

INFORMATION CIRCULAR
FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF
SHAREHOLDERS TO BE HELD ON FRIDAY OCTOBER 20, 2023

This information is given as of September 5, 2023, unless otherwise
noted.

PERSONS MAKING THE SOLICITATION

This Information Circular is furnished in connection with the solicitation of proxies by the management of Right Season Investments Corp. (the “Company”) for use at the Annual General and Special Meeting (the “Meeting”) of the shareholders of the Company, to be held on **Friday October 20, 2023** at the time and location and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

Except as noted below, the Company has distributed or made available for distribution, copies of the Notice, the Information Circular and form of proxy or voting instruction form (“VIF”) (if applicable) (collectively, the “Meeting Materials”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “Intermediaries”) for distribution to Beneficial Shareholders (as defined below) whose common shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Company is sending proxy- related materials indirectly to NOBOs (as defined below), through the services of Broadridge Financial Solutions, Inc. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are directors and/or officers of the Company. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for such shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Company’s transfer agent and registrar, Endeavor Trust Corporation, Proxy Department, by fax at 604-559-8908, or by mail, or by hand delivery at 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, not later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting or any adjournment thereof, or delivering it to the chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered shareholder or his, her or its attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the shareholder or by such shareholder’s attorney duly authorized in writing or, if the shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - i. at the registered office, 800 – 1199 West Hastings Street, Vancouver, BC, V6E 3T5, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof; or
 - ii. with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or

(b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the common shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. The common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted on, the common shares will be voted accordingly. **In the absence of such direction, where the management nominees are appointed as proxyholder, such common shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Information Circular, the management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Company should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

NOTICE-AND-ACCESS

The Company is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), for distribution of proxy-related materials to Registered and Beneficial Shareholders.

Under the Notice-and-Access Provisions, instead of receiving printed copies of the Circular, Registered and Beneficial Shareholders will receive the Notice of Annual General and Special Meeting with information on the Meeting date, location and purpose, as well as information on how they may access the Circular electronically and how they may vote. Electronic copies of the Notice of Annual General and Special Meeting, the Circular, the audited financial statements of the Company for the financial year ended June 30, 2022, together with the report of the auditors thereon, and the related MD&A may be found on the Company’s SEDAR+ profile at www.sedarplus.ca and the Company’s website at www.rightseasoninvestmentscorp.com as of **September 20, 2023**.

The Company will not use the procedure known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to certain Shareholders (defined below) with the notice package.

Obtaining Paper Copies of Materials

The Company anticipates that using the Notice-and-Access Provisions for delivery will directly benefit the Company through a substantial reduction in postage and material costs, and will also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders with questions about the Notice-and-Access Provisions can call Endeavor at +1-604-559-8880.

Shareholders may obtain paper copies of the Circular, the audited financial statements of the Company for the financial year ended June 30, 2022, together with the report of the auditors thereon, and the related MD&A free of charge by calling the Company at 1-236-521-0626 or via email at tyler@rightseasoninvestmentscorp.com.

Requests for paper copies of the Circular, the audited financial statements of the Company for the financial year ended June 30, 2022, together with the report of the auditors thereon, and the related MD&A which are required **in advance of the Meeting**, should be sent so that the request is received by the Company or Endeavor, as applicable, at least ten (10) days before the Meeting in order to allow sufficient time for Shareholders to receive the paper copies and to return their form of proxy or voting instruction forms to Intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, British Columbia) prior to the time set for the Meeting or any

adjournments or postponements thereof.

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares, or non-objecting beneficial owners (“NOBOs”) whose names has been provided to the Company’s registrar and transfer agent, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of shareholders who do not hold their common shares in their own name (referred to in this section as “Beneficial Shareholders”). If common shares are listed in an account statement provided to a shareholder by an Intermediary, then in almost all cases those common shares will not be registered in such shareholder’s name on the records of the Company. Such common shares will more likely be registered under the name of the shareholder’s Intermediary or an agent of that Intermediary. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common shares held by Intermediaries, or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting common shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“Broadridge”). Broadridge typically mails the VIFs or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the VIFs or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or VIF from Broadridge cannot use that proxy to vote common shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their common shares in that capacity. Should a NOBO wish to attend and vote at the Meeting in person, the NOBO must insert his or her name (or the name of the person that the NOBO wants to attend and vote on the NOBO’s behalf) in the space provided on the VIF and return it to the Company or its transfer agent. If the Company receives a written request that the NOBO or its nominee be appointed as proxyholder, if management is holding a proxy with respect to common shares beneficially owned by such NOBO, the Company will arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxyholder in respect of those common shares. Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as proxyholder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. If the Company receives such instructions at least one business day before the deadline for submission of proxies, it is required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxyholder. **If a NOBO requests that the NOBO or its nominee be appointed as proxyholder, the NOBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the NOBOs vote to be counted.**

NOBOs that wish to change their vote must in sufficient time in advance of the Meeting contact their Intermediary to arrange to change their vote. NOBOs should carefully follow the instructions of their Intermediaries, including those regarding when and where to complete the VIF’s that are to be returned to their Intermediaries.

Should an objecting beneficial owner (an “OBO”) wish to attend and vote at the Meeting in person, the OBO should insert his or her name (or the name of the person the OBO wants to attend and vote on the OBO’s behalf) in the space provided for that purpose on the request for voting instructions form and return it to the OBO’s Intermediary or send the Intermediary another written request that the OBO or its nominee be appointed as proxyholder. The Intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as proxyholder in respect of the OBO’s common shares. Under NI 54-101, unless corporate law does not allow it, if the Intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the Intermediary (who is the registered shareholder) in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. An Intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as proxyholder. **If an OBO requests that an Intermediary appoint the OBO or its nominee as proxyholder, the OBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the OBOs vote to be counted.**

OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. Only registered shareholders have the right to revoke a proxy. OBOs who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective intermediaries to change their vote and if necessary, revoke their proxy in accordance with the revocation procedures set out above.

