

Olympia Financial Group Inc. Announces Third Quarter 2025 Results

Calgary, Alberta--(Newsfile Corp. - November 13, 2025) - Olympia Financial Group Inc. (TSX: OLY) ("Olympia") today announces its operating and financial results for the three months ended September 30, 2025.

Results from operations for the three months ended September 30, 2025, include the following (compared to operations for the three months ended September 30, 2024):

- Total net earnings and comprehensive income decreased 26% to \$4.63 million from \$6.28 million.
- Total revenue decreased 6% to \$23.80 million from \$25.19 million.
- Service revenue increased 5% to \$12.11 million from \$11.50 million mainly due to an increase in monthly and transaction fees related to account growth within the IAS division.
- Trust, interest, and other income decreased 15% to \$11.70 million from \$13.69 million mainly due to a decrease in interest rates on trust fund placements made over the previous 12 months.
- Total expenses increased 2% to \$17.53 million from \$17.25 million mainly due to an increase in computer support and maintenance costs within administrative expenses.
- Basic and diluted earnings per share attributable to shareholders of Olympia decreased 26% to \$1.93 per share from \$2.61 per share.

The unaudited condensed interim financial statements and notes, as well as management's discussion and analysis, are now available on SEDAR+ (www.sedarplus.ca). Both historical and current information on Olympia's stock, financials, press releases, governance, and more can now be found at ir.olympiafinancial.com.

About Olympia Financial Group Inc.

Olympia conducts most of its operations through its subsidiary Olympia Trust Company, a non-deposit taking trust company. Olympia Trust Company is licensed to conduct trust activities in Alberta, British Columbia, Saskatchewan, Manitoba, Quebec, Newfoundland and Labrador, Prince Edward Island, New Brunswick, and Nova Scotia. Olympia Trust Company administers self-directed registered plan accounts, corporate trust, and transfer agency services. Statements Regarding Forward-Looking Information

Certain portions of this press release as well as other public statements by Olympia contain "forward-looking information" within the meaning of applicable Canadian securities legislation, which is also referred to as "forward-looking statements", which may not be based on historical fact. Wherever possible, words such as "will", "plans," "expects," "targets," "continue", "estimates," "scheduled," "anticipates," "believes," "intends," "may," and similar expressions or statements that certain actions, events or results "may," "could," "would," "might" or "will" be taken, occur or be achieved, have been used to identify forward-looking information. Forward-looking statements contained in Olympia's public disclosure include, without limitation, Olympia's earnings expectations, fee income, expense levels, general economic, political and market factors in North America and internationally, interest and foreign exchange rates, global equity and capital markets, business competition, technological change, changes in government regulations, unexpected judicial or regulatory proceedings, catastrophic events, and Olympia's ability to complete strategic transactions and other factors. In addition, this news release contains forward-looking statements relating to the monthly dividend payments to holders of Olympia common shares.

All material assumptions used in making forward-looking statements are based on management's knowledge of current business conditions and expectations of future business conditions and trends, including their knowledge of the current interest rate and liquidity conditions affecting Olympia and the Canadian economy. Certain material factors or assumptions are applied by Olympia in making forward-looking statements, including without limitation, factors and assumptions regarding interest and foreign exchange rates, availability of key personnel, the effect of competition, government regulation of its business, computer failure or security breaches, future capital requirements, acceptance of its products in the marketplace, its operating cost structure, the current tax regime and the ability of Olympia to obtain necessary third-party and governmental approvals, as applicable.
