This Circular is provided in connection with our annual meeting of shareholders of the Company (the “Meeting”) to be held on July 11, 2017. **Your proxy is solicited by the management of the Company for the items described in the accompanying Notice of Meeting (the “Notice”).** We usually make our request by mail, but our employees or agents may also solicit your proxy by telephone or other ways at a nominal cost.

As a registered shareholder, you have the right to attend and vote at the Meeting as set out in this Circular. Please read this Circular. It gives you information that you need to know to cast your vote. We also encourage you to read our comparative annual financial statements and related management’s discussion and analysis for the financial year ended February 26, 2017.

The Company will not be using the notice-and-access mechanism under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) for distribution of the Notice and the Circular to Aritzia shareholders.

Voting Information

The following information provides guidance on how to vote your subordinate voting shares of the Company (the “Subordinate Voting Shares”) and/or multiple voting shares of the Company (the “Multiple Voting Shares”). The Subordinate Voting Shares and the Multiple Voting Shares are sometimes collectively referred to in this Circular as the “shares”.

Your vote is important

As a shareholder of Aritzia, it is very important that you read this information carefully and then vote your shares, either by proxy or by attending the Meeting.

Voting by proxy means that you are giving the person or people named on your proxy form (each a “proxyholder”) the authority to vote your shares for you at the Meeting or any adjournment thereof. A proxy form is included in this package.

If you vote by proxy, the individuals who are named on the proxy form will vote your shares for you, unless you appoint someone else to be your proxyholder. **You have the right to appoint a person or company of your choice who need not be a shareholder to represent you at the Meeting other than the individuals designated in the enclosed form of proxy. If you appoint someone else, he or she must be present at the Meeting to vote your shares.**

If you are voting your shares by proxy, our transfer agent, TSX Trust Company, or other agents we appoint must receive your signed proxy form by 2:00 p.m. (Vancouver time) on July 7, 2017 or if the

Meeting is adjourned or postponed, prior to 2:00 p.m. (Vancouver time) on the second business day preceding the day of the Meeting. The time limit for deposit of proxies may be waived by the Chair of the Meeting in the Chair's sole discretion without notice.

How to vote - Registered Shareholders

You are a registered shareholder if your name appears on your share certificate or on the register maintained by our transfer agent, TSX Trust Company. Your proxy form indicates if you are a registered shareholder.

Voting by proxy

Registered shareholders have three options to vote by proxy:

- ***On the Internet***

Go to www.voteproxyonline.com and follow the instructions on screen. You will need the 12 digit control number listed on your proxy. You do not need to return your proxy form if you vote on the internet.

At any time, TSX Trust Company may cease to provide internet voting, in which case registered shareholders can elect to vote by mail or fax, as described below.

- ***By Mail***

Complete, sign and date the accompanying proxy form and return it in the envelope we have provided. Please see "Completing the Proxy Form" on the enclosed form for more information.

- ***By fax***

Complete, sign and date the accompanying proxy form and send it by fax to 416-595-9593. Please see "Completing the Proxy Form" on the enclosed form for more information.

If you vote by proxy, the individuals named on the enclosed proxy form will vote your shares for you unless you appoint someone else to be your proxyholder. **You have the right to appoint a person or company of your choice who need not be a shareholder to represent you at the Meeting other than the persons designated in the enclosed proxy form. If you wish to do so, please strike out the three names that are printed on the proxy form and write the name of the person you are appointing in the space provided.** Complete, date and sign the accompanying form of proxy, and submit it in accordance with the instructions prior to the proxy cut-off time. Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting. At the Meeting, he or she should see a representative of TSX Trust Company at the registration tables. Please see "Completing the Proxy Form" for more information.

Voting in Person at the Meeting

Registered shareholders, or the persons they appoint as their proxies, are permitted to vote at the Meeting in person. **If you are a registered holder and choose to vote in person at the Meeting, you do not need to complete or return your proxy form.** Please check-in and register with a representative of TSX Trust Company at the registration tables when you arrive at the Meeting. You will need identification to enter the Meeting.

Voting in person at the Meeting will automatically cancel any proxy you completed earlier.

To vote shares registered in the name of a corporation or other legal entity, an authorized officer or attorney of that corporation or legal entity must attend the Meeting in person. This person may have to provide proof that he or she is authorized to act on behalf of the corporation or other legal entity. Shares registered in the name of a corporation or other legal entity cannot be voted in person without adequate proof of authorization.

Changing your vote

You may revoke a vote you made by proxy by:

- voting again on the internet before 2:00p.m. (Vancouver time) on July 7, 2017;
- completing a proxy form that is dated later than the proxy form you are changing and mailing it to TSX Trust Company so that it is received at the address indicated before 2:00 p.m. (Vancouver time) on July, 7, 2017; or
- making a request in writing to the Chair of the Meeting, at the Meeting or any adjournment thereof, before any vote in respect of which the proxy has been given or taken. The written request can be from you or your authorized attorney.

How to vote - Non-Registered or Beneficial Shareholders

You are a non-registered (or beneficial) shareholder (a "Non-Registered Holder") if your shares are registered either:

- (a) in the name of an intermediary such as a bank, trust company, securities dealer, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans (each an "Intermediary") that represents the Non-Registered Holder in respect of its shares; or
- (b) in the name of a depository (a "Depository", such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, we will distribute copies of the Meeting Notice, the Circular, the form of proxy, and the supplemental mailing return list card (collectively, the "Meeting Materials"), either by mail or electronically, if consented, directly to Non-Registered Holders that are non-objecting beneficial owners and to Intermediaries for onward distribution to Non-Registered Holders that are objecting beneficial owners. Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive such materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive the Meeting Materials will receive a package from their Intermediary containing either:

- (a) a voting instruction form that must be properly completed and signed by the Non-Registered Holder and returned to the Intermediary in accordance with the instructions on the voting instruction form;

or, less typically,

- (b) a form of proxy that has already been stamped or signed by the Intermediary that is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which otherwise has not been completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust Company at the address set forth in the Meeting Notice.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of shares that they beneficially own. The Company has agreed to pay for Intermediaries to forward the Meeting Materials to objecting beneficial owners.

A Non-Registered Holder may revoke a voting instruction form or proxy which has been given to an Intermediary by written notice to the Intermediary or by submitting a voting instruction form or proxy bearing a later date in accordance with the applicable instructions. In order to ensure that an Intermediary acts upon a revocation of a proxy or voting instruction form, the written notice should be received by the Intermediary well in advance of the Meeting.

