LETTER TO SHAREHOLDERS

Dear Shareholders,

We have prepared the following to complement our Compensation Discussion and Analysis found elsewhere in this Management Information Circular to provide you with additional information on our executive pay programs and related corporate governance practices. On behalf of the Compensation and Nominating Committee, we hope you find our disclosure clear and helpful in evaluating our practices. As we have over the last three years since becoming a public company, we intend to continue enhancing our disclosure over time in order to provide you with a better understanding of our executive pay programs.

Aritzia's Performance in Fiscal 2019

Fiscal 2019 again proved that Aritzia's multi-brand strategy, diversified product mix, long-term management approach and exceptional customer service contribute to strong and consistent financial performance. Select financial highlights in Fiscal 2019 include:

Aritzia's Executive Compensation and Corporate Governance in Fiscal 2019

In Fiscal 2019, the Compensation and Nominating Committee approved the following compensation and corporate governance initiatives to evolve our programs as we mature as a publicly traded company and to position Aritzia to attract, retain and motivate highly talented executives:

Compensation

- **Enhancement of our compensation philosophy** - we enhanced and advanced our compensation philosophy that articulates the goals of our compensation programs and guides our compensation decision-making and pay-for-performance philosophy, in particular, to attract, retain, and motivate highly talented executives while ensuring alignment with shareholder interests.
- **Evolution of our compensation peer group** - with the assistance of Mercer (Canada) Limited, an independent consulting firm, we completed our composition of a more focused compensation peer group consisting of 16 North American organizations (9 Canadian and 7 US peers) that takes into account Aritzia's growth since our initial public offering, geography, core business focus, industry, market capitalization and revenue size, and market for qualified executive talent.
- **Benchmarked executive pay** - we benchmarked our named executive officers' total direct compensation and made decisions for adjustments to align our executives' compensation with our compensation peer group.
- **Enhancement of our Long Term Incentive program** - we conducted a comprehensive review of our equity program which led to the enhancement of a Long Term Incentive ("LTI") program that shifts our granting approach from solely stock options to a market competitive LTI

program that includes cash-settled restricted share units in our LTI award mix with annual grant guidelines closely tied to executives' performance and contributions. We will continue to monitor and assess our LTI program to ensure it is aligned with our compensation philosophy.

- **Annual bonuses paid out based on corporate profitability** - each named executive officer's bonus payout was determined primarily by Aritzia's annual profitability resulting in awards that have a meaningful direct link to Aritzia's financial results for the fiscal year.
- **CEO pay remains at \$2** - we approved the CEO's decision to be paid \$1 base salary and \$1 annual bonus after our initial public offering in 2016. We believe this demonstrates the CEO's outstanding commitment to Aritzia. As well, the CEO's significant equity ownership in Aritzia ties the CEO to the long-term performance of our company and aligns the CEO's interest with that of shareholders.
- **Director Compensation** - Board of Directors' compensation (consisting of cash retainer and deferred share units) has been adjusted to ensure competitiveness with our compensation peer group effective Fiscal 2020.

Governance and Risk Management

- **Share Ownership Guidelines** - we adopted share ownership guidelines for our non-employee directors and CEO to better align their interests with those of our shareholders and drive the long-term performance of Aritzia.
- **Executive Officer Claw Back** - we implemented an executive officer recoupment (claw back) policy which allows for a claw back of executive officer bonus and other incentive or performance-based compensation within three years in the event of a financial restatement due to gross negligence, fraud or willful misconduct.
- **Board Independence** - we committed to increasing the independence of our Board in Fiscal 2019. Seven of nine directors currently on our Board are independent. Following the meeting and assuming that all director nominees are elected, eight out of ten directors will be independent.
- **Diversity Policy** - we have adopted a diversity policy which applies to directors and executive officers. The diversity policy reflects our commitment to have at least 30% female representation among members of the Board and among the Company's executive officers.
- **Stock Option Plan Amendments** - we approved amendments to our stock option plan to add a non-employee director limit in accordance with good governance practices.

Compensation and Governance Going Forward

In Fiscal 2020, we intend to continue to review key elements of our compensation programs. Our goal is to ensure our executive compensation and corporate governance practices take into account our growth strategy and pay-for-performance philosophy, while continuing to reflect our accountability to shareholders.

Conclusion

Thank you for taking the time to read the following disclosure, and on behalf of the Board of Directors at Aritzia, we welcome any feedback you may have.

Sincerely,

(signed) Marni F. Payne

Chair, Compensation and Nominating Committee, Aritzia Inc.

GENERAL INFORMATION

The information in this document is as of May 24, 2019, unless otherwise indicated.

References to “we”, “us”, “our”, “Aritzia” and “the Company” refer to Aritzia Inc. and all entities controlled by it unless the context otherwise requires. “You” and “your” refer to Aritzia shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Management Information Circular (the “**Circular**”) refer to Canadian dollars.

References to Fiscal 2017 refers to the 52-week period ending February 26, 2017, Fiscal 2018 refers to the 52-week period ending February 25, 2018, Fiscal 2019 refers to the 53-week period ending March 3, 2019 and Fiscal 2020 refers to the 52-week period ending March 1, 2020.

This Circular is provided in connection with our annual general meeting of shareholders of the Company (the “**Meeting**”) to be held on July 10, 2019. **Your proxy is solicited by the management of the Company for the items described in the accompanying Notice of Meeting (the “Notice”).** We usually make our request by mail, but our employees or agents may also solicit your proxy by telephone or other ways at a nominal cost borne by the Company.

As a registered shareholder, you have the right to attend and vote at the Meeting as set out in this Circular. Please read this Circular. It gives you information that you need to know to cast your vote. We also encourage you to read our comparative annual financial statements and related management’s discussion and analysis for the financial year ended March 3, 2019.

This year, as permitted by Canadian securities regulators, we are using notice-and-access to deliver the Meeting materials to our shareholders, including the Notice, this Circular and our audited annual financial statements for the financial year ended March 3, 2019, along with the related management discussion and analysis. This means that Aritzia will post the Meeting materials online for our shareholders to access electronically. You will receive a package in the mail with a notice explaining how to access and review the Meeting materials electronically and how to request a paper copy free of charge. The package you receive will also contain a form of proxy or a voting instruction form (unless you have chosen to receive proxy materials electronically) so you can vote your shares. Since notice-and-access gives our shareholders more choice, substantially reduces printing, paper and postage, it is a more environmentally friendly and cost effective way to distribute the Meeting materials to shareholders. The Meeting materials are available at <https://docs.tsxtrust.com/2035> and under our profile on SEDAR (www.sedar.com).

Shareholders can contact our transfer agent, TSX Trust Company, toll free at 1-866-600-5869 or by email at TMXInvestorServices@tmx.com for more information regarding notice-and-access, or to obtain a paper copy of these documents at no charge for up to one year. Requests must be made by June 28, 2019 in order to receive a paper copy of the Meeting materials prior to 3:00 p.m. (Vancouver time) on July 8, 2019, which is the deadline for submission of your voting instructions or form of proxy, and by July 3, 2019 to receive paper copies before the date of the Meeting. You will not receive a new form of proxy or voting instruction form if you request a paper copy of the Meeting materials, so it is important that you keep the original form sent to you in order to vote. If your request is received on or after the date of the Meeting, then the documents will be sent to you within ten calendar days of your request.

If you have any questions about any of the information in this Circular, please contact Investor Relations at investors@aritzia.com.

Voting Information

The following information provides guidance on how to vote your subordinate voting shares of the Company (the “**Subordinate Voting Shares**”) and/or multiple voting shares of the Company (the “**Multiple Voting Shares**”). The Subordinate Voting Shares and the Multiple Voting Shares are sometimes collectively referred to in this Circular as the “shares”.

Your vote is important

As a shareholder of Aritzia, it is very important that you read this information carefully and then vote your shares, either by proxy or by attending the Meeting.

Voting by proxy means that you are giving the person or people named on your proxy form (each a “**proxyholder**”) the authority to vote your shares for you at the Meeting or any adjournment or postponement thereof. A proxy form is included in this package.

If you vote by proxy, the individuals who are named on the proxy form will vote your shares for you, unless you appoint someone else to be your proxyholder. **You have the right to appoint a person or company of your choice who need not be a shareholder to represent you at the Meeting other than the individuals designated in the enclosed form of proxy. If you appoint someone else, he or she must be present at the Meeting to vote your shares.**

If you are voting your shares by proxy, our transfer agent, TSX Trust Company, or other agents we appoint must receive your signed proxy form by 3:00 p.m. (Vancouver time) on July 8, 2019 or if the Meeting is adjourned or postponed, prior to 3:00 p.m. (Vancouver time) on the second business day preceding the day of the Meeting. The time limit for deposit of proxies may be waived by the Chair of the Meeting in the Chair’s sole discretion without notice.

How to vote - Registered Shareholders

You are a registered shareholder if your name appears on your share certificate or on the register maintained by our transfer agent, TSX Trust Company. If you are a registered shareholder, you will receive a proxy form.

Voting by proxy

Registered shareholders have three options to vote by proxy:

- ***On the Internet***

Go to www.voteproxyonline.com and follow the instructions on screen. You will need the 12 digit control number listed on your proxy. You do not need to return your proxy form if you vote on the internet.

At any time, TSX Trust Company may cease to provide internet voting, in which case registered shareholders can elect to vote by mail or fax, as described below.

- ***By Mail***

Complete, sign and date the accompanying proxy form and return it in the envelope we have provided. Please see “Completing the Proxy Form” on the enclosed form for more information.

- *By fax*

Complete, sign and date the accompanying proxy form and send it by fax to 416-595-9593. Please see "Completing the Proxy Form" on the enclosed form for more information.

If you vote by proxy, the individuals named on the enclosed proxy form will vote your shares for you unless you appoint someone else to be your proxyholder. **You have the right to appoint a person or company of your choice who need not be a shareholder to represent you at the Meeting other than the persons designated in the enclosed proxy form. If you wish to do so, please write the name of the person you are appointing in the space provided.** Complete, date and sign the accompanying form of proxy, and submit it in accordance with the instructions prior to the proxy cut-off time. Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting. At the Meeting, he or she should see a representative of TSX Trust Company at the registration tables. Please see "Completing the Proxy Form" for more information.

Voting in Person at the Meeting

Registered shareholders, or the persons they appoint as their proxies, are permitted to vote at the Meeting in person. **If you are a registered holder and choose to vote in person at the Meeting, you do not need to complete or return your proxy form.** Please check-in and register with a representative of TSX Trust Company at the registration tables when you arrive at the Meeting. You will need identification to enter the Meeting.

Voting in person at the Meeting will automatically cancel any proxy you submitted earlier.

To vote shares registered in the name of a corporation or other legal entity, an authorized officer or attorney of that corporation or legal entity must attend the Meeting in person. This person may have to provide proof that he or she is authorized to act on behalf of the corporation or other legal entity. Shares registered in the name of a corporation or other legal entity cannot be voted in person without adequate proof of authorization.

