The determination of the Performance Multiplier by the Committee shall be conclusive and binding on the Participants. Following the determination of the Performance Multiplier for a Performance Period, the Committee shall, in its determination:

- (a) provide the Participant with a Payout in such number of Common Shares issued by the Corporation or purchased by the Administrator on the open market on the Participant's behalf, calculated by multiplying A x B where A is the number of Vested PSUs in the Participant's Account on the Vesting Date relating to the relevant Performance Period and B is the Performance Multiplier for the Performance Period; or
- (b) pay the Participant a cash Payout calculated by multiplying A x B x C where A is the number of Vested PSUs in the Participant's Account on the Vesting Date relating to the relevant Performance Period, B is the Performance Multiplier for the Performance Period and C is the Market Value of a Common Share on the Vesting Date,

in each case, subject to withholding tax and other required source deductions.

### **ARTICLE 6 EXECUTIVE DEFERRED SHARE UNITS**

#### **6.1 Grants of Executive Deferred Share Units**

- (a) The Committee may in its determination grant:
  - (i) EDSUs in lieu of all or any part of the RSUs, if any, that would otherwise be granted to an Employee in any financial year (a "**Restricted EDSU Grant**"); or
  - (ii) EDSUs in lieu of all or any part of the PSUs, if any, that would otherwise be granted to an Employee in any financial year (a "**Performance EDSU Grant**"),

in each case, if the Committee determines it to be necessary and desirable for purposes of assisting an Employee in satisfying their share ownership requirements pursuant to the policies of the Corporation, as amended, modified or supplemented from time to time.

- (b) The Committee, in its determination, has the authority to determine whether to grant any RSUs, PSUs or EDSUs and the number of RSUs, PSUs or EDSUs to be granted.

Each award of EDSUs, including the vesting conditions, shall be set out in an Award Agreement at the time of grant.

## **6.2 Terms of Executive Deferred Share Units**

Each EDSU must be confirmed by an Award Agreement that sets forth the terms, conditions and limitations for each EDSU and may include the vesting and terms of the EDSUs and shall contain such terms that may be considered necessary in order that the EDSUs will comply with any provisions respecting EDSUs in the income tax laws or any other Applicable Law in force in any country or jurisdictions of which the Participant may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

## **6.3 Vesting of Executive Deferred Share Units**

Unless otherwise determined by the Committee and set out in the Award Agreement:

- (i) an EDSU granted to a Participant pursuant to a Restricted EDSU Grant shall be subject to the RSU Vesting Conditions, which shall be set out in the Award Agreement, and shall become Vested EDSUs on the Vesting Date applicable to such EDSU but will not become payable until the EDSU Settlement Date; and
- (ii) an EDSU granted to a Participant pursuant to a Performance EDSU Grant shall be subject to the PSU Vesting Conditions, which shall be set out in the Award Agreement, and shall become Vested EDSUs on the Vesting Date applicable to such EDSU but will not become payable until the EDSU Settlement Date,

provided that, in each case, the Committee may, in its determination, subsequent to the Grant Date, but prior to the Vesting Date determined at the time of grant, designate an earlier date for vesting of all or any portion of the EDSUs then outstanding and granted to a Participant under the Plan.

## **6.4 Settlement of Executive Deferred Share Units**

(a) As soon as reasonably practicable following the last day of a Performance Period and, in any event, on or before the EDSU Redemption Date, the Committee shall determine the Performance Multiplier for such Performance Period in accordance with the specific performance metrics established at the time of grant of an EDSU granted to a Participant pursuant to a Performance EDSU Grant and any adjustments considered reasonable by the Committee as a result of any one-time or extraordinary events that occurred during the Performance Period. The determination of the Performance Multiplier by the Committee shall be conclusive and binding on the Participants.

(b) The Vested EDSUs credited to an Employee's Account, after applying the Performance Multiplier to those EDSUs granted pursuant to a Performance EDSU Grant, as applicable, shall be settled by the Corporation following the date of the event causing the Termination Date and, in the case of EDSUs that are not U.S. EDSUs, the receipt of a Redemption Notice from the Participant or the appropriate legal representative or estate, as the case may be. In the case of EDSUs that are not U.S. EDSUs, such Vested EDSUs shall be

