Item 4. Summary of Material Change

On February 5, 2026, the Company announced that Union #2 at the Mantoverde Mine in Chile has ratified a new 3-year collective bargaining agreement, ending the strike initiated on January 2, 2026.

Item 5. Full Description of Material Change

5.1 Full Description of Material Change

On February 5, 2026, the Company announced that Union #2 at the Mantoverde Mine in Chile has ratified a new 3-year collective bargaining agreement, ending the strike initiated on January 2. Capstone’s priority is to safely and efficiently return to full operations at Mantoverde, which operated at approximately 55% of normal production levels during the strike.

Following an agreement with Union #2, Mantoverde has now successfully negotiated new three-year collective bargaining agreements with all four unions and will continue its focus on safe and responsible mining which brings great benefits to the workforce and surrounding communities.

5.2 Disclosure for Restructuring Transactions
