COMPUTERSHARE TRUST COMPANY OF CANADA, a trust company incorporated under the laws of Canada (the “**Trustee**”)

WHEREAS the Corporation has entered into a Trust Indenture dated as of June 4, 2001 (the “**Original Indenture**”) which provides for the issuance of one or more series of unsecured medium term notes of the Corporation by way of Supplemental Indentures;

AND WHEREAS the Corporation has entered into a twenty-second supplemental indenture dated July 29, 2011 (the “**Twenty-Second Supplemental Indenture**”) which provides for an amendment to the definition of “Canadian GAAP” in the Original Indenture (the Original Indenture, as amended and supplemented by the Twenty-Second Supplemental Indenture, hereinafter collectively referred to as the “**Base Indenture**”);

AND WHEREAS this Sixtieth Supplemental Indenture is entered into for the purpose of providing for the creation and issuance of Series 60 Notes pursuant to the Base Indenture and establishing the terms, provisions and conditions of the Series 60 Notes;

AND WHEREAS the foregoing representations and statements of fact are made by the Corporation and not by the Trustee;

NOW THEREFORE THIS SIXTIETH SUPPLEMENTAL INDENTURE WITNESSES and it is hereby covenanted, agreed and declared as follows:

ARTICLE 1 INTERPRETATION

1.1 To Be Read With Base Indenture

This Sixtieth Supplemental Indenture is a Supplemental Indenture within the meaning of the Original Indenture. The Base Indenture and this Sixtieth Supplemental Indenture shall be read together and shall have effect so far as practicable as though all the provisions of all indentures were contained in one instrument.

1.2 Sixtieth Supplemental Indenture

The terms “**this Sixtieth Supplemental Indenture**”, “**this indenture**”, “**herein**”, “**hereof**”, “**hereby**”, “**hereunder**” and similar expressions, unless the context otherwise specifies or requires, refer to the Base Indenture as amended and supplemented by this Sixtieth Supplemental

Indenture and not to any particular article, section, subsection or clause or other portion thereof, and include every instrument supplemental or ancillary to this Sixtieth Supplemental Indenture.

1.3 Definitions

All terms which are used but not defined in this Sixtieth Supplemental Indenture shall have the meanings ascribed to them in the Base Indenture. In the event of any inconsistency between the terms in the Base Indenture and this Sixtieth Supplemental Indenture, the terms in this Sixtieth Supplemental Indenture prevail. Subject to the foregoing, and in addition to the terms defined above in the recitals to this Sixtieth Supplemental Indenture, in this Sixtieth Supplemental Indenture and in the Series 60 Notes the following terms have the following meanings:

“Government of Canada Yield” on any date means the yield from the date fixed for redemption to October 4, 2034, compounded semi-annually and calculated in accordance with generally accepted Canadian financial practice, which a non-callable Government of Canada bond would carry if issued in dollars in Canada, at 100% of its principal amount on such date with a term to maturity equal to, or if no Government of Canada bond having an equal term to maturity exists, as close as possible to, the remaining term to October 4, 2034 (calculated from the redemption date) of the Series 60 Notes, such yield being the average of the yields provided by two Canadian investment dealers specified by the Corporation;

“Series 60 Notes” means the unsecured medium term notes of the Corporation referred to in Section 2.1;

“Series 60 Note Account” means any deposit account which is designated in writing to the Trustee as the Series 60 Note Account;

“Series 60 Note Canada Yield Price” means a price equal to the price of the Series 60 Notes calculated to provide a yield to October 4, 2034, compounded semi-annually and calculated in accordance with generally accepted Canadian financial practice, equal to the Government of Canada Yield calculated at 10:00 a.m. (Toronto time) on the Business Day preceding the day on which the Corporation gives notice of redemption pursuant to Section 5.3 of the Original Indenture, plus 0.29%;

“Series 60 Note Interest Payment Date” means January 4 and July 4 in each year that the Series 60 Notes are outstanding;

“Series 60 Note Interest Period” means, in respect of a Series 60 Note Interest Payment Date, the period commencing on the later of the date of issue of the Series 60 Notes and the immediately preceding Series 60 Note Interest Payment Date and ending on the day immediately preceding such Series 60 Note Interest Payment Date in respect of which interest is payable; and

“Series 60 Note Regular Record Date” means the date specified herein for determining holders entitled to receive interest on the Series 60 Notes on any Series 60 Note Interest Payment Date.

