

## **INFORMATION CIRCULAR** **as at October 26, 2021**

This Information Circular is furnished in connection with the solicitation by the management of Medgold Resources Corp. (the "**Company**") of votes with respect to the Annual General Meeting of the holders of common shares ("**Common Shares**") of the Company to be held on Wednesday, December 8, 2021 (the "**Meeting**") and any adjournment thereof, at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the "**Notice of the Meeting**").

In this Information Circular, references to "**Non-Registered Holders**" means shareholders who do not hold Common Shares in their own name and "**Intermediaries**" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Holders.

### **VOTING**

#### **Notice-and-Access Process**

The Company has elected to use the notice-and-access provisions ("**Notice-and-Access**") of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), for distribution of this Information Circular, form of proxy ("**Proxy**") and other meeting materials (the "**Meeting Materials**") to registered shareholders and Non-Registered Holders of the Company.

Under Notice-and-Access, rather than the Company mailing paper copies of the Meeting Materials to shareholders, the Meeting Materials can be accessed online on the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com) or on the Company's website at <https://www.medgoldresources.com/agm-documents>. The Company has adopted this alternative means of delivery for the Meeting Materials in order to reduce paper use and the printing and mailing costs.

Shareholders will receive a "notice package" (the "**Notice-and-Access Notification**") by prepaid mail, with details regarding the Meeting date, location and purpose, and information on how to access the Meeting Materials online or request a paper copy.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact the Company at the toll free number as set out in the Notice of the Meeting. Provided the request is made prior to the Meeting, the Company will mail the requested materials within three business days. **Requests for paper copies of the Meeting Materials should be made by November 24, 2021 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact the Company toll-free at 1-888-627-9378.

#### **Non-Registered Holders**

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- (a) in the name of an Intermediary that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency, such as The Canadian Depository for Securities Limited, of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Company will distribute the Notice-and-Access Notification to Intermediaries and clearing agencies for onward distribution to Non-Registered Holders. The Company does not intend to pay Intermediaries to forward the Notice-and-Access Notification if the Non-Registered Holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the Non-Registered Holders. In this case, such Non-Registered Holder will not receive the Meeting Materials if the Intermediary does not assume the cost of delivery.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive Meeting Materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will be sent a voting instruction form (“**VIF**”), rather than a Proxy, which must be completed, signed and returned by the Non-Registered Holder in accordance with the directions in the VIF. In some cases, Non-Registered Holders will instead be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Trust Company as described under “*Solicitation and Deposit of Proxies and VIFs*” below.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions on the form.

**Non-Registered Holders should carefully follow the instructions in their Proxy or VIF, including instructions regarding when and where the Proxy or VIF is to be delivered.**

#### **Solicitation and Deposit of Proxies and VIFs**

While it is expected that the solicitation will be primarily by Notice-and-Access and mail, votes may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company. The Company has arranged for Intermediaries to forward the Notice-and-Access Notification to Non-Registered Holders of Common Shares held as of record by those Intermediaries and the Company may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

The individuals named in the Proxy and VIF are directors or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the Proxy or VIF and striking out the printed names, or by completing another form of proxy or VIF.** The Proxy or VIF will not be valid unless the completed, dated and signed Proxy or VIF is received by Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the Chair of the Meeting prior to commencement of the Meeting or any adjournment thereof.

#### **Voting of Proxies and VIFs**

Voting at the Meeting will be by way of a show of hands, with each registered shareholder and proxyholder having one vote, unless a ballot vote is required or requested. Common Shares represented by any properly executed and delivered Proxy or

VIF will be voted or withheld from voting only on a ballot, in accordance with the instructions given by the shareholder. **In the absence of such direction, such Common Shares will be voted in favour of the matters set forth herein.**

The Proxy or VIF, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of the Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the Proxy or VIF to vote in accordance with their best judgment on such matters or business. As at the date hereof, the management of the Company knows of no such amendment, variation or other matter that may be come before the Meeting.

