Statements Regarding Forward Looking Information

Certain portions of this press release as well as other public statements by Olympia contain "forward-looking information" within the meaning of applicable Canadian securities legislation, which is also referred to as "forward-looking statements", which may not be based on historical fact. Wherever possible, words such as "will", "plans," "expects," "targets," "continue", "estimates," "scheduled," "anticipates," "believes," "intends," "may," and similar expressions or statements that certain actions, events or results "may," "could," "would," "might" or "will" be taken, occur or be achieved, have been used to identify forward-looking information. Forward-looking statements contained in Olympia's public

disclosure include, without limitation, Olympia's earnings expectations, fee income, expense levels, general economic, political and market factors in North America and internationally, interest and foreign exchange rates, global equity and capital markets, business competition, technological change, changes in government regulations, unexpected judicial or regulatory proceedings, catastrophic events, and Olympia's ability to complete strategic transactions and other factors. In addition, this news release contains forward-looking statements relating to Mr. Lanzl's continued share ownership in Olympia.

All material assumptions used in making forward-looking statements are based on management's knowledge of current business conditions and expectations of future business conditions and trends, including their knowledge of the current interest rate and liquidity conditions affecting Olympia and the Canadian economy. Certain material factors or assumptions are applied by Olympia in making forward-looking statements, including without limitation, factors and assumptions regarding interest and foreign exchange rates, availability of key personnel, the effect of competition, government regulation of its business, computer failure or security breaches, future capital requirements, acceptance of its products in the marketplace, its operating cost structure, the current tax regime and the ability of Olympia to obtain necessary third-party and governmental approvals, as applicable.
