INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT NOVEMBER 24, 2023 FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD DECEMBER 29, 2023.

This Information Circular is furnished in connection with the solicitation of proxies by management of Baroyeca Gold & Silver Inc. (the "Company") for use at the Annual General Meeting (the "Meeting") of Shareholders to be held on December 29, 2023 and any adjournment thereof at the time and place and for the purposes set forth in the Notice of Meeting.

The cost of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and some regular employees may solicit personally, but will not receive compensation for so doing.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY ARE DIRECTORS OF THE COMPANY. A SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING MAY DO SO, EITHER BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY AND IN EITHER CASE DELIVERING THE COMPLETED PROXY TO THE COMPANY'S TRANSFER AGENT, COMPUTERSHARE TRUST COMPANY OF CANADA, 510 BURRARD STREET, 2ND FLOOR, VANCOUVER, B.C., V6C 3B9 NOT LESS THAN FORTY-EIGHT (48) HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING. A proxy may be delivered to the Transfer Agent by fax or other means as set out in the accompanying Form of Proxy. (Refer to notes thereto for instructions).

The instrument of proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A Shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the office of the Company's registrar and transfer agent, Computershare Trust Company of Canada, 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

General

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The instrument of proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this information circular, the management of the

Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "Ordinary Resolution") unless the motion requires a Special Resolution, in which case a majority of not less than 66 2/3% of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Company who are also "insiders," as such term is defined under applicable securities laws, and who have an interest in the outcome of the resolution, will be excluded from the count of votes cast on such motion.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those common shares will not be registered in the Shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for purposes of voting common shares registered in the name of his broker (or an agent of the broker), a Beneficial Shareholder may attend at the Meeting as a proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend the meeting and indirectly vote their common shares as proxyholder for the registered shareholder should strike out the names printed in the proxy form and enter their own names in the blank space on the proxy form provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners and objecting beneficial owners. A non-objecting beneficial owner is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101.

The Company is sending proxy-related materials directly to non-objecting beneficial owners of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise

Compensation Discussion and Analysis

The Company's compensation program for its executive officers, including its NEO's, and directors is administered by the board of directors (the "Board"). The Board is responsible for determining the compensation to be paid to its executive officers and for evaluating their performance.

The objective of the Company's approach to compensation of its NEO's is to provide competitive salary levels and compensation incentives to attract and retain qualified management for the Company with a compensation framework that is competitive in the industry and with incentives that will encourage the continued development of the Company and thereby increase shareholder value. The Company's policy is to recognize and reward individual performance as well as to position NEO's compensation within the range found in industry for the applicable level of responsibility.

The deliberations of the Board in these matters are private. To achieve the compensation objectives described above, compensation to the Company's NEO's may consist of: (i) base cash salary or consulting fees; (ii) cash incentive bonus; and (iii) option grants pursuant to the Company's stock option plan.

The Board determines the specific compensation to be paid to NEO's based on a number of factors, including: the Board's understanding of compensation paid for positions of similar responsibility in companies of comparable size; the performance of the individual NEO's in advancing the development and objectives of the Company; the roles and responsibilities of the individual NEO's; and the relevant experience and skills of each NEO.

The Board reviews the compensation paid to the NEO's on an annual basis.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Stock Option Plan and Incentive Stock Options

The Exchange policies with respect to incentive stock options (the "Policies") provide that listed companies may only issue incentive stock options pursuant to the terms of a stock option plan that has been approved by the shareholders of the Company and the Exchange.

At the last Annual General Meeting, the Company implemented, and the shareholders approved, a 10% rolling Stock Option Plan which was adopted by the Board effective June 29, 2022 and last approved by Shareholders on December 20, 2022 (the "Previous Plan").

