Shopify Inc. (the “Company”, “Shopify”, “us” or “we”) may offer and issue from time to time Class A subordinate voting shares (“Class A Subordinate Voting Shares”), preferred shares (“Preferred Shares”), debt securities (“Debt Securities”), warrants (“Warrants”) to acquire any of the other securities that are described in this short form base shelf prospectus (the “Prospectus”), subscription receipts (“Subscription Receipts”), units (“Units”) comprised of one or more of any of the other securities that are described in this Prospectus, or any combination of such securities (all of the foregoing collectively, the “Securities” and individually, a “Security”), for up to an aggregate offering price of \$7,500,000,000 (or its equivalent in Canadian dollars or any other currencies), in one or more transactions during the 25-month period that this Prospectus, including any amendments hereto, remains effective.

We will provide the specific terms of any offering of Securities, including the specific terms of the Securities with respect to a particular offering and the terms of such offering, in one or more prospectus supplements (each a “Prospectus Supplement”) to this Prospectus. The Securities may be offered separately or together or in any combination, and as separate series. One or more securityholders of the Company may also offer and sell Securities under this Prospectus. See “The Selling Securityholders”.

All dollar amounts in this Prospectus are in U.S. dollars, unless otherwise indicated. See “Currency Presentation and Exchange Rate Information”.

All information permitted under applicable securities laws to be omitted from this Prospectus will be contained in one or more Prospectus Supplements that will be delivered to purchasers together with this Prospectus. For the purposes of applicable securities laws, each Prospectus Supplement will be incorporated by reference into this Prospectus as of the date of the Prospectus Supplement and only for the purposes of the distribution of the Securities to which that Prospectus Supplement pertains. You should read this Prospectus and any applicable Prospectus Supplement carefully before you invest in any Securities issued pursuant to this Prospectus.

Our Securities may be sold pursuant to this Prospectus through underwriters or dealers or directly or through agents designated from time to time at amounts and prices and other terms determined by us or any selling securityholders. This Prospectus may qualify an “at-the-market distribution” (as such term is defined in National Instrument 44-102 – *Shelf Distributions*). In connection with any underwritten offering of Securities, other than an at-the-market offering, the underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Securities offered. Such transactions, if commenced, may be discontinued at any time. See “Plan of Distribution”. A Prospectus Supplement will set out the names of any underwriters, dealers, agents or selling securityholders involved in the sale of our Securities, the amounts, if any, to be purchased by underwriters, the plan of distribution for such Securities, including the net proceeds we expect to receive from the sale of such Securities, if any, the amounts and prices at which such Securities are sold and the compensation of such underwriters, dealers or agents.

(cover continued from previous page)

We have filed an undertaking with the securities regulatory authorities in each of the provinces and territories of Canada, except Québec, that we will not distribute Securities that, at the time of distribution, are novel specified derivatives or novel asset-backed securities, without first pre-clearing with the applicable regulator the disclosure to be contained in the Prospectus Supplement pertaining to the distribution of such Securities.

Our Class A Subordinate Voting Shares are listed on the New York Stock Exchange (the “NYSE”) and on the Toronto Stock Exchange (the “TSX”) under the symbol “SHOP”. On August 5, 2020, the closing prices of the Class A Subordinate Voting Shares on the NYSE and the TSX were \$1,094.65 and C\$1,453.62, respectively. **Unless otherwise specified in the applicable Prospectus Supplement, Securities other than Class A Subordinate Voting Shares will not be listed on any securities exchange. There is currently no market through which such Securities may be sold and purchasers may not be able to resell any such Securities purchased under this Prospectus and the applicable Prospectus Supplement relating to such Securities. This may affect the pricing of such Securities in the secondary market, the transparency and availability of trading prices, the liquidity of such Securities and the extent of issuer regulation. See the “Risk Factors” section of the applicable Prospectus Supplement.**

THESE SECURITIES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION (THE “SEC”) NOR HAS THE SEC PASSED UPON THE ACCURACY OR ADEQUACY OF THIS PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

Shopify is permitted, under a multijurisdictional disclosure system adopted in the United States and Canada, to prepare this Prospectus in accordance with Canadian disclosure requirements. Prospective investors should be aware that such requirements are different from those of the United States. Shopify prepares its annual financial statements and its interim financial statements in accordance with accounting principles generally accepted in the United States of America.

Purchasers of Securities should be aware that the acquisition of Securities may have tax consequences both in the United States and in Canada. This Prospectus does not discuss U.S. or Canadian tax consequences and any such tax consequences may not be described fully in any applicable Prospectus Supplement with respect to a particular offering of Securities. Prospective investors should consult their own tax advisors prior to deciding to purchase any of the Securities.

The enforcement by investors of civil liabilities under U.S. federal securities laws may be affected adversely by the fact that the Company is incorporated under the laws of Canada, that most of its officers and directors are residents of Canada, and that all or a substantial portion of the assets of the Company and said persons are located outside of the United States. See “Enforceability of Civil Liabilities”.