In Person at the Meeting

We do not have access to the names or holdings of all of our Non-Registered Holders. Should a Non-Registered Holder, who receives either a voting instruction form or a form of proxy, wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should follow the instructions contained on the voting instruction form or form of proxy within the time periods specified and appoint themselves (or another person to vote on their behalf). **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and service companies.** If you are a Non-Registered Holder and have not received a package containing a voting instruction form or form of proxy, please contact your Intermediary.

At the Meeting, you should see a representative of TSX Trust Company at the table marked "Alternate attorneys/External proxyholders."

Completing the proxy form

You can choose to vote "For", "Against" or "Withhold", depending on the items listed on the proxy form.

When you sign the proxy form, you authorize the directors and officers of the Company who are named in the proxy form to vote your shares for you at the Meeting according to your instructions, unless you have appointed someone else to act as your proxy. **If you return your proxy form and do not tell us how you want to vote your shares, your vote will be counted FOR electing the nominee directors who are listed in the Circular and FOR appointing PricewaterhouseCoopers LLP as auditors.**

If you are appointing someone else to vote your shares for you at the Meeting, strike out the three names of the individuals on the proxy form and write the name of the person voting for you in the space provided. **If you do not specify how you want your shares voted, your proxyholder will vote your shares as he or she sees fit on each item and on any other matter that may properly come before the Meeting.**

If you are an individual shareholder, you or your authorized attorney must sign the form. If you are a corporation or other legal entity, an authorized officer or attorney must sign the form.

If you need help completing your proxy form, please contact TSX Trust Company - Investor Services at 1-866-600-5869.

Additional Voting Information

You have one vote for each Subordinate Voting Share and 10 votes for each Multiple Voting Share you hold on May 26, 2017. As at the close of business on May 26, 2017, 53,287,771 Subordinate Voting Shares and 55,756,002 Multiple Voting Shares were entitled to be voted at the Meeting.

The election of directors and the appointment of auditors will each be determined by a majority of votes cast at the Meeting by proxy or in person. Under our Articles, if there is a tie, the Chair of the Meeting does not cast the deciding vote.

TSX Trust Company will count and tabulate the votes for us.

Record Date, Quorum and Votes Necessary to Pass Resolutions

Each shareholder of record at the close of business on May 26, 2017 (the "**Record Date**"), is entitled to vote at the Meeting the shares registered in his or her name on that date. The quorum for any meeting of shareholders is one or more persons present and holding or representing by proxy not less than 15% of the voting rights attaching to our outstanding voting shares.

Pursuant to the *Business Corporations Act* (British Columbia) ("**BCBCA**") and our Articles, a simple majority of the votes cast at the Meeting (by person or proxy) is required to pass an ordinary resolution.

At the Meeting, shareholders will be asked to consider and, if thought advisable, to: (i) pass an ordinary resolution to elect directors to the board of directors; and (ii) pass an ordinary resolution to re-appoint auditors for the ensuing year and authorize the directors to fix their remuneration.

BUSINESS OF THE MEETING

We will address the following items at the Meeting:

Receiving the Audited Annual Financial Statements

We will place before the Meeting the Company's audited financial statements, including the auditors' report, for the year ended February 26, 2017 ("**Fiscal 2017**"). These financial statements together with the management's discussion and analysis thereon are available on SEDAR at www.sedar.com and the Company's website at www.aritzia.com.

Election of Directors

You will be electing a board of directors (the "**Board**") of nine members. Please see "Election of Directors" in this Circular for more information. Directors appointed at the Meeting will serve, subject to our Articles and the BCBCA, until the end of the next annual shareholder meeting. All of the individuals who have been nominated as directors are currently members of the Board and have been since our initial public offering in October, 2016.

If you do not specify how you want your shares voted, the individuals named as proxyholders in the enclosed proxy form intend to cast the votes represented by proxy at the Meeting FOR the election as directors of the nominee directors in this Circular.

Appointment of Auditors

The Board recommends that PricewaterhouseCoopers LLP be reappointed as auditors, and that the Board be authorized to fix the auditors' remuneration. The auditors will serve until the end of the next annual shareholder meeting or until a successor is appointed.

Information concerning the fees paid to the auditors of the Company may be found in our most recent Annual Information Form under the heading "Audit Committee - External Auditor Service Fees", which is available under the Company's profile on SEDAR at www.sedar.com.

If you do not specify how you want your shares voted, the individuals named as proxyholders in the enclosed proxy form intend to cast the votes represented by proxy at the Meeting FOR the appointment of PricewaterhouseCoopers LLP as our auditors until the next annual meeting, and authorization of the Board to fix PricewaterhouseCoopers LLP's remuneration.

Considering Other Business

We will consider any other business that may properly come before the Meeting. As of the date of this Circular, we are not aware of any changes to the items above or any other business to be considered at the Meeting. If there are changes or new items, your proxyholder can vote your shares on these items as he or she sees fit. If any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy to vote in respect of those matters in accordance with their judgment.

If you are not a registered shareholder, you may be allowed into the Meeting after speaking with a representative of TSX Trust Company and if the Chair of the Meeting allows it.

ELECTION OF DIRECTORS

The articles of the Company (the "**Articles**") provide that the Board shall consist of a minimum of three and a maximum of 15 directors, with the actual number to be determined from time to time by the Board. Pursuant to the Investor Rights Agreement (defined below), the Board has determined that, at the present time, there will be nine directors, each of whom is to be elected at this Meeting and who will hold office until the end of the next annual meeting of shareholders or until their successors are elected or appointed.

All nominees have established their eligibility and willingness to serve as directors. As of the date hereof, management of the Company does not expect that any of the nominees will be unable to serve as a director. However, if, for any reason, at the time of the Meeting, any of the nominees are unable to serve and unless otherwise specified, it is intended that the persons designated in the form of proxy will vote in their discretion for a substitute nominee or nominees.

Investor Rights Agreement

Concurrently with the closing of our initial public offering on October 3, 2016 (the "**IPO**"), Atilier Holdings Inc. and AHL Holdings Inc. (each of which was an entity controlled by Brian Hill, our Founder and Chief Executive Officer, and are referred to collectively as the "**Hill Shareholders**") and CanLux AB Investments One S.à r.l., an investment vehicle managed by Berkshire Partners LLC (the "**Berkshire Shareholder**" or "**Berkshire Partners**"), entered into a shareholders agreement (the "**Investor Rights Agreement**") with respect to certain director nomination rights, governance matters and shareholder rights.

