SHORT FORM PROSPECTUS

Secondary Offering

January 26, 2026

ARITZIA

ARITZIA INC.

\$200,117,400

1,537,000 Subordinate Voting Shares

This short form prospectus qualifies the distribution (the “**Offering**”) of 1,537,000 subordinate voting shares (the “**Subordinate Voting Shares**”) of Aritzia Inc. (the “**Company**”, “**Aritzia**”, “**us**”, “**we**” or “**our**”) at a price of \$130.20 per Subordinate Voting Share (the “**Offering Price**”) by Brian Hill, Founder and Executive Chair of Aritzia and AHI Holdings Inc., Sven Holdings Inc. and the ARON Charitable Foundation, entities owned and/or controlled, directly or indirectly, by Brian Hill or Brian Hill and his immediate family (collectively, the “**Selling Shareholders**”). **We will not receive any of the proceeds from the Offering.** See “Plan of Distribution” and “Selling and Principal Shareholders”.

BMO Nesbitt Burns Inc. (the “**Lead Underwriter**”) and RBC Dominion Securities Inc., TD Securities Inc., and CIBC World Markets Inc. (collectively, with the Lead Underwriter, the “**Underwriters**”) have agreed to purchase the Subordinate Voting Shares qualified under this short form prospectus from the Selling Shareholders subject to the terms and conditions set forth in an underwriting agreement dated January 19, 2026 among us, the Selling Shareholders and the Underwriters (as amended by an amending agreement dated January 26, 2026) (the “**Underwriting Agreement**”) referred to under “Plan of Distribution”.

We have two classes of issued and outstanding shares: Subordinate Voting Shares which are listed and posted for trading on the Toronto Stock Exchange (the “**TSX**”), and multiple voting shares (the “**Multiple Voting Shares**” and, together with the Subordinate Voting Shares, the “**Shares**”). Currently, all of the issued and outstanding Multiple Voting Shares are, directly or indirectly, held or controlled by entities that are owned and controlled by Brian Hill, our Founder and Executive Chair (together with their Permitted Holders (as defined in the Investor Rights Agreement referenced below), the “**Principal Shareholders**”). The terms and conditions of the Subordinate Voting Shares and the Multiple Voting Shares are substantially identical with the exception of the voting and conversion rights attached to the Multiple Voting Shares. In addition, holders of the Multiple Voting Shares are entitled to certain contractual pre-emptive rights to subscribe for additional Multiple Voting Shares provided for in an investor rights agreement entered into on October 3, 2016 among us and the Principal Shareholders (the “**Investor Rights Agreement**”). Each Subordinate Voting Share is entitled to one vote and each Multiple Voting Share is entitled to 10 votes on all matters upon which the holders of Shares are entitled to vote. The Multiple Voting Shares are convertible into Subordinate Voting Shares on a one-for-one basis at any time at the option of the holders thereof and automatically in certain other circumstances. The holders of Subordinate Voting Shares benefit from

“coattail” provisions that give them certain rights in the event of a take-over bid for the Multiple Voting Shares. The Subordinate Voting Shares are “restricted securities” within the meaning of such term under applicable securities laws in Canada. We are exempt from the requirements of Section 12 of National Instrument 41-101 – *General Prospectus Requirements* (“**NI 41-101**”) on the basis that the Subordinate Voting Shares were distributed under a previous prospectus that was filed by Aritzia at a time when we were a private issuer.

The Principal Shareholders currently hold 19,547,741 Multiple Voting Shares and 381,503 Subordinate Voting Shares, representing approximately 17.2% of our issued and outstanding Shares and approximately 67.1% of the voting power attached to all outstanding Shares. Upon completion of the Offering and assuming no exercise of the Over-Allotment Option (as defined herein), the Principal Shareholders will, directly or indirectly, own or control 18,392,244 Multiple Voting Shares and no Subordinate Voting Shares, representing approximately 15.9% of our issued and outstanding Shares and 65.4% of the voting power attached to all of the Shares (approximately 15.7% and 65.0%, respectively, if the Over-Allotment Option is exercised in full). Prior to the Closing (as defined herein), 1,097,416 Multiple Voting Shares held by AHL Holdings Inc. and 58,081 Multiple Voting Shares held by Sven Holdings Inc. will be converted into an equivalent number of Subordinate Voting Shares, which Subordinate Voting Shares will be sold in the Offering.

The outstanding Subordinate Voting Shares are listed and posted for trading on the TSX under the trading symbol “ATZ”. On January 16, 2026, the last full trading day prior to the date of the preliminary short form prospectus for the Offering, the closing price of the Subordinate Voting Shares on the TSX was \$125.22 per Subordinate Voting Share. On January 23, 2026, the last full trading day prior to the date of this short form prospectus, the closing price of the Subordinate Voting Shares on the TSX was \$119.58 per Subordinate Voting Share.

