**Item 1.01. Entry into a Material Definitive Agreement.**

On September 20, 2021, Waste Connections, Inc. (“Waste Connections” or the “Company”) completed an underwritten public offering (the “Offering”) of \$650,000,000 aggregate principal amount of 2.200% Senior Notes due 2032 (the “2032 Notes”) and \$850,000,000 aggregate principal amount of 2.950% Senior Notes due 2052 (the “2052 Notes” and, together with the 2032 Notes, the “Notes”). The Company issued the Notes under the Indenture, dated as of November 16, 2018 (the “Base Indenture”), by and between the Company and U.S. Bank National Association, as trustee (the “Trustee”), as supplemented by the Fifth Supplemental Indenture, dated as of September 20, 2021 (the “Supplemental Indenture” and the Base Indenture as so supplemented, the “Indenture”).

In connection with the Offering, the Company exercised its right to repay the approximately \$1.5 billion of senior notes (the “Private Notes”) that are governed by its 2008 and 2016 master note purchase agreements. The Company repaid the Private Notes, including the \$110.6 million make-whole payment, with the net proceeds from the Offering and borrowings under the revolving credit facility provided under its credit agreement. The Company expects to incur an approximate \$115.0 million charge in the third quarter of 2021 due to the repayment of the Private Notes and associated make-whole premium and related fees.

The Company will pay interest on the Notes on January 15 and July 15 of each year, beginning January 15, 2022. The 2032 Notes will mature on January 15, 2032 and the 2052 Notes will mature on January 15, 2052. The Notes are the Company’s senior unsecured obligations, ranking equally in right of payment with its other existing and future unsubordinated debt and senior to any of its future subordinated debt. The Notes will not be guaranteed by any of the Company’s subsidiaries.

Waste Connections may, prior to October 15, 2031 (three months before the maturity date), redeem some or all of the 2032 Notes, at any time and from time to time, at a redemption price equal to the greater of 100% of the principal amount of the 2032 Notes redeemed, or the sum of the present values of the remaining scheduled payments of principal and interest on the 2032 Notes redeemed. Commencing on October 15, 2031 (three months before the maturity date), the Company may redeem some or all of the 2032 Notes, at any time and from time to time, at a redemption price equal to the principal amount of the 2032 Notes being redeemed plus accrued and unpaid interest to, but excluding, the redemption date. Waste Connections may, prior to July 15, 2051 (six months before the maturity date), redeem some or all of the 2052 Notes, at any time and from time to time, at a redemption price equal to the greater of 100% of the principal amount of the 2052 Notes redeemed, or the sum of the present values of the remaining scheduled payments of principal and interest on the 2052 Notes redeemed. Commencing on July 15, 2051 (six months before the maturity date), the Company may redeem some or all of the 2052 Notes, at any time and from time to time, at a redemption price equal to the principal amount of the 2052 Notes being redeemed plus accrued and unpaid interest to, but excluding, the redemption date.

Under certain circumstances, Waste Connections may become obligated to pay additional amounts (the “Additional Amounts”) with respect to the Notes to ensure that the net amounts received by each holder of the Notes will not be less than the amount such holder would have received if withholding taxes or deductions were not incurred on a payment under or with respect to the Notes. If such payment of Additional Amounts are a result of a change in the laws or regulations, including a change in any official position, the introduction of an official position or a holding by a court of competent jurisdiction, of any jurisdiction from or through which payment is made by or on behalf of the Notes having power to tax, and the Company cannot avoid such payments of Additional Amounts through reasonable measures, then the Company may redeem the Notes then outstanding at a redemption price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to, but excluding, the redemption date (subject to the right of holders of record on the relevant record date to receive interest due on an interest payment date that is on or prior to the redemption date).

If the Company experiences certain kinds of changes of control, each holder of the Notes may require the Company to repurchase all or a portion of the Notes for cash at a price equal to 101% of the aggregate principal amount of such Notes, plus any accrued but unpaid interest to the date of repurchase.

---

The covenants in the Indenture include limitations on liens, sale-leaseback transactions and mergers and sales of all or substantially all of the Company's assets.

