NEWS RELEASE

WestBond reports Profit for the Quarter ended September 30, 2023

Delta, BC November 23, 2023 – WestBond Enterprises Corporation (TSX-V: WBE) has posted a profit of \$74,763 (\$0.002 per share) for the three months ended September 30, 2023, compared to a loss of \$69,374 (-\$0.002 per share) for the three months ended June 30, 2023. Sales were \$2,718,170 for the three months ended September 30, 2023, which is 14.8% higher than for the three months ended June 30, 2023 and 6.2% lower than for the three months ended September 30, 2022.

The increase in sales and profits are a result of improved staffing levels which allowed us to fulfill a higher volume of customer orders. The shift from air laid parent roll sales to finished napkins and wipes will also contribute to the expansion of new markets and customers in the US. This expansion is expected to have a positive effect on future sales and profits for the company.

The quarterly report and other information are available on the company's website at www.westbond.ca and on SEDAR at www.sedar.com.

Cautionary Note Regarding Forward Looking Statements: *This release includes certain statements and information that constitute forward-looking information within the meaning of applicable Canadian securities laws, including statements regarding the Company's intentions. Generally, forward-looking statements and information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should" or "would" occur. Forward-looking statements are based on certain material assumptions and analysis made by the Company and the opinions and estimates of management as of the date of this press release, including the ability to sustain or develop markets and increase profitability. Although the Company considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect, and the forward-looking statements in this release are subject to numerous risks, uncertainties and other factors that may cause future results to differ materially from those expressed or implied in such forward-looking statements. Such risk factors may include, among others, changes in operating performance, availability of and prices for raw materials, availability of trained labour, foreign currency exchange rate fluctuations, unexpected competition and other technical, market and economic factors. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial out-look that is incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbour.*

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