The Company has two classes of issued and outstanding shares: the Class A Subordinate Voting Shares and the Class B multiple voting shares. The Class B multiple voting shares carry a greater number of votes per share relative to the Class A Subordinate Voting Shares. The Class A Subordinate Voting Shares are therefore “restricted securities” within the meaning of such term under applicable Canadian securities laws. The Class A Subordinate Voting Shares and the Class B multiple voting shares are substantially identical with the exception of the multiple voting and conversion rights attached to the Class B multiple voting shares. Each Class A Subordinate Voting Share is entitled to one vote and each Class B multiple voting share is entitled to ten votes on all matters requiring shareholder approval, and holders of Class A Subordinate Voting Shares and Class B multiple voting shares will vote together on all matters subject to a vote of holders of both those classes of shares as if they were one class of shares, except to the extent that a separate vote of holders as a separate class is required by law or provided by Shopify’s restated articles of incorporation. The Class B multiple voting shares are convertible into Class A Subordinate Voting Shares on a one-for-one basis at any time at the option of the holders thereof and automatically in certain other circumstances. The holders of Class A Subordinate Voting Shares benefit from contractual provisions that give them certain rights in the event of a take-over bid for the Class B multiple voting shares. See “Description of the Share Capital of the Company – Take-Over Bid Protection”.

Directors of the Company residing outside of Canada have appointed Shopify Inc., 150 Elgin Street, 8th Floor, Ottawa, Ontario, Canada, K2P 1L4 (Attn: Corporate Secretary) as agent for service of process. Purchasers are advised that it may not be possible for investors to enforce judgments obtained in Canada against any person that resides outside of Canada, even if the party has appointed an agent for service of process.

An investment in Securities involves significant risks that should be carefully considered by prospective investors before purchasing Securities. The risks outlined in this Prospectus and in the documents incorporated by reference herein, including the applicable Prospectus Supplement, should be carefully reviewed and considered by prospective investors in connection with any investment in Securities. See “Risk Factors”.

No underwriter has been involved in the preparation of this Prospectus nor has any underwriter performed any review of the contents of this Prospectus.

Our head and registered office is located at 150 Elgin Street, 8th Floor, Ottawa, Ontario, Canada, K2P 1L4.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Prospectus and the documents incorporated herein by reference contain forward-looking statements about Shopify's business outlook, objectives, strategies, plans, strategic priorities and results of operations as well as other statements that are not historical facts. A statement Shopify makes is forward-looking when it uses what Shopify knows and expects today to make a statement about the future. In some cases, you can identify forward-looking statements by words such as "may", "might", "will", "should", "could", "expects", "intends", "plans", "anticipates", "believes", "estimates", "predicts", "projects", "potential", "continue", or the negative of these terms or other similar words. In addition, any statements or information that refer to expectations, beliefs, plans, projections, objectives, performance or other characterizations of future events or circumstances, including any underlying assumptions, are forward-looking. All such forward-looking statements are made under the provisions of the U.S. Private Securities Litigation Reform Act of 1995, Section 27A of the U.S. Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and constitute forward-looking information within the meaning of applicable Canadian securities legislation.

Specifically, without limiting the generality of the foregoing, all statements included in this Prospectus, including the documents incorporated by reference herein, that address activities, events or developments that Shopify expects or anticipates will or may occur in the future, and other statements that are not historical facts, are forward-looking statements. These statements are based upon our management's perception of historic trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. Although we believe that the plans, intentions, expectations, assumptions and strategies reflected in these forward-looking statements are reasonable, these statements relate to future events or our future financial performance, and involve known and unknown risks, uncertainties and other factors, including but not limited to the risks described in detail in the section entitled "Risk Factors" and elsewhere in documents incorporated by reference herein, that may cause our actual results to be materially different from any future results expressed or implied by these forward-looking statements. Accordingly, prospective purchasers should not place undue reliance on the forward-looking statements contained in this Prospectus or in the documents incorporated by reference herein.

Forward-looking statements made in this Prospectus and in the documents incorporated herein by reference are based on a number of assumptions that Shopify believed were reasonable on the day it made the forward-looking statements. Refer to the documents incorporated by reference herein for certain assumptions that Shopify has made in preparing forward-looking statements. If our assumptions turn out to be inaccurate, our actual results could be materially different from what we expect.

The forward-looking statements in this Prospectus represent our views as of the date of this Prospectus and forward-looking statements contained in the documents incorporated herein by reference represent our views as of the date of such documents, unless otherwise indicated in such documents. We anticipate that subsequent events and developments may cause our views to change. However, while we may elect to update these forward-looking statements at some point in the future, we have no current intention of doing so except to the extent required by applicable law.

