DRAGONFLY CAPITAL CORP.
MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE SIX MONTHS ENDED OCTOBER 31, 2021

This Management's Discussion and Analysis ("MD&A") of Dragonfly Capital Corp. ("Dragonfly" or the "Company"), prepared as of December 28, 2021, should be read in conjunction with the unaudited condensed interim financial statements for the six months ended October 31, 2021 and audited financial statements of the year ended April 30, 2021.

Unless otherwise noted, financial results are reported in accordance with International Financial Reporting Standards ("IFRS"). All amounts are expressed in Canadian dollars unless otherwise indicated.

This MD&A may contain "forward-looking statements" which reflect the Company's current expectations regarding future results of operations, performance and achievements of the Issuer. The Issuer has tried, wherever possible, to identify these forward-looking statements by, among other things, using words such as "anticipate," "believe," "estimate," "expect" and similar expressions. The statements reflect the current beliefs of the management of the Company, and are based on currently available information. Accordingly, these statements are subject to known and unknown risks, uncertainties and other factors, which could cause the actual results, performance, or achievements of the Issuer to differ materially from those expressed in, or implied by, these statements.

The Company undertakes no obligation to publicly update or review the forward-looking statements whether as a result of new information, future events or otherwise.

Historical results of operations and trends that may be inferred from the following discussions and analysis may not necessarily indicate future results from operations.

DESCRIPTION OF BUSINESS

The Company was incorporated by a Certificate of Incorporation issued pursuant to the provisions of the Business Corporations Act (British Columbia) on March 19, 2010.

The Company is a Capital Pool Company as its principal business is the identification and evaluation of companies, assets or business with a view to completing a Qualifying Transaction in accordance with Policy 2.4 of the TSX Venture Exchange ("Exchange"). Such a transaction will be subject to shareholder and regulatory approval.

On October 14, 2010, the Company completed its initial public offering consisting of a new issue of 2,000,000 common shares priced at \$0.10 per share, for gross proceeds of \$200,000. The Company's common shares commenced trading on the TSX Venture Exchange under the symbol "DRC.P" at market opening on October 15, 2010. The Company's prospectus dated July 12, 2010 was accepted effective July 14, 2010 by the regulatory authorities of British Columbia and Alberta and constituted an offering to the public of 2,000,000 common shares of the Company at \$0.10 per share for gross proceeds of \$200,000. The agent received a commission of 10% of the gross proceeds of the offering or \$0.01 per share and an administration fee of \$10,000. The Company also granted the agent warrants to acquire up to 200,000 common shares at an exercise price of \$0.10 per common share exercisable for a period of 24 months from the date the Company's common shares are listed for trading on the Exchange. The agent was also reimbursed by the Company for other agent's expenses incurred pursuant to the offering.

On February 5, 2013, the Company announced the transfer of its listing to the NEX board ("NEX") of the TSXV effective at market open on February 6, 2013. The trading symbol of Dragonfly changed from "DRC.P" to "DRC.H", however, trading in the common shares of Dragonfly ("Common Shares") will remain suspended, pending completion of a Qualifying Transaction.

On March 21, 2018, the Company issued 10,000,000 common shares at \$0.075 per share for proceeds of \$750,000.

FINANCIAL INSTRUMENTS AND RISKS

(a) Fair Values

Assets and liabilities measured at fair value on a recurring basis were presented on the Company's statement of financial position as at October 31, 2021 as follows:

	Fair Value Measurements Using			Balance, October 31, 2020 \$
	Quoted prices in active markets for identical instruments (Level 1) \$	Significant other observable inputs (Level 2) \$	Significant unobservable inputs (Level 3) \$	
Cash	82,088	—	—	82,088

The fair values of other financial instruments, which include accounts payable and accrued liabilities, and due to related parties, approximate their carrying values due to the relatively short-term maturity of these instruments.

(b) Credit Risk

Financial instruments that potentially subject the Company to a concentration of credit risk consist primarily of cash. The Company limits its exposure to credit loss by placing its cash with high credit quality financial institutions. The carrying amount of financial assets represents the maximum credit exposure.

(c) Foreign Exchange Rate and Interest Rate Risk

The Company is not exposed to any significant foreign exchange rate or interest rate risk.

(d) Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company currently settles its financial obligations out of cash. The ability to do this relies on the Company raising equity financing in a timely manner and by maintaining sufficient cash in excess of anticipated needs.

ACCOUNTING STANDARDS ISSUED BUT NOT YET EFFECTIVE

A number of new standards, and amendments to standards and interpretations, are not yet effective for the six months ended October 31 and have not been applied in preparing these condensed interim financial statements.

Since December 31, 2019, the COVID-19 pandemic is causing a widespread health crisis that has affected economies and financial markets around the world resulting in an economic downturn. In response to the outbreak, governmental authorities in Canada and internationally have introduced various recommendations and measures to try to limit the pandemic, including travel restrictions, border closures, non-essential business closures, quarantines, self-isolations, shelters-in-place and social distancing. The COVID-19 outbreak and the response of governmental authorities to try to limit it are having a significant impact on the private sector and individuals, including unprecedented business, employment and economic disruptions. The continued spread of COVID-19 nationally and globally could have an adverse impact on the Company's business, operations and financial results, as well as a deterioration of general economic conditions including a possible national or global recession. Due to the speed with which the COVID-19 situation is developing and the uncertainty of its magnitude, outcome and duration, it is not possible to estimate its impact on the Company's business, operations or financial results, including the Company's ability to secure financing; however, the impact could be material.