ARTICLE 2 THE SERIES 60 NOTES

2.1 Creation and Designation

The Corporation, being authorized in accordance with the Base Indenture to create and issue unsecured medium term notes in one or more series, hereby authorizes under this Sixtieth Supplemental Indenture the creation and issuance from time to time, in one or more issues, of a series of unsecured medium term notes designated as “4.25% Notes due 2035 (Series 60)”, which will have the terms set out in this Sixtieth Supplemental Indenture.

2.2 No Limitation on Aggregate Principal Amount

The aggregate principal amount of Series 60 Notes which may be issued under this Sixtieth Supplemental Indenture will be unlimited. Additional Series 60 Notes may be issued after the date hereof without the consent of any holder of Series 60 Notes.

2.3 Date of Issue and Maturity

The Series 60 Notes will be dated as of the date of their issue and will become due and payable, together with all accrued interest and unpaid interest thereon, on January 4, 2035.

2.4 Interest

- (a) The Series 60 Notes will be issued in \$1,000 denominations or integral multiples thereof and bear interest on the unpaid principal amount thereof at a rate of 4.25% per annum from their date of issue or as otherwise specified in the applicable Series 60 Note with interest payable on each Series 60 Note Interest Payment Date semi-annually in arrears in equal instalments; provided that the first Series 60 Note Interest Payment Date will be January 4, 2025 in respect of the Series 60 Notes issued on the date hereof for the period from and including August 20, 2024, and the payment of interest on such Series 60 Note Interest Payment Date shall be an amount equal to \$11,166,438.36 in aggregate and \$1.595205480 per \$100.00 principal amount.
- (b) Interest will be payable in respect of each Series 60 Note Interest Period (after as well as before maturity, default and judgement, with interest on overdue interest at the same rate) on each Series 60 Note Interest Payment Date in accordance with Section 2.8 of the Original Indenture.
- (c) Interest on the Series 60 Notes in respect of periods that end on a day other than the day immediately preceding a Series 60 Note Interest Payment Date or in respect of periods after the Maturity Date will be computed on the basis of a year of 365 days or 366 days, as the case may be, for the actual number of days elapsed and will accrue from day to day.
- (d) The Series 60 Note Regular Record Date will be the close of business two Business Days preceding the relevant Series 60 Note Interest Payment Date.

2.5 Interest Payments

The Corporation (except in case of payment of interest at maturity or as otherwise provided in the Base Indenture, at which time payment of interest, less any taxes required by law to be deducted or withheld, may at the option of the Corporation be made upon presentation and surrender of the certificate representing Series 60 Notes), on the day that is two Business Days before each Series 60 Note Interest Payment Date, will forward or cause to be forwarded to the registered address of each holder of a Series 60 Note as of the Series 60 Note Regular Record Date a cheque for such interest, less any taxes required by law to be deducted or withheld, payable to the order of such holder provided the Trustee will only forward such cheque upon receipt of the full amount of interest being paid in immediately available funds to be held by the Trustee in the Series 60 Note Account. The forwarding of such cheque will satisfy and discharge the liability for interest upon such Series 60 Note to the extent of the sum represented thereby (plus the amount of any taxes deducted or withheld as aforesaid) unless such cheque is not paid on presentation. Upon a written request to do so, the Corporation, at its option, may cause the amount payable in respect of interest to be paid to such holder of Series 60 Notes by wire transfer to an account maintained by such holder of Series 60 Notes or any other method acceptable to the Corporation.

