments or variations to matters identified in the Notice of Meeting or any business that will be presented at the Meeting other than that referred to in the Notice of Meeting. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the enclosed instrument appointing a proxy to vote in accordance with the recommendations of management of the Corporation.

Voting Shares

The authorized capital of the Corporation consists of an unlimited number of Common Shares, of which 26,498,544 are issued and outstanding as of the date hereof.

The board of directors of the Corporation ("**Board**" or "**Board of Directors**") has fixed the record date for the Meeting as the close of business on Monday, May 29, 2017 ("**Record Date**"). Only Shareholders of record as of the close of business on the Record Date will be entitled to vote at the Meeting. Shareholders entitled to vote shall have one (1) vote each on a show of hands and one (1) vote per Common Share on a poll.

Quorum

Two (2) persons present and each entitled to vote at the Meeting and authorized to cast at the Meeting in aggregate not less than ten percent (10%) of the total number of votes attaching to all shares of the Corporation carrying the right to vote will constitute a quorum at the Meeting.

Principal Shareholders

As of the date hereof, to the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or exercises control or direction over, directly or indirectly, ten percent (10%) or more of the voting rights attached to the outstanding Common Shares except as follows:

- (3) Based on public filings with securities regulatory authorities in Canada.

BUSINESS TO BE TRANSACTED AT THE MEETING

Presentation of Financial Statements

The financial statements of the Corporation, the auditor's report thereon and management's discussion and analysis for the period from March 23, 2016, the date of incorporation, to December 31, 2016, are filed on SEDAR under the Corporation's profile and will be presented to the Shareholders at the Meeting.

Election of Directors

The Articles of Incorporation of the Corporation provide that the size of the Board must consist of not less than one (1) director and not more than ten (10) directors to be elected annually.

willingness to continue to serve as directors, if re-elected. The term of office of each director elected will be until the next annual meeting of the Shareholders or until the position is otherwise vacated.

Unless the proxy specifically instructs the proxyholder to withhold such vote, Common Shares represented by the proxies hereby solicited shall be voted for the election of the nominees whose names are set forth below. Management does not contemplate that any of these proposed nominees will be unable to serve as a director of the Corporation, but if that should occur for any reason prior to the Meeting, the persons designated in the enclosed instrument appointing proxy will have the right to use their discretion in voting for a properly qualified substitute.

Appointment of Auditor

KPMG LLP has been the auditor of the Corporation since its incorporation. Management recommends the re-appointment of KPMG LLP. The Shareholders will be asked at the Meeting to vote for the appointment of KPMG LLP as auditor of the Corporation until the next annual meeting of Shareholders of the Corporation, at a remuneration to be fixed by the Board.

It is intended that all proxies received will be voted in favour of the appointment of KPMG LLP as auditor of the Corporation, unless a proxy contains instructions to withhold the same from voting. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the appointment of KPMG LLP as auditor of the Corporation.

Annual Approval of Incentive Stock Option Plan

The Corporation adopted a 10% "rolling" incentive stock option plan ("**Plan**"), which was originally approved by the Board on July 27, 2016. The rules of the TSX Venture Exchange ("**TSX-V**") provide that a rolling stock option plan must be re-approved by shareholders every year.

The purpose of the Plan is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation to acquire Common Shares, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

The following information is intended as a brief description of the Plan, and is qualified in its entirety by reference to the Plan itself, which is attached as Appendix A. In addition, upon request, the Corporation will promptly provide a copy of the Plan free of charge to any Shareholder. To request a copy of the Plan, Shareholders should contact

Paul Thomson, Corporate Secretary, Suite 2001 - 1969 Upper Water Street, Purdy's Wharf Tower II, Halifax NS B3J 3R7.

The Plan

The Plan is administered by the Board, but may be administered by a committee of the Board to which the Board has delegated its duties and powers under the Plan. Directors, officers, consultants and employees of the Corporation or its subsidiaries or affiliates, and employees of any person or company which provides management services to the Corporation or its subsidiaries or affiliates, are eligible to participate in the Plan.