redeemed by the filing of a written notice of redemption in the form of Schedule C hereto (or such other form as the Committee may determine from time to time) (the “**Redemption Notice**”) by such Participant with the Corporate Secretary of the Corporation, specifying (i) either a single EDSU Redemption Date or two EDSU Redemption Dates, and (ii) the percentage of such Vested EDSUs to be redeemed on each such EDSU Redemption Date. Where a Participant provides a single EDSU Redemption Date in the Redemption Notice, but provides for less than 100% of such Participant’s Vested EDSUs being redeemed on such date, such Participant must file a second Redemption Notice no later than ten (10) business days prior to the EDSU Payment Date specifying the second EDSU Redemption Date. Each EDSU Redemption Date specified in a Redemption Notice shall occur during the period commencing at least five (5) business days following the date on which such notice is filed with the Corporate Secretary of the Corporation and ending not later than December 15 of the first calendar year commencing after the EDSU Settlement Date. If no Redemption Notice, or no second Redemption Notice, as applicable, has been filed by the date that is ten (10) business days prior to December 15 of the first calendar year after the EDSU Settlement Date, then the EDSU Payment Date shall be deemed to be the EDSU Redemption Date in respect of all of such Participant’s Vested EDSUs that have not already been redeemed.

(c) Subject to the provisions of this Plan, as soon as practicable following the EDSU Redemption Date(s), and in any event no later than the EDSU Payment Date, the Committee shall, in its determination:

- (i) provide the Participant with a Payout in such number of Common Shares issued by the Corporation or purchased by the Administrator on the open market on the Participant’s behalf, equal to the number of Vested EDSUs in the Participant’s Account on the EDSU Redemption Date(s) (or the percentage of such Vested EDSUs specified in the applicable Redemption Notice(s)); or
- (ii) pay the Participant a cash Payout calculated by multiplying A x B where A is the number of Vested EDSUs in the Participant’s Account on the EDSU Redemption Date(s) (or the percentage of such Vested EDSUs specified in the applicable Redemption Notice(s)) and B is the Market Value of a Common Share on the EDSU Redemption Date(s),

in each case, subject to withholding tax and other required source deductions.

## **ARTICLE 7 DEFERRED SHARE UNITS**

### **7.1 Grants of Deferred Share Units**

(a) Each Director shall have, subject to the conditions stated herein, the right to elect at any time and from time to time in accordance with this Section 7.1(a), to be credited with DSUs in lieu of all or any part of the Director Fees otherwise payable to such Director in cash. No such election shall be effective unless and until the Director in question shall have filed a notice of election in the form of Schedule A hereto (the “**Election Notice-A**”) with the Corporation’s Corporate Secretary, which notice, subject as hereinafter provided, may be filed at any time. Notwithstanding the foregoing, any election made by Directors that are U.S. Participants must be made by December 31 of the financial year preceding the financial year to which such election applies. For greater certainty, the filing of an Election Notice-A does not

guarantee a Director any DSUs. An Election Notice-A must be in the form determined by the Committee from time to time. The Committee, in its determination, has the authority to determine whether to grant any DSUs and the number of DSUs to be granted (provided that the percentage of DSUs granted shall be consistent with the Election Notice-A).

(b) Regardless of a Director's election under Section 7.1(a), the Committee may in its determination grant DSUs to Directors on a discretionary basis from time to time; provided that, except for (i) DSUs granted in lieu of Director Fees pursuant to Section 7.1(a), or (ii) a one-time initial grant of DSUs to a Director upon such Director joining the Board, to which the following limits shall not apply, the aggregate fair market value on the Grant Date of all Awards granted to any one Director under this Plan and the Corporation's Share Compensation Arrangements shall not exceed \$150,000 within any one financial year of the Corporation.

(c) Each Employee approved by the Committee shall have, subject to the conditions stated herein, the right to elect by December 15 of each financial year in accordance with this Section 7.1(c) to be credited with DSUs in lieu of all or any part of any Bonus, if any, that would otherwise be payable to such Employee in cash in the immediately succeeding financial year. No such election shall be effective unless and until the Employee in question shall have filed a notice of election in the form of Schedule B hereto (the "**Election Notice-B**") with the Corporation's Corporate Secretary, which notice, subject as hereinafter provided, shall be filed by December 15 of the financial year preceding the financial year to which such election applies. Any such election shall be made prior to Employee's date of entitlement (the "**Entitlement Date**") to receive payment of any Bonus and, for greater certainty, the Entitlement Date with respect to Bonuses which relate to a financial year will always be a date which occurs after the end of the relevant financial year. An Election Notice-B must be in the form determined by the Committee from time to time. The Committee, in its determination, has the authority to determine whether to grant any DSUs and the number of DSUs to be granted (provided that the percentage of DSUs granted shall be consistent with the Election Notice-B), and it shall determine the Conversion Date for each award of DSUs to be credited under the Plan.

