The accompanying Information Circular provides information relating to the matters to be addressed at the Meeting and is incorporated into and forms part of this Notice.

A shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxyholder to attend and vote in his or her stead. Please read the notes accompanying the form of proxy enclosed herewith and then complete and return the proxy within the time set out in the notes. The enclosed form of proxy is solicited by management but, as set out in the notes, you may amend it if you so desire by striking out the names listed therein and inserting in the space provided the name of the person you wish to represent you at the Meeting.

Accessing Meeting Materials

The Company has elected to use the notice-and-access provisions (the “**Notice and Access**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations* for the Meeting. Notice and access provisions allow reporting issuers to post electronic versions of proxy-related materials on SEDAR+ and a non-SEDAR+ website, rather than delivering the materials by mail. The use of Notice and Access provisions reduces paper waste and mailing costs to the Company. For the Company to employ Notice and Access provisions, it must send a notice to shareholders indicating that the proxy-related materials have been posted electronically and explaining how a shareholder can access them or obtain a paper copy of those materials from the Company. The required elements of such notice have been provided in this Notice.

The Meeting materials, including this Information Circular, are available under the Company’s profile on SEDAR+ at www.sedarplus.ca and on the Company’s website at <https://www.artemisgoldinc.com/investors/agm-materials/> and will remain on the website for at least one full year from the date that the Meeting materials are posted on SEDAR+.

To obtain a printed paper copy of the Information Circular, please contact the Company at 1-888-955-9362 (toll-free Canada/U.S.), 604-558-1107 (local or outside Canada/U.S.) or info@artemisgoldinc.com. The Company will, upon request, mail a paper copy of the Information Circular at no cost within three business days following receipt of such request, if received before the Meeting and within ten calendar days following receipt of such request, if received after the Meeting.

For additional information about Notice and Access provisions, shareholders may contact the Company’s transfer agent, Computershare, at <http://www.computershare.com/noticeandaccess> or 1-866-964-0492 (toll-free).

The Company will not use stratification procedures in its use of Notice and Access provisions in relation to the Meeting. “Stratification” occurs when a reporting issuer using Notice and Access provisions provides a paper copy of the relevant Information Circular to some, but not all, shareholders with the notice package regarding the relevant meeting. In relation to the Meeting, registered shareholders will receive a paper copy of each of the Notice of the Meeting and a form of proxy, whereas non-registered will receive a paper copy of the Notice of the Meeting and a Voting Instruction Form.

Forms of Proxy and Voting Instruction Forms (VIFs)

Registered shareholders have received a form of proxy with this Notice. The deadline for submitting a form of proxy is 11:00 a.m. Vancouver time on July 30, 2024. Please complete, date and sign the form of proxy and deliver it before that deadline in accordance with the instructions set out in the form of proxy and in the Circular. Non-registered shareholders have received a

voting instruction form with this Notice. The deadline for returning voting instruction forms is specified in the form itself. Voting instruction forms, whether provided by the Company or an intermediary, should be completed and returned in accordance with the specific instructions, and by the deadline specified, in the form. Please ensure you carefully follow the instructions set out in the voting instruction form, including those specifying where and when the form is to be returned.

Please review the Information Circular before completing your form of proxy or voting instruction form, as the Information Circular contains additional information about each matter to be voted on at the Meeting.

All costs of this solicitation shall be borne by the Company.

APPOINTMENT OF PROXYHOLDERS

A shareholder entitled to vote at the Meeting may, by means of a Proxy, appoint a proxyholder or one or more alternate proxyholders, who need not be shareholders, to attend and act at the Meeting for the shareholder on the shareholder's behalf. Submitting a Proxy by mail or fax are the only methods by which a shareholder may appoint a person as Proxy other than a director or officer of the Company named on the form of Proxy.

The individuals named in the accompanying form of Proxy, Gerrie van der Westhuizen and Steven Dean, are directors and/or officers of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.** Such a shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as Proxy and instruct him or her on how the shareholder's Shares are to be voted. In any case, the form of Proxy should be dated and executed by the shareholder or his/her attorney authorized in writing, or if the shareholder is a corporation, under its corporate seal, or by an officer or attorney thereof duly authorized.

PROXY INSTRUCTIONS

If you are voting by proxy, you may vote by phone, by mail or on the internet.

Only shareholders whose names appear on the records of the Company as the registered holders of Shares as at record date or duly appointed proxyholders are permitted to vote at the Meeting. Registered shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Completed forms of Proxy must be deposited with the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**"), by mail or courier, to Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, or via the internet at www.investorvote.com, no later than 11:00 a.m. Vancouver time on July 30, 2024, being 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting or the adjournment thereof at which the Proxy is to be used, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Voting by Telephone

You may vote your Shares by telephone by dialing the following toll-free number from a touch-tone telephone: 1-866-732-8683. If you vote by telephone, you will need your control number, which appears at the bottom of the first page of your proxy form. If you vote by telephone, you cannot appoint anyone other than the designated management proxyholders named on your proxy form as your proxyholder.

Voting by Mail

Complete your proxy form, including the section on declaration of residency, sign and date it, and send it to Computershare in the envelope provided.

If you did not receive a return envelope, please send the completed form to:

Voting on the Internet

Go to www.investorvote.com/Login and follow the instructions on the screen. If you vote using the internet, you will need your control number, which appears at the bottom of the first page of your proxy form.

Voting by Meeting Teleconference

During the Meeting voting will be available for those registered shareholders or proxy holders who have not yet submitted a vote. Following the pre-registration process as described elsewhere in this Information Circular, voting may be conducted using your touchtone telephone keypad. Please ensure that dual-tone multi-frequency (or DTMF) tones are activated on your phone. The conference operator will provide instructions to press certain keys to indicate the position you wish to take on each motion.

