

ISS Recommends New Gold Shareholders Vote “FOR” the Plan of Arrangement with Coeur Mining

New Gold’s Board of Directors Unanimously Recommends that Shareholders Vote “FOR” the Transaction

January 13, 2026 – New Gold Inc. (“New Gold” or the “Company”) (TSX and NYSE American: NGD) is pleased to announce that leading independent proxy advisory firm, Institutional Shareholder Services Inc. (“ISS”) has recommended that New Gold shareholders vote “FOR” the previously announced plan of arrangement under the *Business Corporations Act* (British Columbia), pursuant to which a wholly-owned subsidiary of Coeur Mining, Inc. (“Coeur”) (NYSE: CDE) will acquire all of the issued and outstanding common shares of New Gold (the “Transaction”), to be approved at the upcoming special meeting of New Gold shareholders to be held on Tuesday, January 27, 2026 at 11:00 a.m. (Eastern Time) (the “Meeting”).

Under the terms of the Transaction, New Gold shareholders will receive 0.4959 shares of Coeur common stock for each New Gold common share held. Immediately following completion of the Transaction, existing shareholders of Coeur and New Gold will own approximately 62% and 38% of the combined company, respectively. In their assessment of the Transaction, ISS stated:

“Vote FOR this resolution. The arrangement appears strategically sound, as the combined company is expected to benefit from operational synergies, a stronger balance sheet, and improved liquidity. Furthermore, the implied per-share consideration has increased since the unaffected date, and there is no evidence to suggest the valuation lacks credibility.”

ISS has also recommended that Coeur Mining shareholders vote “FOR” both Coeur proposals related to the previously announced plan of arrangement.

New Gold’s Board of Directors unanimously recommends that New Gold shareholders vote their common shares “FOR” the Transaction.