(d) Regardless of an Employee's election under Section 7.1(c), the Committee may in its determination grant DSUs to designated Employees on a discretionary basis from time to time. The Committee shall approve each Employee so eligible to receive DSUs and the number of DSUs and the date on which such DSUs may be granted and credited to such an Employee's Account. The Committee may, in its determination, attach time-based vesting conditions to any such grant of DSUs which, if not attained by the Employee prior to the Employee's Termination Date, shall result in the forfeiture of all rights, title and interests with respect to such non-vested DSUs, including any additional DSUs granted pursuant to Section 2.5(d) in respect of such non-vested DSUs. Each award of DSUs, including any related time-vesting requirements, shall be set out in an Award Agreement at the time of grant.

(e) A duly filed Election Notice-A or Election Notice-B, as applicable, shall be binding upon the Participant, who filed it, and upon the Corporation, unless and until such Participant has filed a subsequent Election Notice-A or Election Notice-B, as applicable, to terminate or change their election and such subsequent Election Notice-A or Election Notice-B, as applicable, has become effective in accordance with the Plan, provided that no Participant shall be entitled to file more than one Election Notice-A or Election Notice-B, as applicable, in any calendar year unless specifically authorized by the Committee. For greater certainty, once filed, an election under Election Notice-B is irrevocable and may not be terminated or changed for the Bonus year to which it relates.

## **7.2 Terms of Deferred Share Units**

Each DSU must be confirmed by an Award Agreement that sets forth the terms, conditions and limitations for each DSU and shall contain such terms that may be considered necessary in order that the DSUs will comply with any provisions respecting DSUs in the income tax or any other Applicable Law in force in any country or jurisdiction of which the Participant may from time to time be a resident or citizen or the rules of any regulatory body having jurisdiction over the Corporation.

## **7.3 Vesting of Deferred Share Units**

Unless stated otherwise in an Award Agreement, any DSUs will be fully vested upon being credited to a Participant's Account but will not become payable until the DSU Settlement Date.

## **7.4 Timing and Recording of Deferred Share Units**

(a) Each Director who has filed an Election Notice-A in accordance with Section 7.1(a) shall, subject to Section 7.1(b), be credited with DSUs in respect of their Director Fees, quarterly in arrears on the last day of each quarter in each year, while such Election Notice-A remains in effect.

(b) The number of DSUs credited at any particular time with respect to any amount in respect of which a Director shall have elected pursuant to Section 7.1(a), subject to Section 7.1(b), will be calculated by dividing such amount by the Market Price of a Common Share on the relevant quarterly payment date for such amount.

(c) Each Employee who has filed an Election Notice-B in accordance with Section 7.1(c) shall be credited with DSUs as of the Conversion Date determined by the Committee, in respect of the Bonus in each year, while such Election Notice-B remains in effect.

(d) The number of DSUs credited at any particular time with respect to any Bonus amount in respect of which an Employee shall have elected pursuant to Section 7.1(c) will be calculated by dividing such Bonus amount by the Market Price of a Common Share on the relevant Conversion Date.

(e) The number of DSUs credited at any particular time with respect to any discretionary grant of DSUs to a designated Employee pursuant to Section 7.1(d) shall be determined by the Committee based on the Market Price of a Common Share on the relevant Grant Date.

## **ARTICLE 8 TERMINATION OF RELATIONSHIP WITH PARTICIPANT**

### **8.1 Restricted Share Units, Performance Share Units and Performance Deferred Share Units**

(a) **Termination for Cause.** Unless otherwise determined by the Committee, if a Participant is Terminated with Cause, the Participant shall cease to be a Participant effective on the Participant's Termination Date and all of such Participant's PSUs, EDSUs and RSUs, whether or not vested, shall be forfeited and shall terminate immediately effective as of the

Participant's Termination Date, subject to the requirements of the *Employment Standards Act* (Ontario) or any other applicable minimum employment standards legislation.

(b) **Termination by the Corporation or by Voluntary Resignation.** Subject to Section 8.3, unless otherwise determined by the Committee, if a Participant Terminates prior to a Vesting Date for any reason other than for Cause, death, Disability or Retirement (including, for purposes of this Section 8.1, if the Participant is Terminated without Cause or Terminates due to voluntary resignation that is not a Retirement), the Participant shall cease to be a Participant effective on the Participant's Termination Date and will not be entitled to any Payout in respect of PSUs, EDSUs and RSUs which are not Vested PSUs, Vested EDSUs and Vested RSUs, respectively, on such Termination Date. All PSUs, EDSUs and RSUs recorded in a Participant's Account that are not Vested PSUs, Vested EDSUs or Vested RSUs shall be forfeited and shall terminate immediately effective as of the Participant's Termination Date. Any Vested PSUs, Vested EDSUs, and Vested RSUs not paid out prior to Termination shall be paid out by the Corporation in accordance with their terms.