REVOCABILITY OF PROXIES

In addition to revocation in any other manner permitted by law, a shareholder who has given a Proxy may revoke it by either executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the shareholder or the shareholder's authorized attorney in writing; or, if the shareholder is a company, under its corporate seal by an officer or attorney duly authorized; and by depositing the Proxy bearing a later date with Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, that precedes any reconvening thereof, or to the chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law. In addition, a Proxy may be revoked by the shareholder personally attending the Meeting and voting the shareholder's Shares. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Only registered shareholders have the right to revoke a Proxy. Non-registered shareholders wishing to change their vote should contact their agent and/or intermediary.

EXERCISE OF DISCRETION

On a poll, the nominees named in the accompanying form of Proxy will vote or withhold from voting the Shares represented thereby in accordance with the instructions of the shareholder on any ballot that may be called for. If a shareholder specifies a choice with respect to any matter to be acted upon, such shareholder's Shares will be voted accordingly. **The Proxy will confer discretionary authority on the nominees named therein with respect to each matter or group of matters identified therein for which a choice is not specified any amendment to or variation of any matter identified therein and any other matter that properly comes before the Meeting.**

If a shareholder does not specify a choice in the Proxy and the shareholder has appointed one of the management nominees named in the accompanying form of Proxy, the management nominee will vote Shares represented by the Proxy in favour of the matters specified in the notice of meeting (the "Notice") and in favour of all other matters proposed by management at the Meeting.

As of the date of this Information Circular, management of the Company knows of no amendment, variation or other matter that may come before the Meeting but, if any amendment, variation or other matter properly comes before the Meeting, each nominee in the accompanying form of Proxy intends to vote thereon in accordance with the nominee's best judgment.

ADVICE TO BENEFICIAL (NON-REGISTERED) SHAREHOLDERS

This Information Circular is being sent to both registered and non-registered shareholders. The information set forth in this section is of significant importance to many shareholders of the Company, as a substantial number of shareholders do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular, collectively, as "**Beneficial Shareholders**") should note that only Proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited; and which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person.

These securityholder materials are being sent to both registered and non-registered owners of the Shares. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The voting instruction form supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares its own voting instruction forms, mails those forms to the Beneficial Shareholders and requests the Beneficial Shareholders to return the voting instruction form to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Shares directly at the Meeting. That voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have those Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares.

Under NI 54-101, Beneficial Shareholders who have not objected to their nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOs**").

The Company is sending the Proxy-related materials for the Meeting directly to NOBOs as defined under NI 54-101. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you (instead of through a nominee), your name and address and information about your NOBO holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the nominee(s) holding on your behalf. Please return your voting instructions as specified in the request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Shares are voted at the Meeting. The Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101, the

proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

NOTICE-AND-ACCESS

The Company is sending this Information Circular to registered shareholders and Beneficial Shareholders using the notice-and-access ("**Notice and Access**") provisions described in NI 54-101 and *National Instrument 51-102 - Continuous Disclosure Obligations*. Notice and Access provisions allow reporting issuers to post electronic versions of proxy-related materials on SEDAR+ and a non-SEDAR+ website, rather than delivering the materials by mail. The use of Notice and Access provisions reduces paper waste and mailing costs to the Company. For the Company to employ Notice and Access provisions, it must send a notice to shareholders indicating that the proxy-related materials have been posted electronically and explaining how a shareholder can access them or obtain a paper copy of those materials from the Company. The required elements of such notice have been provided in the Notice of Meeting that accompanies this Information Circular.

The Meeting materials, including this Information Circular, are available under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at <https://www.artemisgoldinc.com/investors/agm-materials/> and will remain on the website for at least one full year from the date that the Meeting materials are posted on SEDAR+.

To obtain additional information about Notice and Access provisions, shareholders may contact the Company's transfer agent, Computershare, at www.computershare.com/noticeandaccess or 1-866-964-0492 (toll-free).

The Company will not use stratification procedures in its use of Notice and Access provisions in relation to the Meeting. "Stratification" occurs when a reporting issuer using Notice and Access provisions provides a paper copy of the relevant Information Circular to some, but not all, shareholders with the notice package regarding the relevant meeting. In relation to the Meeting, registered shareholders will receive a paper copy of each of the Notice of the Meeting and a form of proxy, whereas non-registered will receive a paper copy of the Notice of the Meeting and a Voting Instruction Form. To obtain a printed paper copy of the Information Circular, please contact the Company at 1-888-955-9362 (toll-free Canada/U.S.), 604-558-1107 (local or outside Canada/U.S.) or info@artemisgoldinc.com. The Company will, upon request, mail a paper copy of the Information Circular at no cost within three business days following receipt of such request, if received before the Meeting and within ten calendar days following receipt of such request, if received after the Meeting.

RECORD DATE AND VOTING SECURITIES

The Company has set 5:00 p.m. (Vancouver time), being the close of business, on June 12, 2024 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of and to vote at the Meeting. Only the registered holders of Shares, and Beneficial Shareholders entitled to receive notice pursuant to NI 54-101 through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her Shares and the transferee, upon producing properly endorsed certificates evidencing such Shares or otherwise establishing that he or she owns such Shares, requests by contacting Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, at least 10 calendar days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such Shares at the Meeting.

The Company is authorized to issue an unlimited number of Shares without par value, of which 203,823,168 Shares are issued and outstanding as at the date hereof.

Persons who are registered shareholders of Shares at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Share held.

A copy of the Advance Notice Policy is available on the Company’s website at

<https://www.artemisgoldinc.com/resources/governance/Artemis-Gold-Advance-Notice-Policy.pdf>.

Under the policies of the TSXV, the Omnibus Incentive Plan must be approved on a yearly basis by an ordinary resolution of the shareholders entitled to vote at the Meeting.

