

INFORMATION CIRCULAR **as at October 17, 2022**

This Information Circular is furnished in connection with the solicitation by the management of Radius Gold Inc. (the “**Company**”) of votes with respect to the Annual General Meeting of the holders of common shares (“**Common Shares**”) of the Company to be held on Wednesday, December 14, 2022 (the “**Meeting**”) and any adjournment thereof, at the time and place and for the purposes set forth in the accompanying notice of the Meeting (the “**Notice of the Meeting**”).

In this Information Circular, references to “**Non-Registered Holders**” means shareholders who do not hold Common Shares in their own name and “**Intermediaries**” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Holders.

PROXIES

Notice-and-Access Process

The Company has elected to use the notice-and-access provisions (“**Notice-and-Access**”) of National Instrument 54-101, *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), for distribution of this Information Circular, form of proxy (“**Proxy**”) and other meeting materials (the “**Meeting Materials**”) to registered shareholders and Non-Registered Holders of the Company.

Under Notice-and-Access, rather than the Company mailing paper copies of the Meeting Materials to shareholders, the Meeting Materials can be accessed online on the Company’s SEDAR profile at www.sedar.com or on the Company’s website at <https://radiusgold.com/investors/agm-documents>. The Company has adopted this alternative means of delivery for the Meeting Materials in order to reduce paper use and the printing and mailing costs.

Shareholders will receive a “notice package” (the “**Notice-and-Access Notification**”) by prepaid mail, with details regarding the Meeting date, location and purpose, and information on how to access the Meeting Materials online or request a paper copy.

Shareholders will not receive a paper copy of the Meeting Materials unless they contact the Company at the toll free number as set out in the Notice of the Meeting. Provided the request is made prior to the Meeting, the Company will mail the requested materials within three business days. **Requests for paper copies of the Meeting Materials should be made by November 30, 2022 in order to receive the Meeting Materials in time to vote before the Meeting.**

Shareholders with questions about Notice-and-Access may contact the Company toll-free at 1-888-627-9378.

Non-Registered Holders

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- (a) in the name of an Intermediary that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans, or
- (b) in the name of a clearing agency, such as The Canadian Depository for Securities Limited, of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Company will distribute the Notice-and-Access Notification to Intermediaries and clearing agencies for onward distribution to Non-Registered Holders. The Company does not intend to pay Intermediaries to forward the Notice-and-Access Notification if the Non-Registered Holders have provided instructions to their Intermediary that they object to the Intermediary disclosing ownership information about the Non-Registered Holders. In this case, such Non-Registered Holder will not receive the Meeting Materials if the Intermediary does not assume the cost of delivery.

Intermediaries are required to forward the Notice-and-Access Notification to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive Meeting Materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will be sent a voting instruction form (“**VIF**”), rather than a Proxy, which must be completed, signed and returned by the Non-Registered Holder in accordance with the directions in the VIF. In some cases, Non-Registered Holders will instead be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare Trust Company as described under “*Solicitation and Deposit of Proxies and VIFs*” below.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a VIF, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions in their Proxy or VIF, including instructions regarding when and where the Proxy or VIF is to be delivered.

Solicitation and Deposit of Proxies and VIFs

While it is expected that the solicitation will be primarily by Notice-and-Access and mail, votes may be solicited personally or by telephone by the directors and regular employees of the Company. All costs of solicitation will be borne by the Company. The Company has arranged for Intermediaries to forward the Notice-and-Access Notification to Non-Registered Holders of Common Shares held as of record by those Intermediaries and the Company may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

The individuals named in the Proxy and VIF are directors or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent the shareholder at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the Proxy or VIF and striking out the printed names, or by completing another form of proxy or VIF.** The Proxy or VIF will not be valid unless the completed, dated and signed Proxy or VIF is received by Computershare Trust Company of Canada, 8th Floor, 100 University Avenue, Toronto, ON M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the Chair of the Meeting prior to commencement of the Meeting or any adjournment thereof.

