Forward Looking Statements

This news release includes certain “forward-looking statements” within the meaning of applicable securities laws, including statements relating to the proposed Offering. In some cases, forward-looking statements can be identified by the use of forward-looking terminology such as “plans”, “targets”, “expects”, “believes”, “could” or “potential” or variations of such words. Forward-looking statements are based on our opinions, estimates and assumptions in light of our experience, track record and perception of historical trends, current conditions, growth opportunities and expected future developments, as well as other factors that we currently believe are appropriate and reasonable in the circumstances. Completion of the proposed Offering is subject to numerous factors, many of which are beyond GFL’s control, including but not limited to, the failure of customary closing conditions and other important factors disclosed previously and from time to time, including, without limitation, risks identified in the “Risk Factors” section of GFL’s Annual Report on Form 20-F for the fiscal year ended December 31, 2020, and in our other public filings filed with Canadian Securities Commissions and the SEC. There can be no assurance that the underlying opinions, estimates and assumptions will prove to be correct. Accordingly, we caution investors not to rely on the forward-looking information contained in this news release when making an investment decision in our securities. The forward-looking information contained in this news release represents our expectations as of the date of this news release (or as the date they are otherwise stated to be made), and are subject to change after such date. However, we disclaim any intention or obligation or undertaking to update or revise any forward-looking information whether as a result of new information, future events or otherwise, except as required under applicable U.S. or Canadian securities laws.