	Price to the Public	Underwriters' Commission⁽²⁾	Net Proceeds to the Selling Shareholders⁽³⁾
Per Subordinate Voting Share	\$130.20 ⁽¹⁾	\$5.208	\$124.992

- (1) The Offering Price was determined by negotiation between the Selling Shareholders and the Lead Underwriter, on behalf of itself and the other Underwriters, with reference to the market price of the Subordinate Voting Shares.
- (2) Pursuant to the terms of the Underwriting Agreement, and in consideration of the services rendered by the Underwriters in connection with the Offering, the Underwriters will receive an aggregate fee (the “**Underwriters' Commission**”) of \$8,004,696, representing 4.0% of the gross proceeds from the Offering. See “Plan of Distribution”. The Underwriters' Commission shall be paid by the Selling Shareholders.
- (3) After deducting the aggregate Underwriters' Commission payable by the Selling Shareholders. In accordance with the terms of the Registration Rights Agreement (as defined herein), we will bear all reasonable expenses of the Offering (excluding the Underwriters' Commission), estimated at \$520,000 (exclusive of all applicable taxes). See “Proceeds to the Selling Shareholders” and “Plan of Distribution”.
- (4) The Underwriters have been granted an over-allotment option (the “**Over-Allotment Option**”), exercisable, in whole or in part, at any time up to 30 days after the closing of the Offering (the “**Closing**”), to purchase from the Selling Shareholders up to 230,550 additional Subordinate Voting Shares (representing 15.0% of the Subordinate Voting Shares offered hereunder) at a price of \$130.20 per Subordinate Voting Share on the same terms as set forth above solely to cover over-allotments, if any, and for market stabilization purposes. If the Over-Allotment Option is exercised in full, the total price to the public, the Underwriters' Commission and net proceeds to the Selling Shareholders will be \$230,135,010.00, \$9,205,400.40 and \$220,929,609.60, respectively. This short form prospectus qualifies both the grant of the Over-Allotment Option and the distribution of the Subordinate Voting Shares issuable on the exercise thereof. A purchaser who acquires Subordinate Voting Shares forming part of the Underwriters' over-allocation position acquires those Subordinate Voting Shares under this short form prospectus, regardless of whether the over-allocation position is ultimately filled through the exercise of the Over-Allotment Option or secondary market purchases. See “Plan of Distribution” and “Selling and Principal Shareholders”.

The following table sets out the number of Subordinate Voting Shares that may be sold by the Selling Shareholders to the Underwriters pursuant to the Over-Allotment Option:

<u>Underwriters' Position</u>	<u>Maximum Number of Securities Available</u>	<u>Exercise Period</u>	<u>Exercise Price</u>
Over-Allotment Option	230,550 Subordinate Voting Shares	For a period of 30 days from and including the Closing Date (as defined herein)	\$130.20 per Subordinate Voting Share

Unless the context otherwise requires, all references herein to the "Offering" includes all securities issuable assuming the full exercise of the Over-Allotment Option.

An investment in the Subordinate Voting Shares is subject to a number of risks that should be considered by a prospective purchaser. Prospective investors should carefully consider the risk factors described under "Risk Factors" before purchasing the Subordinate Voting Shares.

The Underwriters, as principals, conditionally offer the Subordinate Voting Shares, subject to prior sale, if, as and when sold and delivered by the Selling Shareholders and accepted by the Underwriters in accordance with the conditions contained in the Underwriting Agreement referred to under "Plan of Distribution" and subject to the approval of certain legal matters on our behalf by Osler, Hoskin & Harcourt LLP and on behalf of the Underwriters by Blake, Cassels & Graydon LLP.

In connection with the Offering, the Underwriters may, subject to applicable law, over-allocate or effect transactions which stabilize or maintain the market price of the Subordinate Voting Shares at levels other than those which otherwise might prevail on the open market. Such transactions, if commenced, may be discontinued at any time. **The Underwriters may offer the Subordinate Voting Shares at a lower price than stated above. See "Plan of Distribution".**

Subscriptions will be received subject to rejection or allotment in whole or in part and the Underwriters reserve the right to close the subscription books at any time without notice. It is expected that the Closing will occur on or about January 29, 2026, or such later date as we, the Selling Shareholders and the Underwriters may agree, but in any event not later than March 9, 2026 (the "**Closing Date**") and, for greater certainty, the Subordinate Voting Shares are to be taken up by the Underwriters, if at all, on or before a date not later than 42 days after the date of the receipt for the final short form prospectus. The Subordinate Voting Shares offered under this prospectus will be deposited with CDS Clearing and Depository Services Inc. ("**CDS**") on the Closing Date. Each purchaser of Subordinate Voting Shares will receive only a customer confirmation from the registered dealer who is a CDS participant and from or through which the Subordinate Voting Shares are purchased. No certificates will be issued to purchasers except in certain limited circumstances, and registration will be made in the depository service of CDS. See "Plan of Distribution – Non-Certificated Inventory System".