STATEMENT OF EXECUTIVE COMPENSATION

For the purpose of this Statement of Executive Compensation:

“NEO” or “named executive officer” means each of the following individuals:

- (a) the CEO of the Company;
- (b) the CFO of the Company;

- (c) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in (a) and (b) above at the end of the most recently completed financial year whose total compensation was more than \$150,000; and

- (d) each individual who would be an NEO under (c) above but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

Based on the foregoing definition, during the last completed financial year of the Company, the NEOs of the Company were Mr. Steven Dean, CEO, Mr. Gerrie van der Westhuizen, CFO and Corporate Secretary, and Mr. Jeremy Langford, President and Chief Operating Officer (“**President and COO**”).

Compensation Discussion and Analysis

The Company’s compensation committee (the “**Compensation Committee**”) has the responsibility to administer the compensation policies related to the NEOs and Directors of the Company. The Compensation Committee shall consist of a minimum of two independent Directors and during the year ended December 31, 2023 was comprised of Mr. Bill Armstrong, Mr. David Black, Ms. Elise Rees and Mr. Dale Andres. Mr. Armstrong retired from the Board and its Committees effective May 8, 2023 and was replaced by Mr. Dale Andres. Following Mr. Armstrong’s retirement, Mr. David Black assumed the role of interim chair of the Compensation Committee during a planned period of transition. Mr. Dale Andres was appointed chair of the Compensation Committee on August 15, 2023 and Mr. David Black ceased the role of interim chair of the Compensation Committee.

NEO compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. Compensation during the year ended December 31, 2023, was comprised of negotiated salary, stock options (the “**Options**”) granted under the Stock Option Plan, restricted share units (“**RSUs**”) and deferred share units (“**DSUs**”) granted under the Share Unit Plan, and cash payments paid under a short-term incentive plan (“**STIP**”) as a reward and incentive for performance. Participation in the Company’s extended group benefits (including health benefits and participation in a Registered Retirement Savings Plan (“**RRSP**”) program) is optional and is designed to be competitive overall with the mining industry and companies of similar size and scope. The Company also provides other perquisites as described under the heading “*Summary Compensation Table*” or as necessary to remain competitive in attracting and retaining talent. During the year ended December 31, 2023, no Options, RSUs or DSUs were granted to NEOs or Directors of the Company under the Omnibus Incentive Plan. The first grants under the Omnibus Incentive Plan occurred in 2024.

The Company annually compares its total compensation package with those of companies considered as suitable benchmark companies, while the Compensation Committee also considers the results of various comparative compensation studies.

Risk Considerations

Executive compensation is comprised of both short-term compensation in the form of a base salary/fee, STIP and participation in the optional extended group benefits, as well as long-term ownership through the grant of Options and RSUs. This structure ensures that a significant portion of executive compensation (Options and RSUs) is both long-term and “at risk” and, accordingly, is directly linked to the achievement of business results and the creation of long-term shareholder value. Furthermore, as STIP, Options and RSUs are “at risk”, the majority of executive compensation is considered “at risk”.

The Board also has the ability to set the vesting periods in each Option agreement. As the benefits of such compensation, if any, are not realized by NEOs and Directors until a significant period of time has passed, the ability of such persons to take inappropriate or excessive risks that are beneficial to their compensation at the expense of the Company and the shareholders is limited. As a result, it is considered unlikely that an NEO or Director would take inappropriate or excessive risks at the expense of the Company or the shareholders that would be beneficial to his/her short-term compensation when his/her long-term compensation might be put at risk from such actions.

Due to the relatively small size of the organization and the Company's current management group, the Board (through its Compensation Committee) is able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board and Board Committee meetings during which financial and other information of the Company is reviewed. The design of the Company's executive compensation has been carefully considered by the Compensation Committee to avoid undue risks and to adopt initiative to manage risk.

Hedging of Economic Risks in the Company's Securities

As part of the Company's Insider Trading Policy adopted on August 25, 2020, Directors, officers and employees of the Company are prohibited from purchasing financial instruments, including for greater certainty prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in the market value of the Company's securities.

Share Ownership Policy

The Board adopted a share ownership policy (the "**Share Ownership Policy**"), in order to enhance alignment of the interests of directors and executives of the Company with its shareholders. Under the terms of the Share Ownership Policy, executives of the Company are required to own shares of the Company having minimum values as follows:

Senior Management

- Chief Executive Officer: Value equal to three times the gross amount of his/her annual base salary at the time of his/her appointment.
- All other Executive Officers: Value equal to two and a half times the gross amount of his/her annual base salary at the time of his/her appointment.
- Vice-Presidents: Value equal to the gross amount of his/her annual base salary at the time of his/her appointment.

Individuals employed as at the original effective date of the Share Ownership Policy, being August 25, 2020 (the "**Effective Date**") are required to achieve the applicable level of share ownership at the date that is five years after joining the Company. Executives hired subsequent to the Effective Date must achieve their minimum share ownership level within five years from the date they are appointed as an executive of the Company.

Non-executive Directors

Non-executive Directors of the Company are required to own common shares of the Company ("**Shares**") having a value equal to five times the gross amount of their annual Director or related committee cash compensation at the time of his/her appointment. Individuals who are Directors as at the Effective Date are required to achieve this level of share ownership at the date which is five years after joining the Board of Directors. Directors appointed subsequent to the Effective Date must achieve this share ownership within five years from the date they are elected or appointed as a Director of the Company.

Attaining compliance levels

Compliance with the share ownership policy is reviewed annually as at December 31st. The following table summarizes the compliance of the NEOs and directors as at December 31, 2023:

Name of NEO or Director	Compliance as at December 31, 2023
Steven Dean – CEO, Chairman and Director	Compliant
Gerrie van der Westhuizen – CFO and Corporate Secretary	n/a – has until January 2026 to meet share ownership requirements for Vice Presidents and until January 2028 to meet share ownership requirements for Executive Officers
Jeremy Langford – President and COO	Compliant

Short Term Incentive Awards

STIP paid to executive management is based on the Compensation Committee’s assessment of the achievement of objectives approved by the Compensation Committee. STIP rewards are based on the achievement of specific Company-wide, business unit, and personal performance goals that are set at the beginning of the year.