#### **Revocation of Proxies and VIFs**

A shareholder who has given a Proxy or VIF may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 200 Burrard Street, Suite 650, Vancouver, British Columbia, V6C 3L6, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a Proxy or VIF does not affect any matter on which a vote has been taken prior to the revocation.

#### **VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

As at the date hereof, the Company had issued and outstanding 134,789,032 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Holders of Common Shares as at the Record Date of October 22, 2021 who either personally attend the Meeting or who have completed and delivered a Proxy or VIF in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

To the knowledge of the directors and senior officers of the Company, the only person or company who beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company is:

### **Oversight and Description of Director and NEO Compensation**

The Company does not have a formal compensation program. The Board relies on the experience of its members as officers or directors of other junior exploration companies to ensure that total compensation paid to the Company’s NEOs and directors is fair and reasonable. The Board meets periodically to discuss and determine such compensation, without reference to formal objectives, criteria or analysis.

The general philosophy of the Company’s compensation strategy is to: (a) encourage management to achieve a high level of performance and results with a view to increasing long-term shareholder value; (b) align management’s interests with the long-term interest of shareholders; (c) provide a compensation package that is commensurate with other mineral exploration companies in order to attract and retain highly qualified executives and directors; and (d) ensure that total compensation paid takes into account the Company’s overall financial position.

Compensation of the Company’s NEOs is comprised primarily of cash salaries and/or incentive stock options. The compensation to the Company’s NEOs for the fiscal year ended December 31, 2020 consisted solely of cash salaries. Stock options were previously granted to NEOs and/or directors during the 2016 and 2019 fiscal years, and most recently, stock options were granted to NEOs and directors on March 2, 2021. The Company may in the future grant additional stock options to its NEOs and directors.

In establishing levels of cash or share compensation and the granting of stock options, the individual’s performance, level of expertise, and responsibilities are considered. Stock options are generally granted at the time of the individual’s appointment and periodically thereafter. Previous grants of options are taken into account by the Board when it considers the granting of new stock options.

Incentive stock options are granted pursuant to the Option Plan which is designed to encourage share ownership on the part of the Company’s management, directors, employees, and consultants. The Board believes that the stock option plan aligns

the interests of the Company’s personnel with shareholders by linking compensation to the longer term performance of the Company’s shares. The granting of incentive stock options is an important component of executive compensation as it allows the Company to reward an individual’s efforts to increase shareholder value without requiring the use of the Company’s cash reserves.

**SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The only equity compensation plan which the Company has in place is the Option Plan which was previously approved by the shareholders on December 9, 2020. The Option Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Option Plan provides that the number of common shares of the Company issuable under the Option Plan, together with all of the Company’s other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding common shares. The material terms of the Option Plan are set out above under the heading “*Particulars of Matters to be Acted Upon – Stock Option Plan*”.

The following table sets out information regarding compensation plans under which equity securities of the Company are authorized for issuance, as at December 31, 2020:

**AUDIT COMMITTEE**

Pursuant to the provisions of National Instrument 52-110, *Audit Committees (“NI 52-110”)*, the Company’s Audit Committee has adopted a written charter (the “**Charter**”) that sets out its mandate and responsibilities. The Charter is attached hereto as Schedule “A”. As the Company is a “venture issuer” (as defined in NI 52-110), it is relying on the exemptions provided to it in Section 6.1 of NI 52-110 with respect to audit committee composition and reporting obligations.

The Audit Committee is presently comprised of Ralph Rushton, David Hall and Jeremy Crozier, all of whom are “financially literate” and a majority of whom are “independent” within the meanings given to those terms in NI 52-110 and applicable to a “venture issuer”. The education and experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member is as follows:

**Audit Committee Member**

Ralph Rushton

Mr. Rushton holds a Master’s degree in economic geology from the University of Alberta, and a Certificate in Business Writing, Public Relations and Marketing Communications from Simon Fraser University. He has extensive experience in the management of complex mineral projects in remote environments, in discovery and resource definition, in the identification and appraisal of M&A opportunities, in capital raising, and in the negotiation of transactions with property vendors and joint venture partners.