(c) **Termination of Employment due to Retirement or Disability.** Subject to Section 8.3, unless otherwise determined by the Committee, if a Participant Terminates prior to a Vesting Date due to (i) Retirement, or (ii) the Disability of the Participant, the Participant shall cease to be a Participant effective on the Participant's Termination Date and the Participant's unvested PSUs, unvested EDSUs and unvested RSUs, as applicable, will continue to vest and be paid out in accordance with their terms.

(d) **Termination Due to Death.** Subject to Section 8.3, unless otherwise determined by the Committee, if a Participant Terminates prior to a Vesting Date due to the death of the Participant, the Participant shall cease to be a Participant effective on the Participant's Termination Date and the Participant's unvested PSUs, unvested EDSUs and unvested RSUs, as applicable, will immediately vest and become Vested PSUs, Vested EDSUs and Vested RSUs, respectively. As soon as practicable thereafter, the Corporation will: (i) make a Payout to the legal representative or estate, as the case may be, of the Participant in respect of all Vested RSUs as of the Termination Date, and (ii) make a Payout to the legal representative or estate, as the case may be, of the Participant in respect of all Vested PSUs and Vested EDSUs as of the Termination Date assuming a Performance Multiplier of 1.0.

## 8.2 Settlement of Deferred Share Units

(a) The Vested DSUs credited to a Director's Account shall be redeemable at the option of the Participant (or where the Participant has died, the appropriate legal representative or estate, as the case may be) following the event causing the individual to no longer be a Director or an employee of the Corporation or a person related to the Corporation for the purposes of the *Income Tax Act* (Canada) (the "**Director Termination Date**").

(b) The Vested DSUs credited to an Employee's Account shall be settled by the Corporation following the date of the event causing the Termination Date and, in the case of DSUs that are not U.S. DSUs, the receipt of a Redemption Notice from the Participant or the appropriate legal representative or estate, as the case may be.

(c) In the case of Vested DSUs that are not Vested U.S. DSUs, such Vested DSUs shall be redeemed by the filing of a written Redemption Notice by such Participant with the Corporate Secretary of the Corporation, specifying (i) either a single DSU Redemption Date or two DSU Redemption Dates, and (ii) the percentage of such Vested DSUs held by the

Participant to be redeemed on each such DSU Redemption Date. Where a Participant provides a single DSU Redemption Date in the Redemption Notice, but provides for less than 100% of such Participant's Vested DSUs being redeemed on such date, such Participant must file a second Redemption Notice no later than ten (10) business days prior to the DSU Payment Date specifying the second DSU Redemption Date. Each DSU Redemption Date specified in a Redemption Notice shall occur during the period commencing at least five (5) business days following the date on which such notice is filed with the Corporate Secretary of the Corporation and ending not later than December 15 of the first calendar year commencing after the DSU Settlement Date. If no Redemption Notice, or no second Redemption Notice, as applicable, has been filed by the date that is ten (10) business days prior to December 15 of the first calendar year after the DSU Settlement Date, then the DSU Payment Date shall be deemed to be the DSU Redemption Date in respect of all of such Participant's Vested DSUs that have not already been redeemed.

(d) Subject to the provisions of this Plan, as soon as practicable following the DSU Redemption Date(s), and in any event no later than the DSU Payment Date, the Committee shall, in its determination:

- (i) provide the Participant with a Payout in such number of Common Shares issued by the Corporation or purchased by the Administrator on the open market on the Participant's behalf, equal to the number of Vested DSUs in the Participant's Account on the DSU Redemption Date(s) (or the percentage of such Vested DSUs specified in the applicable Redemption Notice(s)); or
- (ii) pay the Participant a cash Payout calculated by multiplying A x B where A is the number of Vested DSUs in the Participant's Account on the DSU Redemption Date(s) (or the percentage of such Vested DSUs specified in the applicable Redemption Notices(s)) and B is the Market Value of a Common Share on the DSU Redemption Date(s),

in each case, subject to withholding tax and other required source deductions.

### **8.3 Change of Control**

(a) Notwithstanding anything else contained in this Plan or an Award Agreement, in connection with a Change of Control, the Committee will provide Participants with written notice of any proposed Change of Control and will take such action as is required to ensure that, following the Change of Control, this Plan and the Awards are either (i) continued, as adjusted if necessary in the determination of the Committee to prevent substantial dilution or enlargement of the rights granted to or available for a Participant, or (ii) substituted for deferred share units, performance share units, executive deferred share units and restricted share units, as applicable, of the acquiring or surviving entity and that such adjustments are made to the DSUs, EDSUs, PSUs and RSUs as required to prevent substantial dilution or enlargement of the rights granted to or available for a Participant.