Each of the Underwriters is an affiliate of banks or financial institutions that are members of one or more syndicates of lenders that have made credit facilities and a line of credit available to our subsidiaries. Accordingly, in connection with the Offering and pursuant to applicable securities legislation, although we are not offering Shares pursuant to this Offering, we may be considered a "connected issuer" to each such Underwriter for the purposes of securities regulations in certain provinces and territories of Canada. See "Plan of Distribution – Relationship Between Us and the Underwriters".

See "Purchasers' Statutory Rights of Withdrawal and Rescission" for information about the right to withdraw or rescind from an agreement to purchase Subordinate Voting Shares.

PLAN OF DISTRIBUTION

General

Pursuant to the Underwriting Agreement among us, the Selling Shareholders and the Underwriters, the Selling Shareholders have agreed to sell and the Underwriters have agreed to purchase on Closing an aggregate of 1,537,000 Subordinate Voting Shares at a price of \$130.20 per Subordinate Voting Share,

payable in cash to the Selling Shareholders against delivery of the Subordinate Voting Shares for aggregate gross proceeds to the Selling Shareholders of \$200,117,400.00. In consideration for their services in connection with the Offering, the Selling Shareholders have agreed to pay the Underwriters a fee equal to \$5.208 per Subordinate Voting Share (being 4.0% of the Offering Price), including any Subordinate Voting Shares forming part of the Over-Allotment Option. It is estimated that the total expenses of the Offering, not including the Underwriters' Commission, will be approximately \$520,000. All such expenses of the Offering will be paid by us, as required by the terms of the Registration Rights Agreement. The Underwriters have also agreed to reimburse the Selling Shareholders for certain fees and expenses in connection with the Offering. We will not be entitled to any of the proceeds from the sale of the Subordinate Voting Shares offered by this short form prospectus. See "Proceeds to the Selling Shareholders." Pursuant to the terms and conditions of the Underwriting Agreement, the Underwriters will be responsible for their "out of pocket" expenses and legal fees in connection with the Offering. The Offering Price of \$130.20 per Subordinate Voting Share was determined by negotiation among the Selling Shareholders and the Lead Underwriter, on behalf of itself and the other Underwriters, and the Underwriters propose to offer the Subordinate Voting Shares initially at the Offering Price. Pursuant to applicable securities laws, after the Underwriters have made a reasonable effort to sell all of the Subordinate Voting Shares at the price specified on the cover page of this short form prospectus, the Offering Price may be decreased and may be further changed from time to time to an amount not greater than that set out on the cover page of this short form prospectus, and the compensation realized by the Underwriters will be decreased by the amount that the aggregate price paid by the purchasers for the Subordinate Voting Shares is less than the price paid by the Underwriters to the Selling Shareholders. Any such reduction will not affect the net proceeds received by the Selling Shareholders. The Underwriters may form a selling group including other qualified investment dealers and determine the fee payable to the members of such group, which fee will be paid by the Underwriters out of their fees.

The Selling Shareholders have granted the Underwriters the Over-Allotment Option, exercisable, in whole or in part, at any time, up to 30 days after Closing, to purchase from the Selling Shareholders up to 230,550 additional Subordinate Voting Shares (representing 15.0% of the aggregate number of Subordinate Voting Shares distributed in the Offering) on the same terms and conditions as set forth above solely to cover over-allocations, if any, and for market stabilization purposes. If the Over-Allotment Option is exercised in full, the total price to the public will be \$230,135,010.00, the total Underwriters' Commission will be \$9,205,400.40, and net proceeds to the Selling Shareholders will be \$220,929,609.60. This short form prospectus qualifies the grant of the Over-Allotment Option and the distribution of the Subordinate Voting Shares to be delivered upon the exercise of the Over-Allotment Option. A purchaser who acquires Subordinate Voting Shares forming part of the Over-Allotment Option acquires those Subordinate Voting Shares under this short form prospectus, regardless of whether the Underwriters' over-allotment position is ultimately filled through the exercise of the Over-Allotment Option or secondary market purchases.

On January 26, 2026, the Underwriting Agreement was amended to update the allocation of the Subordinate Voting Shares sold in the Offering among the Selling Shareholders.

