INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT NOVEMBER 7, 2017 FOR THE ANNUAL AND SPECIAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD DECEMBER 14, 2017.

This Information Circular is furnished in connection with the solicitation of proxies by management of Baroyeca Gold & Silver Inc. (the "Company") for use at the Annual and Special General Meeting (the "Meeting") of Shareholders to be held on December 14, 2017 and any adjournment thereof at the time and place and for the purposes set forth in the Notice of Meeting.

The cost of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and some regular employees may solicit personally, but will not receive compensation for so doing.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY ARE DIRECTORS OF THE COMPANY. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING MAY DO SO, EITHER BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND IN EITHER CASE DELIVERING THE COMPLETED PROXY TO THE COMPANY'S TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, 510 BURRARD STREET, 2ND FLOOR, VANCOUVER, B.C., V6C 3B9, NOT LESS THAN FORTY-EIGHT (48) HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING. A proxy may be delivered to the Transfer Agent by fax or other means as set out in the accompanying Form of Proxy. (Refer to notes thereto for instructions).

The instrument of proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the office of the Company's registrar and transfer agent, Computershare Trust Company of Canada, 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

General

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The instrument of proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this information circular, the management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "Ordinary Resolution") unless the motion requires a Special Resolution, in which case a majority of not less than 66 2/3% of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Company who are also "insiders," as such term is defined under applicable securities laws, and who have an interest in the outcome of the resolution, will be excluded from the count of votes cast on such motion.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications Solutions, Canada ("Broadridge"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be presented at the Meeting. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote Common shares directly at the Meeting. The proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for purposes of voting common shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as a proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend the meeting and indirectly vote their common shares as proxyholder for the registered shareholder should strike out the names printed in the proxy form and enter their own names in the blank space on the proxy form provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The voting securities of the Company consist of common shares without par value. As at November 7, 2017, the issued and outstanding shares of the Company consisted of 51,269,938 common shares without par value, each such share carrying the right to one (1) vote at the Meeting. November 7, 2017 has been fixed in advance by the directors as the record date for the purposes of determining those shareholders entitled to receive notice of, and to vote at, the Meeting unless after that date a shareholder of record transfers his shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that the transferee owns such shares, requests at least 10 days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

To the knowledge of the directors and senior officers of the Company, as of the record date, no persons beneficially owned, directly or indirectly, or exercise control or direction over, voting securities carrying more than 10% of the voting rights attached to the voting securities of the Company.

As of November 7, 2017, the directors and senior officers of the Company as a group owned beneficially, directly and indirectly, 2,721,000 common shares of the Company, representing 5.31 % of the presently issued and outstanding common shares of the Company.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the years ended May 31, 2017, 2016 and 2015, together with the Auditor's Reports thereon, (the "Financial Statements") will be presented to Shareholders at the Meeting. The Company's Financial Statements, together with the Auditor's Report thereon and the management discussion and analysis are available with the Company's disclosure material on SEDAR at www.sedar.com.

FIXING THE NUMBER OF DIRECTORS AND ELECTION OF DIRECTORS

The number for which positions exist on the Company's Board had been fixed previously at four (4). Four directors will be elected at the Annual and Special General Meeting. Although management is nominating four (4) individuals to stand for election, the names of further nominees for directors may come from the floor at the Meeting.

Each director of the Company is elected annually and holds office until the next annual general meeting of Shareholders, until his successor is duly elected, or until his resignation as a director.

In the absence of instructions to the contrary, the shares represented by proxy will be voted for the nominees herein listed. Management does not contemplate that any of the nominees will be unable to serve as a director.

Compensation Discussion and Analysis

The Company's compensation program for its executive officers, including its NEO's, and directors is administered by the board of directors (the "Board"). The Board is responsible for determining the compensation to be paid to its executive officers and for evaluating their performance.

The objective of the Company's approach to compensation of its NEO's is to provide competitive salary levels and compensation incentives to attract and retain qualified management for the Company with a compensation framework that is competitive in the industry and with incentives that will encourage the continued development of the Company and thereby increase shareholder value. The Company's policy is to recognize and reward individual performance as well as to position NEO's compensation within the range found in industry for the applicable level of responsibility.