The aggregate number of Common Shares reserved for issuance under the Plan shall be up to 10% of the issued and outstanding Common Shares of the Corporation at the time when options are granted. The number of options granted to a participant shall be determined by the Board, provided that:

- (a) No person (and companies wholly owned by that person) may be granted options in any twelve-month period to purchase Common Shares exceeding 5% of the issued and outstanding Common Shares, calculated at the time of granting an option to such person, unless the Corporation has obtained disinterested shareholder approval in respect of such grant.
- (b) The aggregate number of options granted to any one consultant in a twelve-month period must not exceed 2% of the issued and outstanding Common Shares, calculated at the time an option is granted to the consultant.
- (c) The aggregate number of options granted all persons retained to provide investor relations activities must not exceed 2% of the issued and outstanding Common Shares in any twelve-month period, calculated at the time an option is granted to any such person.

The exercise price of options granted under the Plan will be determined by the Board, provided that the exercise price shall not be less than the discounted market price permitted by the TSX-V.

The Board has the discretion to determine the time during which options will vest and the method of vesting. Unless the Board otherwise determines, options granted under the Plan will fully vest on the date of grant, except that options granted to persons retained to provide investor relations activities are required to vest in stages over a minimum of twelve months with no more than one-quarter ($\frac{1}{4}$) of the options vesting in any three-month period.

The maximum term of an option is 10 years. A participant's options will expire 90 days (or at the expiry of the term of the options, if earlier) after ceasing to act for the Corporation for any reason other than termination by the Corporation for cause and, in the case of termination for cause, the options will expire immediately. Upon the death of a participant, the participant's legal representatives will have one year in which to exercise the outstanding options, but not later than the expiry of the term of the options. Options are not transferable or assignable.

Subject to the requirements of the policies of the TSX-V, obtaining any necessary regulatory approvals and the terms of the Plan, the Board has the discretion to amend or terminate the Plan or amend outstanding options. Shareholder approval will be required for any amendments to the Plan with respect to: (a) persons eligible to be granted options under the Plan; (b) the maximum percentage of Common Shares that are reserved for issuance under the Plan; (c) the limitations under the Plan on the number of options that may be granted to any one person or any category of persons; (d) the method for determining the exercise price of options; (e) the maximum term of options; and (f) the expiry and termination provisions applicable to options.

Existing Stock Options

As of May 29, 2017, the Corporation had stock options outstanding under the Plan that were exercisable to acquire, in the aggregate, 750,000 Common Shares.

Annual Approval of the Plan

Policy 4.4 of the TSX-V requires that rolling stock option plans must receive shareholder approval yearly, at the issuer's annual general meeting. In accordance with Policy 4.4, Shareholders will be asked to consider and if thought fit, approve the following ordinary resolution approving, adopting and ratifying the Plan:

BE IT RESOLVED as an ordinary resolution of the Shareholders of the Corporation that:

1. the Plan, as included in its entirety in Appendix A to the Corporation's management information circular dated May 29, 2017, is hereby ratified, confirmed and approved;
2. the form of the Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the Shareholders; and
3. any one of the directors or officers of the Corporation is hereby authorized to take all such actions and execute and deliver all such documents as are necessary or desirable for the implementation of this resolution.

The directors of the Corporation believe the Plan is in the Corporation's best interests and recommend that the Shareholders approve the Plan. **It is intended that all proxies received will be voted in favour of approving the Plan, unless a proxy contains instructions to vote against. Greater than 50% of the votes of Shareholders present in person or by proxy are required to approve the Plan.**

Share Split

At the Meeting, Shareholders will be asked to consider, and if thought advisable, pass a special resolution ("**Special Resolution**") authorizing an amendment to the Corporation's articles of incorporation ("**Articles**") pursuant to Section 173 of the *Canada Business Corporations Act* ("**CBCA**") to split the share capital on the basis of 1.5 Common Shares for every existing Common Share ("**Share Split**"). For greater clarity, any reference in this Circular to Common Shares other than under this section entitled "*Business to be Transacted at the Meeting – Stock Split*" is a reference to Common Shares on a pre-division basis.

Management believes that having a greater number of Common Shares at a reduced price per Common Share will enhance liquidity, increase investor interest in the Corporation and its business, and bring the trading price into a more accessible range for investors. The Corporation is authorized to issue an unlimited number of Common Shares, and as of May 26, 2017, approximately 26,498,544 Common Shares issued and outstanding. Upon completion of the Share Split, this number would increase to up to 39,747,816. Any fractional shares resulting from the Share Split will be cancelled. Management will ask the Shareholders to authorize the Board to elect not to proceed with the Share Split if the Board subsequently concludes that it would not be in the best interests of the Corporation.