Voting of Proxies and VIFs

Voting at the Meeting will be by way of a show of hands, with each registered shareholder and proxyholder having one vote, unless a ballot vote is required or requested. Common Shares represented by any properly executed and delivered Proxy or VIF will be voted or withheld from voting only on a ballot, in accordance with the instructions given by the shareholder. **In the absence of such direction, such Common Shares will be voted in favour of the matters set forth herein.**

The Proxy or VIF, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of the Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the Proxy or VIF to vote in accordance with their best judgment on such matters or business. As at the date hereof, the management of the Company knows of no such amendment, variation or other matter that may be come before the Meeting.

Revocation of Proxies and VIFs

A shareholder who has given a Proxy or VIF may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of the Company, 200 Burrard Street, Suite 650, Vancouver, British Columbia, V6C 3L6, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a Proxy or VIF does not affect any matter on which a vote has been taken prior to the revocation.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, the Company has issued and outstanding 87,268,550 fully paid and non-assessable common shares, each share carrying the right to one vote. **THE COMPANY HAS NO OTHER CLASSES OF VOTING SECURITIES.**

Holders of Common Shares as at the Record Date of October 27, 2022 who either personally attend the Meeting or who have completed and delivered a Proxy or VIF in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the Meeting.

To the knowledge of the directors and senior officers of the Company, the only person or company who beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company is as follows:

<u>Name</u>	<u>No. of Shares</u>	<u>Percentage</u>

To the knowledge of the Board of Directors of the Company (the "**Board**"), the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice, as more particularly described as follows:

The delay in the filing of these documents was due to pending resolution of a regulatory review of certain of the corporation's filings by the United States Securities and Exchange Commission. On May 25, 2017, the BCSC revoked the management cease trade order after the corporation filed the required records.

Other Matters

Management of the Company knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the Meeting, it is the intention of the persons named in the Proxy and VIF to vote the same in accordance with their best judgment of such matters.

- (a) Mr. Smith is paid a monthly fee for his services as President and CEO of the Company. The agreement has no fixed expiry date and contains provisions regarding fees and expenses, and termination of services. The agreement may be terminated by the Company without cause on six months' notice and by Mr. Smith on three months' notice. If, on December 31, 2021, the Company had terminated the agreement without cause, \$90,000 would have been payable to Mr. Smith, and in the event of a change of control of the Company, \$270,000 would have been payable to Mr. Smith.
- (b) the Company agreed to issue to Mr. Smith up to 500,000 common shares of the Company for his services as President and CEO of the Company. Oversight and Description of Director and NEO Compensation

The Compensation Committee of the Company's Board is responsible for ensuring that the Company has appropriate procedures for making recommendations to the Board with respect to the compensation of the Company's executive officers and directors. The Compensation Committee consists of William Katzin, Mario Szotlender and Simon Ridgway, a majority of whom are independent directors.

The general philosophy of the Company's compensation strategy is to: (a) encourage management to achieve a high level of performance and results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interest of shareholders; (c) provide a compensation package that is designed to attract and retain highly qualified executives and directors; and (d) ensure that total compensation paid takes into account the Company's overall financial position.

Compensation of the Company's NEOs is comprised of salaries and/or incentive stock options. The compensation to the Company's NEOs for the fiscal year ended December 31, 2021 consisted solely of cash salaries. The Company may in the future grant stock options to its NEOs and directors.

In establishing levels of cash compensation and the granting of stock options, the individual's performance, level of expertise, and responsibilities are considered. Stock options are generally granted at the time of the individual's appointment and

periodically thereafter. Previous grants of options are taken into account by the Board when it considers the granting of new stock options.