Pursuant to the Investor Rights Agreement, each of the Berkshire Group Permitted Holders and the Hill Group Permitted Holders (together, the "**Shareholder Groups**" and each a "**Shareholder Group**") have the right to designate one director nominee for election to our Board for so long as such Shareholder Group beneficially owns, directly or indirectly, in the aggregate, 5% or more of the issued and outstanding shares of the Company (on a non-diluted basis). Our Board shall not be comprised of more than nine directors unless agreed to by each Shareholder Group. Each Shareholder Group has agreed to vote its shares in favour of any director nominee nominated by the other Shareholder Group.

For so long as Brian Hill is a director he is entitled to be the chair (the "**Chair**") of our Board. Upon Brian Hill ceasing to be a director, or in the event that Mr. Hill does not wish to serve as the Chair, then the Chair shall be appointed by our Board.

So long as a Shareholder Group beneficially owns, directly or indirectly, in the aggregate, 5% or more of the issued and outstanding shares of the Company (on a non-diluted basis), such Shareholder Group shall be entitled to have its director nominee serve on the Compensation and Nominating Committee of the Board, provided that its director nominee is not one of our officers or a Member of the Immediate Family of any of our officers.

The rights of each Shareholder Group under the Investor Rights Agreement will terminate on the date after the first continuous 180 day period during which the shares owned, directly or indirectly, in the aggregate, by the Shareholder Group constitutes less than 5% of all of the issued and outstanding shares (on a non-diluted basis). In addition, the Investor Rights Agreement will terminate on the earlier of: (a) the date on which the Investor Rights Agreement is terminated by written agreement of the Berkshire Group Permitted Holders, the Hill Group Permitted Holders and us; and (b) our dissolution or liquidation.

"Berkshire Group Permitted Holders" means (i) the Berkshire Shareholder and any of its Affiliates, and (ii) any of Canada Retail Holdings, L.P., Berkshire Fund VI, Limited Partnership, Berkshire Investors III LLC, Berkshire Investors LLC, and any of their respective Affiliates, in each case provided that it is controlled, directly or indirectly, or managed by Berkshire Partners or an Affiliate of Berkshire Partners and includes Sixth Berkshire Associates LLC. **"Hill Group Permitted Holders"** means (i) Brian Hill and any Members of the Immediate Family of Brian Hill and (ii) any Person controlled, directly or indirectly by one or more of the Persons referred to in clause (i). **"Permitted Holders"** means any of the Berkshire Group Permitted Holders and the Hill Group Permitted Holders.

The foregoing summary is qualified in its entirety by reference to the provisions of the Investor Rights Agreement. Any capitalized terms used but not defined in this summary are defined in our Annual Information Form. A copy of the Investor Rights Agreement is available under the Company's profile on SEDAR at www.sedar.com and a summary of further details has been included in the Company's most recent Annual Information Form, which is also available under the Company's profile on SEDAR.

Advance Notice Provisions

The Company's Articles provide for certain advance notice of nominations of directors (the **"Advance Notice Provisions"**). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings; (ii) ensure that all shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. Only persons who are nominated by shareholders in accordance with the Advance Notice Provisions are eligible for election as directors at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors.

Under the Advance Notice Provisions, a shareholder wishing to nominate a director would be required to provide us notice, in the prescribed form, within the prescribed time periods. These time periods include, (i) in the case of an annual meeting of shareholders (including annual and special meetings), not less than 30 days prior to the date of the annual meeting of shareholders; provided, that if the first public announcement of the date of the annual meeting of shareholders (the **"Notice Date"**) is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of shareholders called for any purpose which includes electing directors, not later than the close of business on the 15th day following the Notice Date, provided that, in either instance, if notice-and-access is used for delivery of proxy related materials in respect of a meeting described above, and the Notice Date in respect of the meeting is not less than 50 days prior to the date of the applicable meeting, the notice must be received not later than the close of business on the 40th day before the applicable meeting.

A copy of the Company's Articles is available under the Company's profile on SEDAR at www.sedar.com.

Majority Voting Policy

In accordance with the requirements of the Toronto Stock Exchange ("**TSX**"), our Board has adopted a majority voting policy (the **"Majority Voting Policy"**), which requires that in an uncontested election of directors, if any nominee receives a greater number of votes "withheld" than votes "for", the nominee will tender a resignation to the Chair promptly following the Meeting. Our Compensation and Nominating Committee will consider such offer and make a recommendation to our Board whether to accept it or not. Our Board will promptly accept the resignation unless it determines, in consultation with our Compensation and Nominating Committee, that there are exceptional circumstances that should delay the acceptance of the resignation or justify rejecting it. Our Board will make its decision within 90 days following the meeting of shareholders and promptly announce it in a press release, and

should the Board decline to accept the resignation, the press release will include the reasons for its decision. A director who tenders a resignation pursuant to the Majority Voting Policy will not participate in any meeting of our Board or our Compensation and Nominating Committee at which the resignation is considered.

DIRECTOR COMPENSATION

Our directors' compensation program is designed to attract and retain the most qualified individuals to serve on our Board. Our Board, through our Compensation and Nominating Committee, is responsible for reviewing and approving any changes to the directors' compensation arrangements. In consideration for serving on our Board, each director that is not an employee is paid an annual retainer which may, at our Board's discretion, be paid in cash or in some combination of cash and Deferred Share Units ("DSUs"). Directors are also reimbursed for their reasonable out-of-pocket expenses incurred while serving as directors. Since the completion of our IPO, a portion of our directors' cash retainer has been paid in the form of DSUs. With respect to DSUs, once a director ceases to be a member of the Board, DSUs will be settled by making a cash payment equal to the number of DSUs multiplied by the volume-weighted average trading price of the Subordinate Voting Shares on the TSX for a reasonable period preceding the settlement date.

In addition, pursuant to the Investor Rights Agreement, no director nominee of the Berkshire Group Permitted Holders who is a partner, principal, member of, or employee of Berkshire Partners or any of its affiliates is entitled to receive any compensation for his or her service as a director of our Board, other than persons who serve as an advisory director or consultant to Berkshire Partners.

The chart below outlines our director compensation program for our non-employee directors in Fiscal 2017.