The company does not intend to pay for Intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 Request for Voting Instructions Made by Intermediary. An OBO will not receive such materials unless the OBO’s Intermediary assumes the cost of delivery

Shareholders with questions respecting the voting of shares held through an Intermediary should contact that Intermediary for assistance.

All references to shareholders in this Information Circular and the accompanying form of proxy and Notice are to shareholders of record unless specifically stated otherwise.

NOTE TO NON-OBJECTING BENEFICIAL OWNERS

The Meeting Materials are being sent to both registered and NOBOs. If you are a NOBO, and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of common shares, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you indirectly the Intermediary holding on your behalf has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Company consists of: (i) an unlimited number of common shares (the “Common Shares”); (ii) an unlimited number of preferred shares; (iii) an unlimited number of pre-arrangement common shares; (iv) an unlimited number of class 1 reorganization shares; and (v) an unlimited number of class 2 reorganization shares. As at September 5, 2023, 158,406,932 Common Shares were issued and outstanding.

The Company has fixed the close of business on September 5, 2023, as the record date (the “Record Date”) for the purposes of determining shareholders entitled to receive the Notice and vote at the Meeting. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each common share of which he, she or it is the holder. The Company has no other classes of voting securities.

In accordance with the provisions of the Business Corporations Act (British Columbia), the Company will prepare a list of the holders of common shares on the Record Date. Each holder of common shares named on the list will be entitled to vote the common shares shown opposite his, her or its name on the list at the Meeting.

To the best knowledge of the directors and senior officers of the Company, there are no shareholders who beneficially own, directly or indirectly, or exercise control or discretion over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company.

The above information was provided by management of the Company and the Company's registrar and transfer agent as of the Record Date.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the year ended June 30, 2022, report of the auditor and related management discussion and analysis will be placed before the Meeting.

VOTES NECESSARY TO PASS RESOLUTIONS

Under the Company's Articles, the quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 10% of the issued common shares entitled to be voted at the Meeting. A simple majority of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required in order to pass an ordinary resolution. A majority of two-thirds of the votes of those shareholders who are present and vote either in person or by proxy at the Meeting is required to pass a special resolution. There are no special resolutions proposed at this Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the current directors or executive officers, no proposed nominee for election as a director, none of the persons who have been directors or executive officers since the commencement of the last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, save and except for those matters pertaining to the election of directors and the approval of the Company's Equity Incentive Plan (defined below).

Compensation Program Objectives

The objectives of the Company’s executive compensation program are as follows:

- to attract, retain and motivate talented executives who create and sustain the Company’s continued success;
- to align the interests of the Company’s executives with the interests of the Company’s shareholders; and
- to provide total compensation to executives that is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Overall, the executive compensation program aims to design executive compensation packages that meet executive compensation packages for executives with similar talents, qualifications and responsibilities at companies with similar financial, operating and industrial characteristics. The Company does not anticipate generating significant revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of its NEOs.

Purpose of the Compensation Program

The Company’s executive compensation program has been designed to reward executives for reinforcing the Company’s business objectives and values, for achieving the Company’s performance objectives and for their individual performances.

Elements of Compensation Program

The executive compensation program consists of a combination of base salary and consulting fees, performance bonus and compensation security incentives.

Purpose of Each Element of the Executive Compensation Program

The base salary of an NEO is intended to attract and retain executives by providing a reasonable amount of non-contingent remuneration.

In addition to a fixed base salary, each NEO is eligible to receive a performance-based bonus meant to motivate the NEO to achieve short-term goals. The pre-established, quantitative target(s) used to determine performance bonuses are set each fiscal year. Awards under this plan are made by way of cash payments only, which payment are made at the end of the fiscal year.

Compensation securities are generally awarded to NEOs on an annual basis based on performance measured against set objectives. The granting of compensation securities upon hire aligns NEOs’ rewards with an increase in shareholder value over the long term. The use of compensation securities encourages and rewards performance by aligning an increase in each NEO’s compensation with increases in the Company’s performance and in the value of the shareholders’ investments.

Determination of the Amount of Each Element of the Executive Compensation Program

The board of directors of the Company (the “Board”) is responsible for reviewing the adequacy and form of compensation paid to the Company’s executives and key employees and ensuring that such compensation realistically reflects the responsibilities and risks of such positions. In fulfilling its responsibilities, the Board evaluates the performance of the chief executive officer and other senior management in light of corporate goals and objectives and makes recommendations with respect to compensation levels based on such evaluations.

Base Salary

The base salary review of each NEO takes into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the NEO. Base salary is not evaluated against a formal “peer group”. The Board relies on the general experience of its members in setting base salary amounts.

Performance Bonuses

The Board oversees the operation of the Corporation’s bonus plan by evaluating and approving the targets and the objectives to be met by the NEO and the amount of bonus payable at specific levels of attainment of those targets and objectives. The bonus for each individual NEO varies dependent upon the position and the factors considered in assessing the bonus amounts include, but are not limited to, expense control and attainment of specific strategic business goals.

Link to Overall Compensation Objectives

Each element of the executive compensation program has been designed to meet one or more objectives of the overall program.

The fixed base salary of each NEO, combined with the granting of compensation securities, has been designed to provide total compensation which the Board believes is competitive with that paid by other companies of comparable size engaged in similar business in appropriate regions.