STIP awards are payable in cash, and the amount payable is based on the Compensation Committee’s assessment of performance against pre-established objectives and targets, which are tied to both the Company’s performance as well as personal performance objectives tailored to each NEO.

The STIP award determination can be illustrated as follows:

The following table outlines the STIP award target as a percentage of base salary and the relative weighting between delivery against individual performance objectives of each NEO, business unit objectives (which is largely derived from corporate objectives) and corporate objectives for the year ended December 31, 2023.

Name and Position	STIP Target Award as a % of Base Salary	Corporate Performance Objectives weighting	Business Unit Performance Objectives weighting	Individual Performance Objectives weighting
Steven Dean <i>Chairman, CEO and Director</i>	100%	100%	n/a	n/a
Gerrie van der Westhuizen <i>CFO and Corporate Secretary</i>	50%	35%	60%	5%
Jeremy Langford <i>President and COO</i>	75%	35%	60%	5%

The Compensation Committee assessed the performance of the NEOs relative to the respective corporate, business unit, and individual performance objectives for the year. The assessment of the Company's performance evaluated the following:

- overall stock performance of the Company relative to market;
- meeting the Company's safety objectives;
- advancing stakeholder engagement and other Environmental, Social and Governance initiatives;
- obtaining remaining permits and implementing permit compliance processes;
- completing funding requirements to develop Blackwater; and
- commencing construction and maintaining construction schedule and budget for Blackwater.

The Compensation Committee concluded that 99.5% of the Company's corporate performance objectives were successfully achieved.

It should be noted that The Board's Compensation Committee approved the short-term incentives for the year-ended December 31, 2023 as detailed below:

Name and Position	Target STIP Award as a % of Base Salary (%)	Company Performance Weighting (%)	Company Performance Achieved (%)	Business Unit Performance Weighting (%)	Business Unit Performance Achieved (%)	Personal Performance weighting (%)	Personal Performance Achieved (%)	Overall Weighted Score (%)	2023 STIP Award (\$)
Steven Dean <i>Chairman, CEO and Director</i>	100%	100%	99.5%	n/a	n/a	n/a	n/a	99.5%	721,375
Gerrie van der Westhuizen <i>CFO and Corporate Secretary</i>	50%	35%	99.5%	60%	92%	5%	95%	95%	163,487
Jeremy Langford <i>President and COO</i>	75%	35%	99.5%	60%	98%	5%	88%	98%	385,875

Option-Based Awards

The Compensation Committee has the responsibility to administer the compensation policies related to the executive management of the Company, including Option-based awards.

Prior to the approval of the Omnibus Incentive Plan, the Board granted Options to executive officers pursuant to the terms of the Stock Option Plan. The Stock Option Plan provided compensation to participants and an additional incentive to work toward long-term Company performance. See *"Incentive Plan Awards – Option-Based Awards – Stock Option Plan"* for further discussion.

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. The Stock Option Plan has been used to provide share purchase Options which were granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company.

In addition to recommending the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- the recommended exercise price for each option granted;
- the date on which each option is granted;
- the vesting terms for each option; and
- the other material terms and conditions of each option grant.

In determining the number of Options to be granted to the executive officers, the Board takes into account, among other things, the number of Options, if any, previously granted to each executive officer, and the exercise price of any outstanding Options to ensure that such grants are in accordance with the policies of the TSXV and any other applicable exchange and closely align the interests of the executive officers with the interests of shareholders.

Share Unit Awards

Prior to the approval of the Omnibus Incentive Plan, the Compensation Committee administered the Share Unit Plan. Under the Share Unit Plan, cash-settled awards of RSUs and performance share units (“PSUs”) may be made to plan participants, including NEOs, while cash-settled DSUs may be awarded to non-executive directors. All RSUs and DSUs granted under the Share Unit Plan continue to vest in accordance with the underlying grant agreements.

Director Compensation

Non-executive Directors receive a yearly retainer and meeting fees for acting as a Director of the Company. Executives of the Company that serve as Directors do not receive any additional compensation for acting as Directors. On a yearly basis, the Compensation Committee approves the compensation provided to non-executive Directors and any adjustments to compensation that may be required. The review and recommendation are based on overall corporate performance, general trends in Director compensation, stage of the Company and a peer group review.

Particulars of the Omnibus Incentive Plan

A summary of certain provisions of the Omnibus incentive Plan is set out below. The summary is qualified in its entirety by the full text of the Omnibus Incentive Plan.

Eligibility

Any individual employed by the Company, including a Service Provider (as defined in the Omnibus Incentive Plan), who, by the nature of his or her position or job is, in the opinion of the Board, in a position to contribute to the success of the Company is eligible to receive grants of options, RSUs or PSUs, non-executive directors are eligible to receive DSUs (collectively, “**Grants**”).

Shares Subject to the Omnibus Incentive Plan

The aggregate number of Shares that may be issued pursuant to Grants made under the Omnibus Incentive Plan together with all other security-based compensation arrangements of the Company, shall be a number equal to 10% of the aggregate number of issued and outstanding Shares from time to time.

For purposes of computing the total number of Shares available for grant under the Omnibus Incentive Plan or any other security-based compensation arrangement of the Company, Shares subject to any Grant (or any portion thereof) that is forfeited, surrendered, cancelled or otherwise terminated, prior to the issuance of such Shares shall again be available for grant under the Omnibus Incentive Plan.

Grants under the Omnibus Incentive Plan

Options issued under the Omnibus Incentive Plan, unless otherwise specified in the underlying grant agreement, shall vest in a manner which the Board determines and may be exercised during a period determined by the Board, which may not exceed ten years. The exercise price for each Share subject to an option will be fixed by the Board but under no circumstances may any exercise price be less than the Discounted Market Price (as defined in the Omnibus Incentive Plan).