(b) If the DSUs, EDSUs, PSUs and RSUs are continued (with or without adjustment) or substituted following the Change of Control and a Participant, who is an Employee, is terminated by the Corporation or its Affiliates, as applicable, without Cause or the Participant resigns for Good Reason within 12 months following the occurrence of a Change of Control:

- (i) all PSUs and all EDSUs granted pursuant to a Performance EDSU Grant credited to such Participant's Account shall immediately vest and become Vested PSUs and Vested EDSUs, as applicable, on the Termination Date. As soon as practicable following the Termination Date and before the PSU Payment Date or EDSU Payment Date, as applicable, the Committee shall, at its determination:
  - (A) provide the Participant with a Payout of such number of Common Shares, issued by the Corporation (or such successor or surviving entity) or purchased by the Administrator on the open market on the Participant's behalf, calculated by multiplying  $A \times B$  where A is the number of Vested PSUs and Vested EDSUs, as applicable, in the Participant's Account on the Termination Date and B is the applicable Performance Multiplier determined by the Committee as of the Termination Date, provided that for the purposes of this Section 8.3 such Performance Multiplier shall not be less than 1.0; or
  - (B) pay the Participant a cash Payout calculated by multiplying  $A \times B \times C$  where A is the number of Vested PSUs and Vested EDSUs, as applicable, in the Participant's Account on the Termination Date, B is the applicable Performance Multiplier determined by the Committee as of the Termination Date, provided that for the purposes of this Section 8.3 such Performance Multiplier shall not be less than 1.0, and C is the Market Value of a Common Share; and
- (ii) all DSUs, RSUs and all EDSUs granted pursuant to a Restricted EDSU Grant credited to such Participant's Account shall immediately vest and become payable on the Termination Date. As soon as practicable following the Termination Date and before the RSU Payment Date, DSU Payment Date or EDSU Payment Date, as applicable, the Committee shall, at its determination:
  - (A) provide the Participant with a Payout of such number of Common Shares, issued by the Corporation (or such successor or surviving entity) or purchased by the Administrator on the open market on the Participant's behalf, equal to the number of Vested DSUs, Vested RSUs and Vested EDSUs, as applicable, in the Participant's Account on the Termination Date; or
  - (B) pay the Participant a cash Payout for the Vested DSUs, Vested RSUs and Vested EDSUs, as applicable, in the Participant's Account calculated by multiplying  $A \times B$ , in each case, where A is the number of Vested DSUs, Vested RSUs and Vested EDSUs, as applicable, in the Participant's Account on the Termination Date and B is the Market Value of a Common Share,

in the case of each of paragraphs (i) and (ii) above, subject to withholding tax and other required source deductions.

#### **8.4 Clawback**

Notwithstanding any other provisions in this Plan and to the extent required or permitted by Applicable Law and/or the policies of the Corporation, as amended, modified or supplemented from time to time, the Board, in its determination, may cancel any Award or require a Participant to reimburse the Corporation for any Award received under the Plan (the "**Clawback Policy**"). In addition, a Participant may be required to repay to the Corporation previously paid compensation, whether provided pursuant to the Plan or an Award Agreement, in accordance with the Clawback Policy. By accepting an Award, the Participant is agreeing to be bound by the Clawback Policy, as in effect or as may be adopted and/or modified from time to time by the Corporation in its discretion (including, without limitation, to comply with Applicable Law or stock exchange requirements).

### **ARTICLE 9 TAX MATTERS**

#### **9.1 Classification of Plan**

This Plan and any Award granted hereunder are intended to be excluded from the definitions of "salary deferral arrangement", "retirement compensation arrangement" and "employee benefit plan" in subsection 248(1) of the *Income Tax Act (Canada)* and the Committee shall interpret and administer the Plan in accordance with this intention.

#### **9.2 Withholding Taxes**

(a) The Corporation may withhold from any amount payable to a Participant, either under this Plan, an Award Agreement or otherwise, such amount as may be necessary so as to ensure that the Corporation will be able to comply with the applicable provisions of any Applicable Law relating to the withholding of tax or other source deductions, including on the amount, if any, includable in the income of a Participant.

(b) The Corporation may, in its sole discretion, satisfy all or any portion of the withholding taxes obligation relating to any amount payable to a Participant by any of the following means or by a combination of such means: (i) withholding from any compensation otherwise payable to a Participant by the Corporation; (ii) causing the Participant to tender a cash payment; (iii) withholding such number of Common Shares from the Common Shares issued or otherwise issuable to a Participant in connection with an Award with a fair market value equal to the amount of such withholding taxes; or (iv) causing the Administrator to sell such number of Common Shares from the Common Shares issued or otherwise issuable to a Participant in connection with an Award with a fair market value equal to the amount of such withholding taxes in the open market; provided, however, that the number of such Common Shares so withheld or sold pursuant to paragraphs (iii) and (iv), as applicable, will not exceed the amount necessary to satisfy the Corporation's required tax withholding obligations under Applicable Law.

