MANAGEMENT INFORMATION CIRCULAR AND PROXY STATEMENT

GENERAL PROXY MATTERS

Solicitation of Proxies by Management

This Management Information Circular (the "**Circular**") is being furnished in connection with the solicitation of proxies by the management of Gen III Oil Corporation (the "**Company**") for use at the annual general meeting of shareholders of the Company (the "**Meeting**") to be held on Thursday, December 20, 2018 at the time and place and for the purposes set forth in the accompanying Notice of Meeting (the "**Notice**"), and any adjournment thereof. This Circular contains information as at November 15, 2018, unless otherwise noted.

Cost and Manner of Solicitation

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally, or by telephone, facsimile or electronically by the directors or regular employees of the Company, or other proxy solicitation services. In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of common shares of the Company ("**Common Shares**"). All costs of solicitation will be borne by the Company.

Appointment of Proxy

A shareholder entitled to vote at the Meeting, may, by means of a properly executed and deposited proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders of the Company, to attend and act at the Meeting for the shareholder and on the shareholder's behalf.

The individuals named in the enclosed form of proxy are directors or officers of the Company ("**Management Designees**"). **A shareholder wishing to appoint some other person (who need not be a shareholder of the Company) to represent him or her at the Meeting has the right to do so, either by inserting that person's name in the blank space provided in the form of proxy and striking out the names of the Management Designees, or by completing another form of proxy, or by using the internet at www.investorvote.com or the telephone by calling 1-866-732-8683 (Toll Free).** A proxy will not be valid unless the completed, dated and signed form of proxy is deposited with Computershare Investor Services Inc. ("**Computershare**") not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time for holding the Meeting or an adjournment thereof, or is delivered to the chair of the Meeting prior to the commencement of the Meeting, or an adjourned meeting. Proxies may be voted in one of the following manners:

- (a) by using the internet at www.investorvote.com;
- (b) by using telephone by calling 1-866-732-8683 (Toll Free); or

- (c) by completing, then signing and depositing the enclosed form of proxy with the Corporation's transfer agent, Computershare, using one of the following methods:

By Mail: Computershare Investor Services Inc.
3rd Floor, 510 Burrard Street
Vancouver, BC V6C 3B9
Canada

By Facsimile: (604) 661-9401

If you vote your proxy using the internet or the telephone, do not send back the form of proxy.

Revocation of Proxy

A shareholder who has given a proxy may revoke it by an instrument in writing duly executed by the shareholder or by his or her attorney authorized in writing, or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Company at 1500, 850 – 2 Street SW, Calgary, Alberta T2P 0R8, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In addition, a proxy may be revoked by a shareholder executing another form of proxy bearing a later date and depositing the same at the offices of Computershare within the time period and in the manner set out above or by the shareholder personally attending the Meeting, withdrawing his or her proxy and voting the shares.

Voting of Proxies and Exercise of Discretion by Proxyholders

Unless a ballot is called for or required by law, voting at the Meeting will be by way of show of hands. Common Shares represented by a properly completed, executed and deposited proxy may be voted by the proxyholder on a show of hands, except where the proxyholder has conflicting instructions from more than one shareholder, in which case such proxyholder will not be entitled to vote on a show of hands. In addition, shares represented by proxies may be voted on any ballot. In either case, where a choice with respect to any matter to be acted upon has been specified in the proxy, the shares will be voted or withheld from voting accordingly.

IF A CHOICE WITH RESPECT TO ANY MATTER IS NOT CLEARLY SPECIFIED IN THE PROXY, THE MANAGEMENT DESIGNEES WILL VOTE THE SHARES REPRESENTED BY THE PROXY FOR EACH MATTER.

The enclosed form of proxy, when properly completed, executed and deposited and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the accompanying Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, the enclosed form of proxy confers discretionary authority on the Management Designees to vote in accordance with their best judgment on such matters or business. At the date of this Circular, management knows of no such amendment, variation or other matter which may be presented to the Meeting.

