of the categories of Permitted Liens, the Issuer will, in its sole discretion, be entitled to divide, classify or reclassify, in whole or in part, any such Lien (or any portion thereof) among one or more such categories or clauses in any manner that complies with this definition and (C) in the event that a portion of Indebtedness secured by a Lien could be classified as secured in part pursuant to clause (1)(ii) above (giving *pro forma* effect only to the incurrence of such portion of such Indebtedness), the Issuer, in its sole discretion, may classify such portion of such Indebtedness (and any obligations in respect thereof) as having been secured pursuant to clause (1)(ii) above and thereafter the remainder of the Indebtedness as having been secured pursuant to one or more of the other clauses of this definition.

In addition, (i) the outstanding principal amount of any particular Indebtedness shall be counted only once, and any obligations arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness shall not be double counted; (ii) for purposes of determining compliance with any Canadian dollar or other currency denominated restriction on the incurrence of Indebtedness, the Canadian dollar or other currency-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term Indebtedness, or first committed or first incurred (whichever yields the lower Canadian dollar or other currency-equivalent), in the case of revolving credit borrowings. However, if the Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and the refinancing would cause the applicable Canadian dollar or other currency denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Canadian dollar or other currency denominated restriction shall be deemed not to have been exceeded so long as the principal amount of the refinancing Indebtedness does not exceed the principal amount of the Indebtedness being refinanced (except to the extent necessary to pay all fees, defeasance costs, expenses and premiums (including tender premiums) incurred in connection therewith); and (iii) notwithstanding any other provision of this definition, the maximum amount of Indebtedness that the Issuer and its Restricted Subsidiaries may secure pursuant to this definition shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which the respective Indebtedness is denominated that is in effect on the date of such refinancing.

For the avoidance of doubt, if the Issuer has exercised its option pursuant to the foregoing and any Default or Event of Default occurs following the date on which the definitive acquisition agreements for the applicable Limited Condition Acquisition were entered into and prior to or on the date of the consummation of such Limited Condition Acquisition, any such Default or Event of Default shall be deemed to not have

- (2) any accounting term used in this Indenture, unless otherwise defined therein, has the meaning assigned to it under GAAP applied consistently throughout the relevant period and relevant prior periods. If there occurs a change in generally accepted accounting principles, and such change would require disclosure under GAAP in the financial statements of the Issuer and would cause a change in the method of calculation of financial covenants, standards or terms as determined in good faith by the Issuer (an “Accounting Change”), then the Issuer may elect, as evidenced by a written notice of the Issuer to the Trustee, that such financial covenants, standards or terms shall be calculated as if such Accounting Change had not occurred. Any such election with respect to such Accounting Change may not thereafter be changed;
- (3) “or” is not exclusive;
- (4) “including” means including without limitation;
- (5) words in the singular include the plural and words in the plural include the singular;
- (6) unless otherwise indicated, all references to “Articles” or “Sections” are to Articles or Sections, as the case may be, of this Indenture;
- (7) references to sections of or rules or regulations under any legislation (including the 1933 Act, the 1934 Act or Canadian Securities Legislation) shall be deemed to include any substitute, replacement or successor section, rule, regulation or instrument, as applicable, issued, adopted or promulgated by the SEC, the applicable Canadian securities commission or securities regulatory authority or any other applicable governmental authority from time to time;
- (8) “herein,” “hereof” and other words of similar import refer to this Indenture as a whole (as amended or supplemented from time to time) and not to any particular Article, Section or other subdivision; and
- (9) all references to “US\$” are to U.S. dollars and all references to “\$” are to Canadian dollars. Notwithstanding the foregoing, the Notes shall at all times be denominated, and principal and interest shall be payable only in U.S. dollars.

ARTICLE II THE NOTES

Section 2.1. *Form and Dating.*

(a) *General.* The Notes and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage (but which shall not affect the rights, duties, obligations or immunities of the Trustee without the consent of the Trustee). Each Note

shall be dated the date of its authentication. The Notes shall be in minimum denominations of US\$2,000 and integral multiples of US\$1,000 in excess thereof. The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture (to the extent permitted by law) shall govern and be controlling.

(b) *Global Notes.* The Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). The Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent the amount of outstanding Notes specified therein, and each Global Note shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Notes Custodian of the Issuer, at the direction of the Trustee, in accordance with the instructions given by the Holder thereof as required by Section 2.6 hereof.

(c) *Regulation S Global Notes.* Any Notes offered and sold in reliance on Regulation S shall be issued initially in the form of a Regulation S Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian, and registered in the name of the Depository or the nominee of the Depository for the accounts of designated agents holding on behalf of Euroclear or Clearstream, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. Prior to the expiration of the Restricted Period, any resale or transfer of beneficial interests in a Regulation S Global Note to U.S. Persons shall not be permitted unless such resale or transfer is made pursuant to Rule 144A or Regulation S.

(d) *144A Global Notes.* Any Notes offered and sold in reliance on Rule 144A shall be issued initially in the form of a 144A Global Note, which shall be deposited on behalf of the purchasers of the Notes represented thereby with the Notes Custodian, and registered in the name of the Depository or the nominee of the Depository, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided.

(e) *Definitive Notes.* Notwithstanding any other provision of this Section 2.1, any issuance of Definitive Notes shall be at the Issuer’s discretion, except in the circumstances set forth in Section 2.6(a) hereof.

Section 2.2. *Execution and Authentication.*

An Officer shall sign the Notes for the Issuer by manual, facsimile or electronically transmitted signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually or electronically authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture.

The Trustee shall authenticate and deliver: (i) Initial Notes for original issue in an aggregate principal amount of US\$750,000,000 on the Issue Date, and (ii) if and when issued, Additional Notes (which may be issued in either a registered or a private offering under the 1933 Act), in each case upon an Issuer Order. Such Issuer Order shall specify the amount of the Notes to be authenticated and the date on which the original issue of Notes is to be authenticated and whether the Notes are to be in global or definitive form and whether they are to bear the Private Placement Legend or the Canadian Legend. The Issuer may issue Additional Notes under this Indenture subsequent to the Issue Date. For the avoidance of any doubt, any Additional Notes that are issued hereunder, and in connection therewith the Issuer delivered to the Trustee an Officer's Certificate and Opinion of Counsel each stating that such issuance of Additional Notes is authorized and permitted under this Indenture, shall be valid for all purposes and constitute Additional Notes hereunder, even if subsequently it is determined that such issuance was not in compliance with the covenants of this Indenture.

The Trustee may appoint an agent (the "*Authenticating Agent*") reasonably acceptable to the Issuer to authenticate the Notes. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent.

Section 2.3. *Registrar and Paying Agent.*

The Issuer shall at all times maintain in the continental U.S. an office or agency where Notes may be presented for registration of transfer or for exchange (the "*Registrar*"), and an office or agency where Notes may be presented for payment (the "*Paying Agent*"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may have one or more co-registrars and one or more additional paying agents. The term "*Registrar*" includes any co-registrar, and the term "*Paying Agent*" includes any such additional paying agent. The Issuer will give prompt written notice to the Trustee of any such co-registrar or additional paying agents and of any change in the name or address of any such Registrar or Paying Agent.

The Issuer or any of its Subsidiaries may act as Paying Agent, subject to the provisions of this Section 2.3 and Section 4.10. Any Paying Agent or Registrar may resign as such upon 30 days' prior written notice to the Issuer and the Trustee; upon resignation of any Paying Agent or Registrar, the Issuer shall appoint a successor Paying Agent or Registrar, as the case may be, complying with the requirements of this Section 2.3, no later than 30 days thereafter and shall provide notice to the Trustee of such successor Paying Agent or Registrar.

If at any time there shall be Notes outstanding that are not Global Notes and there shall be no Paying Agent with an office or agency in the City of New York, State of New York (or as such office may be moved from time to time to any other location within the contiguous U.S.),

where the Notes may be presented or surrendered for payment, the Issuer shall forthwith designate such a Paying Agent in order that such Notes shall at all times be payable in the City of New York, the State of New York (or as such office may be moved from time to time to any other location within the contiguous U.S.).

The Issuer initially appoints Computershare Trust Company, N.A., as Registrar and Paying Agent for the Notes. The immunities, protections and exculpations available to the Trustee under this Indenture shall also be available to each Agent, and the Issuer's obligations under Section 7.6 to compensate and indemnify the Trustee shall extend likewise to each Agent.

Section 2.4. Paying Agent to Hold Money in Trust.

By at least 11:00 a.m. (New York City time) on the date on which any principal, premium, if any, or interest on any Note is due and payable, the Issuer shall deposit with the Paying Agent in immediately available funds a sum sufficient to pay such principal, premium, if any, and interest when due. The Issuer shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal, premium, if any, and interest (if any) on the Notes and shall notify the Trustee of any default by the Issuer in making any such payment. If the Issuer or a Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuer at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Issuer or a Subsidiary) shall have no further liability for the money delivered to the Trustee.

Section 2.5. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee, in writing at least seven (7) Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

Section 2.6. Transfer and Exchange.

(a) *Transfer and Exchange of Global Notes.* Except as set forth herein, a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or to another nominee of the Depository, or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository. Owners of beneficial interests in Global Notes shall not be entitled to receive Definitive Notes unless:

(1) the Depository (A) notifies the Issuer that it is unwilling or unable to continue to act as Depository or (B) that it is no longer a clearing agency registered under the

1934 Act and, in either case, a successor Depositary is not appointed by the Issuer within 90 days after the date of such notice from the Depositary;

(2) the Issuer, at its option, notifies the Trustee in writing that it elects to cause the issuance of the certificated Notes and any Participant requests a certificated Note; *provided* that in no event shall the Regulation S Global Note be exchanged by the Issuer for Definitive Notes prior to (a) the expiration of the Restricted Period and (b) the receipt of any certificates required under the provisions of Regulation S;

(3) there has occurred and is continuing a Default or Event of Default with respect to the Notes and the Depositary notifies the Issuer and the Trustee of its decision to exchange the Global Notes for Definitive Notes; or

(4) written notice is given to the Trustee by or on behalf of the Depositary in accordance with this Indenture.

Upon the occurrence of the preceding events in clauses (1), (2), (3) or (4) above, Definitive Notes shall be issued in such names and in any approved denominations as the Depositary shall instruct the Issuer, the Trustee and the Registrar. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Section 2.7 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.6 or Section 2.7 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.6(a); however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.6(b) or (c).

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein, including those set forth in the Private Placement Legend and the Canadian Legend (if applicable), to the extent required by the 1933 Act and applicable Canadian Securities Legislation, and the U.S. transfers of beneficial interests in the Global Notes also shall require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following provisions of this Section 2.6, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note.* Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, (A) transfers of beneficial interests in the Regulation S Global Note may not be to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser) and (B) such beneficial interests may be held only through Euroclear or Clearstream (as Indirect Participants in the Depositary). Beneficial interests in such Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be

delivered to the Registrar to effect the transfers described in the preceding sentence of this Section 2.6(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.6(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(A) (i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(B) (i) a written order from a Participant or an Indirect Participant given to the Depository in accordance with the Applicable Procedures directing the Depository to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given by the Depository to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in Section 2.6(b) above; *provided* that in no event shall Definitive Notes be issued upon the transfer or exchange of beneficial interests in the Regulation S Global Note prior to (a) the expiration of the Restricted Period and (b) the receipt of any certificates required under the provisions of Regulation S.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture, the Notes or otherwise applicable under the 1933 Act, the principal amount of the relevant Global Note(s) shall be adjusted pursuant to Section 2.6(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.6(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof, and if such transfer occurs prior to the expiration of the Restricted Period, then the transferee must hold such beneficial interest through either Euroclear or Clearstream (as Indirect Participants in the Depositary).

(4) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in the Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.6(b)(2) above and the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the 1933 Act and state “blue sky” laws and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the 1933 Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Issuer Order in accordance with Section 2.2 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes.

(1) *Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes.* If, in accordance with Section 2.6(a), any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to

transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof; or

(C) if such beneficial interest is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof,

the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(g) hereof, and the Issuer shall execute and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.6(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein. Notwithstanding Sections 2.6(c)(1)(A) and (C) hereof, a beneficial interest in the Regulation S Global Note may not be exchanged for a Definitive Note or transferred to a Person who takes delivery thereof in the form of a Definitive Note prior to (a) the expiration of the Restricted Period and (b) the receipt of any certificates required under the provisions of Regulation S, except in the case of a transfer pursuant to an exemption from the registration requirements of the 1933 Act other than Rule 903 or Rule 904.

(2) *Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes.* A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, in each case only pursuant to Section 2.6(a) and only if the Registrar receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the 1933 Act and state “blue sky” laws and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the 1933 Act.

(3) *Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes.* If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for a Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.6(b)(2) hereof, the Registrar shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.6(g) hereof, and the Issuer shall execute and the Trustee, upon receipt of an Issuer Order, shall authenticate and deliver to the Person designated in the instructions a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(3) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.6(c)(3) shall not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof; or

(C) if such Restricted Definitive Note is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904,

a certificate to the effect set forth in Exhibit C hereto, including the certifications in item (2) thereof,

the Trustee shall cancel the Restricted Definitive Note, the Registrar shall increase or cause to be increased the aggregate principal amount of, in the case of clause (d)(1)(A) above, the appropriate Restricted Global Note, in the case of clause (d)(1)(B) above, the 144A Global Note, and in the case of clause (d)(1)(C) above, the Regulation S Global Note. Notwithstanding the foregoing, if there are no Global Notes outstanding prior to any such transfer, Definitive Notes may be transferred for beneficial interests in a Global Note only if the Issuer so agrees and delivers an Issuer Order to the Trustee.

(2) *Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of a Restricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only if the Registrar receives the following:

(i) if the Holder of such Definitive Notes proposes to exchange such Notes for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(ii) if the Holder of such Definitive Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Registrar or the Issuer so requests or if the Applicable Procedures so require, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the 1933 Act and state “blue sky” laws and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the 1933 Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.6(d)(2), the Trustee shall cancel the Definitive Notes and the Registrar shall increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note. Notwithstanding the foregoing, if there are no Global Notes outstanding prior to any such transfer, Definitive Notes may be transferred for beneficial interests in a Global Note only if the Issuer so agrees and delivers an Issuer Order to the Trustee.

(3) *Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes.* A Holder of an Unrestricted Definitive Note may exchange such Note for a beneficial interest in an Unrestricted Global Note or transfer such Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the

applicable Unrestricted Definitive Note and the Registrar shall increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Definitive Note to a beneficial interest is effected pursuant to subparagraph (2)(ii) or (3) above at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Issuer Order in accordance with Section 2.2 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Definitive Notes so transferred.

(e) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.6(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.6(e).

(1) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A, then the transferor must deliver a certificate in the form of Exhibit C hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption must deliver a certificate in the form of Exhibit B hereto, including the certifications required by item (3) thereof.

(2) *Restricted Definitive Notes to Unrestricted Definitive Notes.* Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(i) if the Holder of such Restricted Definitive Notes proposes to exchange such Notes for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(ii) if the Holder of such Restricted Definitive Note proposes to transfer such Notes to a Person who shall take delivery

thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case, if the Registrar or the Issuer so requests, an Opinion of Counsel to the effect that such exchange or transfer is in compliance with the 1933 Act and state “*blue sky*” laws and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the 1933 Act.

(3) *Unrestricted Definitive Notes to Unrestricted Definitive Notes.* A Holder of Unrestricted Definitive Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Note pursuant to the instructions from the Holder thereof.

(f) *Legends.* The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(1) Private Placement Legend.

(A) Except as permitted by subparagraph (B) below or as otherwise agreed between the Issuer and the Holder, each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear a legend, until the Resale Restriction Termination Date, in substantially the following form:

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “1933 ACT”), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION. The Issuer, acting in its discretion, may remove the Private Placement Legend from any Restricted Note at any time on or after the Resale Restriction Termination Date applicable to such Restricted Note. Without limiting the generality of the preceding sentence, the Issuer may effect such removal by issuing and delivering, in exchange for such Restricted Note, an

Unrestricted Note, registered to the same Holder and in an equal principal amount, and, notwithstanding any other provision of this Section 2.6, upon receipt of an Issuer Order given at least three (3) Business Days in advance of the proposed date of exchange specified therein (which shall be no earlier than the Resale Restriction Termination Date), the Trustee shall authenticate and deliver such Unrestricted Note as directed in such Issuer Order. Notwithstanding the foregoing, the Trustee shall not be obligated to authenticate and deliver any Note that it reasonably believes, on advice of counsel, does not comply with Applicable Procedures or applicable law.

(2) *Global Notes Legend.* Each Global Note shall bear a legend in substantially the following form:

“THIS GLOBAL NOTE IS HELD BY THE DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (I) THE REGISTRAR MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 2.6 OF THE INDENTURE, (II) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.6(a) OF THE INDENTURE AND (III) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.10 OF THE INDENTURE.

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN DEFINITIVE FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY OR BY THE DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR DEPOSITARY. OR SUCH OTHER NAME AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC (AND ANY PAYMENT IS MADE TO CEDE & CO. OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF DTC), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

(3) *ERISA Legend.* Each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear a legend in substantially the following form:

“BY ITS ACQUISITION OF THIS NOTE, THE HOLDER THEREOF WILL BE DEEMED TO HAVE REPRESENTED AND WARRANTED THAT EITHER (1) NO PORTION OF THE ASSETS USED BY SUCH HOLDER TO ACQUIRE OR HOLD THIS NOTE CONSTITUTES THE ASSETS OF AN EMPLOYEE BENEFIT PLAN THAT IS SUBJECT TO TITLE I OF THE U.S. EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“ERISA”), OF A PLAN, INDIVIDUAL RETIREMENT ACCOUNT OR OTHER ARRANGEMENT THAT IS SUBJECT TO SECTION 4975 OF THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) OR PROVISIONS UNDER ANY OTHER FEDERAL, STATE, LOCAL, NON U.S. OR OTHER LAWS OR REGULATIONS THAT ARE SIMILAR TO SUCH PROVISIONS OF ERISA OR THE CODE (“SIMILAR LAWS”), OR OF AN ENTITY WHOSE UNDERLYING ASSETS ARE CONSIDERED TO INCLUDE “*PLAN ASSETS*” (WITHIN THE MEANING OF 29 C.F.R. 2510.3-101, AS MODIFIED BY SECTION 3(42) OF ERISA OR ANY APPLICABLE SIMILAR LAWS) OF ANY SUCH PLAN, ACCOUNT OR ARRANGEMENT, OR (2) THE ACQUISITION AND HOLDING OF THIS NOTE WILL NOT CONSTITUTE A NON EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE OR A SIMILAR VIOLATION UNDER ANY APPLICABLE SIMILAR LAWS.