Under existing Canadian income tax law and taking into account all published proposals for amendments, the proposed subdivision of Common Shares will not result in taxable income or in any gain or loss to the holders of Common Shares. In computing any gain or loss on the disposition of the Common Shares, holders of Common Shares will be required to reduce the adjusted cost base of each Common Share to an amount equal to 66.67% of the adjusted cost base of each Common Share currently held.

The Stock Split will not have any effect on the number of Common Shares that remain available for future issuance. The exercise or conversion price and the number of Common Shares issuable under any convertible securities and under the Plan will be proportionately adjusted if the Stock Split proceeds.

In order for the Share Split to be adopted, the special resolution must be approved by at least two-thirds of the votes cast at the meeting by the holders of Common Shares, either in person or by proxy. The Share Split is also subject to regulatory approval, including approval of the TSX-V. As a result, the Corporation may determine that it is necessary to modify the Share Split ratio in order to obtain approval of the Share Split from the TSX-V.

If the special resolution is adopted by the Shareholders, the Board would have the discretion to determine the timing for completion of the Share Split. The Corporation will set the record date for determining the Shareholders of record that will be mailed share certificates representing the additional Common Shares, such record date being no earlier than the second day after the release of the Exchange Bulletin announcing the Share Split. Upon such matters being determined by the Board, the Corporation will notify the Shareholders and the public of the record date and effective date selected to give effect to the Share Split, and will provide new share certificates to Shareholders.

At the Meeting, Shareholders of the Corporation will be asked to consider and, if deemed advisable, to approve the special resolution substantially in the following form ("**Share Split Resolution**"):

BE IT RESOLVED as a special resolution of the Shareholders that:

1. pursuant to Section 173 of the CBCA, and subject to the approval of regulatory authorities, including the TSX-V, the Corporation be authorized to effect a split of the issued and outstanding Common Shares of the Corporation whereby one and a half (1.5) common shares in the capital of the Corporation will be issued in exchange for every one (1) common share issued and outstanding, or such number of common shares, as may be determined by the directors of the Corporation and as may be required to obtain approval of the share split from the TSX-V, as at a record date and effective date to be determined by the directors of the Corporation ("**Share Split**");

Oversight and Description of Director and Named Executive Officer Compensation

The Corporation's Board of Directors is responsible for the oversight of the Corporation's strategy, policies and programs for the compensation and development of senior officers and directors.

Named Executive Officer Compensation

The Corporation does not currently have a formal executive compensation program in place. Named Executive Officers are eligible to receive options pursuant to the Plan at the discretion of the Board. In determining the salary and other compensation of the CFO and option grants for NEOs, the Board conducts an informal survey of comparable data from similar public companies taking into account the size, financial strength and level of activity of the Corporation. The compensation of the CFO is comprised of a base salary, bonuses and options granted under the Plan. The CEO provides services to the Corporation under the Endurance Consulting Agreement.

Director Compensation

The Corporation does not pay its non-management board members an annual retainer fee.

Directors are eligible to receive options pursuant to the Plan at the discretion of the Board. Directors are entitled to be reimbursed for travel and other out-of-pocket expenses incurred for attendance at directors' meetings but are not compensated for travel time in connection with attendance at the board meetings.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Plan is the sole equity compensation plan adopted by the Corporation. The following table sets out information as of December 31, 2016 with regard to outstanding options and Common Shares authorized for issuance under the Plan.

Plan Category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights (Cdn) (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in Column (a)) (c)

Notes:

(1) This number equals 10% of the total issued and outstanding Common Shares on December 31, 2016 (which was 22,555,000) less the number of Common Shares reported under Column (a) above.

For a description of the Plan, see "*Business to be Transacted at the Meeting – Annual Approval of Incentive Stock Option Plan*".

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed below, none of the directors, executive officers or principal shareholders of the Corporation, or associates or affiliates of any of these persons, had any material interest, direct or indirect, in any transaction since March 23, 2016, the date of incorporation of the Corporation, or in any proposed transaction which, in either case, has materially affected or would materially affect the Corporation or any of its subsidiaries.