Under the Omnibus Incentive Plan, Participants (as defined in the Omnibus Incentive Plan) may be allocated share units in the form of RSUs or PSUs (collectively, “**Share Units**”), which represent the right to receive an equivalent number of Shares, the Market Price, or a combination of both, all as determined by the Board in its sole discretion, subject to applicable withholdings, on the vesting date. The issuance of such Shares may be subject to vesting requirements similar to those described above with respect to the exercisability of options, including such time or performance-based conditions as may be determined from time to time by the Board in its discretion. Unless otherwise specified in the underlying grant agreement, RSUs will vest according to a schedule; however, no Share Units may vest before the date that is one year following the grant date of such Share Units. The Omnibus Incentive Plan provides for the express designation of share units as either RSUs, which have time-based vesting conditions, or PSUs, which have performance-based vesting conditions over a specified period.

Under the Omnibus Incentive Plan, non-executive directors may elect to receive a percentage of their annual remuneration, for the year which the Omnibus Incentive Plan becomes effective in DSUs. The Board may award such number of DSUs to a non-executive director as the Board deems advisable to provide the non-executive director with appropriate equity-based compensation for the services he or she renders to the Corporation. The Board shall determine the date on which such DSUs may be granted along with any terms or conditions with respect to the vesting of such DSUs, provided that no DSU may vest before the date that is one year following the grant date of such DSU. A non-executive director, who redeems DSUs hereunder shall be entitled to receive one Share for each DSU then being settled, a cash payment in an amount equal to the Market Price of the DSU that are being redeemed as of the Entitlement Date (as defined in the Omnibus Incentive Plan) applicable to such DSU, or a combination of Shares and cash, all as determined by the Board in its sole discretion.

The balance of the options and Share Units granted to a Participant in the year that includes the Participant's date of death or Disability that are not Special Prorated Grants shall be forfeited and cancelled as of the Participant's date of death or Disability, as the case may be.

Subject to the terms of the applicable Grant agreement: (a) in the case of a Participant's termination without cause, the Participant's outstanding options that have become vested prior to the Participant's termination shall continue to be exercisable during the 90-day period following the Participant's date of termination, and (b) in the case of a Participant's resignation, the Participant's outstanding options that have become vested prior to the date on which the Participant provides notice to the Company of his or her resignation shall continue to be exercisable during the 90-day period following the Participant's date of resignation.

In the case of a Participant's termination for cause, any and all then outstanding options, whether or not vested, and Share Units, whether vested or unvested, granted to the Participant shall be immediately forfeited and cancelled, without any consideration therefore, as of the commencement of the day that notice of such termination is given, except only as may be required to satisfy the express minimum requirements of applicable employment standards legislation.

Capital Changes, Corporate Transactions and Change of Control

The Omnibus Incentive Plan contains provisions for the equitable treatment of Grants in relation to any capital changes and with regard to a dividend, split, recapitalization, reclassification, amalgamation, arrangement, merger, consolidation, combination or exchange of Shares or distribution of rights to holders of Shares or any other relevant changes to the authorized or issued capital of the Company.

In the event of a Change in Control (for the purposes of this section, as defined in the Omnibus Incentive Plan) prior to the vesting of a Grant, and subject to the terms of a Participant's employment agreement and the applicable Grant agreement, the Board shall have full authority to determine in its sole discretion the effect, if any, of a Change in Control on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to a Grant.

Amendment and Termination of the Omnibus Incentive Plan

The Board may amend, suspend or terminate the Omnibus Incentive Plan, subject to the prior approval, if required, of the shareholders of the Company (including Disinterested Shareholder Approval, if required), the TSXV, and any regulatory authority having authority over the Company. No such amendment, suspension or termination shall adversely alter or impair any outstanding Grant or any rights without the consent of such Participant. If the Omnibus Incentive Plan is suspended or terminated, the provisions of the Omnibus Incentive Plan and any administrative guidelines, rules and regulations relating to the Omnibus Incentive Plan shall continue in effect for the duration of such time as any Grants remains outstanding.

The Board may amend any particular Grant with the consent of the affected Participant and the TSXV, if required, including any shareholder approval required by the TSXV.

Disinterested Shareholder Approval must be obtained for any reduction in the exercise price of an Option, or the extension of the term of an Option, if the optionee is an Insider at the time of the proposed amendment.

B) Option-Based Awards – Stock Option Plan

Subsequent to shareholder approval of the Omnibus Incentive Plan on August 10, 2023, no further Options were granted under the Stock Option Plan.

The purpose of the Stock Option Plan was to give the Board the ability to provide the Company's Directors, officers, employees and management company employees of, or consultants to, the Company and its subsidiaries with the opportunity to participate in the progress of the Company as an incentive mechanism by granting Options to such individuals. The purpose of granting such Options was to assist the Company in attracting, retaining and motivating Directors, officers, employees and management company employees of, or consultants to, the Company and its subsidiaries and to align the personal interests of such individuals with those of shareholders.

A summary of the key features of the Stock Option Plan is set out below. The summary is qualified in its entirety by the full text of the Stock Option Plan.

Eligibility

Pursuant to the Stock Option Plan, Directors, officers, employees, management company employees of, or consultants to, the Company and its subsidiaries (each, an "**Eligible Person**") and Eligible Charitable Organizations (as such term is defined in the Stock Option Plan) are eligible to participate in the Stock Option Plan.

Exercise Price and Term of Options

The exercise price per Share for an Option is determined by the Board, but in no event will be less than the Discounted Market Price (as such term defined in the Stock Option Plan) for the Shares at the date of grant.