(c) Unless the tax withholding obligations of the Corporation are satisfied, the Corporation shall have no obligation to deliver any Common Shares or other Payout to a Participant.

**ARTICLE 10**  
**CERTAIN RULES APPLICABLE TO U.S. PARTICIPANTS**

**10.1 Section 409A of the Internal Revenue Code**

This Article 10 applies to any Participant who is a citizen or permanent resident of the United States or any other person who is otherwise subject to taxation in the United States on a net basis (a “**U.S. Participant**”). It is intended that the provisions of this Plan comply with, or qualify for an exemption from, section 409A of the U.S. Internal Revenue Code of 1986, as amended (the “**Code**”), and all provisions of this Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under section 409A of the Code. Notwithstanding the foregoing, the Corporation and its affiliates make no representation regarding whether any Award issued pursuant to this Plan may be subject to section 409A of the Code. Each U.S. Participant is solely responsible and liable for the satisfaction of any and all taxes and penalties that may be imposed on or for the account of such U.S. Participant in connection with this Plan (including any taxes and penalties under section 409A of the Code), and the Corporation, each affiliate of the Corporation, each shareholder of the Corporation or its affiliates, and each officer, employee or other representative of the Corporation or its affiliates, shall have no obligation to indemnify or otherwise hold such U.S. Participant harmless from any or all of such taxes or penalties.

**10.2 Separation from Service**

If the Committee determines in its sole discretion that any Award granted to a Participant who is at the time of the grant, or subsequently becomes, a U.S. Participant must comply with section 409A of the Code, references in the Plan to a termination or cessation of employment or like terms shall mean, with respect to such U.S. Participant, a “separation from service” as defined under section 409A of the Code.

**10.3 Six-Month Delay**

Notwithstanding anything in the Plan to the contrary, if at the time of a U.S. Participant’s separation from service, the Committee determines in its sole discretion (a) that such U.S. Participant is considered to be a “specified employee” within the meaning of section 409A of the Code and (b) that any Award of such U.S. Participant must comply with section 409A of the Code, and such Award is payable upon the U.S. Participant’s separation from service, such payment shall not commence prior to the first business day following the date which is six months after the U.S. Participant’s separation from service (or if earlier than the end of the six month period, the date of the U.S. Participant’s death). For the avoidance of doubt, the provisions of this Section 10.3 shall not apply to (i) any payment that becomes due on a Vesting Date that occurs prior to the U.S. Participant’s separation from service, (ii) any payment that becomes due as a result of the U.S. Participant’s death, and (iii) any payment with respect to an Award that qualifies for an exception to the requirements of section 409A of the Code.

**10.4 Good Reason and Disability**

(a) Notwithstanding the definition of “Good Reason” in Section 1.3 of the Plan, a U.S. Participant shall not be considered to have terminated their employment for Good Reason unless the termination qualifies for the safe harbor provided in section 1.409A-1(n)(2)(ii) of the Treasury Regulations under the Code.

(b) Notwithstanding the definition of “Disability” in Section 1.3 of the Plan, a U.S. Participant shall not be considered to be subject to a Disability unless the U.S. Participant’s condition also qualifies as a “disability” within the meaning of Section 1.409A-3(i)(4)(i) of the Treasury Regulations under the Code.

## **10.5 Change of Control**

If and to the extent that any payment would be made to a U.S. Participant pursuant to the Plan upon a Change of Control as defined in the Plan, such payment will be made to such U.S. Participant at that time only if such change of control also constitutes a “change in ownership,” a “change in effective control,” or a “change in the ownership of a substantial portion of the assets of the Corporation” as defined under section 409A of the Code and applicable regulations (a “**409A Change in Control**”). If a Change of Control as defined in the Plan is not also a 409A Change in Control, unless otherwise permitted under section 409A of the Code, the time for the relevant payment will not be accelerated with respect to any affected U.S. Participant and will be payable pursuant to the terms of the Plan and applicable Award Agreement as if such Change of Control had not occurred.

## **10.6 Plan Amendments Relating to Section 409A**

If the Committee determines that any amounts payable under the Plan will be taxable to a U.S. Participant under section 409A of the Code before payment to such U.S. Participant of such amount, the Corporation may (i) adopt such amendments to the Plan and related policies and procedures with respect to U.S. Participants, including amendments with retroactive effect, that the Committee determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan to a U.S. Participant, or (ii) take such other actions as the Committee determines necessary or appropriate to avoid or limit the imposition of an additional tax under section 409A of the Code.

