MANAGEMENT INFORMATION CIRCULAR
AS AT AND DATED OCTOBER 17, 2017
FOR SHAREHOLDER MEETING TO BE HELD MONDAY, NOVEMBER 20, 2017

This Management Information Circular (“**Information Circular**”) accompanies the Notice of the 2017 Annual General and Special Meeting (“**Notice of Meeting**”) of holders of Common Shares (“**shareholders**”) of TNR Gold Corp. (the “**Company**”), scheduled to be held at 12:00 pm Pacific Time on November 20, 2017, at Suite 400, 725 Granville Street, Vancouver, British Columbia (the “**Meeting**”), and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment or postponement of the Meeting, for the purposes set forth in the Notice of Meeting. Except where otherwise indicated, the information contained herein is stated as of October 17, 2017.

In this Information Circular, references to the “**Company**”, “**we**” and “**our**” refer to TNR Gold Corp. “**Common Shares**” or “**Shares**” means common shares without par value in the capital of the Company. “**Registered Shareholders**” means shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “**Beneficial Shareholders**” means shareholders who do not hold Common Shares registered in their own name. “**Intermediaries**” means brokers, investment firms, clearing houses or similar entities that own securities on behalf of Beneficial Shareholders.

As a shareholder of the Company, you have the right to vote your shares on all items that come before the Meeting. You can vote your shares either by proxy or in person at the Meeting. This Information Circular will provide you with information about these items and how to exercise your right to vote. It will also tell you about the director nominees, the proposed auditor, the compensation of directors and certain officers, our corporate governance practices, executive compensation philosophy and practices and particulars of other matters to be voted on.

As a shareholder, to help you make an informed decision, it is important that you read this material carefully and vote your shares, either by proxy or in person at the meeting.

Financial information of the Company and its subsidiaries is provided in its consolidated financial statements and management's discussion and analysis for the year ended December 31, 2016. These and other documents can be found on the website of SEDAR (System for Electronic Document Analysis and Retrieval) at www.sedar.com. If you are a shareholder and you wish to receive the Company's annual financial statements and/or interim financial statements and the accompanying management's discussion and analysis, please complete and return the request card included in the Meeting materials.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The form of proxy accompanying this Information Circular is being solicited by Management of the Company.

The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not

reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of this solicitation.

Under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), reporting issuers and others have the option to use the “notice-and-access” method to post proxy-related materials on a website (in addition to the SEDAR website) and send a notice package to shareholders informing them of the availability of the proxy-related materials on such website instead of having to mail proxy-related materials to registered holders and to beneficial owners.

The Company is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with this Meeting. Should the Company elect to use the notice-and-access mechanism in future, it will provide advance notification to shareholders.

APPOINTMENT OF PROXYHOLDER

Only shareholders whose names appear on the records of the Company (“Registered Shareholders”) or duly appointed proxyholders are permitted to vote at the Meeting. The purpose of a proxy is to designate a person who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. Those Registered Shareholders so desiring may be represented by proxy at the Meeting. The persons named in the form of proxy accompanying this Information Circular are directors and/or officers of the Company (“**Management Appointees**”). **A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act on the shareholder’s behalf at the Meeting other than the Management Appointees.** To exercise this right, the shareholder must either insert the name of the desired person in the blank space provided in the form of proxy accompanying this Information Circular and strike out the names of the Management Appointees, or submit another proper form of proxy.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.

VOTING BY NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are non-registered shareholders (“**Non-registered Shareholders**”) because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a Non-registered Shareholder.

Non-registered Shareholders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO’s Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “VIF”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-registered Shareholders to direct the voting of the Shares which they beneficially own. Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the Non-registered Shareholder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting. Non-registered Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

VOTING BY REGISTERED SHAREHOLDERS

You are a Registered Shareholder if your name appears on a share certificate or a DRS Statement. **If you are not sure whether you are a Registered Shareholder**, please contact Computershare Investor Services at 1-800-564-6253 or 1-514-982-7555 for clarification.