(4) *Canadian Legend.* Each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear a legend in substantially the following form:

(A) Each Note (whether a Global Note or a Definitive Note), and all Notes issued in exchange therefor or substitution thereof, shall also bear a legend (the "*Canadian Legend*") in substantially the following form until such time as (i) a trade of such Note in any province or territory Canada would not be a "distribution" or a "primary distribution to the public" (each within the meaning of applicable Canadian Securities Legislation) and (ii) such Note is not otherwise required to carry the Canadian Legend under applicable Canadian Securities Legislation:

"EXCEPT IN THE PROVINCE OF MANITOBA, UNLESS PERMITTED UNDER CANADIAN SECURITIES LEGISLATION, THE HOLDER OF THE SECURITY EVIDENCED HEREBY MUST NOT TRADE THE SECURITY BEFORE THE DATE THAT IS FOUR MONTHS AND A DAY AFTER [INSERT DISTRIBUTION DATE].

IN THE PROVINCE OF MANITOBA, UNLESS OTHERWISE PERMITTED UNDER APPLICABLE CANADIAN SECURITIES

LEGISLATION OR WITH THE PRIOR WRITTEN CONSENT OF THE APPLICABLE REGULATORS, THE HOLDER OF THE SECURITY EVIDENCED HEREBY MUST NOT TRADE THE SECURITY BEFORE THE DATE THAT IS TWELVE MONTHS AND A DAY AFTER THE DATE THE PURCHASER ACQUIRED THE SECURITY.”

(B) The distribution date to be inserted into the Canadian Legend pursuant to subparagraph (A) above shall be, in the case of the Initial Notes, the Issue Date or, in the case of any Additional Notes, the “distribution date” (within the meaning of National Instrument 45-102 *Resale of Securities*) for such Additional Notes.

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.10 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Notes Custodian at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Notes Custodian at the direction of the Trustee to reflect such increase.

(h) General Provisions Relating to Transfers and Exchanges.

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Issuer Order.

(2) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or similar charge or other fee required by law and payable in connection therewith (other than any taxes or similar charge payable upon exchange or transfer pursuant to Sections 2.9, 3.6, 3.7, 4.5 and 4.7 hereof).

(3) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(4) None of the Issuer, the Trustee or the Registrar shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period of 15 days before the day of any selection of Notes for redemption under Section 3.2 hereof and ending at the close of

business on the day of selection, (B) to register the transfer of or to exchange any Notes so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a record date and the next succeeding Interest Payment Date.

(5) Prior to the due presentation for registration of transfer of any Note, the Issuer, each Guarantor, the Trustee, the Paying Agent or the Registrar may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, interest and premium (if any) on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

(6) The Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Issuer Order and in accordance with the other provisions of Section 2.2 hereof.

(7) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.6 to effect a registration of transfer or exchange may be submitted by facsimile.

(8) None of the Trustee or any Agent shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depository participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(9) None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of optional redemption) or the payment of any amount, under or with respect to such Notes.

Section 2.7. *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee, or the Issuer and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Issuer Order conforming to Section 2.2 hereof, will authenticate a replacement Note of like tenor and principal amount if the Trustee's and the Issuer's reasonable requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any other Agent and any Authenticating Agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses

(including any tax or charge that may be imposed in connection therewith and the fees and expenses of the Trustee) in replacing a Note.

Every replacement Note is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder, *provided* it is held by a protected purchaser within the meaning of the Uniform Commercial Code.

Notwithstanding any other provision of this Section 2.7, rather than authenticating and delivering a replacement Note for a mutilated, destroyed, loss or stolen Note which has been redeemed or the principal of which has matured, the Issuer or the Paying Agent may make payment of the amount due on such security to the Holder upon receipt of the above-described indemnity bond.

Section 2.8. *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section as not outstanding. Except as set forth in Section 12.5 hereof, a Note does not cease to be outstanding because the Issuer, a Guarantor or an Affiliate of the Issuer or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.7 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.1 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Issuer, a Subsidiary or an Affiliate of any thereof) holds, on a Redemption Date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.9. *Temporary Notes.*

Until Definitive Notes are ready for delivery, the Issuer may prepare and the Trustee shall, upon receipt of an Issuer Order, authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of an Issuer Order, shall authenticate Definitive Notes in exchange for temporary Notes. Holders of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a holder of Definitive Notes.

Section 2.10. *Cancellation.*

The Issuer at any time may deliver Notes to the Trustee or any Registrar for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee or the Registrar (and no one else) shall cancel and destroy (subject to the Trustee's procedures and the record retention requirements of the 1934 Act) all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and deliver a certificate of such destruction to the Issuer (*provided* that the Trustee or such Registrar shall deliver a copy of such cancelled Note to the Issuer upon request prior to destruction). The Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee or the Registrar for cancellation.

Section 2.11. *Defaulted Interest.*

If the Issuer defaults in a payment of interest ("*Defaulted Interest*") on the Notes, the Issuer shall pay Defaulted Interest (as provided in Section 4.1) in any lawful manner. The Issuer may pay the Defaulted Interest to the Persons who are Holders on a subsequent special record date. The Issuer shall fix or cause to be fixed any such special record date and payment date, which special record date shall not be less than 10 days prior to the payment date for such Defaulted Interest and the Issuer, or at the Issuer's request, the Trustee, shall promptly cause to be mailed (or in the case of Global Notes send electronically in accordance with the procedures of the Depositary) to each Holder a notice that states the special record date, the payment date and the amount of Defaulted Interest to be paid. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when so deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this Section 2.11.

Section 2.12. *CUSIP Numbers.*

The Issuer in issuing the Notes may use "CUSIP," "ISIN" or similar numbers (if then generally in use) and, if so, the Trustee shall use such numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer will promptly notify the Trustee in writing of any change in the "CUSIP", "ISIN" or similar numbers.

Section 2.13. *Calculations.*

The Issuer will be responsible for making all calculations called for under this Indenture or the Notes. The Issuer will make all such calculations in good faith and, absent manifest error, its calculations will be final and binding on Holders. The Issuer will provide a schedule of its calculations to the Trustee when reasonably requested by the Trustee, and the Trustee is entitled to rely conclusively upon the accuracy of such calculations without independent verification. The

Trustee will deliver a copy of any such schedule to any Holder upon the written request of such Holder.

ARTICLE III REDEMPTION

Section 3.1. Notices to Trustee.

If the Issuer elects to redeem Notes pursuant to Section 3.7 or Section 3.8 hereof, it shall notify the Trustee in writing of the Redemption Date and the principal amount of Notes to be redeemed.

The Issuer shall give each notice to the Trustee and the Registrar provided for in this Section 3.1 at least five (5) Business Days before the date of giving notice of the redemption pursuant to Section 3.3, unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate stating that such redemption will comply with the conditions therein.

Section 3.2. Selection of Notes to Be Redeemed.

In the case of any partial redemption of the Notes selection of the Notes for redemption will be made by the Trustee (i) if the Issuer gives written notice to the Trustee that the Notes are listed in a national securities exchange, in compliance with the requirements of such exchange or (ii) if the Issuer does not give written notice to the Trustee that the Notes are so listed, then on a pro rata basis (or, in the case of Notes in global form, the Notes represented thereby will be selected in accordance with the Depository's prescribed method). The Trustee will make the selection from outstanding Notes not previously called for redemption. The Trustee may select for redemption portions of the principal of Notes that have denominations larger than US\$1,000. Notes and portions of them the Trustee selects will be in minimum amounts of US\$2,000 or a whole multiple of US\$1,000 in excess thereof. The Issuer shall notify the Trustee and any Holder promptly of a change to the minimum denomination of any Notes. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly of the Notes or portions of Notes to be redeemed. The Trustee may rely upon information provided by the Registrar for purposes of this Section 3.2. The Trustee shall not be liable for the selection made in accordance with this Section 3.2.

Section 3.3. Notice of Redemption.

At least 10 days but not more than 60 days before a date for redemption of Notes, the Issuer shall mail a notice of redemption by first-class mail (or, in the case of Notes in global form, delivered electronically in accordance with the Depository's procedures) to each Holder of Notes to be redeemed at such Holder's registered address or, with respect to Global Notes, otherwise give such notice in accordance with the Applicable Procedures of the Depository; *provided, however*, notices of redemption may be sent more than 60 days prior to a Redemption Date if the notice is issued in connection with the Issuer's exercise of its legal defeasance or its covenant defeasance option in accordance with Section 8.1(b) or the satisfaction and discharge of this Indenture in accordance with Section 8.1(a).

The notice will identify the Notes to be redeemed and will state:

- (1) the Redemption Date;
- (2) the Redemption Price (if then determined and otherwise the basis for its determination);
- (3) the name and address of the Paying Agent where Notes are to be surrendered;
- (4) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
- (5) if fewer than all the outstanding Notes are to be redeemed, the identification and principal amounts of the particular Notes to be redeemed;
- (6) that, unless the Issuer defaults in making such redemption payment, interest on Notes (or portion thereof) called for redemption ceases to accrue on and after the Redemption Date;
- (7) the CUSIP, ISIN or similar number, if any, printed on the Notes being redeemed;
- (8) that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or similar number, if any, listed in such notice or printed on the Notes; and
- (9) any conditions precedent to such redemption.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at the Issuer's expense; *provided, however*, that the Issuer shall have delivered to the Trustee, at least five (5) Business Days prior to the giving of notice of redemption (or such shorter period as is acceptable to the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in the notice as provided in the preceding paragraph.

Section 3.4. *Effect of Notice of Redemption.*

Once notice of redemption is sent to Holders, Notes (or portions thereof) called for redemption become irrevocably due and payable on the Redemption Date and at the Redemption Price, subject to the satisfaction of any condition permitted below. A notice of redemption (including in connection with a transaction (or series of related transactions) or an event that constitutes a Change of Control Triggering Event) may, at the Issuer's discretion, be given prior to the completion or the occurrence thereof and any such redemption or purchase may, at the Issuer's discretion, be subject to one or more conditions precedent, including, but not limited to, completion or occurrence of the related transaction or event, as the case may be. In addition, if such redemption or purchase is subject to the satisfaction of one or more conditions precedent, such notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the redemption or purchase may be delayed until such time (including more than 60

days after the date the notice of redemption or offer to purchase was mailed or delivered, including by electronic transmission) as any or all such conditions shall be satisfied or waived, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption or purchase date, or by the redemption or purchase date so delayed, or such notice or offer may be rescinded at any time in the Issuer's discretion if in the good faith judgment of the Issuer any or all of such conditions will not be satisfied or waived. In addition, the Issuer may provide in such notice or offer that payment of the redemption or purchase price and performance of the Issuer's obligations with respect to such redemption or offer to purchase may be performed by another Person. In no event shall the Trustee be responsible for monitoring, or charged with knowledge of, the maximum aggregate amount of the Notes eligible under this Indenture to be redeemed or the actual amount of the Notes to be redeemed without notice thereof from the Issuer. Upon surrender to the Paying Agent, such Notes shall be paid at the Redemption Price stated in the notice, plus accrued and unpaid interest to, but not including, the Redemption Date; *provided* that if the Redemption Date is after the taking of a record of the Holders on a record date and on or prior to the related Interest Payment Date, the accrued and unpaid interest shall be payable to the Person in whose name the redeemed Notes are registered on such record date. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.5. Deposit of Redemption Price.

No later than 11:00 a.m. (New York City time) on the Redemption Date, the Issuer shall deposit with the Paying Agent (or, if the Issuer or a Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the Redemption Price of and accrued and unpaid interest on all Notes to be redeemed on that date. If the Issuer complies with the provisions of this Section 3.5, then on and after the Redemption Date, interest will cease to accrue on the Notes or the portions of Notes called for redemption.

Section 3.6. Notes Redeemed in Part.

Upon cancellation of a Note that is redeemed in part, the Issuer shall issue and the Trustee shall, upon receipt of an Issuer Order, authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered. The Trustee shall notify the Registrar of the issuance of such new Note.

Section 3.7. Optional Redemption.

(a) At any time prior to March 1, 2028 (the "*Par Call Date*"), the Issuer may on any one or more occasions redeem all or a part of the Notes at a Redemption Price equal to the greater of (1) 100% of the principal amount of the Notes redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the Redemption Date) that would be due if the Notes matured on the Par Call Date, discounted to the Redemption Date for the Notes on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 50 basis points, plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(b) Notwithstanding Section 3.7(a), installments of interest on the Notes to be redeemed that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Record Date.

(c) On or after the Par Call Date, the Issuer may, on any one or more occasions, redeem all or a part of the Notes at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest thereon to, but excluding, the Redemption Date.

(d) Any redemption pursuant to this Section 3.7 shall be made pursuant to the provisions of Section 3.1 through Section 3.6 hereof.

(e) The Notes will not be redeemable at the option of the Issuer except as set forth in this Section 3.7, Section 3.8 and Section 4.7(i). The Issuer is not, however, prohibited from acquiring the Notes by means other than a redemption, whether pursuant to a tender offer, open market transactions, by private purchase or otherwise, so long as the acquisition does not otherwise violate the terms of this Indenture.

Unless the Issuer defaults in the payment of the Redemption Price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

Section 3.8. *Tax Redemption.*

If, as a result of:

- (1) any amendment to, or change in, the laws or treaties (or regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction which is announced and becomes effective on or after the Issue Date (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date); or
- (2) any amendment to, or change in, the existing official position or the introduction of an official position regarding the application, interpretation, administration or assessing practices of any such laws, regulations or rulings of any Relevant Taxing Jurisdiction, or a judicial decision rendered by a court of competent jurisdiction (whether or not made, taken or reached with respect to the Issuer or any of the Guarantors) which is announced and becomes effective on or after the Issue Date (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date),

the Issuer or any Guarantor has become or will become obligated to pay, on the next date on which any amount would be payable with respect to the Notes or a Note Guarantee, as applicable, Additional Amounts or indemnification payments as described under Section 4.15 with respect to the Relevant Taxing Jurisdiction, which payment the Issuer or the Guarantor cannot avoid with the use of reasonable measures available to it (including making payment

through a paying agent located in another jurisdiction), then the Issuer may, at its option, redeem all but not less than all of the Notes, upon not more than 60 days' notice prior to the earliest date on which the Issuer or a Guarantor, as applicable, would be required to pay such Additional Amounts or indemnification payments, at a Redemption Price of 100% of their principal amount, plus accrued and unpaid interest, if any, to the Redemption Date. Prior to the giving of any notice of redemption described in this Section 3.8, the Issuer will deliver to the Trustee a written opinion of independent legal counsel to the Issuer or the Guarantor, as applicable, of recognized standing to the effect that the Issuer or the Guarantor, as applicable, has or will become obligated to pay such Additional Amounts or indemnification payments as a result of an amendment or change as set forth in this Section 3.8.

Unless the Issuer defaults in the payment of the Redemption Price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

Section 3.9. Mandatory Redemption.

The Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE IV COVENANTS

Section 4.1. Payment of Notes.

The Issuer covenants and agrees for the benefit of the Holders that it shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Payments of principal, premium, if any, and interest on the Notes shall be deemed due for all purposes under this Indenture whether such payments are due at Stated Maturity, upon redemption, upon required repurchase pursuant to Section 4.5 or 4.7 hereof, upon declaration or otherwise. Principal, premium, if any, and interest on the Notes shall be considered paid on the date due if by 11:00 a.m. (New York City time) on such date the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due.

The Issuer will pay, to the extent lawful, interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate then in effect on the Notes; it will pay, to the extent lawful, interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods), from time to time on demand at the same rate as on overdue principal.

Section 4.2. Reports.

(a) The Issuer will provide to the Trustee, and the Trustee shall deliver to the Holders, the following:

(1) within 60 days after the end of each quarterly fiscal period in each fiscal year of the Issuer, other than the last quarterly fiscal period of each such fiscal year, copies of:

(i) an unaudited consolidated balance sheet of the Issuer as at the end of such quarterly fiscal period and unaudited consolidated statements of income, cash flows and changes in shareholders' equity of the Issuer for such quarterly fiscal period and, in the case of the second and third quarters, for the portion of the fiscal year ending with such quarter; and

(ii) an associated "Management's Discussion and Analysis" prepared on a basis substantially consistent with the "Management's Discussion and Analysis" included in the Offering Memorandum; and

(2) within 90 days after the end of each fiscal year of the Issuer, copies of:

(i) an audited consolidated balance sheet of the Issuer as at the end of such year and audited consolidated statements of income, cash flows and changes in shareholders' equity of the Issuer for such fiscal year, together with a report of the Issuer's auditors thereon; and

(ii) an associated "Management's Discussion and Analysis" prepared on a basis substantially consistent with the "Management's Discussion and Analysis" included in the Offering Memorandum; and

(3) promptly from time to time after the occurrence of an event required to be therein reported (and in any event within the time periods specified in the Commission's rules and regulations), current reports that would be required to be filed with the Commission on Form 8-K Items 1.03, 2.01, 4.01, 5.01, 5.02(b) (with respect to the Issuer's chief executive officer or chief financial officer only) and 5.02(c) (with respect to the Issuer's chief executive officer or chief financial officer only) if the Issuer were required to file such reports; *provided* that (a) no such current report will be required to be provided if the Issuer determines in its good faith judgment that such event is not material to the business, assets, operations or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole, or if the Issuer determines in its good faith judgment that such disclosure would otherwise cause competitive harm to the business, assets, operations, financial position or prospects of the Issuer and its Restricted Subsidiaries, taken as a whole (in which event such nondisclosure shall be limited only to specific provisions that would cause material harm and not the occurrence of the event itself) and (b) in no event will any financial statements of an acquired business be required to be included in any such current report;

in the case of each of Sections 4.2(a)(1) and 4.2(a)(2) prepared in accordance with GAAP. The reports referred to in Sections 4.2(a)(1) and 4.2(a)(2) are collectively referred to as the "Financial Reports."

(b) The Issuer will, within 15 Business Days after providing to the Trustee any Financial Report, hold a conference call to discuss such Financial Report and the results of

operations for the applicable reporting period. If the Issuer does not file reports with the SEC, then the Issuer will also maintain a website to which Holders, prospective investors and securities analysts are given access, on which not later than the date by which the Financial Reports are required to be provided to the Trustee pursuant to Section 4.2(a), the Issuer (i) makes available such Financial Reports and (ii) provides details about how to access on a toll-free basis the quarterly conference calls described above.