As announced in a news release issued on March 30, 2017 ("**News Release**"), the Corporation entered into an option agreement ("**Option Agreement**") with Altius Resources Inc. ("**Altius**") for the right to earn a 100% interest in 1,678 mineral claims representing six separate projects ("**Property**") located in central Newfoundland ("**Transaction**"). Altius' head office is located at 66 Kenmount Road, Suite 202, Kenmount Business Centre, St. John's NL A1B 3V7. Altius currently holds 4,500,000 common shares or approximately 17% of the issued and outstanding Common Shares and is therefore an insider of the Corporation pursuant to applicable securities laws and the policies of the TSX-V. The Transaction is subject to approval of Shareholders, which approval may be obtained through written consents of Shareholders holding more than 50% of the Common Shares, excluding Altius and Non-Arm's Length Parties of Altius, as defined in TSX-V Policy 1.1, *Interpretation*. In addition to Shareholder approval, the Transaction is subject to receipt of required regulatory approvals, including final approval of the TSX-V, and completion of satisfactory due diligence on the Property to be conducted by the Corporation.

Pursuant to the Option Agreement, upon closing of the Transaction, the Corporation will issue 980,000 Common Shares to Altius ("**Altius Shares**"). The Corporation will have the option to repurchase 980,000 Common Shares from Altius for an aggregate purchase price of \$1.00 in the event that Altius does not transfer title to the Property to the Corporation following its exercise of the option to acquire the Property pursuant to the terms of the Option Agreement ("**Option**"). The closing market price of a Common Share as of the date of the News Release was \$0.51. Following closing of the Transaction, Altius will hold 5,480,000 Common Shares representing 19.94% of the issued and outstanding Common Shares following closing of the Transaction.

Once the Corporation issues the Altius Shares to Altius and incurs a minimum of \$300,000 in exploration expenditures, it shall be deemed to have exercised the Option and acquired title to the Property, subject to Altius' retention of a 2% net smelter royalty on terms to be agreed upon in a royalty agreement to be entered into between the Corporation and Altius substantially in the form attached to the Option Agreement.

MANAGEMENT CONTRACTS

During the most recently completed financial year, no management functions of the Corporation were, to any substantial degree, performed by a person or company other than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation.

CORPORATE GOVERNANCE

The Board endorses the efforts of the securities commissions or similar regulatory authorities across Canada in continuing the evolution of good corporate governance practices. The Board is committed to adhering to the highest standards in all aspects of its activities.

The corporate governance practices described below are subject to change as the Corporation evolves. Some of its practices are representative of its junior size; however, the Corporation has undertaken to periodically monitor and refine such practices as the size and scope of its operations increase. The Board shall remain sensitive to corporate governance issues and shall continuously seek to set up the necessary measures, control mechanisms and structures to ensure an effective discharge of its responsibilities without creating additional undue overhead costs and reducing the return on shareholders' equity.

Board of Directors

The Board is currently comprised of four (4) directors, three (3) of whom are "independent" within the meaning of National Instrument 52-110, *Audit Committees* ("**NI 52-110**"). Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the corporation's board of directors, be reasonably expected to interfere with the exercise of the directors' independent judgment. In addition, certain individuals, by definition, are deemed to have a "material relationship" with the Corporation and therefore are deemed not to be independent.

Jim Megann, Paul Sparkes and Carl Hansen are considered independent of the Corporation. Daniel Whittaker is not considered independent as he is the President and CEO of the Corporation.

The Board of Directors meets throughout the year, usually at least once per calendar quarter. The frequency of the meetings and the nature of the meeting agendas are dependent on the nature of the business and affairs which the Corporation faces from time to time. The independent directors are given the opportunity to meet separately at the end of each meeting of the Board of Directors, but do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. Having considered the current size of the Board of Directors, the number of independent directors on the Board of Directors and the experience of the independent directors with other reporting issuers, the Board of Directors believes that separate meetings of the independent directors provide sufficient leadership for the independent directors.