Under the terms of the Underwriting Agreement, any of the Underwriters may, at their discretion, terminate the Underwriting Agreement upon the occurrence of certain stated events, including: (i) if any enquiry, action, suit, investigation or other proceeding is instituted or announced or any order is made by any governmental authority in relation to the Company, or there is any change in law, or the interpretation or administration thereof, or there is a general moratorium on banking activities in Canada declared by relevant authorities, or a material disruption in commercial banking or securities settlement or clearance services, which, in any such cases, in the opinion of any of the Underwriters, acting reasonably, operates to materially impact, prevent or restrict the distribution or trading of the Subordinate Voting Shares, (ii) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence or any outbreak or escalation of national or international hostilities or any crisis or calamity or any governmental action, law, regulation, inquiry or other similar occurrence which, in the reasonable opinion of any of the Underwriters, materially adversely affects or may materially adversely affect the financial markets in Canada or in the United States or the business, operations or affairs of the Company and its material subsidiaries, taken as a whole, (iii) any inquiry, investigation or other proceeding, or order, ruling or other pronouncement is issued or announced under or pursuant to any relevant statute or by any stock exchange or other regulatory authority, which, in the

reasonable opinion of any of the Underwriters, operates to prevent, suspend, restrict, inhibit or otherwise adversely affect the trading in, or which materially adversely impacts the distribution of the Subordinate Voting Shares; (iv) any material change, change in any material fact or new material fact which, in the opinion of any of the Underwriters, has or could be reasonably expected to have a significant adverse effect on the market price or value of the Subordinate Voting Shares or could reasonably be expected to result in the purchasers of a material number of Subordinate Voting Shares exercising their rights under applicable securities laws to withdraw from or rescind their purchase thereof or sue for damages in respect thereof. The Underwriters are, however, obligated to take up and pay for all of the Subordinate Voting Shares that they have agreed to purchase if any of the Subordinate Voting Shares are purchased under the Underwriting Agreement.

Under applicable securities laws in Canada, certain persons and individuals, including us, the Selling Shareholders and the Underwriters, have statutory liability for any misrepresentation in this short form prospectus, subject to available defenses. We and the Selling Shareholders have severally agreed to indemnify each of the Underwriters and each of their affiliates and their respective directors, officers, employees and agents against certain liabilities, including, without restriction, civil liabilities under applicable securities laws in Canada, and to contribute to any payments that the Underwriters may be required to make in respect thereof. Pursuant to the Registration Rights Agreement, we have agreed to indemnify the Selling Shareholders against certain liabilities, including without limitation, any misrepresentation contained in this short form prospectus and any violation by the Company of any applicable securities laws, and to contribute to any payments that the Selling Shareholders may be required to make in respect thereof.

Subscriptions for Subordinate Voting Shares will be received subject to rejection or allocation in whole or in part and the right is reserved to close the subscription books at any time without notice. The Closing is expected to occur on or about January 29, 2026 or such other date as we, the Selling Shareholders and the Underwriters may agree, but in any event not later than March 9, 2026, and, for greater certainty, the Subordinate Voting Shares are to be taken up by the Underwriters, if at all, on or before a date not later than 42 days after the date of the receipt for the final short form prospectus.

The Subordinate Voting Shares have not been, and will not be, registered under the U.S. Securities Act or the securities laws of any state of the United States and may not be offered, sold or delivered, directly or indirectly, in the United States, except pursuant to an exemption from the registration requirements of the U.S. Securities Act and applicable state securities laws. The Underwriters have agreed that they will not offer or sell Subordinate Voting Shares within the United States, except to “qualified institutional buyers” (as defined in Rule 144A under the U.S. Securities Act) in accordance with the Underwriting Agreement and in reliance upon the exemption from the registration requirements of the U.S. Securities Act provided by Rule 144A.

The Underwriting Agreement also provides that the Underwriters may offer and sell the Subordinate Voting Shares outside the United States in accordance with Rule 903 of Regulation S under the U.S. Securities Act. In addition, until 40 days after the commencement of the Offering, an offer or sale of the Subordinate Voting Shares within the United States by any dealer (whether or not participating in the Offering) may violate the registration requirements of the U.S. Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the U.S. Securities Act.

In connection with the Offering, the Underwriters or securities dealers may distribute this short form prospectus electronically.

Price Stabilization, Short Positions and Passive Market Making

In connection with the Offering, the Underwriters may, subject to applicable law, over-allocate or effect transactions which stabilize or maintain the market price of the Subordinate Voting Shares at levels other than those which otherwise might prevail on the open market, including: stabilizing transactions; short sales; purchases to cover positions created by short sales; imposition of penalty bids; and syndicate covering transactions.

Stabilizing transactions consist of bids or purchases made for the purpose of preventing or retarding a decline in the market price of the Subordinate Voting Shares while the Offering is in progress. These transactions may also include over-allocating or making short sales of the Subordinate Voting Shares, which involves the sale by the Underwriters of a greater number of Subordinate Voting Shares than they are required to purchase in the Offering. Short sales may be “covered short sales”, which are short positions in any amount not greater than the Over-Allotment Option, or may be “naked short sales”, which are short positions in excess of that amount.