Advice to Beneficial Holders of Common Shares

Only registered holders of Common Shares of the Company or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a **"Non-Registered Holder"**) are registered either: (i) in the name of an intermediary (an **"Intermediary"**) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's and similar plans) that the Non-Registered Holder deals with in respect of the shares, or (ii) in the name of a clearing agency (such as the Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Distribution to Non-Objecting Beneficial Owner ("NOBO")

In accordance with the requirements of the Canadian Securities Administrators and NI 54-101, the Company will have caused its agent to distribute copies of the Notice and this Circular (collectively, the **"meeting materials"**) as well as a Voting Instruction Form directly to those Non-Registered Holders who have provided instructions to an Intermediary that such Non-Registered Holder does not object to the Intermediary disclosing ownership information about the beneficial owner.

These securityholder materials are being sent to both registered and Non-Registered Holders of the securities. If you are a Non-Registered Holder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request/or Voting Instruction Form enclosed with mailings to NOBOs.

The meeting materials distributed by the Company's agent to NOBOs include a Voting Instruction Form. Please carefully review the instructions on the Voting Instruction Form for completion and deposit.

Distribution to Objecting Beneficial Owner ("OBO")

In addition, the Company will have caused its agent to deliver copies of the meeting materials to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Holders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner.

Intermediaries are required to forward the meeting materials to OBOs unless an OBO has waived his or her right to receive them. Intermediaries generally use service companies such as Broadridge to forward the meeting materials to OBOs. Generally, those OBOs who have not waived the right to receive meeting materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number of shares beneficially owned by the OBO, but which is otherwise uncompleted. This form of proxy need not be signed by the OBO. In this case, the OBO who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare with respect to the Common Shares beneficially owned by such OBO, in accordance with the instructions above; OR

- (b) more typically, be given a voting registration form which is not signed by the Intermediary and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute authority and instructions (often called a **"proxy authorization form"**) which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code or other information. In order for the form of proxy to validly constitute a proxy authorization form, the OBO must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit the OBO to direct the voting of the shares he or she beneficially owns.

Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the persons named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions, including those regarding when and where the proxy or proxy authorization form is to be delivered.

Management does not intend to pay for Intermediaries to forward the meeting materials and Voting Instructions Forms to OBOs and therefore an OBO will not receive the meeting materials and Voting Instructions Form unless his or her Intermediary assumes the cost of delivery.

The Company has no other classes of voting securities.

Principal Holders

To the knowledge of the directors and senior officers of the Company, as at November 15, 2018, there are no persons or companies who beneficially own, directly or indirectly, or exercise control or direction over shares carrying 10% or more of the voting rights attached to all outstanding Common Shares of the Company.

Record Date

Any shareholder of record at the close of business on November 15, 2018 (the **"Record Date"**) who either personally attends the Meeting or who has submitted a properly executed and deposited form of proxy in the manner and subject to the provisions described above and which has not been revoked shall be entitled to vote or to have his or her shares voted at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed below or elsewhere in this Circular, none of the directors or executive officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or executive officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate or any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors.

STATEMENT OF EXECUTIVE COMPENSATION

The following sections outline the executive compensation practices of the Company with respect to those individuals who were: (i) acting as Chief Executive Officer (the "**CEO**") of the Company, or in a similar capacity, for any part of the financial year ended December 31, 2017; (ii) acting as Chief Financial Officer (the "**CFO**") of the Company, or in a similar capacity, for any part of such financial year; and (iii) each of the three most highly compensated executive officers of the Company, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of such financial year and whose total compensation was more than \$150,000 (collectively the "**NEOs**").

Compensation Discussion and Analysis

The Company's approach to executive compensation has historically been to provide suitable compensation for executives that is internally equitable, externally competitive and reflects individual achievement. The Company has attempted to maintain compensation arrangements that will attract and retain highly qualified individuals who are able and capable of carrying out the objectives of the Company. The board of directors of the Company (the "**Board**") established and reviewed the Company's overall compensation philosophy and its general compensation policies with respect to the CEO and other officers, including the corporate goals and objectives and the annual performance objectives relevant to such officers. The Board evaluated each officer's performance in light of these goals and objectives and, based on its evaluation, determined and approved the salary, bonus, options and other benefits for such officers. In determining compensation matters, the Board considered a number of factors, including the Company's performance, the value of similar incentive awards to officers performing similar functions at comparable companies, the awards given in past years and other factors it considers relevant. The overall objectives of the Company's compensation strategy are to reward members of management for their efforts, while seeking to conserve cash. Until recently, compensation of the NEOs has emphasized conservation of cash.

