ANTERA VENTURES ANNOUNCES CLOSING OF PRIVATE PLACEMENT FINANCING

VANCOUVER, B.C. – Antera Ventures I Corp. (the “**Company**”) is pleased to announce that it has closed its previously announced private placement financing of 4,491,255 common shares (the “**Common Shares**”) for gross proceeds of \$494,038.05 (the “**Offering**”).

Pursuant to the Offering, \$475,250.05 of the gross proceeds of the Offering was raised under the terms of an agency agreement (the “**Agency Agreement**”) dated March 7, 2019 (the “**Brokered Component**”) entered into among the Company and Haywood Securities Inc. (the “**Agent**”) and \$18,788 was raised on a non-brokered basis (the “**Non-Brokered Component**”).

Under the Brokered Component of the Offering, the Agent received cash commissions equal to \$42,772.50 in consideration of its services.

Insiders of the Company subscribed for all 170,800 Common Shares issued pursuant to the Non-Brokered Component. As a result, the issuances of Common Shares to insiders pursuant to the Non-Brokered Component is considered related party transactions within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 Protection of Minority Security Holders in Special Transactions (“**MI 61-101**”). The Company relied on exemptions from the formal valuation and minority approval requirements in sections 5.5(a) and 5.7(1)(a) of MI 61-101 in respect of such insider participation, based on a determination that the fair market value of the participation in the Non-Brokered Component by insiders did not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101. The Company will file a material change report in respect of the related party transaction less than 21 days prior to the closing of the Offering, which the Company deemed reasonable in the circumstances so as to be able to avail itself of the proceeds of the Non-Brokered Component in an expeditious manner.

Net proceeds from the Offering are expected to be used to fund the search for a Qualifying Transaction (as defined under Policy 2.4 of the TSX Venture Exchange (“**TSXV**”)) and for working capital and for general corporate purposes.

The Offering remains subject to the final approval of the TSXV. All securities issued in connection with the Offering will be subject to a four-month hold period in accordance with applicable Canadian securities laws.