The Underwriters may close out any covered short position either by exercising the Over-Allotment Option, in whole or in part, or by purchasing Subordinate Voting Shares in the open market. In making this determination, the Underwriters will consider, among other things, the price of Subordinate Voting Shares available for purchase in the open market compared with the price at which they may purchase Subordinate Voting Shares from the Selling Shareholders through the Over-Allotment Option.

The Underwriters must close out any naked short position by purchasing Subordinate Voting Shares in the open market. A naked short position is more likely to be created if the Underwriters are concerned that there may be downward pressure on the price of the Subordinate Voting Shares in the open market. Any naked short sales will form part of the Underwriters’ over-allocation position. A purchaser who acquires Subordinate Voting Shares forming part of the Underwriters’ over-allocation position resulting from any covered short sales or naked short sales will, in each case, acquire such Subordinate Voting Shares under this short form prospectus, regardless of whether the Underwriters’ over-allocation position is ultimately filled through the exercise of the Over-Allotment Option or secondary market purchases.

In addition, in accordance with rules and policy statements of certain Canadian securities regulatory authorities and the Universal Market Integrity Rules for Canadian Marketplaces (“UMIR”), the Underwriters may not, at any time during the period of distribution, bid for or purchase Subordinate Voting Shares. The foregoing restriction is, however, subject to exceptions where the bid or purchase is not made for the purpose of creating actual or apparent active trading in, or raising the price of the Subordinate Voting Shares. These exceptions include a bid or purchase permitted under the by-laws and rules of applicable regulatory authorities and the TSX, including UMIR, relating to market stabilization and passive market making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution.

As a result of these activities, the price of the Subordinate Voting Shares may be higher than the price that otherwise might exist in the open market. If these activities are commenced, they may be discontinued by the Underwriters at any time. The Underwriters may carry out these transactions on any stock exchange on which the Subordinate Voting Shares are listed, in the over-the-counter market, or otherwise.

Non-Certificated Inventory System

No certificates representing the Subordinate Voting Shares to be sold in the Offering will be issued to purchasers under this short form prospectus. The Subordinate Voting Shares offered under this short form prospectus will be electronically deposited with CDS on the Closing Date. Each purchaser of Subordinate Voting Shares will receive only a customer confirmation of purchase from the registered dealer that is a CDS participant from or through which such Subordinate Voting Shares are purchased, in accordance with the practices and procedures of such CDS participant. Transfers of ownership of Subordinate Voting Shares in Canada will be effected through records maintained by the CDS participants, which include securities brokers and dealers, banks and trust companies. Indirect access to the CDS book entry system is also available to other institutions that maintain custodial relationships with a CDS participant, either directly or indirectly.

Lock-Up Arrangements

Pursuant to the Underwriting Agreement, each of the Selling Shareholders, has agreed not to, directly or indirectly, without the prior written consent of the Lead Underwriter, on behalf of the Underwriters, such consent not to be unreasonably withheld: (a) issue, offer or sell or grant any option, warrant, or other

right to purchase or agree to issue or sell (including, without limitation, any short sale, put option or call option), or otherwise lend, transfer, assign or dispose of any of our equity securities, or other securities convertible or exchangeable into or otherwise exercisable into our equity securities; (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of our equity securities; (c) publicly announce any intention to do any of the foregoing; or (d) act jointly or in concert with any third party with respect to such matters, for a period commencing on the date hereof and ending 90 days after the Closing Date, subject to certain limited exceptions, including in connection with the sale of our securities pursuant to the Offering, or the grants of employee stock options, grants under other security-based compensation arrangements in the ordinary course and securities issued upon their exercise or settlement.

We have agreed not to, directly or indirectly, without the prior written consent of the Lead Underwriter, on behalf of the Underwriters, acting reasonably, sell, offer to sell, issue, grant any option, warrant or other right for the sale or issuance of, or otherwise lend, transfer, assign or dispose of, in a public offering or by way of private placement or otherwise, any Subordinate Voting Shares or other equity securities of the Company or any securities convertible into, exchangeable for, or otherwise exercisable into Subordinate Voting Shares or other equity securities of the Company, or agree to do any of the foregoing or publicly announce any intention to do any of the foregoing, other than the sale of the securities pursuant to the Offering, grants of employee stock options, grants under other security-based compensation arrangements in the ordinary course and securities issued upon their exercise or settlement, for a period commencing on the date hereof and ending 90 days after the Closing Date.