The Indenture contains the following customary events of default (each an "Event of Default"):

- default in the payment of any interest upon any Note when it becomes due and payable, and the continuance of such default for a period of 30 days (unless the entire amount of the payment is deposited by Waste Connections with the Trustee or with a paying agent prior to 11:00 a.m., New York City time, on the 30<sup>th</sup> day of such period);
- default in the payment of principal of any Note at its maturity;
- default in the performance or breach of any other covenant or warranty by the Company in the Indenture (other than a covenant or warranty that has been included in the Indenture solely for the benefit of a series of debt securities other than the Notes), which default continues uncured for a period of 60 days after the Company receives written notice from the Trustee or the Company and the Trustee receive written notice from the holders of not less than 25% in principal amount of the outstanding Notes as provided in the Indenture; or
- certain voluntary or involuntary events of bankruptcy, insolvency or reorganization of Waste Connections.

Upon an Event of Default, the principal of and accrued and unpaid interest on all the Notes may be declared to be due and payable by the Trustee or the holders of not less than 25% in principal amount of the outstanding Notes. Upon such a declaration, such principal and accrued interest on all of the Notes will be due and payable immediately. In the case of an Event of Default resulting from certain events of bankruptcy, insolvency or reorganization, the principal (or such specified amount) of and accrued and unpaid interest, if any, on all outstanding Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any holder of the Notes. Under certain circumstances, the holders of a majority in principal amount of the outstanding Notes may rescind any such acceleration with respect to the Notes and its consequences.

The terms of the Notes are further described in the Company's prospectus supplement, dated September 7, 2021 related to the Notes, and the accompanying base prospectus, dated September 1, 2021, under the captions "Description of Debt Securities" and "Description of Notes." The foregoing description of the Indenture is qualified in its entirety by reference to the Base Indenture and the Fifth Supplemental Indenture thereto, copies of which are filed as Exhibit 4.1 and Exhibit 4.2, respectively, hereto and are incorporated herein by reference.

## ARTICLE TWO

### AMENDMENTS TO BASE INDENTURE PROVISIONS

SECTION 2.1. Generally. The Base Indenture is hereby amended or amended and restated, in each case solely with respect to the Notes, as indicated in the following sections.

SECTION 2.2. Additional Definitions. Section 1.1 of the Base Indenture is hereby amended by adding the following definitions in correct alphabetical order:

“*2032 Par Call Date*” shall have the meaning set forth in Section 3.7(a).

“*2052 Par Call Date*” shall have the meaning set forth in Section 3.8(a).

“*Additional Notes*” shall have the meaning set forth in Section 2.1.

“*Agent Members*” shall have the meaning set forth in Section 2.14.7(a).

“*Applicable Procedures*” means, with respect to any transfer or transaction involving a Global Security or beneficial interest therein, the rules and procedures of the Depositary for such Security to the extent applicable to such transaction and as in effect at the time of such transfer or transaction.

“*Attributable Debt*” means the present value of the rental payments during the remaining term of the lease included in the Sale and Leaseback Transaction. To determine that present value, the Company uses a discount rate equal to the lease rate of the Sale and Leaseback Transaction or, if the lease rate is not known to the Company, the weighted average interest rate of all series of securities outstanding at the time under the indenture compounded semi-annually. For these purposes, rental payments do not include any amounts required to be paid for taxes, maintenance, repairs, insurance, assessments, utilities, operating and labor costs and other items that do not constitute payments for property rights. In the case of any lease that the lessee may terminate by paying a penalty, if the net amount (including payment of the penalty) would be reduced if the lessee terminated the lease on the first date that it could be terminated, then this lower net amount will be used.

“*Change of Control*” means the occurrence of any of the following after the date of issuance of the Notes:

(a) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than to the Company or one of its Subsidiaries;

(b) the consummation of any transaction (including any merger, amalgamation or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act, it being agreed that an employee of the Company or any of its Subsidiaries for whom shares are held under an employee stock ownership, employee retirement, employee savings or similar plan and whose shares are voted in accordance with the instructions of such employee shall not be a member of a “group” (as that term is used in Section 13(d)(3) of the Exchange Act) solely because such employee’s shares are held by a trustee under said plan) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of Voting Stock representing more than 50% of the voting power of the Company’s outstanding Voting Stock;

(c) the Company consolidates with, or merges or amalgamates with or into, any person, or any person consolidates with, amalgamates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the Company’s outstanding Voting Stock or Voting Stock of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the Company’s Voting Stock outstanding immediately prior to such transaction constitutes, or is converted into or exchanged for, Voting Stock representing more than 50% of the voting power of the Voting Stock of the surviving or resulting person immediately after giving effect to such transaction;

(d) during any period of twelve (12) consecutive calendar months, individuals who were members of the Board of Directors on the first day of such period cease to constitute a majority of the Board of Directors unless such new directors were approved by a majority of the directors who were directors on the first day of such period; or

(e) the adoption of a plan relating to the Company's liquidation or dissolution.

