OCEANAGOLD COMPLETES C\$150 MILLION BOUGHT DEAL FINANCING

(BRISBANE) OceanaGold Corporation (TSX: OGC) (ASX: OGC) (the "Company") announces that it has today closed its previously announced bought deal equity financing. The Company has issued 73,000,000 common shares (the "Offered Shares") at a price of C\$2.06 per Offered Share (the "Offering Price") for aggregate gross proceeds of C\$150,380,000 (the "Offering").

The Offering was co-led by Scotiabank and BMO Capital Markets, and included Citigroup Global Markets Canada Inc., Raymond James Ltd., National Bank Financial Inc., Cormark Securities Inc., Stifel GMP, Canaccord Genuity Corp. and CIBC World Markets Inc. The Offered Shares were offered by way of a short-form prospectus in each of the provinces of Canada, except Québec.

The Company has also granted the Underwriters the option, exercisable in whole or in part from time to time until and including 30 days following today, to purchase up to an additional 10,950,000 common shares (representing an additional 15% of the Offered Shares) at the Offering Price and on the same terms and conditions as the Offered Shares to cover over-allotments, if any, and for market stabilization purposes.

The Offered Shares have been listed on the Toronto Stock Exchange.

The Company intends to use the net proceeds of the Offering to fund organic growth projects including the Haile underground development, ongoing exploration and development of the Company's mineral properties in New Zealand, as well as for working capital and for general corporate purposes.