Prospective purchasers are cautioned that the risks referred to above are not the only ones that could affect Shopify. Additional risks and uncertainties not currently known to Shopify or that Shopify currently deems to be immaterial may also have a material adverse effect on Shopify's financial position, financial performance, cash flows, business or reputation.

ENFORCEABILITY OF CIVIL LIABILITIES

We are a corporation incorporated under and governed by the *Canada Business Corporations Act* (the "CBCA"). Most of our directors and officers reside principally in Canada, and the majority of our assets and all or a substantial portion of the assets of these persons is located outside the United States. The Company has appointed an agent for service of process in the United States; however it may nevertheless be difficult for investors who reside in the United States to effect service of process in the United States upon the Company or any such persons, or to enforce a U.S. court judgment predicated upon the civil liability provisions of the U.S. federal securities laws against the Company or any such persons. There is substantial doubt whether an action could be brought in Canada in the first instance predicated solely upon U.S. federal securities laws.

We filed with the SEC, concurrently with our Registration Statement, an appointment of agent for service of process on Form F-X. Under the Form F-X, we appointed Corporation Service Company as our agent for service of process in the United States in connection with any investigation or administrative proceeding conducted by the SEC and any civil suit or action brought against or involving us in a U.S. court arising out of or related to or concerning the offering of Securities under this Prospectus.

CURRENCY PRESENTATION AND EXCHANGE RATE INFORMATION

We express all amounts in this Prospectus in U.S. dollars, except where otherwise indicated. References to “\$” and “US\$” are to U.S. dollars and references to “C\$” are to Canadian dollars. On August 5, 2020 the Bank of Canada rate of exchange was US\$1.00 = C\$1.3262 or C\$1.00 = US\$0.7540.

WHERE YOU CAN FIND MORE INFORMATION

Shopify files certain reports with, and furnishes other information to, each of the SEC and certain securities regulatory authorities of Canada. Under a multijurisdictional disclosure system adopted by the United States and Canada, such reports and other information may be prepared in accordance with the disclosure requirements of the provincial and territorial securities regulatory authorities of Canada, which requirements are different from those of the United States. As a foreign private issuer, Shopify is exempt from the rules under the Exchange Act prescribing the furnishing and content of proxy statements, and Shopify’s officers and directors are exempt from the reporting and short swing profit recovery provisions contained in Section 16 of the Exchange Act. Shopify’s reports and other information filed or furnished with or to the SEC are available, from EDGAR at www.sec.gov, as well as from commercial document retrieval services. Shopify’s Canadian filings are available on SEDAR at www.sedar.com.

Shopify has filed with the SEC under the Securities Act the Registration Statement relating to the Securities being offered hereunder, of which this Prospectus forms a part. This Prospectus does not contain all of the information set forth in the Registration Statement, certain items of which are contained in the exhibits to the Registration Statement as permitted or required by the rules and regulations of the SEC. Items of information omitted from this Prospectus but contained in the Registration Statement will be available on the SEC’s website at www.sec.gov.

THE SELLING SECURITYHOLDERS

Securities may be sold under this Prospectus by way of secondary offering by or for the account of certain of our securityholders. The Prospectus Supplement that we will file in connection with any offering of Securities by selling securityholders will include the following information:

- the names of the selling securityholders;
- the number or amount of Securities owned, controlled or directed by each selling securityholder;
- the number or amount of Securities being distributed for the account of each selling securityholder;
- the number or amount of Securities to be owned by the selling securityholders after the distribution and the percentage that number or amount represents of the total number of our outstanding Securities;
- whether the Securities are owned by the selling securityholders both of record and beneficially, of record only, or beneficially only; and
- all other information that is required to be included in the applicable Prospectus Supplement.

USE OF PROCEEDS

The net proceeds to the Company from any offering of Securities and the proposed use of those proceeds will be set forth in the applicable Prospectus Supplement relating to that offering of Securities. The Company will not receive any proceeds from any sales of Securities offered by a selling securityholder.

DESCRIPTION OF THE SHARE CAPITAL OF THE COMPANY

Our authorized share capital consists of an unlimited number of Class A Subordinate Voting Shares of which 108,314,905 were issued and outstanding as of August 5, 2020, an unlimited number of Class B multiple voting shares of which 11,870,018 were issued and outstanding as of August 5, 2020, and an unlimited number of preferred shares, issuable in series, none of which are issued and outstanding as of August 5, 2020.

The Class B multiple voting shares carry a greater number of votes per share relative to the Class A Subordinate Voting Shares. The Class A Subordinate Voting Shares are therefore “restricted securities” within the meaning of such term under applicable Canadian securities laws. We are entitled to file this Prospectus on the basis that we comply with Section 12.3(b) of National Instrument 41-101 - *General Prospectus Requirements*.

