**BROOKFIELD, NEWS, November 22, 2022** – Brookfield Asset Management Inc. (NYSE: BAM, TSX: BAM.A) (“Brookfield”) and Brookfield Asset Management Ltd. (the “Manager”) today jointly announced a distribution record date of December 2, 2022 for the previously announced transaction for the public listing and distribution of a 25% interest in Brookfield’s asset management business, through the Manager, by way of a plan of arrangement (“Arrangement”). The transaction will result in the division of Brookfield into two publicly traded companies – the Corporation (Brookfield Asset Management Inc. will be renamed “Brookfield Corporation”) and the Manager (“Brookfield Asset Management Ltd.”).

Brookfield has now received board, shareholder and court approval, as well as all material regulatory approvals. Subject to the satisfaction or waiver of the remaining conditions to the Arrangement, it is expected the Arrangement will become effective at the close of business on December 9, 2022.

The NYSE and the TSX will both implement “if, as and when-issued” and “due bill” trading commencing December 1, 2022 and ending at the close of business on December 9, 2022. During this period, these designations will impact how the Class A limited voting shares of the Corporation and the Manager trade on both exchanges. The Corporation Class A shares and the Manager Class A Shares are expected to commence trading on the NYSE and the TSX under the symbols “BN” and “BAM”, respectively, on December 12, 2022.