Equity Incentive Plan

The Company's existing Equity Incentive Plan was last approved by Shareholders on November 9, 2022 and the TSXV has approved the Equity Incentive Plan on November 18, 2022. The Company is seeking re-approval of the Equity Incentive Plan from Shareholders.

The purpose of the Equity Incentive Plan is to secure for the Company and the Shareholders the benefits inherent in share ownership by the Board and employees of the Company and its affiliates who, in the judgment of the Board, will be largely responsible for its future growth and success. It is generally recognized that equity incentive plans such as the Equity Incentive Plan, which includes Deferred Share Units ("DSUs") and Restricted Share Units ("RSUs"): (a) aid in retaining and encouraging individuals of exceptional ability because of the opportunity offered them to acquire a proprietary interest in the Company; and (b) promote greater alignment of interests between such persons and Shareholders.

The Equity Incentive Plan:

- (a) is a "rolling" plan, pursuant to which the aggregate number of Common Shares to be issued under the Equity Incentive Plan, together with any other securities-based compensation arrangements of the Company, shall not exceed 10% of the Company's issued and outstanding Common Shares from time to time – for certainty, the rolling limit under the Equity Incentive Plan is applicable solely to stock options (the "Options"); and
- (b) provides for the awards of Options, RSUs and DSUs (collectively the "Awards").

The Equity Incentive Plan provides for the grant to eligible members of the Board, employees (including officers) and consultants of Options, RSUs and DSUs that automatically convert, or are redeemable, into Common Shares.

The aggregate number of Common Shares that may be subject to issuance under the Equity Incentive Plan, together with any other securities-based compensation arrangements of the Company, shall not exceed 10% of the Company's issued and outstanding share capital from time to time.

The aggregate maximum number of Common Shares available for issuance from treasury underlying RSUs and DSUs under the Equity Incentive Plan, subject to adjustment under the Equity Incentive Plan, is 15,790,693 Common Shares (1,000,000 for RSUs and 1,000,000 for DSUs). Any Common Shares subject to an RSU or DSU which has been granted under the Equity Incentive Plan and which has been cancelled or terminated in accordance with the terms of the Equity Incentive Plan will again be available under the Equity Incentive Plan.

The maximum terms for all Awards granted under the Equity Incentive Plan is ten years.

At the Meeting the Company is seeking approval to renew of the Equity Incentive Plan. See "Particulars of Matters to be Acted Upon – Approval to Renew the Equity Incentive Plan" for additional information.

The obligations of Mr. Lewis under the Executive Consulting Agreement will remain in effect until November 28, 2024, at which time the Executive Consulting Agreement will automatically terminate unless extended by written agreements of the Company and Mr. Lewis.

Other than as disclosed above, during the most recently completed financial year there were no employment contracts, agreement, plans or arrangements for payments to an NEO, at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO’s responsibilities.

C. Approval of the Renewal Equity Incentive Plan

The Company is seeking to approve the renewal of the Equity Incentive Plan from Shareholders.

The purpose of the Equity Incentive Plan is to secure for the Company and the Shareholders the benefits inherent in share ownership by the Board and employees of the Company and its affiliates who, in the judgment of the Board, will be largely responsible for its future growth and success. It is generally recognized that equity incentive plans such as the Equity Incentive Plan, which includes Deferred Share Units (“DSUs”) and Restricted Share Units (“RSUs”): (a) aid in retaining and encouraging individuals of exceptional ability because of the opportunity offered them to acquire a proprietary interest in the Company; and (b) promote greater alignment of interests between such persons and Shareholders. All outstanding options granted under the Company’s existing Stock Option Plan will be governed by the terms of the Equity Incentive Plan.

The Equity Incentive Plan:

- (c) is a “rolling” plan, pursuant to which the aggregate number of Common Shares to be issued under the Equity Incentive Plan, together with any other securities-based compensation arrangements of the Company, shall not exceed 10% of the Company’s issued and outstanding Common Shares from time

to time – for certainty, the rolling limit under the Equity Incentive Plan is applicable solely to stock options (the “Options”); and

(d) provides for the awards of Options, RSUs and DSUs (collectively the “Awards”).

The Equity Incentive Plan provides for the grant to eligible members of the Board, employees (including officers) and consultants of Options, RSUs and DSUs that automatically convert, or are redeemable, into Common Shares.

The aggregate number of Common Shares that may be subject to issuance under the Equity Incentive Plan, together with any other securities-based compensation arrangements of the Company, shall not exceed 10% of the Company’s issued and outstanding share capital from time to time.

The aggregate maximum number of Common Shares available for issuance from treasury underlying RSUs and DSUs under the Equity Incentive Plan, subject to adjustment under the Equity Incentive Plan, is 15,790,693 Common Shares (1,000,000 for RSUs and 1,000,000 for DSUs). Any Common Shares subject to an RSU or DSU which has been granted under the Equity Incentive Plan and which has been cancelled or terminated in accordance with the terms of the Equity Incentive Plan will again be available under the Equity Incentive Plan.

The maximum terms for all Awards granted under the Equity Incentive Plan is ten years.

Options

The Equity Incentive Plan authorizes the Board, to grant Options to eligible employees, eligible consultants and eligible directors (each, a “Participant”). The number of Common Shares, the exercise price per Common Share, the vesting period and any other terms and conditions of Options granted pursuant to the Equity Incentive Plan, from time to time are determined by the Board, at the time of the grant, subject to the defined parameters of the Equity Incentive Plan. The date of grant for the Options, unless otherwise determined by the Board, shall be the date such grant was approved by the Board. Each Option grant shall be evidenced by an Option grant letter.

The exercise price of any Option cannot be less than the Market Price (as defined by the policies of the TSXV) on the date of grant.