Except as described in this Prospectus, the Class A Subordinate Voting Shares and the Class B multiple voting shares have the same rights, are equal in all respects and are treated by the Company as if they were one class of shares.

Rank

The Class A Subordinate Voting Shares and Class B multiple voting shares rank *pari passu* with respect to the payment of dividends, return of capital and distribution of assets in the event of the liquidation, dissolution or winding up of the Company. In the event of the liquidation, dissolution or winding-up of the Company or any other distribution of the Company’s assets among its shareholders for the purpose of winding-up its affairs, whether voluntarily or involuntarily, the holders of Class A Subordinate Voting Shares and the holders of Class B multiple voting shares are entitled to participate equally in the remaining property and assets of the Company available for distribution to the holders of shares, without preference or distinction among or between the Class A Subordinate Voting Shares and the Class B multiple voting shares, subject to the rights of the holders of any preferred shares.

Dividends

The holders of outstanding Class A Subordinate Voting Shares and Class B multiple voting shares are entitled to receive dividends on a share for share basis at such times and in such amounts and form as our board of directors may from time to time determine, but subject to the rights of the holders of any preferred shares, without preference or distinction among or between the Class A Subordinate Voting Shares and the Class B multiple voting shares. We are permitted to pay dividends unless there are reasonable grounds for believing that: (i) we are, or would after such payment be, unable to pay our liabilities as they become due; or (ii) the realizable value of our assets would, as a result of such payment, be less than the aggregate of our liabilities and stated capital of all classes of shares. In the event of a payment of a dividend in the form of shares, Class A Subordinate Voting Shares shall be distributed with respect to outstanding Class A Subordinate Voting Shares and Class B multiple voting shares shall be distributed with respect to outstanding Class B multiple voting shares, unless otherwise determined by our board.

Voting Rights

Under our restated articles of incorporation, each Class A Subordinate Voting Share is entitled to one vote per share and each Class B multiple voting share is entitled to 10 votes per share. As of August 5, 2020, the Class A Subordinate Voting Shares collectively represent 90.12% of our total issued and outstanding shares and 47.71% of the voting power attached to all of our issued and outstanding shares and the Class B multiple voting shares collectively represent 9.88% of our total issued and outstanding shares and 52.29% of the voting power attached to all of our issued and outstanding shares.

Conversion

The Class A Subordinate Voting Shares are not convertible into any other class of shares. Each outstanding Class B multiple voting share may at any time, at the option of the holder, be converted into one Class A Subordinate Voting Share. Upon the first date that a Class B multiple voting share is Transferred (as defined below) by a holder of Class B multiple voting shares, other than to a Permitted Holder (as defined below) or from any such Permitted Holder back to such holder of Class B multiple voting shares and/or any other Permitted Holder of such holder of Class B multiple voting shares, the holder thereof, without any further action, shall automatically be deemed to have exercised his, her or its rights to convert such Class B multiple voting share into a fully paid and non-assessable Class A Subordinate Voting Share, on a share for share basis.

In addition, all Class B multiple voting shares will convert automatically into Class A Subordinate Voting Shares on the date on which the outstanding Class B multiple voting shares represent less than 5% of the aggregate number of outstanding Class A Subordinate Voting Shares and Class B multiple voting shares as a group.

For the purposes of the foregoing:

“Affiliate” means, with respect to any specified Person, any other Person which directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with such specified Person;

“Members of the Immediate Family” means with respect to any individual, each parent (whether by birth or adoption), spouse, or child or other descendants (whether by birth or adoption) of such individual, each spouse of any of the aforementioned Persons, each trust created solely for the benefit of such individual and/or one or more of the aforementioned Persons, and each legal representative of such individual or of any aforementioned Persons (including without limitation a tutor, curator, mandatary due to incapacity, custodian, guardian or testamentary executor), acting in such capacity under the authority of the law, an order from a competent tribunal, a will or a mandate in case of incapacity or similar instrument. For the purposes of this definition, a Person shall be considered the spouse of an individual if such Person is legally married to such individual, lives in a civil union with such individual or is the common law partner (as defined in the *Income Tax Act* (Canada) as amended from time to time) of such individual. A Person who was the spouse of an individual within the meaning of this paragraph immediately before the death of such individual shall continue to be considered a spouse of such individual after the death of such individual;

“Permitted Holders” means, in respect of a holder of Class B multiple voting shares that is an individual, the Members of the Immediate Family of such individual and any Person controlled, directly or indirectly, by any such holder, and in respect of a holder of Class B multiple voting shares that is not an individual, an Affiliate of that holder;

“Person” means any individual, partnership, corporation, company, association, trust, joint venture or limited liability company;