The Policies require that such a rolling plan be approved each year by the shareholders and the Exchange. In addition, On November 24, 2021, the Exchange published a revised policy governing security-based compensation entitled "Policy 4.4 – Security Based Compensation" (the "New Policy"). The changes in the New Policy relate to, among other things, the expansion of the policy to cover a number of types of security-based compensation in addition to stock options. In light of the New Policy, the Company has amended its existing stock option plan (the "2023 Plan") to align with the wording and provisions of the New Policy, though it remains similar in substance to the Previous Plan.

A copy of the 2023 Plan can be requested from the Company and copies will be available at the Meeting.

Accordingly, at the Meeting the shareholders will be asked to pass an ordinary resolution adopting and approving the Company's "rolling" stock option plan (the "2023 Plan"). The Company notes that the 2023 Plan is subject to approval by the Exchange and understands that shareholder approval may not be accepted by the Exchange if the Exchange find the disclosure herein relating to the 2023 Plan inadequate.

The 2023 Plan as prepared by the Company continues to be in the form of a rolling stock option plan reserving for issuance upon the exercise of options granted pursuant to the 2023 Plan, a maximum of 10% of the issued and outstanding shares of the Company at any time, less any shares required to be reserved with respect to options granted by the Company prior to the implementation of the 2023 Plan. The 2023 Plan will, subject to approval from the Exchange, be administered by the Board of Directors of the Company, or a committee of directors, if so appointed by the Board (the "Committee"). Subject to the provisions of the 2023 Plan, the Committee in its sole discretion will determine all options to be granted pursuant to the 2023 Plan, the exercise price therefore and any special terms or vesting provisions applicable thereto. The Committee will comply with all Exchange and other regulatory

requirements in granting options and otherwise administering the 2023 Plan. A summary of some of the provisions of the 2023 Plan follows:

- (i) an optionee must either be a director, senior officer, employee, management company employee or consultant of the Company at the time the stock option is granted in order to be eligible;
- (ii) the maximum aggregate number of common shares issuable pursuant to all security-based compensation (including stock options) granted to any one person in any 12-month period may not exceed 5% of the outstanding common shares at the time of grant without Disinterested Shareholder Approval;
- (iii) the maximum aggregate number of common shares issuable pursuant to all security-based compensation (including stock options) granted to any one Consultant (as defined by the Exchange) in any 12-month period may not exceed 2% of the outstanding common shares at the time of grant;
- (iv) the maximum aggregate number of common shares issuable pursuant to all security-based compensation (including stock options) granted to any one Consultant (as defined by the Exchange) in any 12-month period may not exceed 2% of the outstanding common shares at the time of grant;
- (v) Investor Relations Service Providers (as defined by the Exchange) may not receive any compensation involving the issuance or potential issuance of common shares, other than stock options;
- (vi) the aggregate number of common shares reserved for issue to insiders must not exceed 10% of the issued common shares at any point in time without Disinterested Shareholder Approval;
- (vii) the aggregate number of common shares issuable pursuant to all security-based compensation (including stock options) granted to insiders (as a group) in a 12-month period must not exceed 10% of the issued common shares, calculated at the time of grant, without Disinterested Shareholder Approval;
- (viii) the 2023 Plan provides that no stock options may be granted under the 2023 Plan until the requisite yearly shareholder approval of the 2023 Plan has been obtained;
- (ix) the exercise price per common share for a stock option shall be determined by the Board and may not be less than the Discounted Market Price (as determined pursuant to the policies of the Exchange), subject to a minimum exercise price of \$0.10;
- (x) stock options may have a term not exceeding ten years (subject to extension where the expiry date falls within a “blackout period” (see xv));
- (xi) stock options issued to Investor Relations Service Providers (as defined by the Exchange) must vest such that: (i) no more than $\frac{1}{4}$ of the stock options vest no sooner than three months after the stock options were granted; (ii) no more than another $\frac{1}{4}$ of the stock options vest no sooner than six months after the stock options were granted; (iii) no more than another $\frac{1}{4}$ of the stock options vest no sooner than nine months after the stock options were granted; and (iv) the remainder of the stock options vest no sooner than 12 months after the stock options were granted;
- (xii) other than in the case of (i) death, (ii) termination for cause, or (iii) as a result of prevention by order of a regulatory authority with appropriate jurisdiction, stock options will cease to be exercisable no later than the earlier of the Expiry Date (as defined in the 2023 Plan) and 90 days after the optionee ceases to be a Director, Officer, Employee, Consultant, or Management Company Employee (each as defined in Stock Option Plan) or for a “reasonable period” (not exceeding 12-months) after the optionee ceases to serve in such capacity, as determined by the Board;
- (xiii) stock options are non-assignable and non-transferable;