"*Change of Control Offer*" shall have the meaning set forth in Section 12.1(a).

"*Change of Control Payment*" shall have the meaning set forth in Section 12.1(a).

"*Change of Control Payment Date*" shall have the meaning set forth in Section 12.1(b)(iv).

"*Change of Control Purchase Notice*" shall have the meaning set forth in Section 12.1(c)(i).

"*Change of Control Triggering Event*" means the Notes of the applicable series cease to be rated Investment Grade by at least two of the three Rating Agencies on any date during the Trigger Period. If a Rating Agency is not providing a rating for a series of Notes at the commencement of any Trigger Period, the Notes of such series will be deemed to have ceased to be rated Investment Grade by such Rating Agency during that Trigger Period. Notwithstanding the foregoing, no Change of Control Triggering Event will be deemed to have occurred in connection with any particular Change of Control unless and until such Change of Control has actually been consummated.

"*Code*" means the United States Internal Revenue Code of 1986, as amended.

"*Comparable Treasury Issue*" means the U.S. Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes of the applicable series to be redeemed (assuming that the applicable series of Notes matured on the applicable Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the applicable series of Notes (assuming that the applicable series of Notes matured on the applicable Par Call Date).

"*Comparable Treasury Price*" means, with respect to any redemption date: (1) the average of the Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations; or (2) if the Independent Investment Banker obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such quotations.

"*Consolidated Tangible Assets*" means the total amount of assets of the Company and its consolidated subsidiaries less the value of all intangible assets, calculated based on the Company's most recent balance sheet filed with the Securities and Exchange Commission.

"*Excluded Holder*" shall have the meaning set forth in Section 4.8(b).

"*Fitch*" means Fitch Ratings Inc. and any successor to its rating agency business.

“GAAP” means accounting principles generally accepted in the United States of America set forth in the opinions and pronouncements of the Accounting Principles Board of the American Institute of Certified Public Accountants and statements and pronouncements of the Financial Accounting Standards Board or in such other statements by such other entity as have been approved by a significant segment of the accounting profession, which are in effect as of the date of determination.

“Independent Investment Banker” means BofA Securities, Inc., J.P. Morgan Securities LLC, MUFG Securities Americas Inc. or Wells Fargo Securities, LLC as selected by the Company, and their respective successors, or if each of such firms is unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Company.

“Investment Grade” means a rating of BBB– or better by Fitch (or its equivalent under any successor rating category of Fitch), Baa3 or better by Moody’s (or its equivalent under any successor rating category of Moody’s) and a rating of BBB– or better by S&P (or its equivalent under any successor rating category of S&P), and the equivalent investment grade credit rating from any replacement rating agency or rating agencies selected by the Company under the circumstances permitting the Company to select a replacement agency.

“*Rating Agency*” means each of Fitch, Moody’s and S&P; *provided*, that if any of Fitch, Moody’s or S&P ceases to rate a series of Notes or fails to make a rating of a series of Notes publicly available for reasons outside the Company’s control, the Company may appoint another “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) under the Exchange Act as a replacement for such Rating Agency with respect to such series of Notes and the Company shall give notice of such appointment to the Trustee.

“*Reference Treasury Dealer*” means: (1) each of BofA Securities, Inc., J.P. Morgan Securities LLC, a Primary Treasury Dealer selected by MUFG Securities Americas Inc. and Wells Fargo Securities, LLC and their respective successors; *provided, however*, that if any of the foregoing shall cease to be a Primary Treasury Dealer (a), the Company will substitute for such firm another Primary Treasury Dealer; and (2) up to four additional Primary Treasury Dealers selected by the Independent Investment Banker after consultation with the Company.

“*Reference Treasury Dealer Quotations*” means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the third business day preceding such redemption date.

“*Relevant Taxing Jurisdiction*” shall have the meaning set forth in Section 4.8(a).