This amount may not represent the actual value of the share-based awards upon distribution, as the value of

the shares underlying these awards may be of greater or lesser value on vesting based on the market value of the Subordinate Voting Shares at that time.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The following discussion describes the significant elements of the compensation of our Founder and Chief Executive Officer, President and Chief Operating Officer, Chief Financial Officer, Chief Information Officer and Executive Vice President, Retail (collectively, the “**named executive officers**” or “**NEOs**”), namely:

- Brian Hill, *Founder and Chief Executive Officer*;
- Jennifer Wong, *President and Chief Operating Officer*;
- Todd Ingledew, *Chief Financial Officer*;
- Dave Maclver, *Chief Information Officer*; and
- Pippa Morgan, *Executive Vice President, Retail*.

We operate in a dynamic and rapidly evolving market. To succeed in this environment and to achieve our business and financial objectives, we need to attract, retain and motivate a highly talented team of executive officers. We expect our team to possess and demonstrate strong leadership and management capabilities, as well as foster our culture, which is at the foundation of our success and remains a pivotal part of our everyday operations.

Our executive officer compensation program is designed to achieve the following objectives:

- provide market-competitive compensation opportunities in order to attract and retain talented, high-performing and experienced executive officers, whose knowledge, skills and performance are critical to our success;

- motivate our executive officers to achieve our business and financial objectives;
- align the interests of our executive officers with those of our shareholders by tying a meaningful portion of compensation directly to the long-term value and growth of our business; and
- provide incentives that encourage appropriate levels of risk-taking by our executive officers and provide a strong pay-for-performance relationship.

We offer our executive officers cash compensation in the form of base salary and an annual bonus, and equity-based compensation which has historically been awarded in the form of stock options under the Legacy Option Plan (discussed below) and, since our IPO, has been awarded in the form of stock options under our new stock option plan dated October 3, 2016 (the “**Stock Option Plan**”). See “- Principal Elements of Compensation - Stock Option Plan”.

We believe that equity-based compensation awards motivate our executive officers to achieve our business and financial objectives, and also align their interests with the long-term interests of our shareholders. We provide base salary to compensate employees for their day-to-day responsibilities, at levels that we believe are necessary to attract and retain executive officer talent.

While we have determined that our current executive officer compensation program is effective at attracting and maintaining executive officer talent, we evaluate our compensation practices on an ongoing basis to ensure that we are providing market-competitive compensation opportunities for our executive team. This includes evaluating our compensation philosophy and compensation program as circumstances require. As part of this review process, we expect to be guided by the philosophy and objectives outlined above, as well as other factors which may become relevant, including the ability to attract and retain key employees and to adapt to growth and other changes in our business and industry.

Compensation Governance

Our Compensation and Nominating Committee is responsible for assisting our Board in fulfilling its governance and supervisory responsibilities, and overseeing our human resources, succession planning, and compensation policies, processes and practices. Our Compensation and Nominating Committee is also responsible for ensuring that our compensation policies and practices provide an appropriate balance of risk and reward consistent with our risk profile. In addition, our directors and executive officers are prohibited from purchasing financial instruments (such as prepaid variable forward contracts, equity swaps or collars) designed to hedge or offset a decrease in the market value of their shares in Aritzia.

Our Board has adopted a written charter for our Compensation and Nominating Committee setting out its responsibilities, among other things, for administering our compensation programs and reviewing and making recommendations to our Board concerning the level and nature of the compensation payable to our directors and officers. Our Compensation and Nominating Committee’s oversight includes reviewing objectives, evaluating performance and ensuring that total compensation paid to our executive officers, personnel who report directly to our CEO and various other key executive officers and managers is fair, reasonable and consistent with the objectives of our philosophy and compensation program. See also “Corporate Governance - Committees of our Board - Compensation and Nominating Committee.”

In Fiscal 2017, we retained Willis Towers Watson Canada Inc. (“**Willis Towers Watson**”), an independent consulting firm to provide services to us in connection with executive officer and director compensation matters, including, among other things, assisting us in reviewing the competitiveness of

our current cash and equity-based compensation program for our executive officers in preparation for our initial public offering.

The fees paid to Willis Towers Watson for the foregoing services were \$164,524.01 in Fiscal 2017.

The compensation paid to our NEOs for the year ended February 26, 2017, which was our first year-end as a public company, is summarized below under the heading "Summary Compensation Table".

Principal Elements of Compensation

The compensation of our executive officers includes three major elements: (i) base salary, (ii) short-term incentives, consisting of an annual bonus, and (iii) long-term equity incentives, consisting of options granted from time to time under the Stock Option Plan. Perquisites and personal benefits are not a significant element of compensation of our executive officers.

Base salaries

Base salary is provided as a fixed source of compensation for our executive officers. Adjustments to base salaries are expected to be determined annually and may be increased based on the executive officer's success in meeting or exceeding individual objectives, as well as to maintain market competitiveness. Additionally, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope or breadth of an executive officer's role or responsibilities.

Annual bonuses

Annual bonuses are designed to motivate our executive officers to meet our business and financial objectives generally and our annual financial performance targets in particular. Annual bonuses are earned and measured with reference to profitability. Individual bonus payouts increase or decrease depending on how much actual profitability for the fiscal year deviates from our profitability targets, taking into account the impact of certain items we consider non-recurring and not representative of our ongoing operating performance and any further adjustments that may be made from time to time for other irregular items, as determined and approved by our Compensation and Nominating Committee. Annual bonus targets are set as a percentage of the relevant executive officers' base salary, which varies based on his or her position level - up to a maximum of 80% to 120% of base salary in the case of executive officers, if maximum financial performance targets are achieved.

Stock options

Legacy Option Plan

In 2005, we established our Amended and Restated 2005 Equity Incentive Plan, which was further amended and restated as of closing of our IPO (the "**Legacy Option Plan**"), to advance our interests by enhancing our ability to attract and retain able directors, employees, consultants and advisers, to reward such individuals for their contributions and to encourage such individuals to take into account our long-term interests through the granting of options to acquire Class A Common Shares or Class D Common Shares. In connection with our IPO, options previously issued and outstanding under the Legacy Option Plan became options to acquire Subordinate Voting Shares. As at the date of this Circular, a total of 11,017,360 options are issued and outstanding under the Legacy Option Plan, representing approximately 10.1% of the issued and outstanding shares and approximately 1.8% of the voting power attached to all of our shares. No further awards will be granted under the Legacy Option Plan.