Changing your vote

You may revoke a vote you made by proxy by:

- voting again on the internet before 3:00 p.m. (Vancouver time) on July 8, 2019;
- completing a proxy form that is dated later than the proxy form you are changing and mailing it to TSX Trust Company so that it is received at the address indicated before 3:00 p.m. (Vancouver time) on July 8, 2019; or
- making a request in writing to the Chair of the Meeting, at the Meeting or any adjournment or postponement thereof, before any vote in respect of which the proxy has been given or taken. The written request can be from you or your authorized attorney.

How to vote – Non-Registered (or Beneficial) Shareholders

You are a non-registered (or beneficial) shareholder (a "Non-Registered Holder") if your shares are registered either:

- (a) in the name of an intermediary such as a bank, trust company, securities dealer, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans (each an "Intermediary") that represents the Non-Registered Holder in respect of its shares; or

- (b) in the name of a depository (a “**Depository**”, such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

We have distributed copies of the notice-and-access notice and voting instruction form directly to non-objecting Non-Registered Holders and to Intermediaries for onward distribution to Non-Registered Holders that are objecting beneficial owners. Non-Registered Holders who have previously provided standing instructions will receive a copy of the Meeting Notice, the Circular, the form of proxy, and the supplemental mailing return list card in accordance with such instructions (collectively, the “**Meeting Materials**”).

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive such materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive the Meeting Materials will receive a package from their Intermediary containing either:

- (a) a voting instruction form that must be properly completed and signed by the Non-Registered Holder and returned to the Intermediary in accordance with the instructions on the voting instruction form;

or, less typically,

- (b) a form of proxy that has already been stamped or signed by the Intermediary that is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which otherwise has not been completed. In this case, the Non-Registered Holder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust Company at the address set forth in the Meeting Notice.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of shares that they beneficially own. The Company has agreed to pay for Intermediaries to forward the Meeting Materials to objecting beneficial owners.

A Non-Registered Holder may revoke a voting instruction form or proxy which has been given to an Intermediary by written notice to the Intermediary or by submitting a voting instruction form or proxy bearing a later date in accordance with the applicable instructions. In order to ensure that an Intermediary acts upon a revocation of a proxy or voting instruction form, the written notice should be received by the Intermediary well in advance of the Meeting.

In Person at the Meeting

We do not have access to the names or holdings of all of our Non-Registered Holders. Should a Non-Registered Holder, who receives either a voting instruction form or a form of proxy, wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should follow the instructions contained on the voting instruction form or form of proxy within the time periods specified and appoint themselves (or another person to vote on their behalf). **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and service companies.** If you are a Non-Registered Holder and have not received a package containing a voting instruction form or form of proxy, please contact your Intermediary.

At the Meeting, you should see a representative of TSX Trust Company at the registration tables.

Completing the proxy form

You can choose to vote "For", "Against" or "Withhold", depending on the items listed on the proxy form.

When you sign the proxy form, you authorize the directors and officers of the Company who are named in the proxy form to vote your shares for you at the Meeting according to your instructions, unless you have appointed someone else to act as your proxy. **If you return your proxy form and do not tell us how you want to vote your shares, your vote will be counted:**

- **FOR** electing the nominee directors who are listed in the Circular, and
- **FOR** appointing PricewaterhouseCoopers LLP as auditors.

If you are appointing someone else to vote your shares for you at the Meeting, write the name of the person voting for you in the space provided. **If you do not specify how you want your shares voted, your proxyholder will vote your shares as he or she sees fit on each item and on any other matter that may properly come before the Meeting.**

If you are an individual shareholder, you or your authorized attorney must sign the form. If you are a corporation or other legal entity, an authorized officer or attorney must sign the form.

If you have questions on how to complete your proxy form, please contact TSX Trust Company - Investor Services at 1-866-600-5869.

Additional Voting Information

You have one vote for each Subordinate Voting Share and 10 votes for each Multiple Voting Share you hold on May 24, 2019. As at the close of business on May 24, 2019, 83,252,656 Subordinate Voting Shares and 24,537,349 Multiple Voting Shares were entitled to be voted at the Meeting.

The election of directors and the appointment of auditors will each be determined by a majority of votes cast at the Meeting by proxy or in person. Under our Articles, if there is a tie, the Chair of the Meeting does not cast the deciding vote.

TSX Trust Company will count and tabulate the votes for us.

Record Date, Quorum and Votes Necessary to Pass Resolutions

Each shareholder of record at the close of business on May 24, 2019 (the "**Record Date**"), is entitled to vote at the Meeting the shares registered in his or her name on that date. The quorum for any meeting of shareholders is one or more persons present and holding or representing by proxy not less than 15% of the voting rights attaching to our outstanding voting shares.

At the Meeting, shareholders will be asked to consider and, if thought advisable, to: (i) pass an ordinary resolution to elect directors to the board of directors; and (ii) pass an ordinary resolution to re-appoint auditors for the ensuing year and authorize the directors to fix their remuneration.

Pursuant to the *Business Corporations Act* (British Columbia) ("**BCBCA**") and our Articles, a simple majority of the votes cast at the Meeting (by person or proxy) is required to pass an ordinary resolution.

BUSINESS OF THE MEETING

We will address and vote on the following items at the Meeting:

- the election of the directors who will serve until the end of the next annual meeting of shareholders;
- the appointment of the external auditors who will serve until the end of the next annual meeting of shareholders and authorizing the directors of the Company to fix their remuneration; and
- such other business that may properly come before the meeting or any adjournment or postponement thereof.

We will place before the Meeting the Company's audited financial statements, including the auditors' report, for Fiscal 2019, but no vote thereon is required or expected. These financial statements together with the management's discussion and analysis thereon are available under our profile on SEDAR at www.sedar.com and on the Company's website at investors.aritzia.com.

We will consider any other business that may properly come before the Meeting. As of the date of this Circular, we are not aware of any changes to the items above or any other business to be considered at the Meeting. If there are changes or new items, your proxyholder can vote your shares on these items as he or she sees fit. If any other matters properly come before the Meeting, it is the intention of the persons named in the form of proxy to vote in respect of those matters in accordance with their judgment.

If you are not a registered shareholder, you may be allowed into the Meeting after speaking with a representative of TSX Trust Company and if the Chair of the Meeting allows it.

ELECTION OF DIRECTORS

The articles of the Company (the "**Articles**") provide that the board of directors (the "**Board**") shall consist of a minimum of three and a maximum of 15 directors, with the actual number to be determined from time to time by the Board, subject to the terms of the Investor Rights Agreement described below. The Board currently consists of nine directors and following the Meeting, assuming that all of the director nominees are elected, the Board will consist of ten directors. Each of the ten director nominees is to be elected at this Meeting and will, subject to our Articles and the BCBCA, hold office until the end of the next annual meeting of shareholders or until their successors are elected or appointed. All of the individuals, with the exception of John Montalbano, who have been nominated as directors are currently members of the Board and all director nominees have agreed to stand for re-election at the meeting.

If you do not specify how you want your shares voted, the individuals named as proxy holders in the enclosed proxy form intend to cast the votes represented by proxy at the Meeting FOR the election of each of the director nominees listed in this Circular.

All nominees have established their eligibility and willingness to serve as directors. As of the date hereof, management of the Company does not expect that any of the nominees will be unable to serve as a director. However, if, for any reason, at the time of the Meeting, any of the nominees are unable to serve and unless otherwise specified, it is intended that the persons designated in the form of proxy will vote in their discretion for a substitute nominee or nominees.

Investor Rights Agreement

Concurrently with the closing of our initial public offering on October 3, 2016 (the “**IPO**”), Atilier Holdings Inc. and AHI Holdings Inc. (each of which was an entity controlled by Brian Hill, our Founder and Chief Executive Officer, and are referred to collectively as the “**Hill Shareholders**”) and CanLux AB Investments One S.à r.l. (“**Berkshire**”), an investment vehicle managed by Berkshire Partners LLC (“**Berkshire Partners**”), entered into a shareholders agreement (the “**Investor Rights Agreement**”) with respect to certain director nomination rights, governance matters and shareholder rights.

Pursuant to the Investor Rights Agreement, each Shareholder Group (as defined in the Investor Rights Agreement) has the right to designate one director nominee for election to our Board for so long as such Shareholder Group beneficially owns, directly or indirectly, in the aggregate, 5% or more of the issued and outstanding shares of the Company (on a non-diluted basis). As of the Record Date, Berkshire and its affiliates have no equity interest in the Company and therefore has not exercised any nomination rights in respect of the Meeting. Our Board has nominated Marni Payne, a managing director of Berkshire Partners, for re-election as a director for continuity purposes, among other reasons. Our Board shall not be comprised of more than nine directors unless agreed to by each Shareholder Group.

The Hill Shareholder has nominated our Founder and Chief Executive Officer, Brian Hill, as a director. For so long as Brian Hill is a director he is entitled to be the chair (the “**Chair**”) of our Board. Upon Brian Hill ceasing to be a director, or in the event that Mr. Hill does not wish to serve as the Chair, then the Chair shall be appointed by our Board.

So long as a Shareholder Group beneficially owns, directly or indirectly, in the aggregate, 5% or more of the issued and outstanding shares of the Company (on a non-diluted basis), such Shareholder Group shall be entitled to have its director nominee serve on the Compensation and Nominating Committee of the Board, provided that its director nominee is not one of our officers or a Member of the Immediate Family of any of our officers.

The rights of each Shareholder Group under the Investor Rights Agreement will terminate on the date after the first continuous 180 day period during which the shares owned, directly or indirectly, in the aggregate, by the Shareholder Group constitutes less than 5% of all of the issued and outstanding shares (on a non-diluted basis). As such, the rights of Berkshire under the Investor Rights Agreement will terminate on September 4, 2019, in accordance with the terms of the Investor Rights Agreement.

The foregoing summary is qualified in its entirety by reference to the provisions of the Investor Rights Agreement. Any capitalized terms used but not defined in this summary are defined in our Annual Information Form. A copy of the Investor Rights Agreement is available under the Company’s profile on SEDAR at www.sedar.com and a summary of further details has been included in the Company’s most recent Annual Information Form, which is also available under the Company’s profile on SEDAR at www.sedar.com.

Advance Notice Provisions

The Company’s Articles provide for certain advance notice of nominations of directors (the “**Advance Notice Provisions**”). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings; (ii) ensure that all shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. Only persons who are nominated by shareholders in accordance with the Advance Notice Provisions are eligible for election as directors at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors.