Options are exercisable for a period of five years from the date the Option is granted or such greater or lesser period as determined by the Board. In the event of death of an optionee, any Option held by the optionee at the date of death shall become exercisable in whole or in part, but only by the person or persons to whom the optionee’s rights under the Option shall pass by the optionee’s will or applicable laws of descent and distribution. Unless otherwise determined by the Board, all such Options shall be exercisable only to the extent that the optionee was entitled to exercise the Option at the date of his or her death and only for twelve months after the date of death or prior to the expiration of the exercise period in respect thereof, whichever is sooner. If an optionee ceases to be employed by the Company for cause, no Option held by such optionee will, unless otherwise determined by the Board, be exercisable following the date on which the optionee ceases to be so engaged.

Vesting of Options is determined by the Board. Failing a specific vesting determination by the Board, Options shall vest as follows: (a) at any time during the first six months from issuance, the optionee may purchase up to 25% of the total number of Common Shares reserved for issuance pursuant to his or her Option; and (b) at any time during each additional six-month period from issuance the optionee may purchase an additional 25% of the total number of Common Shares reserved for issuance pursuant to his or her Option plus any Common Shares not purchased in accordance with the preceding (a) and this (b) until, after the 18th month of the option period, 100% of the Option will be exercisable. Options granted to any Investor Relations Service Provider must vest in stages over a period of no less than twelve months, in accordance with the vesting restrictions set out by the policies of the TSXV.

As at the date of the Information Circular, there are 50,000 options outstanding.

Outstanding RSUs and DSUs

As at the date of the Information Circular, there are nil RSUs and nil DSUs outstanding.

RSUs

The Equity Incentive Plan authorizes the Board to grant RSUs, in its sole and absolute discretion, to a Participant.

Each RSU provides the recipient with the right to receive Common Shares as a discretionary payment in consideration of past services or as an incentive for future services, subject to the Equity Incentive Plan and with such additional provisions and restrictions as the Board may determine. Each RSU grant shall be evidenced by a restricted share right grant letter which shall be subject to the terms of the Equity Incentive Plan and any other terms and conditions which the Board deem appropriate.

In the event the Participant retires or is terminated during the vesting period, any RSU held by the Participant shall be terminated immediately provided however that the Board shall have the absolute discretion to accelerate the vesting date. In the event of death or total disability the vesting period shall accelerate and the Common Shares underlying the RSUs shall be issued.

Except to the extent prohibited by the TSXV, on vesting of the RSUs the Company shall redeem the RSUs in accordance with the Participant's election by:

Each DSU grant shall be evidenced by a deferred share right grant letter which shall be subject to the terms of the Equity Incentive Plan and any other terms and conditions which the Board deem appropriate.

Concurrent with the granting of the DSU, the Board shall determine, the period of time during which the DSU is not vested. No DSU may vest before the date that is one year following the date the DSU is granted.

The aggregate maximum number of Shares underlying RSUs and DSUs under the Equity Incentive Plan that may be issued to any one Participant: (i) at the time of grant shall not exceed 1% of the Company's issued and outstanding Common Shares; and (ii) within a 12-month period shall not exceed 2% of the Company's issued and outstanding Common Shares.

In the event the Participant retires or is terminated during the vesting period, any DSU held by the Participant shall be terminated immediately provided however that the Board shall have the absolute discretion to accelerate the vesting date. In the event of death or total disability of the Participant, the legal representative of the Participant shall provide a redemption notice to the Company.

Each Participant shall be entitled to redeem vested DSUs during the period commencing on the business day immediately following the Participant's retirement or termination and ending on the 90th day following such date by providing a written notice to the Company.

Except to the extent prohibited by the TSXV, upon redemption the Company shall redeem DSUs in accordance with the election made in the written notice to the Company by:

- (a) issuing that number of Common Shares issued from treasury equal to the number of DSUs in the Participant's account, subject to any applicable deductions and withholdings;
- (b) paying in cash to, or for the benefit of, the Participant, the Market Price (as defined in the policies of the TSXV) of any DSUs being redeemed on the retirement or termination date, less any applicable tax obligation; or
- (c) a combination of any of the Common Shares or cash in (a) or (b) above.

In no event will the number of Common Shares that may be issued to any individual (when combined with all of the Company's other security-based compensation arrangements, as applicable) exceed 5% of the Company's outstanding issue from time to time.

The Board has approved the Equity Incentive Plan. The formal renewal of the Equity Incentive Plan is subject to Shareholder approval at the Meeting and final TSXV approval.

The full text of the Equity Incentive Plan is attached as Schedule “B” hereto.

Shareholders will be asked at the Meeting to pass an ordinary resolution, the text of which will be substantially the form as follows:

“RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

- 1. The Equity Incentive Plan (as defined and described in the Company’s management information circular dated September 5, 2023), pursuant to which, directors may, from time to time, authorize the issuance of options, restricted share units and deferred share units to certain directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding common shares of the Company at the time of grant and to a maximum of 1,000,000 restricted share units and 1,000,000 deferred share units, be and is hereby authorized and approved, subject to stock exchange approval; and*
- 2. Any one or more directors or officers of the Company be and are hereby authorized, for and on behalf of the Company, to execute and deliver all other documents and instruments and do all such acts or things, and making all necessary filings with applicable regulatory bodies and stock exchanges, as such directors or officers may determine to be necessary or desirable to carry out the foregoing resolutions.”*

Accordingly, the Board and Management are recommending that Shareholders vote FOR to approve the renewal of the Equity Incentive Plan. Shareholder proxies received in favour of management will be voted for the approval of a resolution of Shareholders regarding the approval of the Equity Incentive Plan, unless a Shareholder has specified in the enclosed Proxy that such Common Shares are to be voted against such Shareholder resolution.