“Transfer” of a Class B multiple voting share shall mean any sale, assignment, transfer, conveyance, hypothecation or other transfer or disposition of such share or any legal or beneficial interest in such share, whether or not for value and whether voluntary or involuntary or by operation of law. A “Transfer” shall also include, without limitation, (1) a transfer of a Class B multiple voting share to a broker or other nominee (regardless of whether or not there is a corresponding change in beneficial ownership) or (2) the transfer of, or entering into a binding agreement with respect to, Voting Control over a Class B multiple voting share by proxy or otherwise, provided, however, that the following shall not be considered a “Transfer”: (a) the grant of a proxy to our officers or directors at the request of our board of directors in connection with actions to be taken at an annual or special meeting of shareholders; or (b) the pledge of a Class B multiple voting share that creates a mere security interest in such share pursuant to a bona fide loan or indebtedness transaction so long as the holder of the Class B multiple voting share continues to exercise Voting Control over such pledged shares; provided, however, that a foreclosure on such Class B multiple voting share or other similar action by the pledgee shall constitute a “Transfer”; and

“Voting Control” with respect to a Class B multiple voting share means the exclusive power (whether directly or indirectly) to vote or direct the voting of such Class B multiple voting share by proxy, voting agreement or otherwise.

A Person is “controlled” by another Person or other Persons if: (1) in the case of a company or other body corporate wherever or however incorporated: (A) securities entitled to vote in the election of directors carrying in the aggregate at least a majority of the votes for the election of directors and representing in the aggregate at least a majority of the participating (equity) securities are held, other than by way of security only, directly or indirectly, by or solely for the benefit of the other Person or Persons; and (B) the votes carried in the aggregate by such securities are entitled, if exercised, to elect a majority of the board of directors of such company or other body corporate; or (2) in the case of a Person that is not a company or other body corporate, at least a majority of the participating (equity) and voting interests of such Person are held, directly or indirectly, by or solely for the benefit of the other Person or Persons; and “controls”, “controlling” and “under common control with” shall be interpreted accordingly.

Subdivision or Consolidation

No subdivision or consolidation of the Class A Subordinate Voting Shares or the Class B multiple voting shares may be carried out unless, at the same time, the Class B multiple voting shares or the Class A Subordinate Voting Shares, as the case may be, are subdivided or consolidated in the same manner and on the same basis.

Certain Class Votes

Except as required by the CBCA, applicable securities laws or our restated articles of incorporation, holders of Class A Subordinate Voting Shares and Class B multiple voting shares will vote together on all matters subject to a vote of holders of both those classes of shares as if they were one class of shares. Under the CBCA, certain types of amendments to our articles are subject to approval by special resolution of the holders of our classes of shares voting separately as a class, including amendments to:

- change the rights, privileges, restrictions or conditions attached to the shares of that class;
- increase the rights or privileges of any class of shares having rights or privileges equal or superior to the shares of that class; and
- make any class of shares having rights or privileges inferior to the shares of such class equal or superior to the shares of that class.

Without limiting other rights at law of any holders of Class A Subordinate Voting Shares or Class B multiple voting shares to vote separately as a class, neither the holders of the Class A Subordinate Voting Shares nor the holders of the Class B multiple voting shares shall be entitled to vote separately as a class upon a proposal to amend our articles of incorporation in the case of an amendment to (1) increase or decrease any maximum number of authorized shares of such class, or increase any maximum number of authorized shares of a class having rights or privileges equal or superior to the shares of such class; or (2) create a new class of shares equal or superior to the shares of such class, which rights are otherwise provided for in paragraphs (a) and (e) of subsection 176(1) of the CBCA. Pursuant to our restated articles of incorporation, neither holders of our Class A Subordinate Voting Shares nor holders of our Class B multiple voting shares will be entitled to vote separately as a class on a proposal to amend our articles to effect an exchange, reclassification or cancellation of all or part of the shares of such class pursuant to Section 176(1)(b) of the CBCA unless such exchange, reclassification or cancellation: (a) affects only the holders of that class; or (b) affects the holders of Class A Subordinate Voting Shares and Class B multiple voting shares differently, on a per share basis, and such holders are not already otherwise entitled to vote separately as a class under applicable law or our restated articles of incorporation in respect of such exchange, reclassification or cancellation.

Pursuant to our restated articles of incorporation, holders of Class A Subordinate Voting Shares and Class B multiple voting shares will be treated equally and identically, on a per share basis, in certain change of control transactions that require approval of our shareholders under the CBCA, unless different treatment of the shares of each such class is approved by a majority of the votes cast by the holders of our Class A Subordinate Voting Shares and Class B multiple voting shares, each voting separately as a class.