Under the Advance Notice Provisions, a shareholder wishing to nominate a director would be required to provide us notice, in the prescribed form, within the prescribed time periods. These time periods include, (i) in the case of an annual meeting of shareholders (including annual and special meetings), not less than 30 days prior to the date of the annual meeting of shareholders; provided, that if the first public announcement of the date of the annual meeting of shareholders (the “**Notice Date**”) is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of shareholders called for any purpose which includes electing directors, not later than the close of business on the 15th day following the Notice Date, provided that, in either instance, if notice-and-access is used for delivery of proxy related materials in respect of a meeting described above, and the Notice Date in respect of the meeting is not less than 50 days prior to the date of the applicable meeting, the notice must be received not later than the close of business on the 40th day before the applicable meeting.

A copy of the Company’s Articles is available under the Company’s profile on SEDAR at www.sedar.com.

Majority Voting Policy

In accordance with the requirements of the Toronto Stock Exchange (“**TSX**”), our Board has adopted a majority voting policy (the “**Majority Voting Policy**”), which requires that in an uncontested election of directors, if any nominee receives a greater number of votes “withheld” than votes “for”, the nominee will tender a resignation to the Chair promptly following the Meeting. Our Compensation and Nominating Committee will consider such offer and make a recommendation to our Board whether to accept it or not. Our Board will promptly accept the resignation unless it determines, in consultation with our Compensation and Nominating Committee, that there are exceptional circumstances that should delay the acceptance of the resignation or justify rejecting it. Our Board will make its decision within 90 days following the meeting of shareholders and promptly announce it in a press release, and should the Board decline to accept the resignation, the press release will include the reasons for its decision. A director who tenders a resignation pursuant to the Majority Voting Policy will not participate in any meeting of our Board or our Compensation and Nominating Committee at which the resignation is considered.

A copy of the Company’s Majority Voting Policy is available on our website at www.aritzia.com.

DIRECTOR COMPENSATION

Our directors’ compensation program is designed to attract and retain the most qualified individuals to serve on our Board. Our Compensation and Nominating Committee is responsible for reviewing and approving any changes to the directors’ compensation arrangements. In consideration for serving on our Board, each director that is not an employee is paid an annual retainer which may, at our Board’s discretion, be paid in cash or in some combination of cash and Deferred Share Units (“DSUs”). Since the completion of our IPO, at least 55% of our directors’ Board retainer, excluding Committee fees, has been paid in the form of DSUs. With respect to DSUs, once a director ceases to be a member of the Board, DSUs will be settled by making a cash payment equal to the number of DSUs multiplied by the volume-weighted average trading price of the Subordinate Voting Shares on the TSX for a reasonable period preceding the settlement date. Directors are also reimbursed for their reasonable out-of-pocket expenses incurred while serving as directors.

In addition, pursuant to the Investor Rights Agreement, no director nominee of Berkshire and its affiliates who is a partner, principal, member of, or employee of Berkshire Partners or any of its affiliates was entitled to receive any compensation for his or her service as a director of our Board for Fiscal 2019, other than persons who serve as an advisory director or consultant to Berkshire Partners.

The Board has adopted director share ownership guidelines to better align directors’ interests with those of shareholders and drive the long-term performance of Aritzia. The Board requires each non-employee director to acquire, within a five-year period, beneficial ownership of a number of Subordinate Voting Shares and/or DSUs, the market value of which is at least three times the annual board retainer paid to such Director. See “Corporate Governance – Share Ownership by Directors and Chief Executive Officer.”

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The following discussion describes the significant elements of the compensation of our Founder and Chief Executive Officer, President and Chief Operating Officer, Chief Financial Officer, Chief Information Officer, and Executive Vice President, Retail (collectively, the “**named executive officers**” or “**NEOs**”), namely:

- Brian Hill, *Founder and Chief Executive Officer*;
- Jennifer Wong, *President and Chief Operating Officer*;
- Todd Ingledew, *Chief Financial Officer*;
- Dave MacIver, *Chief Information Officer*; and
- Pippa Morgan, *Executive Vice President, Retail*.

We operate in a dynamic and rapidly evolving market. To succeed in this environment and to achieve our business and financial objectives, we need to attract, retain and motivate a highly talented team of executive officers. We expect our team to possess and demonstrate strong leadership and management capabilities, as well as foster our culture, which is at the foundation of our success and remains a pivotal part of our everyday operations.

Our executive officer compensation program is designed to achieve the following objectives:

- provide market-competitive compensation opportunities in order to attract and retain talented, high-performing and experienced executive officers, whose knowledge, skills and performance are critical to our success;
- motivate our executive officers to achieve our business and financial objectives;
- align the interests of our executive officers with those of our shareholders by tying a meaningful portion of compensation directly to the long-term value and growth of our business; and
- provide incentives that encourage appropriate levels of risk-taking by our executive officers and provide a strong pay-for-performance relationship.

We offer our executive officers cash compensation in the form of base salary and an annual bonus, and equity-based compensation which has historically been awarded in the form of stock options under the Legacy Option Plan (discussed below) and, since our IPO in 2016, has been awarded in the form of stock options under our amended and restated stock option plan adopted as of October 3, 2016 and amended and restated on July 10, 2018, as further amended on January 8, 2019 (the “**Stock Option Plan**”). See “- Principal Elements of Compensation - Stock Option Plan”.

We believe that equity-based compensation awards motivate our executive officers to achieve our business and financial objectives, and also align their interests with the long-term interests of our shareholders. We provide base salary to compensate employees for their day-to-day responsibilities, at levels that we believe are necessary to attract and retain executive officer talent.

While we have determined that our current executive officer compensation program is effective at attracting and maintaining executive officer talent, we evaluate our compensation practices on an ongoing basis to ensure that we are providing market-competitive compensation opportunities for our executive team. As part of this review process, we expect to be guided by the philosophy and objectives outlined above, as well as other factors which may become relevant, including the ability to attract and retain key employees and to adapt to growth and other changes in our business and industry.

In Fiscal 2019, we completed reviewing our compensation philosophy, peer group, equity compensation, and other key aspects of executive compensation to ensure our programs are aligned with Aritzia's business strategy and goals. As a result, we have developed a new market competitive long term incentive program that includes restricted share units to further align the interests of our executives with those of shareholders.

Compensation Governance

Our Compensation and Nominating Committee is responsible for assisting our Board in fulfilling its governance and supervisory responsibilities, and overseeing our human resources, succession planning, and compensation policies, processes and practices. Our Compensation and Nominating Committee is also responsible for ensuring that our compensation policies and practices provide an appropriate balance of risk and reward consistent with our risk profile.

Aritzia's compensation risk management practices include, but are not limited to:

- (a) Anti-Hedging Policy - Directors and executive officers are prohibited from speculating in our shares or purchasing financial instruments (such as prepaid variable forward contracts, equity swaps or collars) designed to hedge or offset a decrease in the market value of their shares in Aritzia.
- (b) Executive Officer Clawback - We implemented an executive officer recoupment (claw back) policy which provides that there will be a claw back of executive officer bonus and other incentive or performance-based compensation within three years in the event of a financial restatement due to gross negligence, fraud or willful misconduct.
- (c) Share Ownership Requirements - The Share Ownership requirement for the non-employee directors and CEO is designed to align the interests of the non-employee directors and the CEO with those of shareholders. In Fiscal 2020, the Compensation and Nominating Committee will continue to consider the adoption of share ownership guidelines for executive officers other than the CEO to enhance alignment with shareholder interests. See "Corporate Governance - Share Ownership by Directors and Chief Executive Officer."
- (d) Non-Employee Director Participation Limit - The Board approved an amendment to the Stock Option Plan to add a non-employee director participation limit. See "Stock Option Plan" below.

As part of its mandate, the Compensation and Nominating Committee considers from time to time the implementation or enhancement of practices in light of governance best practices. Additionally, the Compensation and Nominating Committee's mandate includes conducting a review of the risks associated with our compensation policies and practices from time to time, to confirm the appropriateness of our programs and policies. This includes considering and assessing the implications of risks associated with the Company's compensation policies and practices. The

Company's practice of compensating its officers primarily through a mix of base salary, annual cash bonus and long-term incentives is designed to mitigate risk by: (i) ensuring that the Company retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of Aritzia and our shareholders. As at the date of this Circular, the Board had not identified risks arising from our compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Our Board has adopted a written charter for our Compensation and Nominating Committee setting out its responsibilities, among other things, for administering our compensation programs and reviewing and making recommendations to our Board concerning the level and nature of the compensation payable to our directors and officers. Our Compensation and Nominating Committee's oversight includes reviewing objectives, evaluating performance and ensuring that total compensation paid to our executive officers, personnel who report directly to our CEO and various other key executive officers and managers is fair, reasonable and consistent with the objectives of our philosophy and compensation program. See also "Corporate Governance - Committees of our Board - Compensation and Nominating Committee."

Women in leadership

As discussed further in our "Corporate Governance - Board and Executive Management Diversity - Diversity Policy" section, championing, supporting, and growing women in leadership and across all levels of the organization is core to Aritzia's beliefs. We are proud to state that 85% of our employee base is made up of women, including 54% of the Aritzia Leadership Team and 40% of our named executive officers. Aritzia has and continues to undertake initiatives to support women's growth and equal opportunity. In honour of International Women's Day, we hosted a contest for our employees to celebrate the strong women in our communities, our workplaces and our lives. Winners of the contest joined Aritzia's President and Chief Operating Officer, Jennifer Wong, for a behind the scenes experience at our Support Office. Aritzia is also committed to supporting organizations that help women and girls succeed at work and at life by contributing product donations, financial support and volunteer hours to non-profits and community partners that share our values. Women's growth and equal opportunity for all is truly deep-rooted in our values as a company.

Peer group

In Fiscal 2019, with the assistance of Mercer (Canada) Limited ("**Mercer**"), we completed our composition of a more focused compensation peer group consisting of 16 North American organizations (9 Canadian and 7 US peers) that takes in account Aritzia's growth since our IPO, geography, core business focus, industry, market capitalization, revenue size, and market for qualified executive talent. The compensation peer group was reviewed and approved by our Compensation and Nominating Committee. Our compensation practice is to annually benchmark the executive compensation programs against the compensation peer group to ensure they are competitively positioned and aligned with Aritzia's compensation philosophy in order to attract and retain leadership talents required to achieve Aritzia's long-term success.

The compensation peer group used for making informed compensation adjustments to our NEOs for Fiscal 2019 consisted of the following 16 organizations:

Canadian Peer Group

Canada Goose Holdings Inc.
Dollarama Inc.
Gildan Activewear Inc.
Indigo Books & Music Inc.
lululemon athletica inc.

U.S. Peer Group

Cato Corp.
Columbia Sportswear Co.
Francesca's Holdings Corp.
J. Jill, Inc.
Movado Group Inc.

Recipe Unlimited Corp.
Shopify Inc.
Sleep Country Canada Holdings Inc.
Spin Master Corp.

Steve Madden, Ltd.
Urban Outfitters, Inc.

As part of its mandate, the Compensation and Nominating Committee will annually review and, if applicable, recommend adjustments to the compensation peer group to ensure relevance and alignment with Aritzia for benchmarking and setting market competitive compensation for our NEOs.