D. Approval of Consolidation

At the Meeting, Shareholders will be asked to consider and, if thought fit, to approve the consolidation of the Company’s issued and outstanding Common Shares on the basis of one (1) post-Consolidation Common Share for each 70 pre-Consolidation Common Shares, or such lesser consolidation ratio as the Board of Directors in its discretion deems advisable (the “**Consolidation**”).

As at the Record Date, the Company had **158,406,932** Common Shares outstanding. If approved and implemented, the Consolidation will reduce the number of Common Shares outstanding to approximately **2,262,956** Common Shares upon completion of the Consolidation. Fractional shares will not be issued pursuant to the Consolidation, and any fractional shares created by the Consolidation will be rounded down. If the Consolidation is approved, and the Company decides to proceed, the Company will have letters of transmittal distributed to Shareholders for exchanging existing share certificates for post-Consolidation certificates.

The exercise price and the number of Common Shares issuable under any outstanding convertible securities of the Company will be proportionately adjusted if the Consolidation is implemented.

Management of the Company has recommended to the Board that the Company undertake a Consolidation to reduce the number of Common Shares outstanding. The Company believes an increased Common Share price will allow it to attract additional investors who have minimum share price thresholds for equity investments.

The Consolidation is also subject to the approval of the TSX Venture Exchange (the “**Exchange**”).

Accordingly, Shareholders will be asked at the meeting to pass a resolution in substantially the following form:

“RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. *the authorized share capital of the Company is altered by consolidating all of the issued and outstanding Common Shares of the Company on the basis of one (1) post-Consolidation Common Share for each 70 pre-Consolidation Common Shares, or such lesser consolidation ratio as the Board of Directors in its discretion deems advisable;*
2. *any fractional share remaining after giving effect to the aforementioned Consolidation will be rounded down;*
3. *any director or officer of the Company is authorized to execute and deliver all such documents and instruments and to do such further acts as may be necessary to give full effect to this resolution or may be required to carry out the full intent and meaning of this resolution; and*
4. *notwithstanding that this resolution has been duly passed by the Shareholders, the Board is hereby authorized and empowered, if it decides not to proceed with this resolution, to revoke this resolution in whole or in part at any time prior to it being given effect without further notice to, or approval of, the Shareholders.”*

Accordingly, the Board and Management are recommending that Shareholders vote FOR the approval of the Consolidation. Shareholder proxies received in favour of management will be voted for the approval of a resolution of Shareholders regarding the approval of the Consolidation, unless a Shareholder has specified in the enclosed Proxy that such Common Shares are to be voted against such Shareholder resolution.

OTHER MATTERS

Management knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting; the Common Shares represented by the Proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting by proxy.

The exercise price per Share of any Option shall be not less than the Discounted Market Price.

3.3 Grant of Options

The Board, on the recommendation of the Committee, may at any time authorize the granting of Options to such Participants as it may select for the number of Shares that it shall designate, subject to the provisions of this Plan. The date of grant of an Option shall, unless otherwise determined by the Board, be (i) the date such grant was approved by the Committee for recommendation to the Board, provided the Board approves such grant; or (ii) for a grant of an Option not approved by the Committee for recommendation to the Board, the date such grant was approved by the Board.

Each Option granted to a Participant shall be evidenced by a stock option agreement with terms and conditions consistent with this Plan and as approved by the Board on the recommendation of the Committee (which terms and conditions need not be the same in each case and may be changed from time to time, subject to Section 7.10 of this Plan, and the approval of any material changes by the Exchange or such other exchange or exchanges on which the Shares are then traded).

3.4 Terms of Options

The Option Period shall be five years from the date such Option is granted or such greater duration, up to a maximum of ten years from the date of grant, or lesser duration as the Board, on the recommendation of the Committee, may determine at the date of grant, and may thereafter be reduced with respect to any such Option as provided in Section 3.7 hereof covering termination of employment or engagement of the Optionee or death of the Optionee; provided, however, that at any time the expiry date of the Option Period in respect of any outstanding Option under this Plan should be determined to occur during a Blackout Period imposed by the Company, the expiry date of such Option Period shall be deemed to be the date that is the tenth business day following the expiry of the Blackout Period.

Unless otherwise determined from time to time by the Board, and subject to the rules and policies of the Exchange, on the recommendation of the Committee, Options shall vest and may be exercised (in each case to the nearest full Share) during the Option Period as follows:

- (a) at any time during the first six months of the Option Period, the Optionee may purchase up to 25% of the total number of Shares reserved for issuance pursuant to his or her Option; and
- (b) at any time during each additional six-month period of the Option Period the Optionee may purchase an additional 25% of the total number of Shares reserved for issuance pursuant to his or her Option plus any Shares not purchased in accordance with the preceding subsection (a) and this subsection (b) until, after the 18th month of the Option Period, 100% of the Option will be exercisable.

Options granted to any Investor Relations Service Providers must vest in stages over a period of not less than twelve months, in accordance with the vesting restrictions set out in Section 4.4(c) of Exchange Policy 4.4.

Except as set forth in Section 3.7, no Option may be exercised unless the Optionee is at the time of such exercise:

- (a) in the case of an Eligible Employee, in the employ of the Company or a Designated Affiliate and shall have been continuously so employed or retained since the grant of the Option;

- (b) in the case of an Eligible Consultant, a Consultant of the Company or a Designated Affiliate and shall have been such a Consultant continuously since the grant of the Option; or
- (c) in the case of an Eligible Director, a director of the Company or a Designated Affiliate and shall have been such a director continuously since the grant of the Option.