The Legacy Option Plan provides that appropriate adjustments, if any, will be made by our Board in connection with any subdivision, combination or reclassification of our shares, or other change in our share capital, including adjustments to the exercise price and/or the number of Subordinate Voting Shares to which an optionee is entitled upon exercise of options. In connection with our IPO, the Legacy Option Plan was also amended and restated to give effect to, among other things; (i) the addition of provisions that permit the extension of options during blackout periods, and (ii) the inclusion of terms and conditions required by the TSX, such as provisions and restrictions relating to amendment of the Legacy Option Plan or outstanding options similar to those applicable to the Company's Stock Option Plan.

Stock Option Plan

The Stock Option Plan allows for the grant of options to our directors, executive officers, employees and consultants. Our Board is responsible for administering the Stock Option Plan, which responsibility may be delegated to a committee of the Board and/or to any member of the Board. The following is a summary of the material attributes and characteristics of the Stock Option Plan.

Our Board, in its sole discretion, shall from time to time designate the directors, executive officers, employees or consultants to whom options shall be granted under the Stock Option Plan. Only options to acquire Subordinate Voting Shares may be granted under the Stock Option Plan. As at the date of this Circular, a total of 3,698,948 options are issued and outstanding under the Stock Option Plan, representing approximately 3.4% of the issued and outstanding shares and approximately 0.6% of the voting power attached to all of our shares.

The maximum number of Subordinate Voting Shares reserved for issuance, in the aggregate, under our Stock Option Plan and all other security-based compensation arrangements (other than the Legacy Option Plan) is 5% of the aggregate number of shares issued and outstanding from time to time, which represents 5,347,215 Subordinate Voting Shares as of the date hereof.

All of the Subordinate Voting Shares covered by exercised, cancelled or terminated options granted under the Stock Option Plan will automatically become available Subordinate Voting Shares for the purposes of options that may be subsequently granted under the Stock Option Plan. As a result, the Stock Option Plan is considered an "evergreen" plan.

All options granted under the Stock Option Plan are approved by our Board in accordance with the terms of the Stock Option Plan with the exercise price determined on the applicable grant date, which shall not be less than the market price of the Subordinate Voting Shares at such time. For purposes of the Stock Option Plan, the market price of the Subordinate Voting Shares shall be the closing price for the Subordinate Voting Shares on the TSX on the last trading day before the day on which the option is granted.

An option shall be exercisable during a period established by our Board which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the option. The Stock Option Plan provides that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a blackout period. In such cases, the extended exercise period shall terminate ten business days after the last day of the blackout period. There are currently no limits on insider participation provided for under the Stock Option Plan.

In order to facilitate the payment of the exercise price of the options, the Stock Option Plan has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted "cashless exercise" or a "net exercise" subject to the conditions set out in the Stock Option Plan, including the consent of the Board, where required.

Unless our Board decides otherwise, the Stock Option Plan provides that options will vest as to 20% each year for five years following the date of grant on each anniversary date following the date of grant.

The Stock Option Plan also provides that appropriate adjustments, if any, will be made by our Board in connection with a stock dividend or split, recapitalization, reorganization or other change of shares, consolidation, distribution, merger or amalgamation or similar corporate transaction, in order to maintain the optionees' economic rights in respect of their options in connection with such change in capitalization, including adjustments to the exercise price and/or the number of Subordinate Voting Shares to which an optionee is entitled upon exercise of options, or permitting the immediate exercise of any outstanding options that are not otherwise exercisable.

The following table describes the impact of certain events upon the rights of holders under the Stock Option Plan, including termination for cause, resignation, termination other than for cause, retirement, death or disability, subject to the terms of a participant's employment agreement, stock option certificate or as otherwise determined by our Board:

<u>Event Provisions</u>	<u>Provisions</u>
Termination for cause	Forfeiture of all vested and unvested options.
Resignation	Forfeiture of all unvested options and the earlier of the original expiry date and 30 days after resignation to exercise vested options.
Termination other than for cause.....	Forfeiture of all unvested options and the earlier of the original expiry date and 30 days after termination to exercise vested options.
Retirement.....	90 days vesting period after retirement for all unvested options and the earlier of the original expiry date and 90 days after retirement to exercise vested options.
Death or disability	12 month vesting period after death or disability for all unvested options and the earlier of the original expiry date and 12 months after death or disability to exercise vested options.

A participant's grant agreement or any other written agreement between a participant and us may provide that unvested options be subject to acceleration of vesting and exercisability in certain circumstances, including in the event of certain change of control transactions. Our Board may at its discretion, acting in good faith, accelerate the vesting of any outstanding options notwithstanding the previously established vesting schedule, regardless of any adverse or potentially adverse tax consequences resulting from such acceleration or, subject to applicable regulatory provisions and shareholder approval, extend the expiration date of any option, provided that the period during which an option is exercisable does not exceed ten years from the date such option is granted.

The Board may suspend or terminate the Stock Option Plan at any time, or from time to time amend or revise the terms of Stock Option Plan or of any granted Option, provided that no such suspension, termination, amendment or revision will be made, (i) except in compliance with applicable law and with the prior approval, if required, of the shareholders, the TSX or any other regulatory body having authority over us; and (ii) in the case of an amendment or revision, if it would materially adversely affect the rights of any participant, without the consent of the participant, provided however, subject to any applicable rules of the TSX, the Board may from time to time, in its absolute discretion and without the approval of shareholders, make the following amendments to the Stock Option Plan or any outstanding option:

- any amendment to the vesting and assignability provisions;

- any amendment regarding the effect of termination of a participant's employment or engagement;
- any amendment which accelerates the date on which any option may be exercised under the Stock Option Plan;
- any amendment to the definition of an eligible person under the Stock Option Plan;
- any amendment to add provisions permitting for the granting of cash-settled awards, a form of financial assistance or clawback provision and any amendment to a cash-settled award, financial assistance or clawback provision which is adopted;
- any amendment necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
- any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of Stock Option Plan, correct or supplement any provision of the Stock Option Plan that is inconsistent with any other provision of the Stock Option Plan, correct any grammatical or typographical errors or amend the definitions in the Stock Option Plan;
- any amendment regarding the administration of the Stock Option Plan;
- any amendment to add an insider participation limit to the Stock Option Plan; and
- any other amendment that does not require the approval of the holders of Subordinate Voting Shares pursuant to the amendment provisions of the Stock Option Plan.