Relationship Between Us and the Underwriters

Each of the Underwriters is an affiliate of banks and financial institutions that have made credit facilities and a line of credit available to us under our credit agreement. Consequently, although we are not offering Shares pursuant to the Offering, we may be considered a “connected issuer” to each such Underwriter under applicable securities laws in Canada. As of January 23, 2026, no amounts have been drawn by the Company under the credit facility and line of credit. Aritzia is currently in compliance with the terms of the credit facility and line of credit and no breach thereof has been waived by any of the lenders thereto.

The terms of the Offering, including the Offering Price, were determined by negotiation between the Lead Underwriter, on behalf of itself and the other Underwriters, and the Selling Shareholders. The bank with which the Lead Underwriter is an affiliate was not involved in the determination of the terms of the Offering. As a consequence of the Offering, the Underwriters will receive the Underwriters’ Commission.

RISK FACTORS

Any investment in the Subordinate Voting Shares involves a high degree of risk. Before investing, prospective investors should carefully consider, in light of their own financial circumstances, the information contained in, or incorporated by, reference in this short form prospectus, including in the AIF, the Annual MD&A and the Interim MD&A under the heading “Risk Factors”. The risks, uncertainties and information incorporated by reference herein are those we currently believe to be material, but they may not be the only ones we face. If any of the identified risks actually occur, or any other risks and uncertainties that we have not yet identified or that we currently consider not to be material, actually occur or become material risks, our business, prospects, financial condition, results of operations and cash flows and consequently the price of the Subordinate Voting Shares could be materially and adversely affected. In all these cases, the trading price of the Subordinate Voting Shares could decline, and prospective investors could lose all or part of their investment.

CERTAIN CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of Osler, Hoskin & Harcourt LLP, our counsel, and Blake, Cassels & Graydon LLP, counsel to the Underwriters, the following is a general summary, as of the date hereof, of the principal Canadian federal income tax considerations under the *Income Tax Act* (Canada) and the regulations thereto (“**Tax Act**”) generally applicable to a purchaser who acquires as beneficial owner Subordinate

Voting Shares pursuant to this Offering and, who at all relevant times, for purposes of the Tax Act, (a) is resident or deemed to be resident in Canada, (b) holds the Subordinate Voting Shares as capital property, (c) deals at arm's length with us, each of the Selling Shareholders and each of the Underwriters, and (d) is not affiliated with us, any of the Selling Shareholders or any of the Underwriters (a "Holder"). Generally, the Subordinate Voting Shares will be considered to be capital property to a Holder unless they are held or acquired in the course of carrying on a business of trading in or dealing in securities or as part of an adventure or concern in the nature of trade. Certain Holders whose Subordinate Voting Shares do not otherwise qualify as capital property may in certain circumstances make an irrevocable election in accordance with subsection 39(4) of the Tax Act to have their Subordinate Voting Shares and every other "Canadian security" (as defined in the Tax Act) owned by such Holder in the taxation year of the election and in all subsequent taxation years deemed to be capital property. Holders should consult their own tax advisors regarding this election.

This summary is not applicable to a purchaser: (a) that is a "financial institution", as defined for purposes of the mark-to-market rules in the Tax Act, (b) an interest in which is or would be a "tax shelter investment" as defined in the Tax Act, (c) that is a "specified financial institution" as defined in the Tax Act, (d) that reports its "Canadian tax results" (as defined in the Tax Act) in a currency other than Canadian currency, (e) that has entered or will enter into a "derivative forward agreement" or "synthetic disposition agreement" under the Tax Act with respect to Subordinate Voting Shares, or (f) that receives dividends on Subordinate Voting Shares under or as part of a "dividend rental arrangement" as defined in the Tax Act. This summary does not address the possible application of the "foreign affiliate dumping" rules that may be applicable to a purchaser that is a corporation resident in Canada (for the purposes of the Tax Act) or a corporation that does not deal at arm's length with a corporation resident in Canada for purposes of the Tax Act, and that is or becomes, as part of a transaction or event or series of transactions or events that includes the acquisition of the Subordinate Voting Shares, controlled by a non-resident person or group of non-resident persons not dealing with each other at arm's length for purposes of the foreign affiliate dumping rules in section 212.3 of the Tax Act. Any such purchaser to which this summary does not apply should consult its own tax advisor with respect to the tax consequences of the Offering.

This summary is based on the facts set out in this short form prospectus, the provisions of the Tax Act in force as of the date of this short form prospectus and counsel's understanding of the current administrative policies and assessing practices of the Canada Revenue Agency published in writing prior to the date hereof. This summary takes into account all specific proposals to amend the Tax Act publicly and officially announced by or on behalf of the Minister of Finance (Canada) ("**Tax Proposals**") before the date of this short form prospectus and assumes that all Tax Proposals will be enacted in the form proposed. However, no assurance can be made that the Tax Proposals will be enacted in the form proposed or at all. This summary is not exhaustive of all possible Canadian federal income tax considerations and, except as mentioned above, does not take into account or anticipate any changes in law or in the administrative policies or assessing practices of the Canada Revenue Agency, whether by legislative, regulatory, administrative or judicial decision or action, nor does it take into account provincial, territorial or foreign income tax legislation or considerations, which may differ significantly from the Canadian federal income tax considerations discussed herein.