Incentive stock options are granted pursuant to the Company’s stock option plan which is designed to encourage share ownership on the part of the Company’s management, directors, employees and consultants. The Board believes that the stock option plan aligns the interests of the Company’s personnel with shareholders by linking compensation to the longer term performance of the Company’s shares. The granting of incentive stock options is an important component of executive compensation as it allows the Company to reward an individual’s efforts to increase shareholder value without requiring the use of the Company’s cash reserves.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The only equity compensation plan which the Company has in place is the stock option plan which was previously approved by the shareholders on December 8, 2021. The Company established a stock option plan to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Company’s stock option plan provides that the number of common shares of the Company issuable under the plan, together with any other previously established or proposed share compensation arrangements of the Company, may not exceed 10% of the total number of issued and outstanding common shares. The material terms of the Stock Option Plan are set out above under the heading “*Particulars of Matters to be Acted Upon – Stock Option Plan*”.

The following table sets out information regarding compensation plans under which equity securities of the Company are authorized for issuance, as at December 31, 2021:

AUDIT COMMITTEE

Pursuant to the provisions of National Instrument 52-110, *Audit Committees (“NI 52-110”)*, the Company’s Audit Committee has adopted a written charter (the “**Charter**”) that sets out its mandate and responsibilities. The Charter is attached hereto as Schedule “A”. As the Company is a “venture issuer” (as defined in NI 52-110), it is relying on the exemption provided to it in Section 6.1 of NI 52-110 with respect to audit committee composition and reporting obligations.

The Audit Committee is presently comprised of William Katzin, Mario Szotlender and Simon Ridgway, a majority of whom are “independent” and all of whom are “financially literate” within the meanings given to those terms in NI 52-110. The education and experience of each audit committee member that is relevant to the performance of his responsibilities as an audit committee member is as follows:

Audit Committee Member

William Katzin

Education and Experience

Mr. Katzin is a graduate of the University of Cape Town, South Africa with a Bachelor of Commerce and Law degree. He is a member of Chartered Professional Accountants of British Columbia. He has been a partner in private practice with a Vancouver firm of Chartered Accountants since 1986 and has experience working with resource and exploration companies. He is an audit committee member of one other publicly-traded resource company.

Mario Szotlender

Mr. Szotlender holds a degree in international relations and has successfully directed Latin American affairs for numerous private and public companies over the past 25 years. He has been involved in various mineral exploration and development joint ventures (precious metals and diamonds) in Central and South America, including heading several mineral operations in Venezuela, including Las Cristinas in the 1980's. Mr. Szotlender is or has been an audit committee member of other publicly-traded resource companies.

Simon Ridgway

Mr. Ridgway is a mining executive, entrepreneur and financier with over 30 years' experience in precious metal exploration, financing and leading teams that have gone from grassroots discoveries through to production. He is currently CEO or Chairman of three publicly traded resource companies. His background has given him the required experience to understand and assess the general application of the accounting principles used by the Company and to understand internal controls and procedures for financial reporting.

During the fiscal year ended December 31, 2021, the Company's auditors performed certain non-audit services. All fees charged by the Company's auditors during the last two fiscal years are as follows:

	2021	2020
Audit Fees	\$39,000	\$39,500
Audit-Related Fees	Nil	Nil
Tax Fees	\$ 4,500	\$ 4,500
All Other Fees	Nil	Nil
	\$43,500	\$44,000

Notes:

"Audit Fees" are the aggregate fees billed for the audit of the Company's consolidated annual financial statements, and review of transactions completed by the Company.

"Audit-Related Fees" are fees charged for assurance and related services that are reasonably related to the performance of the audit or review of the Company's consolidated annual financial statements and are not reported under "Audit Fees".

"Tax Fees" are fees for tax return preparation.

"All Other Fees" are amounts not included in the above categories.