The exercise of any Option will be contingent upon the Optionee having entered into a stock option agreement with the Company on such terms and conditions as have been approved by the Board, on the recommendation of the Committee, and which incorporates by reference the terms of this Plan. The exercise of any Option will, except as set forth in Section 3.5 and subject to Section 3.6, also be contingent upon receipt by the Company of cash payment of the full purchase price of the Shares being purchased.

An Exchange four month hold period will be imposed from the date of grant of the Option on all Options awarded to Insiders of the Company and on all Options for which the exercise price per Share of any Option is based on a discount to the Market Price.

Shares issuable upon exercise of the Options may be subject to a hold period or trading restrictions. In addition, no Optionee who is resident in the U.S. may exercise Options unless the Shares to be issued upon exercise of the Options are registered under the U.S. Securities Act or are issued in compliance with an available exemption from the registration requirements of the U.S. Securities Act.

3.5 Net Exercise Right

Subject to the rules and policies of the Exchange, and except with respect to Options held by Investor Relations Service Providers, Participants have the right (the “**Net Exercise Right**”), in lieu of the right to exercise an Option, to terminate such Option in whole or in part by notice in writing delivered by the Participant to the Company electing to exercise the Net Exercise Right and, in lieu of receiving the Shares to which such terminated Option relates, to receive the number of Shares (the “**Option Shares**”), disregarding fractions, which is equal to the quotient obtained by dividing:

- (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the Shares on the date of exercise and the exercise price; by
- (b) the VWAP of the Shares on the date of exercise,

and, where the Participant is subject to the *Income Tax Act* (Canada) in respect of the Option, the Company shall make the election provided for in subsection 110(1.1) of the *Income Tax Act* (Canada). For greater certainty, the number of Shares determined by the above formula may be reduced by that amount of Tax Obligations applicable to the receipt of the Option Shares.

If a Participant exercises a Net Exercise Right in connection with an Option, it is exercisable only to the extent and on the same conditions that the related Option is exercisable under this Plan.

3.6 Cashless Exercise Right

Subject to the rules and policies of the Exchange and the provisions of this Plan, the Board may determine in its discretion to grant a Participant the right to exercise an Option on a “cashless exercise” basis, on such terms and conditions as the Board may determine in its discretion (including with respect to the withholding and remittance of taxes imposed under applicable law) (the “**Cashless Exercise Right**”).

Pursuant to an arrangement between the Company and a brokerage firm, the brokerage firm will loan money to a Participant to purchase the Shares underlying the Participant’s Options, with the brokerage firm then selling a sufficient number of Shares to cover the exercise price of the Options in order to repay the loan made to the Participant. The Participant will then receive the balance of Shares underlying the Participant’s Options or the cash proceeds from the balance of such Shares underlying the Participant’s Options. In either case, the Company shall promptly receive an amount equal to the exercise price and all applicable withholding obligations, as determined by the Company, against delivery of

the Shares to settle the applicable trade.

In connection with a Cashless Exercise Right, if any, the Participant shall (i) deliver written notice to the Company electing to exercise the Cashless Exercise Right and (ii) comply with any applicable tax withholding obligations and with such other procedures and policies as the Company may prescribe from time to time, including prior written consent of the Board in connection with such exercise.

3.7 Effect of Termination of Employment or Death

If an Optionee:

3.9 Change of Control

In the event of a Change of Control, all Options outstanding shall vest immediately and be settled by the issuance of Shares or cash, except Options granted to Investor Relations Service Providers, unless prior Exchange approval is obtained.

PART 4 RESTRICTED SHARE UNITS

4.1 Participants

Subject to the restriction in Section 7.1(c), the Board, on the recommendation of the Committee, may grant, in its sole and absolute discretion, to any Participant, rights to receive any number of fully paid and non-assessable Shares ("Restricted Share Units") as a discretionary payment in consideration of past services to the Company or as an incentive for future services, subject to this Plan and with such additional provisions and restrictions as the Board may determine.

4.2 Maximum Number of Shares

The aggregate maximum number of Shares available for issuance from treasury underlying Restricted Shares Units under this Plan, subject to adjustment pursuant to Section 7.3 and subject to the limits stipulated in Section 7.1, shall not exceed 1,000,000 Shares. Any Shares subject to a Restricted Share Unit which has been granted under the Plan and which has been cancelled or terminated in accordance with the terms of the Plan without the applicable Restricted Period having expired will again be available under the Plan.

Such aggregate maximum number of Shares subject to Restricted Share Units which have been granted under this Plan shall be subject to the approval of the shareholders of the Company to be given by a resolution passed at a meeting of the shareholders of the Company and acceptance by the Exchange or any regulatory authority having jurisdiction over the securities of the Company.

The aggregate maximum number of Shares underlying Restricted Share Units and Deferred Share Units under this Plan that may be issued to any one Participant: (i) at the time of grant shall not exceed 1% of the Company's issued and outstanding Shares; and (ii) within a twelve-month period shall not exceed 2% of the Company's issued and outstanding Shares.

4.3 Restricted Share Unit Grant Letter

Each grant of a Restricted Share Unit under this Plan shall be evidenced by a grant letter (a "**Restricted Share Unit Grant Letter**") issued to the Participant by the Company. Such Restricted Share Unit Grant Letter shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and which the Board, on the recommendation of the Committee, deems appropriate for inclusion in a Restricted Share Unit Grant Letter. The provisions of the various Restricted Share Unit Grant Letters issued under this Plan need not be identical.