Independent compensation consultant and executive compensation-related fees

In Fiscal 2019, we engaged Mercer and completed a comprehensive review of our compensation philosophy, peer group, pay benchmarking, equity compensation, and other key aspects of executive and director compensation to ensure our programs are aligned with Aritzia's business strategy and goals. Mercer does not provide any other services to the Company or any of its directors or executive officers outside of compensation-related services.

The aggregate fees paid to Mercer for executive compensation-related services and all other services provided during Fiscal 2019 and Fiscal 2018 were as follows:

Type of Fees	Fiscal 2019	Fiscal 2018
Executive Compensation-Related Fees	\$271,084	\$Nil
All Other Fees	\$ Nil	\$ Nil
Total Fees Paid	\$271,084	\$ Nil

Principal elements of compensation

The compensation of our executive officers in Fiscal 2019 includes three major elements: (i) base salary, (ii) short-term incentives, consisting of an annual bonus, and (iii) long-term equity incentives, consisting of stock options granted from time to time under the Stock Option Plans. Going forward, the Compensation and Nominating Committee anticipates that long-term equity incentives will include a mix of both stock options and restricted share units, to be granted under the RSU Plan (defined below). Perquisites and personal benefits are not a significant element of compensation of our executive officers.

The compensation paid to our NEOs for the year ended March 3, 2019 is summarized below under the heading "Summary Compensation Table".

Base salaries

Base salary is provided as a fixed source of compensation for our executive officers. Adjustments to base salaries are expected to be determined annually and may be increased based on the executive officer's success in meeting or exceeding individual objectives, as well as to maintain market competitiveness. Additionally, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope or breadth of an executive officer's role or responsibilities.

Annual bonuses

Annual bonuses are designed to motivate our executive officers to meet our business and financial objectives generally and our annual financial performance targets in particular. Annual bonuses are

earned and measured with reference solely to profitability. Individual bonus payouts increase or decrease depending on how much actual profitability for the fiscal year deviates from our profitability targets, taking into account the impact of certain items we consider non-recurring and not representative of our ongoing operating performance and any further adjustments that may be made from time to time for other irregular items, as determined and approved by our Compensation and Nominating Committee. We have not disclosed our specific annual profitability targets for competitive reasons.

Annual bonus targets are set as a percentage of the relevant executive officers' base salary, which varies based on his or her position level - up to a maximum of 100% to 140% of base salary in the case of executive officers, if maximum financial performance targets are achieved.

Long-term incentives

In Fiscal 2019, our LTI program consisted of: (i) stock options and ii) restricted share units. Stock options have been granted to executives from time to time to reward them for superior performance. Additionally, they are intended to align executives' interests with those of shareholders towards an increase in the price of the Subordinate Voting Shares, while the ten-year term and the five-year vesting periods promote retention. All stock options vest 20% per year over 5 years (see "Legacy Option Plan" and "Stock Option Plan" below). Restricted share units have not yet been granted to executives as they are a recent addition to our newly developed LTI program, however moving forward our Compensation and Nominating Committee anticipates that our LTI grants to executives will include a combination of both stock options and restricted share units.

The request to increase our stock option pool from 5% to 10% of total issued and outstanding shares was approved at last year's annual and special meeting of shareholders. This was crucial in providing us with the flexibility to grant stock options for attracting and retaining key talents at Aritzia. Additionally, we will be evaluating share ownership guidelines for executives beyond the CEO and other key long-term incentive governance provisions.

Legacy Option Plan

In 2005, we established our Amended and Restated 2005 Equity Incentive Plan, which was further amended and restated as of closing of our IPO (the "**Legacy Option Plan**"), to advance our interests by enhancing our ability to attract and retain able directors, employees, consultants and advisers, to reward such individuals for their contributions and to encourage such individuals to take into account our long-term interests through the granting of options to acquire Class A Common Shares or Class D Common Shares. In connection with our IPO, options previously issued and outstanding under the Legacy Option Plan became options to acquire Subordinate Voting Shares. As at the end of our most-recently completed financial year March 3, 2019, a total of 5,081,717 options are issued and outstanding under the Legacy Option Plan, representing approximately 4.5% of the issued and outstanding shares and approximately 1.0% of the voting power attached to all of our shares. No further awards will be granted under the Legacy Option Plan.

The Legacy Option Plan provides that appropriate adjustments, if any, will be made by our Board in connection with any subdivision, combination or reclassification of our shares, or other change in our share capital, including adjustments to the exercise price and/or the number of Subordinate Voting Shares to which an optionee is entitled upon exercise of options. In connection with our IPO, the Legacy Option Plan was also amended and restated to give effect to, among other things; (i) the addition of provisions that permit the extension of options during blackout periods, and (ii) the inclusion of terms and conditions required by the TSX, such as provisions and restrictions relating to amendment of the Legacy Option Plan or outstanding options similar to those applicable to the Company's Stock Option Plan.

Stock Option Plan

The Stock Option Plan allows for the grant of options to our directors, executive officers, employees and consultants. Our Board is responsible for administering the Stock Option Plan. In accordance with the provisions of the Stock Option Plan, this responsibility has been delegated to the Compensation and Nominating Committee, although certain matters may be presented to the Board for review and/or approval as appropriate. The following is a summary of the material attributes and characteristics of the Stock Option Plan.

Our Compensation and Nominating Committee shall from time to time designate the directors, executive officers, employees or consultants to whom options shall be granted under the Stock Option Plan. Only options to acquire Subordinate Voting Shares may be granted under the Stock Option Plan. As at March 3, 2019, a total of 4,753,021 options are issued and outstanding under the Stock Option Plan (which includes 954,339 stock options issued under the TSX Inducement Exception), representing approximately 4.2% of the issued and outstanding shares and approximately 0.9% of the voting power attached to all of our shares. As at the same date, 7,595,463 Subordinate Voting Shares remained available for future issuance under the Stock Option Plan, representing 6.7% of the issued and outstanding shares and approximately 1.5% of the voting power attached to all of our shares. See "Securities Authorized for Issuance under Equity Compensation Plans".

The maximum number of Subordinate Voting Shares reserved for issuance, in the aggregate, under our current Stock Option Plan and all other Share Compensation Arrangements (excluding the Legacy Option Plan) is 10% of the aggregate number of shares issued and outstanding from time to time, which represents 11,394,145 Subordinate Voting Shares as at March 3, 2019. As a result, should the Company issue additional Subordinate Voting Shares in the future, the number of Subordinate Voting Shares issuable under the Stock Option Plan will increase accordingly. With the Stock Option Plan Amendments approved at last year's annual and special meeting of shareholders, awards issued in reliance upon the TSX Inducement Exception are also not included for the purposes of calculating in the Maximum Issuable.

All of the Subordinate Voting Shares covered by exercised, cancelled or terminated options granted under the Stock Option Plan will automatically become available Subordinate Voting Shares for the purposes of options that may be subsequently granted under the Stock Option Plan. As a result, the Stock Option Plan is considered an "evergreen" plan since the Subordinate Voting Shares covered by options which have been exercised are available for subsequent grants under the Stock Option Plan and the number of options available to grant increases as the number of issued and outstanding Subordinate Voting Shares increases.

All options granted under the Stock Option Plan are approved by our Compensation and Nominating Committee in accordance with the terms of the Stock Option Plan with the exercise price determined on the applicable grant date, which shall not be less than the market price of the Subordinate Voting Shares at such time. For purposes of the Stock Option Plan, the market price of the Subordinate Voting Shares shall be the closing price for the Subordinate Voting Shares on the TSX on the last trading day before the day on which the option is granted. On May 9, 2018, the Board of Directors approved an amendment to the Stock Option Plan to add an insider participation limit, which provides that the aggregate number of Aritzia's Subordinate Voting Shares (i) issued to insiders within any one (1) year period, or (ii) issuable to insiders at any time under Stock Option Plan, alone or when combined with all other Share Compensation Arrangements of the Company, cannot exceed 10% of Aritzia's shares issued and outstanding from time to time. On January 8, 2019, the Board of Directors approved an amendment to the Stock Option Plan to add a non-employee director participation limit, which became effective upon approval. Accordingly, the annual individual grant to any non-employee director under all Share Compensation Arrangements may not exceed a grant value of \$100,000 of

options and \$150,000 in equity. Further, under the terms of the Stock Option Plan, Shareholder approval will be required to increase such limit.

An option shall be exercisable during a period established by our Compensation and Nominating Committee which shall commence on the date of the grant and shall terminate no later than ten years after the date of the granting of the option. The Stock Option Plan provides that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a blackout period. In such cases, the extended exercise period shall terminate ten business days after the last day of the blackout period. In order to facilitate the payment of the exercise price of the options, the Stock Option Plan has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted "cashless exercise" or a "net exercise" subject to the conditions set out in the Stock Option Plan, including the consent of the Board where required, in accordance with the following formula (as may be amended or adjusted from time to time):

Number of shares representing _____ options exercised		X
Number of shares to be withheld in satisfaction of payment for Exercise		
Aggregate Exercise Price (\$) = Exercise Price * Number of shares	a	
Withholding Tax (\$)	b	
Total cost of Exercise (\$)	a + b	
Number of Shares representing total cost of exercise	<u>(a + b)</u>	Y
	Fair Market Value of one (1) share	
Number of shares to be issued to the participant		X-Y

Unless the Compensation and Nominating Committee decides otherwise, the Stock Option Plan provides that options will vest as to 20% each year for five years following the date of grant on each anniversary date following the date of grant.

The Stock Option Plan also provides that appropriate adjustments, if any, will be made in connection with a stock dividend or split, recapitalization, reorganization or other change of shares, consolidation, distribution, merger or amalgamation or similar corporate transaction, in order to maintain the optionees' economic rights in respect of their options in connection with such change in capitalization, including adjustments to the exercise price and/or the number of Subordinate Voting Shares to which an optionee is entitled upon exercise of options, or permitting the immediate exercise of any outstanding options that are not otherwise exercisable.

The following table describes the impact of certain events upon the rights of holders under the Stock Option Plan, including termination for cause, resignation, termination other than for cause, retirement, death or disability, subject to the terms of a participant's employment agreement, stock option certificate or as otherwise determined by our Compensation and Nominating Committee:

Event Provisions	Provisions
Termination for cause.....	Forfeiture of all vested and unvested options.
Resignation	Forfeiture of all unvested options and the earlier of the original expiry date and 30 days after resignation to exercise vested options.
Termination other than for cause.....	Forfeiture of all unvested options and the earlier of the original expiry date and 30 days after termination to exercise vested options.
Retirement	90 days vesting period after retirement for all unvested options and the earlier of the original expiry date and 90 days after retirement to exercise vested options.
Death or disability.....	12 month vesting period after death or disability for all unvested options and the earlier of the original expiry date and 12 months after death or disability to exercise vested options.