(c) Notwithstanding the foregoing, (1) all Financial Reports will be deemed to have been provided to the Trustee and to the Holders to the extent filed (i) on the System for Electronic Document Analysis and Retrieval (“*SEDAR*”) or any successor system thereto or (ii) with the Commission via the Electronic Data Gathering, Analysis and Retrieval (“*EDGAR*”) filing system or any successor system thereto, (2) the requirements of this Section 4.2 will be deemed satisfied by the posting of reports that would be required to be provided to the Holders on the Issuer’s website (or that of any of the Issuer’s parent companies), and (3) if the Issuer holds a quarterly conference call for its equity holders within 15 Business Days of filing a Financial Report on *SEDAR* or any successor system thereto, the Issuer will no longer be required to hold a separate conference call in respect of such Financial Report for the Holders as provided above. The Trustee will not be responsible for monitoring compliance with filings on *SEDAR* or *EDGAR*.

(d) In addition, for so long as any Notes remain outstanding during any period when the Issuer is not subject to Section 13 or 15(d) of the 1934 Act, or otherwise permitted to furnish the Commission with certain information pursuant to Rule 12g3-2(b) of the 1934 Act, the Issuer will furnish to Holders of Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the 1933 Act.

(e) Notwithstanding anything herein to the contrary, the Issuer will not be deemed to have failed to comply with any of its obligations hereunder for purposes of Section 6.1(3) until 120 days after the date any report under this Section 4.2 is due.

Delivery of reports, information and documents to the Trustee hereunder is for informational purposes only and the Trustee’s receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer’s compliance with any of their covenants hereunder (as to which Trustee is entitled to rely exclusively on Officer’s Certificates).

Section 4.3. *Limitation on Liens.*

(a) The Issuer will not, and will not permit any of the Guarantors to, directly or indirectly, create, incur or assume any Lien (except Permitted Liens) on the Collateral or any property that secures Indebtedness, unless the Notes are equally and ratably secured with (or, at the Issuer’s option on a senior basis to) the Indebtedness so secured.

(b) Any Lien created for the benefit of the Holders pursuant to Section 4.3(a) shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Lien that gave rise to the obligation to secure the Notes.

Section 4.4. *Limitation on Sale and Lease-Back Transactions.*

The Issuer will not, and will not permit any Guarantor to, enter into any Sale and Lease-Back Transaction with respect to any property unless (a) the Issuer or such Guarantor would be entitled to incur Indebtedness secured by a Lien on the property involved in such transaction at least equal in amount to the Attributable Debt with respect to such Sale and Lease-Back Transaction without equally and ratably securing the Notes pursuant to Section 4.3(a) or (b) the Issuer shall apply an amount equal to the net proceeds of the Attributable Debt with respect to such Sale and Lease-Back Transaction within 365 days after such Sale and Lease-Back Transaction to the defeasance or retirement of the Notes or other indebtedness of the Issuer or a Guarantor or to the purchase, construction or development of other assets or property.

Section 4.5. *Asset Sales of Collateral.*

(a) The Issuer will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale of Collateral in any single transaction or series of related transactions unless:

(1) the Issuer (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value (measured as of the date of the definitive agreement relating to such Asset Sale) of the assets, properties or Equity Interests issued, sold or otherwise disposed of in such Asset Sale;

(2) at least 75% of the consideration received for such Asset Sale (measured at the time of contractually agreeing to such Asset Sale), together with all Asset Sales since February 1, 2016 (on a cumulative basis), received by the Issuer and its Restricted Subsidiaries in the manner referred to in Section 4.5(a)(1) above is in the form of cash, Cash Equivalents, or Permitted Assets. For purposes of this provision, each of the following will be deemed to be cash:

(A) any liabilities of the Issuer or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or any Note Guarantee), as shown on the Issuer's most recent internally available annual or quarterly balance sheet, that are (i) assumed by the transferee of any such assets pursuant to a customary novation agreement or similar agreement that releases the Issuer or such Restricted Subsidiary from further liability or (ii) otherwise canceled;

(B) any securities, notes or other obligations (including earn-outs and similar obligations) received by the Issuer or any such Restricted Subsidiary from such transferee that are, within 180 days of the applicable Asset Sale, converted by the Issuer or such Restricted Subsidiary into cash or Cash Equivalents, to the extent of the cash or Cash Equivalents received in that conversion;

(C) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Issuer

and its other Restricted Subsidiaries are released from any guarantee of payment of such Indebtedness in connection with the Asset Sale; and

(D) any Designated Non-cash Consideration received by the Issuer or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value (with the Fair Market Value of such item of Designated Non-cash Consideration being measured at the time of contractually agreeing to the related Asset Sale), taken together with all other Designated Non-cash Consideration received pursuant to this clause (D) that is at that time outstanding, not to exceed the greater of (i) \$90.0 million and (ii) 3.0% of Total Assets measured at the time of contractually agreeing to such Asset Sale.

(b) Within 455 days after the receipt of any Net Proceeds from an Asset Sale covered by this Section 4.5 (or, at the Issuer's option, any earlier date), the Issuer or any Restricted Subsidiary may apply those Net Proceeds for any combination of the following purposes:

(1) to Repay (a) Obligations under the Notes or (b) First Lien Obligations (other than the Notes), and in the case of revolving obligations (other than obligations in respect of any asset-backed credit facility), to correspondingly reduce commitments with respect thereto; *provided* that in the case of any repayment pursuant to this clause (b), the Issuer or such Restricted Subsidiary will either (1) reduce obligations under the Notes on an equal or ratable basis with any First Lien Obligations repaid pursuant to this clause (b) by, at its option (A) redeeming Notes as described under "Optional Redemption" or (B) purchasing Notes through open-market purchases or in arm's length privately negotiated transactions or (2) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their Notes for no less than 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, thereon, to, but excluding, the date of purchase;

(2) to acquire all or substantially all of the assets of, or to acquire Capital Stock of, a Person that is engaged in a Permitted Business and that, in the case of an acquisition of Capital Stock, is or becomes a Restricted Subsidiary of the Issuer;

(3) to make a capital expenditure; or

(4) to acquire other assets that are not classified as current assets under GAAP and that are used or useful in a Permitted Business or that replace, in whole or in part, the properties or assets that are subject to the Asset Sale.

Notwithstanding the foregoing, in the event the Issuer or any of its Restricted Subsidiaries enters into a binding agreement committing to make an acquisition, expenditure or investment in compliance with clauses (2), (3) or (4) above within 455 days after the receipt of any Net Proceeds from an Asset Sale (an "*Acceptable Commitment*"), such commitment will be treated as a permitted application of the Net Proceeds from the date of the execution of such agreement until the earlier of (i) the date on which such acquisition or investment is consummated or such expenditure made or such agreement is terminated, and (ii) the 180th day after the expiration of the aforementioned 455-day period; *provided* that if any *Acceptable Commitment* is later canceled or terminated for any reason before such Net Proceeds are applied,

then such Net Proceeds shall constitute Excess Proceeds from and after the date of such cancellation or termination; unless the Issuer or such Restricted Subsidiary enters into another Acceptable Commitment within 180 days of such cancellation or termination (a “*Second Commitment*”) in which case such commitment will be treated as a permitted application of the Net Proceeds from the date of the execution of such agreement until the earlier of (i) the date on which such acquisition or investment is consummated or such expenditure made or such agreement is terminated, and (ii) the 180th day after the date of the Second Commitment.

Pending the final application of any Net Proceeds, the Issuer may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales covered by this Section 4.5 that are not applied or invested as provided in Section 4.5(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes, as described in Section 4.5(b), will be deemed to have been so applied whether or not such offer is accepted) will constitute “*Excess Proceeds*.”

(d) If the aggregate amount of Excess Proceeds from an Asset Sale of Collateral covered by this Section 4.5 (“*Collateral Excess Proceeds*”) exceeds \$60.0 million, the Issuer will make a pro rata offer to all Holders of Notes (and, if required or permitted by the terms of other First Lien Obligations or obligations secured by a Lien permitted under this Indenture on the assets disposed of, which Lien is not subordinate to the Lien of the Notes with respect to the Collateral), to the holders of such other First Lien Obligations or such other obligations (an “*Asset Sale Offer*”), to purchase the maximum aggregate principal amount (or accreted value, as applicable) of Notes and such other First Lien Obligations or such other obligations, as the case may be, that may be purchased out of the Excess Proceeds. The offer price, with respect to the Notes only, in any Asset Sale Offer will be equal to 100% of the principal amount (or accreted value in the case of any such First Lien Obligations or such other obligations, as the case may be, issued with a significant original issue discount) plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, and will be payable in cash. If the aggregate principal amount of Notes and other First Lien Obligations or such other obligations, as the case may be, tendered into such Asset Sale Offer exceeds the amount of Excess Proceeds, the Trustee will select the Notes and such other First Lien Obligations or such other obligations, as the case may be, to be purchased on a pro rata basis (subject to the procedures of the relevant depository), on the basis of the aggregate principal amounts (or accreted values) tendered in round denominations (which, in the case of the Notes, will be minimum denominations of US\$2,000 principal amount and multiples of US\$1,000 in excess thereof).

(e) If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Issuer may satisfy the foregoing obligations with respect to such Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Cash Proceeds at any time prior to the expiration of the application period or by electing to make an Asset Sale Offer with respect to such Net Proceeds before the aggregate amount of Excess Proceeds exceeds \$60.0 million.

(f) Within 30 days following the date when the Issuer becomes obligated to make an Asset Sale Offer, the Issuer will mail (or in the case of Global Notes deliver electronically in accordance with the procedures of the Depository) a notice to each Holder describing the transaction or transactions that constitute the Asset Sale and offering to repurchase Notes on the date (the “*Asset Sale Payment Date*”) specified in such notice, which date will be no earlier than 30 days nor later than 60 days from the date such notice is mailed, pursuant to the procedures required by this Indenture and described in such notice.

(g) On the Asset Sale Payment Date, the Issuer will, to the extent lawful:

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Asset Sale Offer, subject to proration based on the amount of Excess Proceeds pursuant to Section 4.5(c);

(2) deposit with the Paying Agent an amount equal to the amount of Excess Proceeds that, after giving effect to proration with holders of Pari Passu Indebtedness pursuant to Section 4.5(c), is allocable to the Notes or portions thereof so tendered (or, if less, the aggregate payment for all Notes validly tendered and not withdrawn); and

(3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officer’s Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuer.

(h) The Paying Agent will promptly mail (or cause to be transferred through the facilities of the Depository) to each Holder of Notes accepted for payment in accordance with this Section 4.5, the payment for such tendered Notes, and the Trustee will, upon receipt of an Issuer Order, promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any, by such Holder; *provided* that each such new Note will be in a principal amount of US\$1,000 or an integral multiple thereof.

(i) To the extent that the aggregate amount of Notes and such other First Lien Obligations or Notes Obligations secured by a Lien permitted under this Indenture (which Lien is not subordinate to the Lien of the Notes with respect to the Collateral) tendered or otherwise surrendered in connection with an Asset Sale Offer made with Excess Proceeds is less than the amount offered in an Asset Sale Offer, the Issuer may use any remaining Excess Proceeds for any purpose not otherwise prohibited by this Indenture.

(j) If the Asset Sale Offer purchase date is after the taking of a record of the Holders on a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a purchased Note is registered on such Record Date, and no other interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(k) The Issuer will comply with all applicable securities legislation of Canada and the United States, including, without limitation, the requirements of Rule 14e-1 under the 1934 Act and any other applicable securities laws and regulations thereunder to the extent those laws and

regulations are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any applicable securities laws and regulations conflict with this Indenture, the Issuer will comply with such laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

(l) The Issuer's obligation to make an Asset Sale Offer may be waived or modified before or after the occurrence of an Asset Sale with the written consent of Holders of at least a majority in principal amount of the Notes then outstanding. Notwithstanding the foregoing, any sale, assignment, transfer, conveyance, lease or other disposition of all or substantially all of the properties or assets of the Issuer and its Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, will be governed by Section 5.1 and will not be subject to the provisions described above in this Section 4.5.

Section 4.6. Issuance of Note Guarantees.

(a) The Issuer will cause each Material Restricted Subsidiary that is not a Guarantor and that guarantees the obligations under the First Lien Term Loan Credit Agreement or the Existing Secured Notes to become a Guarantor, execute and deliver a supplemental indenture in the form of Exhibit D and joinders to the Collateral Documents or new Collateral Documents together with any other filings and other agreements required by the Collateral Documents to create or perfect the security interests for the benefit of the Notes Secured Parties in the Collateral of such Subsidiary, and deliver an Officer's Certificate and Opinion of Counsel reasonably satisfactory to the Trustee, in each case within 30 days of the date on which such Material Restricted Subsidiary was acquired, created, qualified, designated or guaranteed the obligations under the First Lien Term Loan Credit Agreement, as applicable. Thereafter, such Restricted Subsidiary will be a Guarantor for all purposes of this Indenture, subject to Article X.

Section 4.7. Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs, unless, prior to, or concurrently with, the time the Issuer is required to make a Change of Control Offer (as defined below), the Issuer has previously or concurrently mailed or delivered, or otherwise sent through electronic transmission, a redemption notice with respect to all the outstanding Notes as described under Section 3.7 or Article VIII, the Issuer will make an offer to purchase all of the Notes pursuant to the offer described below (the "*Change of Control Offer*") at a price in cash (the "*Change of Control Payment*") equal to 101% of the aggregate principal amount thereof (or such higher amount as the Issuer may determine) plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling on or prior to the Change of Control Payment Date (as defined below). Within 30 days following any Change of Control Triggering Event, the Issuer will send notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee sent in the same manner, to each Holder to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 4.7 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is sent (the “*Change of Control Payment Date*”); *provided* that the Change of Control Payment Date may be delayed, in the Issuer’s discretion, until such time (including more than 60 days after the date such notice is sent) as any or all such conditions referred to in Section 4.7(a)(8) shall be satisfied or waived;

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the procedures of DTC, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; *provided* that the paying agent receives, not later than the close of business on the second Business Day prior to the expiration time of the Change of Control Offer, an electronic transmission (in PDF), a facsimile transmission or letter setting forth the name of the Holder or otherwise in accordance with the procedures of DTC, the principal amount of the Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) that if less than all of such Holder’s Notes are tendered for purchase, such Holder will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered; *provided* that the unpurchased portion of the Notes must be equal to at least US\$2,000 or an integral multiple of US\$1,000 in excess of US\$2,000;

(8) if such notice is sent prior to the occurrence of a Change of Control Triggering Event, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control Triggering Event and describing each such condition, and, if applicable, stating that, in the Issuer’s discretion, the Change of Control Payment Date may be delayed until such time as any or all such conditions shall be satisfied or waived, or that such purchase may not occur and such notice may be rescinded in the event that the Issuer shall determine that any or all such conditions (including the occurrence of the Change of Control Triggering Event) shall not have been satisfied or waived by the Change of Control Payment Date, or by the Change of Control Payment Date as so delayed; and

(9) such other instructions, as determined by the Issuer, consistent with this covenant, that a Holder must follow.

(b) While the Notes are in global form and the Issuer makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of Notes through the facilities of DTC, subject to its rules and regulations.

(c) The Issuer will comply with all applicable securities legislation in Canada and the United States including, without limitation, the requirements of Rule 14e-1 under the 1934 Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any applicable securities laws and regulations conflict with the provisions of this Section 4.7, the Issuer will comply with such laws and regulations and will not be deemed to have breached its obligations under this Section 4.7 by virtue of such compliance.

(d) On the Change of Control Payment Date, the Issuer or its designated agent will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Issuer.

(e) On the Change of Control Payment Date, the paying agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such tendered Notes, and the Trustee, upon an order of the Issuer, will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a principal amount that is US\$2,000 or an integral multiple of US\$1,000 in excess thereof. The Issuer will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(f) If the Change of Control Payment Date is on or after a Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest will be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no other interest will be payable to Holders who tender pursuant to the Change of Control Offer.

(g) The provisions described above that require the Issuer to make a Change of Control Offer following a Change of Control Triggering Event will be applicable whether or not any other provisions of this Indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, this Indenture does not contain provisions that permit the

Holders to require that the Issuer repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

(h) Notwithstanding the preceding paragraphs of this Section 4.7, the Issuer will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if a third party makes an offer to purchase the Notes in the manner, at the times and otherwise in substantial compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, or a notice of redemption has been given pursuant to Section 3.7, unless and until there is a default in payment of the applicable Redemption Price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer by the Issuer or a third party may be made in advance of a Change of Control Triggering Event, conditioned upon the consummation of such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(i) In the event that Holders of not less than 90% of the aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuer (or any third party making a Change of Control Offer in lieu of the Issuer as described above) purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party, as applicable, will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following the purchase pursuant the Change of Control Offer described above, to redeem (in the case of the Issuer) or purchase (in the case of a third party offeror) all of the Notes that remain outstanding following such purchase on a date (the "*Second Change of Control Payment Date*") at a Redemption Price or purchase price, as the case may be, in cash equal to the Change of Control Payment (excluding any early tender premium or similar premium and any accrued and unpaid interest to any Holder in such Change of Control Payment) in respect of the Second Change of Control Payment Date, including, to the extent not included in the Change of Control Payment, accrued and unpaid interest, if any, on the Notes that remain outstanding, to, but excluding, the Second Change of Control Payment Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on an Interest Payment Date that is on or prior to the Second Change of Control Payment Date).

The Issuer's obligation to make a Change of Control Offer following a Change of Control Triggering Event may be waived or modified before or after the occurrence of such Change of Control with the written consent of Holders of at least a majority in aggregate principal amount of the Notes then outstanding.

Section 4.8. Maintenance of Office or Agency for Registration of Transfer, Exchange and Payment of Notes.

So long as any of the Notes shall remain outstanding, the Issuer will, in accordance with Section 2.2 hereof, maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, or the Registrar) in the continental U.S. where the Notes may be surrendered for exchange or registration of transfer and where the Notes may be presented or surrendered for payment. If the Issuer shall fail to maintain any such office or agency or shall fail to give such notice of the location or of any change in the location thereof, such surrenders or presentations may be made at the designated Corporate Trust Office, and the Issuer hereby

appoints the Trustee its agent to receive at the aforesaid office all such surrenders or presentations. The Issuer may also from time to time designate one or more other offices or agencies in the continental U.S. where Notes may be presented or surrendered for any and all such purposes and may from time to time rescind such designations. The Issuer will give to Trustee prompt written notice of the location of any such office or agency and of any change of location thereof.

Section 4.9. *Appointment to Fill a Vacancy in the Office of Trustee.*

The Issuer, whenever necessary to avoid or fill a vacancy in the office of Trustee, will appoint, in the manner provided in Section 7.7, a Trustee, so that there shall at all times be a Trustee hereunder.