For greater certainty, our Board shall be required to obtain shareholder approval to make the following amendments:

- any increase in the maximum number of Subordinate Voting Shares that may be issuable pursuant to options granted under the Stock Option Plan;
- any reduction in the exercise price of an option or extension of the expiry date of an option benefitting an insider; and
- any amendment to the amendment provisions of the Stock Option Plan.

Except as specifically provided in the Stock Option Plan and as approved by our Board, options granted under the Stock Option Plan are generally not transferable or assignable other than by will or the laws of descent and distribution.

The grant date fair value of option-based awards was calculated based on the Black-Scholes option pricing model, which is consistent with the valuation for accounting purposes in accordance with IFRS 2, *Share-Based Payments*. The Black-Scholes fair value has been determined using a range of 7.0 to 10.0 years expected life, a volatility of 44.0% to 45.6%, a risk-free rate of between 0.76% and 1.02%, and a dividend yield of 0%.

CORPORATE GOVERNANCE

General

The Board believes that sound corporate governance practices are essential to the proper management and operation of our business. This includes compliance with applicable regulatory requirements and best practices that go beyond the requirements mandated by regulation.

We recognize that good corporate governance plays an important role in our overall success and in enhancing shareholder value and, accordingly, we have adopted certain corporate governance policies and practices.

Disclosure of our governance practices as required under National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”) is set out below and describes our approach to corporate governance.

To comply with these various standards and achieve best practices, we have adopted comprehensive corporate governance policies and procedures. Our key policies and documents include the following:

- Mandate of the Board of Directors
- Code of Conduct
- Charters of the Board Committees,
- Whistleblower Policy

including the Audit Committee and the Compensation and Nominating Committee

- Disclosure Policy
- Trading Policy
- Governance Guidelines

Composition of our Board and Board Committees

Under our Articles, our Board is to consist of a minimum of three and a maximum of 15 directors as determined from time to time by the directors. Our Board currently consists of nine directors, and pursuant to the Investor Rights Agreement, our Board shall not be comprised of more than nine directors unless agreed to by each Shareholder Group. Under the BCBCA, a director may be removed with or without cause by a resolution passed by an ordinary majority of the votes cast by shareholders present in person or by proxy at a meeting and who are entitled to vote. The directors are elected by shareholders at each annual meeting of shareholders, and all directors hold office for a term expiring at the close of the next annual meeting or until their respective successors are elected or appointed. Our Articles provide that, between annual general meetings of shareholders, the directors may appoint one or more additional directors, but the number of additional directors may not at any time exceed one-third of the number of current directors who were elected or appointed other than as additional directors.

Certain aspects of the composition and functioning of our Board are governed by the terms of the Investor Rights Agreement. See also "Election of Directors - Investor Rights Agreement". The nominees for election by shareholders as directors are determined by our Compensation and Nominating Committee in accordance with the provisions of applicable corporate law, the Investor Rights Agreement and the charter of our Compensation and Nominating Committee. See also "- Committees of our Board - Compensation and Nominating Committee."

Director Independence

Under NI 58-101, a director is considered to be independent if he or she is independent within the meaning of National Instrument 52-110-*Audit Committees* ("**NI 52-110**"). Pursuant to NI 52-110, an independent director is a director who is free from any direct or indirect relationship which could, in the view of our Board, be reasonably expected to interfere with a director's independent judgment. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that of the nine directors on our Board, a majority are not independent: Brian Hill, Jennifer Wong, Kevin Callaghan, Marni Payne and Glen Senk are not considered to be independent as a result of their respective relationships with us or our principal shareholders.

Meetings of Independent Directors and Conflicts of Interest

Our Board believes that given its size and structure, it is able to facilitate independent judgment in carrying out its responsibilities. To enhance such independent judgment, the independent members of our Board may meet in the absence of senior executive officers or any non-independent directors. Our Board has not appointed an independent Chair. However, John E. Currie has been appointed as lead director by our Board and is responsible for ensuring that the directors who are independent of management have opportunities to meet without management present, as required. Pursuant to the Investor Rights Agreement, the lead director shall be appointed and replaced from time to time by a majority of independent directors and shall be an independent director.

A director who has a material interest in a matter before our Board or any committee on which he or she serves is required to disclose such interest as soon as the director becomes aware of it. In situations where a director has a material interest in a matter to be considered by our Board or any committee on which he or she serves, such director may be required to absent himself or herself from

the meeting while discussions and voting with respect to the matter are taking place. Directors are also required to comply with the relevant provisions of the BCBCA regarding conflicts of interest.

Director Term Limits and Other Mechanisms of Board Renewal

Our Board has not adopted director term limits or other automatic mechanisms of board renewal. Rather than adopting formal term limits, mandatory age-related retirement policies and other mechanisms of board renewal, the Compensation and Nominating Committee of our Board seeks to maintain the composition of our Board in a way that provides, in the judgement of our Board, the best mix of skills and experience to provide for our overall stewardship. Our Compensation and Nominating Committee also is expected to conduct a process for the assessment of our Board, each committee and each director regarding his, her or its effectiveness and performance, and to report evaluation results to our Board. See also "Corporate Governance - Committees of our Board - Compensation and Nominating Committee - Board and Executive Management Diversity".

Mandate of our Board of Directors

Our Board is responsible for supervising the management of our business and affairs, including providing guidance and strategic oversight to management. Our Board has adopted the written mandate set forth in Appendix "A", which includes the following:

- appointing the Chief Executive Officer;
- approving the corporate goals and objectives that the Chief Executive Officer is responsible for meeting and reviewing the performance of the Chief Executive Officer against such corporate goals and objectives;
- taking steps to satisfy itself as to the integrity of the Chief Executive Officer and other senior executive officers and that the Chief Executive Officer and other senior executive officers create a culture of integrity throughout the organization; and
- reviewing and approving management's strategic and business plans.

Our Board has adopted a written position description for the Chair, which sets out the Chair's key responsibilities, including, among others, duties relating to setting Board meeting agendas, chairing Board and shareholder meetings, director development and communicating with shareholders and regulators. See also "Election of Directors - Investor Rights Agreement - Chair of our Board and Committees". Our Board has also adopted a written position description for our lead director. See "Meetings of Independent Directors and Conflicts of Interest" above.

Our Board has adopted a written position description for each of our committee chairs which sets out each of the committee chair's key responsibilities, including, among others, duties relating to setting committee meeting agendas, chairing committee meetings and working with the respective committee and management to ensure, to the greatest extent possible, the effective functioning of the committee.

