The Acquiror and its affiliates or any joint actors, from time to time, may acquire additional shares and/or other equity, debt or other securities or instruments (collectively, "**Securities**") of the Issuer in the open market or otherwise, and reserves the right to dispose of any or all of its Securities in the open market or otherwise at any time and from time to time, and to engage in similar transactions with respect to the Securities, the whole depending on market conditions, the business and prospects of the Issuer and other relevant factors.

- ii. **Nomination Right:** The Acquiror shall have, provided that it, together with its affiliates, beneficially owns, directly or indirectly, at least 10% of the outstanding common shares (on a non-diluted basis as determined on the date on which the Issuer meeting notice is delivered to the Acquiror), the right to nominate for election to the board, on an annual basis, one (1) nominee for election or appointment to the board, and, if the size of the board is not less than six (6) directors, the Acquiror shall be entitled to designate an additional nominee for election or appointment to the board.