Existing options held by the NEOs at the time of subsequent option grants are taken into consideration in determining the quantum or terms of any such subsequent option grants. Options have been granted to directors, management, employees and certain service providers as long-term incentives to align the individual's interests with those of the Company. The size of the option awards is in proportion to the deemed ability of the individual to make an impact on the Company's success.

The Board has considered the implications of the risks associated with the Company's compensation policies and practices. The Board considered the balance between long-term objectives and short-term financial goals incorporated into the Company's executive compensation program and whether or not NEOs are potentially encouraged to expose the Company to inappropriate or excessive risks. Risks, if any, may be identified and mitigated through regular meetings of the Compensation Committee (as defined below) and the Board. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

The Company currently does not have a policy that restricts NEOs and directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEOs or director.

The Company has established a compensation committee which has been given the mandate to develop the Company's executive compensation philosophy and program and oversee the implementation thereof (the "**Compensation Committee**"). The Compensation Committee consists of three directors, namely, Gregory Clarkes, Paul DiPasquale and Larry Van Hatten. The Board believes that the members of the Compensation Committee collectively have the knowledge, experience and background required to fulfill the mandate of the Compensation Committee.

During the Company's most recently completed financial year, the Company has not retained a compensation consultant or advisor to assist the Compensation Committee or the Board in determining compensation for any of the Company's executive officers.

Options granted under the Stock Option Plan are non-transferable and generally vest immediately. Options are exercisable for a period of up to ten (10) years from the date of the grant.

Employees, officers, directors, consultants, employees of any person providing management services to the Company, or any company wholly owned by any of the aforementioned are entitled to participate in the Stock Option Plan while they are engaged with the Company. If a participant under the Stock Option Plan dies while engaged with the Company, the right of that participant (or of that participant’s legal representative) to participate in the Stock Option Plan terminates as of the date of death, but any vested option may be exercised until the earlier of one year after the date of death of such participant and the date of expiration of the Option. If a participant under the Stock Option Plan ceases to be employed by or provide services to the Company, except in the case of termination for cause, any vested option may be exercised until the earlier of ninety (90) days after the participant ceases to be an eligible person under the Stock Option Plan and the date of expiration of the term otherwise applicable, or for such longer period as agreed by the Board and approved by the Exchange at any time prior to expiry of the Option. If a participant under

the Stock Option Plan ceases to be employed by or provide services to the Company as a result of termination for cause, all options, whether or not vested, will terminate immediately without any right of exercise unless the Board extends the date of such termination to a later date, which must not exceed the earlier of the expiry date of the option and the date that is twelve (12) months after the participant ceases to be an eligible person under the Stock Option Plan.

Options granted under the Stock Option Plan may only be exercised during the lifetime of a participant by such participant personally and no assignment or transfer of options, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such options whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such options will terminate and be of no further force or effect. However, the Board retains discretion to waive this requirement, subject to the approval of the Exchange, and permit the participant or its legal representative to exercise all or any unvested part of an option if the option would have otherwise vested but for the participant ceasing to be an eligible person.