A participant's grant agreement or any other written agreement between a participant and us may provide that upon a change of control, unvested options may, at the discretion of the Board, be subject to acceleration of vesting and exercisability, upon the occurrence of certain additional events, such as termination without cause. Our Compensation and Nominating Committee may at its discretion, acting in good faith, accelerate the vesting of any outstanding options notwithstanding the previously established vesting schedule, regardless of any adverse or potentially adverse tax consequences resulting from such acceleration or, subject to applicable regulatory provisions and shareholder approval, extend the expiration date of any option, provided that the period during which an option is exercisable does not exceed ten years from the date such option is granted.

The Board may suspend or terminate the Stock Option Plan at any time, or from time to time amend or revise the terms of Stock Option Plan or of any granted Option, provided that no such suspension, termination, amendment or revision will be made, (i) except in compliance with applicable law and with the prior approval, if required, of the shareholders, the TSX or any other regulatory body having authority over us; and (ii) in the case of an amendment or revision, if it would materially adversely affect the rights of any participant, without the consent of the participant, provided however, subject to any applicable rules of the TSX, the Compensation and Nominating Committee may from time to time, in its absolute discretion and without the approval of shareholders, make the following amendments to the Stock Option Plan or any outstanding option:

- any amendment to the vesting and assignability provisions;
- any amendment regarding the effect of termination of a participant's employment or engagement;
- any amendment which accelerates the date on which any option may be exercised under the Stock Option Plan;
- any amendment to the definition of an eligible person under the Stock Option Plan;
- any amendment to add provisions permitting for the granting of cash-settled awards, a form of financial assistance or clawback provision and any amendment to a cash-settled award, financial assistance or clawback provision which is adopted;

- any amendment necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
- any amendment of a “housekeeping” nature, including, without limitation, to clarify the meaning of an existing provision of Stock Option Plan, correct or supplement any provision of the Stock Option Plan that is inconsistent with any other provision of the Stock Option Plan, correct any grammatical or typographical errors or amend the definitions in the Stock Option Plan;
- any amendment regarding the administration of the Stock Option Plan; and
- any other amendment that does not require the approval of the holders of Subordinate Voting Shares pursuant to the amendment provisions of the Stock Option Plan.

For greater certainty, our Board shall be required to obtain shareholder approval to make the following amendments:

- any increase in the maximum number of Subordinate Voting Shares that may be issuable pursuant to options granted under the Stock Option Plan;
- any reduction in the exercise price of an option or extension of the expiry date of an option benefitting an insider;
- any amendment to the amendment provisions of the Stock Option Plan;
- increase the insider participation limit under the Stock Option Plan; and
- increase the non-employee director participation limit under the Stock Option Plan.

Except as specifically provided in the Stock Option Plan and as approved by our Board, options granted under the Stock Option Plan are generally not transferable or assignable other than by will or the laws of descent and distribution.

A copy of the Stock Option Plan is available under the Company’s profile on SEDAR at www.sedar.com.

Restricted Share Units (RSUs) Plan

We have introduced cash-settled restricted share units granted under the Restricted Share Unit Plan (the “**RSU Plan**”) to our long-term incentive program. We believe RSUs are aligned with our enhanced compensation philosophy, provide retentive value, and ensure strong long-term alignment of executive and employee interests with those of shareholders. The following is a brief summary of certain attributes and characteristics of the RSU Plan.

The RSU Plan allows for the grant of RSUs to eligible employees and consultants (collectively, the “**RSU participants**”). Our Board is responsible for administering the RSU Plan. In accordance with the provisions of the RSU Plan, this responsibility has been delegated to the Compensation and Nominating Committee.

The Compensation and Nominating Committee shall from time to time designate an employee or consultant to whom RSUs shall be granted under the RSU Plan. All vested RSUs will be settled in cash, as soon as reasonably practical following the vesting date and will be determined by multiplying the numbers of RSUs by the average closing price of the Shares on the TSX for the three trading days immediately preceding the vesting date.

A participant’s grant agreement or any other written agreement between a participant and us may provide that upon a change of control, restricted share units may be subject to acceleration of vesting upon the occurrence of certain additional events, such as termination without cause.

The following table describes the impact of certain events upon the rights of RSU participants under the RSU Plan, including termination for cause, resignation, termination other than for cause, retirement, death or disability, subject to the terms of a participant's employment agreement, grant certificate or as otherwise determined by our Compensation and Nominating Committee:

Event Provisions	Provisions
Termination for cause.....	Forfeiture of all unvested RSUs and vested RSUs that remains unsettled will automatically be settled on or immediately following the terminate date.
Resignation	Forfeiture of all unvested RSUs and vested RSUs that remains unsettled will automatically be settled on or immediately following the terminate date.
Termination other than for cause.....	Forfeiture of all unvested RSUs and vested RSUs that remains unsettled will automatically be settled on or immediately following the terminate date.
Retirement	Pro rata portion of unvested RSUs shall vest based on the number of months of active service or employment between the award date and vesting date. The remaining unvested RSUs will be forfeited. All vested Units that remain unsettled on the Termination Date, if any, will be automatically settled within 90 from the terminate date and latest settlement date.
Death or disability.....	Unvested RSUs will continue to vest for 12 months after death or disability or until the vesting date (whichever is shorter and being the "applicable period") at which point all vested units will settle on a pro rata basis based on the number of months of active service or employment between the award date and last date of the applicable period and all remaining unvested RSUs will be forfeited.

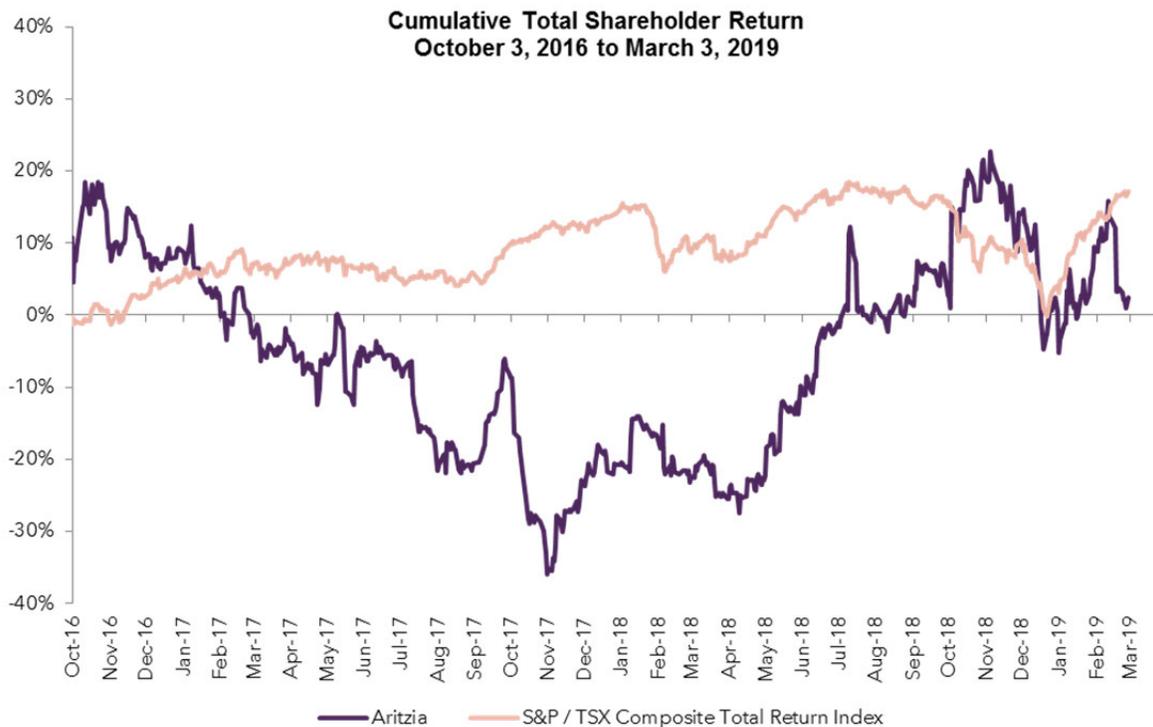

The Compensation and Nominating Committee may suspend or terminate the RSU Plan at any time, or from time to time amend or revise the terms of this Plan and/or the terms applicable to any Unit granted under this Plan and any Grant Certificate or other agreement or document relating to it, provided that no such suspension, termination, amendment or revision will be made, (i) except in compliance with applicable law and with the prior approval, if required, of any stock exchange on which the Shares are listed or any other regulatory body having authority over the Corporation, this Plan or the shareholders of the Corporation; and (ii) in the case of an amendment or revision, if it would materially adversely affect the rights of any RSU participant, without the consent of the RSU participant.

CEO Pay

After our IPO in 2016, we approved Mr. Hill's decision to be paid a base pay and annual bonus of \$2. Mr. Hill remains fully committed to leading the Aritzia team for the foreseeable future and wants both the team and shareholders to benefit from the Company's long term value creation.

Performance Graph

The following graph compares the Company's cumulative total shareholder return to the S&P/TSX Composite Total Return Index, assuming reinvestment of any dividends and considering a \$100 investment on October 3, 2016, being the date of Aritzia's IPO.

The S&P/TSX Composite Total Return Index tracks the share prices of the largest companies on the TSX measured by market capitalization. Stocks included in this index cover all sectors of the economy and are not significantly weighted in the retail or any other comparable industry, and are therefore not directly comparable to the Company. During the period covered by the performance graph the Company has delivered on a number of different measures we also use to track our success, including consistently positive comparable sales growth and strong revenue and adjusted EBITDA performance. Our compensation program is accordingly designed to align with the long-term success of the Company with a diligent focus on incentivizing performance for executing against our long-term growth strategy. Each NEO's bonus payout was determined primarily by Aritzia's annual profitability resulting in awards that have a meaningful direct link to Aritzia's financial results for the fiscal year.

Notes:

- (1) Represents salary paid to Brian Hill in respect of the period from the beginning of Fiscal 2017 to the closing of our IPO, as, from and after closing of the IPO, Brian Hill's annual base salary is \$1 and annual bonus is \$1.
- (2) We did not grant any share-based awards to our executive officers from Fiscal 2017 to Fiscal 2019.
- (3) We do not currently offer a deferred compensation plan or pension plan.
- (4) With the exception of the CEO, none of the NEOs are entitled to perquisites or other personal benefits which, in the aggregate, are worth over \$50,000 or over 10% of their base salary.
- (5) Brian Hill forfeited all options in Fiscal 2018.

The grant date fair value of option-based awards was calculated based on the Black-Scholes option pricing model, which is consistent with the valuation for accounting purposes in accordance with IFRS 2, *Share-Based Payments*. The Black-Scholes fair value has been determined using 6.0 expected life, a volatility of 38.0% to 41.0%, a risk-free rate of between 1.9% and 2.4%, and a dividend yield of 0%.

Employment Agreements, Termination and Change of Control Benefits

We have written employment agreements with each of our NEOs and each executive is entitled to receive compensation established by us as well as other benefits in accordance with plans available to the most senior employees.