This summary is of a general nature only and is not intended to be, nor should it be construed to be, legal or tax advice to any particular purchaser of a Subordinate Voting Share, and no representation concerning the tax consequences to any particular purchaser or prospective purchaser is made. This summary does not address the deductibility of interest on any funds borrowed by a purchaser to purchase Subordinate Voting Shares. Accordingly, prospective purchasers of Subordinate Voting Shares should consult their own tax advisors with respect to an investment in the Subordinate Voting Shares having regard to their particular circumstances. Purchasers of Subordinate Voting Shares who are non-residents, or deemed to be non-residents, of Canada for purposes of the Tax Act should consult their own tax advisors regarding their particular circumstances.

Taxation of Holders of Subordinate Voting Shares

Dividends on Subordinate Voting Shares

Dividends received or deemed to be received on the Subordinate Voting Shares will be included in computing a Holder's income. In the case of a Holder who is an individual (other than certain trusts), dividends received or deemed to be received on the Subordinate Voting Shares will be included in computing the Holder's income for the taxation year in which such dividends are received and will be subject to the gross-up and dividend tax credit rules that apply to taxable dividends received from "taxable Canadian corporations" (as defined in the Tax Act). Provided that appropriate designations are made by us, such dividend will be treated as an "eligible dividend" for the purposes of the Tax Act and a Holder who is an individual (other than certain trusts) will be entitled to an enhanced dividend tax credit in respect of such dividend. There may be limitations on our ability to designate dividends and deemed dividends as eligible dividends.

Dividends received or deemed to be received on the Subordinate Voting Shares by a Holder that is a corporation will be required to be included in computing the corporation's income for the taxation year in which such dividends are received, but such dividends will generally be deductible in computing the corporation's taxable income. In certain circumstances, subsection 55(2) of the Tax Act will treat a taxable dividend (including deemed dividends) received by a Holder that is a corporation as proceeds of disposition or a capital gain. Holders that are corporations should consult their own tax advisors having regard to their own circumstances.

A Holder that is a "private corporation" or a "subject corporation" (each as defined in the Tax Act) may be liable under Part IV of the Tax Act to pay a tax (refundable in certain circumstances) on dividends received or deemed to be received in a taxation year on the Subordinate Voting Shares to the extent that such dividends are deductible in computing the Holder's taxable income for the taxation year.

A Holder that is throughout the relevant taxation year a "Canadian-controlled private corporation" (as defined in the Tax Act) or at any time in the relevant taxation year a "substantive CCPC" (as defined in the Tax Act) may be liable for an additional tax (refundable in certain circumstances) in respect of its "aggregate investment income" for the year, which is defined in the Tax Act to include dividends received or deemed to be received in respect of Subordinate Voting Shares, but not dividends or deemed dividends that are deductible in computing the Holder's taxable income.

Dispositions of Subordinate Voting Shares

Upon a disposition or deemed disposition of Subordinate Voting Shares (other than to the Company unless purchased by the Company in the open market in the manner in which shares are normally purchased by any member of the public in the open market), a capital gain (or loss) will generally be realized by a Holder to the extent that the proceeds of disposition are greater (or less) than the aggregate of the adjusted cost base of the Subordinate Voting Shares to the Holder immediately before the disposition and any reasonable costs of disposition. The adjusted cost base of a Subordinate Voting Share to a Holder will be determined in accordance with certain rules in the Tax Act by averaging the cost to the Holder of a Subordinate Voting Share with the adjusted cost base of all other Subordinate Voting Shares held by the Holder and by making certain other adjustments required under the Tax Act. The Holder's cost for purposes of the Tax Act of Subordinate Voting Shares will include all amounts paid or payable by the Holder for the Subordinate Voting Shares, subject to certain adjustments under the Tax Act. The treatment of capital gains and capital losses is discussed below under "*Taxation of Capital Gains and Capital Losses*".

Taxation of Capital Gains and Capital Losses

Generally, one-half of any capital gain (a "**taxable capital gain**") realized by a Holder in a taxation year must be included in a Holder's income for that taxation year. One-half of any capital loss (an "**allowable capital loss**") realized by a Holder in a taxation year will generally be deductible by a Holder against taxable capital gains realized in that taxation year and allowable capital losses in excess of taxable capital gains for the taxation year may be carried back and deducted in any of the three preceding taxation years or in

any subsequent taxation year (against net taxable capital gains realized in such taxation years) to the extent and under the circumstances described in the Tax Act.