If you are a Registered Shareholder, you may vote by proxy whether or not you are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by doing either of the following:

- (a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), **by fax** within North America to 1-866-249-7775 and outside North America to (416) 263-9524, **or by mail** or by hand to **8th Floor, 100 University Avenue, Toronto, Ontario, Canada M5J 2Y1**; or
- (b) use a touchtone **phone** to transmit voting choices by toll-free number in North America to 1-866-732-VOTE (8683) or to +1-312-588-4290 outside North America. In the case of Beneficial Non-Registered Shareholders, the toll-free telephone number is 1-866-734-VOTE (8683). Registered Shareholders must follow the instructions on the voice response system and refer to the Proxy for their account number and proxy access number; or
- (c) use the **Internet** through the website of the Company’s transfer agent at www.investorvote.com (**French: www.voteendirect.com**). Registered Shareholders must follow the instructions that appear on the screen and refer to the Proxy for their account number and proxy access number.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the start of the Meeting or the adjournment thereof at which the Proxy is to be used.

RETURN OF PROXIES

To be effective, the proxy must be **dated and signed** and, together with the power of attorney or other authority, if any, under which it is signed notarial certified copy of it, deposited either at the office of Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by FACSIMILE to (within North America) 1-866-249-7775 (outside North America) (416) 263-9524, or by fax, hand or by mail or to the Company's head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the start of the Meeting or any adjournment or postponement thereof.

REVOCABILITY OF PROXY

If you are a Registered Shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either: (a) signing a proxy bearing a later date; or (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a Non-registered Shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

Unless otherwise instructed, the proxies solicited by management will be voted FOR the re-appointment of Davidson & Company LLP as the auditor of the Company, to hold office for the ensuing year at a remuneration to be fixed by the directors.

3. RENEWAL OF ROLLING STOCK OPTION PLAN

The only equity compensation plan which the Company currently has in place is the 2015 plan (the “**2015 Plan**”) which was approved by the shareholders of the Company on August 6, 2015. The 2015 Plan was established to provide incentive to employees, officers, directors and consultants who provide services to the Company. TSX Venture Exchange (the “**Exchange**”) policy requires that all companies listed on the Exchange adopt a stock option plan if a company wishes to grant stock options and that all stock option plans that reserve a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (called a “rolling plan” under Exchange policies), must be approved and ratified by shareholders on an annual basis.

Management seeks shareholder approval for renewal of the 2015 Plan, as the Company’s 2017 plan (the “Option Plan”) in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the Option Plan is to increase the proprietary interest of employees, officers, directors and consultants in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company. It is proposed that under the Option Plan, the total number of Common Shares that may be reserved for issuance will be 10% of the issued and outstanding common shares of the Company at the time of grant, less any common shares reserved for issuance pursuant to the grant of stock options under any other share compensation arrangements. The Option Plan complies with the current policies of the Exchange, and all capitalized terms below that are not defined in this Information Circular, have the meanings given to them in Exchange Policies. The Option Plan is subject to approval by the Exchange.

Terms of the Option Plan

A full copy of the Option Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the Option Plan from the Company prior to the meeting on written request. The following is a summary of the material terms of Option Plan:

1. The stock options are non-assignable and non-transferable (except that the Optionee’s heirs or administrators can exercise any portion of the outstanding option, up to one year from the Optionee’s death).
2. The number of shares subject to each stock option is determined by the Board of Directors provided that the Option Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12 month period, result in:
 - (a) the number of options granted to any one Person exceeding 5% of the issued shares of the Company; or
 - (b) the number of options granted to any one Consultant exceeding 2% of the issued shares of the Company; or
 - (c) the number of options granted to all Persons retained to provide Investor Relations Activities of a number shares exceeding 2% of the issued shares of the Company.
3. The exercise price of an option may not be set at less than Discounted Market Price.
4. The options may be exercisable for a period of up to 10 years, (subject to extension where the expiry date falls within a “blackout period”).
5. Disinterested shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of the Company at the time of the proposed amendment.
6. For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.

7. Any options granted to any Optionee who is a Director, Employee, Consultant or Management Company Employee must expire within a reasonable period following the date the Optionee ceases to be in that role (in general, the Exchange considers anything not exceeding 12 months to be a reasonable period for these purposes).

