Appointment and Revocation of Proxies

A SHAREHOLDER HAS THE RIGHT TO DESIGNATE OR APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM AND ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS DESIGNATED IN THE ENCLOSED INSTRUMENT OF PROXY.

Such right may be exercised by striking out the names of the two persons designated in the instrument of proxy and by inserting in the blank space provided for that purpose the name of the desired person or company or by completing another proper instrument of proxy and, in either case, depositing the completed and executed proxy with the registrar and transfer agent of the Corporation, Computershare Investor Services Inc., 7m Floor, 1500 Robert—Bourassa Blvd, Montreal, Quebec, H3A 358, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The shares represented by the proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the proxy.

A Shareholder who has given a proxy may revoke it at any time in so far as it has not been exercised. A proxy may be revoked, as to any matter on which a vote shall not already have been cast pursuant to the

authority conferred by such proxy, by instrument in writing executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a body corporate, by a duly authorized officer, attorney or representative thereof and deposited with the registrar and transfer agent of the Corporation, Computershare Investor Services Inc., 7m Floor, 1500 Robert-Bourassa Blvd, Montreal, Quebec, H3A 388, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof, at the registered office of the Corporation at any time prior to 5:00pm (Toronto time) on the last business day preceding the day of the Meeting or any adjournment(s) thereof or with the Chairman of the Meeting on the day of the Meeting or any adjournment(s) thereof, and upon any of such deposits the proxy is revoked. A proxy may also be revoked in any other manner permitted by law. The Corporation's registered office is located at Suite 607 - 130 Queens Quay East Toronto, Ontario, M5A 0P6.

Voting of Proxies

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. In the absence of such direction, such shares will be voted FOR in the election of directors, the appointment of auditors and approval of the rolling stock options. The enclosed form of proxy confers discretionary authority upon the persons named therein to exercise their judgment and to vote with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date hereof, the management of the Corporation knows of no such amendments, variations or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting.

Voting in Person at the Meeting

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Corporation’s registrar and transfer agent, Equity Financial Trust Company, will appear on a list of shareholders prepared by the registrar and transfer agent for purposes of the Meeting. To vote in person at the Meeting each registered shareholder or NOBO will be required to register for the Meeting by identifying themselves at the registration desk. Non-registered beneficial shareholders (other than NOBOs) must appoint themselves as a proxyholder to vote in person at the Meeting. Also see “Non-Registered Holders” below.

Voting by Proxy at the Meeting

If a registered shareholder or NOBO cannot attend the Meeting but wishes to vote on the resolutions, the registered shareholder or NOBO should sign, date and deliver the enclosed form of proxy to the Corporation’s registrar and transfer agent, Computershare Investor Services Inc., 7m Floor, 1500 Robert—Bourassa Blvd, Montreal, Quebec, H3A 358, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. **The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A shareholder giving a proxy can strike out the names of the nominees printed in the accompanying form of proxy and insert the name of another nominee in the space provided, or the shareholder may complete another form of proxy. A proxy nominee need not be a shareholder of the Corporation.** A shareholder giving a proxy has the right to attend the Meeting or appoint someone else to attend as his or her proxy at the Meeting and the proxy submitted earlier can be revoked in the manner described under “Appointment and Revocation of Proxies”.

Non-Registered Holders

In many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or,
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited or “CDS”). Non-Registered Holders do not appear on the list of shareholders of the Corporation maintained by the transfer agent.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-Objecting Beneficial Owners (“NOBO”)

Canadian securities legislation now permits the Corporation to forward Meeting materials directly to "**non-objecting beneficial owners**". If the Corporation or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding such securities on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Nominee holding such securities on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. All references to shareholders in this Circular and the accompanying instrument of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

Notice-and-Access

Under applicable securities laws, issuers have the option of using “Notice and Access” to deliver meeting materials electronically by providing shareholders with notice of their availability and access to these materials electronically online.

The Corporation has adopted Notice and Access because it allows for the reduction of printed paper materials and will reduce the cost of printing associated with Meeting materials. Instead of mailing out the Circular, the Corporation has posted the Circular to SEDAR at www.sedarplus.ca. The Corporation has sent instruction on how to access this Circular in the proxy package mailed out by the Transfer Agent.

APPROVAL OF MATTERS

Unless otherwise noted, approval of matters to be placed before the Meeting is by an "**ordinary resolution**", which a resolution is passed by a simple majority (50% plus 1) of the votes cast by Shareholders of the Corporation entitled to vote and present in person or represented by proxy.