Our Board has adopted a written position description for our Chief Executive Officer which sets out the key responsibilities of our Chief Executive Officer, including, among other duties in relation to providing overall leadership, strategic planning and business and organizational management.

Orientation and Continuing Education

We have implemented an orientation program for new directors under which a new director meets with the Chair, the lead director, members of senior management and our corporate secretary. New directors are provided with comprehensive orientation and education as to the nature and operation of Aritzia and our business, the role of our Board and its committees, and the contribution that an

individual director is expected to make. Our Compensation and Nominating Committee is responsible for overseeing director continuing education designed to maintain or enhance the skills and abilities of the directors and to ensure that their knowledge and understanding of our business remains current. The chair of each committee is responsible for coordinating orientation and continuing director development programs relating to the committee's mandate.

Code of Conduct

We have adopted a written code of conduct (the "**Code of Conduct**") that applies to all of our directors, officers and employees. The objective of the Code of Conduct is to provide guidelines for maintaining our and our subsidiaries' integrity, reputation, honesty, objectivity and impartiality. The Code of Conduct addresses conflicts of interest, protection of our assets, confidentiality, fair dealing with shareholders, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour. As part of the Code of Conduct, any person subject to the Code of Conduct is required to avoid or fully disclose interests or relationships that are harmful or detrimental to our best interests or that may give rise to real, potential or the appearance of conflicts of interest. Our Board has ultimate responsibility for the stewardship of the Code of Conduct and it monitors compliance through our Compensation and Nominating Committee. Directors, officers and employees are required to certify that they will abide by the Code of Conduct. The Code of Conduct has been filed with the Canadian securities regulatory authorities under our profile on SEDAR at www.sedar.com.

Committees of our Board

Our Board has established two committees: the Audit Committee and the Compensation and Nominating Committee.

Audit Committee

Detailed information about our Audit Committee, including the mandate of the Audit Committee and a copy of its charter, can be found in our Annual Information Form for the year ended February 26, 2017 on www.sedar.com under the heading "Directors and Officers - Audit Committee".

Compensation and Nominating Committee

Our Compensation and Nominating Committee is comprised of three directors, two of whom are persons determined by our Board to be independent directors, and is charged with reviewing, overseeing and evaluating our compensation, corporate governance and nominating policies. Our Compensation and Nominating Committee is comprised of Marni Payne, a nominee of the Berkshire Shareholder, who acts as chair of the committee, John E. Currie and Aldo Bensadoun. No member of our Compensation and Nominating Committee may be our officers, and as such, our Board believes that our Compensation and Nominating Committee is able to conduct its activities in an objective manner. See also "Election of Directors - Investor Rights Agreement - Chair of our Board and Committees."

For additional details regarding the relevant education and experience of each member of our Compensation and Nominating Committee, including the direct experience that is relevant to each committee member's responsibilities in executive compensation, see also "Election of Directors".

Our Board has adopted a written charter setting forth the purpose, composition, authority and responsibility of our Compensation and Nominating Committee consistent with the Corporate Governance Guidelines. Our Compensation and Nominating Committee's purpose is to assist our Board in:

- the appointment, performance, evaluation and compensation of our senior executives;
- the recruitment, development and retention of our senior executives;
- maintaining talent management and succession planning systems and processes relating to our senior management;
- developing compensation structure for our senior executives including salaries, annual and long-term incentive plans including plans involving share issuances and other share-based awards;
- establishing policies and procedures designed to identify and mitigate risks associated with our compensation policies and practices;
- assessing the compensation of our directors;
- developing benefit retirement and savings plans;
- developing our corporate governance guidelines and principles and providing us with governance leadership;
- identifying individuals qualified to be nominated as members of our Board;
- reviewing the structure, composition and mandate of Board committees; and
- evaluating the performance and effectiveness of our Board and of our Board committees.

Our Compensation and Nominating Committee is responsible for establishing and implementing procedures to evaluate the performance and effectiveness of our Board, committees of our Board and the contributions of individual Board members. Our Compensation and Nominating Committee also takes reasonable steps to evaluate and assess, on an annual basis, directors' performance and the effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. The assessment addresses, among other things, individual director independence, individual director and overall Board skills, and individual director financial literacy. Our Board receives and considers the recommendations from our Compensation and Nominating Committee regarding the results of the evaluation of the performance and effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. Our Compensation and Nominating Committee is also responsible for orientation and continuing education programs for our directors. See also "- Orientation and Continuing Education".

Board and Executive Management Diversity

We believe that having a diverse Board can offer a breadth and depth of perspectives that enhance our Board's performance. Our policy on director selection criteria and diversity is set out in our Governance Guidelines and reflects our successful track record in recruiting and retaining qualified female directors and senior management under our existing recruitment policies and processes.

The composition of our Board and senior management is shaped by the selection criteria established by our Compensation and Nominating Committee. In particular, our Compensation and Nominating Committee is responsible for identifying qualified candidates for nomination as directors and to make recommendations to the Board. When identifying candidates to nominate for election to the Board, the primary objectives of our Compensation and Nominating Committee are to ensure consideration of individuals who are highly qualified, based on their talents, experience, functional expertise and

personal skills, character and qualities, having regard to the Company's current and future plans and objectives, as well as anticipated industry and market developments.

In furtherance of the Company's commitment to diversity, our Compensation and Nominating Committee balances these objectives with the need to identify and promote individuals who are reflective of diversity for nomination for election to the Board. In particular, the Compensation and Nominating Committee shall consider the level of representation of women and other diverse candidates on the Board when making recommendations for nominees to the Board and monitor the level of female representation on our Board and in senior management positions, with a view to continuing to broaden recruiting efforts to attract and interview qualified female candidates, and committing to retention and training to ensure that our most talented employees are promoted from within our organization.

We value diversity of abilities, experience, perspective, education, gender, background, race and national origin. Recommendations concerning director nominees are expected to be based on merit and past performance as well as expected contribution to our Board's performance and, accordingly, diversity is taken into consideration. As the Company has been successful in recruiting and retaining qualified female directors and senior executives under its existing recruitment policies and processes, the Company has not adopted any specific targets for gender or other diversity representation, but will promote its objectives through the foregoing approach with a view to continuing to identify and foster the development of a suitable pool of candidates for nomination or appointment.

Two of nine members on our Board, or approximately 22%, are female members. We have also recruited and selected senior management candidates that represent a diversity of business understanding, personal attributes, abilities and experience. Currently, three of six members, or 50%, of our executive officers (as defined in NI 58-101) are female.