On October 3, 2016 we entered into a new employment agreement with Brian Hill setting forth the terms and conditions of his employment, which provides for his base salary and annual bonus, and includes, among other things, provisions regarding confidentiality, non-competition and non-solicitation, as well as eligibility for our benefit plans. Mr. Hill's termination arrangements are designed to reflect his title, tenure, role and responsibilities as Founder and Chief Executive Officer of Aritzia. Considering Mr. Hill's termination arrangements as a multiple of his base salary and annual bonus is not appropriate given the Board's acceptance of Mr. Hill's decision to be paid \$1 base salary and \$1 annual bonus after our initial public offering in 2016. In the case of termination of employment for cause, Mr. Hill's employment agreement provides that he is not entitled to notice or any payment in lieu thereof. In the case of termination of employment other than for cause, Mr. Hill's employment agreement provides that he is entitled to a termination payment equal to \$3 million; provided, however, that where the termination occurs in connection with a change of control of the Company, Mr. Hill is entitled to a lump sum termination payment of \$4.5 million and, notwithstanding any other plan or agreement, the vesting of all equity-based compensation, cash incentive awards or any other form of deferred remuneration.

In May 2018, we entered into an amended employment agreement with Todd Ingledew. Mr. Ingledew's employment agreement, as amended, sets forth the terms and conditions of his employment, which provides for his base salary, and annual bonus, and which includes, among other things, provisions regarding confidentiality, non-competition and non-solicitation, as well as eligibility for our benefit plans. In the case of termination of employment for cause, Mr. Ingledew's employment agreement provides that he is not entitled to notice or any payment in lieu thereof. The employment agreement provides that, in the case of termination of employment without cause, which includes a termination without cause in connection with a change of control, Mr. Ingledew will be entitled to a termination payment equal to a period of nine months of wages and bonus plus one month for each completed year of employment beyond one year to a maximum of 18 months.

In May 2018, we entered into an amended employment agreement with Jennifer Wong. Ms. Wong's employment agreement, as amended, sets forth the terms and conditions of her employment, which provides for her base salary and annual bonus, and which includes, among other things, provisions regarding confidentiality, non-competition and non-solicitation, as well as eligibility for our benefit plans. In the case of termination of employment for cause, Ms. Wong's employment agreement provides that she is not entitled to notice or any payment in lieu thereof. The employment agreement provides that, in the case of termination of employment without cause, Ms. Wong will be entitled to a termination payment equal to one month of wages and bonus for each completed year of employment to a maximum of 24 months. In the event that the termination occurs in connection with a change of control of the Company, Ms. Wong will be entitled to a termination payment equal to 36 months.

In May 2018, we entered into an amended employment agreement with Dave MacIver. Mr. MacIver's employment agreement, as amended, sets forth the terms and conditions of his employment which provides for his base salary, and annual bonus, and which includes, among other things, provisions regarding confidentiality, non-competition and non-solicitation, as well as eligibility for our benefit plans. In the case of termination of employment for cause, Mr. MacIver's employment agreement provides that he is not entitled to notice or any payment in lieu thereof. The employment agreement provides that, in the case of termination of employment without cause, which includes a termination without cause in connection with a change of control, Mr. MacIver will be entitled to a termination payment equal to one month of wages and bonus for each completed year of employment to a maximum of 18 months.

In May 2018, we entered into an amended employment agreement with Pippa Morgan. Ms. Morgan's employment agreement, as amended, sets forth the terms and conditions of her employment, which provides for her base salary and annual bonus, and which includes, among other things, provisions regarding confidentiality, non-competition and non-solicitation, as well as eligibility for our benefit

plans. In the case of termination of employment for cause, Ms. Morgan’s employment agreement provides that she is not entitled to notice or any payment in lieu thereof. The employment agreement provides that, in the case of termination of employment without cause, which includes a termination without cause in connection with a change of control, Ms. Morgan will be entitled to a termination payment equal to one month of wages and bonus for each completed year of employment to a maximum of 18 months.

We have introduced measures to contain our severance payment obligations for all executives and employees, including our NEOs, such that payments, if any, upon termination following a change of control will not exceed two times an executive or employee’s base salary plus annual bonus. These measures apply to all executives and employees, including our NEOs, with the exception of Brian Hill and Jennifer Wong, whose severance payments exceeded two times the applicable base salary and annual bonus prior to the Company’s introduction of these containment measures. In addition Mr. Hill’s termination arrangements are designed to reflect his title, tenure, role and responsibilities as Founder and Chief Executive Officer of Aritzia. Considering Mr. Hill’s termination arrangements as a multiple of his base salary and annual bonus is not appropriate given the Board’s acceptance of Mr. Hill’s decision to be paid \$1 base salary and \$1 annual bonus after our initial public offering in 2016.

The table below shows the incremental payments that would be made to our NEOs under the terms of their employment agreements upon the occurrence of certain events, if such events were to occur on March 3, 2019.

CORPORATE GOVERNANCE

General

The Board believes that sound corporate governance practices are essential to the proper management and operation of our business. This includes compliance with applicable regulatory requirements and best practices that go beyond the requirements mandated by regulation.

We recognize that good corporate governance plays an important role in our overall success and in enhancing shareholder value and, accordingly, we have adopted certain corporate governance policies and practices.

Disclosure of our governance practices as required under National Instrument 58-101 - *Disclosure of Corporate Governance Practices ("NI 58-101")* is set out below and describes our approach to corporate governance.

To comply with these various standards and achieve best practices, we have adopted comprehensive corporate governance policies and procedures. Our corporate governance policies and procedures are reviewed periodically to ensure compliance with applicable law and consideration of evolving best practices in the area of corporate governance. Our key policies and documents include the following:

- Mandate of the Board of Directors
- Charters of the Board Committees,
- Code of Conduct
- Whistleblower Policy

- including the Audit Committee and the Compensation and Nominating Committee
- Position Descriptions for the Chair of the Board and Lead Director
- Disclosure Policy
- Trading Policy
- Governance Guidelines
- Claw Back Policy

Composition of our Board and Board Committees

Under our Articles, our Board is to consist of a minimum of three and a maximum of 15 directors as determined from time to time by the directors. Our Board currently consists of nine directors, and pursuant to the Investor Rights Agreement, our Board shall not be comprised of more than nine directors unless agreed to by each Shareholder Group. In advance of the Meeting, each Shareholder Group and the Board approved an increase in the size of the Board to ten directors. Assuming that all of the proposed director nominees are elected at the Meeting, the Board will consist of ten directors. Under the BCBCA, a director may be removed with or without cause by a resolution passed by an ordinary majority of the votes cast by shareholders present in person or by proxy at a meeting and who are entitled to vote. The directors are elected by shareholders at each annual meeting of shareholders, and all directors hold office for a term expiring at the close of the next annual meeting of shareholders or until their respective successors are elected or appointed. Our Articles provide that, between annual general meetings of shareholders, the directors may appoint one or more additional directors, but the number of additional directors may not at any time exceed one-third of the number of current directors who were elected or appointed other than as additional directors.

Certain aspects of the composition and functioning of our Board are governed by the terms of the Investor Rights Agreement. See also "Election of Directors - Investor Rights Agreement". The nominees for election by shareholders as directors are determined by our Compensation and Nominating Committee in accordance with the provisions of applicable corporate law, the Investor Rights Agreement and the charter of our Compensation and Nominating Committee. See also "- Committees of our Board - Compensation and Nominating Committee."

Director Independence

Under NI 58-101, a director is considered to be independent if he or she is independent within the meaning of National Instrument 52-110-*Audit Committees* ("**NI 52-110**"). Pursuant to NI 52-110, an independent director is a director who is free from any direct or indirect relationship which could, in the view of our Board, be reasonably expected to interfere with a director's independent judgment. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that seven of nine directors currently on our Board are independent: Brian Hill and Jennifer Wong are not considered to be independent as a result of their respective executive officer positions. Following the Meeting and assuming that John Montalbano, an independent director nominee, is elected, eight out of ten directors will be independent.

The Board has determined that director nominees, Marni Payne and Glen Senk, satisfy the independence tests set out in NI 52-110. Ms. Payne and Mr. Senk serve in non-executive roles, as managing director and advisory director, respectively, of Berkshire Partners, previously one of the Company's principal shareholders. In March 2019, we completed the March 2019 Secondary Offering and, concurrently, the Share Repurchase from certain shareholders. As a result of the Share Repurchase and the March 2019 Secondary Offering, Berkshire and its affiliates have no remaining equity interest in Aritzia. Accordingly, Berkshire and its affiliates has not exercised any nomination rights in respect of the Meeting. Our Board has nominated Marni Payne, a managing director of Berkshire Partners, for re-election as a director for continuity purposes, among other reasons.

Meetings of Independent Directors and Conflicts of Interest

Our Board believes that given its size and structure, it is able to facilitate independent judgment in carrying out its responsibilities. Our Board has not appointed an independent Chair. However, John E. Currie has been appointed as lead director by our Board and is responsible for ensuring that the directors who are independent of management have opportunities to meet without management or non-independent directors present, as required. Our independent directors typically had an opportunity to meet following each regularly scheduled Board and Committee meeting and, in Fiscal 2019, held 8 such meetings. Pursuant to the Investor Rights Agreement, the lead director shall be appointed and replaced from time to time by a majority of independent directors and shall be an independent director.

A director who has a material interest in a matter before our Board or any committee on which he or she serves is required to disclose such interest as soon as the director becomes aware of it. In situations where a director has a material interest in a matter to be considered by our Board or any committee on which he or she serves, such director may be required to absent himself or herself from the meeting while discussions and voting with respect to the matter are taking place. Directors are also required to comply with the relevant provisions of the BCBCA regarding conflicts of interest.

Director Term Limits and Other Mechanisms of Board Renewal

Our Board has not adopted director term limits or other automatic mechanisms of board renewal. Rather than adopting formal term limits, mandatory age-related retirement policies and other mechanisms of board renewal, the Compensation and Nominating Committee of our Board seeks to maintain the composition of our Board in a way that provides, in the judgement of our Board, the best mix of skills and experience to provide for our overall stewardship. Our Compensation and Nominating Committee also is expected to conduct a process for the assessment of our Board, each committee and each director regarding his, her or its effectiveness and performance, and to report evaluation results to our Board. See also "Corporate Governance - Committees of our Board - Compensation and Nominating Committee - Board and Executive Management Diversity - Diversity Policy".

Mandate of our Board of Directors

Our Board is responsible for supervising the management of our business and affairs, including providing guidance and strategic oversight to management. Our Board has adopted the written mandate set forth in Appendix "A", which describes the duties and responsibilities of the Board in the following areas:

- appointing the CEO, approving the corporate goals and objectives that the CEO is responsible for meeting and reviewing the performance of the CEO against such corporate goals and objectives;
- taking steps to satisfy itself as to the integrity of the CEO and other senior executive officers and that the CEO and other senior executive officers create a culture of integrity throughout the organization;

- approving corporate disclosure and applicable regulatory filings; and
- adopting procedures designed to permit the Board to receive feedback from shareholders on material issues.