The Stock Option Plan is administered by the Board, which has authority and discretion, subject to the express provisions of the plan, to interpret the Stock Option Plan, to amend the Stock Option Plan and to make all other determinations deemed necessary or advisable for the administration of the Stock Option Plan. The Board has the right, in its sole discretion, to amend, suspend or terminate the Stock Option Plan or any portion thereof at any time, in accordance with applicable legislation, without obtaining the approval of shareholders; provided that any amendment to any provision of the Stock Option Plan will be subject to any required regulatory approval, stock exchange rules and the provisions of applicable law, if any, that require the approval of shareholders. Notwithstanding the foregoing, the Company will be required to obtain the approval of disinterested shareholders for any amendment related to: (i) the issuance to any one individual within a 12 month period a number of Common Shares exceeding 5% of the issued and outstanding Common Shares; and (ii) reducing the exercise price for outstanding options granted to an insider of the Company.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As at the date of this Circular and at all times since the commencement of the financial year ended December 31, 2017, no current or former employee, director, executive officer or nominee for election as a director (a "**Nominee**") of the Company (nor any of their associates and/or affiliates) was indebted, including under any securities purchase or other program, to (i) the Company or its subsidiaries, or (ii) any other entity which is, or was at any time since the commencement of the financial year ended December 31, 2017, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company or its subsidiaries.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

For the purposes of this Circular, "**informed person**" means:

- (a) a director or executive officer of the Company;
- (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company;
- (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company, or a combination of both, carrying more than 10% of the voting rights attached to all outstanding voting securities of the Company, other than voting securities held by the person or company as underwriter in the course of a distribution; and
- (d) the Company if it has purchased, redeemed or otherwise acquired any of its own securities, for so long as it holds any of its securities.

Other than as set out in this Circular, no informed person, no proposed director of the Company and no associate or affiliate of any such informed person or proposed director, has any material interest, direct or indirect, in any material transaction since the commencement of the Company's last completed financial year or in any proposed transaction, which, in either case, has materially affected or will materially affect the Company or any of its subsidiaries.

On March 28, 2016, the Company entered into a forbearance agreement (the "**Forbearance Agreement**") with VeroLube Inc. ("**VeroLube**"). Under the Forbearance Agreement, the Company agreed to forbear from exercising rights and remedies under the loan documents existing with VeroLube, conditionally upon VeroLube assigning the patents to the Company and issuing 305,875 common shares of VeroLube to the Company on or before May 31, 2016. VeroLube did not fulfill these conditions. The Forbearance Agreement provided that VeroLube was to repay the loans on or before December 31, 2016. VeroLube did not repay the VeroLube Loan by the agreed upon date of December 31, 2016.

On January 3, 2017, the Company announced that it had granted a limited 30-day extension to its Forbearance Agreement with VeroLube. The extension, from December 31, 2016 to January 30, 2017, was granted subject to certain conditions being met by VeroLube, including the following: delivery to the Company of three originally executed copies of the patent license agreement, and delivery to the Company of such documents as it may require to effect absolute assignment of the patents, both as provided for in the Forbearance Agreement. All other terms and conditions of the Forbearance Agreement remained in full force and effect. On January 15, 2017, VeroLube assigned the patents for the ReGen™ re-refining process technology to the Company. On February 3, 2017, the Company issued a demand to VeroLube for repayment of all outstanding loan amounts and accrued and unpaid interest. The Company also provided notice to VeroLube that it was proceeding to enforce its security over the VeroLube patents and personal property. VeroLube failed to repay the outstanding loan amounts and the Company fully exercised its rights.

AUDIT COMMITTEE

National Instrument 52-110 – *Audit Committees ("NI 52-110")* requires the Company, as a venture issuer, to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its independent auditors. This information is presented below.

Audit Committee Charter

The text of the Audit Committee's charter is attached hereto as Schedule "A".

Composition of the Audit Committee and Relevant Education and Experience

As at the date hereof, the Audit Committee consists of Larry Van Hatten, Paul DiPasquale and John Detmold. A member of the Audit Committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company.

All members are considered to be "financially literate" within the meaning of Section 1.6 of NI 52-110. Mr. Van Hatten is a chartered accountant. Mr. DiPasquale has many years of experience in the securities industry, and Mr. Detmold has over 30 years' of corporate finance experience.

A member of the Audit Committee is "independent" within the meaning of NI 52-110 if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment. In the Board's view, Messrs. DiPasquale and Detmold are independent, and Mr. Van Hatten is not independent because he receives consulting fees from the Company. The Company is relying on the exemption at Section 6.1 of NI 52-110 from the requirement that all members of the audit committee be independent, which applies to companies (such as the Company) whose securities are listed only on the Exchange.