The deliberations of the Board in these matters are private. To achieve the compensation objectives described above, compensation to the Company's NEO's may consist of: (i) base cash salary or consulting fees; (ii) cash incentive bonus; and (iii) option grants pursuant to the Company's stock option plan.

The Board determines the specific compensation to be paid to NEO's based on a number of factors, including: the Board's understanding of compensation paid for positions of similar responsibility in companies of comparable size; the performance of the individual NEO's in advancing the development and objectives of the Company; the roles and responsibilities of the individual NEO's; and the relevant experience and skills of each NEO.

The Board reviews the compensation paid to the NEO's on an annual basis.

Option-based awards

The Company has one equity-based compensation arrangement, its stock option plan (the "Stock Option Plan"), that is approved each year by the shareholders of the Company. The Stock Option Plan serves the objective of motivating directors, officers, employees and consultants of the Company and advancing the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Stock Option Plan to purchase shares of the Company. Particulars of the Stock Option Plan are set below herein under "Particulars of Other Matters to be Acted Upon – Stock Option Plan and Incentive Stock Options."

The Company does not have any share-based award plans in place.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Stock Option Plan and Incentive Stock Options

The Exchange policies with respect to incentive stock options (the "Policies") provide that listed companies may only issue incentive stock options pursuant to the terms of a stock option plan that has been approved by the shareholders of the Company and the Exchange. At the last Annual General Meeting, pursuant to the Policies, management proposed and the shareholders of the Company approved a rolling stock option plan which reserves a maximum of 10% of the issued shares of the Company from time to time for administration and

grant of options under the stock option plan. The Policies require that such a rolling plan be approved each year by the shareholders and the Exchange.

Management of the Company believes that incentive stock options serve an important function in furnishing Directors (including officers), Employees, Consultants and Management Company Employees (collectively the "Eligible Parties") of the Company an opportunity to invest in the Company in a simple and effective manner and better aligning the interests of the Eligible Parties with those of the Company and its shareholders through ownership of shares in the Company. Accordingly, at the Meeting the shareholders will be asked to pass an ordinary resolution adopting and approving the Company's "rolling" stock option plan (the "Plan").

The Plan has been prepared by the Company in accordance with the policies of the Exchange and is in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the Plan a maximum of 10% of the issued and outstanding shares of the Company at any time, less any shares required to be reserved with respect to options granted by the Company prior to the implementation of the Plan. The Plan will be administered by the Board of Directors of the Company, or a committee of three directors, if so appointed by the Board (the "Committee"). Subject to the provisions of the Plan, the Committee in its sole discretion will determine all options to be granted pursuant to the Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The Committee will comply with all Exchange and other regulatory requirements in granting options and otherwise administering the Plan. A summary of some of the additional provisions of the Plan follows:

- (i) under the Policies, an Optionee must either be an Eligible Charitable Organization or an Eligible Party at the time the option is granted in order to be eligible for the grant of a stock option;
- (ii) options granted to insiders of the Company as a total in any twelve-month period shall not exceed 10% of the issued and outstanding shares of the Company;
- (iii) options granted to any one Person (and companies wholly-owned by that Person) as a total in any twelve-month period shall not exceed 5% of the issued and outstanding shares of the Company;
- (iv) options granted to any one Consultant to the Company as a total in any twelve-month period shall not exceed 2% of the issued and outstanding shares of the Company;
- (v) options granted to all Persons engaged in Investor Relations Activities for the Company in aggregate in any twelve-month period shall not exceed 2% of the issued and outstanding shares of the Company;
- (vi) options issued to Persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than 1/4 of the options vesting in any 3 month period;
- (vii) the aggregate number of options granted and outstanding to Eligible Charitable organizations must not at any time exceed 1% of the issued shares of the Company;
- (viii) all options on granting must be allocated to the respective optionee;
- (ix) options granted shall be non-assignable and not transferable and shall not have a term in excess of ten years;
- (x) the exercise price of options granted shall not be less than the Discounted Market Price of the Company's shares, but, in any event, not less than \$0.05 per share;
- (xi) all options granted shall be evidenced by written option agreements;
- (xii) options can be exercisable for a maximum of 10 years from the date of grant (subject to extension where the expiry date falls within a "blackout period" (see (xii) below));
- (xiii) an Option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Company prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Company pursuant to its internal trading policies; and (ii) must expire upon the general disclosure of undisclosed Material Information; and (b) the automatic extension of an optionee's Option will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under Securities Laws) in respect of the Company's securities; and
- (xiv) any amendment to reduce the exercise price of options granted to insiders of the Company shall be subject to approval of the disinterested shareholders of the Company, the majority vote of the shareholders other than the insiders of the Company.