“*Restricted Subsidiary*” means any Subsidiary of the Company (other than any Subsidiary of which the Company owns less than all of the outstanding Voting Stock) (a) principally engaged in, or whose principal assets consist of property used by the Company or any Restricted Subsidiary in, the storage, collection, transfer, interim processing, disposal or recycling of waste within the United States or Canada or (b) which the Company designates as a Restricted Subsidiary in an Officer’s Certificate delivered to the Trustee.

“*Sale and Leaseback Transaction*” shall have the meaning set forth in Section 4.7.

“*Security Instrument*” means any security agreement, chattel mortgage, assignment, financing or similar statement or notice, continuation statement, other agreement or instrument, or amendment or supplement to any thereof, providing for, evidencing or perfecting any Security Interest or lien.

Notice of the Company's intent to redeem the 2052 Notes pursuant to this Section 3.8(d) shall not be effective until such time as it delivers to the Trustee an (1) Officer's Certificate stating that the Company is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to such right of redemption have occurred and (2) opinion of independent legal counsel stating that the Company is or will become obligated to pay Additional Amounts because of an amendment to or change in law or regulation or position as set forth in this Section 3.8(d).

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist, directly or indirectly, any Indebtedness secured by a Security Interest upon any Principal Property of the Company or of a Restricted Subsidiary, whether owned as of the date of this Indenture or hereafter acquired, without making effective provision (and the Company hereby covenants that in any such case it shall make or cause to be made effective provision) whereby the Notes then outstanding and any other Indebtedness of the Company or any Restricted Subsidiary then entitled thereto shall be secured by such Security Interest equally and ratably with (or prior to) any and all other Indebtedness of the Company or any Restricted Subsidiary thereby secured for so long as any such other Indebtedness of the Company or any Restricted Subsidiary shall be so secured; *provided*, that nothing in this Section 4.6 shall prevent, restrict or apply to Indebtedness secured by:

(i) any Security Interest upon property or assets existing at the time of the acquisition thereof, which Security Interest secures obligations assumed by the Company or any Restricted Subsidiary;

(ii) any conditional sales agreement or other title retention agreement with respect to any property or assets acquired by the Company or any Restricted Subsidiary;

(iii) any Security Interest existing on the property or assets or shares of stock of an entity at the time such entity is merged or amalgamated with or into or consolidated with the Company or any Restricted Subsidiary or at the time of a sale, lease or other disposition of the property or assets of such entity as an entirety or substantially as an entirety to the Company or any Restricted Subsidiary or at the time such entity becomes a Restricted Subsidiary;

(iv) any Security Interest existing on the property, assets or shares of stock of any successor entity that becomes the Company in accordance with the provisions of Section 5.1 of the Base Indenture;

(v) any Security Interest upon property or assets (x) existing at the time of, or created within 360 days after, the acquisition of such property or assets, or (y) securing Indebtedness incurred to finance all or part of the purchase price of such property or assets or the cost of constructing, improving, developing or expanding such property or assets that was incurred before, at the time of, or created within 360 days after, the later to occur of the completion of such construction, improvement, development or expansion or the commencement of commercial operation or use of the property or assets;

(xii) any Security Interest in favor of any governmental authority in connection with the financing of the cost of construction or acquisition of property;

(xv) any extension, renewal or refunding (or successive extensions, renewals or refundings) in whole or in part of any Indebtedness secured by any Security Interest referred to in the foregoing clauses (i) through (xiv), inclusive, provided that the Security Interest securing such Indebtedness shall be limited to the property or assets which, immediately prior to such extension, renewal or refunding, secured such Indebtedness and additions to such property or assets, and the principal amount of such refinancing Indebtedness secured by such Security Interest does not exceed (x) the principal amount of such Indebtedness being refinanced plus (y) the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection with such above-referenced refinancings.

Notwithstanding the foregoing provisions of this Section 4.6(a), the Company or any of its Restricted Subsidiaries may create, incur, assume or suffer to exist any Indebtedness secured by a Security Interest without so securing the Notes if, at the time such Security Interest becomes a Security Interest upon any Principal Property of the Company or such Restricted Subsidiary and after giving effect thereto, the aggregate outstanding principal amount of all Indebtedness of the Company and its Restricted Subsidiaries secured by Security Interests and permitted by this sentence (including the Attributable Debt in respect of Sale and Leaseback Transactions, but excluding Attributable Debt in respect of any Sale and Leaseback Transactions the proceeds of which have been applied in accordance with Section 4.7(b)) does not exceed 15% of Consolidated Tangible Assets.