4.4 Restricted Period

Concurrent with the determination to grant Restricted Share Units to a Participant, the Board, on the recommendation of the Committee, and subject to the restrictions in Section 7.4, shall determine the Restricted Period applicable to such Restricted Share Units. In addition, at the sole discretion of the Board, at the time of grant, the Restricted Share Units may be subject to performance conditions to be achieved by the Company or a class of Participants or by a particular Participant on an individual basis, within a Restricted Period, for such Restricted Share Units to entitle the holder thereof to receive the underlying Shares or cash in lieu thereof.

4.5 Deferred Payment Date

Participants who are residents of Canada for the purposes of the *Income Tax Act* (Canada) and not a U.S. Taxpayer may elect to defer to receive all or any part of the Shares, or cash in lieu thereof, underlying Restricted Share Units until one or more Deferred Payment Dates. Any other Participants may not elect a Deferred Payment Date.

4.6 Prior Notice of Deferred Payment Date

Participants who elect to set a Deferred Payment Date must give the Company written notice of the Deferred Payment Date(s) not later than thirty days prior to the expiration of the Restricted Period. For certainty, Participants shall not be permitted to give any such notice after the day which is thirty days prior to the expiration of the Restricted Period and a notice once given may not be changed or revoked.

4.7 Retirement or Termination during Restricted Period

In the event and to the extent of the Retirement or Termination and/or, as applicable, the Director Retirement or Director Termination of a Participant from all such roles with the Company during the Restricted Period, any Restricted Share Units held by the Participant shall immediately terminate and be of no further force or effect;

provided, however, that the Board shall have the absolute discretion to modify the grant of the Restricted Share Units to provide that the Restricted Period shall terminate immediately prior to the date of such occurrence.

4.8 Retirement or Termination after Restricted Period

Subject to Section 7.4, in the event and to the extent of the Retirement or Termination and/or, as applicable, the Director Retirement or Director Termination of the Participant from all such roles with the Company following the Restricted Period and prior to a Deferred Payment Date (as elected by a Participant who is not a U.S. Taxpayer), the Participant shall be entitled to receive, and the Company shall issue forthwith, Shares or cash in lieu thereof in satisfaction of the Restricted Share Units then held by the Participant.

4.9 Death or Disability of Participant

In the event of the death or total disability of a Participant, any Shares or cash in lieu thereof represented by Restricted Share Units held by the Participant shall be immediately issued by the Company to the Participant or legal representative of the Participant.

4.10 Payment of Dividends

Subject to the absolute discretion of the Board and the limits stipulated in Section 7.1 of this Plan, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Shares, a Participant may be credited with additional Restricted Share Units. Notwithstanding the foregoing, the Company will settle such dividends in cash in the event: (i) it does not have sufficient Shares to satisfy the obligation in Shares; or (ii) the issuance of Shares would result in breaching a limit on grants or issuances contained herein. The number of such additional Restricted Share Units, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the Restricted Share Units (including Restricted Share Units in which the Restricted Period has expired but the Shares have not been issued due to a Deferred Payment Date) in the Participant's account on the dividend record date had been outstanding Shares (and the Participant held no other Shares) by (b) the Market Price of the Shares on the date on which such dividends were paid. Additional Restricted Share Units awarded pursuant to this section 4.10 shall be subject to the same terms and conditions as the underlying Restricted Share Units to which they relate.

4.11 Change of Control

In the event of a Change of Control, all Restricted Share Units outstanding shall vest immediately and be settled by the issuance of Shares or cash notwithstanding the Restricted Period and any Deferred Payment Date.

4.12 Redemption of Restricted Share Units

Except to the extent prohibited by the Exchange, upon expiry of the applicable Restricted Period (or on the Deferred Payment Date, as applicable), the Company shall redeem Restricted Share Units in accordance with the election made in a Redemption Notice given by the Participant to the Company by:

- (a) issuing to the Participant one Share for each Restricted Share Unit redeemed provided the Participant makes payment to the Company of an amount equal to the Tax Obligation required to be remitted by the Company to the taxation authorities as a result of the redemption of the Restricted Share Units;
- (b) subject to the discretion of the Company, paying in cash to, or for the benefit of, the Participant, the value of any Restricted Share Units being redeemed, less any applicable Tax Obligation; or
- (c) a combination of any of the Shares or cash in (a) or (b) above.

The Shares shall be issued and the cash, if any, shall be paid as a lump-sum by the Company within ten business days of the date the Restricted Share Units are redeemed pursuant to this Part 4. Restricted Share Units of U.S. Taxpayers will be redeemed as soon as possible following the end of the Restricted Period (as set forth in the Restricted Share

Unit Grant Letter or such earlier date on which the Restricted Period is terminated pursuant to this Part 4), and in all cases by the end of the calendar year in which the Restricted Period ends, or if later, by the date that is two and one-half months following the end of the Restricted Period. A Participant shall have no further rights respecting any Restricted Share Unit which has been redeemed in accordance with this Plan.

No Participant who is resident in the U.S. may receive Shares for redeemed Restricted Share Units unless the Shares to be issued upon redemption of the Restricted Share Units are registered under the U.S. Securities Act or are issued in compliance with an available exemption from the registration requirements of the U.S. Securities Act.

PART 5

DEFERRED SHARE UNITS

5.1 Participants

Subject to the restriction in Section 7.1(c), the Board, on the recommendation of the Committee, may grant, in its sole and absolute discretion, to any Participant, rights to receive any number of fully paid and non-assessable Shares (“**Deferred Share Units**”) subject to this Plan and with such additional provisions and restrictions as the Board may determine

Any Shares subject to a Deferred Share Unit which has been granted under the Plan and which has been cancelled or terminated in accordance with the terms of the Plan will again be available under the Plan.