2.6 Payment of Principal

In accordance with Section 9.2 of the Original Indenture, the Corporation will deposit to the Series 60 Note Account all amounts required to be paid to the order of holders of Series 60 Notes on maturity on account of principal, one Business Day before the maturity date of the Series 60 Notes. The deposit of such funds will satisfy and discharge the liability for principal of the Series 60 Notes to the extent of the sum represented thereby.

2.7 Redemption and Repurchase

- (a) At its option, at any time prior to October 4, 2034, the Corporation may redeem the Series 60 Notes in whole or, from time to time, in part, on payment of a redemption price equal to the greater of (i) the Series 60 Note Canada Yield Price and (ii) par, together in each case with accrued and unpaid interest to the date fixed for redemption. At its option, at any time on or after October 4, 2034, the Corporation may redeem the Series 60 Notes in whole or, from time to time, in part, on payment of a redemption price equal to par, together with accrued and unpaid interest to the date fixed for redemption. The Corporation will give notice of redemption not more than 60 days and not less than 15 days before the date fixed for redemption. Less than all of the Series 60 Notes may be redeemed, if so redeemed, in accordance with Section 5.2 of the Original Indenture.
- (b) The Corporation will be entitled at any time and from time to time to purchase for cancellation Series 60 Notes in the market (which may include purchases from or through an investment dealer or a firm holding membership on a recognized stock exchange) or by tender or by private contract at any price. Series 60 Notes that are so purchased will be cancelled and will not be re-issued. Less than all of the Series 60 Notes may be purchased, if so purchased, for cancellation in accordance with Section 5.5 of the Original Indenture.

- (c) The Series 60 Notes will not be subject to repurchase pursuant to any sinking fund or any other required repayment provisions.
- (d) Any redemption of the Series 60 Notes may, at the option of the Corporation, be made subject to conditions and, in such case, the notice of redemption shall state that such redemption shall be conditional upon the occurrence of any event (including a financing, asset disposition or other transaction) and that if such event does not occur, or the occurrence of such event as a condition to the redemption is not waived by the Corporation in its sole discretion, on or prior to the date fixed for such redemption, then such notice shall be of no force or effect and the Corporation shall not be required to redeem such Series 60 Notes. In the event that such notice of redemption contains such a condition and such condition is not satisfied or waived by the Corporation in its sole discretion, the redemption shall not be made and within a reasonable time thereafter notice shall be given, in the manner in which the notice of redemption was given, that such condition was not satisfied or waived and such redemption was not required to be made, and the Trustee shall promptly return to the holders thereof any of such Series 60 Notes which had been surrendered for payment upon such redemption.

2.8 Form of Series 60 Notes

The Series 60 Notes and the certificate of the Trustee endorsed thereon shall be issuable initially as one Global Note held by, or on behalf of, CDS, as depository, for its participants and registered in the name of CDS or its nominee. The Global Note will be substantially in the form set out in Schedule 1 hereto with such appropriate additions, deletions, substitutions and variations as the Trustee may approve and shall bear such distinguishing letters and numbers as the Trustee may approve, with such approval in each case to be conclusively deemed to have been given by the Trustee certifying such Series 60 Notes.

2.9 Execution of Series 60 Notes

The Series 60 Notes shall be signed (either manually or by facsimile signature or other electronic signature) by any two of the chairman of the Corporation's board of directors, the president and chief executive officer, the executive vice president, chief financial and regulatory officer, the treasurer, the general counsel and the secretary, or those acting in such capacities. A signature upon any of the Series 60 Notes shall for all purposes of this Sixtieth Supplemental Indenture be deemed to be the signature of the individual whose signature it purports to be and to have been signed at the time of such signature (either manually or by facsimile or other electronic signature) and notwithstanding that any individual whose signature (either manually or by facsimile or other electronic signature) may appear on the Series 60 Notes is not, at the date of this Sixtieth Supplemental Indenture or at the date of the Series 60 Notes or at the date of the certifying and delivery thereof, the chairman, the president and chief executive officer, the executive vice president, chief financial and regulatory officer, the treasurer, the general counsel or the secretary, or those acting in such capacities, as the case may be, of the Corporation, such Series 60 Notes shall be valid and binding upon the Corporation and entitled to the benefits of this Sixtieth Supplemental Indenture. For clarity, the seal of the Corporation shall not be required to be affixed to the Series 60 Notes.