Position Descriptions

Our Board has adopted a written position description for the Chair. See also "Election of Directors - Investor Rights Agreement - Chair of our Board and Committees". The written position description sets out the Chair's key responsibilities, including, among others, duties relating to:

- providing overall leadership and enhancing the effectiveness and performance of the Board;
- fostering ethical and responsible decision making by the Board; and
- other duties relating to setting Board meeting agendas, chairing Board and shareholder meetings, director development and communicating with shareholders and regulators.

Our Board has also adopted a written position description for our lead director. See "Meetings of Independent Directors and Conflicts of Interest" above. The lead director position description sets out duties relating to:

- facilitating the functioning of the Board and providing independent leadership to enable the Board to effectively carry out its duties and responsibilities independently from the senior executives of the Company;
- working collaboratively with the Chair and other senior executives with respect to Board governance and Board processes; and
- other duties related to chairing meetings of independent directors and communication with shareholders.

Our Board has adopted a written position description for each of our committee chairs which sets out each of the committee chair's key responsibilities, including, among others, duties relating to setting committee meeting agendas, chairing committee meetings and working with the respective committee and management to ensure, to the greatest extent possible, the effective functioning of the committee.

Our Board has adopted a written position description for our Chief Executive Officer which sets out the key responsibilities of our Chief Executive Officer, including, among other duties in relation to providing overall leadership, strategic planning and business and organizational management.

Orientation and Continuing Education

We have implemented an orientation program for new directors under which a new director meets with the Chair, the lead director, members of senior management and our corporate secretary. New directors are provided with comprehensive orientation and education as to the nature and operation of Aritzia and our business, the role of our Board and its committees, and the contribution that an individual director is expected to make. Our Compensation and Nominating Committee is responsible

for overseeing director continuing education designed to maintain or enhance the skills and abilities of the directors and to ensure that their knowledge and understanding of our business remains current. The chair of each committee is responsible for coordinating orientation and continuing director development programs relating to the committee's mandate. At Board meetings different business leads have the opportunity to present and educate the Board on their respective strategies and initiatives. External experts are also invited to Board meetings from time to time to present on topical matters.

Code of Conduct

We have adopted a written code of conduct (the "**Code of Conduct**") that applies to all of our directors, officers and employees. The objective of the Code of Conduct is to provide guidelines for maintaining our and our subsidiaries' integrity, reputation, honesty, objectivity and impartiality. The Code of Conduct addresses conflicts of interest, protection of our assets, confidentiality, fair dealing with shareholders, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour. As part of the Code of Conduct, any person subject to the Code of Conduct is required to avoid or fully disclose interests or relationships that are harmful or detrimental to our best interests or that may give rise to real, potential or the appearance of conflicts of interest. Our Board has ultimate responsibility for the stewardship of the Code of Conduct and it monitors compliance through our Compensation and Nominating Committee. Directors, officers and employees are required to certify that they will abide by the Code of Conduct. The Code of Conduct has been filed with the Canadian securities regulatory authorities under our profile on SEDAR at www.sedar.com.

Committees of our Board

Our Board has established two committees: the Audit Committee and the Compensation and Nominating Committee.

Audit Committee

Detailed information about our Audit Committee, including the mandate of the Audit Committee and a copy of its charter, can be found in our Annual Information Form for the year ended March 3, 2019 on SEDAR at www.sedar.com under the heading "Directors and Officers - Audit Committee".

Compensation and Nominating Committee

Our Compensation and Nominating Committee is comprised of three directors, all of whom are persons determined by our Board to be independent directors, and is charged with reviewing, overseeing and evaluating our compensation, corporate governance and nominating policies. Our Compensation and Nominating Committee is currently comprised of Marni Payne, who acts as chair of the committee, John E. Currie and Aldo Bensadoun. All directors on the Compensation and Nominating Committee are persons determined by our Board to be independent directors. No member of our Compensation and Nominating Committee may be our officers, and as such, our Board believes that our Compensation and Nominating Committee is able to conduct its activities in an objective manner. See also "Election of Directors - Investor Rights Agreement - Chair of our Board and Committees."

For additional details regarding the relevant education and experience of each member of our Compensation and Nominating Committee, including the direct experience that is relevant to each committee member's responsibilities in executive compensation, see also "Election of Directors".

Our Board has adopted a written charter setting forth the purpose, composition, authority and responsibility of our Compensation and Nominating Committee consistent with the Corporate

Governance Guidelines. Our Compensation and Nominating Committee's purpose is to assist our Board in:

- the appointment, performance, evaluation and compensation of our senior executives;
- the recruitment, development and retention of our senior executives;
- maintaining talent management and succession planning systems and processes relating to our senior management;
- developing compensation structure for our senior executives including salaries, annual and long-term incentive plans including plans involving share issuances and other share-based awards;
- establishing policies and procedures designed to identify and mitigate risks associated with our compensation policies and practices;
- assessing the compensation of our directors;
- developing benefit retirement and savings plans;

- identifying individuals qualified to be nominated as members of our Board;
- overseeing director orientation and education;

Our Compensation and Nominating Committee is also responsible for establishing and implementing procedures to evaluate the performance and effectiveness of our Board, committees of our Board and the contributions of individual Board members. Our Compensation and Nominating Committee also takes reasonable steps to evaluate and assess, on an annual basis, directors' performance and the effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. The assessment addresses, among other things, individual director independence, individual director and overall Board skills, and individual director financial literacy. Our Board receives and considers the recommendations from our Compensation and Nominating Committee regarding the results of the evaluation of the performance and effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. Our Compensation and Nominating Committee is also responsible for orientation and continuing education programs for our directors. See also "- Orientation and Continuing Education".

Board and Executive Management Diversity - Diversity Policy

We believe that having a diverse Board can offer a breadth and depth of perspectives that enhance our Board's performance. To assist in meeting our diversity objectives and to ensure there are no systemic barriers or biases in our policies and practices, the Board has approved a written Diversity Policy.

The composition of our Board and senior management is shaped by the selection criteria established by our Compensation and Nominating Committee. In identifying candidates to nominate for election to the Board, the Compensation and Nominating Committee will:

1. consider individuals who are highly qualified, based on their talents, experience, functional expertise and personal skills, character and qualities, having regard to the Company's current and future plans and objectives, as well as anticipated industry and market developments;
2. consider criteria that promotes diversity, including with regard to gender, ethnicity and other identified bases;
3. consider the level of representation of women on the Board along with other attributes of diversity when making recommendations for nominees to the Board and in general with regard to succession planning for the Board; and
4. as required, engage qualified independent external advisors to assist the Board in conducting its search for candidates that meet the Board's criteria regarding skills, experience and diversity

The Compensation and Nominating Committee monitors the level of female representation on our Board and in senior management positions, with a view to continuing to broaden recruiting efforts to attract and interview qualified female candidates, and committing to retention and training to ensure that our most talented employees are promoted from within our organization.

We value diversity of abilities, experience, perspective, education, gender, background, race and national origin. Recommendations concerning director nominees are expected to be based on merit and past performance as well as expected contribution to our Board's performance and, accordingly, diversity is taken into consideration.

Having regard to the principles set out in the Diversity Policy, the Board has established the following targets and our goal is to maintain such targets:

- at least 30% of board members be women; and
- at least 30% of executive officers be women.

We have also recruited and selected Board members and senior management candidates that represent a diversity of business understanding, personal attributes, abilities and experience. As discussed in our "Women in Leadership" section, championing, supporting, and growing women in leadership and across all levels of the organization is core to Aritzia's beliefs. With respect to the Company's current diversity representation:

- Three of nine members on our Board, or approximately 33%, are female and following the meeting, assuming that all of the director nominees are elected, three of ten members on our Board, or approximately 30% will be female;
- 85% of our employee base is made up of women;
- 54% of the Aritzia Leadership Team is female;
- Three of seven members, or 43%, of our executive officers (as defined in NI 58-101) are female; and
- Two of five members, or 40%, of our named executive officers are female.

Share Ownership by Directors and Chief Executive Officer

On May 8, 2019, upon the recommendation of the Compensation and Nominating Committee, the Board adopted share ownership guidelines applicable to the Company's non-employee Directors and CEO to better align the economic interests of non-employee Directors and the CEO with those of shareholders and drive the long-term performance of Aritzia. The CEO is expected to acquire and maintain ownership of Common Shares and RSUs with a total market value of at least five times the CEO's base salary. The CEO is expected to satisfy this share ownership requirement by May 8, 2024 or

within five years of the CEO's date of hire or appointment, as applicable, after which he or she must maintain compliance with the requirement for the duration of their employment as CEO with the Company. This new share ownership guideline does not apply to our current Chief Executive Officer and Founder, whose existing holdings, at approximately 23.2% of our issued and outstanding Shares and approximately 74.8% of the voting power attached to all of the Shares, well exceed the CEO share ownership requirement of the policy and who has demonstrated outstanding commitment to Aritzia through his significant equity interest in the Company, which ties our CEO to the long-term performance of our company and aligns the CEO's interest with that of shareholders.

The Board requires each non-employee director to acquire, within a five-year period, beneficial ownership of a number of Subordinate Voting Shares and/or deferred share units, the market value of which is at least three times the annual board retainer paid to such Director. Directors elected prior to May 8, 2019 are expected to attain ownership requirement by May 8, 2024 and new directors are otherwise required to satisfy such share ownership requirement within five years of their election to the Board. Upon satisfaction of the share ownership requirement, directors are expected to maintain such minimum share ownership position for the duration of his or her tenure as a director.

Sustainability

At Aritzia, sustainability is understood as an approach to doing business; ensuring the business is fit for the future through operational excellence and responsible business practices. We are committed to upholding human rights in our operations and those of our partners and to reducing the environmental impacts known to contribute to climate change. Sustainability is a focus throughout the organization at all levels and is overseen by the President and Chief Operating Officer, who reports directly to our Chief Executive Officer. Through an in-depth materiality assessment conducted by an independent third party specialist using comprehensive data sets, Aritzia has identified a number of key initiatives to strengthen our commitment to upholding human rights as well as driving improved environmental performance throughout our value chain.

Aritzia has a robust social impact program that monitors our manufacturers' adherence to local and international labour laws as well as best practice industry standards. Aritzia has a vendor code of conduct outlining our expectations of partners throughout our value chain which is reinforced by the deployment of audits at our manufacturers' factories by independent expert service providers hired by Aritzia. We carry out regular audits of our partners based on a risk prioritization framework in all jurisdictions. All audits include voluntary confidential worker interviews as standard. Furthermore, Aritzia is integrating worker sentiment reports into our audits in China and India, providing us with new insights on grievance mechanisms, supervisor relationships, sexual harassment, worker perception and preferences related to wages and working hours, production efficiency and rework rates. Such reports provide insight into the likelihood of a worker's continued service at a particular factory or recommending the factory as a good place to work. Like all work places, we understand that factories with fair working conditions and engaged people are also healthier businesses and more resilient partners.

