Other important things to know

If you own Class B shares as both a registered shareholder and a beneficial shareholder, you may have received more than one copy of our management information circular and will need to vote separately as a registered shareholder and beneficial shareholder.

Beneficial shareholders receive a package that includes either a form of proxy that is already signed by their intermediary or a voting instruction form to instruct their intermediary how to vote the Class B shares. Please follow the instructions provided by your intermediary for completing and returning the form.

If the Class B shares are registered in the name of a deceased or other holder, the proxy must be signed by the legal representative with their name printed below their signature. Evidence of the legal representative's authority to sign on behalf of the deceased or other holder must be attached to this form of proxy.

If the Class B shares are jointly held by two or more people:

- one of you can vote the Class B shares without the others present
- if more than one of you attends the virtual meeting, you must vote together as one person
- if one of you attends the virtual meeting and one of you votes by proxy, the vote must be made jointly and in unison.

You can find detailed information about voting and the items of business at our 2020 annual meeting in the 2020 management information circular.