Section 4.10. *Provision as to Paying Agent.*

(a) If the Issuer will appoint a Paying Agent other than the Trustee, in accordance with the terms of this Indenture, it will cause such Paying Agent to execute and deliver to the Trustee an instrument in which such Agent shall undertake, subject to the provisions of this Section 4.10:

(1) that it will hold all sums held by it as such agent for the payment of the principal of, premium, if any, or interest on the Notes (whether such sums have been paid to it by the Issuer or by any other obligor on the Notes) in trust for the benefit of the Holders of the Notes and will notify the Trustee of the receipt of sums to be so held;

(2) that it will give the Trustee notice of any failure by the Issuer (or by any other obligor on the Notes) to make any payment of the principal of, premium, if any, or interest on the Notes when the same shall be due and payable;

(3) that it will at any time during the continuance of any Event of Default specified in Section 6.1, upon the written request of the Trustee, deliver to the Trustee all sums so held in trust by it; and

(4) that it will acknowledge, accept and agree to comply in all aspects with the provisions of this Indenture relating to the duties, rights and liabilities of such Paying Agent.

(b) If the Issuer shall not act as its own Paying Agent, it will, by 11:00 a.m. (New York City time) on the due date of the principal of or premium, if any, or interest on any Notes, deposit with such Paying Agent a sum in same day funds sufficient to pay the principal of, premium, if any, or interest so becoming due, such sum to be held in trust for the benefit of the Trustee and the Holders of Notes entitled to such principal of or premium, if any, or interest, and (unless such Paying Agent is the Trustee) the Issuer will promptly notify the Trustee of its failure so to act.

(c) If the Issuer shall act as its own Paying Agent, it will, by 11:00 a.m., (New York City time) on each due date of the principal of or premium, if any, or interest on the Notes, set aside, segregate and hold in trust for the benefit of the Persons entitled thereto, a sum sufficient to

pay such principal or premium or interest so becoming due and will notify the Trustee of any failure to take such action.

(d) Anything in this Section 4.10 to the contrary notwithstanding, the Issuer may, at any time, for the purpose of obtaining a satisfaction and discharge of this Indenture, or for any other reason, pay or cause to be paid to the Paying Agent for delivery to the Trustee all sums held in trust by it, as required by this Section 4.10, such sums to be delivered by the Paying Agent to the Trustee to be held by the Trustee upon the trusts herein contained.

(e) Anything in this Section 4.10 to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section 4.10 is subject to the provisions of Section 8.4 and Section 8.6.

(f) Upon an Event of Default under Section 6.1(7), the Trustee shall be the Paying Agent.

Section 4.11. *Maintenance of Corporate Existence.*

So long as any of the Notes shall remain outstanding, the Issuer will at all times (except as otherwise provided or permitted in Article V of this Indenture) do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence.

Section 4.12. *Compliance Certificate.*

(a) The Issuer and the Guarantors will deliver to the Trustee within 90 days after the end of each fiscal year of the Issuer, beginning with the fiscal year ended December 31, 2021, a statement (which need not be an Officer's Certificate) signed by the principal executive officer, the principal accounting officer or the principal financial officer of each of the Issuer and the Guarantors, stating that a review of the activities of the Issuer and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether each of the Issuer and the Guarantors has performed its obligations under this Indenture, and further stating whether or not, to the knowledge of the signers, the Issuer is in default in the performance and observance of any of the terms, provisions and conditions hereof (without regard to any period of grace or requirement of notice provided hereunder) and if any Default or Event of Default occurred during such period. In the event of any such default, the certificate will describe such default, its status and what action the Issuer is taking or proposes to take with respect thereto.

(b) So long as any of the Notes are outstanding, the Issuer will deliver to the Trustee, promptly upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Issuer is taking or proposes to take with respect thereto.

Section 4.13. *Taxes.*

The Issuer will pay, and will cause each of its Restricted Subsidiaries to pay, prior to delinquency, all material taxes, assessments and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such

payment would not have a material adverse effect on the financial condition of the Issuer and its Restricted Subsidiaries, taken as a whole.

Section 4.14. *Stay, Extension and Usury Laws.*

The Issuer and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.15. *Additional Amounts.*

(a) All payments made by or on behalf of the Issuer or any Guarantor (each a “Payor”) under or with respect to the Notes or any Note Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future Taxes, unless such Payor is required to withhold or deduct Taxes by law or by the interpretation or administration thereof. If a Payor is so required to withhold or deduct any amount for or on account of Taxes imposed or levied by or on behalf of any jurisdiction in which such Payor is organized, resident or carrying on business for tax purposes or from or through which such Payor makes any payment on the Notes or any Note Guarantee or any department or political subdivision thereof (each, a “*Relevant Taxing Jurisdiction*”) from any payment made under or with respect to the Notes or any Note Guarantee, such Payor, subject to the exceptions stated below, will pay such additional amounts (“*Additional Amounts*”) as may be necessary such that the net amount received in respect of such payment by each Holder or Beneficial Holder after such withholding or deduction (including withholding or deduction attributable to Additional Amounts payable hereunder but excluding Taxes on net income) will not be less than the amount the Holder or Beneficial Holder, as the case may be, would have received if such Taxes had not been required to be so withheld or deducted.

(b) A Payor will not, however, pay Additional Amounts to a Holder or Beneficial Holder with respect to:

(1) Canadian withholding Taxes imposed on a payment to a Holder or Beneficial Holder with which the Payor does not deal at arm’s length for the purposes of the Tax Act at the time of making such payment (other than where the non-arm’s length relationship arises as a result of the exercise or enforcement of rights under any Notes or any Note Guarantee);

(2) a debt or other obligation to pay an amount to a person with whom the applicable Payor is not dealing at arm’s length within the meaning of the Tax Act (other than where the non-arm’s length relationship arises as a result of the exercise or enforcement of rights under any Notes or any Note Guarantee);

(3) any Canadian withholding Taxes imposed on a payment or deemed payment to a Holder or Beneficial Holder by reason of such Holder or Beneficial Holder being a “specified shareholder” of the Issuer (within the meaning of subsection 18(5) of the Tax Act) at the time of payment or deemed payment, or by reason of such Holder or Beneficial Holder not dealing at arm’s length for the purposes of the Tax Act with a “specified shareholder” of the Issuer at the time of payment or deemed payment (other than where the Holder or Beneficial Holder is a “specified shareholder,” or does not deal at arm’s length with a “specified shareholder,” as a result of the exercise or enforcement of rights under any Notes or any Note Guarantee);

(4) Taxes giving rise to such Additional Amounts that would not have been imposed but for the existence of any present or former connection between such Holder (or the Beneficial Holder of, or person ultimately entitled to obtain an interest in, such Notes, including a fiduciary, settler, beneficiary, member, partner, shareholder or other equity interest owner of, or possessor of power over, such Holder or Beneficial Holder, if such Holder or Beneficial Holder is an estate, trust, partnership, limited liability company, corporation or other entity) and the Relevant Taxing Jurisdiction (including being a citizen or resident or national of, or carrying on a business or maintaining a permanent establishment in, the Relevant Taxing Jurisdiction but not including any connection resulting solely from the acquisition, ownership, or disposition of Notes, the receipt of payments thereunder and/or the exercise or enforcement of rights under any Notes or any Note Guarantee);

(5) Taxes giving rise to such Additional Amounts that would not have been imposed but for the failure of such Holder or Beneficial Holder, to the extent such Holder or Beneficial Holder is legally eligible to do so, to timely satisfy any certification, identification, information, documentation or other reporting requirements concerning such Holder’s or Beneficial Holder’s nationality, residence, identity or connection with the Relevant Taxing Jurisdiction or arm’s length relationship with the Payor or otherwise establish the right to the benefit of an exemption from, or reduction in the rate of, withholding or deduction, if such compliance is required by statute, treaty, regulation or administrative practice of a Relevant Taxing Jurisdiction as a precondition to exemption from, or reduction in the rate of deduction or withholding of, such Taxes imposed by the Relevant Taxing Jurisdiction (including, without limitation, a certification that the Holder or Beneficial Holder is not resident in the Relevant Taxing Jurisdiction);

(6) any estate, inheritance, gift, sales, transfer, personal property, excise or any similar Taxes or assessment;

(7) any Taxes that were imposed with respect to any payment on a Note to any Holder who is a fiduciary or partnership or person other than the sole beneficial owner of such payment and to the extent the Taxes giving rise to such Additional Amounts would not have been imposed on such payment had the Holder been the beneficiary, partner or sole beneficial owner, as the case may be, of such Note;

(8) Taxes imposed on, or deducted or withheld from, payments in respect of the Notes if such payments could have been made without such imposition, deduction or withholding of such Taxes had such Notes been presented for payment (where presentation is

required) within 30 days after the date on which such payments or such Notes became due and payable or the date on which payment thereof is duly provided for, whichever is later (except to the extent such Holder or Beneficial Holder would have been entitled to such Additional Amounts had such Notes been presented on the last day of such 30 day period);

(9) any Tax which is payable otherwise than by deduction or withholding from payments made under or with respect to the Notes or any Note Guarantee;

(10) any Taxes that are imposed or withheld as a result of the presentation of any Note for payment by or on behalf of a Holder or Beneficial Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another paying agent;

(11) any Taxes imposed under FATCA; or

(12) any combination of the foregoing subclauses (1) through (11).

(c) At least 30 calendar days prior to each date on which any payment under or with respect to the Notes or any Note Guarantee is due and payable, if a Payor will be obligated to pay Additional Amounts with respect to such payment (unless such obligation to pay Additional Amounts arises after the 30th day prior to the date on which such payment is due and payable, in which case it will be promptly thereafter), the Payor will deliver to the Trustee an Officer's Certificate stating that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Trustee to pay such Additional Amounts to Holders and/or Beneficial Holders on the payment date.

(d) The Issuer will indemnify and hold harmless the Holders and Beneficial Holders of the Notes for the amount of any Taxes under Regulation 803 of the Tax Act, or any similar or successor provision (other than Taxes described in subclauses (1) through (12) above (but including, notwithstanding subclause (9), any Taxes payable pursuant to Regulation 803 of the Tax Act) or Taxes arising by reason of a transfer of the Note to a person resident in Canada with whom the transferor does not deal at arm's length for the purposes of the Tax Act except where such non-arm's length relationship arises as a result of the exercise or enforcement of rights under any Notes or any Note Guarantee) levied or imposed on and paid by such a Holder or Beneficial Holder as a result of payments made under or with respect to the Notes or any Note Guarantee.

(e) In addition, the Payor will pay any stamp, issue, registration, court, documentation, excise or other similar taxes, charges and duties, including any interest, penalties and any similar liabilities with respect thereto, imposed by any Relevant Taxing Jurisdiction at any time in respect of the execution, issuance, registration, delivery or enforcement of the Notes (other than on or in connection with a transfer of the Notes other than the initial sale by an Initial Purchaser), any Note Guarantee or any other document or instrument referred to thereunder and any such taxes, charges or duties imposed by any Relevant Taxing Jurisdiction on any payments made pursuant to the Notes or any Note Guarantee and/or any other such document or instrument (limited, solely in the case of taxes, charges or duties attributable to any payments with respect thereto, to any such taxes, charges or duties imposed in a Relevant Taxing Jurisdiction that are not excluded under Sections 4.15(b)(5) through (8) and (10) and (11)).

(f) The obligations under this Section 4.15 will survive any termination, defeasance or discharge of this Indenture and will apply mutatis mutandis to any successor Person to any Payor and to any jurisdiction in which such successor is organized or is otherwise resident or doing business for tax purposes or any jurisdiction from or through which payment is made by such successor or its respective agents. Whenever this Indenture refers to, in any context, the payment of principal, premium, if any, interest or any other amount payable under or with respect to any Note, such reference shall include the payment of Additional Amounts or indemnification payments as described hereunder, if applicable.

Section 4.16. *After-Acquired Property.*

From and after the Issue Date, and subject to the applicable limitations and exceptions set forth in the Collateral Documents and this Indenture (including with respect to Excluded Assets), if the Issuer or any Guarantor acquires any property or rights which are of a type constituting Collateral under any Collateral Document (excluding, for the avoidance of doubt, any Excluded Assets or assets not required to be Collateral pursuant to the Collateral Documents), it will be required to execute and deliver such security instruments, financing statements and such Officer's Certificates and Opinions of Counsel as are required under this Indenture or any Collateral Document and to otherwise comply with the requirements of the Collateral Requirement to provide to the Notes Collateral Agent for the benefit of the Notes Secured Parties a perfected security interest (subject to Permitted Liens) in such after-acquired collateral and to take such actions to add such after-acquired collateral to the Collateral, and thereupon all provisions of the this Indenture and the Collateral Documents relating to the Collateral shall be deemed to relate to such after-acquired collateral to the same extent and with the same force and effect, including, without limitation:

(a) (i) Any Subsidiary of the Issuer which becomes a Guarantor shall take all such actions necessary to comply with the Collateral Requirement within sixty (60) days after the occurrence of such event causing such Subsidiary to become a Guarantor (or such longer period as the Notes Collateral Agent may agree in its reasonable discretion), and (ii) the Issuer shall within ninety (90) days after the acquisition of such property or rights cause such property (or such longer period as the Notes Collateral Agent may agree in its reasonable discretion) to be subjected to a Lien to the extent required by the Collateral Requirement and will take, or cause the relevant Guarantor to take, such actions as shall be necessary (as determined by the Issuer in good faith) to grant and perfect or record such Lien, in each case in a manner consistent with the Collateral Requirement and the procedures outlined in the Credit Facilities, to the extent applicable.

(b) (i) with respect to Material Real Property set forth on Schedule I, within ninety (90) days after the Issue Date (or such longer period as the Notes Collateral Agent may agree in its reasonable discretion) and (ii) with respect to Material Real Property acquired after the Issue Date, within ninety (90) days after the date of such acquisition (or such longer period as the Notes Collateral Agent may agree in its reasonable discretion), the Issuer shall, in each case, take, or cause the relevant Guarantor to take, the actions referred to in the Credit Agreement to provide a Mortgage in favor of the Notes Collateral Agent with respect to such Material Real Property to the extent such Material Real Property shall not already be subject to a valid and perfected Lien pursuant to the Collateral Requirement;

provided, that (i) the Notes Collateral Agent shall be deemed to have made such a reasonable determination if such a determination has already been made by either the First Lien Revolving Credit Agreement Collateral Agent or the First Lien Term Loan Collateral Agent (with respect to the First Lien Revolving Credit Agreement or the First Lien Term Loan Credit Agreement, respectively) and (ii) with respect to the time periods referred to in this Section 4.16 that are subject to extensions as the Notes Collateral Agent may agree, it is understood and agreed that the administrative agent under the First Lien Revolving Credit Agreement or the First Lien Term Loan Credit Agreement may grant extensions of time under the Credit Agreements for such actions necessary to comply with the Collateral and Guarantee Requirement, and any such extension shall apply hereunder as if the Notes Collateral Agent had agreed to such extensions.

(6) the Collateral owned by or transferred to the Successor Company (if other than the Issuer) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made shall: (a) continue to constitute Collateral under this Indenture and the Collateral Documents, (b) be subject to the Lien in favor of the Notes Collateral Agent for the benefit of the Notes Secured Parties, and (c) not be subject to any Lien other than Permitted Liens.

(5) the Collateral owned by or transferred to the Successor Person shall: (i) continue to constitute Collateral under this Indenture and the Collateral Documents, (ii) be subject to the Lien in favor of the Notes Collateral Agent for the benefit of the Notes Secured Parties, and (iii) not be subject to any Lien other than Permitted Liens.

(d) The Successor Person will succeed to, and be substituted for, such Guarantor under this Indenture and such Guarantor’s Note Guarantee and such Guarantor will automatically be released and discharged from its obligations under this Indenture and such Guarantor’s Note Guarantee. (e) For purposes of this Section 5.1, transfers among or between the Issuer and its Restricted Subsidiaries will be disregarded.

Section 5.2. *Successor Substituted.*

 - (A) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the applicable grace or cure period after final maturity provided in such Indebtedness (a “*Payment Default*”); or
 - (B) results in the acceleration of such Indebtedness prior to its Stated Maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default, which remains outstanding or the maturity of which has been so accelerated, aggregates an amount greater than \$50.0 million; *provided* that if any such Payment Default is cured or waived or any such acceleration is rescinded, as the case may be, such Event of Default under this Indenture and any consequential acceleration of the Notes shall be automatically rescinded, so long as such rescission does not conflict with any judgment or decree;

(5) failure by the Issuer or any of its Restricted Subsidiaries to pay final judgments aggregating in excess of an amount greater than \$50.0 million in cash rendered against the Issuer or any Restricted Subsidiary by a court of competent jurisdiction, which judgments are not paid, discharged or stayed for a period of 60 days after such judgments becomes final and non-appealable;

(D) makes a general assignment for the benefit of its creditors;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Issuer or any of its Significant Subsidiaries as debtor in an involuntary case or proceeding;

(B) appoints a Custodian of the Issuer or any of its Significant Subsidiaries or a Custodian for all or substantially all of the assets of the Issuer or any of its Significant Subsidiaries; or

(C) orders the liquidation of the Issuer or any of its Significant Subsidiaries;

and, in any such case, the order or decree remains unstayed and in effect for 60 consecutive days and, in the case of the insolvency of a Significant Subsidiary, such Significant Subsidiary remains a Significant Subsidiary on such 60th day; or

(9) other than by reason of the satisfaction in full of all obligations under this Indenture and discharge of this Indenture with respect to the Notes or the release of such Collateral with respect to the Notes in accordance with the terms of this Indenture and the Collateral Documents,

(A) in the case of any security interest with respect to Collateral having a fair market value in excess of 5.0% of Total Assets, individually or in the aggregate, such security interest under the Collateral Documents shall, at any time, cease to be a valid and perfected security interest or shall be declared invalid or unenforceable and any such default continues for 30 days after notice of such default shall have been given to the Issuer by the Trustee or the Holders of at least 30% of the principal amount of the then outstanding Notes issued under this Indenture, except to the extent that any such default (A) results from the failure of the Notes Collateral Agent to maintain possession of certificates, promissory notes or other instruments actually delivered to it representing securities pledged under the Collateral Documents or (B) to the extent relating to Collateral consisting of real property, is covered by a title insurance policy with respect to such real property and such insurer has not denied coverage;

(B) the Issuer or any Guarantor that is a Significant Subsidiary (or any group of Guarantors that, taken together, would constitute a Significant Subsidiary) shall assert, in any pleading in any court of competent jurisdiction, that any security interest under any Collateral Document is invalid or unenforceable; or

(C) the Liens created by the Collateral Documents shall at any time not constitute a valid and perfected Lien on any material portion of the Collateral intended to be covered thereby (unless perfection is not required by this Indenture or the Collateral Documents) other than (i)(A) in accordance with the terms of the relevant Collateral Document and this Indenture, (B) the satisfaction in full of all obligations under this Indenture or (C) any loss of perfection that results from the failure of the Notes Collateral Agent to maintain possession of certificates delivered to it representing securities pledged under the Collateral Documents and (ii) such default continues for 30 days after notice of such default shall have been given to the Issuer by the Trustee or the Holders of at least 30% of the principal amount of the then outstanding Notes issued under this Indenture.