The term of any Options granted under the Stock Option Plan will be fixed by the Board and may not exceed ten years. Should an Eligible Person cease to qualify as an Eligible Person under the Stock Option Plan prior to expiry of the term of their respective Options, those Options will terminate at the earlier of (i) the end of the period of time permitted for exercise of the Option or, (ii) 90 days after the Option holder ceases to be an Eligible Person for any reason other than death, disability or just cause. If an Option holder providing Investor Relations Activities (as such term is defined by the policies of the TSXV) ceases to provide such Investor Relations Activities to the Company, Options granted to such Option holder will expire on the 30th day after such cessation. If such cessation as an Eligible Person is on account of disability or death, the Options terminate on the first anniversary of such cessation, and if it is on account of termination of employment for just cause, the Options terminate immediately.

Limits on Option Grants

The Stock Option Plan sets the number of Shares issuable under the Stock Option Plan at a maximum of 10% of the Shares issued and outstanding at the time of any grant under the Stock Option Plan.

The maximum number of Options granted to insiders of the Company as a group at any point in time must not exceed 10% of the total number of issued and outstanding Shares. Additionally, Options to acquire more than 2% of the issued and outstanding Shares may not be granted to any one consultant in any 12-month period and Options to acquire more than an aggregate of 2% of the issued and outstanding Shares may not be granted to persons employed to provide Investor Relations Activities (as such term is defined by the policies of the TSXV) in any 12-month period. Options granted to acquire more than 5% of the

issued and outstanding Shares may not be granted to any one person (including companies wholly-owned by such person) in any 12-month period.

Adjustments, Change of Control and Acceleration of Vesting

The Stock Option Plan also provides for adjustments to outstanding Options in the event of alteration in the capital structure of the Company, a merger or amalgamation involving the Company or the Company's entering into a plan of arrangement. Upon a change of control, all Options outstanding under the Stock Option Plan shall become immediately exercisable.

The Board may, at its discretion at the time of any grant, impose a schedule over which period of time Options will vest and become exercisable by the optionee; however, Options granted to persons performing Investor Relations Activities (as such term is defined by the policies of the TSXV) must vest in stages over a 12-month period with no more than one quarter of the Options vesting in any three month period.

Amendments and Termination of Plan

The Board may terminate, suspend or amend the terms of the Stock Option Plan, provided that for certain amendments, the Board must obtain shareholder approval, and, where required, Disinterested Shareholder Approval (as defined in the Stock Option Plan).

C) Share Unit Plan

Subsequent to shareholder approval of the Omnibus Incentive Plan on August 10, 2023, no further cash-based DSUs, RSUs and PSUs were granted under the Share Unit Plan.

The Share Unit Plan was established as a vehicle by which cash-based DSUs, RSUs, and PSUs (together, "Awards") may be awarded to Participants (as defined in the Share Unit Plan) to encourage their tenure and longevity of employment and to recognize and reward their significant contributions to the long-term success of the Company including to align the Participants interests more closely with the shareholders of the Company.

A summary of the key features of the Share Unit Plan is set out below. The summary is qualified in its entirety by the full text of the Share Unit Plan.

Eligibility

All Participants are eligible to participate in the Share Unit Plan, but eligibility does not confer any right to be granted an Award, which remains in the sole discretion of the Board. Further, the grant of an Award to a Participant shall not entitle such Participant to a future grant of an Award of the same or a different type.

Grants under the Share Unit Plan

Subject to the terms of the Share Unit Plan, the Board, in its discretion, may grant Awards to Participants on terms determined by the Board. Each grant will be evidenced by an Award Agreement (as defined in the Share Unit Plan). Any officer of the Company is authorized, on behalf of the Company, to execute and deliver an Award Agreement to each Participant to whom Awards have been granted. The Board will not grant any Awards (other than DSUs) to Directors of the Company or a Designated Affiliate (as defined in the Share Unit Plan) who are not also employees of the Company or a Designated Affiliate.

Vesting under the Share Unit Plan

DSUs will vest on the terms and conditions set out in the applicable DSU Agreement (as defined in the Share Unit Plan) provided that no DSUs issued pursuant to the Share Unit Plan may vest before the date that is one year following the Date of Grant (as defined in the Share Unit Plan). Following a Participant's DSU Termination Date (as defined in the Share Unit Plan) meaning the date the Participant who holds DSUs ceases to hold any position as an officer, employee, or director of the Corporation or any

of the Designated Affiliates, all vested DSUs will settle on the date that is 30 days following the DSU Termination Date. The Company will pay the amount required to settle the DSUs as soon as practicable but not more than 30 days after the Filing Date (as defined in the Share Unit Plan) by delivering to the Participant an amount in cash equal to the Market Value of the number of Shares equal to the number of DSUs being settled.

The vesting period applicable to an RSU will be as determined by the Board and set out in the applicable RSU Agreement (as defined in the Share Unit Plan) provided that the RSUs may not vest (i) prior to one year following the Date of Grant; and (ii) more than three years after the Date of Grant. The Company will pay the amount required to settle all vested RSUs as soon as practicable but not more than 30 days after the end of the applicable RSU Vesting Date (as defined in the Share Unit Plan), by delivering to the Participant an amount in cash equal to the Market Value of the number of Shares equal to the number of RSUs being settled. Notwithstanding any other section of the Share Unit Plan, all RSUs will be settled and paid within three years following the end of the year in which the Date of Grant occurs.

PSUs will vest on the achievement of the applicable Performance Vesting Conditions (as defined in the Share Unit Plan) at the end of the applicable Performance Period (as defined in the Share Unit Plan), being the period established by the Board for which the achievement of Performance Goals (as defined in the Share Unit Plan) is assessed or determined, as set out in the applicable PSU Agreement (as defined in the Share Unit Plan). The Company will pay the amount required to settle all vested PSUs as soon as practicable but not more than 30 days after the end of the applicable PSU Vesting Date (as defined in the Share Unit Plan), by delivering to the Participant an amount in cash equal to the Market Value of the number of Shares equal to the number of PSUs being settled.