INTERESTS OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Management is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of any director or executive officer or any associate or affiliate of any of the foregoing in any matter to be acted on at the Meeting other than the election of directors or the appointment of auditors.

As a result, shareholders will be asked at the Meeting to vote on a resolution to ratify the stock option plan (the "Option Plan") for the ensuing year. The Option Plan provides that the Board of Directors of the Corporation may from time to time, in its

discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase common shares. The Option Plan provides for a floating maximum limit of ten percent (10%) of the issued and outstanding shares of the Corporation calculated at the time of each stock option grant. As at January 31, 2024, this represents a total of 1,466,641 options available under the Option Plan.

Options granted under the Option Plan do not require vesting provisions, although the Board of Directors may attach a vesting schedule to individual grants as it deems appropriate. Options under the Option Plan are non-assignable. If prior to the exercise of an option, the holder ceases to be a director, officer, employee or consultant, the option shall be limited to the number of common shares purchasable by him immediately prior to the time of his cessation of office or employment and he shall have no right to purchase any other common shares. Options must be exercised within three (3) months of termination of employment or cessation of position with the Corporation, provided that if the cessation of office, directorship, consulting arrangement or employment was by reason of death or disability, the option must be exercised within one year of termination or cessation, subject to earlier expiry pursuant to the specified expiry date. If any option expires or otherwise terminates after having been granted without having been exercised in full, the number of shares in respect of such expired or terminated option, as the case may be, shall not be deducted from the limit, and will again be available for grant for the purposes of the Option Plan.

Shareholders will be asked at the Meeting to consider and, if thought advisable, approve the Option Plan, by the following ordinary resolution of Shareholders:

NOW THEREFORE BE IT RESOLVED THAT:

1. The Option Plan of the Corporation as described in this Circular, be and is hereby ratified and approved, pursuant to which the board of directors of the Corporation may, from time to time, authorize the issuance of options to directors, officers, employees and consultants of the Corporation and its subsidiaries to a maximum of ten percent (10%) of the issued and outstanding common shares at the time of grant; and

STATEMENT OF EXECUTIVE COMPENSATION

The Corporation's Statement of Executive Compensation, in accordance with the requirements of Form 51-102F6V - Statement of Executive Compensation - Venture Issuers, is set forth below, which contains information about the compensation paid to, or earned by, the Corporation's Chief Executive Officer and Chief Financial Officer and each of the other three most highly compensated executive officers of the

Corporation earning more than CND\$150,000 in total compensation (the "Named Executive Officers" or "NEOs").

For the financial year ended December 31, 2022, the Corporation had two named NEOs namely, Christopher J. Berlet, Chief Executive Officer, and Artie Hao Li, Chief Financial Officer.

The Compensation Review Process

To determine compensation payable, the Board of Directors considers, among other things, the provisions of any relevant employment or consulting contracts, anecdotal evidence of compensation paid for directors and executive officers of companies of similar business, size and stage of development and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and executive officers while taking into account the financial and other resources of the Corporation, as well as the contractual obligations of the Corporation. The Board of Directors may take into account executive compensation paid by companies comparable with the Corporation, although no specific benchmarking policy is in place for determining compensation or any element of compensation. In performing its duties, the Board of Directors has the authority to engage such advisors, including executive compensation consultants, as it considers necessary. The Corporation does not currently have any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer or director compensation. The Board of Directors reviews on an annual basis the cash compensation, performance and overall compensation package for each Named Executive Officer from which it determines the basic salary, bonus and participation in share compensation arrangements for each Named Executive Officer. Compensation of all Named [Executive Officers is based primarily on corporate performance which includes achievement of the Corporation's strategic objective of growth and the enhancement of shareholder value through increases in the stock price resulting from increases in reserves and production, continued low cost production and enhanced annual cash flow.

Elements of Executive Compensation

The Corporation's executive compensation program with respect to its Named Executive Officers is based on the objectives of: (a) recruiting and retaining the executives critical to the success of the Corporation; (b) providing fair and competitive compensation; (c) balancing the interests of management and shareholders of the Corporation; and (d) rewarding performance, on the basis of both individual and corporate performance.