CORPORATE GOVERNANCE

The Board is of the view that the Company's corporate governance practices are appropriate and effective for the Company, given its relatively small size and limited operations. The Company's method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

In accordance with National Instrument 58-101, *Disclosure of Corporate Governance Practices ("NI 58-101")* and National Instrument Form 58-101F2, *Corporate Governance Disclosure (Venture Issuers)*, the Company discloses its corporate governance practices as follows:

Board of Directors

The Board considers William Katzin and Mario Szotlender to be "independent" according to the definition set out in NI 58-101. Simon Ridgway is not independent as he provides consulting services to the Company, and Bruce Smith is not independent as he is an officer of the Company.

The independent Directors believe that their presence on the Board, their knowledge of the Company's business, and their independence are sufficient to facilitate the functioning of the Board independently of management. The independent Directors have the discretion to meet in private in the absence of the other Directors whenever they believe it is appropriate to do so.

Directorships

The directors of the Company are directors of one or more other reporting issuers, as follows:

Director	Other Issuers
Simon Ridgway	Rackla Metals Inc. Volcanic Gold Mines Inc.
Bruce Smith	Rackla Metals Inc.

Orientation and Continuing Education

Management will ensure that a new appointee to the Board of Directors is aware of his or her duties and responsibilities of a director of the Company. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company's business will be necessary and relevant to each new director, as well as the continuing education needs of all Board members.

Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance objectives and goals. In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

Given the Company's current stage of development and size of the Board, the Board is presently of the view that it functions effectively as a committee of the whole with respect to the nomination of directors. The entire Board will assess potential nominees and take responsibility for selecting new directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and CEO of the Company.

Compensation Committee

The Company has established a Compensation Charter to assist the Board in discharging its oversight responsibilities relating to compensation, including the compensation of key senior management employees of the Company. The members of the Compensation Committee are William Katzin, Mario Szotlender and Simon Ridgway, a majority of whom are considered to be independent directors.

The Compensation Committee's mandate is to review and make recommendations to the Board on an annual basis with respect to the adequacy and form of compensation and benefits of all executive officers and directors, and with respect to the Company's stock option plan and the granting of options thereunder. To carry out its duties, the Compensation Committee may retain special legal, accounting, financial or other consultants to advise the Compensation Committee at the Company's expense, and it has the sole authority to retain and terminate any executive compensation consulting firm and to approve any such firm's fees and other retention terms.

Assessments

The Company has not determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. The contributions of an individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as disclosed in this Information Circular, no insider, proposed nominee for election as a director, or any associate or affiliate of the foregoing, had any material interest, direct or indirect, in any transaction or proposed transaction since January 1, 2021 which has materially affected or would materially affect the Company or its subsidiaries.

ADDITIONAL INFORMATION

Additional information relating to the Company is available for viewing at www.sedar.com. Financial information is provided in the Company's financial statements and accompanying management's discussion and analysis for the fiscal year ended December 31, 2021. Every Option shall have a term not exceeding and shall therefore expire no later than 10 years after the date of grant.

5.3 Vesting

- (a) Subject to the subsection (b) herein and otherwise in compliance with the policies of the Exchange, the Board shall determine the manner in which an Option shall vest and become exercisable.

Options may not be assigned or transferred (whether absolutely or way of mortgage, pledge or other charge) by a Participant other than by will or other testamentary instrument or the laws of succession and may be exercised by the Participant or his/her legal representative only.

5.5 Effect of Termination

Subject to subsection 5.3(b) above whereby prior Exchange approval is required for amendments to the vesting restrictions attached to options held by Participants performing Investor Relations Activities, the following provisions shall apply upon termination of a Participant:

- (a) Definitions. For the purposes of this Section 5.5, the following capitalized terms shall be attributed the following meanings:

- (i) **"Beneficiary"** means, subject to applicable law, an individual who has been designated by a Participant, in such form and manner as the Board may determine, to receive benefits payable under the Plan upon the death of the Participant, or, where no such designation is validly in effect at the time of death, or where the designated individual does not survive the Participant, the Participant's legal representative;

- (ii) **"Cause"** in respect of a Participant means:

- A. the Participant committing theft, embezzlement, fraud, obtaining funds or property under false pretences or similar acts of gross misconduct with respect to the property of the Corporation or its employees or the Corporation's customers or suppliers;
- B. the Participant entering into a guilty plea or being convicted of any crime involving fraud, misrepresentation, breach of trust or indictable offence; or
- C. any other act that would constitute just cause according to applicable law;

except that if, at the time of such Participant's Termination Date, the Participant is party to an employment, severance, retention or similar contract or agreement with the Corporation or a subsidiary of the Corporation that contains a definition of the term "cause" or a similar term, the term "cause" shall have the meaning, if any, assigned thereto (or to such similar term) in such contract or agreement;

- (iii) **"Change of Control"** means the occurrence of any of the following events:

- A. the direct or indirect acquisition or conversion of more than 50% of the issued and outstanding shares of the Corporation by a person or group of persons acting in concert, other than through an employee share purchase plan or employee share ownership plan and other than by persons who are or who are controlled by, the existing shareholders of the Corporation;

- B. a change in the composition of the Board which results in the majority of the directors of the Corporation not being individuals nominated by the Corporation's then incumbent directors, or
- C. a merger or amalgamation of the voting shares of the Corporation where the voting shares of the resulting merged or amalgamated company are owned or controlled by shareholders of whom more than 50% are not the same as the shareholders of the Corporation immediately prior to the merger.

Notwithstanding the foregoing, if, at the time of a Change of Control, the Participant is party to an employment, severance, retention or similar contract or agreement with the Corporation or a subsidiary of the Corporation that contains a definition of the term "Change of Control" or a similar term, the term "Change of Control" shall have the meaning, if any, assigned thereto (or to such similar term) in such contract or agreement;

- (iv) **"Disability"** means the Participant's physical or mental incapacity that prevents such Participant from substantially fulfilling his or her duties and responsibilities on behalf of the Corporation or, if applicable, a subsidiary of the Corporation, and in respect of which the Participant commences receiving, or is eligible to receive, disability benefits under the Corporation's or subsidiary's short-term or long-term disability plan; except that if, at any relevant time, the Participant is party to an employment, severance, retention or similar contract or agreement with the Corporation or subsidiary that contains a definition of the term "disability" or a similar term, the term "disability" shall have the meaning, if any, assigned thereto (or to such similar term) in such contract or agreement.

 - C. a requirement by the Board that the Participant's position and office be based and located in another geographic location.
- (vi) **"Retirement"** means the Participant's retirement from the Corporation or a subsidiary, as applicable, following a period of service of at least two years, provided that such retirement is accepted by the Corporation or subsidiary pursuant to a letter from the Corporation or subsidiary granting the Participant retirement status and confirming the Participant's date of retirement.
- (vii) **"Termination Date"** means, in respect of a Participant, the date that the Participant ceases to be actively employed by, or to provide service to, the Corporation or one of its subsidiaries for any reason which, for purposes of the Plan, specifically does not mean the date on which any statutory or common law severance period or any period of reasonable notice that the Corporation or subsidiary may be required at applicable law to provide to the Participant, would expire. The Board will have sole discretion to determine whether a Participant has ceased active employment or service, and the effective date of such cessation. A Participant will not be deemed to have ceased to be an employee of the Corporation or its subsidiary in the case of:
 - A. a transfer of his or her employment between the Corporation and a subsidiary or a transfer of employment between subsidiaries, as applicable;
 - B. sick leave; or