SECTION 2.11. Limitations on Sale and Leaseback Transactions. A new Section 4.7 shall be added after the newly added Section 4.6 of the Base Indenture, which shall read as follows:

“Section 4.7 Limitations on Sale and Leaseback Transactions.

The Company will not, and will not permit any Restricted Subsidiary to, enter into any arrangement with any person providing for the leasing to the Company or any Restricted Subsidiary of any Principal Property owned or hereafter acquired by the Company or such Restricted Subsidiary (except for temporary leases for a term of not more than three years and except for leases between the Company and a Restricted Subsidiary or between Restricted Subsidiaries), which Principal Property has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such person (herein referred to as a “*Sale and Leaseback Transaction*”) unless:

(a) the Company or such Restricted Subsidiary would be permitted pursuant to Section 4.6 to incur Indebtedness secured by a Security Interest on the Principal Property to be leased, in an aggregate principal amount equal to the Attributable Debt associated with such Sale and Leaseback Transaction, without equally and ratably securing the Notes;

(b) within 180 days after the effective date of the Sale and Leaseback Transaction, the Company applies an amount equal to the fair value (as determined by the Board of Directors) of such Principal Property to be leased to the redemption or retirement of the Notes and/or any other Securities issued under the Indenture or to the payment or other retirement of other Indebtedness of the Company that ranks senior to or pari passu with the Notes or of Indebtedness incurred by any Restricted Subsidiary (other than, in either case, Indebtedness owned by the Company or any Restricted Subsidiary); or

(c) within 180 days after entering into the Sale and Leaseback Transaction, the Company enters into a bona fide commitment or commitments to expend for the acquisition or capital improvement of a Principal Property an amount at least equal to the fair value (as determined by the Board of Directors) of such Principal Property to be leased.

Notwithstanding the foregoing, the Company may, and may permit any Restricted Subsidiary to, effect any Sale and Leaseback Transaction that is not allowable under clauses (a) through (c) of this Section 4.7 if, at the time of such Sale and Leaseback Transaction, the Attributable Debt associated with such Sale and Leaseback Transaction, together with the aggregate principal amount of outstanding Indebtedness secured by Security Interests upon Principal Property pursuant to the last sentence of Section 4.6(a), does not exceed 15% of Consolidated Tangible Assets. The calculation of such aggregate principal amount of outstanding Indebtedness secured by Security Interests upon Principal Property shall exclude (i) the aggregate amount of fees, underwriting discounts, accrued and unpaid interest, premiums and other costs and expenses incurred in connection with any refinancing and (ii) any Attributable Debt in connection with which the Company has purchased property, retired or defeased Indebtedness as described in Section 4.7(b).”

“Section 4.8 Withholding Taxes and Other Taxes.

(a) All payments made by or on behalf of the Company under or with respect to the Notes will be made without withholding or deduction for, or on account of, any present or future tax, duty, assessment or other governmental charge (including penalties, interest and other liabilities related thereto) (“*Taxes*”) imposed or levied by or on behalf of (1) the government of Canada or any province or territory of Canada, (2) any other jurisdiction in which the Company is organized or otherwise is resident for tax purposes or (3) any jurisdiction from or through which payment is made, in each case including any political subdivision or any authority or agency therein or thereof having power to tax (each, a “*Relevant Taxing Jurisdiction*”), unless required by law or the interpretation or administration thereof. If the Company is obligated to withhold or deduct any amount on account of Taxes imposed by a Relevant Taxing Jurisdiction from any payment made under or with respect to the Notes, the Company shall:

(i) make such withholding or deduction;

(ii) remit the full amount deducted or withheld to the relevant government authority in accordance with the applicable law;

(iii) subject to the limitations in Section 4.8(b), pay such additional amounts (“*Additional Amounts*”) as additional interest as may be necessary so that the net amounts received by each Holder, after such withholding or deduction (including any such withholding or deduction on such Additional Amounts) will not be less than the amount such Holder would have received if such Taxes had not been withheld or deducted;

(iv) furnish to the Trustee for the benefit of the Holders and beneficial owners of Notes, within 60 days after the date of the payment or remittance of any Taxes is due pursuant to applicable law, certified copies of an official receipt of the relevant government authority for all amounts deducted or withheld pursuant to applicable law, or if such receipts are not reasonably obtainable, other documentation evidencing the remittance by the Company of those Taxes; and

(v) at least 15 days prior to each date on which any Additional Amounts are payable, deliver to the Trustee an Officer’s Certificate setting forth the calculation of the Additional Amounts to be paid and such other information as the Trustee may request to enable the Trustee to pay such Additional Amounts to Holders of Notes on the payment date.

