

## **Hydro One Inc. Prices Offering of \$750 Million Medium Term Notes**

### ***Net proceeds to repay and/or prepay maturing long term and short term debt and for general corporate purposes***

**TORONTO, October 24, 2022** - Hydro One Limited, Ontario's largest electricity transmission and distribution company, today announced that its wholly-owned subsidiary, Hydro One Inc., has priced an offering of \$750 million of 4.91% Medium Term Notes, Series 52, due 2028 (the "**Notes**"). The net proceeds from the issuance of the Notes will be approximately \$747 million. Hydro One Inc. expects to use the net proceeds of this offering to repay and/or prepay maturing long term and short term debt and for general corporate purposes. The offering of the Notes is expected to close on October 27, 2022.

The Notes are being offered on a best efforts basis in each of the provinces of Canada through a syndicate of agents. The Notes are being offered pursuant to a short form base shelf prospectus of Hydro One Inc. dated June 3, 2022. Hydro One Inc. will be filing a pricing supplement to the base shelf prospectus relating to the offering of Notes with the securities regulatory authorities in each of the provinces of Canada. The pricing supplement and accompanying base shelf prospectus contain important detailed information about the Notes being offered. Copies of the pricing supplement relating to the Notes and accompanying base shelf prospectus relating to the Notes may be obtained over the Internet under Hydro One Inc.'s profile at the Canadian Securities Administrators' website at [www.sedar.com](http://www.sedar.com). Investors should read the pricing supplement and accompanying base shelf prospectus before making an investment decision.

This news release does not constitute an offer to sell or the solicitation of an offer to buy any securities in any jurisdiction. The Notes have not been approved or disapproved by any regulatory authority nor has any such authority passed upon the accuracy or adequacy of the short form base shelf prospectus or the pricing supplement.

This news release is not an offer for sale within the United States of any debt or other securities of Hydro One Limited or Hydro One Inc. Securities of Hydro One Limited or Hydro One Inc., including any offering of its debt securities, may not be offered or sold in the United States absent registration under U.S. securities laws or unless exempt from registration under such laws. The offering described in this news release is not being made in the United States and has not been and will not be registered under U.S. securities laws, and accordingly, the Notes may not be offered or delivered, directly or indirectly, or sold in the United States except in certain transactions exempt from the registration requirements under applicable U.S. securities laws.

### **Hydro One Limited (TSX: H)**

Hydro One Limited, through its wholly-owned subsidiaries, is Ontario's largest electricity transmission and distribution provider with approximately 1.5 million valued customers, approximately \$30.4 billion in assets as at December 31, 2021, and annual revenues in 2021 of approximately \$7.2 billion. Our team of approximately 9,300 skilled and dedicated employees proudly build and maintain a safe and reliable electricity system which is essential to supporting strong and successful communities. In 2021, Hydro One invested approximately \$2.1 billion in its transmission and distribution networks, and supported the economy through buying approximately \$1.7 billion of goods and services. We are committed to the communities where we live and work through community investment, sustainability and diversity initiatives. We are designated as a

Sustainable Electricity Company by the Canadian Electricity Association. Hydro One Limited's common shares are listed on the TSX and certain of Hydro One Inc.'s medium term notes are listed on the NYSE.