- C. any other leave of absence approved by the Corporation or a subsidiary, as applicable, in respect of which the Participant is guaranteed reemployment by contract or statute upon expiration of such leave, except that in the event active employment is not renewed at the end of the leave of absence, the employment relationship shall be deemed to have ceased at the end of the approved leave of absence.
- (b) Termination due to Voluntary Resignation. Unless otherwise determined by the Board in its sole discretion, if a Participant's employment or service is terminated due to the voluntary resignation of the Participant, then all options granted to the Participant which have not vested on or before the Termination Date shall be forfeited and cancelled effective as of the Termination Date and the Participant shall have no entitlement to receive Optioned Shares in respect of such forfeited options. Any vested options held by the Participant as of his or her Termination Date will remain exercisable and the Participant shall be entitled to exercise such vested options for a period of ninety (90) days (or until the original expiry date of the options, if earlier) from his or her Termination Date.
- (c) Termination by the Corporation Without Cause, by the Participant for Good Reason, or Due to Disability, Death or Retirement.
- (i) Unless otherwise determined by the Board in its sole discretion, if a Participant's employment or service is terminated by the Corporation without Cause, by the Participant for Good Reason, or due to Disability, Death or Retirement, then a portion of the unvested options held by the Participant shall immediately vest. The number of unvested options held by the Participant that shall vest pursuant to this subsection (c)(i) shall be calculated by multiplying the number of unvested options held by the Participant by a fraction, the numerator of which equals the number of days the Participant was actively employed by, or providing service to, the Corporation or one of its subsidiaries between the grant date of such options and his or her Termination Date, and the denominator of which equals the total number of days between the grant date of such options and their original vesting date. The Participant shall be entitled to exercise the options held by the Participant that vest pursuant to this subsection (c)(i) for a period of ninety (90) days (or until the original expiry date of the options, if earlier) from his or her Termination Date. All unvested options held by a Participant that do not vest pursuant to this subsection (c)(i) shall be forfeited and cancelled as of the Participant's Termination Date and the Participant shall have no entitlement in connection with such options.
- (ii) Any vested options held by the Participant as of his or her Termination Date (which for greater certainty does not include any options that become vested options pursuant to subsection 5.5(c)(i) above) will remain exercisable in accordance with the terms of this subsection (c)(ii) and the Participant shall be entitled to exercise such vested options for a period of ninety (90) days (or until the original expiry date of the options, if earlier) from his or her Termination Date.
- (d) Termination With Cause. Unless otherwise determined by the Board in its sole discretion, in the event that a Participant's employment or service is terminated for Cause, the Participant's options, whether vested or unvested, shall be forfeited and cancelled as of the Termination Date and the Participant shall have no entitlement to exercise such forfeited options, or entitlement to receive any other amount in respect of such forfeited options, by way of damages, payment in lieu or otherwise.
- (e) Termination by the Corporation, or by the Participant for Good Reason, Subsequent to a Change of Control. Unless otherwise determined by the Board in its sole discretion, if a Participant's employment or service is terminated by the Corporation within 12 months after a Change of Control occurs, or the Participant terminates his or her employment or service with the Company for Good Reason within 12 months after a Change of Control occurs, then all outstanding options which have not vested shall immediately vest and

and the Participant shall be entitled to exercise such vested options for a period of ninety (90) days (or until the original expiry date of the options, if earlier) from his or her Termination Date.

(f) Termination due to Death.

(i) Unless otherwise determined by the Board in its sole discretion, in the event that a Participant's employment or service is terminated due to the death of the Participant, then a portion of the unvested options held by the Participant shall immediately vest. The number of unvested options held by the Participant that shall vest pursuant to this subsection (f)(i) shall be calculated by multiplying the number of unvested options held by the Participant by a fraction, the numerator of which equals the number of days the Participant was actively employed by the Corporation or one of its subsidiaries between the grant date of such options and his or her date of death, and the denominator of which equals the total number of days between the grant date of such options and their original vesting date. The Participant's Beneficiary shall be entitled to exercise the options held by the Participant that vest pursuant to this subsection (f)(i) for a period of one year (or until the original expiry date of the options, if earlier) from the Participant's date of death. All unvested options held by a Participant that do not vest pursuant to this subsection (f)(i) shall be forfeited and cancelled as of the Participant's date of death and the Participant shall have no entitlement in connection with such options.