Take-Over Bid Protection

Under applicable Canadian law, an offer to purchase Class B multiple voting shares would not necessarily require that an offer be made to purchase Class A Subordinate Voting Shares. In accordance with the rules of the TSX designed to ensure that, in the event of a take-over bid, the holders of Class A Subordinate Voting Shares will be entitled to participate on an equal footing with holders of Class B multiple voting shares, the holders of not less than 80% of the outstanding Class B multiple voting shares on completion of our initial public offering entered into a customary coattail agreement with Shopify and a trustee (the "Coattail Agreement"). The Coattail Agreement contains provisions customary for dual class, TSX listed corporations designed to prevent transactions that otherwise would deprive the holders of Class A Subordinate Voting Shares of rights under the take-over bid provisions of applicable Canadian securities legislation to which they would have been entitled if the Class B multiple voting shares had been Class A Subordinate Voting Shares.

The undertakings in the Coattail Agreement will not apply to prevent a sale of Class B multiple voting shares by a holder of Class B multiple voting shares party to the Coattail Agreement if concurrently an offer is made to purchase Class A Subordinate Voting Shares that:

- a) offers a price per Class A Subordinate Voting Share at least as high as the highest price per share paid or required to be paid pursuant to the take-over bid for the Class B multiple voting shares;
- b) provides that the percentage of outstanding Class A Subordinate Voting Shares to be taken up (exclusive of shares owned immediately prior to the offer by the offeror or persons acting jointly or in concert with

the offeror) is at least as high as the percentage of outstanding Class B multiple voting shares to be sold (exclusive of Class B multiple voting shares owned immediately prior to the offer by the offeror and persons acting jointly or in concert with the offeror);

- c) has no condition attached other than the right not to take up and pay for Class A Subordinate Voting Shares tendered if no shares are purchased pursuant to the offer for Class B multiple voting shares; and
- d) is in all other material respects identical to the offer for Class B multiple voting shares.

In addition, the Coattail Agreement will not prevent the sale of Class B multiple voting shares by a holder thereof to a Permitted Holder, provided such sale does not or would not constitute a take-over bid or, if so, is exempt or would be exempt from the formal bid requirements (as defined in applicable securities legislation). The conversion of Class B multiple voting shares into Class A Subordinate Voting Shares, shall not, in and of itself, constitute a sale of Class B multiple voting shares for the purposes of the Coattail Agreement.

Under the Coattail Agreement, any sale of Class B multiple voting shares (including a transfer to a pledgee as security) by a holder of Class B multiple voting shares party to the Coattail Agreement will be conditional upon the transferee or pledgee becoming a party to the Coattail Agreement, to the extent such transferred Class B multiple voting shares are not automatically converted into Class A Subordinate Voting Shares in accordance with our restated articles of incorporation.

The Coattail Agreement contains provisions for authorizing action by the trustee to enforce the rights under the Coattail Agreement on behalf of the holders of the Class A Subordinate Voting Shares. The obligation of the trustee to take such action will be conditional on Shopify or holders of the Class A Subordinate Voting Shares providing such funds and indemnity as the trustee may require. No holder of Class A Subordinate Voting Shares will have the right, other than through the trustee, to institute any action or proceeding or to exercise any other remedy to enforce any rights arising under the Coattail Agreement unless the trustee fails to act on a request authorized by holders of not less than 10% of the outstanding Class A Subordinate Voting Shares and reasonable funds and indemnity have been provided to the trustee.

The Coattail Agreement provides that it may not be amended, and no provision thereof may be waived, unless, prior to giving effect to such amendment or waiver, the following have been obtained: (a) the consent of the TSX and any other applicable securities regulatory authority in Canada and (b) the approval of at least 66 2/3% of the votes cast by holders of Class A Subordinate Voting Shares represented at a meeting duly called for the purpose of considering such amendment or waiver, excluding votes attached to Class A Subordinate Voting Shares held directly or indirectly by holders of Class B multiple voting shares, their affiliates and related parties and any persons who have an agreement to purchase Class B multiple voting shares on terms which would constitute a sale for purposes of the Coattail Agreement other than as permitted thereby.

No provision of the Coattail Agreement limits the rights of any holders of Class A Subordinate Voting Shares under applicable law.

Preferred Shares

We are authorized to issue an unlimited number of preferred shares issuable in series. Each series of preferred shares shall consist of such number of shares and having such rights, privileges, restrictions and conditions as may be determined by our board of directors prior to the issuance thereof. Holders of preferred shares, except as otherwise provided in the terms specific to a series of preferred shares or as required by law, will not be entitled to vote at meetings of holders of shares, and will not be entitled to vote separately as a class upon a proposal to amend our articles of incorporation in the case of an amendment of the kind referred to in paragraph (a), (b) or (e) of subsection 176(1) of the CBCA. With respect to the payment of dividends and distribution of assets in the event of liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, the preferred shares are entitled to preference over the Class A Subordinate Voting Shares, Class B multiple voting shares and any other shares ranking junior to the preferred shares and may also be given such other preferences over Class A Subordinate Voting Shares, Class B multiple voting shares and any other shares ranking junior to the preferred shares as may be determined at the time of creation of such series.