# **ARTICLE 11 TERM AND AMENDMENTS**

## **11.1 Term**

This Plan shall remain in effect until it is terminated by the Committee. Subject to Section 8.3, upon any termination of the Plan, in whole or in part, the Committee may, in its discretion, determine whether any Awards then credited to a Participant’s Account and affected by the termination shall be vested on the date of the termination of the Plan or held for the credit of such Participant and vested and settled at a later date in accordance with the terms of the Plan in effect immediately prior to the termination of the Plan. The Plan will cease to operate for all purposes when the last remaining Participant receives the final Payout in satisfaction of all Awards recorded in the Account of such Participant, or all Awards recorded in the Account of such Participant are cancelled, terminated or forfeited pursuant to the terms of the Plan.

## **11.2 Amendments**

(a) The Committee reserves the right to amend, modify, suspend or terminate the Plan at any time if and when it is advisable in the determination of the Committee without notice to or approval by the shareholders of the Corporation, which such amendments, modifications or changes may include the following:

- (i) amendments to the Plan to ensure continuing compliance with Applicable Law;
- (ii) amendments of a “housekeeping” nature, which include amendments relating to the administration of the Plan or to eliminate any ambiguity or correct or supplement any provision herein which may be incorrect or incompatible with any other provision hereof;
- (iii) amendments necessary for Awards to qualify for favourable treatment under applicable tax laws;
- (iv) amendments to change the class of Participants eligible to participate in the Plan (other than an amendment that would allow the grant of PSUs, EDSUs or RSUs to Directors);
- (v) changes to the Vesting Date of any Awards; and
- (vi) amendments to impose restrictions on the sale, transfer or other disposal of Common Shares by Participants under the Plan.

(b) Notwithstanding anything contained herein to the contrary, no amendment to the Plan requiring the approval of the shareholders of the Corporation under any Applicable Law shall become effective until such approval is obtained. Without limitation of the foregoing, the approval of a majority of the shareholders of the Corporation present in person or represented by proxy and entitled to vote at a meeting of shareholders shall be required for the following matters, to the extent required by Applicable Law:

- (i) any amendment to the provisions of Sections 11.2(a) or 11.2(b) other than an amendment within the nature of paragraphs (i)-(ii) of Section 11.2(a);
- (ii) any amendment that would allow the grant of PSUs, EDSUs or RSUs to a Director;
- (iii) any amendment that would permit Awards to be transferred or assigned other than for normal estate settlement purposes; and
- (iv) any amendment to increase the maximum number of Common Shares reserved for issuance under the Plan pursuant to Section 2.4 (other than pursuant to Section 8.3 or Section 12.1).

## **ARTICLE 12 GENERAL**

### **12.1 Adjustments**

(a) Appropriate adjustments to the Awards and the number of Common Shares subject to the Plan shall be made by the Board, in its determination, to give effect to adjustments in the number of Common Shares resulting from subdivisions, consolidations or reclassifications of the Common Shares or the payment of stock dividends by the Corporation (other than stock dividends paid in lieu of cash dividends in the ordinary course) or to give effect

to reclassifications, conversions or exchanges of the Common Shares or any other relevant changes in the authorized or issued capital of the Corporation or any other event, including an amalgamation, arrangement, merger, business combination, reorganization, acquisition or other consolidation involving the Corporation or any of its Affiliates, in respect of which, in the opinion of the Board, such an adjustment would be necessary to preserve the Participants' rights hereunder and under the Award Agreements.

(b) In the event that the Corporation is not the successor or surviving entity in an amalgamation, arrangement, merger, business combination, reorganization, acquisition, consolidation or other similar transaction involving another entity, the Board shall make appropriate adjustments to the Awards, and shall replace or substitute Common Shares for the securities of the surviving entity in a manner that substantially preserves the terms and conditions of this Plan and as necessary to preserve the Participants' rights hereunder and under the Award Agreements.

(c) If, in connection with a Change of Control, in the reasonable opinion of the Committee, the acquiring, surviving or successor entity cannot or it is not commercially reasonable (including due to adverse tax consequences to the Participants under applicable tax laws or Section 409A of the Code or otherwise) to continue the Plan and to continue the DSUs, EDSUs, PSUs and RSUs or to substitute and replace similar units for the DSUs, EDSUs, PSUs and RSUs on substantially the same terms and conditions as the Plan, then the Committee may, in its determination, permit and authorize the accelerated vesting and early Payout, conditional on the completion of the Change of Control, of all or any portion of the then outstanding U.S. DSUs, U.S. EDSUs, PSUs and RSUs effective as of the completion of such Change of Control. For purposes of such Payout, (i) the Committee will determine the Performance Multiplier in respect of the PSUs and U.S. EDSUs, and (ii) the Market Price of a Common Share will be deemed to be the price per Common Share paid in the Change of Control transaction. All U.S. DSUs, U.S. EDSUs, PSUs and RSUs which do not become Vested U.S. DSUs, Vested U.S. EDSUs, Vested PSUs or Vested RSUs in accordance with the foregoing will terminate as of the completion of the Change of Control. If the potential Change of Control referred to in this Section 12.1(c) is not completed within the time specified (as the same may be extended), then any accelerated vesting of U.S. DSUs, U.S. EDSUs, PSUs and RSUs will be deemed to be null, void and of no further effect and the original terms applicable to such Awards will be reinstated.

