Office of the Superintendent of Securities (Nunavut)

Dear Sirs/Mesdames:

**Re: Base Shelf Prospectus of GFL Environmental Inc. (the “Issuer”) dated November 20, 2025 (the “Base Shelf Prospectus”)**

Please be advised that the Issuer is relying on OSC Rule 44-503 – *Exemption from Certain Prospectus Requirements for Well-known Seasoned Issuers* (the “Ontario Rule”) and equivalent orders or instruments in each of the other provinces and territories of Canada as contemplated by CSA Staff Notice 44-306 – *Blanket Orders Exempting Well-known Seasoned Issuers from Certain Prospectus Requirements*, as amended or extended, (together with the Ontario Rule, the “Orders”) with respect to the filing of its Base Shelf Prospectus. This letter is delivered pursuant to paragraph 2(l) of the Ontario Rule and the equivalent of such paragraph in each of the other Orders.

The Issuer satisfies the definition of “well-known seasoned issuer” or “WKSI” in the Orders by virtue of the fact that, as of November 19, 2025, the Issuer’s public float (as defined in the Orders) of outstanding listed equity securities was CAD\$17,240,326,439.00.

The Issuer is eligible to file a short form prospectus in reliance on section 2.2 of National Instrument 44-101 – *Short Form Prospectus Distributions* (“NI 44-101”).

For and on behalf of the Issuer, and without personal liability, the undersigned certifies that:

- (a) the Issuer meets the definition of a WKSI (as defined in the Orders) as of a date within 60 days preceding the date hereof;
- (b) the Issuer is and has been a reporting issuer in at least one jurisdiction of Canada for 12 months;
- (c) the Issuer is eligible to file a short form prospectus and has satisfied the criteria of section 2.2 of NI 44-101;

- (d) the Issuer has satisfied the requirements to be qualified to file a short form prospectus under section 2.8 of NI 44-101;
- (e) the Issuer is not an ineligible issuer (as defined in the Orders);
- (f) the Issuer is not an investment fund;
- (g) the Issuer has no outstanding asset-backed securities;
- (h) the Base Shelf Prospectus:
  - (i) complies with the requirements of National Instrument 41-101 *General Prospectus Requirements*, NI 44-101, and National Instrument 44-102 *Shelf Distributions* (except as exempted or otherwise as provided in paragraphs 11 and 12 of the Orders);
  - (ii) does not qualify the distribution of any asset-backed security;
  - (iii) includes as part of the basic disclosure about the distribution the following statement on the cover page: “filed in reliance on an exemption from the preliminary base shelf prospectus requirement for a well-known seasoned issuer”; and
  - (iv) includes cover page disclosure confirming that the Issuer qualifies as a WKSI and the date of that determination;
- (i) the Issuer is filing this letter in place of a preliminary base shelf prospectus in compliance with the requirements of the Orders;
- (j) concurrently with the filing of the Base Shelf Prospectus and this letter, the Issuer has paid the fee otherwise required for the filing of a preliminary short form prospectus; and
- (k) the Issuer has delivered to the regulator any personal information forms that would be required under section 4.1 of NI 44-101 if the Issuer were filing a preliminary short form prospectus.

***[Remainder of this page is intentionally left blank; Signature page follows.]***

If you have any questions or require further information in respect of the foregoing, please do not hesitate to contact external legal counsel for the Issuer at 416-869-5205 or [jhershenfield@stikeman.com](mailto:jhershenfield@stikeman.com).

**GFL ENVIRONMENTAL INC.**