"Consultant", "Director", "Discounted Market Price", "Eligible Charitable Organization", "Employee", "Investor Relations Activities", "Management Company Employee", and "Person" all have the same definition as in the policies of the Exchange.

Pursuant to the policies of the Exchange, the shares underlying any options granted to insiders or to other optionees at an exercise price that is at a discount to the market price of the Company's shares on the date of grant will be restricted from trading for a period of four months from the date of grant of the option. A copy of the Amended Plan will be available at the Meeting for review by interested shareholders.

Management recommends, and the persons named in the enclosed form of Proxy intend to vote in favour of, the adoption and approval of the Amended Plan.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution.

"BE IT RESOLVED THAT the Company's Plan, be and is hereby ratified, confirmed and approved with such additional provisions and amendments, provided that such are not inconsistent with the policies of the TSX Venture Exchange, as the directors of the Company may deem necessary or advisable."

Proposed Alterations of Authorized Capital

The Company proposes an amendment to its Notice of Articles to increase the Company's authorized capital from 100,000,000 common shares without par value to an unlimited number of common shares without par value.

Management believes that having unlimited authorized capital provides the Company with greater flexibility for future corporate activities. This resolution must be passed by not less than two-thirds of the votes cast by the Shareholders present in person or by proxy at the Meeting.

Accordingly, at the Meeting, Shareholders will be asked to consider and, if thought fit, to pass the following special resolution:

"RESOLVED, as a special resolution, that:

- (a) the number of shares of the Company authorized to be issued be increased to an unlimited number of Common Shares without par value;
- (b) the Company's Notice of Articles be altered accordingly;
- (c) any director or officer of the Company is authorized to execute and file a Notice of Alteration of the Notice of Articles with the Registrar of Companies (British Columbia) along with all other documents and to take such further actions that may be necessary to effect the amendment; and
- (d) the board of directors of the Company is hereby authorized, at any time in its absolute discretion, to determine whether or not to proceed with the above resolutions without further approval, ratification or confirmation by the Shareholders."

This amendment to the Notice of Articles shall take effect immediately on the date and time the Notice of Alteration of the Articles is filed with the Registrar of Companies (British Columbia).

Rectification of Failure to Comply with Company Act

Shareholder approval is requested authorizing the Company to make application to the Supreme Court of British Columbia pursuant to Section 229 of the *Business Corporations Act*, British Columbia, for rectification of any omissions, defects, errors or irregularities that have occurred in the conduct of the business or affairs of the Company including the failure of the Company since 2014 to hold Annual General Meetings and to distribute and file interim and annual financial statements. Shareholder approval of this resolution will assist the Company in obtaining the necessary order from the Supreme Court of British Columbia.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution.

"**BE IT RESOLVED THAT** the Company making application pursuant to Section 229 of the *Business Corporations Act*, British Columbia, to the Supreme Court of British Columbia for rectification of any omissions, defects, errors or irregularities that have occurred in the conduct of the business or affairs of the Company, be and the same is hereby ratified, confirmed and approved, such application to be made as and when the directors of the Company may deem necessary or advisable."

BAROYECA GOLD & SILVER INC.

**FORM 52-110F2
AUDIT COMMITTEE DISCLOSURE**

ITEM 1: THE AUDIT COMMITTEE'S CHARTER

Mandate

The primary function of the audit committee (the "Committee") is to assist the Company's Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of a minimum three directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in Multilateral Instrument 52-110), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in Multilateral Instrument 52-110), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

- (c) *review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors;*
- (d) *take, or recommend that the Company's full Board of Directors take appropriate action to oversee the independence of the external auditors, including the resolution of disagreements between management and the external auditor regarding financial reporting;*
- (e) *recommend to the Company's Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;*
- (f) *recommend to the Company's Board of Directors the compensation to be paid to the external auditors;*
- (g) *at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;*
- (h) *review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;*
- (i) *review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and*
- (j) *review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:*
 - (i) *the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,*
 - (ii) *such services were not recognized by the Company at the time of the engagement to be non-audit services, and*
 - (iii) *such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.*

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.