Shareholders will be asked to pass the following, ordinary resolution, approving the Company's Option Plan:

"IT IS RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the Company adopt a 2017 stock option plan (the "Option Plan"), including the reserving for issuance under the Option Plan at any time of a maximum of 10% of the issued common shares of the Company;
2. the Board of Directors be authorized on behalf of the Company to make any further amendments to the Option Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
3. the Company file the Plan with the TSX Venture Exchange for acceptance; and
4. any one director or officer of the Company is authorized and directed to do all such acts and take any necessary actions and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution."

Recommendation of the Company's Directors

The directors have reviewed and considered all facts respecting the approval of the Option Plan. The Company's directors unanimously recommend that the shareholders vote in favour of ratifying and approving the Option Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. **It is the intention of the persons named in the accompanying Proxy, if not expressly directed to the contrary in such Proxy, to vote such proxies FOR the ordinary resolution authorizing the approval of the Option Plan.**

If shareholder approval of the Option Plan or a modified version thereof is not obtained, the Company will not implement the Option Plan and will not grant options under it. Even if approved, the directors may determine not to implement the Option Plan.

4. Other Business

MANAGEMENT IS NOT AWARE OF ANY OTHER MATTER TO COME BEFORE THE MEETING OTHER THAN AS SET FORTH IN THE NOTICE OF MEETING. IF ANY OTHER MATTER PROPERLY COMES BEFORE THE MEETING, IT IS THE INTENTION OF THE MANAGEMENT APPOINTEES TO VOTE THE SHARES REPRESENTED BY THE FORM OF PROXY ACCOMPANYING THIS INFORMATION CIRCULAR ON ANY BALLOT THAT MAY BE CALLED FOR IN ACCORDANCE WITH THEIR BEST JUDGMENT ON SUCH MATTER.

You are urged to carefully consider all of the information in the accompanying Information Circular to the Meeting. If you require assistance, you should consult your financial, legal, or other professional advisor.

STOCK OPTION PLAN AND OTHER INCENTIVE PLANS

Stock Option Plan

The Company has a stock option plan (the "Option Plan") that was approved by Shareholders on August 6, 2015 and will be proposed for approval by shareholders at the Meeting. The purpose of the Option Plan is to attract and motivate directors, officers, employees and consultants of the Company and to advance the interests of the Company by affording such persons the opportunity to acquire an equity interest in the Company through rights granted under the Option Plan. A summary description of the Option Plan is set forth below. For further details, refer to the information under the heading, "Particulars of Matters to be Acted Upon – Renewal of Stock Option Plan". The full text of the Option Plan is available by request to the Company and will be available for review at the Meeting.

The Option Plan is a "rolling" plan which provides that the maximum aggregate number of shares reserved for issuance under it, and all of the Company's other previously established and outstanding incentive stock option plans or grants, is equivalent to 10% of the number of the Company's issued common shares at the time of the grant of a stock option.

When making decisions regarding rewarding stock options to directors or NEOs, the Board considers the position, individual performance of the NEO, individual option holdings, whether the options are in-the-money or not, and the total number of stock options outstanding.

Key provisions of the Option Plan include the following:

- i) The maximum aggregate number of Common Shares which may be issuable pursuant to options previously granted and those granted under the Option Plan is 10% of the issued and outstanding Common Shares of the Company at the time of grant.
- ii) The aggregate number of options granted to any one individual in any 12-month period may not exceed 5% of the number of issued Common Shares, calculated on the date of option grant.
- iii) The aggregate number of options granted to any one consultant in a 12-month period may not exceed 2% of the number of issued Common Shares, calculated at the date an option is granted to the Consultant.
- iv) The aggregate number of options granted to all persons or companies retained to provide investor relations activities (except employees & directors) may not exceed 2% of the number of issued Common Shares in any 12-month period, calculated at the date an option is granted.
- v) Options granted to persons or companies providing investor relations activities must vest in stages over a 12-month period, with no more than $\frac{1}{4}$ of the options vesting in any 3-month period.
- vi) The option exercise price must not be less than the closing price of the Common Shares on the stock exchange on which the Shares are traded, on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the stock exchange.
- vii) An option granted under the Plan must be exercised within the period permitted by the policies of the Exchange, which is currently a maximum of 10 years from the date of granting.
- viii) The Board of Directors may specify a vesting schedule in its discretion.
- ix) If a change in control, as defined in the Option Plan, occurs, all Common Shares subject to option shall immediately become vested and may thereupon be exercised in whole or in part by the option holder.
- x) Stock options are non-assignable and non-transferable.
- xi) Any amendments to the Option Plan which may result in a reduction in the exercise price of stock options or the extension of the expiry date of stock options are subject to shareholder approval.
- xii) The Option Plan must be approved by shareholders at each annual general meeting.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has a stock option plan (see “Stock Option Plans and Other Incentive Plans”) under which an amount equal to 10% of the outstanding Common Shares at any one time is reserved for issuance. The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company’s directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the Exchange limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options. The Exchange also requires annual approval of stock option plans by shareholders. The following Table 5 sets out the number of the Company’s Shares to be issued and remaining available for future issuance under the Company’s Stock Option Plan at the end of the Company’s financial year of December 31, 2016:

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NEO COMPENSATION

Director compensation

The Board, with input from the Compensation Committee, determines director compensation from time to time. Directors are not generally compensated in their capacities as such but the Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the TSX Venture Exchange.

Named Executive Officer Compensation

The Board, with input from the Compensation Committee, determines executive compensation from time to time. The Company does not have a formal compensation policy. The main objectives the Company hopes to achieve through its compensation are to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value. The Company looks at industry standards when compensating its executive officers.

During the financial year ended December 31, 2016, Mr. Schellenberg's compensation as CEO consisted of \$90,000 under the Consulting Agreement described above. Mr. Schellenberg also received incentive stock options to purchase 200,000 common shares as described in the Compensation Securities table above.

During the financial year ended December 31, 2016, Mr. Bella's compensation as CFO consisted of \$60,000 under the Consulting Agreement described above.

During the financial year ended December 31, 2016, Mr. Klip's compensation as Non-Executive Chairman consisted of \$90,000 under the Consulting Agreement described above.

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

None of the current or former directors, executive officers or employees of the Company or any of its subsidiaries, nor proposed nominee for election as a director of the Company, and no associate or affiliate of any of them is or has been indebted to the Company or any of its subsidiaries at any time since the beginning of the Company's most recently completed financial year nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding provided by the Company.

CORPORATE GOVERNANCE

National Policy 58-201 *Corporate Governance Guidelines* of the Canadian securities administrators establishes corporate governance guidelines (the **“Guidelines”**) which apply to all public companies in Canada. The Guidelines address matters relating to the constitution of the board and independence of directors, the functions to be performed by the directors of a company and their committees, and effectiveness and evaluation of proposed corporate governance guidelines and best practices specified by the Canadian securities regulators.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose their governance practices in accordance with NI 58-101. This section sets out the Company’s approach to corporate governance. Under this heading, the Company is providing the disclosure required by Form 58-101F2.

Board of Directors

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company’s business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company’s internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders’ interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company’s business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval, on all ordinary course matters relating to the Company’s business.

The Board also monitors the Company’s compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

The Board considers that the following directors are “independent” in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Company, other than interests and relationships arising from shareholding: Ross Thompson, Greg Johnson and John Wisbey. The Board considers that Kirill Klip, the CEO of the Company and Maurice Brooks, the Interim Chief Executive Officer of the Company, are not independent because they are members of management.

Directorships

Certain of the directors are presently a director of one or more other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction, as follows:

Name of Director	Other Reporting Issuer (or Equivalent in a Foreign Jurisdiction)
Maurice Brooks	International Lithium Corp.
Greg Johnson	Group Ten Metals Inc. Metallic Minerals Corp.
Kirill Klip	International Lithium Corp.
Ross Thompson	International Lithium Corp.
John Wisbey	International Lithium Corp.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business. As part of its governance responsibilities, Board may develop an orientation and education program for new recruits to the Board when necessary, and review corporate governance trends.