If the Holder is a corporation, any capital loss realized on the disposition of Subordinate Voting Shares may in certain circumstances be reduced by the amount of any dividends, including deemed dividends, which have been received by the Holder on such shares. Analogous rules apply to a partnership or certain trusts of which a corporation, trust or partnership is a member or beneficiary. A Holder that is throughout the relevant taxation year a “Canadian-controlled private corporation” (as defined in the Tax Act) or at any time in the relevant taxation year a “substantive CCPC” (as defined in the Tax Act) may be liable for an additional tax (refundable in certain circumstances) in respect of its “aggregate investment income” for the year, which is defined in the Tax Act to include an amount in respect of taxable capital gains. Such Holders should consult their own tax advisors.

ELIGIBILITY FOR INVESTMENT

In the opinion of Osler, Hoskin & Harcourt LLP, our counsel, and Blake, Cassels & Graydon LLP, counsel to the Underwriters, based on the current provisions of the Tax Act as of the date hereof, provided that the Subordinate Voting Shares are listed on a “designated stock exchange”, as defined in the Tax Act (which currently includes the TSX), the Subordinate Voting Shares if acquired on the date hereof, would be qualified investments under the Tax Act for a trust governed by a “registered retirement savings plan” (“**RRSP**”), “deferred profit sharing plan”, “registered retirement income fund” (“**RRIF**”), “registered education savings plan” (“**RESP**”), “registered disability savings plan” (“**RDSP**”), “tax-free savings account” (“**TFSA**”) and “first home savings account” (“**FHSA**”), each as defined in the Tax Act.

Notwithstanding that Subordinate Voting Shares may be qualified investments for a trust governed by a RRSP, RRIF, RESP, RDSP, TFSA or FHSA, the holder of such RDSP, TFSA or FHSA, annuitant under such RRSP or RRIF, or subscriber under such RESP, as the case may be, will be subject to a penalty tax under the Tax Act in respect of the Subordinate Voting Shares if such Subordinate Voting Shares are a “prohibited investment” and not “excluded property” for the RRSP, RRIF, RESP, RDSP, TFSA or FHSA for purposes of the Tax Act. Subordinate Voting Shares will generally be a “prohibited investment” if the holder of a RDSP, TFSA or FHSA, annuitant under a RRSP or RRIF, or subscriber under a RESP, as the case may be, (i) does not deal at arm’s length with us for purposes of the Tax Act or (ii) has a “significant interest” (within the meaning of the Tax Act for the purposes of the prohibited investment rules) in us. Generally, a holder, annuitant or subscriber, as the case may be, will not have a significant interest in us provided the holder, annuitant or subscriber, together with persons with whom the holder, annuitant or subscriber does not deal at arm’s length, does not own (and is not deemed to own pursuant to the Tax Act), directly or indirectly, 10% or more of the issued shares of any class of our capital stock or of any other corporation that is related to us (for purposes of the Tax Act).

Individuals who hold or intend to hold Subordinate Voting Shares in a RRSP, RRIF, RESP, RDSP, TFSA or FHSA should consult their own tax advisors as to whether such securities will be a “prohibited investment” in their particular circumstances, including with respect to whether the Subordinate Voting Shares would be “excluded property” in their particular circumstances.

LEGAL MATTERS

The matters referred to under “Eligibility for Investment” and “Certain Canadian Federal Income Tax Considerations”, as well as certain other legal matters relating to the issue and sale of the Subordinate Voting Shares, will be passed upon on our behalf by Osler, Hoskin & Harcourt LLP and on behalf of the Underwriters by Blake, Cassels & Graydon LLP. As at the date of this short form prospectus, the partners and associates of each of Osler, Hoskin & Harcourt LLP and Blake, Cassels & Graydon LLP beneficially own, directly and indirectly, less than 1.0% of our issued and outstanding securities or securities of our affiliates or associates.

PURCHASERS' STATUTORY RIGHTS OF WITHDRAWAL AND RESCISSION

Securities legislation in certain of the provinces and territories of Canada provides purchasers with the right to withdraw from an agreement to purchase securities. This right may be exercised within two business days after the later of: (a) the date that the issuer (i) filed the prospectus or any amendment on SEDAR+ and a receipt is issued and posted for the document, and (ii) issued and filed a news release on SEDAR+ announcing that the document is accessible through SEDAR+, and (b) the date that the purchaser or subscriber has entered into an agreement to purchase the securities or a contract to purchase or a subscription for the securities. In several of the provinces and territories of Canada, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limits prescribed by the securities legislation of the purchaser's province or territory.