The issuance of preferred shares and the terms selected by our board of directors could decrease the amount of earnings and assets available for distribution to holders of our Class A Subordinate Voting Shares and Class B multiple voting shares or adversely affect the rights and powers, including the voting rights, of the holders of our

Class A Subordinate Voting Shares and Class B multiple voting shares without any further vote or action by the holders of our Class A Subordinate Voting Shares and Class B multiple voting shares. The issuance of preferred shares, or the issuance of rights to purchase preferred shares, could make it more difficult for a third-party to acquire a majority of our outstanding voting shares and thereby have the effect of delaying, deferring or preventing a change of control of us or an unsolicited acquisition proposal or of making the removal of management more difficult. Additionally, the issuance of preferred shares may have the effect of decreasing the market price of our Class A Subordinate Voting Shares.

The Company may issue Debt Securities, separately or together, with Class A Subordinate Voting Shares, Preferred Shares, Warrants, Subscription Receipts or Units or any combination thereof, as the case may be. If we denominate the purchase price of any of the Debt Securities in a currency or currencies other than U.S. dollars or a non-U.S. dollar unit or units, or if the principal of and any premium and interest on any Debt Securities is payable in a currency or currencies other than U.S. dollars or a non-U.S. dollar unit or units, we will provide investors with information on the restrictions, elections, general tax considerations, specific terms and other information with respect to that issue of Debt Securities and such non-U.S. dollar currency or currencies or non-U.S. dollar unit or units in the applicable Prospectus Supplement.

Each series of Debt Securities may be issued at various times with different maturity dates, may bear interest at different rates and may otherwise vary.

To the extent any Debt Securities are convertible into Class A Subordinate Voting Shares or other securities of the Company, prior to such conversion the holders of such Debt Securities will not have any of the rights of holders of the securities into which the Debt Securities are convertible, including the right to receive payments of dividends or the right to vote such underlying securities.

Trading price and volume of our Securities will be provided, as required, in each Prospectus Supplement to this Prospectus.

PLAN OF DISTRIBUTION

We may offer and sell Securities directly to one or more purchasers, through agents, or through underwriters or dealers designated by us from time to time. We may distribute the Securities from time to time in one or more transactions at a fixed price or prices (which may be changed from time to time), at market prices prevailing at the times of sale, at prices related to prevailing market prices or at negotiated prices. A description of such pricing will be disclosed in the applicable Prospectus Supplement. We may offer Securities in the same offering, or we may offer Securities in separate offerings.

This Prospectus may also, from time to time, relate to the offering of our Securities by certain selling securityholders. The selling securityholders may sell all or a portion of our Securities beneficially owned by them and offered thereby from time to time directly or through one or more underwriters, broker-dealers or agents. Our Securities may be sold by the selling securityholders in one or more transactions at fixed prices, at prevailing market prices at the time of the sale, at varying prices determined at the time of sale, or at negotiated prices.

A Prospectus Supplement will describe the terms of each specific offering of Securities, including (i) the terms of the Securities to which the Prospectus Supplement relates, including the type of Security being offered; (ii) the name or names of any agents, underwriters or dealers involved in such offering of Securities; (iii) the name or names of any selling securityholders; (iv) the purchase price of the Securities offered thereby and the proceeds to, and the portion of expenses borne by, the Company from the sale of such Securities; (v) any agents' commission, underwriting discounts and other items constituting compensation payable to agents, underwriters or dealers; and (vi) any discounts or concessions allowed or re-allowed or paid to agents, underwriters or dealers.

If underwriters are used in an offering, the Securities offered thereby will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions at a fixed public offering price or at varying prices determined at the time of sale. Securities may be either offered to the public through underwriting syndicates represented by managing underwriters or by underwriters without a syndicate. Only underwriters named in a Prospectus Supplement are deemed to be underwriters in connection with the Securities offered thereby. The obligations of the underwriters to purchase Securities will be subject to the conditions precedent agreed upon by the parties and the underwriters will be obligated to purchase all Securities under that offering if any are purchased. Any public offering price and any discounts or concessions allowed or re-allowed or paid to agents, underwriters or dealers may be changed from time to time.

The Securities may also be sold: (i) directly by the Company or the selling securityholders at such prices and upon such terms as agreed to; or (ii) through agents designated by the Company or the selling securityholders from time to time. Any agent involved in the offering and sale of the Securities in respect of which this Prospectus is delivered will be named, and any commissions payable by the Company and/or selling securityholder to such agent will be set forth, in the Prospectus Supplement. Unless otherwise indicated in the Prospectus Supplement, any agent is acting on a "best efforts" basis for the period of its appointment.

We and/or the selling securityholders may agree to pay the underwriters a commission for various services relating to the issue and sale of any Securities offered under any Prospectus Supplement. Agents, underwriters or dealers who participate in the distribution of the Securities may be entitled under agreements to be entered into with the Company and/or the selling securityholders to indemnification by the Company and/or the selling securityholders against certain liabilities, including liabilities under securities legislation, or to contribution with respect to payments which such underwriters, dealers or agents may be required to make in respect thereof.