Directorships

The following current directors of the Corporation are presently serving as directors of other reporting issuers:

Director	Name of Other Reporting Issuer
Paul Sparkes	Breaking Data Corp. Bluedrop Performance Learning Inc. Blastguard International Inc.
Jim Megann	Torrent Capital Ltd. (formally Metallum Resources Inc.) Stockport Exploration Inc.
Carl Hansen	Atacama Pacific Gold Corporation Colombia Crest Gold Corp. Satori Resources Inc. Torrent Capital Ltd. (formally Metallum Resources Inc.)

Orientation and Continuing Education

The Board has an informal program for the orientation and education of new recruits to the Board of Directors. The Corporation ensures that all new directors meet with management and incumbent directors and are provided with written materials that provide background as to the Corporation's business and outline the securities law obligations and restrictions on members of the Board of Directors and the Corporation.

The Board of Directors endeavours to facilitate continuing education for directors to ensure they keep up to date on changing governance issues and requirements and legislation or regulations in their field of experience and maintain the skills and knowledge necessary to meet their obligations as directors of the Corporation.

Ethical Business Conduct

Through the Board's ongoing supervision of the Corporation's business and affairs, the directors encourage and promote a corporate culture of ethical business conduct. In 2016, the Board of Directors adopted a Code of Business Conduct and Ethics (the "**Code**") which all board members, officers and employees of the Corporation must be familiar with and comply with. The Code is published on the Corporation's website at www.antlergold.com. The Board believes that the fiduciary duties and restrictions applicable to real or potential conflicts of interest placed on directors and officers by corporate legislation and the common law, together with the Code, are sufficient to ensure that the directors and officers act in the best interests of the Corporation.

The Corporation also adopted a Safety and Environmental Policy which recognizes that maintenance of environmental quality is vital to the Corporation's existence, progress, and continued development. The Corporation will maintain high environmental standards limited only by technical and economic feasibility.

The Corporation also has adopted a Whistleblower Policy which establishes procedures for (a) the receipt, retention, and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, auditing matters or violations to the Code; and (b) the submission by employees of the Corporation, on a confidential and anonymous basis, of concerns or complaints about the accuracy, fairness or appropriateness of any of the Corporation's accounting policies or financial reports or violations to the Code.

Certain of the Corporation's directors serve as directors or officers of other reporting issuers or have significant shareholdings in other companies. To the extent that such other companies may participate in business ventures in which the Corporation may participate, the directors may have a conflict of interest in negotiating and concluding terms respecting the extent of such participation. In the event that such a conflict of interest arises at a meeting of the Board, a director who has such a conflict will abstain from voting for or against the approval of such participation or such terms and such director will not participate in negotiating and concluding terms of any proposed transaction. In addition, any director or officer who may have an interest in a transaction or agreement with the Corporation is required to disclose such interest and abstain from discussions and voting in respect to same if the interest is material or if required to do so by corporate or securities law.

Nomination of Directors

The Board has not appointed a nominating committee and does not have a formal process for identifying new candidates for Board nomination. When required, the Board will identify potential candidates for Board membership and make recommendations for nomination based on an individual's character, integrity, judgment and record of achievement and any other qualifications which would add to the Board's decision making process and enhance the overall management of the Corporation's business.

Compensation

Remuneration of the executive officers of the Corporation is determined by the Board. The Board also administers the Corporation's Plan, including any option grants to the directors and officers. At this stage in the Corporation's development, the Corporation has not adopted a formal compensation plan. Starting in 2017, the Corporation intends to conduct an informal survey of comparable data in small public companies taking into account the size as well as

the level of activity of the Corporation to use as a reference when determining salaries, compensation and option grants for the Corporation's executive officers and directors.

The Corporation is relying on the exemption set out in section 6.1 of NI 52-110 applicable to venture issuers.

Assessments

The responsibility for assessing directors on an ongoing basis is assumed in full by the Board and every director is entitled to bring the matter to the Board of Directors. The Board does not perform regular assessments; however, the Board believes that the size of the Corporation facilitates informal discussion and evaluation of the Board, its committees and its members.

