Dear Sir:

**RE: Venzee Technologies Inc. (the “Company”)  
Q1FY2021 – amendment filing**

The Company has a financial year end of December 31, 2021, and accordingly filed the interim financial statements, management discussion and analysis (“MD&A”) and CEO and CFO certificates on May 31, 2021.

Subsequent to the filing, it was noted there was an error in the MD&A and an amendment was filed on June 1, 2021. The original MD&A contained an error stating the Company had generated \$2M in the first quarter. This was inaccurate and was removed in the amended filing.

Should you have any questions regarding this matter, please do not hesitate to contact Paulette Pears, paralegal (c: 604.812.7316 or e: [paulette@venzee.com](mailto:paulette@venzee.com)) or Darren Battersby, CFO ([darren@venzee.com](mailto:darren@venzee.com)).

Yours truly,

**VENZEE TECHNOLOGIES INC.**