Pre-Approval Policies and Procedures

The Audit Committee may satisfy the requirement for the pre-approval of non-audit services by adopting specific policies and procedures for the engagement of non-audit services, if:

- (a) the pre-approval policies and procedures are detailed as to the particular service;

- (b) the Audit Committee is informed of each non-audit service; and
- (c) the procedures do not include delegation of the Audit Committee's responsibilities to management.

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the audit and non-audit services provided by the Company's current auditor, Ernst & Young LLP, to the Company to ensure auditor independence. Fees incurred with Ernst & Young LLP for audit and non-audit services in the last two fiscal years are outlined in the following table.

Fiscal Year	Audit Fees	Audit-Related Fees	Tax Fees ⁽¹⁾	All Other Fees ⁽²⁾
2017	\$40,000	\$56,000	\$13,245	\$7,800
2016	\$50,000	Nil	\$1,981	\$1,400

Notes:

- (1) The aggregate fees billed for professional services rendered by the Company's auditors for tax compliance.
- (2) The aggregate fees billed by the Company's auditors for tax advice, tax planning, consent to Change of Business Filing Statement and fees related to the Canadian Public Accountability Board.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on either (a) an exemption in section 2.4 of NI 52-110; or (b) an exemption from NI 52-110, in whole or in part, granted under Part 8 (Exemptions) of NI 52-110. As the Company is listed on the Exchange, it is relying on the exemption provided in section 6.1 of NI 52-110, which provides that a venture issuer is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

CORPORATE GOVERNANCE POLICIES

The Company and the Board recognize the importance of corporate governance to the effective management of the Company and to the protection of its stakeholders, particularly shareholders. National Policy 58-201 – *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument – 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below. The Company's approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance shareholder value. The Board fulfills its mandate directly and through its committees at regularly scheduled meetings or as required. The directors are kept informed of the Company's operations at regular meetings and through reports and discussions with management on matters within their particular areas of expertise.

The Company has considered the applicable requirements and believes that its approach is appropriate and works effectively for the Company and its shareholders.

Board of Directors

Pursuant to NI 58-101, a director is independent if the director has no direct or indirect relationship with the issuer which could, in the view of the issuer's board of directors, be reasonably expected to interfere with the exercise of a member's independent judgment. Certain directors are deemed to have a material relationship with the issuer by virtue of their position or relationship with the Company. The Board is currently comprised of five members, three of whom the Board has determined are independent. Mr. Clarke is not considered to be independent due to his position as CEO. Mr. Van Hatten is not considered to be independent because he receives consulting fees from the Company.

Other Public Company Directorships

Certain of the directors, or nominees for directorship, are directors of other reporting issuers, as follows:

Director	Other Reporting Issuer
Paul DiPasquale	Hansa Resources Limited
John Detmold	Black Iron Inc.

Orientation and Continuing Education

The Board has not established a formal orientation and education program for new members of the Board. The current directors are experienced in boardroom procedures and corporate governance.

Ethical Business Conduct

To encourage and promote a culture of ethical business conduct, the Board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges.

The Board has found that fiduciary duties placed on individual directors by the Company's governing corporate legislation, as well as the restrictions placed on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the board duties effectively and to maintain a diversity of view and experience. The Board does not have a nominating committee, and candidates for nomination to the Board are currently identified by the Board as a whole. In identifying new candidates, the Board takes into account a potential director's experience, skills and characteristics.

Compensation

The Board has appointed a compensation committee consisting of Gregory Clarkes, Paul DiPasquale and Larry Van Hatten, to review and advise the board with regard to the compensation of senior executives and directors. The Board regularly reviews the adequacy and form of the compensation of the directors, including the granting of stock options, to ensure the compensation realistically reflects the responsibilities and risks involved in being an effective director and that the compensation allows the Company to attract qualified candidates as directors.