Section 6.2. *Acceleration of Maturity; Rescission and Annulment.*

In the case of an Event of Default specified in Section 6.1(7) or Section 6.1(8), all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in principal amount of the then outstanding Notes may declare to be immediately due and payable,

by notice in writing to the Issuer and (if given by the Holders) to the Trustee, the principal amount of all the Notes then outstanding, plus accrued but unpaid interest to the date of acceleration; *provided, however*, that after any such declaration of acceleration, the Holders of a majority in aggregate principal amount of the Notes then outstanding may rescind and annul such declaration if: (a) all existing Events of Default, other than the non-payment of the principal of, interest and premium (if any) on the Notes that have become due solely by the declaration of acceleration, have been cured or waived; and (b) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

The Trustee may withhold from Holders notice of any continuing Default or Event of Default if it determines that withholding notice is in their interest, except a Default or Event of Default relating to the payment of principal or interest.

Section 6.3. *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium (if any) or interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative to the extent permitted by law.

Section 6.4. *Waiver of Past Defaults.* The Holders of a majority in aggregate principal amount of the Notes then outstanding by notice to the Trustee may on behalf of the Holders of all of the Notes waive any existing Default or Event of Default and its consequences under this Indenture and the Collateral Documents except a continuing Default or Event of Default in the payment of interest on, or the principal of, the Notes or a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected.

Section 6.5. *Control by Majority.*

The Holders of a majority in principal amount of the then outstanding Notes have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Notes Collateral Agent or of exercising any trust or power conferred on the Trustee or the Notes Collateral Agent. However, the Trustee or the Notes Collateral Agent, as applicable, may refuse to follow any direction that conflicts with law or this Indenture or, subject to Section 7.1 hereof, that is unduly prejudicial to the rights of other Holders or would involve the Trustee or Notes Collateral Agent in personal liability; *provided, however*, that the Trustee or the Notes Collateral Agent, as applicable, may take any other action deemed proper by the Trustee or the Notes Collateral Agent, as applicable, that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee or the Notes

Collateral Agent, as applicable, shall be entitled to receive indemnification satisfactory to it against all loss, liability and expense caused by taking or not taking such action.

Section 6.6. *Limitation on Suits.*

Except to enforce payment of the principal of, and premium (if any) or interest on any Note on or after the Stated Maturity of such Note (after giving effect to the grace periods specified in Section 6.1(1) and Section 6.1(2)), a Holder will not have any right to institute any proceeding with respect to this Indenture, or for the appointment of a receiver or trustee, or for any remedy thereunder, unless the Trustee:

(1) shall have failed to act for a period of 60 days after previously receiving written notice of a continuing Event of Default from such Holder and a request to act from Holders of at least 30% in aggregate principal amount of the Notes then outstanding;

(2) has been offered indemnity and funding thereof, if requested, satisfactory to the Trustee in its reasonable judgment; and

(3) during such 60 day period, has not received from the Holders of a majority in aggregate principal amount of the Notes then outstanding a direction inconsistent with such request.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such use by a Holder prejudices the rights of any other Holders or obtains preference or priority over such other Holders).

Section 6.7. *Rights of Holders to Receive Payment.*

Notwithstanding any other provision of this Indenture, the contractual right of any Holder to receive payment of principal of, premium, if any, and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder. For the avoidance of doubt, no amendment to, or deletion or waiver of, Article IV (other than Section 4.1), or any action taken by the Issuer or any Guarantor that is not prohibited under this Indenture, shall be deemed to impair or affect any rights of any Holder of Notes to receive payment of principal of, or premium, if any, or interest on, the Notes.

Section 6.8. *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.1(1) or Section 6.1(2) hereof occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.6 hereof to cover the costs and expenses of collection, including the reasonable compensation, disbursement and advances of the Trustee, its agents and counsel.

Section 6.9. *Trustee May File Proofs of Claim.*

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor or their respective creditors or properties, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.6 hereof. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. *Priorities.*

If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

First: to the payment of all amounts due to the Trustee under Section 7.6 hereof and all amounts due to the Notes Collateral Agent;

Second: to Holders for amounts due and unpaid on the Notes for principal and interest and premium, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest and premium, if any, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11. *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.7 hereof or a suit by Holders of more than 10% in outstanding principal amount of the Notes.

ARTICLE VII TRUSTEE

Section 7.1. *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default: (i) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates and opinions which by any provision hereof or thereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this Section 7.1(c) does not limit the effect of Section 7.1(b) hereof;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.1.

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate security or indemnity against such risk or liability is not reasonably assured to it.

Section 7.2. *Rights of Trustee.*

(a) The Trustee may rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on the Officer's Certificate or Opinion of Counsel or both. Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by an Issuer Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution.

(c) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care. No Depository shall be deemed an agent of the Trustee, and the Trustee shall not be responsible for any act or omission by any Depository.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) Except for a default under Section 6.1(1) or Section 6.1(2) hereof (*provided* that the Trustee is the Paying Agent), the Trustee shall not be deemed to have notice of any default or event of default unless written notice is received by a Trust Officer of the Trustee at the Corporate Trust Office, and such notice references the Notes and this Indenture and states that it is a notice of Default or Event of Default.

(g) In no event shall the Trustee be responsible or liable for special, incidental, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable

by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder, including the Notes Collateral Agent.

(j) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(k) The Trustee may request that the Issuer deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 7.3. *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest (as defined in the TIA) after a Default has occurred and is continuing, it must (i) eliminate such conflict within 90 days, (ii) apply to the Commission for permission to continue or (iii) resign. The Trustee is also subject to Sections 7.9 and 7.10 hereof.

Section 7.4. *Trustee's Disclaimer.*

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuer's use of the proceeds from the Notes, it shall not be responsible for the use or application of any money received by any Paying Agent (other than itself as Paying Agent), and it shall not be responsible for any statement of the Issuer in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee's certificate of authentication.

The Trustee does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Indenture, the First Intercreditor Agreement and the Collateral Documents. The Trustee shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement or in any certificate, report, statement, or other document referred to or provided for in, or received by the Trustee under or in connection with, this Indenture, the First Lien Intercreditor Agreement or any Collateral Document; the execution, validity, genuineness, effectiveness or enforceability of the First Lien Intercreditor Agreement and any Collateral Document of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Notes Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Notes Obligations under this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents.

Section 7.5. *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall mail (or in the case of Global Notes, deliver electronically in accordance with the Applicable Procedures of the Depository) to each Holder notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default relating to payment of principal of, premium, if any, or interest on, any Note (including payments pursuant to the redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long as its board of directors, the executive committee of its board of directors or a committee of its Trust Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.6. Compensation and Indemnity.

(a) The Issuer shall pay to the Trustee from time to time compensation for its services as the Issuer and the Trustee shall from time to time agree upon in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by it, including but not limited to the costs of collection, costs of preparing and reviewing reports, certificates and other documents, costs of preparation and mailing of notices to Holders and reasonable costs of counsel (in the case of Canadian counsel, on a solicitor-client, full-indemnity basis) retained by the Trustee in connection with the delivery of an Opinion of Counsel or otherwise, in addition to the compensation for its services. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the Trustee's agents and counsel (and in the case of Canadian counsel, on a solicitor-client, full-indemnity basis). The Issuer shall indemnify and hold harmless the Trustee (in its individual and trustee capacities) and its officers, directors, employees, shareholders and agents against any and all loss, liability, claims, action, suit, cost or expense (including reasonable attorneys' fees (and in the case of Canadian attorneys, on a solicitor-client, full-indemnity basis)) of any kind and nature whatsoever incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder, including the costs and expenses of enforcing this Indenture (including this Section 7.6) and of defending itself against any claims or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder (whether asserted by any Holder, the Issuer or otherwise). The Trustee shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. The Issuer shall defend the claim and the Trustee may have separate counsel and the Issuer shall pay the fees and expenses of such counsel (and in the case of Canadian counsel, on a solicitor-client, full-indemnity basis). The Issuer is not required to reimburse any expense or indemnify against any loss, liability claim, suit, cost or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence.

(b) To secure the Issuer's payment obligations in this Section 7.6, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of, premium (if any) and interest on particular Notes.

(c) The Issuer's payment obligations pursuant to this Section 7.6 shall survive the discharge of this Indenture and the resignation or removal of the Trustee. When the Trustee incurs

expenses after the occurrence of a Default specified in Section 6.1(7) hereof with respect to the Issuer, the expenses are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.7. Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.7.

(b) The Trustee may resign at any time by so notifying the Issuer. The Holders of a majority in outstanding principal amount of the Notes may remove the Trustee by so notifying the Trustee and the Issuer and may appoint a successor Trustee. The Issuer may remove the Trustee if: (i) the Trustee fails to comply with Section 7.9 hereof; (ii) the Trustee is adjudged bankrupt or insolvent; (iii) a Custodian or other public officer takes charge of the Trustee or its property; or (iv) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns or is removed by the Issuer or by the Holders of a majority in outstanding principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee, or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Issuer shall promptly appoint a successor Trustee.

(d) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail or deliver electronically a notice of its succession to the Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.6 hereof.

(e) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of 10% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(f) If the Trustee fails to comply with Section 7.9 hereof after written notice thereto, the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(g) Notwithstanding the replacement of the Trustee pursuant to this Section 7.7, the Issuer's obligations under Section 7.6 hereof shall continue for the benefit of the retiring Trustee.

Section 7.8. Successor Trustee by Merger.

(a) If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another Person, the resulting, surviving or transferee Person without any further act shall be the successor Trustee.

(b) If at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and if at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the full force which it is anywhere in the Notes or in this Indenture provided that the certificate of the Trustee shall have.

Section 7.9. Eligibility; Disqualification.

The Trustee shall at all times satisfy the requirements of Trust Indenture Act Section 310(a) with the same effect as if this Indenture were qualified under the Trust Indenture Act. There shall at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the U.S. or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus (together with its Affiliates) of at least \$15 million as set forth in its most recent published annual report of condition. The Trustee shall comply with Trust Indenture Act Section 310(b) with the same effect as if this Indenture were qualified under the Trust Indenture Act.

Section 7.10. Preferential Collection of Claims Against Company.

The Trustee shall comply with Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated.

Section 7.11. Collateral Documents; First Lien Intercreditor Agreement.

By their acceptance of the Notes, the Holders hereby authorize and direct the Trustee and Notes Collateral Agent, as the case may be, to execute and deliver the Joinder Agreement and any other Collateral Documents in which the Trustee or the Notes Collateral Agent, as applicable, is named as a party, including any Collateral Documents executed on or after the Issue Date. It is hereby expressly acknowledged and agreed that, in doing so, the Trustee and the Notes Collateral Agent are not responsible for the terms or contents of such agreements, or for the validity or enforceability thereof, or the sufficiency thereof for any purpose. Whether or not so expressly stated therein, in entering into, or taking (or forbearing from) any action under, the First Lien Intercreditor Agreement or any other Collateral Documents, the Trustee and the Notes Collateral Agent each shall have all of the rights, privileges, benefits, immunities, indemnities and other protections granted to it under this Indenture (in addition to those that may be granted to it under the terms of such other agreement or agreements).

ARTICLE VIII
DISCHARGE OF INDENTURE; DEFEASANCE

Section 8.1. Discharge of Liability on Notes; Defeasance.

(a) Subject to Section 8.1(c) hereof, this Indenture, the Note Guarantees and the Collateral Documents will cease to be of further effect as to all Notes issued hereunder when (i) either (x) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation or (y) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the sending of a notice of redemption or otherwise or will become due and payable within one year and the Issuer has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, Government Securities, or a combination of cash in U.S. dollars and Government Securities, in amounts as will be sufficient to pay and discharge the principal, premium, if any, and accrued interest to the date of final maturity or redemption; *provided* that upon any redemption that occurs prior to the Par Call Date, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Redemption Price calculated as of the date of the notice of redemption, with any deficit as of the Redemption Date (any such amount, the “*Redemption Price Deficit*”) only required to be deposited with the Trustee on or prior to the Redemption Date; *provided, further*, that any Redemption Price Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Redemption Price Deficit that confirms that such Redemption Price Deficit shall be applied toward such redemption; (ii) no Default or Event of Default has occurred and is continuing on the date of the deposit or will occur as a result of the deposit other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the deposit will not result in a breach or violation of, or constitute a default under, any other material instrument to which the Issuer or any Restricted Subsidiary is a party or by which the Issuer or any Restricted Subsidiary is bound, (iii) the Issuer has paid or caused to be paid all sums then payable by it under this Indenture, and (iv) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of such Notes at Stated Maturity or the Redemption Date, as the case may be.

(b) Subject to Section 8.2 hereof, the Issuer at its option at any time may terminate (i) all its obligations, except as specified in Section 8.1(c) hereof, under the Notes and this Indenture, the Collateral Documents and all obligations of the Guarantors with respect to their Note Guarantees (“*legal defeasance option*”), and after giving effect to such legal defeasance, any omission to comply with such obligations shall no longer constitute a Default or Event of Default or (ii) its obligations under Section 4.2, Section 4.3, Section 4.4, Section 4.5, Section 4.6, Section 4.7 and Section 4.16 hereof, and the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such Section, whether directly or indirectly, by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document and the operation of Section 6.1(3), Section 6.1(4), Section 6.1(5), Section 6.1(6), Section 6.1(9) and the events specified in such Sections shall no longer constitute an Event of Default (this clause (ii) being referred to as the “*covenant defeasance option*”), but otherwise the remainder of this Indenture and the Notes shall be unaffected thereby. The Issuer may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option. If the Issuer exercises its legal defeasance option or its covenant defeasance option, each Guarantor shall be released from its obligations with respect to its Note Guarantee as provided in Section 10.10 hereof.

If the Issuer exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default. If the Issuer exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.1(3), Section 6.1(4) and Section 6.1(5) hereof.

Upon satisfaction of the conditions set forth herein and upon request of the Issuer, the Trustee shall acknowledge in writing the discharge of those obligations that the Issuer terminates, on demand of the Issuer (accompanied by an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent provided in this Indenture relating to the legal defeasance or covenant defeasance, as the case may be, have been complied with) and at the cost and expense of the Issuer.

(c) Notwithstanding the provisions of Section 8.1(a) and Section 8.1(b) hereof, the obligations of the Issuer in Section 2.3, Section 2.4, Section 2.5, Section 2.6, Section 2.7, Section 2.9, Section 7.6, Section 7.7 hereof, and in this Article VIII shall survive until the Notes have been paid in full. Thereafter, the following provisions shall survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders to receive payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.2;

(2) the Issuer's obligations concerning issuing temporary Notes, mutilated, destroyed, lost, or stolen Notes and the maintenance of a register in respect of the Notes;

(3) the rights, powers, trusts, duties and immunities of the Trustee and the Notes Collateral Agent, and the Issuer's obligations in connection therewith; and

(4) this Section 8.1.

Section 8.2. *Conditions to Defeasance.*

The Issuer may exercise its legal defeasance option or its covenant defeasance option only if:

(1) the Issuer shall have deposited or caused to be deposited with the Trustee as trust funds or property in trust for the purpose of making payment on such Notes an amount of cash or Government Securities as will, together with the income to accrue thereon and reinvestment thereof, be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm, or firm of independent public accountants, to pay, satisfy and discharge the entire principal, interest, if any, premium, if any and any other sums due to the Stated Maturity or an optional redemption date of the Notes;

(2) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit and the granting of Liens to secure such borrowing);

(3) the Issuer shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders over its other creditors or with the intent of defeating, hindering, delaying, or defrauding any of its other creditors or others;

(4) the Issuer shall have delivered to the Trustee, (a) an Opinion of Counsel acceptable to the Trustee in its reasonable judgment or an advance tax ruling from the Canada Revenue Agency (or successor agency) to the effect that the Holders of outstanding Notes will not recognize income, gain or loss for Canadian income tax purposes as a result of such legal defeasance or covenant defeasance, as the case may be, and will be subject to Canadian federal income tax on the same amounts, in the same manner, and at the same times as would have been the case if such legal defeasance or covenant defeasance, as the case may be, had not occurred; (b) in the case of legal defeasance, an Opinion of Counsel acceptable to the Trustee in its reasonable judgment to the effect that (i) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such legal defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred; and (c) in the case of covenant defeasance, an Opinion of Counsel acceptable to the Trustee in its reasonable judgment to the effect that the Holders of outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been in the case if such covenant defeasance had not occurred;

(5) the Issuer shall have satisfied the Trustee and the Notes Collateral Agent that it has paid, caused to be paid or made provisions for the payment of all applicable expenses of the Trustee and the Notes Collateral Agent;

(6) such legal defeasance option or covenant defeasance option will not result in a breach or violation of, or constitute a Default under, any material agreement or instrument (other than this Indenture) to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound; and

(7) the Issuer shall have delivered to the Trustee and the Notes Collateral Agent an Officer's Certificate stating that all conditions precedent relating to the legal defeasance option or the covenant defeasance option, as the case may be, have been complied with.

Section 8.3. *Delivery and Application of Trust Money.*

The Trustee shall hold in trust money or Government Securities deposited with it pursuant to this Article VIII. It shall apply the deposited money and the money from Government Securities in accordance with this Indenture to the payment of principal, premium, if any, of and interest on the Notes.

Any funds or obligations deposited with the Trustee pursuant to this Article VIII shall be (a) denominated in the currency or denomination of the Notes in respect of which such deposit is made, (b) irrevocable, subject to certain exceptions, and (c) made under the terms of an escrow and/or trust agreement in form and substance satisfactory to the Trustee and which provides for the due and punctual payment of the principal of, premium, if any, and interest on the Notes being satisfied.

Section 8.4. *Repayment to Company.*

The Trustee and each Paying Agent shall promptly turn over to the Issuer upon receipt of an Issuer Order any excess money or securities held by them upon payment of all the obligations under this Indenture.

Subject to any applicable abandoned property law, the Trustee and each Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal of, or premium, if any, or interest on the Notes that remains unclaimed for two years (or any such money then held by the Issuer or any Subsidiary shall be discharged from any trust hereunder), and, thereafter, Holders entitled to the money must look to the Issuer for payment as unsecured general creditors; *provided, however*, that, if any Definitive Notes are then outstanding, the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.5. *Indemnity for Government Securities.*

The Issuer shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal and interest received on such Government Securities.

Section 8.6. *Reinstatement.*

If the Trustee or any Paying Agent is unable to apply any money in accordance with this Article VIII by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and the Guarantors' obligations under this Indenture and the affected Notes shall be revived and reinstated as though no money had been deposited pursuant to this Article VIII until such time as the Trustee or such Paying Agent is permitted to apply all such money or Government Securities in accordance with this Article VIII; *provided* that if the Issuer has made any payment in respect of principal of, premium, if any, or interest on Notes or, as applicable, other amounts because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee.