(b) Notwithstanding the foregoing Section 4.8(a), no Additional Amounts will be paid with respect to or in respect of a payment made to or in respect of any Holder or beneficial owner of the Notes (an “*Excluded Holder*”):

(i) with which the Company does not deal at arm’s length (within the meaning of the *Income Tax Act* (Canada)) at the time of making such payment;

(ii) for or on account of Canadian withholding Taxes imposed on a payment under or with respect to a Note that is deemed under subsection 214(16) of the *Income Tax Act* (Canada) (or any similar successor provision or equivalent provision of any provincial or territorial law) to be a dividend;

(iii) for or on account of any Taxes that are imposed or withheld as a result of the presentation of any Note for payment (where presentation is required) by or on behalf of a Holder or beneficial owner who would have been able to avoid such Taxes by presenting the relevant Note to another Paying Agent;

(iv) which is subject to such Taxes by reason of the Holder or the beneficial owner of the Note (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant Holder or beneficial owner, if the relevant Holder or beneficial owner is an estate, trust, nominee, partnership, limited liability company or corporation) being a resident, domiciliary or national of, incorporated in, or engaged in business or maintaining a permanent establishment or other physical presence in or otherwise having some present or former connection with the Relevant Taxing Jurisdiction otherwise than solely by the mere acquisition, holding or disposition of the Notes or the receipt of payments or enforcement of rights thereunder;

(v) for or on account of any Taxes imposed or deducted or withheld by reason of the failure of the Holder or beneficial owner of the Note to complete, execute and deliver to the Company, any reasonable form or document concerning such Holder's or beneficial owner's nationality, citizenship, residence, identity or connection with the Relevant Taxing Jurisdiction, provided (1) such form or document is required by law (including any applicable tax treaty) or by reason of the interpretation or administration of such law in order to enable the Company to make payments on the Note without deduction or withholding for Taxes, or with deduction or withholding of a lesser amount, and (2) the Company has provided a timely written request to the Holder for such form or document;

(vi) for or on account of any Taxes imposed or withheld as a result of the presentation of any Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder or beneficial owner (except to the extent that the Holder or beneficial owner would have been entitled to Additional Amounts had the Note been presented on the last day of such 30-day period);

(vii) for or on account of any estate, inheritance, gift, sales, transfer, excise, personal property or similar Tax;

(viii) for or on account of any Tax that is payable otherwise than by withholding from payments under or with respect to the Notes (other than taxes payable pursuant to Regulation 803 of the *Income Tax Act* (Canada), or any similar successor provision or equivalent provision of any provincial or territorial law);

(ix) if the Holder is a fiduciary, partnership or person other than the sole beneficial owner of that payment, to the extent that such payment would be required to be included in income under the laws of the Relevant Taxing Jurisdiction for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to such Additional Amounts had that beneficiary, settlor, member or beneficial owner been the Holder of the Note;

(x) for or on account of any Tax imposed pursuant to Sections 1471 through 1474 of the Code (including any amended or successor version), any current or future regulations or official interpretations thereof, any fiscal or regulatory legislation, rules or practices adopted pursuant to an intergovernmental agreement, treaty or convention between a non-U.S. jurisdiction and the United States with respect to the foregoing or any agreements entered into pursuant to Section 1471(b)(1) of the Code;

(xi) for or on account of any Taxes imposed by the United States or any political subdivision thereof; or

(xii) for or on account of any combination of the exceptions listed in clauses (i) through (xi) immediately above.

(c) Any reference in this Indenture to the payment of principal, premium, if any, interest, purchase price, redemption price or any other amount payable under or with respect to any Note will be deemed to include the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Company's obligation to make payments of Additional Amounts will survive any termination of this Indenture or the defeasance of any rights hereunder.

