A news release was disseminated by Newsfile Corp on June 18, 2020.

**Item 4            Summary of Material Change**

Canlan announced its plans of gradually reopening its recreation facilities.

**Item 5            Full Description of Material Change**

On March 13, 2020, the Company suspended operations of its recreation facilities to help limit the spread of the novel Coronavirus (COVID-19). Given the improved status of the pandemic and the current public health & safety guidelines, the Company announced its plans to gradually reopen its recreation facilities beginning the week of June 15, 2020. Facilities in B.C. will be first, then followed by facilities in Saskatchewan, Manitoba, Ontario and Illinois in the ensuing weeks. Upon reopening, approximately 50% of each facility’s capacity will be restored. Restaurant and retail operations will continue to be suspended until further notice. The Company’s reopening plans incorporate a high standard of exposure control measures that have been shared with health regulatory bodies and sports authorities.

The Company will continue to monitor the status of the pandemic and will adjust its plans accordingly depending on changes in public health regulations and demand in the markets in which the Company operates.