2.10 Certification

- (a) No Series 60 Note shall be issued or, if issued, shall be obligatory or shall entitle the holder of such Series 60 Note to the benefits of this Sixtieth Supplemental Indenture until it has been certified by manual signature by or on behalf of the Trustee substantially in the form set out in Schedule 1 hereto, or in some other form approved by the Trustee, whose approval shall be conclusively evidenced by the certification thereof. Such certificate on any Series 60 Note shall be conclusive evidence that such Series 60 Note is duly issued and is a valid obligation of the Corporation and that the holder of such Series 60 Note is entitled to the benefits of this Sixtieth Supplemental Indenture.
- (b) The certificate of the Trustee on any Series 60 Note shall not be construed as a representation or warranty by the Trustee as to the validity of this Sixtieth Supplemental Indenture or of the Series 60 Notes (except the due certification thereof and any other warranties implied by law) and the Trustee shall in no respect be liable or answerable for the use made of the Series 60 Notes or any of them or the proceeds thereof.

2.11 Location of Registers

REDEMPTION: Under the Indenture (as defined below), the Notes may be redeemed at any time prior to October 4, 2034, in whole or, from time to time, in part at the option of the Corporation, upon not less than 15 days' and not more than 60 days' notice to the holders of the Notes to be redeemed, and upon deposit with the Trustee, on the date fixed for redemption, of the Redemption Price. The Notes may be redeemed in whole or, from time to time, in part at the option of the Corporation at any time on or after October 4, 2034, upon not less than 15 days' and not more than 60 days' notice to the holders of the Notes to be redeemed, and upon deposit with the Trustee, on the date fixed for redemption, of 100% of their principal amount, together with accrued and unpaid interest to the date fixed for redemption.

"Redemption Price" means, with respect to a Note to be redeemed, the greater of (i) the Series 60 Note Canada Yield Price and (ii) par, together in each case with accrued and unpaid interest to the date fixed for redemption.

"Government of Canada Yield" on any date means the yield from the date fixed for redemption to October 4, 2034, compounded semi-annually and calculated in accordance with generally accepted Canadian financial practice, which a non-callable Government of Canada bond would carry if issued in dollars in Canada, at 100% of its principal amount on such date with a term to maturity equal to, or if no Government of Canada bond having an equal term to maturity exists, as close as possible to, the remaining term to October 4, 2034 (calculated from the redemption date) of the Series 60 Notes, such yield being the average of the yields provided by two Canadian investment dealers specified by the Corporation.

"Series 60 Note Canada Yield Price" means a price equal to the price of the Series 60 Notes calculated to provide a yield to October 4, 2034, compounded semi-annually and calculated in accordance with generally accepted Canadian financial practice, equal to the Government of Canada Yield calculated at 10:00 a.m. (Toronto time) on the Business Day preceding the day on which the Corporation gives notice of redemption pursuant to section 5.3 of the Original Indenture (as defined below), plus 0.29%.

Any redemption may be conditional upon the occurrence of any event (including a financing, asset disposition or other transaction).