(d) Without duplication of the foregoing, the Company shall indemnify and hold harmless each Holder and beneficial owner of Notes (other than an Excluded Holder), and upon written request therefor, shall reimburse each such Holder and beneficial owner (without duplication), for the full amount of (x) any Taxes imposed by a Relevant Taxing Jurisdiction and paid by such Holder or beneficial owner as a result of payments made under or with respect to the Notes and (y) any Taxes levied or imposed and paid by such Holder or beneficial owner with respect to any reimbursement under (x) above, but excluding any such Taxes on or computed by reference to such Holder's or beneficial owner's net income, revenue, profits or capital.

(e) Without duplication of the foregoing, the Company shall pay any present or future stamp, issue, registration, court or documentary taxes or any other excise, property or similar Taxes that arise in any Relevant Taxing Jurisdiction from the execution, delivery, issuance, registration or enforcement of the Notes, this Indenture or any other document or instrument in relation thereto, and the Company shall indemnify the Holders and beneficial owners of the Notes for any such amounts (including penalties, interest and other liabilities related thereto) paid by such Holders and beneficial owners.

(f) Each Holder or beneficial owner of the Notes shall cooperate with the Company and the Trustee to provide any information or documentation reasonably requested by the Company or the Trustee in connection with the foregoing and to assist the Company or the Trustee in determining the applicable withholding tax rate and the amount of Additional Amounts or indemnity payments payable in respect thereof (though the foregoing shall impose no obligation on the Trustee other than pursuant to applicable laws or regulations)."

(c) Purchases of Notes under this Section 12.1 shall be made, at the option of the Holder thereof, upon:

(i) delivery to the Trustee (or other Paying Agent appointed by the Company) by a Holder of a duly completed notice (the "*Change of Control Purchase Notice*") in the form set forth on the reverse of the Note at any time prior to 5:00 p.m., New York City time, on the Change of Control Payment Date; or

(ii) delivery or book-entry transfer of the Notes to the Trustee (or other Paying Agent appointed by the Company) at any time after delivery of the Change of Control Purchase Notice (together with all necessary endorsements) at the Corporate Trust Office of the Trustee (or other Paying Agent appointed by the Company), such delivery being a condition to receipt by the Holder of the Change of Control Payment therefor; *provided* that such Change of Control Payment shall be so paid pursuant to this Section 12.1 only if the Note so delivered to the Trustee (or other Paying Agent appointed by the Company) shall conform in all respects to the description thereof in the related Change of Control Purchase Notice.

- (f) The Trustee shall not have any obligation to monitor the occurrence or dates of any Change of Control Triggering Event and may rely conclusively on an Officer's Certificate from the Company related to such Change of Control Triggering Event. The Trustee shall not have any obligation to notify the Holders of the occurrence or dates of any Change of Control Triggering Event.

WASTE CONNECTIONS, INC.

2.200% Senior Notes due 2032

This Security is one of a duly authorized issue of Securities of the Company designated as its 2.200% Senior Notes due 2032 (herein called the “Securities”), initially in aggregate principal amount to \$650,000,000, issued under and subject to the terms of an indenture (herein called the “Indenture”) dated as of November 16, 2018, between the Company and U.S. Bank National Association, as trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as supplemented by a Fifth Supplemental Indenture, dated as of September 20, 2021, between the Company and the Trustee to which the Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

This Security is subject to optional redemption and a special tax redemption, and may be the subject of an offer to purchase, as further described in the Indenture. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities. In the event of redemption of this Security in accordance with the Indenture in part only, a new Security or Securities in principal amount equal to the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

Upon the occurrence of a Change of Control Triggering Event with respect to the Securities, unless the Company has exercised its right to redeem the Securities pursuant to Article III of the Indenture, each Holder of the Securities shall have the right to require the Company to purchase all or a portion (such that (i) any such portion to be purchased must be an integral multiple of \$1,000 and (ii) the principal amount of any Note remaining after such purchase must equal \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder’s Security pursuant to Article XII of the Indenture.

If an Event of Default shall occur and be continuing, the principal amount of all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of (a) the entire Indebtedness on the Securities and (b) certain covenants and Events of Default, in each case upon compliance with certain conditions set forth therein.

