### 1. BASIS OF PREPARATION AND SIGNIFICANT EVENT DURING THE CURRENT PERIOD - continued

#### 1.2 *Significant event during the current period* - continued

##### Going concern assessment

The Group recorded a net loss of US\$5 million and US\$31 million for the three and six months ended June 30, 2024, notwithstanding that the net operating cash inflows amounted to US\$81 million and US\$88 million for the three and six months ended June 30, 2024 and as at June 30, 2024, the Group's current assets exceeded current liabilities by approximately US\$207 million.

Taking into account the Group's cash flow projection having factored in the effects of litigations involved by the Group as detailed in note 20, the Group's existing borrowings and entrusted loan payable, its future capital expenditure and installment payments arising from the mining right of Jiama Mine as detailed in this note below, the directors of the Company consider that the Group has sufficient working capital to meet in full its financial obligations as they fall due for at least next twelve months from the end of the reporting period and accordingly, the condensed consolidated financial statements have been prepared on a going concern basis.

##### Provision of the payment arising from the mining right

On July 24, 2024, pursuant to the Notice on Issuing the Measures for the Collection of the Income from the Transfer of Mineral Rights (Caizong (2023) No. 10) issued by the Ministry of Finance, the Ministry of Natural Resources and the State Taxation Administration, effective on May 1, 2023 and the relevant administrative measures Tibet Autonomous Region (Zangcaishui (2023) No.26), effective on December 27, 2023 (together referred as the "Notice"), Tibet Huatailong Mining Development Co., Ltd. ("Huatailong"), a subsidiary of the Company, entered into an agreement with the Department of Natural Resources of Tibet Autonomous Region ("Tibet Natural Resources Dept") in relation to the extension of mining right in Jiama Mine with a period of 20 years which will expire in October 2043, and agreed to make payments arising from its mining right in Jiama Mine amounting to RMB368 million by instalments in six years to the PRC government as compensation fees for using the stated-owned natural resources in the PRC for the period starting from July 1, 2017 to April 30, 2023 ("July 2017 to April 2023 Payment"). In addition, according to the agreement, Huatailong is required to make annual payments arising from its mining right in Jiama Mine based on the invoiced revenue multiply appropriate yield on the ore mined starting from May 1, 2023. Any excess payment or deficiency to be refunded or repaid is subject to the specific regulations on sales revenue to be introduced subsequently.

In view of the complexity in determining the July 2017 to April 2023 Payment pursuant to the Notice, the Group has made an assessment that the July 2017 to April 2023 Payment was agreed subsequent to the end of the reporting period and is subject to the PRC government's final assessment together with the specific regulations on sales revenue to be introduced subsequently, and accordingly, no provision for July 2017 to April 2023 Payment was recognised as at June 30, 2024 and the Group determined to recognise the July 2017 to April 2023 Payment in subsequent period. On August 9, 2024, the Group has made the first payment amounting to RMB61 million subsequent to the end of the reporting period.

1. BASIS OF PREPARATION AND SIGNIFICANT EVENT DURING THE CURRENT PERIOD - continued

1.2 *Significant event during the current period* - continued

Provision of the payment arising from the mining right - continued

Nevertheless no provision was made for the July 2017 to April 2023 Payment, regarding the annual payments arising from its mining right starting from May 1, 2023, based on the communication with the Tibet Natural Resources Dept and the available information to the Group, the Group has made its best estimates and calculated the amount by using the revenue multiply appropriate yield on the ore mined as listed in the appendix of the Notice as at June 30, 2024. Accordingly, during the six months ended June 30, 2024, the Group recognised RMB15 million (equivalent to US\$2,127,000) as cost of sales in relation to provision for the payment arising from the mining right for the period starting from May 1, 2023 to June 30, 2024 and the corresponding liabilities of RMB15 million (equivalent to US\$2,120,000) is presented under "accounts and other payables and accrued expenses" as at June 30, 2024.

2. ACCOUNTING POLICIES AND APPLICATION OF AMENDMENTS TO INTERNATIONAL FINANCIAL REPORTING STANDARDS ("IFRSs")

The condensed consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments, which are measured at fair values.

Other than application of accounting policy as below which became relevant to the Group in the current interim period, the accounting policies and methods of computation used in the condensed consolidated financial statements for the six months ended June 30, 2024 are the same as those presented in the Group's annual financial statements for the year ended December 31, 2023.

*Variable payments for acquiring mining rights that are not part of a business combination*

Variable payments that are dependent on the Group's future activity (including payments based on sales, revenues or outputs produced) are recognised in profit or loss in the period in which they arise.