HYDRO ONE INC. (the “**Corporation**”) for value received hereby promises to pay to the registered holder hereof on the Stated Maturity, or on such earlier date as the Principal Amount may become due in accordance with the provisions of the Indenture (as defined below), on presentation and surrender of this 4.25% Note due 2035 (Series 60) (the “**Series 60 Note**”), the Principal Amount in lawful money of Canada at the Corporate Trust Office, and to pay interest on the Principal Amount at the Interest Rate from the later of August 20, 2024 and the last Interest Payment Date on which interest has been paid or made available for payment on this Series 60 Note, at the Corporate Trust Office in like money semi-annually in arrears in equal instalments on the Interest Payment Dates in each year, provided that the first such payment shall be payable on the Initial Interest Payment Date and shall be an amount equal to \$1.595205480 per \$100.00 principal amount, and if the Corporation at any time defaults in the payment of any principal or interest, to pay interest on the amount in default at the same rate, in like money, at the Corporate Trust Office and semi-annually on the same dates. Prior to each Interest Payment Date, the Corporation (except in case of payment at maturity at which time payment of interest will be made only upon surrender of this Series 60 Note) shall mail to the registered address of the registered holder of this Series 60 Note, or in the case of joint holders to the registered address of the joint holder first named in the register, a cheque for the interest, less any tax required by law to be deducted or withheld, payable to the order of such holder or holders and negotiable at par at any of the places at which interest on this Series 60 Note is payable. The mailing of such cheque shall satisfy and discharge the liability for interest upon this Series 60 Note to the extent of the sum represented thereby (plus the amount of any tax deducted or withheld) unless such cheque is not paid on presentation.

This Series 60 Note is one of an authorized issue of unsecured medium term notes designated 4.25% Notes due 2035 (Series 60) forming the sixtieth series of unsecured medium term notes issued under a sixtieth supplemental indenture dated as of August 20, 2024 (the “**Sixtieth Supplemental Indenture**”) to a trust indenture (the “**Original Indenture**”) dated as of June 4, 2001, as amended and supplemented by a twenty-second supplemental trust indenture dated as of July 29, 2011 (the “**Twenty-Second Supplemental Indenture**”), in each case made between the Corporation and Computershare Trust Company of Canada (the “**Trustee**”) (the Original Indenture, as amended and supplemented by the Twenty-Second Supplemental Indenture and the **Sixtieth Supplemental Indenture** is referred to herein as the “**Indenture**”). The Indenture specifies the terms and conditions upon which the Series 60 Notes are issued or may be issued and held and the rights of the holders of the Series 60 Notes, the Corporation and the Trustee, all of which are incorporated by reference in this Series 60 Note and to all of which the holder of this Series 60 Note, by acceptance hereof, agrees.

The aggregate principal amount of unsecured medium term notes of the Corporation that may be issued pursuant to the Indenture is unlimited, subject to compliance with the covenants contained therein. The Series 60 Notes are issuable as fully registered medium term notes in the denominations of \$1,000 and integral multiples thereof. Upon compliance with the Indenture, this Series 60 Note may be exchanged for an equal aggregate principal amount of Series 60 Notes in any other authorized denomination or denominations.

The Series 60 Notes are direct unsecured obligations of the Corporation and will rank *pari passu* with all other unsecured medium term notes from time to time issued and outstanding pursuant to the Indenture and with all other unsecured indebtedness of the Corporation, except to the extent prescribed by law and except as to any sinking fund which pertains exclusively to any particular indebtedness of the Corporation.

At any time when the Corporation is not in default under the Indenture, the Corporation may purchase the Series 60 Notes in the market or by tender at any price.

The Principal Amount may become or be declared due before the Stated Maturity on the conditions, in the manner, with the effect and at the times set forth in the Indenture.

The Indenture contains provisions for the holding of meetings of holders of notes issued by the Corporation pursuant to the Indenture and making resolutions passed at such meetings and instruments in writing signed by the holders of a specified majority of notes issued and outstanding pursuant to the Indenture binding on all holders of notes issued by the Corporation pursuant to the Indenture, subject to the provisions of the Indenture.

All terms used in this Series 60 Note which are not defined, shall have the meanings assigned to them in the Indenture.

This Series 60 Note may be transferred only upon compliance with the conditions prescribed in the Indenture on one of the registers kept at the Corporate Trust Office and at such other place or places, if any, and by such other registrar or registrars, if any, as the Corporation may designate, by the registered holder hereof or the holder's legal representative or attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee, and upon compliance with such reasonable requirements as the Trustee or other registrar may prescribe, and such transfer shall be duly noted hereon by the Trustee or other registrar.

This Series 60 Note shall not become obligatory for any purpose until it shall have been certified by the Trustee in accordance with the Indenture.