- 3.1 Subject to adjustment as provided for herein, while the Corporation is a CPC, the aggregate number of Shares which may be subject to issuance pursuant to Options granted under this Plan shall not exceed 10% of the issued and outstanding Shares of the Corporation as at the closing its IPO, and after the completion of the Corporation's Qualifying Transaction the maximum number of Shares reserved under the Plan shall be up to 10% of the issued and outstanding Shares of the Corporation at any time any Options are granted. The aggregate number of Shares to be delivered upon exercise of all Options granted under this Plan shall not exceed the maximum number of shares permitted under the rules of any Regulatory Authority.
- 3.2 The aggregate number of Options granted to any one person (and companies wholly owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Shares calculated at the time of granting an Option to the person (unless the Corporation has obtained Disinterested Shareholder Approval to do so), provided that, unless the TSX-V permits otherwise:

- (c) no Options may be granted to any person providing Investor Relations Activities, promotional or market-making services.

Eligibility

- 3.4 Options to purchase Shares may be granted hereunder to Service Providers of the Corporation, or its Affiliates, from time to time by the Board, except that as long as the Corporation is a CPC, Options may only be granted to a Director, Officer or, where permitted by securities laws, a technical consultant whose particular industry expertise in relation to the business of the Vendors or the Target Company is required to evaluate the proposed Qualifying Transaction, or a company, all of whose securities are owned by such a director, officer or technical consultant.
- 3.5 Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX-V and the Corporation is obtained.
- 3.6 By granting Options hereunder to an Employee, Consultant or Management Company Employee, the Corporation represents that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

Disinterested Shareholder Approval

- 3.7 The Corporation will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:
 - (a) if at any time the Plan, together with all of the Corporation's previously established outstanding stock option plans or grants, could result in:

 - (ii) the grant to Insiders (as a group), within a 12-month period, of a number of Options exceeding 10% of the outstanding Shares, calculated on the date an Option is granted to any Insider; or

 - (b) the grant of any Option that would result in any of the limitations in (a)(i), (ii) or (iii) above being exceeded unless the Plan permits, at the time of grant of the Option, such limitations to be exceeded; and
 - (c) any amendment to an Option held by an Insider that would have the effect of decreasing the exercise price of the Option.

Options Not Exercised

- 3.8 In the event an Option granted under the Plan expires unexercised, or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Shares that were issuable thereunder will be returned to the Plan and again be available for the purposes of the Plan.

Powers of the Board

- 3.9 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to:
- (a) allot Shares for issuance in connection with the exercise of Options;
 - (b) grant Options hereunder;
 - (c) subject to any necessary Regulatory Approval and the terms of the Plan, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the prior written consent of all Optionees, alter or impair any Option previously granted under the Plan unless the alteration or impairment occurred as a result of a change in the TSX-V Policies or the Corporation's tier classification; and
 - (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

Amendment of the Plan by the Board of Directors

- 3.10 Subject to the requirements of the TSX-V Policies and the prior receipt of any necessary Regulatory Approval, the Board may in its absolute discretion, amend or modify the Plan or any Option granted as follows:

 - (b) it may change the vesting provisions of an Option granted hereunder, subject to prior written approval of the TSX-V, if applicable;
 - (c) it may change the termination provision of an Option granted hereunder which does not entail an extension beyond the original Expiry Date of such Option;
 - (d) it may make amendments necessary as a result in changes in securities laws applicable to the Corporation;
 - (e) if the Corporation becomes listed or quoted on a stock exchange or stock market other than the TSX-V, it may make such amendments as may be required by the policies of such stock exchange or stock market;
 - (f) it may make such amendments as reduce, and do not increase, the benefits of this Plan to Service Providers; and
 - (g) any other amendments permitted by the TSX-V Policies and not otherwise requiring Shareholder Approval or Disinterested Shareholder Approval under the TSX-V Policies or this Plan.

Amendments Requiring Shareholder Approval

- 3.11 The Corporation will be required to obtain Shareholder Approval for amendments to the following provisions of the Plan:

ARTICLE 4

TERMS AND CONDITIONS OF OPTIONS

Exercise Price

- 4.1 The exercise price of an Option will be set by the Board at the time such Option is granted and shall not be less than the Discounted Market Price, provided that:
- (a) while the Corporation is a CPC, the exercise price cannot be less than the greater of the Share price paid under the IPO and the Discounted Market Price; and
 - (b) if Options are granted within 90 days of a Distribution by a prospectus, the minimum exercise price of those Options will be the greater of the Discounted Market Price and the per share price paid by the public investors for Shares acquired under the Distribution, which 90-day period begins on the date a final receipt is issued for the prospectus or in the case of an IPO, on the date of listing.