In the current interim period, the Group has applied the following amendments to IFRSs issued by IASB, which are mandatorily effective for the Group's annual period beginning on January 1, 2024 for the preparation of the Group's condensed consolidated financial statements:

Amendments to IFRS 16	Lease Liability in a Sale and Leaseback
Amendments to IAS 1	Classification of Liabilities as Current or Non-current
Amendments to IAS 1	Non-current Liabilities with Covenants

The application of the amendments to IFRSs in the current interim period has had no material impact on the Group's financial positions and performance for the current and prior periods and/or on the disclosures set out in these condensed consolidated financial statements.

20. CONTINGENCIES

Except as described below, there has been no significant update of the contingencies as detailed in the Group's annual financial statements for the year ended December 31, 2023.

**(i) Litigation with Huaxin Construction Group Co., Ltd. ("Huaxin") and Zhongxinfang**

*(a) Litigations with Huaxin and Zhongxinfang for the construction costs*

Pursuant to the final instance adjudication dated June 5, 2023 (the "June 2023 Huaxin Final Instance Adjudication") on construction contract dispute entered by the High People's Court of Lhasa City, Tibet ("Tibet High Court"), Huatailong recognised additional interest charge on the unsettled litigation compensation to Huaxin of US\$694,000 during the six months ended June 30, 2024 (six months ended June 30, 2023: litigation compensation and related interest charge of US\$21,614,000). Accordingly, Huatailong recognised RMB167 million (equivalent to US\$23,378,000) as payable for litigation compensation which is presented under "accounts and other payables and accrued expenses" as at June 30, 2024 (December 31, 2023: RMB159 million (equivalent to US\$22,828,000)).

As at June 30, 2024 and up to the date these condensed consolidated financial statements are authorised for issue, the payable to Huaxin amounting to US\$23,378,000 is not settled by Huatailong and Huatailong is actively seeking other measures to protest against the June 2023 Huaxin Final Instance Adjudication and is not yet come up with a result.

20. CONTINGENCIES - continued

(i) **Litigation with Huaxin and Zhongxinfang** - continued

- (b) *Litigations with Zhongxinfang for the delivery of a block of the buildings and twenty car parks (the "New Premises") and recovery of all related tax exposures including but not limited to land appreciation tax, EIT and other surcharge (the "Tax and Other Surcharge") related to the land exchange whereby the Group agreed to transfer the land use right for the development of a composite project and Zhongxinfang agreed to compensate the Group by the New Premises*

As at June 30, 2024 and up to the date these condensed consolidated financial statements are authorised for issue, the composite project is still suspended due to litigations against Zhongxinfang and the New Premises are still not delivered to Huatailong. Based on legal advice, the enforcement of the adjudication that Zhongxinfang should pay penalty of RMB9 million to Huatailong that was applied by Huatailong in March 2023 is currently under proceeding and the result is not ascertain as at the date these condensed consolidated financial statements are authorised for issue.

Based on Group's assessment on the status of the New Premises and taking into account the valuation of the New Premises, no impairment loss (for the six months ended June 30, 2023: nil) has been made during the six months ended June 30, 2024 and the carrying amount of the other non-current assets are RMB111,924,000 (equivalent to US\$15,705,000) as at June 30, 2024 (December 31, 2023: RMB111,924,000 (equivalent to US\$15,802,000)).

Based on the best available information to the Group and the credit risk assessment of Zhongxinfang as of June 30, 2024, no additional expected credit loss (for the six months ended June 30, 2023: nil) for the Tax and Other Surcharge from Zhongxinfang are recognised during the six months ended June 30, 2024, and the accumulated allowance for credit losses is RMB22,827,000 (equivalent to US\$3,203,000) as of June 30, 2024 (December 31, 2023: RMB22,827,000 (equivalent to US\$3,223,000)).

(ii) **Litigation with an independent supplier of Huatailong**

During the period from February 28 to March 2, 2024, the Tibet High Court has held a trial on the dispute between Huatailong and an independent supplier of Huatailong for the loss of work stoppage and slowdown resulting from the suspension of Jiama Mine's south pit and on April 10, 2024, the Tibet High Court rescinded the first instance adjudication dated November 27, 2023 by the Intermediate People's Court of Lhasa City, Tibet ("Tibet Intermediate Court") and remand the case to the Tibet Intermediate Court for retrial.

The Tibet Intermediate Court held the retrial for thrice on June 11, 2024, June 21, 2024 and July 19, 2024, while both sides are questioning the evidences disclosed during the trial process and now are preparing for the fourth trail to be held. As at June 30, 2024 and up to the date these condensed consolidated financial statements are authorised for issue, the outcome of this legal proceeding was yet to be finalised, the Group concludes that it is not probable that an outflow of economic benefits will be required by taking into account the legal advice. Accordingly, no provision is made in the condensed consolidated financial statements in regard to this litigation as of June 30, 2024 (December 31, 2023: nil).