ARTICLE IX AMENDMENTS

Section 9.1. *Without Consent of Holders.*

Notwithstanding Section 9.2 of this Indenture, the Issuer, the Guarantors, the Trustee and/or the Notes Collateral Agent may amend or supplement this Indenture, the Notes, the Note Guarantees and the Collateral Documents without notice to or consent of any Holder:

- (1) to cure any ambiguity, defect or inconsistency;
- (2) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);
- (3) to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of Notes in the case of an amalgamation, merger or consolidation or sale of all or substantially all of the Issuer's or a Guarantor's assets or otherwise to comply with Section 5.1;
- (4) to add a co-issuer of the Notes, to add any additional Guarantors or to evidence the release of any Guarantor from its obligations under its Note Guarantee to the extent that such release is permitted by this Indenture, or to secure the Notes and the Note Guarantees or add collateral with respect to the Notes;
- (5) to conform the text of this Indenture, the Notes, the Note Guarantees or the Collateral Documents to any provision of the "*Description of Notes*" set forth in the Offering Memorandum to the extent that such provision was intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Note Guarantees or the Collateral Documents;
- (6) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture;
- (7) to surrender any right or power conferred upon the Issuer or make any change that would provide any additional rights or benefits to the Holders of Notes or that does not materially adversely affect the legal rights under this Indenture of any such Holder;
- (8) to evidence or provide for the acceptance of appointment under this Indenture of a successor Trustee;
- (9) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee and/or the Notes Collateral Agent for the benefit of the Notes Secured Parties, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or in which a Lien is required to be granted to or for the benefit of the Trustee or the Notes Collateral Agent pursuant to this Indenture, any of the Collateral Documents or otherwise;
- (10) to add Additional First Lien Secured Parties to any Collateral Documents;

(11) to enter into any intercreditor agreement having substantially similar terms with respect to the Holders as those set forth in the First Lien Intercreditor Agreement, taken as a whole, or any joinder thereto; and

(12) in the case of any Collateral Document, to include therein any legend required to be set forth therein pursuant to the First Lien Intercreditor Agreement or to modify any such legend as required by the First Lien Intercreditor Agreement.

Section 9.2. *With Consent of Holders.*

(a) Except as provided in this Section 9.2, the Issuer, the Guarantors and the Trustee with the affirmative votes of the Holders of at least a majority in principal amount of the Notes represented and voting at a meeting of Holders, or by a resolution in writing of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a purchase of, or offer to purchase, or exchange offer for, Notes):

(1) this Indenture, the Notes, the Note Guarantees and the Collateral Documents may each be amended or supplemented; and

(2) any existing Default or Event of Default or lack of compliance with any provision of this Indenture, the Notes, the Note Guarantees or the Collateral Documents may be waived.

(b) Without the consent of, or a resolution passed by the affirmative votes of or signed by, each Holder affected, an amendment, supplement or waiver may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of any Note or change the time for payment thereof;

(3) reduce the rate of or change the time for payment of interest on any Note;

(4) make any Note payable in a currency other than that stated in the Notes;

(5) waive a Default or Event of Default in the payment of principal of, or interest or premium, if any, on the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes and a waiver of the payment default that resulted from such acceleration);

(6) amend the contractual right expressly set forth in this Indenture and the Notes of any Holder to institute suit for the enforcement of any payment of principal, premium, if any, and interest on such Holders' Notes on or after the due dates therefor;

(7) modify or change any provision of this Indenture or the related definitions affecting the ranking of the Notes or any Note Guarantee in any manner adverse to the Holders;

(8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture otherwise than in accordance with the terms of this Indenture; or

(9) modify these amending provisions.

Notwithstanding the foregoing, without the consent of the Holders of at least 66 $\frac{2}{3}$ % in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Collateral Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the obligations in respect of the Notes or (B) change or alter the priority of the Liens securing the Notes Obligations in respect of the Notes in any material portion of the Collateral in any way adverse to the Holders in any material respect, other than, in each case, as provided under the terms of the Collateral Documents or the First Lien Intercreditor Agreement.

Any item of business referred to in this Indenture requiring the written approval or consent of the Holders may be obtained by means of the affirmative vote of the requisite Holders represented at a duly constituted meeting of Holders or a resolution in writing of the requisite Holders of Notes then outstanding.

The consent of the Holders is not necessary under this Indenture to approve the particular form of any proposed amendment or waiver. It is sufficient if the consent approves the substance of the proposed amendment or waiver.

After an amendment, supplement or waiver under this Section 9.2 becomes effective, the Issuer shall send to each Holder of Notes affected thereby a notice briefly describing such amendment. The failure to give such notice to any or all Holders, or any defect therein, shall not impair or affect the validity of any amendment, supplement or waiver under this Section 9.2.

Section 9.3. *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No

such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 9.4. *Notation on or Exchange of Notes.*

If an amendment or supplement changes the terms of a Note, the Trustee may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue and the Trustee, upon receipt of an Issuer Order, shall authenticate a new Note that reflects the changed terms, but the failure to make the appropriate notation or to issue a new Note shall not affect the validity and effect of such amendment or supplement.

Section 9.5. *Trustee to Sign Amendments.*

The Trustee and the Notes Collateral Agent shall sign any amendment or supplement authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, powers, liabilities or immunities of the Trustee or the Notes Collateral Agent, as applicable. If it does, the Trustee may but need not sign it. In signing any amendment or supplement the Trustee and the Notes Collateral Agent shall receive, and (subject to Section 7.1 hereof) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel, each stating that the execution of such amendment or supplement is authorized or permitted by this Indenture.

ARTICLE X
NOTE GUARANTEES

Section 10.1. *Note Guarantees.*

Subject to this Article X, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, the full and punctual payment of principal of, premium (if any) and interest on the Notes when due, whether at Stated Maturity, or upon redemption, required repurchase pursuant to Section 4.5 or Section 4.7 hereof, acceleration or otherwise, and all other monetary obligations owing by the Issuer under this Indenture (including obligations owing to the Trustee) and the Notes (all the foregoing being hereinafter collectively called the "*Obligations*"). The Guarantors further agree that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Guarantors, and that the Guarantors will remain bound under this Article X notwithstanding any extension or renewal of any Obligation. Failing payment when due of any amount so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to promptly pay the same. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection. All payments under each Note Guarantee will be made in U.S. dollars.

The Guarantors waive presentation to, demand of payment from and protest to the Issuer of any of the Obligations and also waive notice of protest for nonpayment. The Guarantors waive

notice of any Default under the Notes or the Obligations. The obligations of the Guarantors hereunder shall not be affected by: (i) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes, the Note Guarantees or any other agreement or otherwise; (ii) any extension or renewal of any Obligation; (iii) any rescission, waiver, amendment, modification or supplement of any of the terms or provisions of this Indenture (other than this Article X), the Notes, the Note Guarantees or any other agreement; (iv) the release of security, if any, held by any Holder or the Trustee for the Obligations or any of them; (v) the failure of any Holder or the Trustee to exercise any right or remedy against any other guarantor of the Obligations; (vi) any change in the ownership of the Issuer; or (vii) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of the Guarantors or would otherwise operate as a discharge of the Guarantors as a matter of law or equity, except for payment of the Notes in full.

The Guarantors, jointly and severally, further agree that their Note Guarantees herein constitute a guarantee of payment when due (and not a guarantee of collection) and waive any right to require that any resort be had by any Holder or the Trustee to security, if any, held for payment of the Obligations.

The obligations of the Guarantors hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (except to the extent provided in Section 10.2 hereof), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense, setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise.

The Guarantors, jointly and severally, further agree that their Note Guarantees herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against the Guarantors by virtue hereof, upon the failure of the Issuer to pay any Obligation when and as the same shall become due, whether at Stated Maturity, upon redemption, required repurchase, acceleration or otherwise, the Guarantors hereby promise to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Trustee an amount equal to the sum of (i) the unpaid principal amount of such Obligations, (ii) accrued and unpaid interest on such Obligations (but only to the extent not prohibited by law) and (iii) all other monetary Obligations of the Issuer to the Holders and the Trustee.

The Guarantors, jointly and severally, agree that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations may be accelerated as provided in Article VI for the purposes of the Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations, and (y) in the event of any declaration of acceleration of such Obligations as provided in Article VI, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 10.1.

The Guarantors, jointly and severally, also agree to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.1.

The Note Guarantee issued by any Guarantor shall be a general senior secured obligation of such Guarantor and shall be pari passu in right of payment with all existing and future senior Indebtedness of such Guarantor, if any.

Section 10.2. *Limitation on Liability.*

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, the Fraudulent Preferences Act (Alberta), the Statute of Elizabeth or any similar federal, provincial or state law to the extent applicable to any Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article X, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.3. *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.1, each Guarantor hereby agrees that this Indenture (or a supplemental indenture substantially in form of Exhibit D hereof) will be executed on behalf of such Guarantor by one of its Officers.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.1 will remain in full force and effect notwithstanding any absence of a notation of such Note Guarantee on any Note.

If an officer whose signature is on this Indenture (or a supplemental indenture substantially in form of Exhibit D hereof) no longer holds that office at the time the Trustee authenticates a Note, the Note Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors.

In the event that the Issuer or any of its Restricted Subsidiaries acquires or creates another Restricted Subsidiary after the Issue Date, the Issuer shall comply with the provisions of Section 4.6 hereof and this Article X, to the extent applicable.

Section 10.4. *Successors and Assigns.*

Except as otherwise provided in Section 10.9 hereof, this Article X shall be binding upon the Guarantors and their successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights in accordance with the terms of this Indenture by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture, the Notes and the Note Guarantees.

Section 10.5. *No Waiver.*

Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article X shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article X at law, in equity, by statute or otherwise.

Section 10.6. *Right of Contribution.*

Each Guarantor hereby agrees that to the extent that a Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder who has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of this Article X. The provisions of this Section 10.6 shall in no respect limit the obligations and liabilities of any Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

Section 10.7. *No Subrogation.*

Notwithstanding any payment or payments made by any of the Guarantors hereunder, no Guarantor shall be entitled to exercise any rights of subrogation it may have to any of the rights of the Trustee or any Holder against the Issuer or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Issuer or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Issuer on account of the Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Obligations.

Section 10.8. *Benefits Acknowledged.*

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Note Guarantee are knowingly made in contemplation of such benefits.

Section 10.9. *Modification.*

No modification, amendment or waiver of any provision of this Article X, nor the consent to any departure by the Guarantors therefrom, shall in any event be effective unless the same shall be made in accordance with Article IX hereof. No notice to or demand on the Guarantors in any case shall entitle the Guarantors to any other or further notice or demand in the same, similar or other circumstances.

Section 10.10. *Release of Note Guarantees.*

(a) A Guarantor will be released from its obligations under its Note Guarantee upon the occurrence of any of the following:

(1) in the event of (i) a sale or other disposition of all or substantially all of the assets of such Guarantor, by way of consolidation, merger, amalgamation, dividend, distribution or otherwise, to a Person that is not (either before or after giving effect to such transaction) the Issuer or a Restricted Subsidiary, *provided* that upon the completion of such sale or other disposition, such Guarantor ceases to exist, or (ii) a sale or other disposition of the Capital Stock of such Guarantor such that it ceases to be a Restricted Subsidiary, in the case of each of the foregoing clauses (i) and (ii) to the extent that such sale or other disposition is permitted under this Indenture;

(2) the release or discharge of the guarantee by, or direct obligation of, such Guarantor with respect to its obligations under the First Lien Term Loan Credit Agreement (including as a result of such Guarantor being designated as an “Unrestricted Subsidiary” under the First Lien Term Loan Credit Agreement), except a discharge or release by or a result of payment under such guarantee or direct obligation;

(3) if such Guarantor is designated as an Unrestricted Subsidiary in accordance with the applicable provisions of the 2026 Secured Notes Indenture, upon the effectiveness of such designation;

(4) upon payment in full in cash of the principal of, accrued and unpaid interest and premium (if any) on, the Notes; or

(5) upon the Issuer exercising its legal defeasance or covenant defeasance option in accordance with Section 8.1(b) hereof or the Issuer’s obligations under this Indenture otherwise being discharged in accordance with the terms of this Indenture.

(b) Upon delivery by the Issuer to the Trustee of an Officer’s Certificate stating that any of the conditions described in Sections 10.10(a)(1) through (a)(5) has occurred, the Trustee shall execute any supplemental indenture or other documents reasonably requested by the Issuer in order to evidence the release of any Guarantor from its obligations under its Note Guarantee and this Indenture.

ARTICLE XI COLLATERAL

Section 11.1. *Collateral Documents.*

The due and punctual payment of the principal of, premium and interest on the Notes when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium and interest on the Notes and performance of all other Notes Obligations of the Issuer and the Guarantors to the Holders, the Trustee or the Notes Collateral Agent under this Indenture, the Notes, the Note Guarantees, the First Lien Intercreditor Agreement and the Collateral Documents, according to the terms hereunder or thereunder, shall be secured as provided in the Collateral Documents, which provide for the terms of the Liens that secure the Notes Obligations, subject to the terms of the First Lien Intercreditor Agreement. The Trustee, the Issuer and the Guarantors hereby acknowledge and agree that the Notes Collateral Agent holds the Collateral in trust for the benefit of the Notes Secured Parties and pursuant to the terms of the Collateral Documents and the First Lien Intercreditor Agreement. Each Holder, by accepting a Note, consents and agrees to the terms of the Collateral Documents (including the provisions providing for the possession, use, release and foreclosure of Collateral) and the First Lien Intercreditor Agreement as the same may be in effect or may be amended from time to time in accordance with their terms and this Indenture, and authorizes and directs the Notes Collateral Agent to enter into the Collateral Documents and the First Lien Intercreditor Agreement on and after the Issue Date and to perform its obligations and exercise its rights thereunder in accordance therewith. The Issuer shall deliver to the Notes Collateral Agent copies of all documents required to be filed pursuant to the Collateral Documents, and will do or cause to be done all such acts and things as may be reasonably required by the next sentence of this Section 11.1, to assure and confirm to the Notes Collateral Agent the security interest in the Collateral contemplated hereby, by the Collateral Documents or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purposes herein expressed. On or following the Issue Date and subject to the First Lien Intercreditor Agreement, the Collateral Documents and this Indenture, the Issuer and the Guarantors shall execute any and all further documents, financing statements (including continuation statements and amendments to financing statements), agreements and instruments, and take all further action that may be reasonably required under applicable law, in order to grant, preserve, maintain, protect and perfect (or continue the perfection of) the validity and priority of the Liens and security interests created or intended to be created by the Collateral Documents in the Collateral, including by causing the Collateral Requirement to be and remain satisfied; *provided* that for so long as there are outstanding any First Lien Revolving Credit Obligations or First Lien Term Loan Obligations, no actions shall be required to be taken with respect to the perfection of the security interests in the Collateral to the extent such actions are not required to be taken with respect to the First Lien Revolving Credit Obligations or First Lien Term Loan Obligations, as applicable. Such security interests and Liens will be created under the Collateral Documents and other security agreements, mortgages, deeds of trust and other instruments and documents. With respect to Collateral constituting Material Real Property, the Issuer shall cause the Collateral Requirement to be satisfied within 90 days after the Issue Date.

Section 11.2. *Release of Collateral.*

(a) Collateral may be released from the Lien and security interest created by the Collateral Documents at any time and from time to time in accordance with the provisions of the Collateral Documents, the First Lien Intercreditor Agreement and this Indenture. Notwithstanding anything to the contrary in the Collateral Documents, the First Lien Intercreditor Agreement and this Indenture, the Issuer and the Guarantors will be entitled to the automatic release of property and other assets constituting Collateral from the Liens securing the Notes and the Notes Obligations under any one or more of the following circumstances:

(1) to consummate the sale, transfer or other disposition (including by the termination of capital leases or the repossession of the leased property in a capital lease by the lessor) of such property or assets (to a Person that is not the Issuer or a Subsidiary of the Issuer) to the extent not prohibited under Section 4.5;

(2) in the case of a Guarantor that is released from its Guarantee with respect to the Notes pursuant to this Indenture, the release of the property and assets of such Guarantor;

(3) the release of Excess Proceeds or Collateral Excess Proceeds that remain unexpended after the conclusion of an Asset Sale Offer conducted in accordance with this Indenture;

(4) if and to the extent such property constitutes an Excluded Asset; or

(5) as described under Article IX.

(b) The Liens on the Collateral securing the Notes and the Note Guarantees also will be released:

(1) upon payment in full of the principal of, together with accrued and unpaid interest on, the Notes and all other Notes Obligations under this Indenture, the Note Guarantees and the Collateral Documents that are due and payable at or prior to the time such principal, together with accrued and unpaid interest;

(2) upon a legal defeasance or covenant defeasance under this Indenture as described under Article VII, or a discharge of this Indenture as described under Section 8.1; or

(3) pursuant to the First Lien Intercreditor Agreement.

(c) With respect to any release of Collateral, upon receipt of an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent under this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement, as applicable, to such release have been met and that it is permitted for the Trustee and/or Notes Collateral Agent to execute and deliver the documents requested by the Issuer in connection with such release and any necessary or proper instruments of termination, satisfaction or release prepared by the Issuer, the Trustee and the Notes Collateral Agent shall, execute, deliver or acknowledge (at the Issuer's expense) such instruments or releases to evidence the release of any Collateral permitted to be released pursuant to this Indenture or the Collateral Documents or the First Lien Intercreditor Agreement and shall

do or cause to be done (at the Issuer's expense) all acts reasonably requested of them to release such Lien as soon as is reasonably practicable. Neither the Trustee nor the Notes Collateral Agent shall be liable for any such release undertaken in reliance upon any such Officer's Certificate or Opinion of Counsel, and notwithstanding any term hereof or in any Collateral Document or in the First Lien Intercreditor Agreement to the contrary, the Trustee and the Notes Collateral Agent shall not be under any obligation to release any such Lien and security interest, or execute and deliver any such instrument of release, satisfaction or termination, unless and until it receives such Officer's Certificate and Opinion of Counsel, upon which it shall be entitled to conclusively rely.

Section 11.3. *Suits to Protect the Collateral.*

Subject to the provisions of VII and the Collateral Documents and the First Lien Intercreditor Agreement, the Trustee may or may direct the Notes Collateral Agent to take all actions it determines in order to:

- (a) enforce any of the terms of the Collateral Documents; and
- (b) collect and receive any and all amounts payable in respect of the Notes Obligations hereunder.