OTHER IMPORTANT INFORMATION

Voting Securities

Our authorized share capital consists of an unlimited number of Subordinate Voting Shares and Multiple Voting Shares and an unlimited number of preferred shares, issuable in series. Holders of Multiple Voting Shares are entitled to 10 votes per Multiple Voting Share and holders of Subordinate Voting Shares are entitled to one vote per Subordinate Voting Share on all matters upon which holders of Multiple Voting Shares and Subordinate Voting Shares are entitled to vote. See also “- Certain Amendments” below.

As at the date of this Circular, there are 53,287,771 Subordinate Voting Shares issued and outstanding, 55,756,002 Multiple Voting Shares issued and outstanding, and no preferred shares issued and outstanding. The Subordinate Voting Shares represent approximately 48.9% of our total issued and outstanding shares and approximately 8.7% of the voting power attached to all of our shares.

This summary is qualified by reference to, and is subject to, the detailed provisions of our Articles.

The Subordinate Voting Shares are “restricted securities” within the meaning of National Instrument 51-102.

Certain Amendments

In addition to any other voting right or power to which the holders of Subordinate Voting Shares shall be entitled by law or regulation or other provisions of our Articles from time to time in effect, but subject to the provisions of our Articles, holders of Subordinate Voting Shares shall be entitled to vote separately as a class, in addition to any other vote of shareholders that may be required, in respect of any alteration, repeal or amendment of our Articles which would adversely affect the rights or special rights of the holders of Subordinate Voting Shares or affect the holders of Subordinate Voting Shares and Multiple Voting Shares differently, on a per share basis, including an amendment to the terms of our Articles that provide that any Multiple Voting Shares sold or transferred to a person that is not a Permitted Holder shall be automatically converted into Subordinate Voting Shares. Holders of Subordinate Voting Shares are not entitled to vote separately as a class on any matters identified in the Notice.

Pursuant to our Articles, holders of Subordinate Voting Shares and Multiple Voting Shares will be treated equally and identically, on a per share basis, in certain change of control transactions that require approval of our shareholders under the BCBCA, unless different treatment of the shares of

each such class is approved by a majority of the votes cast by the holders of our Subordinate Voting Shares and Multiple Voting Shares, each voting separately as a class.

Take-over Bid Protection

Under applicable securities laws in Canada, an offer to purchase Multiple Voting Shares would not necessarily require that an offer be made to purchase Subordinate Voting Shares. In accordance with the rules of the TSX designed to ensure that, in the event of a take-over bid, the holders of Subordinate Voting Shares will be entitled to participate on an equal footing with holders of Multiple Voting Shares, we have entered into a customary coattail agreement dated October 3, 2016 with the Hill Shareholders, the Berkshire Shareholder and a trustee (the "**Coattail Agreement**"). The Coattail Agreement contains provisions customary for dual class, TSX-listed corporations designed to prevent transactions that otherwise would deprive the holders of Subordinate Voting Shares of rights under applicable securities laws in Canada to which they would have been entitled if the Multiple Voting Shares had been Subordinate Voting Shares. The undertakings in the Coattail Agreement do not apply to prevent a sale by the holders of Multiple Voting Shares or their Permitted Holders of Multiple Voting Shares if concurrently an offer is made to purchase Subordinate Voting Shares that:

- (a) offers a price per Subordinate Voting Share at least as high as the highest price per share to be paid pursuant to the take-over bid for the Multiple Voting Shares;
- (b) provides that the percentage of outstanding Subordinate Voting Shares to be taken up (exclusive of shares owned immediately prior to the offer by the offeror or persons acting jointly or in concert with the offeror) is at least as high as the percentage of Multiple Voting Shares to be sold (exclusive of Multiple Voting Shares owned immediately prior to the offer by the offeror and persons acting jointly or in concert with the offeror);
- (c) has no condition attached other than the right not to take up and pay for Subordinate Voting Shares tendered if no shares are purchased pursuant to the offer for Multiple Voting Shares; and
- (d) is in all other material respects identical to the offer for Multiple Voting Shares.

The Coattail Agreement does not prevent the transfer by the holders of Multiple Voting Shares to Permitted Holders, provided such transfer is not or would not have been subject to the requirements to make a take-over bid (if the vendor or transferee were in Canada) or constitutes or would be exempt from certain requirements applicable to take-over bids under applicable securities laws in Canada. The conversion of Multiple Voting Shares into Subordinate Voting Shares, whether or not such Subordinate Voting Shares are subsequently sold, does not constitute a disposition of Multiple Voting Shares for the purposes of the Coattail Agreement.

Under the Coattail Agreement, any sale of Multiple Voting Shares (including a transfer to a pledgee as security) by a holder of Multiple Voting Shares party to the Coattail Agreement is conditional upon the transferee or pledgee becoming a party to the Coattail Agreement, to the extent such transferred Multiple Voting Shares are not automatically converted into Subordinate Voting Shares in accordance with our Articles.

The Coattail Agreement contains provisions for authorizing action by the trustee to enforce the rights under the Coattail Agreement on behalf of the holders of the Subordinate Voting Shares. The obligation of the trustee to take such action is conditional on us or holders of the Subordinate Voting Shares providing such funds and indemnity as the trustee may reasonably require. No holder of Subordinate Voting Shares has the right, other than through the trustee, to institute any action or proceeding or to exercise any other remedy to enforce any rights arising under the Coattail Agreement unless the trustee fails to act on a request authorized by holders of not less than 10% of the

outstanding Subordinate Voting Shares and reasonable funds and indemnity have been provided to the trustee.

Other than in respect of non-material amendments and waivers that do not adversely affect the interests of holders of Subordinate Voting Shares, the Coattail Agreement provides that, among other things, it may not be amended, and no provision thereof may be waived, unless, prior to giving effect to such amendment or waiver, the following have been obtained: (a) the consent of the TSX and any other applicable securities regulatory authority in Canada; and (b) the approval of at least two-thirds of the votes cast by holders of Subordinate Voting Shares represented at a meeting duly called for the purpose of considering such amendment or waiver, excluding votes attached to Subordinate Voting Shares held by the holders of Multiple Voting Shares or their affiliates and related parties and any persons who have an agreement to purchase Multiple Voting Shares on terms which constitute a sale or disposition for purposes of the Coattail Agreement, other than as permitted thereby.

No provision of the Coattail Agreement limits the rights of any holders of Subordinate Voting Shares under applicable law.