Termination of Grants

Participants or former Participants are not entitled to any current or future Award or any other benefit, payment or right otherwise arising from the Plan following his or her Termination Date (as defined in the Share Unit Plan). No damages or compensation shall be payable to any person in respect of any Award that is not granted, paid, exercised or settled due to a Participant ceasing to actively render services to the Company or a Designated Affiliate for any reason, regardless of whether the Participant's employment is terminated by the Company or a Designated Affiliate, lawfully or unlawfully, or whether the Participant's employment is terminated voluntarily by the Participant or involuntarily, except as otherwise expressly required by applicable employment standards legislation.

If a Participant's employment or office with the Company or a Designated Affiliate is terminated, or if the Participant resigns or retires, then:

- (a) any unvested Awards held by the Participant on the Termination Date will be dealt with in accordance with the terms set out in the applicable Award Agreement, which Award Agreement will provide that unvested Awards either:
 - (i) automatically terminate on the Termination Date and the Participant will cease to have any rights in relation to those Awards; or
 - (ii) automatically vest.
- (b) in the case of any vested Awards held by the Participant on the Termination Date, the Company will settle those Awards as soon as practicable after the Termination Date in accordance with the Share Unit Plan

Capital Changes, Corporate Transactions and Change of Control

If there is any change in the capital of the Company affecting the Shares, including as a result of a stock split or consolidation, combination or exchange of shares, merger, amalgamation, spin-off or other special distribution (other than distributions or cash dividends in the ordinary course) of the Company's assets to shareholders, the Board, in its discretion may make any adjustments it determines to be appropriate to reflect that change (for the purpose of preserving the value of the Awards or the rights of Participants) including to the number of Awards held by the Participants.

In the event that (i) the Company seeks or intends to seek approval from the shareholders of the Company for a transaction which, if completed, would constitute an Acceleration Event (as defined in the Share Unit Plan); or (ii) a person makes a bona fide offer or proposal to the Company or the shareholders of the Corporation which, if accepted or completed, would constitute an Acceleration Event, the Company may send notice to all Participants of such transaction, offer or proposal and the Board may accelerate the expiry date of such Awards and the time for the fulfillment of any conditions or restrictions on such exercise to an earlier date chosen by the Board in its discretion

Amendment and Termination of the Share Unit Plan

The Board may amend, suspend, or terminate the Share Unit Plan and any Award Agreement and outstanding Awards, or any part of the Share Unit Plan or any Award Agreement or Award, at any time and for any purpose, without notice to or prior approval of any person, including the shareholders of the Company, except where required by law, including the rules, regulations and policies of the TSXV.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("**NI 58-101**") was adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. The Board is committed to sound corporate governance practices adopted by the Company, which are both in the interest of its shareholders and contribute to effective and efficient decision making. The following is a summary of the Company's approach to corporate governance.

Composition of the Board and Director Independence

NI 52-110 sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company. Applying the definition set out in NI 52-110, the majority of directors are considered independent of management and have been identified in this Information Circular under the section entitled "*Information concerning Nominees submitted by Management*". Steven Dean, the Chairman of the Board, being the Chief Executive Officer, is not independent. Ryan Beedie, due to his material relationship with the Company, including his ownership of BIV Holdings Ltd., an entity which holds 27.8% of the Company's Shares, is not independent.

In light of the fact that the Chairman of the Board is not independent as defined under NI 52-110, the Company appointed Mr. David Black as Lead Director, effective August 25, 2020. Mr. Black is an independent director. His roles and responsibilities include, but are not limited to the following:

- (i) Working collaboratively with the Chairman and CEO and the Corporate Secretary of the Company to coordinate the agenda, information packages and related events for Board meetings.
- (ii) Acting as a liaison between the independent directors and the Chair.
- (iii) Chairing Board meetings when the Chair is not in attendance, including stimulating debate, providing adequate time for the discussion of issues, facilitating consensus, encouraging full participation and discussion by individual directors and confirming that clarity regarding decision-making is reached and accurately recorded. For the avoidance of doubt, the Lead Director shall have full authority to call Board meetings and approve meeting materials.
- (iv) Providing leadership to enable the independent members of the Board to effectively carry out their duties and responsibilities independently from Management.
- (v) Providing advice, counsel and mentorship to Management and fellow directors.

The Board as a whole is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. The Board's consideration and approval is also required for material contracts and business transactions and all debt and equity financing transactions. The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing the Company's cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans. Details of the Board meetings held during the year ended December 31, 2023 and the attendance of each director is reported in this Information Circular under the section entitled "*Information concerning Nominees submitted by Management*".

The independent directors do not hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. However, where deemed necessary by the independent directors, the independent directors hold in-camera sessions exclusive of non-independent directors and members of management, which process facilitates open and candid discussion amongst the independent directors.

Diversity Policy

The Company recognizes the benefits of inclusion and diversity in its broadest sense and considers inclusion and diversity at the Board level to be an essential element of Board effectiveness. A diverse Board is one that possesses a balance of skills, experience, expertise and a diversity of perspectives that are relevant to the Company's business, its strategic objectives and risk oversight. The Board Diversity Policy (the "**Diversity Policy**") sets forth the approach to diversity on the Board of the Company. The Company is committed to building and sustaining a Board comprised of talented, dedicated and diverse directors that is inclusive of individuals regardless of gender, race, national and ethnic origin, colour, religion, age, sexual orientation, marital and family status and physical or mental disabilities. The Company views inclusion and diversity on the Board as leading to a better understanding of opportunities, issues and risks; enabling stronger decision-making; and ultimately improving our performance and ability to provide strategic oversight and maximize shareholder value. While all director appointments are based on merit to complement and expand on the skills, experience and expertise of the Board as a whole, the Board also seeks to achieve a mix of members who represent a broad diversity of backgrounds and perspectives. The NCGC may from time to time consider adopting measurable objectives for achieving diversity on the Board, including gender and minority diversity, and recommend such objectives to the Board for adoption. When selecting and presenting candidates to the Board for appointment, the NCGC considers not only the skills, experience and expertise of a candidate, but also, geography, age, gender, ethnicity and aboriginal status. Any search firm engaged to assist the Board or a committee of the Board in identifying candidates for appointment to the Board will be specifically directed to include diverse candidates generally, and multiple female candidates in particular. The NCGC will review and monitor the implementation of this Diversity Policy on an annual basis to ensure its effectiveness and will report the results of its review to the Board. As part of its review, the NCGC may recommend revisions to the Diversity Policy to the Board for its approval.