Subject to the provisions of the Collateral Documents and the First Lien Intercreditor Agreement, the Trustee and the Notes Collateral Agent, at the Issuer's sole cost and expense, shall have power to institute and to maintain such suits and proceedings as the Trustee may determine to prevent any impairment of the Collateral by any acts which may be unlawful or in violation of any of the Collateral Documents or this Indenture, and such suits and proceedings as the Trustee may determine to preserve or protect its interests and the interests of the Holders in the Collateral. Nothing in this Section 11.3 shall be considered to impose any such duty or obligation to act on the part of the Trustee or the Notes Collateral Agent.

Section 11.4. *Authorization of Receipt of Funds by the Trustee Under the Collateral Documents.*

Subject to the provisions of the First Lien Intercreditor Agreement, the Trustee is authorized to receive any funds for the benefit of the Holders distributed under the Collateral Documents, and to make further distributions of such funds to the Holders according to the provisions of this Indenture.

Section 11.5. *Purchaser Protected.*

In no event shall any purchaser in good faith of any property purported to be released hereunder be bound to ascertain the authority of the Notes Collateral Agent or the Trustee to execute the applicable release or to inquire as to the satisfaction of any conditions required by the provisions hereof for the exercise of such authority or to see to the application of any consideration given by such purchaser or other transferee; nor shall any purchaser or other transferee of any property or rights permitted by this Article XI to be sold be under any obligation to ascertain or inquire into the authority of the Issuer or the applicable Guarantor to make any such sale or other transfer.

Section 11.6. *Powers Exercisable by Receiver or Trustee.*

In case the Collateral shall be in the possession of a receiver or trustee, lawfully appointed, the powers conferred in this Article XI upon the Issuer or a Guarantor with respect to the release, sale or other disposition of such property may be exercised by such receiver or trustee, and an instrument signed by such receiver or trustee shall be deemed the equivalent of any similar instrument of the Issuer or a Guarantor or of any Officer or Officers thereof required by the provisions of this Article XI; and if the Trustee or Notes Collateral Agent shall be in the possession of the Collateral under any provision of this Indenture, then such powers may be exercised by the Trustee or the Notes Collateral Agent.

Section 11.7. *[Reserved]*

Section 11.8. *Notes Collateral Agent.*

(a) The Issuer and each of the Holders by acceptance of the Notes hereby designates and appoints the Notes Collateral Agent as its agent under this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement, and the Issuer and each of the Holders by acceptance of the Notes hereby irrevocably authorizes the Notes Collateral Agent to take such action on its behalf under the provisions of this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement and to exercise such powers and perform such duties as are expressly delegated to the Notes Collateral Agent by the terms of this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement, and consents and agrees to the terms of the First Lien Intercreditor Agreement and each Collateral Document, as the same may be in effect or may be amended, restated, supplemented or otherwise modified from time to time in accordance with their respective terms. The Notes Collateral Agent agrees to act as such on the express conditions contained in this Section 11.8. Each Holder agrees that any action taken by the Notes Collateral Agent in accordance with the provision of this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents, and the exercise by the Notes Collateral Agent of any rights or remedies set forth herein and therein shall be authorized and binding upon all Holders. Notwithstanding any provision to the contrary contained elsewhere in this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement, the duties of the Notes Collateral Agent shall be ministerial and administrative in nature, and the Notes Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein and in the Collateral Documents and the First Lien Intercreditor Agreement to which the Notes Collateral Agent is a party, nor shall the Notes Collateral Agent have or be deemed to have any trust or other fiduciary relationship with the Trustee, any Holder or any Grantor, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement or otherwise exist against the Notes Collateral Agent. Without limiting the generality of the foregoing sentence, the use of the term “agent” in this Indenture with reference to the Notes Collateral Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) The Notes Collateral Agent may perform any of its duties under this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement by or through receivers, agents, employees, attorneys-in-fact or with respect to any specified Person, such Person's Affiliates, and the respective officers, directors, employees, agents, advisors and attorneys-in-fact of such Person and its Affiliates (a "*Related Person*"), and shall be entitled to advice of counsel concerning all matters pertaining to such duties, and shall be entitled to act upon, and shall be fully protected in taking action in reliance upon any advice or opinion given by legal counsel. The Notes Collateral Agent shall not be responsible for the negligence or misconduct of any receiver, agent, employee, attorney-in-fact or Related Person that it selects as long as such selection was made in good faith and with due care.

(c) None of the Notes Collateral Agent or any of its respective Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Indenture or the transactions contemplated hereby (except for its own gross negligence or willful misconduct) or under or in connection with any Collateral Document or the First Lien Intercreditor Agreement or the transactions contemplated thereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Trustee or any Holder for any recital, statement, representation, warranty, covenant or agreement made by the Issuer or any other Grantor or Affiliate of any Grantor, or any Officer or Related Person thereof, contained in this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement, or in any certificate, report, statement or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement, or for any failure of any Grantor or any other party to this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement to perform its obligations hereunder or thereunder. None of the Notes Collateral Agent or any of its respective Related Persons shall be under any obligation to the Trustee or any Holder to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement or to inspect the properties, books, or records of any Grantor or any Grantor's Affiliates.

(d) The Notes Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, certification, telephone message, statement, or other communication, document or conversation (including those by telephone or e-mail) believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including, without limitation, counsel to the Issuer or any other Grantor), independent accountants and other experts and advisors selected by the Notes Collateral Agent. The Notes Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, or other paper or document. The Notes Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement unless it shall first receive such advice or concurrence of the Trustee or the Holders of a majority in aggregate principal amount of the Notes as it determines and, if it so requests, it shall first be indemnified to its satisfaction by the Holders against any and all liability and expense which may be incurred by it by reason of

taking or continuing to take any such action. The Notes Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement in accordance with a request, direction, instruction or consent of the Trustee or the Holders of a majority in aggregate principal amount of the then outstanding Notes and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Holders.

(e) The Notes Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless a responsible officer of the Notes Collateral Agent shall have received written notice from the Trustee or the Issuer referring to this Indenture, describing such Default or Event of Default and stating that such notice is a “notice of default.” The Notes Collateral Agent shall take such action with respect to such Default or Event of Default as may be requested by the Trustee in accordance with Article VI or the Holders of a majority in aggregate principal amount of the Notes (subject to this Section 11.8).

(f) The Notes Collateral Agent may resign at any time by 30 days’ written notice to the Trustee and the Issuer, such resignation to be effective upon the acceptance of a successor agent to its appointment as Notes Collateral Agent. If the Notes Collateral Agent resigns under this Indenture, the Issuer shall appoint a successor collateral agent. If no successor collateral agent is appointed prior to the intended effective date of the resignation of the Notes Collateral Agent (as stated in the notice of resignation), the Trustee, at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may appoint a successor collateral agent, subject to the consent of the Issuer (which consent shall not be unreasonably withheld and which shall not be required during a continuing Event of Default). If no successor collateral agent is appointed and consented to by the Issuer pursuant to the preceding sentence within thirty (30) days after the intended effective date of resignation (as stated in the notice of resignation) the Notes Collateral Agent shall be entitled to petition a court of competent jurisdiction to appoint a successor. Upon the acceptance of its appointment as successor collateral agent hereunder, such successor collateral agent shall succeed to all the rights, powers and duties of the retiring Notes Collateral Agent, and the term “Notes Collateral Agent” shall mean such successor collateral agent, and the retiring Notes Collateral Agent’s appointment, powers and duties as the Notes Collateral Agent shall be terminated. After the retiring Notes Collateral Agent’s resignation hereunder, the provisions of this Section 11.8 (and Section 7.6) shall continue to inure to its benefit and the retiring Notes Collateral Agent shall not by reason of such resignation be deemed to be released from liability as to any actions taken or omitted to be taken by it while it was the Notes Collateral Agent under this Indenture.

(g) Computershare Trust Company, N.A. shall initially act as Notes Collateral Agent and shall be authorized to appoint co-Notes Collateral Agents as necessary in its sole discretion. Except as otherwise explicitly provided herein or in the Collateral Documents or the First Lien Intercreditor Agreement, neither the Notes Collateral Agent nor any of its respective officers, directors, employees or agents or other Related Persons shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The Notes Collateral Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Notes Collateral Agent nor any of its officers, directors,

employees or agents shall be responsible for any act or failure to act hereunder, except for its own gross negligence or willful misconduct.

(h) The Notes Collateral Agent is authorized and directed to (i) enter into the Collateral Documents to which it is party, whether executed on or after the Issue Date, (ii) enter into the Joinder Agreement, (iii) make the representations of the Holders set forth in the Collateral Documents and First Lien Intercreditor Agreement, (iv) bind the Holders on the terms as set forth in the Collateral Documents and the First Lien Intercreditor Agreement and (v) perform and observe its obligations under the Collateral Documents and the First Lien Intercreditor Agreement.

(i) If at any time or times the Trustee shall receive (i) by payment, foreclosure, set-off or otherwise, any proceeds of Collateral or any payments with respect to the Notes Obligations arising under, or relating to, this Indenture, except for any such proceeds or payments received by the Trustee from the Notes Collateral Agent pursuant to the terms of this Indenture, or (ii) payments from the Notes Collateral Agent in excess of the amount required to be paid to the Trustee pursuant to Article VII, the Trustee shall promptly turn the same over to the Notes Collateral Agent, in kind, and with such endorsements as may be required to negotiate the same to the Notes Collateral Agent such proceeds to be applied by the Notes Collateral Agent pursuant to the terms of this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement.

(j) The Notes Collateral Agent is each Holder's agent for the purpose of perfecting the Holders' security interest in assets which, in accordance with Article 9 of the Uniform Commercial Code or the PPSA, as applicable, can be perfected only by possession. Should the Trustee obtain possession of any such Collateral, upon request from the Issuer, the Trustee shall notify the Notes Collateral Agent thereof and promptly shall deliver such Collateral to the Notes Collateral Agent or otherwise deal with such Collateral in accordance with the Notes Collateral Agent's instructions.

(k) The Notes Collateral Agent shall have no obligation whatsoever to the Trustee or any of the Holders to assure that the Collateral exists or is owned by any Grantor or is cared for, protected, or insured or has been encumbered, or that the Notes Collateral Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected, maintained or enforced or are entitled to any particular priority, or to determine whether all of the Grantor's property constituting Collateral intended to be subject to the Lien and security interest of the Collateral Documents has been properly and completely listed or delivered, as the case may be, or the genuineness, validity, marketability or sufficiency thereof or title thereto, or to exercise at all or in any particular manner or under any duty of care, disclosure, or fidelity, or to continue exercising, any of the rights, authorities, and powers granted or available to the Notes Collateral Agent pursuant to this Indenture, any Collateral Document or the First Lien Intercreditor Agreement other than pursuant to the instructions of the Trustee or the Holders of a majority in aggregate principal amount of the Notes or as otherwise provided in the Collateral Documents. Neither the Trustee nor the Notes Collateral Agent shall have any duty or obligation to monitor the condition, financial or otherwise, of any Grantor.

(l) If the Issuer or any Guarantor (i) incurs any First Lien Obligations at any time when no applicable intercreditor agreement is in effect or at any time when Indebtedness constituting First Lien Obligations entitled to the benefit of an existing intercreditor agreement is

concurrently retired, and (ii) delivers to the Notes Collateral Agent an Officer's Certificate so stating and requesting the Notes Collateral Agent to enter into an intercreditor agreement (on substantially the same terms as the First Lien Intercreditor Agreement) in favor of a designated agent or representative for the holders of the First Lien Obligations so incurred, together with an Opinion of Counsel, the Holders acknowledge and agree that the Notes Collateral Agent shall (and is hereby authorized and directed to) enter into such intercreditor agreement (at the sole expense and cost of the Issuer, including legal fees and expenses of the Notes Collateral Agent), bind the Holders on the terms set forth therein and perform and observe its obligations thereunder; *provided* that neither an Officer's Certificate nor an Opinion of Counsel shall be required in connection with the Joinder Agreement to be entered into by the Notes Collateral Agent on the Issue Date.

(m) No provision of this Indenture, the First Lien Intercreditor Agreement or any Collateral Document shall require the Notes Collateral Agent (or the Trustee) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Holders (or the Trustee in the case of the Notes Collateral Agent) unless it shall have received indemnity satisfactory to the Notes Collateral Agent and the Trustee against potential costs and liabilities incurred by the Notes Collateral Agent relating thereto. Notwithstanding anything to the contrary contained in this Indenture, the First Lien Intercreditor Agreement or the Collateral Documents, in the event the Notes Collateral Agent is entitled or required to commence an action to foreclose or otherwise exercise its remedies to acquire control or possession of the Collateral, the Notes Collateral Agent shall not be required to commence any such action or exercise any remedy or to inspect or conduct any studies of any property under the mortgages or take any such other action if the Notes Collateral Agent has determined that the Notes Collateral Agent may incur personal liability as a result of the presence at, or release on or from, the Collateral or such property, of any hazardous substances. The Notes Collateral Agent shall at any time be entitled to cease taking any action described in this clause if it no longer reasonably deems any indemnity, security or undertaking from the Issuer or the Holders to be sufficient.

(n) The Notes Collateral Agent (i) shall not be liable for any action taken or omitted to be taken by it in connection with this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents or instrument referred to herein or therein, except to the extent that any of the foregoing are found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from its own gross negligence or willful misconduct, (ii) shall not be liable for interest on any money received by it except as the Notes Collateral Agent may agree in writing with the Issuer (and money held in trust by the Notes Collateral Agent need not be segregated from other funds except to the extent required by law) and (iii) may consult with counsel of its selection and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it in good faith and in accordance with the advice or opinion of such counsel. The grant of permissive rights or powers to the Notes Collateral Agent shall not be construed to impose duties to act.

(o) Neither the Notes Collateral Agent nor the Trustee shall be liable for delays or failures in performance resulting from acts beyond its control. Such acts shall include but not be

limited to acts of God, strikes, lockouts, riots, acts of war, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes or other disasters. Neither the Notes Collateral Agent nor the Trustee shall be liable for any indirect, special, punitive, incidental or consequential damages (included but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

(p) The Notes Collateral Agent does not assume any responsibility for any failure or delay in performance or any breach by the Issuer or any other Grantor under this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents. The Notes Collateral Agent shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture, the Collateral Documents, the First Lien Intercreditor Agreement, any Notes or in any certificate, report, statement, or other document referred to or provided for in, or received by the Notes Collateral Agent under or in connection with, this Indenture, the First Lien Intercreditor Agreement or any Collateral Document; the execution, validity, genuineness, effectiveness or enforceability of this Indenture, the First Lien Intercreditor Agreement and any Collateral Documents of any other party thereto; the genuineness, enforceability, collectability, value, sufficiency, location or existence of any Collateral, or the validity, effectiveness, enforceability, sufficiency, extent, perfection or priority of any Lien therein; the validity, enforceability or collectability of any Notes Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Notes Obligations under this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents. The Notes Collateral Agent shall have no obligation to any Holder or any other Person to ascertain or inquire into the existence of any Default or Event of Default, the observance or performance by any obligor of any terms of this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents, or the satisfaction of any conditions precedent contained in this Indenture, the First Lien Intercreditor Agreement and any Collateral Documents. The Notes Collateral Agent shall not be required to initiate or conduct any litigation or collection or other proceeding under this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents unless expressly set forth hereunder or thereunder. The Notes Collateral Agent shall have the right at any time to seek instructions from the Holders with respect to the administration of this Indenture, the Collateral Documents and the First Lien Intercreditor Agreement.

(q) The parties hereto and the Holders hereby agree and acknowledge that neither the Notes Collateral Agent nor the Trustee shall assume, be responsible for or otherwise be obligated for any liabilities, claims, causes of action, suits, losses, allegations, requests, demands, penalties, fines, settlements, damages (including foreseeable and unforeseeable), judgments, expenses and costs (including but not limited to, any remediation, corrective action, response, removal or remedial action, or investigation, operations and maintenance or monitoring costs, for personal injury or property damages, real or personal) of any kind whatsoever, pursuant to any environmental law as a result of this Indenture, the First Lien Intercreditor Agreement, the Collateral Documents or any actions taken pursuant hereto or thereto. Further, the parties hereto and the Holders hereby agree and acknowledge that in the exercise of its rights under this Indenture, the First Lien Intercreditor Agreement and the Collateral Documents, the Notes Collateral Agent may hold or obtain indicia of ownership primarily to protect the security interest of the Notes Collateral Agent in the Collateral and that any such actions taken by the Notes

Collateral Agent shall not be construed as or otherwise constitute any participation in the management of such Collateral. In the event that the Notes Collateral Agent or the Trustee is required to acquire title to an asset for any reason, or take any managerial action of any kind in regard thereto, in order to carry out any fiduciary or trust obligation for the benefit of another, which in the Notes Collateral Agent or the Trustee's sole discretion may cause the Notes Collateral Agent or the Trustee to be considered an "owner or operator" under the provisions of the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. §9601, et seq., or otherwise cause the Notes Collateral Agent or the Trustee to incur liability under CERCLA or any other federal, state, provincial or local law, the Notes Collateral Agent and the Trustee each reserves the right, instead of taking such action, to either resign as the Notes Collateral Agent or the Trustee or arrange for the transfer of the title or control of the asset to a court-appointed receiver. Neither the Notes Collateral Agent nor the Trustee shall be liable to the Issuer, the Guarantors or any other Person for any environmental claims or contribution actions under any federal, state, provincial or local law, rule or regulation by reason of the Notes Collateral Agent or the Trustee's actions and conduct as authorized, empowered and directed hereunder or relating to the discharge, release or threatened release of hazardous materials into the environment. If at any time it is necessary or advisable for property to be possessed, owned, operated or managed by any Person (including the Notes Collateral Agent or the Trustee) other than the Issuer or the Guarantors, Holders of a majority in aggregate principal amount of the then outstanding Notes shall direct the Notes Collateral Agent or the Trustee to appoint an appropriately qualified Person (excluding the Notes Collateral Agent or the Trustee) who they shall designate to possess, own, operate or manage, as the case may be, the property.

(r) Upon the receipt by the Notes Collateral Agent of a written request of the Issuer signed by an Officer (a "Collateral Document Order"), the Notes Collateral Agent is hereby authorized to execute and enter into, and shall execute and enter into, without the further consent of any Holder or the Trustee, any Collateral Document or amendment or supplement thereto to be executed after the Issue Date. Such Collateral Document Order shall (i) state that it is being delivered to the Notes Collateral Agent pursuant to, and is a Collateral Document Order referred to in, this Section 11.8(r), and (ii) instruct the Notes Collateral Agent to execute and enter into such Collateral Document. Any such execution of a Collateral Document shall be at the direction and expense of the Issuer, upon delivery to the Notes Collateral Agent of an Officer's Certificate and Opinion of Counsel stating that all conditions precedent to the execution and delivery of the Collateral Document have been satisfied. The Holders, by their acceptance of the Notes, hereby authorize and direct the Notes Collateral Agent to execute such Collateral Documents.