If the exercise price of an Option is at a discount to the Market Price, any certificate representing the Options and any Shares issued upon exercise of the Options prior to the end of the Exchange Hold Period will be legended with the Exchange Hold Period commencing on the grant date of the Options. In the case of uncertificated Shares, the Exchange Hold Period will be legended on any written notice or acknowledgement issued in respect of the Shares.

Term of Option

- 4.2 Options shall be for a fixed term and exercisable from time to time as determined in the discretion of the Board at the time of grant, provided that no Option shall have a term exceeding 10 years.

Vesting of Options

- 4.3 Subject to the discretion of the Board, the Options granted to an Optionee under this Plan shall fully vest on the date of grant of such Options. In accordance with the TSX-V Policies, and subject to the TSX-V approval to the contrary, Options granted to Optionees retained to provide Investor Relations Activities must vest (and not otherwise be exercisable) in stages over a minimum of 12 months with no more than 1/4 of the Options vesting in any 3 month period.
- 4.4 Notwithstanding any provision of this Plan, while the Corporation is a CPC, no Option may be exercised by an Optionee before the completion of the Qualifying Transaction unless the Optionee agrees in writing to deposit the Shares acquired on exercise of the Option into escrow until the issuance of the Final Exchange Bulletin (as defined in Policy 2.4 of the TSX-V Policies).

Extension of Options Expiring During Blackout Period

- 4.5 Should the Expiry Date for an Option fall within a Blackout Period, such Expiry Date shall, subject to approval of the TSX-V, be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. The ten (10) Business Day period referred to in this section may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

- 4.6 Subject to Sections 4.7, 4.8, 4.9 and 4.10, if an Optionee ceases to be a Service Provider, his Option shall terminate immediately, or at such later date specified by the Board at the time of granting the Option (not later than one year following the date of termination), and all rights to purchase Shares under such Option shall cease and expire and be of no further force or effect upon termination.
- 4.7 If, before the expiry of an Option in accordance with the terms thereof, the Optionee ceases to be a Service Provider for any reason whatsoever other than termination by the Corporation for cause, such Option may, subject to the terms thereof and any other terms of the Plan, be exercised by the Optionee at any time within ninety (90) days following the date of the Optionee ceased to be a Service Provider, but, in any case, the exercise of the Option must be:
- (a) prior to the Expiry Date of the Option that would otherwise apply if not for the Optionee ceasing to be a Service Provider in accordance with the terms of the Option; and
 - (b) only to the extent that the Optionee was entitled to exercise such Option at the date he ceased to be a Service Provider.
- 4.8 Options shall not be affected in the event the Optionee ceases to fall within a listed category contained in the definition of an "Service Provider" hereunder where such Optionee continues to fall within another listed category of such definition.
- 4.9 Notwithstanding the foregoing, Options granted to any Optionee while the Corporation is a CPC, where the Optionee does not continue as a Service Provider of the Resulting Issuer, have a maximum term of the later of 12 months after completing the Qualifying Transaction and 90 days after the Optionee ceases to become a Service Provider of the Resulting Issuer, following which all rights to purchase shares under such Option shall cease and expire and be of no further force or effect.

Death of Optionee

- 4.10 If an Optionee dies prior to the Expiry Date of his Option, his legal representatives may, by the earlier of:
- (a) one year from the date of the Optionee's death (or such lesser period as may be specified by the Board at the time of granting the Option); and
 - (b) the Expiry Date of the Option,
- exercise any portion of such Option.

Non Assignable

- 4.11 Subject to Section 4.10, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

- 4.12 If the Corporation amalgamates or merges with or into another company or enters into an arrangement or other business combination with another company, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, merger, arrangement or other business combination if the Optionee had exercised his Option immediately prior to the record date applicable to such amalgamation, merger, arrangement or other business combination and the exercise price shall be adjusted appropriately by the Board and such adjustment shall be binding for all purposes of the Plan.