For the financial year ended December 31, 2022, the Corporation's executive compensation program with respect to its Named Executive Officers consisted of the following elements:

- (a) A base salary, incentive cash bonuses and other compensation (together, a "**Short-Term Incentive**"); and
- (b) A long-term equity compensation plan consisting of stock options granted under the Corporation's stock incentive plan (a "**Long-Term Incentive**")

Element of Compensation

Summary and Purpose of Element

Short Term Incentive Plan

Base Salary

Salaries form an essential element of the Corporation's compensation mix as they are the first base measure to compare

and remain competitive relative to peer groups. Base salaries are fixed and therefore not subject to uncertainty and are used as the base to determine other elements of compensation and benefits. The Board reviews NEO salaries at least annually. Typically the Board makes annual salary adjustments in December of each year for the 12 month period from January 1st to December 31st.

Annual Performance-Based
Cash Incentives

Any bonuses paid to the NEO's is entirely within the discretion of the Board. In making bonus determinations, the Board reviews corporate and individual performances.

Annual performance-based cash bonuses are a variable component of compensation designed to reward the Corporation's NEOs for maximizing annual operating performance.

Long-Term Incentive Plan

Stock Option Plan

The granting of stock options is a variable component of compensation intended to reward the Corporation's NEOs for success in achieving sustained, long-term profitability and increases in stock value.

Base Salary and Bonuses

In determining the base salary of an executive officer, the Board of Directors considers, among other things, the provisions of any relevant employment or consulting contracts, anecdotal evidence of compensation paid for directors and executive officers of companies of similar business, size and stage of development and determines an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and executive officers while taking into account the financial and other resources of the Corporation, as well as the contractual obligations of the Corporation.

The Board will also consider on an annual basis discretionary cash bonuses to reward extraordinary performance during the preceding fiscal year. In determining whether a bonus will be given, the Board will consider such factors as the NEO's performance over the past year, the Corporation's achievements in the past year and the NEO's role in effecting such achievements.

There were no performance bonuses awarded to the Named Executive Officers during the financial year ended December 31, 2022.

Other Compensation Matters

Other than as specifically set forth above, there were no other long-term incentive awards made to the Named Executive Officers of the Corporation during the financial year ended December 31, 2022, including any supplemental executive retirement plans. There are no pension plan or disability benefits in place for the directors or the Named Executive Officers.

The Corporation does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation

or held, directly or indirectly, by the NEO or director. However, management is not aware of any NEO or director purchasing such an instrument.

Overview of How the Named Executive Officer Compensation Program Fits with Compensation Goals

1. Attract, Hold and Inspire Key Talent

The compensation package for the Named Executive Officers meets the goal of attracting, holding and motivating key talent in a highly competitive mineral exploration environment through the following elements:

- a) a competitive cash compensation program, consisting of base salary and bonus opportunity, which is generally above similar opportunities; and
- b) providing an opportunity to the Named Executive Officers to participate in the Corporation's growth through the grant of stock options.

2. Alignment of Interests of the NEO's with the Interests of the Corporation's Shareholders

The compensation package for the Named Executive Officers meets the goal of aligning the interests of the Named Executive Officers with the interests of the Corporation's shareholders through the following elements:

- a) Through the grant of stock options, since if the price of the Corporation's shares increase overtime, both the Named Executive Officers and the Corporation's shareholders will benefit; and
- b) By providing a vesting period on stock-based awards, Named Executive Officers have an interest in increasing the price of the Corporation's shares over time, rather than focusing on short-term increases.

Compensation Risk

The Corporation has not adopted a formal policy on compensation risk management, nor has it engaged an independent compensation consultant. The Corporation recognizes that there may be risks in its current processes but given the size and number of executives dedicated on a full—time basis, the Corporation does not believe the risks to be significant.

The Board believes that the executive compensation program of the Corporation should not raise its overall risk profile. Accordingly, the Corporation's executive compensation programs include safeguards designed to mitigate compensation risks. The following measures impose appropriate limits to avoid excessive or inappropriate risk taking or payments:

- Discretionary bonus payments are recommended by the Board based on annual performance reviews;
- Stock option vesting and option terms of five (5) years discourages excessive risk taking to achieve short-term goals; and
- Implementation of trading black-outs limit the ability of senior officers to trade in securities of the Corporations

Inappropriate and excessive risks by executives are also mitigated by regular meetings of the Board, at which, activity by the executives must be approved by the Board if such activity is outside previously Board-approved actions and/or as set out in a board-approved budget. Due to the fact that the Corporation is still

an exploration stage mining company, and given the current composition of the Corporation's executive management team, the Board is able to closely monitor and consider any risks which may be associated with the Corporation's compensation practices. Risks, if any, may be identified and mitigated through regular Board meetings during which financial and other information of the Corporation are reviewed, including executive compensation.