Board members are encouraged to communicate with management, auditors and technical consultants, to keep themselves current with industry trends and developments and changes in legislation with management's assistance, and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

To comply with its legal mandate, the Board seeks to foster a culture of ethical conduct by striving to ensure the Company carries out its business in line with high business and moral standards and applicable legal and financial requirements. In that regard, the Board:

- has adopted a written Code of Business Conduct and Ethics for its directors, officers, employees and consultants which is intended to promote honest and ethical conduct, avoid conflict of interest, protect confidential or proprietary information and comply with the applicable government laws and securities rules and regulations;
- encourages management to consult with legal and financial advisors to ensure the Company is meeting those requirements;
- is cognizant of the Company's timely disclosure obligations and reviews material disclosure documents such as financial statements, MD&A and press releases prior to their distribution;
- relies on its Audit Committee to annually review the systems of internal financial control and discuss such matters with the Company's external auditor; and
- actively monitors the Company's compliance with the board's directives and ensures that all material transactions are thoroughly reviewed and authorized by the board before being undertaken by management.

The Board must also comply with the conflict of interest provisions of the *British Columbia Business Corporations Act* ("BCBCA"), as well as the relevant securities regulatory instruments, to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Assessments

The Board monitors on an ongoing basis the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

Nomination of Directors

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. The Board considers nomination of directors and is required to identify new candidates for appointment to the Board. In identifying potential Board candidates, the directors assess perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the mining industry may also be consulted for possible candidates. The Board periodically examines its size and composition, with a view to determine the impact of the number of directors upon effectiveness and determine the appropriate number of directors which facilitates more effective decision making. The identification of candidates will also be made in the context of the existing competencies and skills which the Board, as a whole, possesses or should possess. Once suitable candidates are identified, they are presented for consideration to the Board.

Compensation

The Compensation Committee is, among other things, responsible for determining all forms of compensation to be granted to the Chief Executive Officer of the Company and other senior management and executive officers of the Company, for evaluating the Chief Executive Officer's performance in light of the corporate goals and objectives set for him/her, for reviewing the adequacy and form of the compensation and benefits of the directors in their capacity as directors of the Company to ensure that such compensation realistically reflects the responsibilities and risks involved in being an effective director, and for reviewing and making periodic recommendations to the Board as to the general compensation and benefits policies and practices of the Company, including incentive compensation plans and equity based plans.

The current members of the Compensation Committee are Kirill Klip, Ross Thompson and John Wisbey. A summary of the compensation received by the Named Executive Officers and directors of the Company for the financial year ended December 31, 2016 is provided in this Information Circular under the heading "*Executive Compensation*".

Audit Committee

The Audit Committee is comprised of three directors and is appointed by the Board to assist the Board in fulfilling its oversight responsibilities. A majority of the Audit Committee is required to be non-executives in that the majority of directors are not officers, employees or Control Persons of the Company or any of its subsidiaries. The Audit Committee's primary duties and responsibilities are to:

- (a) recommend to the Board the external auditor to be nominated, and its compensation;
- (b) monitor the integrity of the financial statements of the Company;
- (c) ensure the external auditor's qualifications and independence;
- (d) oversee the performance of the auditor;
- (e) be satisfied that adequate procedures are in place for review of the Company's disclosure of financial information; and

The current members of the Audit Committee are Maurice Brooks, Kirill Klip and John Wisbey (Chairman). For further details on the Audit Committee, please refer to section entitled "Audit Committee and Auditor".

Other Board Committees

Other than the Compensation Committee described above and the Audit Committee described in this Information Circular under the heading "Audit Committee", the Board has no other committees.

AUDIT COMMITTEE AND AUDITOR

National Instrument 52-110 *Audit Committees* ("NI 52-110") requires the Company, as a TSX Venture Exchange issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor. The Audit Committee provides review and oversight of the Company's accounting and financial reporting process, and the audit process, including the selection, oversight and compensation of the Company's external auditor.
