

CERTIFICATE OF AUTHOR

To Accompany the Report entitled

“NI 43-101 Technical Report on the Copperwood Copper Project, Michigan, USA” for Highland Copper Company Inc. dated effective December 3, 2017 (the “Technical Report”).

I, Rejean Sirosis, ing, do hereby certify that:

- 1) I am a Geological Engineer acting as Vice President Geology and Resources for G Mining Services Inc with an office at 7900 Taschereau Blvd, Building D, Suite 200, Brossard, Quebec, Canada, J4X 1C2;
- 2) I am a graduate of l’Université du Québec à Chicoutimi with a B.Sc. (Geological Engineering) in 1983;
- 3) I am a Professional Engineer registered with the “Ordre des Ingénieurs du Québec” (OIQ-Licence: 38754);
- 4) I have practiced my profession continuously since 1985 and have extensive experience in estimating mineral resources in South and North America as well as in Southern and West Africa;
- 5) I have read the definition of “qualified person” set out in National Instrument 43-101 (“NI 43-101) and certify that by reason of my education, affiliation with a professional association and past relevant work experience, I fulfil the requirements to be a qualified person for the purposes of NI 43-101;
- 6) I am responsible for sections 1 through 27 of this technical report;
- 7) I have visited the Copperwood Copper Project on June 23 and 24, 2015 and also on November 7, 2017. I have visited fifteen (15) drill sites confirming the drill holes coordinates entered in the database used for the current resource estimation;
- 8) I met with Highland personnel in White Pine, Michigan, from November 7 to 8, 2017, to discuss the Copperwood Project. The purpose of the visit was to familiarize with the general geology of the area and detailed geology of the Copperwood Project property, to review the project exploration history, to review available information such as core and to discuss procedures and methods applied during the 2017 exploration program;
- 9) I have not had any involvement with the property that is the subject of this Technical Report prior to my engagement as a mining consultant on technical matters, the results of which form part of this Technical Report and the NI 43-101 Technical Report on the Copperwood Copper Project, Michigan, USA dated effective April 15, 2015;

- 10) I am independent of Highland Copper Company Inc. as described in section 1.5 of NI 43-101;
- 11) I have read NI 43-101 and Form 43-101F1 and have supervised and approved the writing of Sections 1 through 27 of the Technical Report in compliance with NI 43-101 and Form 43-101F1; and
- 12) As of the effective date of the Technical Report, to the best of my knowledge, information and belief, Sections 1 through 27 of the Technical Report contain all scientific and technical information that is required to be disclosed to make the Technical Report not misleading.

This 4th day of December 2017

/ Signed and Sealed /

Réjean Sirois, ing.
Vice President – Geology and Resources
G Mining Services Inc.