Agents, underwriters or dealers may make sales of Securities in privately negotiated transactions and/or any other method permitted by law, including sales deemed to be an "at-the-market" offering as defined in and subject to limitations imposed by applicable Canadian securities laws which includes sales made directly on an existing trading market for the Class A Subordinate Voting Shares, or sales made to or through a market maker other than on an exchange. In connection with any offering of Securities, except with respect to "at-the-market" offerings, underwriters may over-allot or effect transactions which stabilize or maintain the market price of the offered Securities at a level above that which might otherwise prevail in the open market. Such transactions may be commenced, interrupted or discontinued at any time. No underwriter or dealer involved in an "at-the-market"

offering, as defined under applicable Canadian securities laws, no affiliate of such an underwriter or dealer and no person or company acting jointly or in concert with such an underwriter or dealer may enter into any transaction that is intended to stabilize or maintain the market price of the Securities or Securities of the same class as the Securities distributed under the applicable Prospectus Supplement, including selling an aggregate number or principal amount of Securities that would result in the underwriter or dealer creating an over-allocation position in the Securities.

We may authorize agents or underwriters to solicit offers by eligible institutions to purchase Securities from us at the public offering price set forth in the applicable Prospectus Supplement under delayed delivery contracts providing for payment and delivery on a specified date in the future. The conditions to these contracts and the commissions payable for solicitation of these contracts will be set forth in the applicable Prospectus Supplement.

Each class or series of Securities, other than the Class A Subordinate Voting Shares, that is not a secondary offering will be a new issue of Securities with no established trading market. Unless otherwise specified in the applicable Prospectus Supplement, the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units will not be listed on any securities exchange. **Unless otherwise specified in the applicable Prospectus Supplement, there is no market through which the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units may be sold and purchasers may not be able to resell Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units purchased under this Prospectus or any Prospectus Supplement. This may affect the pricing of the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units in the secondary market, the transparency and availability of trading prices, the liquidity of the securities, and the extent of issuer regulation.** Subject to applicable laws, certain dealers may make a market in the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units, as applicable, but will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given that any dealer will make a market in the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units or as to the liquidity of the trading market, if any, for the Preferred Shares, Debt Securities, Warrants, Subscription Receipts or Units.

PURCHASER’S STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may only be exercised within two business days after receipt or deemed receipt of a prospectus or a prospectus supplement relating to the securities purchased by a purchaser and any amendments thereto. In several of the provinces and territories, securities legislation further provides the purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus or a prospectus supplement relating to the securities purchased by a purchaser and any amendments thereto contain a misrepresentation or is not delivered to the purchaser, provided that such remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser’s province or territory. A purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province or territory for the particulars of these rights or consult with a legal advisor.

In addition, original purchasers of convertible or exchangeable Preferred Shares, Subscription Receipts, Warrants (unless the Warrants are reasonably regarded by the Company as incidental to the applicable offering as a whole) or convertible or exchangeable Debt Securities (or Units comprised partly thereof) will have a contractual right of rescission against the Company in respect of the conversion, exchange or exercise of the convertible or exchangeable Preferred Share, Subscription Receipt, Warrant or the convertible or exchangeable Debt Security. The contractual right of rescission will be further described in any applicable Prospectus Supplement, but will, in general, entitle such original purchasers to receive the amount paid for the applicable convertible, exchangeable or exercisable Security (and any additional amount paid upon conversion, exchange or exercise) upon surrender of the underlying securities acquired thereby, in the event that this Prospectus (as supplemented or amended) contains a misrepresentation, provided that: (i) the conversion, exchange or exercise takes place within 180 days of the date of the purchase of the convertible, exchangeable or exercisable Security under this Prospectus; and (ii) the right of rescission is exercised within 180 days of the date of the purchase of the convertible, exchangeable or exercisable security under this Prospectus.

In an offering of convertible or exchangeable Preferred Shares, Subscription Receipts, Warrants or convertible or exchangeable Debt Securities (or Units comprised partly thereof), investors are cautioned that the statutory right of action for damages for a misrepresentation contained in the prospectus is limited, in certain provincial and territorial securities legislation, to the price at which convertible or exchangeable Preferred Shares, Subscription Receipts, Warrants or convertible or exchangeable Debt Securities (or Units comprised partly thereof) are offered to the public under the prospectus offering. This means that, under the securities legislation of certain provinces and territories, if the purchaser pays additional amounts upon the conversion, exchange or exercise of the Security, those amounts may not be recoverable under the statutory right of action for damages that applies in those provinces or territories. The purchaser should refer to any applicable provisions of the securities legislation of the purchaser’s province or territory for the particulars of this right of action for damages or consult with a legal adviser.
