About Toromont

Toromont Industries Ltd. operates through two business segments: The Equipment Group and CIMCO. The Equipment Group includes one of the larger Caterpillar dealerships by revenue and geographic territory - spanning the Canadian provinces of Newfoundland & Labrador, Nova Scotia, New Brunswick, Prince Edward Island, Québec, Ontario, and Manitoba in addition to most of the territory of Nunavut. In addition, the Equipment Group includes industry leading rental operations, and a complementary material handling business. CIMCO is one of North America's leading suppliers of thermal management solutions that enable customers to reduce energy consumption and emissions, use natural refrigerants and monitor and control their operating environments autonomously. Both segments offer comprehensive product support capabilities. This press release and more information about Toromont Industries Ltd. can be found at www.toromont.com.