Such aggregate maximum number of Shares subject to Deferred Share Units which have been granted under this Plan shall be subject to the approval of the shareholders of the Company to be given by a resolution passed at a meeting of the shareholders of the Company and acceptance by the Exchange or any regulatory authority having jurisdiction over the securities of the Company.

The aggregate maximum number of Shares underlying Restricted Share Units and Deferred Share Units under this Plan that may be issued to any one Participant: (i) at the time of grant shall not exceed 1% of the Company’s issued and outstanding Shares; and (ii) within a twelve-month period shall not exceed 2% of the Company’s issued and outstanding Shares.

5.3 Deferred Share Unit Grant Letter

Each grant of a Deferred Share Unit under this Plan shall be evidenced by a grant letter (a “**Deferred Share Unit Grant Letter**”) issued to the Participant by the Company. Such Deferred Share Unit Grant Letter shall be subject to all applicable terms and conditions of this Plan and may be subject to any other terms and conditions (including without limitation any recoupment, reimbursement or claw-back compensation policy as may be adopted by the Board from time to time) which are not inconsistent with this Plan and which the Board, on the recommendation of the Committee, deems appropriate for inclusion in a Deferred Share Unit Grant Letter. The provisions of the various Deferred Share Unit Grant Letters issued under this Plan need not be identical.

5.4 Death or Disability of Participant

In the event of the death or total disability of a Participant who is not a U.S. Taxpayer, the legal representative of the Participant shall provide a written Redemption Notice to the Company in accordance with Section 5.7 of this Plan. With respect to U.S. Taxpayers, in the event of the death, or disability as defined in U.S. Treasury Regulations section 1.409A-3(i)(4), Deferred Share Units will be redeemed, in cash, Shares or a combination as permitted under Section 5.7, by the end of the calendar year in which such disability or death occurs, or, if later, by the date that is two and one-half months following the date such disability or death occurs. Notwithstanding the foregoing, in the event of death

redemption may occur at a later date to the extent permitted under Section 409A of the Code.

5.5 Payment of Dividends

Subject to the absolute discretion of the Board and the limits stipulated in Section 7.1 of this Plan, in the event that a dividend (other than a stock dividend) is declared and paid by the Company on the Shares, a Participant may be credited with additional Deferred Share Units. Notwithstanding the foregoing, the Company will settle such dividends in cash in the event: (i) it does not have sufficient Shares to satisfy the obligation in Shares; or (ii) the issuance of Shares would result in breaching a limit on grants or issuances contained herein. The number of such additional Deferred Share Units, if any, will be calculated by dividing (a) the total amount of the dividends that would have been paid to the Participant if the Deferred Share Units in the Participant's account on the dividend record date had been outstanding Shares (and the Participant held no other Shares), by (b) the Market Price of the Shares on the date on which such dividends were paid. Additional Deferred Share Units awarded pursuant to this Section 5.5 shall be subject to the same terms and conditions as the underlying Deferred Share Units to which they relate.

5.6 Change of Control

In the event of a Change of Control, all Deferred Share Units outstanding shall be redeemed for Shares or cash immediately prior to the Change of Control, provided that with respect to U.S. Taxpayers such Change of Control qualifies as a change in control event within the meaning of Section 409A of the Code and such redemption will occur within all cases by the end of the year in which such Change of Control occurs, or, if later, by the date that is two and one-half months following the date the Change of Control occurs.

5.7 Redemption of Deferred Share Units

Each Participant who is not a U.S. Taxpayer shall be entitled to redeem his or her Deferred Share Units during the period commencing on the business day immediately following the Retirement Date and ending on the ninetieth day following the Retirement Date by providing a written Redemption Notice to the Company. With respect to U.S. Taxpayers, Deferred Share Units shall be redeemed as soon as practical following the U.S. Taxpayer's Separation from Service, and in all cases by the end of the year in which such Separation from Service occurs, or, if later, by the date that is two and one-half months after the date of the Separation from Service (subject to earlier redemption pursuant to Sections 5.4 and 5.6 hereof). Notwithstanding the foregoing, if a U.S. Taxpayer is a Specified Employee (within the meaning of Section 409A of the Code) at the time of their entitlement to redemption as a result of their Separation from Service, the redemption will be delayed until the date that is six months and one day following the date of Separation from Service, except in the event of such U.S. Taxpayer's death before such date.

Except to the extent prohibited by the Exchange, upon redemption the Company shall redeem Deferred Share Units (i) for Participants who are not U.S. Taxpayers, in accordance with the election made in a Redemption Notice given by the Participant to the Company; and (ii) with respect to U.S. Taxpayers, in accordance with Sections 5.4, 5.6 and this 5.7, by:

- (a) issuing that number of Shares issued from treasury equal to the number of Deferred Share Units in the Participant's account, subject to any applicable deductions and withholdings;
- (b) paying in cash to, or for the benefit of, the Participant, the Market Price of any Deferred Share Units being redeemed on the Retirement Date, less any applicable Tax Obligation; or
- (c) a combination of any of the Shares or cash in (a) or (b) above.

In the event a Participant resigns or is otherwise no longer an Eligible Director, Eligible Employee or Eligible Consultant during a year, then for any grant of Deferred Share Units that are intended to cover such year, the Participant will only be entitled to a pro-rated Deferred Share Unit payment in respect of such Deferred Share Units based on the number of days that the Participant was an Eligible Director, Eligible Employee or Eligible Consultant in such year in accordance with this Section 5.7.

No Participant who is resident in the U.S. may receive Shares for redeemed Deferred Share Units unless the Shares issuable upon redemption of the Deferred Share Units are registered under the U.S. Securities Act or are issued in compliance with an available exemption from the registration requirements of the U.S. Securities Act.

effect.