- (xiv) the 2023 Plan contains a “cashless exercise” provision and a “net exercise” provision. The “cashless exercise” provision provides a mechanism for a brokerage firm to facilitate the exercise of a stock option by loaning funds to the optionee. The “net exercise” provision allows for a method of stock option exercise under which the optionee does not make any payment to the issuer for the exercise of their stock options and receives, on exercise, a number of shares equal to the value (current market price less the exercise price) of the stock option valued at the current market price. The current market price must be the 5-day volume weighted average trading price prior to stock option exercise. The “net exercise” provision is not available for use by Investor Relations Service Providers (as defined by the Exchange);
- (xv) a stock option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire following the general disclosure of undisclosed material information; (b) the automatic extension of an optionee's stock option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Corporation's securities; and (d) the automatic extension is available to all Eligible Persons under the same terms and conditions;
- (xvi) the 2023 Plan contains provisions for adjustment (subject to prior Exchange acceptance, if applicable) in the number of common shares or other property issuable on exercise of stock options in the event of a share consolidation, split, reclassification or other relevant change in the common shares, or a stock dividend, arrangement, amalgamation, merger or combination, or other relevant change in the Company's corporate structure, or any other relevant change in the Company's capitalization; and
- (xvii) Disinterested Shareholder Approval will be obtained for (i) any reduction in the exercise price of, or extension to the term of, a stock option if the optionee is an insider of the Company at the time of the proposed amendment, (ii) for any amendment resulting in a benefit to an insider of the Company, and (iii) for any increase to the limits prescribed by the 2023 Plan, including any grant that would result in such limits being exceeded, and for any other type of compensation granted through the issuance of common shares

Pursuant to the policies of the Exchange, the shares underlying any options granted to insiders or to other optionees at an exercise price that is at a discount to the market price of the Company's shares on the date of grant will be restricted from trading for a period of four months from the date of grant of the option.

Management recommends, and the persons named in the enclosed form of Proxy intend to vote in favour of, the adoption and approval of the Plan.

The text of the resolution to be passed is as follows:

“BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution.

The Board has determined that the 2023 Plan is in the best interests of the Company and its Shareholders and unanimously recommends that the Shareholders vote in favour of approving the 2023 Plan. FORM 52-110F2 AUDIT COMMITTEE DISCLOSURE

ITEM 1: THE AUDIT COMMITTEE'S CHARTER

Mandate

The primary function of the audit committee (the "Committee") is to assist the Company's Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of a minimum three directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in Multilateral Instrument 52-110), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in Multilateral Instrument 52-110), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet at least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfil its responsibilities and duties, the Committee shall:

1. Documents/Reports Review

- (a) review and update this Audit Committee Charter annually; and*
- (b) review the Company's financial statements, MD&A and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.*

2. External Auditors

- (a) review annually, the performance of the external auditors who shall be ultimately accountable to the Company's Board of Directors and the Committee as representatives of the shareholders of the Company;*

- (c) review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors;*
- (d) take, or recommend that the Company's full Board of Directors take appropriate action to oversee the independence of the external auditors, including the resolution of disagreements between management and the external auditor regarding financial reporting;*
- (e) recommend to the Company's Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;*
- (f) recommend to the Company's Board of Directors the compensation to be paid to the external auditors;*
- (g) at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;*
- (h) review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;*
- (i) review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and*
- (j) review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:*
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,*
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services, and*

- (iii) *such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee.*

Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

3. Financial Reporting Processes