- 4.13 If there is any change in the Shares through the declaration of stock dividends of Shares or consolidations, subdivisions or reclassification of Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option, and the exercise price of any Option shall be adjusted appropriately by the Board and such adjustment shall be effective and binding for all purposes of the Plan.
- 4.14 The Corporation shall not be obligated to issue fractional shares in satisfaction of any of its obligations hereunder.

ARTICLE 5

EXERCISE PROCEDURES

Manner of Exercise

- 5.1 Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its principal office of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the exercise price for the Shares to be purchased. The exercise price must be paid in cash.

Conditions of Issuance

- 5.2 Notwithstanding any of the provisions contained in the Plan or any Option, the Corporation's obligation to issue Shares to an Optionee pursuant to the exercise of an Option shall be subject to:
- (a) completion of such registration or other qualification of such Shares or obtaining approval of the Regulatory Authorities as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof;
 - (b) the admission of Shares to listing on the TSX-V; and
 - (c) the receipt from the Optionee of such representations, agreements and undertakings, including as to future dealings in such Shares, as the Corporation or its counsel determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction.

The Corporation shall, to the extent necessary, take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Shares in compliance with applicable securities laws and for the listing of such Shares on the TSX-V. If any Shares cannot be issued to any Optionee for any reason including, without limitation, the failure to obtain necessary shareholder, regulatory or TSX-V approval, then the obligation of the Corporation to issue such Shares shall terminate and any Optionee's exercise price paid to the Corporation shall be returned to the Optionee.

Tax Withholding

- 5.3 If the Corporation is required under the *Income Tax Act* (Canada) or any other applicable law to make source deductions in respect of employee stock option benefits and to remit to the applicable governmental authority an amount on account of tax on the value of the taxable benefit associated with the issuance of Shares on exercise of Options, then the Optionee shall:
- (a) pay to the Corporation, in addition to the exercise price for the Options, sufficient cash as is reasonably determined by the Corporation to be the amount necessary to permit the required tax remittance;
 - (b) authorize the Corporation, on behalf of the Optionee, to sell in the market on such terms and at such time or times as the Corporation determines a portion of the Shares being issued upon exercise of the Options to realize cash proceeds to be used to satisfy the required tax remittance; or
 - (c) make other arrangements acceptable to the Corporation to fund the required tax remittance.

Delivery of Optioned Shares

- 5.4 As soon as practicable after receipt of the notice of exercise described in Section 5.1 and payment in full for the Shares being acquired, the Corporation will direct its transfer agent to issue to the Optionee the appropriate number of Shares.

ARTICLE 6 **GENERAL**

No Other Rights

- 6.1 Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Corporation, or interfere in any way with the right of the Corporation to lawfully terminate the Optionee's office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.
- 6.2 An Optionee shall not have any rights as a shareholder of the Corporation with respect to any Shares covered by an Option until such holder shall have exercised such Option in accordance with the terms of the Plan (including tender of payment in full of the exercise price of the Shares in respect of which the Option is being exercised) and the Corporation shall issue such Shares to the Optionee in accordance with the terms of the Plan in those circumstances.

No Representation or Warranty

- 6.3 The Corporation makes no representation or warranty as to the future market value of Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Shares issuable thereunder or the tax consequences to a Service Provider. Compliance with applicable securities laws as to the disclosure and resale obligations of each Service Provider is the responsibility of each Service Provider and not the Corporation.

Inability to Obtain Approval

- 6.4 The inability of the Corporation to obtain approval from Regulatory Authorities (which approval is deemed by the Corporation to be necessary to the lawful issuance of any Shares hereunder) shall relieve the Corporation of any liability in respect of the failure to issue such Shares.

Applicable Law

- 6.5 The Plan will be governed and construed in accordance with the laws of the Province of Nova Scotia and the federal laws of Canada applicable therein.
- 6.6 If any provision of this Plan or any agreement entered into pursuant to this Plan contravenes any law or any order, policy, by-law or regulation of any Regulatory Authorities, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

Effective Date of Plan and Approvals

- 6.7 The Plan will become effective on the date first noted above and will remain effective subject to receiving Shareholder Approval and to acceptance by the TSX-V and any other relevant Regulatory Authority. Any Options granted hereunder prior to such approval and acceptance shall be conditional upon such approval and acceptance being given, and no such Options may be exercised unless and until such approval and acceptance is given.