Through an in-depth organizational environmental lifecycle assessment, Aritzia has identified where our significant impacts are located across our value chain through a carbon, water and waste baseline assessment. This information allows us to build programs of work that address our material environmental impacts in a way that is meaningful and effective. Our operations' carbon footprint, upstream manufacturing, raw material sourcing and processing of carbon, water and waste impacts, as well as our downstream waste impacts, are key areas where we, in collaboration with the industry, can affect meaningful change.

We are members of the Sustainable Apparel Coalition, an industry sustainability association that enables us to work collaboratively with the apparel industry to improve the environmental

performance of the industry from raw material sourcing impacts through to retail operations impacts. In addition, we have programs and partnerships in place that support our efforts to address our waste impacts (for example debrand), our raw material sourcing impacts (for example the Better Cotton Initiative) as well as our emissions footprint. We are also building out our Environmental Impact Program for our manufacturers through the deployment of the Higg Facility Environmental Module throughout our supply chain which covers energy and emissions, water and effluent, waste and chemical management.

Restrictions on Trading and Hedging Shares of Aritzia

Under our Trading Policy, directors and executive officers are prohibited from speculating in our shares and purchasing financial instruments (such as prepaid variable forward contracts, equity swaps or collars) designed to hedge or offset a decrease in the market value of their shares in Aritzia.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table shows information, as at March 3, 2019, on compensation plans under which shares are authorized for issuance. Only Subordinate Voting Shares are issuable under our existing equity compensation plans. For a description of our equity-based incentive compensation plans, see “Executive Compensation – Principal Elements of Compensation”.

Equity Compensation Plan Information

- TSX Inducement Exception	954,339 ⁽³⁾	\$13.62	N/A
Total	9,834,738	\$9.53	7,595,463

Notes:

- (1) This represents approximately 3.3% of Aritzia’s issued and outstanding shares as at March 3, 2019.
- (2) This represents approximately 6.7% of Aritzia’s issued and outstanding shares as at March 3, 2019. The maximum number of Subordinate Voting Shares reserved for issuance, in the aggregate, under our current Stock Option Plan and all other Share Compensation Arrangements (excluding shares underlying options issued under the Legacy Option Plan as of October 3, 2016 or in reliance upon the exemption referred to below) is 10% of the aggregate number of shares issued and outstanding from time to time, which represents 11,394,145 Subordinate Voting Shares as at March 3, 2019. As a result, should the Company issue additional Subordinate Voting Shares in the future, the number of Subordinate Voting Shares issuable under the Stock Option Plan will increase accordingly.
- (3) These 954,339 options were issued pursuant to the Toronto Stock Exchange employment inducement exemption.

The following table provides the number of stock options granted each year (burn rates) under the Stock Option Plan for Fiscal 2019 and Fiscal 2018 expressed as a percentage of the weighted average number of outstanding shares for the applicable fiscal year.

Fiscal Year	Number of Stock Options Granted	Weighted Average Number of Shares	Stock Options Burn Rate ⁽¹⁾
2019	291,015	113,015,336	0.26%
2018	2,786,295 ⁽²⁾	110,180,126	2.53%
2017	3,263,759	104,787,171	3.11%

Notes:

- (1) The burn rate is calculated by dividing the number of stock options granted during the applicable fiscal year by the weighted average number of Shares outstanding for the applicable fiscal year. Since the DSU Plan established for the Directors of the Company is non-dilutive, the burn rate for outstanding DSUs was nil for each of the last two completed fiscal years indicated in the table above.
- (2) This includes 954,339 shares underlying stock options issued in reliance upon the TSX Inducement Exception, as discussed above.

As at the date of this Circular, there are 83,252,656 Subordinate Voting Shares issued and outstanding, 24,537,349 Multiple Voting Shares issued and outstanding, and no preferred shares issued and outstanding. The Subordinate Voting Shares represent approximately 77.2% of our total issued and outstanding shares and approximately 25.3% of the voting power attached to all of our shares.

This summary is qualified by reference to, and is subject to, the detailed provisions of our Articles available under the Company's profile on SEDAR at www.sedar.com.

The Subordinate Voting Shares are "restricted securities" within the meaning of National Instrument 51-102.

The Effect of Certain Amendments

In addition to any other voting right or power to which the holders of Subordinate Voting Shares shall be entitled by law or regulation or other provisions of our Articles from time to time in effect, but subject to the provisions of our Articles, holders of Subordinate Voting Shares shall be entitled to vote separately as a class, in addition to any other vote of shareholders that may be required, in respect of any alteration, repeal or amendment of our Articles which would adversely affect the rights or special rights of the holders of Subordinate Voting Shares or affect the holders of Subordinate Voting Shares and Multiple Voting Shares differently, on a per share basis, including an amendment to the terms of our Articles that provide that any Multiple Voting Shares sold or transferred to a person that is not a Permitted Holder shall be automatically converted into Subordinate Voting Shares. Holders of Subordinate Voting Shares are not entitled to vote separately as a class on any matters identified in the Notice.

Pursuant to our Articles, holders of Subordinate Voting Shares and Multiple Voting Shares will be treated equally and identically, on a per share basis, in certain change of control transactions that require approval of our shareholders under the BCBCA, unless different treatment of the shares of each such class is approved by a majority of the votes cast by the holders of our Subordinate Voting Shares and Multiple Voting Shares, each voting separately as a class.

"Permitted Holders" means (i) Brian Hill and any Members of the Immediate Family of Brian Hill and (ii) any Person controlled, directly or indirectly by one or more of the Persons referred to in clause (i).

Take-over Bid Protection

Under applicable securities laws in Canada, an offer to purchase Multiple Voting Shares would not necessarily require that an offer be made to purchase Subordinate Voting Shares. In accordance with the rules of the TSX designed to ensure that, in the event of a take-over bid, the holders of Subordinate Voting Shares will be entitled to participate on an equal footing with holders of Multiple Voting Shares, we have entered into a customary coattail agreement dated October 3, 2016 with the holders of the Multiple Voting Shares on the date thereof, and a trustee (the "**Coattail Agreement**"). The Coattail Agreement contains provisions customary for dual class, TSX-listed corporations designed to prevent transactions that otherwise would deprive the holders of Subordinate Voting Shares of rights under applicable securities laws in Canada to which they would have been entitled if the Multiple Voting Shares had been Subordinate Voting Shares. The undertakings in the Coattail Agreement do not apply to prevent a sale by the holders of Multiple Voting Shares or their Permitted Holders of Multiple Voting Shares if concurrently an offer is made to purchase Subordinate Voting Shares that:

- (a) offers a price per Subordinate Voting Share at least as high as the highest price per share to be paid pursuant to the take-over bid for the Multiple Voting Shares;
- (b) provides that the percentage of outstanding Subordinate Voting Shares to be taken up (exclusive of shares owned immediately prior to the offer by the offeror or persons acting jointly or in concert with the offeror) is at least as high as the percentage of Multiple Voting Shares to be sold (exclusive of Multiple Voting Shares owned immediately prior to the offer by the offeror and persons acting jointly or in concert with the offeror);

- (c) has no condition attached other than the right not to take up and pay for Subordinate Voting Shares tendered if no shares are purchased pursuant to the offer for Multiple Voting Shares; and
- (d) is in all other material respects identical to the offer for Multiple Voting Shares.

The Coattail Agreement does not prevent the transfer by the holders of Multiple Voting Shares to Permitted Holders, provided such transfer is not or would not have been subject to the requirements to make a take-over bid (if the vendor or transferee were in Canada) or constitutes or would be exempt from certain requirements applicable to take-over bids under applicable securities laws in Canada. The conversion of Multiple Voting Shares into Subordinate Voting Shares, whether or not such Subordinate Voting Shares are subsequently sold, does not constitute a disposition of Multiple Voting Shares for the purposes of the Coattail Agreement.

Under the Coattail Agreement, any sale of Multiple Voting Shares (including a transfer to a pledgee as security) by a holder of Multiple Voting Shares party to the Coattail Agreement is conditional upon the transferee or pledgee becoming a party to the Coattail Agreement, to the extent such transferred Multiple Voting Shares are not automatically converted into Subordinate Voting Shares in accordance with our Articles.

The Coattail Agreement contains provisions for authorizing action by the trustee to enforce the rights under the Coattail Agreement on behalf of the holders of the Subordinate Voting Shares. The obligation of the trustee to take such action is conditional on us or holders of the Subordinate Voting Shares providing such funds and indemnity as the trustee may reasonably require. No holder of Subordinate Voting Shares has the right, other than through the trustee, to institute any action or proceeding or to exercise any other remedy to enforce any rights arising under the Coattail Agreement unless the trustee fails to act on a request authorized by holders of not less than 10% of the outstanding Subordinate Voting Shares and reasonable funds and indemnity have been provided to the trustee.

Other than in respect of non-material amendments and waivers that do not adversely affect the interests of holders of Subordinate Voting Shares, the Coattail Agreement provides that, among other things, it may not be amended, and no provision thereof may be waived, unless, prior to giving effect to such amendment or waiver, the following have been obtained: (a) the consent of the TSX and any other applicable securities regulatory authority in Canada; and (b) the approval of at least two-thirds of the votes cast by holders of Subordinate Voting Shares represented at a meeting duly called for the purpose of considering such amendment or waiver, excluding votes attached to Subordinate Voting Shares held by the holders of Multiple Voting Shares or their affiliates and related parties and any persons who have an agreement to purchase Multiple Voting Shares on terms which constitute a sale or disposition for purposes of the Coattail Agreement, other than as permitted thereby.

No provision of the Coattail Agreement limits the rights of any holders of Subordinate Voting Shares under applicable law.

Except as provided in any special rights or restrictions attaching to any series of preferred shares issued from time to time, the holders of preferred shares will not be entitled to receive notice of, attend or vote at any meeting of shareholders.

NORMAL COURSE ISSUER BID

On May 10, 2018, the Company announced that the TSX had accepted its notice of intention to proceed with a normal course issuer bid (the "Bid") for its Subordinate Voting Shares. Pursuant to the Bid, the Company was permitted to purchase up to 5,429,658 Subordinate Voting Shares, representing approximately 10% of the Company's then-existing public float of 54,296,588 Subordinate Voting Shares, during the twelve month period commencing May 15, 2018 and ending May 14, 2019. Under the Bid, other than purchases made under block purchase exemptions, the Company could purchase up to 39,160 Subordinate Voting Shares on the TSX during any trading day, representing approximately 25% of 156,642, which represents the average daily trading volume on the TSX for the most recently completed six calendar months prior to the TSX's acceptance of the notice of the Bid. Any Subordinate Voting Shares so purchased under the Bid will be cancelled. The Company terminated the Bid as of March 3, 2019.