The Indenture permits, with certain exceptions (including certain amendments permitted without the consent of any Holders and certain amendments which require the consent of all of the Holders) as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture and the Securities at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Securities at the time Outstanding that are affected. The Indenture also contains provisions permitting the Holders of at least a majority in aggregate principal amount of the Securities (100% of the Holders in certain circumstances) at the time Outstanding that are affected, to waive compliance by the Company with certain provisions of the Indenture and the Securities and certain past Defaults and Events of Default under the Indenture and the Securities and their consequences. Any such consent, amendment or waiver by or on behalf of the Holder of this Security, once effective, shall be conclusive and binding upon every Holder affected by such amendment or waiver, with certain exceptions, and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company or any other obligor on the Securities (in the event such other obligor is obligated to make payments in respect of the Securities), which is absolute and unconditional, to pay the principal of, and premium, if any, and interest, if any, on, this Security at the times, place, and rate, and in the coin or currency, herein prescribed without the consent of the Holder of this Security.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the register that the Registrar shall keep with respect to the Securities and to their transfer and exchange, upon surrender of this Security for registration of transfer at the office or agency of the Company at the Corporate Trust Office, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Except as indicated in the Indenture, no service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

A director, officer, employee or stockholder (past or present), as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Notes represented by a Global Security as shall be specified in a written statement of the Depositary or by the applicable procedures of such Depositary with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to the Indenture.

2.950% Senior Notes due 2052

This Security is one of a duly authorized issue of Securities of the Company designated as its 2.950% Senior Notes due 2052 (herein called the “Securities”), initially in aggregate principal amount to \$850,000,000, issued under and subject to the terms of an indenture (herein called the “Indenture”) dated as of November 16, 2018, between the Company and U.S. Bank National Association, as trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), as supplemented by a Fifth Supplemental Indenture, dated as of September 20, 2021, between the Company and the Trustee to which the Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Securities, and of the terms upon which the Securities are, and are to be, authenticated and delivered.

This Security is subject to optional redemption and a special tax redemption, and may be the subject of an offer to purchase, as further described in the Indenture. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Securities. In the event of redemption of this Security in accordance with the Indenture in part only, a new Security or Securities in principal amount equal to the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

Upon the occurrence of a Change of Control Triggering Event with respect to the Securities, unless the Company has exercised its right to redeem the Securities pursuant to Article III of the Indenture, each Holder of the Securities shall have the right to require the Company to purchase all or a portion (such that (i) any such portion to be purchased must be an integral multiple of \$1,000 and (ii) the principal amount of any Note remaining after such purchase must equal \$2,000 or an integral multiple of \$1,000 in excess thereof) of such Holder’s Security pursuant to Article XII of the Indenture.

If an Event of Default shall occur and be continuing, the principal amount of all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of (a) the entire Indebtedness on the Securities and (b) certain covenants and Events of Default, in each case upon compliance with certain conditions set forth therein.

The Indenture permits, with certain exceptions (including certain amendments permitted without the consent of any Holders and certain amendments which require the consent of all of the Holders) as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture and the Securities at any time by the Company and the Trustee with the consent of the Holders of at least a majority in aggregate principal amount of the Securities at the time Outstanding that are affected. The Indenture also contains provisions permitting the Holders of at least a majority in aggregate principal amount of the Securities (100% of the Holders in certain circumstances) at the time Outstanding that are affected, to waive compliance by the Company with certain provisions of the Indenture and the Securities and certain past Defaults and Events of Default under the Indenture and the Securities and their consequences. Any such consent, amendment or waiver by or on behalf of the Holder of this Security, once effective, shall be conclusive and binding upon every Holder affected by such amendment or waiver, with certain exceptions, and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent or waiver is made upon this Security.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company or any other obligor on the Securities (in the event such other obligor is obligated to make payments in respect of the Securities), which is absolute and unconditional, to pay the principal of, and premium, if any, and interest, if any, on, this Security at the times, place, and rate, and in the coin or currency, herein prescribed without the consent of the Holder of this Security.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registrable in the register that the Registrar shall keep with respect to the Securities and to their transfer and exchange, upon surrender of this Security for registration of transfer at the office or agency of the Company at the Corporate Trust Office, and thereupon one or more new Securities, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

Except as indicated in the Indenture, no service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

A director, officer, employee or stockholder (past or present), as such, of the Company shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Security, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Securities.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security is overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Company, the Trustee and any Agent shall treat a person as the Holder of such principal amount of outstanding Notes represented by a Global Security as shall be specified in a written statement of the Depository or by the applicable procedures of such Depository with respect to such Global Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to the Indenture.