(s) Subject to the provisions of the applicable Collateral Documents and the First Lien Intercreditor Agreement, each Holder, by acceptance of the Notes, agrees that the Notes Collateral Agent shall execute and deliver the First Lien Intercreditor Agreement and the Collateral Documents to which it is a party and all agreements, documents and instruments incidental thereto, and act in accordance with the terms thereof. For the avoidance of doubt, the Notes Collateral Agent shall have no discretion under this Indenture, the First Lien Intercreditor Agreement or the Collateral Documents and shall not be required to make or give any determination, consent, approval, request or direction without the written direction of the Holders of a majority in aggregate principal amount of the then outstanding Notes or the Trustee, as applicable.

(t) After the occurrence and during the continuance of an Event of Default, the Trustee, acting at the direction of the Holders of a majority of the aggregate principal amount of the Notes then outstanding, may direct the Notes Collateral Agent in connection with any action required or permitted by this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement.

(u) The Notes Collateral Agent is authorized to receive any funds for the benefit of itself, the Trustee and the Holders distributed under the Collateral Documents or the First Lien Intercreditor Agreement and to the extent not prohibited under the First Lien Intercreditor Agreement, for turnover to the Trustee to make further distributions of such funds to itself, the Trustee and the Holders in accordance with the provisions of Section 6.10 and the other provisions of this Indenture.

(v) In each case that the Notes Collateral Agent may or is required hereunder or under any Collateral Document or the First Lien Intercreditor Agreement to take any action (an “Action”), including without limitation to make any determination, to give consents, to exercise rights, powers or remedies, to release or sell Collateral or otherwise to act hereunder or under any Collateral Document or the First Lien Intercreditor Agreement, the Notes Collateral Agent may seek direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. The Notes Collateral Agent shall not be liable with respect to any Action taken or omitted to be taken by it in accordance with the direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes. If the Notes Collateral Agent shall request direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes with respect to any Action, the Notes Collateral Agent shall be entitled to refrain from such Action unless and until the Notes Collateral Agent shall have received direction from the Holders of a majority in aggregate principal amount of the then outstanding Notes, and the Notes Collateral Agent shall not incur liability to any Person by reason of so refraining.

(w) Notwithstanding anything to the contrary in this Indenture or in any Collateral Document or the First Lien Intercreditor Agreement, in no event shall the Notes Collateral Agent or the Trustee be responsible for, or have any duty or obligation with respect to, the recording, filing, registering, perfection, protection or maintenance of the security interests or Liens intended to be created by this Indenture, the Collateral Documents or the First Lien Intercreditor Agreement (including without limitation the filing or continuation of any UCC or PPSA financing or continuation statements or similar documents or instruments), nor shall the Notes Collateral Agent or the Trustee be responsible for, and neither the Notes Collateral Agent nor the Trustee makes any representation regarding, the validity, effectiveness or priority of any of the Collateral Documents or the First Lien Intercreditor Agreement or the security interests or Liens intended to be created thereby.

(x) Before the Notes Collateral Agent acts or refrains from acting in each case at the request or direction of the Issuer or the Guarantors, it may require an Officer’s Certificate and an Opinion of Counsel, which shall conform to the provisions of Section 12.4. The Notes Collateral Agent shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.

(y) Notwithstanding anything to the contrary contained herein, the Notes Collateral Agent shall act pursuant to the instructions of the Holders and the Trustee solely with respect to the Collateral Documents and the Collateral.

(z) The rights, privileges, benefits, immunities, indemnities and other protections given to the Trustee are extended to, and shall be enforceable by, the Notes Collateral Agent as if the Notes Collateral Agent were named as the Trustee herein and the Collateral Documents were named as this Indenture herein.

Section 12.5. *When Notes Disregarded.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

Section 12.6. *Legal Holidays.*

A “*Legal Holiday*” is a day that is not a Business Day. Notwithstanding any other provisions of this Indenture, the Notes, the Collateral Documents or the Note Guarantees, if a payment date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a record date is a Legal Holiday, the record date shall not be affected.

Section 12.7. *Governing Law; Submission to Jurisdiction.*

(a) THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES ARE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

(b) The Issuer, each of the Guarantors and the Trustee agree that any suit, action or proceeding arising out of or based upon this Indenture, the Notes or the Note Guarantees may be instituted in any State or U.S. federal court located in The City of New York and County of New York, and waives any objection that such party may now or hereafter have to the laying of venue of any such proceeding, and irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. Nothing in this Indenture, the Notes or the Collateral Documents shall affect any right that the Trustee, the Notes Collateral Agent or any Holder may otherwise have to bring any suit, action or proceeding relating to this Indenture, the Notes, any Collateral Document, the Guarantees or the transactions contemplated hereby against the Issuer or any Guarantor or its properties in the courts of any jurisdiction.

(c) The Issuer has appointed Corporation Services Company, located at 1180 Avenue of the Americas, Suite 210, New York, New York 10036-8401, United States, and each Guarantor incorporated, formed or otherwise organized outside of the United States (the “*Foreign Guarantors*”) has appointed GFL Environmental USA Inc., located at 26999 Central Park Blvd., Suite 200, Southfield, Michigan 48076, as their respective authorized agents (each, an “*Authorized*

Agent”) upon whom process may be served in any such action arising out of or based on this Indenture, the Notes, the Collateral Documents, the Note Guarantees or the transactions contemplated hereby or thereby that may be instituted in any federal or state court in the Borough of Manhattan in the City of New York, New York, expressly consents to the jurisdiction of any such court in respect of any such action, and waives any other requirements of or objections to personal jurisdiction with respect thereto. Such appointment shall be irrevocable. The Issuer represents and warrants that its Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the filing of any and all documents and instruments, which may be necessary to continue such appointment in full force and effect as stated above. Service of process upon the Issuer’s Authorized Agent and written notice of such service to the Issuer shall be deemed, in every respect, effective service of process upon the Issuer. Service of process upon a Foreign Guarantor’s Authorized Agent and written notice of such service to such Foreign Guarantor shall be deemed, in every respect, effective service of process upon such Foreign Guarantor.

Section 12.8. *Waiver of Jury Trial.*

EACH OF THE ISSUER, THE GUARANTORS, THE TRUSTEE AND THE NOTES COLLATERAL AGENT HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.9. *Force Majeure.*

In no event shall the Trustee or the Notes Collateral Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 12.10. *No Personal Liability of Directors, Officers, Employees and Shareholders.*

No past, present or future director, officer, employee, incorporator, member, partner, trustee, beneficiary or shareholder of the Issuer, any Guarantor or any of their Affiliates, as such, will have any liability for any obligations of the Issuer or any Guarantor under the Notes, this Indenture, or the Note Guarantees, the Collateral Documents, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 12.11. *Successors.*

All agreements of the Issuer and (except as otherwise provided in Section 10.9 hereof) the Guarantors in this Indenture, the Notes, the Collateral Documents and the Note Guarantees shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

Section 12.12. *Multiple Originals; Counterparts.*

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. One signed copy is enough to prove this Indenture. This Indenture may be executed in multiple counterparts which, when taken together, shall constitute one instrument. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Indenture or any document to be signed in connection with this Indenture shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 12.13. *Severability.*

In case any provision in this Indenture or in the Notes or the Collateral Documents or the Note Guarantees is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.14. *Table of Contents; Headings.*

The table of contents, cross-reference sheet and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

Section 12.15. *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Issuer or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.16. *Acts of Holders.*

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by the Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing, and may be given or obtained in connection with a purchase of, or tender offer or exchange offer for, outstanding Notes; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or

instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the “Act” of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer if made in the manner provided in this Section 12.6.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such witness, notary or officer the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) Notwithstanding anything to the contrary contained in this Section 12.6, the principal amount and serial numbers of Notes held by any Holder, and the date of holding the same, shall be proved by the register of the Notes maintained by the Registrar as provided in Section 2.3.

(d) If the Issuer shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Issuer may, at its option, by or pursuant to a resolution of its Board of Directors, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Issuer shall have no obligation to do so. Such record date shall be the record date specified in or pursuant to such Board Resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith or the date of the most recent list of Holders forwarded to the Trustee prior to such solicitation pursuant to Section 2.5 and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of the then outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the then outstanding Notes shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration or transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(f) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so itself with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

(g) For purposes of this Indenture, any action by the Holders which may be taken in writing may be taken by electronic means or as otherwise reasonably acceptable to the Trustee.

Section 12.17. Indemnification for Non-U.S. Dollar Currency Judgments.

(a) The obligations of the Issuer or any Guarantor to any Holder of Notes or the Trustee shall, notwithstanding any judgment in a currency (the “*Judgment Currency*”) other than U.S. dollars (the “*Agreement Currency*”), be discharged only to the extent that on the first Business Day following receipt by such Holder of Notes or the Trustee, as the case may be, of any amount in the Judgment Currency, such Holder of Notes or the Trustee may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency in New York, New York. If the amount of the Agreement Currency that could be so purchased is less than the amount originally to be paid to such Holder of Notes or the Trustee, as the case may be, in the Agreement Currency, the Issuer and each Guarantor agrees, as a separate obligation and notwithstanding such judgment, to pay to such Holder of Notes or the Trustee, as the case may be, the difference, and if the amount of the Agreement Currency that could be so purchased exceeds the amount originally to be paid to such Holder of Notes or the Trustee, as the case may be, such Holder of Notes or the Trustee, as the case may be, agrees to pay to or for the account of the Issuer such excess, *provided* that such Holder of Notes or the Trustee, as the case may be, shall not have any obligation to pay any such excess as long as a default by the Issuer or any Guarantor in its obligations in respect of its obligations to pay when due any principal of, or interest, premium, if any, liquidated damages, if any, or Additional Amounts, if any, on the Notes, or any other amounts due under this Indenture or the Note Guarantees has occurred and is continuing, in which case such excess may be applied by such Holder of Notes or the Trustee, as the case may be, to such payment obligations.

(b) The provisions of this Section 12.17 shall apply irrespective of any indulgence granted to the Issuer or any Guarantor from time to time and shall continue in full force and effect notwithstanding any payment by or on behalf of the Issuer or any Guarantor, and any amount due from the Issuer under this Section 12.17 will be due as a separate payment and shall not be affected by any judgment obtained or claims made for any other sums due under or in respect of this Indenture.

Section 12.18. Interest Act (Canada).

Solely for purposes of disclosure under the Interest Act (Canada), the yearly rate of interest to which interest is calculated under a Note for any period in any calendar year (the “*Calculation Period*”) is equivalent to the rate payable under a Note in respect of the Calculation Period multiplied by a fraction the numerator of which is the actual number of days in such calendar year and the denominator of which is the actual number of days in the Calculation Period.

[BACK OF NOTE]
GFL ENVIRONMENTAL INC.
3.500% SENIOR SECURED NOTES DUE 2028

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* GFL Environmental Inc., a corporation organized under the laws of the Province of Ontario (such Person, and its respective successors and assigns under the Indenture hereinafter referred to, being herein called the “*Issuer*”), promises to pay interest on the outstanding principal amount of this Note at the rate of 3.500% per annum from December 21, 2020¹ until maturity. The Issuer will pay interest semi-annually in arrears on March 1 and September 1 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “*Interest Payment Date*”); *provided*, that the first Interest Payment Date will be September 1, 2021. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest will accrue from such next succeeding Interest Payment Date. The Issuer will pay, to the extent lawful, interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, at the rate then in effect; it will pay, to the extent lawful, interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate as on overdue principal. Interest will be computed on the basis of a 360-day year of twelve 30-day months. Solely for purposes of disclosure under the Interest Act (Canada), the yearly rate of interest to which interest is calculated under a Note for any period in any calendar year (the “*Calculation Period*”) is equivalent to the rate payable under a Note in respect of the Calculation Period multiplied by a fraction the numerator of which is the actual number of days in such calendar year and the denominator of which is the actual number of days in the Calculation Period.

2. *Method of Payment.* The Issuer will pay interest on the Notes (except Defaulted Interest) to the Persons who are registered Holders of Notes at the close of business on the February 15 or August 15 next preceding the Interest Payment Date, even if such Notes are cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.11 of the Indenture with respect to Defaulted Interest. The Notes will be payable as to principal, premium, if any, and interest by, in the case of Notes represented by the Global Notes, wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or its nominee and, in the case of Definitive Notes, wire transfer of immediately available funds to the accounts specified by the Holders of the Notes or, if no such account is specified, by mailing a check to each such Holder at its address set forth in the register of Holders. Such payment will be in such coin or currency of the United States of America as at the

¹ In the case of Notes issued on the Issue Date.

time of payment is legal tender for payment of public and private debts. Holders must surrender their Notes to the Paying Agent to collect payments of principal and premium, if any.

3. *Paying Agent and Registrar.* Initially, Computershare Trust Company, N.A. will act as Paying Agent and Registrar. The Issuer may appoint and change any Paying Agent or Registrar without prior notice to any Holder, and the Issuer or any of its Subsidiaries may act as Paying Agent or Registrar, all in accordance with the Indenture.

4. *Indenture.* The Issuer issued the Notes under an Indenture, dated as of December 21, 2020 (as amended, supplemented or otherwise modified from time to time, the “*Indenture*”), among the Issuer, the Guarantors and Computershare Trust Company, N.A., as the Trustee and Notes Collateral Agent. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling (to the extent permitted by law). The Notes are secured obligations of the Issuer. The Issuer initially has issued US\$750,000,000 in aggregate principal amount of Notes. The Issuer may issue Additional Notes under the Indenture.

5. *Optional Redemption.*

(a) At any time prior to March 1, 2028 (the “*Par Call Date*”), the Issuer may on any one or more occasions redeem all or a part of the Notes at a Redemption Price equal to the greater of (1) 100% of the principal amount of the Notes redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the Redemption Date) that would be due if the Notes matured on the Par Call Date, discounted to the Redemption Date for the Notes on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 50 basis points, plus accrued and unpaid interest thereon to the Redemption Date.

(b) Notwithstanding Section 5(a), installments of interest on the Notes to be redeemed that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the Interest Payment Date to the registered Holders as of the close of business on the relevant Record Date.

(c) On or after the Par Call Date, the Issuer may, on any one or more occasions, redeem all or a part of the Notes at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest thereon to the Redemption Date.

(d) If, as a result of:

- (1) any amendment to, or change in, the laws or treaties (or regulations or rulings promulgated thereunder) of any Relevant Taxing Jurisdiction which is announced and becomes effective on or after the Issue Date (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date); or
- (2) any amendment to, or change in, the existing official position or the introduction of an official position regarding the application,

interpretation, administration or assessing practices of any such laws, regulations or rulings of any Relevant Taxing Jurisdiction, or a judicial decision rendered by a court of competent jurisdiction (whether or not made, taken or reached with respect to the Issuer or any of the Guarantors) which is announced and becomes effective on or after the Issue Date (or, where a jurisdiction in question does not become a Relevant Taxing Jurisdiction until a later date, such later date),

the Issuer or any Guarantor has become or will become obligated to pay, on the next date on which any amount would be payable with respect to the Notes or a Note Guarantee, as applicable, Additional Amounts or indemnification payments as described under Section 4.15 of the Indenture with respect to the Relevant Taxing Jurisdiction, which payment the Issuer or the Guarantor cannot avoid with the use of reasonable measures available to it (including making payment through a paying agent located in another jurisdiction), then the Issuer may, at its option, redeem all but not less than all of the Notes, upon not more than 60 days' notice prior to the earliest date on which the Issuer or a Guarantor, as applicable, would be required to pay such Additional Amounts or indemnification payments, at a Redemption Price of 100% of their principal amount, plus accrued and unpaid interest, if any, to the Redemption Date. Prior to the giving of any notice of redemption described in Section 3.8 of the Indenture, the Issuer will deliver to the Trustee a written opinion of independent legal counsel to the Issuer or the Guarantor, as applicable, of recognized standing to the effect that the Issuer or the Guarantor, as applicable, has or will become obligated to pay such Additional Amounts or indemnification payments as a result of an amendment or change as set forth in Section 3.8 of the Indenture.

(e) The Issuer may redeem all of the Notes that remain outstanding, at the Redemption Price and subject to the terms and conditions set forth in Section 4.7(i) of the Indenture.

Unless the Issuer defaults in the payment of the Redemption Price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

Except as set forth in paragraph 6, the Issuer is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

6. *Mandatory Redemption.*

Except as provided in the Indenture, the Issuer shall not be required to make any mandatory or sinking fund payments with respect to the Notes.

7. *Denominations, Transfer, Exchange.* The Notes are in registered form without coupons in minimum denominations of US\$2,000 and integral multiples of US\$1,000 in excess thereof. The Issuer shall notify the Trustee and any Holder promptly of a change to the minimum denomination of any Notes. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar or the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any tax or similar charge or other fee required by law and payable in

connection therewith or permitted by the Indenture. The Issuer is not required to exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer is not required to exchange or register the transfer of any Notes for a period of 15 days before the day of any selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

8. *Persons Deemed Owners.* The registered Holder of a Note may be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

9. *Amendment, Supplement and Waiver.* Subject to certain exceptions, the Indenture, the Notes and the Collateral Documents may be amended or supplemented with the written consent of the Holders of at least a majority in outstanding principal amount of the Notes, and any existing Default or compliance with any provision of the Indenture, the Notes, the Note Guarantees or the Collateral Documents may be waived with the written consent of the Holders of at least a majority in outstanding principal amount of the Notes. Without the consent of any Holder of a Note, the Indenture, the Notes, the Note Guarantees or the Collateral Documents may be amended or supplemented with respect to certain matters specified in the Indenture.

10. *Defaults.* If an Event of Default shall occur and be continuing, the principal of all the Notes may be declared (or will become) due and payable in the manner and with the effect provided in the Indenture.

11. *Defeasance.* The Indenture contains provisions for defeasance of (i) the entire indebtedness of the Issuer on this Note and (ii) certain restrictive covenants and the related Events of Default, subject to compliance by the Issuer with certain conditions set forth in the Indenture, which provisions apply to this Note.

12. *Note Guarantees.* The Issuer's obligations under the Notes are fully and unconditionally guaranteed, jointly and severally, by the Guarantors.

13. *Authentication.* This Note will not be valid until authenticated by the manual or electronic signature of the Trustee or an Authenticating Agent.

14. *Abbreviations.* Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (=tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (=Custodian), and U/G/M/A (=Uniform Gifts to Minors Act).

15. *Governing Law.* THE INDENTURE, THIS NOTE AND THE NOTE GUARANTEES ARE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

16. *CUSIP Numbers.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP, ISIN or similar numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such

numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