## **12.2 Government Regulation**

(a) The Corporation's obligation to issue and deliver Common Shares pursuant to any Award is subject to:

- (i) the registration or other qualification of such Common Shares and the satisfaction of all requirements under applicable securities laws in respect thereof and obtaining all regulatory approvals as the Corporation shall determine to be necessary or advisable in connection with the authorization, issuance or sale of such Common Shares;
- (ii) the admission of such Common Shares to listing on any stock exchange on which Common Shares may then be listed; and
- (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the

Corporation determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction or the rules of any stock exchange on which Common Shares are then listed.

(b) The Corporation shall, to the extent necessary, take all steps determined by the Board to be reasonable to obtain such approvals and registrations as may be necessary for the issuance of such Common Shares in compliance with applicable securities laws and for the listing of such Common Shares on any stock exchange on which Common Shares are then listed.

(c) The Corporation, in its sole discretion, may postpone the issuance or delivery of Common Shares as the Committee may determine to be necessary or appropriate in order to comply with Applicable Law.

### **12.3 Blackout Period**

In the event that any Payout is proposed to be made during a Blackout Period, such Payout shall be deferred until the business day following the expiration of the Blackout Period. The Committee will ensure that all actions taken and decisions made pursuant to the Plan comply with applicable securities regulatory requirements and policies of the Corporation.

### **12.4 Participants' Rights and Risk**

(a) A Participant shall not have any rights as a shareholder of the Corporation in respect of any Common Shares issuable pursuant to an Award unless and until the issuance of Common Shares upon the Payout of an Award or a portion thereof, and then only with respect to the Common Shares so issued, if any. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect a Participant's relationship, employment or appointment with the Corporation or an Affiliate. For greater certainty, the Plan does not confer upon a Participant any right with respect to the continuation of a relationship, employment or appointment with the Corporation or an Affiliate nor does it interfere in any way with the right of a Participant or the Corporation or any Affiliate of the Corporation to terminate the Participant's, relationship, employment or appointment at any time.

(b) The Plan offers no guarantee against the losses that may result from the market fluctuations of the Market Value of a Common Share. For greater certainty, no additional Awards shall be granted to a Participant to compensate for a downward fluctuation in the Market Value of a Common Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. A Participant in the Plan agrees to accept all risks associated with a decline in the Market Value of a Common Share.

(c) The Plan shall be unfunded and the Corporation will not secure its obligations under the Plan. To the extent any Participant holds any rights by virtue of a grant of Awards under the Plan, such rights (unless otherwise determined by Committee) shall be no greater than the rights of an unsecured creditor of the Corporation.

### **12.5 Award Agreements**

All Award Agreements shall be deemed to incorporate the provisions of the Plan, subject to such modifications or additions as the Committee may, in its sole discretion,

determine appropriate, subject to the requirements of the TSX. An Award Agreement need not be identical to other Award Agreements either in form or substance. In the event of any inconsistency between the Award Agreement and the Plan, the Plan shall be determinative.

#### **12.6 Assignment**

Each Award granted to a Participant and the right to receive a Payout (if any) is personal to the Participant and is non-assignable and non-transferable and, except in the case of the Participant's death or incapacity, shall be exercisable only by the Participant. Without limiting the foregoing, no Award granted hereunder may be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of by the Participant, whether voluntarily or by operation of law, other than by testate succession, will or the laws of descent and distribution, and any attempt to do so will cause such Award to terminate and be null and void.

#### **12.7 Successors and Assigns**

The Plan and the Award Agreements shall be binding on all successors and assigns of the Corporation and a Participant, including, without limitation, the estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

#### **12.8 Severability**

If any provision of the Plan, Award Agreement or part thereof is determined to be void or unenforceable in whole or in part, such determination shall not affect the validity or enforcement of any other provision or part thereof.

#### **12.9 Governing Law**

This Plan and all Award shall be interpreted and enforced in accordance with, and the respective rights and obligations of the parties shall be governed by, the laws of the Province of Ontario and the federal laws of Canada applicable therein.

#### **12.10 Effective Date**

This Plan is hereby established effective as of the Effective Date.