The Committee has adopted specific policies and procedures for the engagement of non-audit services, all as more particularly described in the Audit Committee’s Charter under the heading “Responsibilities”. Amounts billed to the Company during the past two fiscal years for services by the external auditors are as follows:

|                    | 2020     | 2019     |

| All Other Fees     | Nil      | Nil      |
| Total:             | \$38,000 | \$38,000 |

Notes:

“Audit Fees” are the aggregate fees billed for the audit of the Company’s annual financial statements, and review of transactions completed by the Company.

“Audit-Related Fees” are fees charged for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s annual financial statements and are not reported under “Audit Fees”.

“Tax Fees” are fees for tax return preparation.

“All Other Fees” are amounts not included in the above categories.

## **CORPORATE GOVERNANCE**

The Board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

In accordance with National Instrument 58-101, *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Instrument Form 58-101F2, *Corporate Governance Disclosure (Venture Issuers)*, the Company discloses its corporate governance practices as follows:

### **Board of Directors**

The Board considers Ralph Rushton, David Hall, Michael Skead and Andrei Kroupnik to be "independent" according to the definition set out in NI 58-101. Jeremy Crozier is not independent as he is an officer of the Company.

The independent Directors believe that their majority on the Board, their knowledge of the Company's business, and their independence are sufficient to facilitate the functioning of the Board independently of management. The independent Directors have the discretion to meet in private in the absence of the other Directors whenever they believe it is appropriate to do so.

### **Directorships**

The directors of the Company are directors of one or more other reporting issuers, as follows:

| <b>Director</b> | <b>Other Issuers</b>                             |
|-----------------|--|
| Jeremy Crozier  | N/A  |
| Ralph Rushton   | Aftermath Silver Ltd.<br>Metallum Resources Inc. |
| David Hall      | Horizonte Minerals plc                           |
| Michael Skead   | N/A  |
| Andrei Kroupnik | N/A  |

### **Orientation and Continuing Education**

Management will ensure that a new appointee to the Board is aware of his or her duties and responsibilities of a director of the Company. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director, as well as the continuing education needs of all Board members.

### **Ethical Business Conduct**

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

### **Nomination of Directors**

Given the Company's current stage of development and size of the Board, the Board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire Board will assess potential nominees and take responsibility for selecting new directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and senior officers of the Company.

### **Other Board Committees**

The only Board committee of the Company is the Audit Committee.

### **Assessments**

The Company has not determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

### **INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

In December 2020, the Company entered into an agreement with Fortuna Silver Mines Inc. ("**Fortuna**"), of 200 Burrard Street, Suite 650, Vancouver, BC V6C 3L6, which holds more than 10% of the Common Shares of the Company, whereby the Company has the option to acquire Fortuna's 51% interest in the Tlamino Project, Serbia for a cash consideration of US\$3.468 million. The option is valid for three years and is exercisable (i) at any time at the election of the Company prior to the expiry of the term of the option; or (ii) at the date of completion of a sale by the Company of a 100% interest in the Tlamino Project to a third party; or (iii) at the date of completion of a merger between the Company and a third party, whichever arises soonest.

In the event that the Company completes a sale of the Tlamino Project or corporate merger during the term of the option and receives consideration in excess of US\$8.84 million (the "**Sale Consideration**"), the Company will pay to Fortuna an asset sale bonus equal to 10.2% of any amount in excess of the Sale Consideration, less all of the Company's costs related to the sale or corporate merger. Should the Company not exercise the option or complete a sale of the Tlamino Project or corporate merger within the term of the option, the Company will transfer its undivided 49% interest in the Tlamino Project to Fortuna for no consideration, such that Fortuna will then hold an undivided 100% interest in the Tlamino Project.

Other than as may be disclosed in this Circular, no insider, proposed nominee for election as a director, or any associate or affiliate of the foregoing, had any material interest, direct or indirect, in any transaction or proposed transaction since January 1, 2020 which has materially affected or would materially affect the Company.