Other Board Committees

The Company does not currently have any other committees of the Board, other than the Audit Committee and Compensation Committee.

Assessments

The Board, on an ad hoc basis, reviews its own performance to satisfy itself that the Board, its committees, and its individual directors are performing effectively.

Maximum Plan Shares

- 2.2 The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 10% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Venture Policies (and, if applicable, NEX Policies).

Eligibility

- 2.3 Options to purchase Common Shares may be granted hereunder to Service Providers of the Company, or its affiliates, from time to time by the Board. Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX Venture and the Company is obtained.

Options Granted Under the Plan

- 2.4 All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.
- 2.5 Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

Limitations on Issue

- 2.6 Subject to §2.10, the following restrictions on issuances of Options are applicable under the Plan:
- (a) no Service Provider can be granted an Option if that Option would result in the total number of Options, together with all other Share Compensation Arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the Outstanding Shares, unless the Company has obtained Disinterested Shareholder Approval to do so;
 - (b) the aggregate number of Options granted to all Service Providers conducting Investor Relations Activities in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSX Venture (or NEX, as the case may be); and
 - (c) the aggregate number of Options granted to any one Consultant in any 12 month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSX Venture.

Options Not Exercised

- 2.7 In the event an Option granted under the Plan expires unexercised or is terminated by reason of dismissal of the Optionee for cause or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be eligible for re-issuance.

Powers of the Board

- 2.8 The Board will be responsible for the general administration of the Plan and the proper execution of its provisions, the interpretation of the Plan and the determination of all questions arising hereunder. Without limiting the generality of the foregoing, the Board has the power to
- (a) allot Common Shares for issuance in connection with the exercise of Options;
 - (b) grant Options hereunder;
 - (c) subject to any necessary Regulatory Approval, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the prior written consent of all Optionees, alter or impair any Option previously granted under the Plan unless the alteration or impairment occurred as a result of a change in the TSX Venture Policies or the Company's tier classification thereunder; and

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

- (b) it may change the vesting provisions of an Option granted hereunder, subject to prior written approval of the TSX Venture, if applicable;
- (c) it may change the termination provision of an Option granted hereunder which does not entail an extension beyond the original Expiry Date of such Option;
- (d) it may make amendments necessary as a result in changes in securities laws applicable to the Company;
- (e) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (f) it may make such amendments as reduce, and do not increase, the benefits of this Plan to Service Providers.

Amendments Requiring Disinterested Shareholder Approval

2.10 The Company will be required to obtain Disinterested Shareholder Approval prior to any of the following actions becoming effective:

- 3.2 An Option can be exercisable for a maximum of 10 years from the Effective Date.

Option Amendment

- 3.3 Subject to §2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the Option, the date the Common Shares commenced trading on the TSX Venture, or the date of the last amendment of the Exercise Price.
- 3.4 An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in §3.2.
- 3.5 Any proposed amendment to the terms of an Option must be approved by the TSX Venture prior to the exercise of such Option.

Vesting of Options

- 3.6 Subject to §3.7, vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:
 - (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or

- (b) the Service Provider remaining as a Director of the Company or any of its Affiliates during the vesting period.

Effect of Take Over Bid

3.8 If a Take Over Bid is made to the shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding §3.6 and §3.7 or any vesting requirements set out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSX Venture (or the NEX, as the case may be) for vesting requirements imposed by the TSX Venture Policies.

Extension of Options Expiring During Blackout Period

3.9 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall, subject to approval of the TSX Venture (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding §2.8, the tenth Business Day period referred to in this §3.9 may not be extended by the Board.

Optionee Ceasing to be Director, Employee or Service Provider

3.10 Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Company that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

- (a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;
- (b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and

- (c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Non Assignable

- 3.11 Subject to §3.10, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

Adjustment of the Number of Optioned Shares

- 3.12 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:
- (a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;
 - (b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;
 - (c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;
 - (d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par

value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.12;

- (e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;
- (f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.12, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and
- (g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.12, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records and such determination will be binding upon the Company and all Optionees.

Participation in the Plan by an Optionee is voluntary.