(ii) Any vested options held by the Participant as of his or her date of death (which for greater certainty does not include any options that become vested options pursuant to subsection 5.5(f)(i) above) will remain exercisable in accordance with the terms of this subsection (f)(ii) and the Participant's Beneficiary shall be entitled to exercise such vested options for a period of one year (or until the original expiry date of the options, if earlier) from the Participant's date of death.

(g) Termination due to Death on the Job. Notwithstanding subsection 5.5(f) above, unless otherwise determined by the Board in its sole discretion, if a Participant's employment or service is terminated due to the death of the Participant which occurred while the Participant was performing his or her regular duties on behalf of the Corporation, then all outstanding options which have not vested shall immediately vest and become fully vested options.

ARTICLE 6 EXERCISE PROCEDURE

6.1 Exercise Procedure

An Option may be exercised from time to time, and shall be deemed to be validly exercised by the Participant or his/her legal representative only upon his/her delivery to the Corporation at its registered office of:

- (a) a written notice of exercise addressed to the Corporate Secretary of the Corporation, specifying the number of Common Shares with respect to which the Option is being exercised;
- (b) a certified cheque or bank draft made payable to the Corporation, or electronic transfer of readily available funds, for the aggregate exercise price for the number of Common Shares with respect to which the Option is being exercised; and
- (c) documents containing such representations, warranties, agreements and undertakings, including such as to the Participant's future dealings in such Common Shares, as counsel to the Corporation reasonably determines to be necessary or advisable in order to comply with or safeguard against the violation of the laws of any jurisdiction;

and thereafter the Corporation shall promptly cause certificates for such Common Shares to be issued and delivered to the Participant or his/her legal representative.

6.2 Withholding

The Corporation may withhold from any amount payable to an optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Corporation to comply with the applicable requirements of any federal, provincial, local, or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options ("**Withholding Obligations**"). The Corporation may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Corporation may determine in its discretion, by (a) requiring an optionee, as a condition to the exercise of any Options, to make such arrangements as the Corporation may require so that the Corporation can satisfy such Withholding Obligations including, without limitation, requiring the optionee to remit to the Corporation in advance, or reimburse the Corporation for, any such Withholding Obligations or (b) selling on the optionee's behalf, or requiring the optionee to sell, any Common Shares acquired by the optionee under the Plan, or retaining any amount which would otherwise be payable to the optionee in connection with any such sale.

ARTICLE 7 AMENDMENT OF OPTIONS

7.1 Consent to Amend

The Board may amend any Option with the consent of the affected Participant and the Exchange, including any shareholder approval required by the Exchange. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option, or the extension of the term of an Option, if the Participant is an Insider at the time of the proposed amendment.

7.2 Amendment Subject to Approval

If the amendment of an Option requires regulatory or shareholder approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

ARTICLE 8 MISCELLANEOUS

8.1 No Rights as Shareholder

Nothing in this Plan or any Option shall confer upon a Participant any rights as a shareholder of the Corporation with respect to any of the Common Shares underlying an Option unless and until such Participant shall have become the holder of such Common Shares upon exercise of such Option in accordance with the terms of the Plan.

8.2 No Right to Employment

Nothing in this Plan or any Option shall confer upon a Participant any right to continue in the employ of the Corporation or any Affiliate or affect in any way the right of the Corporation or any Affiliate to terminate the Participant's employment, with or without cause, at any time; nor shall anything in the Plan or any Option be deemed or construed to constitute an agreement, or an expression of intent, on the part of the Corporation or any Affiliate to extend the employment of any Participant beyond the time which the Participant would normally be retired pursuant to the provisions of any present or future retirement plan of the Corporation or any Affiliate, or beyond the time at which he would otherwise be retired pursuant to the provisions of any contract of employment with the Corporation or any Affiliate.

8.3 Governing Law

This Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Common Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. The Courts of the Province of British Columbia shall have the exclusive jurisdiction to hear and decide any disputes or other matters arising herefrom.