Other Directorships

Certain of the directors and officers of the Company are also directors and officers of other issuers that are "reporting issuers" as that term is defined in and for the purposes of securities legislation, the details of which are disclosed in this Information Circular under the section entitled "*Information concerning Nominees submitted by Management*".

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors, and this has not, to date, been necessary as the directors of the Company are familiar with the role of a director of a publicly listed mineral resource company. However, new directors are provided with the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities are tailored to the particular needs and experience of each director and the overall needs of the Board. Potential candidates will be provided with publicly available materials in order to acquaint themselves with the Company, including recent press releases, financial reports and other relevant materials. The Board encourages each of the directors to stay current on developing corporate governance requirements through continuous improvement and education. Directors are routinely provided with information and publications on developing regulatory issues. In addition, the Company's various governance policies allows for the Board and its various committees to engage with independent external advisors (including general counsel of the Company) including for the purpose of educating the directors on relevant matters.

Ethical Business Conduct

The Board adopted a Code of Conduct on August 25, 2020 (the "**Code**"), applicable to all of its directors, officers and employees, including the CEO, the CFO and other person performing financial reporting functions. The Code communicates to directors, officers and employees standards for business conduct in the use of the Company's time, resources and assets, and identifies and clarifies proper conduct in areas of potential conflict of interest. Each director, officer and employee is provided with a copy of

the Code and signs an acknowledgement that the standards and principles of the Code will be maintained at all times on the Company's business. The Code is designed to deter wrongdoing and promote: (a) honest and ethical conduct; (b) compliance with laws, rules and regulations; (c) prompt internal reporting of Code violations; and (d) accountability for adherence to the Code. Violations from standards established in the Code, and specifically under internal accounting controls, are reported to the Chairperson of the Audit Committee and can be reported anonymously. The Audit Committee will report to the Board any reported violations at least quarterly, or more frequently depending on the specifics of the reported violation.

A copy of the Company's Code has been electronically filed with regulators and is available for viewing under the Company's profile on SEDAR+ at www.sedarplus.ca and on the "Corporate Governance" section of the Company's website at <https://www.artemisgoldinc.com/resources/governance/Artemis-Gold-Code-of-Conduct-Policy.pdf>.

Nomination and Term of Directors

The NCGC was comprised of Mr. David Black (Chair), Dr. Janis Shandro and Mr. Bill Armstrong. Following Mr. Armstrong's retirement from the Board effective May 8, 2023, Mr. Dale Andres was appointed to the NCGC. The purpose of the NCGC includes, among other matters, identifying new candidates for election to the Board. The NCGC draws on all relevant sources in the search for new directors and prepares a shortlist of potential candidates through discussion with respected financial, legal and commercial institutions and will interview the interested candidates. In recommending candidates to the Board, the NCGC considers such factors as it deems appropriate including potential conflicts of interest, professional experience, personal character, diversity, outside commitments (including service on other boards or committees) and particular areas of expertise.

The Board reviews the recommendations of the NCGC and makes the final determination about director nominations and appointments. Where appropriate, independent consultants will be engaged to identify possible new candidates for the Board.

The additional responsibilities of the NCGC are included in the Nominating & Corporate Governance Committee Charter, the full text of which is available for viewing on the "Corporate Governance" section of the Company's website at <https://www.artemisgoldinc.com/resources/governance/Artemis-Gold-Corporate-Governance-Charter.pdf>.

Position Descriptions

The Board, the Chairman and CEO have not, to date, developed formal, documented position descriptions for the CEO defining the limits of such officer's responsibilities. The Board annually approves the operating and capital budgets and strategic plan, and the CEO is required to ensure the Company operates within those guidelines. Material departures must be approved by the Board. The Board is of the view that the respective corporate governance roles of the Board and management, as represented by the Chairman and CEO are clear and that the limits to management's responsibility and authority are well-defined.

The Board has adopted terms of reference for the Lead Director and Chairman of the Board which are available on the "Corporate Governance" section of the Company's website at <https://www.artemisgoldinc.com/corporate/corporate-governance/>.

Assessments

The Board performs an annual assessment of the effectiveness of the Board, its Chair, its committees, each chairperson of each Board committee, and each individual director. Each director also completes a self-assessment. The Board Assessment process is conducted by the chair of the NCGC and any development points or recommendations (if any) are dealt with at the discretion of the chair of the NCGC. Each Board committee also reviews the adequacy of its charter at least annually. The Company has not adopted term limits for its directors or other mechanisms for Board renewal.

The Audit Committee is comprised of at least three members, all of whom shall be directors of the Company. Whenever reasonably feasible members of the Audit Committee should be independent and shall have no direct or indirect material relationship with the Company. If less than a majority of the Board are independent, then a majority of the members of the Audit Committee may be made of members that are not independent of the Company, provided that there is an exemption in the applicable securities law, rule, regulation, policy or instrument (if any).

All of the Audit Committee members are experienced businesspersons with experience in financial matters; each has a broad understanding of accounting principles used to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor. In addition, each of the members of the Audit Committee has knowledge of the role of an audit committee in the realm of reporting companies.

The following table sets out the names of the members of the Audit Committee and whether they are “independent” and “financially literate”. Shareholders may also refer to the respective biographies of each of the members of the Audit Committee under “*Election of Directors*” for further details of their respective financial experiences.

Pre-Approved Policies and Procedures for Non-Audit Services
